May 9, 2007

H 2010. FUNDS/NAT'L KIDNEY FOUND. DEMONSTR. PROJECT. Filed 5/9/07. *TO APPROPRIATE FUNDS TO THE NATIONAL KIDNEY FOUNDATION FOR A DEMONSTRATION PROJECT ON CHRONIC KIDNEY DISEASE*.

Appropriates $100,000 for 2007-08 from the General Fund to the National Kidney Foundation of NC to purchase medical claims data on the prevalence of chronic kidney disease among persons 65 years of age or older, to conduct a demonstration project to test the effectiveness of glomerular filtration rate lab values, and to educate physicians and patients about chronic kidney disease. Requires that the demonstration project be conducted in four NC sites. Requires a report to legislative committees and the Fiscal Research Division by May 1, 2008. Effective July 1, 2007.
