

§ 15A-288. Manufacture, distribution, possession, and advertising of wire, oral, or electronic communication intercepting devices prohibited.

(a) Except as otherwise specifically provided in this Article, a person is guilty of a Class H felony if the person:

- (1) Manufactures, assembles, possesses, purchases, or sells any electronic, mechanical, or other device, knowing or having reason to know that the design of the device renders it primarily useful for the purpose of the surreptitious interception of wire, oral, or electronic communications; or
- (2) Places in any newspaper, magazine, handbill, or other publication, any advertisement of:
 - a. Any electronic, mechanical, or other device knowing or having reason to know that the design of the device renders it primarily useful for the purpose of the surreptitious interception of wire, oral, or electronic communications; or
 - b. Any other electronic, mechanical, or other device where the advertisement promotes the use of the device for the purpose of the surreptitious interception of wire, oral, or electronic communications.

(b) It is not unlawful under this section for the following persons to manufacture, assemble, possess, purchase, or sell any electronic, mechanical, or other device, knowing or having reason to know that the design of the device renders it primarily useful for the purpose of the surreptitious interception of wire, oral, or electronic communications:

- (1) A communications common carrier or an officer, agent, or employee of, or a person under contract with, a communications common carrier, acting in the normal course of the communications common carrier's business, or
- (2) An officer, agent, or employee of, or a person under contract with, the State, acting in the course of the activities of the State, and with the written authorization of the Attorney General.

(c) An officer, agent, or employee of, or a person whose normal and customary business is to design, manufacture, assemble, advertise and sell electronic, mechanical and other devices primarily useful for the purpose of the surreptitious interceptions of wire, oral, or electronic communications, exclusively for and restricted to State and federal investigative or law enforcement agencies and departments.
