31 **SECTION 1.3.** The General Assembly finds that State government must serve as a
32 facilitator in assisting local governments, communities, families, workers and other individuals,
33 and businesses in accessing federal relief and recovery funds related to the COVID-19 pandemic.

* H 1 0 4 3 - P C S 1 0 7 6 0 - M L A - 1 3 *

1 funds, including federal funds appropriated or otherwise made available under the COVID-19
2 Recovery Legislation, and to direct the use of those funds in a manner that is consistent with the
3 authorizing federal legislation and that responsibly provides for the public health and economic
4 well-being of the State.
5

6 **REQUIREMENT TO MAXIMIZE USE OF FEDERAL FUNDS**

7 **SECTION 1.4.** The appropriations and allocations made in this act are for maximum
8 amounts necessary to implement this act. State agencies shall maximize the use of federal funds
9 made available in this act wherever possible within the allowable uses prior to using other State
10 funds.
11

12 **CONFLICT WITH FEDERAL LAW**

13 **SECTION 1.5.** If an allocation made under this act is found to be disallowed by
14 federal law, the disallowed allocation is repealed, and the Office of State Budget and
15 Management (OSBM) shall transfer the amount of the disallowed allocation to the Coronavirus
16 Relief Reserve established in Section 2.1 of this act. If the funds have been allocated to a
17 nonprofit corporation, and the use of funds by the nonprofit corporation is disallowed by federal
18 law, the nonprofit corporation shall return the amount of funds allocated to the nonprofit
19 corporation to OSBM to transfer the funds into the Coronavirus Relief Reserve. Amounts
20 transferred into the Coronavirus Relief Reserve pursuant to this section are receipts that do not
21 constitute an "appropriation made by law," as that phrase is used in Section 7(1) of Article V of
22 the North Carolina Constitution.
23

24 **GENERAL GUIDANCE ON USE OF FUNDS**

25 **SECTION 1.6.** OSBM shall work with the recipient State agencies to budget receipts
26 awarded pursuant to COVID-19 Recovery Legislation according to the program needs and within
27 the parameters of the respective granting entities and applicable federal laws and regulations.
28 State agencies shall not use funds received pursuant to COVID-19 Recovery Legislation for
29 recurring purposes. Revenue replacement is not a permissible use of funds received pursuant to
30 the CARES Act, P.L. 116-136. Depending on the nature of the award, additional State personnel
31 may be employed on a temporary or time-limited basis.
32

33 **REQUIRED REPORT ON USE OF FUNDS**

34 **SECTION 1.7.** In addition to any report required under this act or any other law,
35 OSBM shall provide a report to the Joint Legislative Commission on Governmental Operations
36 and the Fiscal Research Division by March 1, 2021, detailing the use of funds allocated under
37 Section 3.3 of this act. Additionally, each State agency or department that receives federal grant
38 funds under Section 4.1 of this act shall provide a report to the Joint Legislative Commission on
39 Governmental Operations and the Fiscal Research Division no later than 90 days from the day
40 the grant period ends detailing the use of funds. The report required from OSBM under this
41 section shall include the amount of funds allocated to each State agency, State department, and
42 nonprofit organization; how the funds were used by each State agency, State department, and
43 nonprofit organization; and the amount of funds allocated to each State agency, State department,
44 and nonprofit organization that remained unspent as of December 30, 2020. The report required
45 from each State agency or department that receives federal grant funds under Section 4.1 of this
46 act shall include the amount of funds granted, the source of the funds, how the funds were used,
47 and the amount of funds that remained unspent at the end of the grant period.
48

49 **AUDIT REQUIREMENT**

1 **SECTION 1.8.** The State Auditor shall conduct a preliminary financial audit and a
2 final performance audit of the Coronavirus Relief Fund created by this act no later than March 1,
3 2021.

