

§ 143B-1332. Information Technology Fund.

There is established a special revenue fund to be known as the Information Technology Fund, which may receive transfers or other credits as authorized by the General Assembly. Money may be appropriated from the Information Technology Fund to support the operation and administration that meet statewide requirements, including planning, project management, security, electronic mail, State portal operations, early adoption of enterprise efforts, and the administration of systemwide procurement procedures. Funding for participating agency information technology projects shall be appropriated to the Information Technology Fund and may be reallocated by the State CIO, if appropriate, following coordination with the impacted agencies and written approval by the Office of State Budget and Management. Any redirection of agency funds shall immediately be reported to the Joint Legislative Oversight Committee on Information Technology and the Fiscal Research Division with a detailed explanation of the reasons for the redirection. Expenditures involving funds appropriated to the Department from the Information Technology Fund shall be made by the State CIO. Interest earnings on the Information Technology Fund balance shall be credited to the Information Technology Fund. (2015-241, s. 7A.2(b).)
