

§ 62-259.1. Specific declaration of policy for bus companies.

The transportation of passengers, their baggage and express, by bus companies has become increasingly subject to competition from other forms of transportation which are unregulated or only partially regulated as to rates and services. It is in the public interest and it is the policy of this State that bus companies be partially deregulated so that they may rely upon competitive market forces to determine the best quality, variety and price of bus services, thereby promoting the public health, safety and welfare by strengthening and increasing the viability of this necessary form of transportation.