4 **PART II. ESTABLISHMENT OF RESERVES AND FUNDS**

5 **ESTABLISHMENT OF CORONAVIRUS RELIEF RESERVE**

6 **SECTION 2.1.** The State Controller shall establish a Coronavirus Relief Reserve
7 (Reserve) in the General Fund to maintain federal funds received from the Coronavirus Relief
8 Fund created under the CARES Act, P.L. 116-136, to mitigate the impact of the COVID-19
9 outbreak in North Carolina. The State Controller shall transfer funds to the Coronavirus Relief
10 Fund established in Section 2.2 of this act only as needed to meet the appropriations set out in
11 this act and only upon request of the Director of the Budget. Funds reserved in the Reserve do
12 not constitute an "appropriation made by law," as that phrase is used in Section 7(1) of Article V
13 of the North Carolina Constitution.
14
15

16 **ESTABLISHMENT OF CORONAVIRUS RELIEF FUND**

17 **SECTION 2.2.** The Coronavirus Relief Fund (Fund) is established. The purpose of
18 the Fund is to provide necessary and appropriate relief and assistance from the effects of
19 COVID-19, consistent with the provisions of this act and subsequent legislation addressing the
20 effects of COVID-19. The Fund shall be maintained as a special fund and administered by OSBM
21 to carry out the provisions of this act and subsequent acts necessitated as a result of the
22 COVID-19 outbreak. All funds allocated from the Fund must be used for necessary expenditures
23 incurred due to the public health emergency with respect to COVID-19. Only expenditures
24 incurred during the period that begins on March 1, 2020, and ends on December 30, 2020, are
25 eligible for funding from this Fund.
26
27

28 **ESTABLISHMENT OF LOCAL GOVERNMENT CORONAVIRUS RELIEF RESERVE**

29 **SECTION 2.3.** The State Controller shall establish a Local Government Coronavirus
30 Relief Reserve (Local Reserve) in the General Fund to maintain certain federal funds transferred
31 from the Reserve established in Section 2.1 of this act that are eligible to mitigate the impact of
32 the COVID-19 outbreak in North Carolina on the revenue of local governments. The State
33 Controller shall transfer the sum of three hundred million dollars (\$300,000,000) from the
34 Reserve to the Local Reserve. It is the intent of the General Assembly to appropriate a sum of up
35 to one hundred fifty million dollars (\$150,000,000) if local governments experience a revenue
36 shortfall and the CARES Act, P.L. 116-136, is amended to allow the use of federal funds for that
37 purpose. Funds that are reserved in the Local Reserve do not constitute an "appropriation made
38 by law," as that phrase is used in Section 7(1) of Article V of the North Carolina Constitution.
39

40 **PART III. TRANSFER, APPROPRIATIONS, AND ALLOCATIONS**

41 **TRANSFER OF FUNDS FROM RESERVES TO RELIEF FUND**

42 **SECTION 3.1.** Transfer of Funds from Reserves to Relief Fund. – The State
43 Controller shall transfer the sum of one billion two hundred seventy-five million nine hundred
44 eighty-eight thousand twenty-nine dollars (\$1,275,988,029) for the 2019-2020 fiscal year from
45 the Reserve established in Section 2.1 of this act, and the sum of one hundred fifty million dollars
46 (\$150,000,000) for the 2019-2020 fiscal year from the Local Government Coronavirus Relief
47 Reserve established in Section 2.3 of this act, to the Fund established in Section 2.2 of this act.
48
49

50 **APPROPRIATION OF FUNDS FROM RELIEF FUND TO OSBM**

1 **SECTION 3.2.** Appropriation of Funds from Relief Fund to OSBM. – There is
2 appropriated from the Fund to OSBM the sum of one billion four hundred twenty-five million
3 nine hundred eighty-eight thousand twenty-nine dollars (\$1,425,988,029) in nonrecurring funds
4 for the 2019-2020 fiscal year to be allocated and used as provided in Section 3.3 of this act. The
5 funds appropriated in this section shall not revert at the end of the 2019-2020 fiscal year but shall
6 remain available to expend until December 30, 2020.

