(a) The provisions of this Article shall be known and may be cited as The North Carolina Control Share Acquisition Act.

- (1) "Beneficial ownership" of shares means the sole or shared ownership of any shares or the sole or shared power to vote any shares or to direct the exercise of voting power of any shares, whether such ownership or power is direct or indirect or through any contract, arrangement, understanding, relationship or otherwise, and includes shares beneficially owned by any person acting in concert with such beneficial owner pursuant to any contract, arrangement, understanding, relationship or otherwise. Notwithstanding the foregoing, beneficial ownership does not include shares acquired in the ordinary course of business for the benefit of others in good faith and not for the purpose of circumventing this Article, unless the acquiror of such shares may exercise or direct the exercise of voting of such shares without instruction from others.
- (2) "Control shares" means shares of a covered corporation that when added to all other shares of the corporation beneficially owned by a person would entitle (except for this Article) that person to voting power in the election of directors that is equal to or greater than any of the following levels of voting power:

  - b. One-third of all voting power.
  - c. A majority of all voting power.

  - c. Pursuant to the laws of descent and distribution.
  - d. Pursuant to the satisfaction of a pledge or other security interest created in good faith and not for the purpose of circumventing this Article.
  - e. Pursuant to a transaction effected in compliance with applicable law, but only if the transaction is pursuant to an agreement to which the covered corporation is a party.
  - f. Pursuant to the sale of such shares by the covered corporation or its parent or subsidiary corporation.
  - g. Pursuant to a written agreement to which the covered corporation is a party that permits the purchasers of shares from the covered corporation or its parent or subsidiary corporation also to purchase in

any manner within 90 days before or after the purchase from the covered corporation or its parent or subsidiary up to the same aggregate number of shares as were sold by the covered corporation or its parent or subsidiary corporation.

h. By an employee benefit plan established by the covered corporation.
