

**§ 75A-13.1. Skin and scuba divers.**

(a) No person shall engage in skin diving or scuba diving in the waters of this State that are open to boating, or assist in such diving, without displaying a diver's flag from a mast, buoy, or other structure at the place of diving; and no person shall display such flag except when diving operations are under way or in preparation.

(b) The diver's flag shall be square, not less than 12 inches on a side, and shall be of red background with a diagonal white stripe, of a width equal to one fifth of the flag's height, running from the upper corner adjacent to the mast downward to the opposite outside corner.

(c) No operator of a vessel under way in the waters of this State shall permit the vessel to approach closer than 50 feet to any structure from which a diver's flag is then being displayed, except where the flag is so positioned as to constitute an unreasonable obstruction to navigation; and no person shall engage in skin diving or scuba diving or display a diver's flag in any locality that will unreasonably obstruct vessels from making legitimate navigational use of the water.

(d) A person who violates a provision of this section is responsible for an infraction as provided in G.S. 14-3.1. (1969, c. 97, s. 1; 2006-185, s. 1; 2013-360, s. 18B.15(b); 2013-380, s. 6.)