7
8 **ALLOCATION OF FUNDS APPROPRIATED TO OSBM**

9 **SECTION 3.3.** Allocations of Funds. – OSBM shall allocate the funds appropriated
10 in Section 3.2 of this act as follows:

- 11 (1) \$50,000,000 to OSBM to allocate to the entities listed in this subdivision to
12 be used for (i) the purchase of supplies and equipment necessary for life safety,
13 health, and sanitation, such as ventilators, touch-free thermometers, gowns,
14 disinfectant, and sanitizing wipes, and (ii) the purchase of personal protective
15 equipment that meets the federal standards and guidelines from the Centers
16 for Disease Control and Prevention, such as surgical and respiratory masks
17 and gloves, as follows:
- 18 a. Fifty percent (50%) to the North Carolina Healthcare Foundation, a
19 nonprofit corporation.
 - 20 b. Fifteen percent (15%) to the North Carolina Senior Living
21 Association, a nonprofit corporation, and the North Carolina Health
22 Care Facilities Association, a nonprofit corporation, in equal amounts.
 - 23 c. Ten percent (10%) to the North Carolina Medical Society to allocate
24 to independent medical practices in this State.
 - 25 d. Twenty-five percent (25%) to the Department of Public Safety,
26 Division of Emergency Management, to be allocated to meet the needs
27 of the State Highway Patrol and North Carolina National Guard, and
28 the remaining balance to be allocated among entities the Division
29 deems essential to the State's response to COVID-19.
- 30 (2) \$150,000,000 to OSBM for allocation to counties ineligible to receive direct
31 funding from the federal Coronavirus Relief Fund established by the
32 Coronavirus Aid, Relief, and Economic Security (CARES) Act, P.L. 116-136.
33 OSBM shall allocate these funds by providing each county eligible to receive
34 funding under this section a base allocation of two hundred fifty thousand
35 dollars (\$250,000), with the remaining funds distributed to eligible counties
36 on a per capita basis using the United States Census Bureau's Vintage 2019
37 county population totals. A county may allocate a portion of these funds for
38 use by municipalities within the county, but only if the transfer qualifies as a
39 necessary expenditure incurred due to the public health emergency and meets
40 the other criteria of section 601(d) of the Social Security Act. Such funds are
41 subject to recoupment by the United States Treasury Inspector General if they
42 have not been used in a manner consistent with section 601(d) of the Social
43 Security Act. Further, the funds may only be used to support expenditures by
44 counties and municipalities that are consistent with the most recently
45 published United States Treasury Department guidance for the federal
46 Coronavirus Relief Fund. Counties and municipalities are liable to the State
47 for any misuse or mishandling of these funds, and subject to clawback and
48 other appropriate measures, including the reduction or elimination of other
49 State funds. Any local government officer, official, or employee who violates
50 this section shall be subject to a civil action by the State and held personally
51 liable to reimburse the State. Beginning October 1, 2020, and then quarterly

- 1 thereafter, each county and municipality receiving funds under this
2 subdivision shall report to OSBM on the use of allocated funds until all funds
3 are expended and accounted for.
- 4 (3) \$70,000,000 to OSBM to be used for the continuity of operation needs across
5 State government. As referenced in Section 2.2 of this act, expenditures
6 incurred during the period that begins on March 1, 2020, and ends on
7 December 30, 2020, are eligible for funding under this subdivision.
8 Expenditures eligible under this subdivision may include, but are not limited
9 to, covering overtime costs at mental health institutions, prisons, community
10 corrections, juvenile facilities, and veterans homes; covering costs of pay
11 provided to employees of the Division of Adult Correction and Juvenile
12 Justice at the Department of Public Safety in accordance with The
13 Communicable Disease Emergency Policy established by the Office of State
14 Human Resources; covering costs of in-home monitoring for all nonviolent
15 juvenile offenders and nonviolent, elderly, health-compromised, and
16 near-release adult offenders; covering costs of personal protective equipment,

18 and Juvenile Justice at the Department of Public Safety; purchasing critical
19 information technology equipment and software licenses; enhancing
20 telepresence services in public safety facilities and the court system; and
21 purchasing emergency sanitation and hygienic supplies. Provided that the
22 United States Department of Labor does not approve additional funding for
23 the Customer Call Center operated by the Division of Employment Security,
24 funds may also be used to hire additional time-limited staff in the Customer
25 Call Center to meet the unprecedented demand for services. Up to two million
26 dollars (\$2,000,000) of the funds allocated in this subdivision may be used to
27 establish a temporary North Carolina Pandemic Recovery Office in
28 accordance with Section 4.3 of this act. Up to five hundred thousand dollars
29 (\$500,000) of the funds allocated in this subdivision may be further allocated
30 to the Office of the State Auditor to perform the requirements set forth in
31 Section 1.8 of this act. OSBM shall provide a report to the Joint Legislative
32 Commission on Governmental Operations no later than August 15, 2020,
33 detailing the allocation of funds under this subdivision. The report shall
34 include which State agencies received allocations, the amounts disbursed, the
35 amount spent in the 2019-2020 fiscal year, and for what purposes the funds
36 were used by fund code and line-item detail.
- 37 (4) \$300,000,000 to OSBM to allocate to the General Maintenance Reserve in the
38 Highway Fund for the Department of Transportation; provided that OSBM
39 shall not transfer these allocated funds to the Department for use until the
40 guidelines in "Coronavirus Relief Fund Guidance for State, Territorial, Local,
41 and Tribal Governments," dated April 22, 2020, are revised by the United
42 States Department of the Treasury to authorize the use of funds from the
43 Coronavirus Relief Fund for the purpose of replacing lost revenue due to the
44 COVID-19 emergency, or a subsequent act of Congress authorizes the use of
45 funds from the Coronavirus Relief Fund for the purpose of replacing lost
46 revenue due to the COVID-19 emergency. 30 days prior to the transfer of
47 funds pursuant to this subsection, OSBM shall submit a report to the Joint
48 Legislative Commission on Governmental Operations. On or before April 1,
49 2021, the Department shall submit a report on the status of utilizing these
50 funds and a revenue update to the Joint Legislative Transportation Oversight
51 Committee (JLTOC) and the Fiscal Research Division. The Governor may not

1 use the funds described in this subdivision to make budget adjustments under
2 G.S. 143C-6-4 or to make reallocations under G.S. 166A-19.40(c).
3 Notwithstanding Section 3.2 of this act, if, by June 15, 2020, the guidelines in
4 "Coronavirus Relief Fund Guidance for State, Territorial, Local, and Tribal
5 Governments," dated April 22, 2020, are not revised by the United States
6 Department of the Treasury to authorize the use of funds from the Coronavirus
7 Relief Fund for the purpose of replacing lost revenue due to the COVID-19
8 emergency, or a subsequent act of Congress does not authorize the use of
9 funds from the Coronavirus Relief Fund for the purpose of replacing lost
10 revenue due to the COVID-19 emergency, the State Controller shall transfer
11 the funds described in this subdivision to the Reserve and the funds shall
12 remain unspent until appropriated by an act of the General Assembly.

13 (4a) \$20,000,000 to OSBM, for allocation to State agencies negatively impacted
14 by the loss of anticipated receipts. OSBM shall not transfer the allocated funds
15 to the State agencies for use until the guidelines in "Coronavirus Relief Fund
16 Guidance for State, Territorial, Local, and Tribal Governments" dated April
17 22, 2020, are revised by the United States Department of the Treasury or a
18 subsequent act of Congress authorizes the use of funds from the Coronavirus
19 Relief Fund for the purpose of replacing lost revenue due to the COVID-19
20 emergency. Prior to the transfer of funds pursuant to this subsection, OSBM
21 shall submit a report to the Joint Legislative Commission on Governmental
22 Operations.

23 (5) \$100,000 to OSBM to allocate to the General Assembly to be used to
24 reimburse for funds previously provided to Wake Forest University Health
25 Services for COVID-19 research data to facilitate future work of legislative
26 committees.
