EIGHTY-EIGHTH DAY

HOUSE OF REPRESENTATIVES
Saturday, June 28, 2003

The House meets at 10:00 a.m. pursuant to adjournment and is called to order by Speaker Morgan.

The following prayer is offered by the Reverend Jim Lambeth, House Chaplain:

"God, we do seek You - Your strength, Your wisdom, Your justice, Your compassion. Even as this Body concludes work on a budget for our State, we seek You. May numbers on paper not be mistaken as inanimate, for each number touches other lives and the well-being of our State. Decisions are tough. May they be well made in the best interest of all the people of North Carolina. And when all is done, may these Representatives feel that their work has been worth the effort and that they have served the people well.

"In Your loving name we pray. Amen."

EIGHTY-NINTH DAY

HOUSE OF REPRESENTATIVES
Sunday, June 29, 2003

The House meets at 7:30 p.m. pursuant to adjournment and is called to order by Speaker Black.

The following prayer is offered by the Reverend Jim Lambeth, House Chaplain:

"Wise God:

"You gave us minds to know You, hearts to love You, hands to serve You, and the wits about us to know when we aren't doing what we are supposed to. On this weekend when we are called to take time out to remember You, we are still here at work. Remind us once again, that even the work done in this House is in worship of You - that even as a State budget is sought, it is to reflect the work of a people called in service of You and who work for all the people of our State - for those who are the weakest among us - the children, the widow, the elderly, the orphan, the homeless, the poor, the prisoner, the disenfranchised. God bless our Speakers, the budget conferees, these Representatives, staff, and all those who bring their wisdom to bear on the issues faced here. Give them wise and just decisions and the strength for the work to come. Especially tonight, O God of compassion, we lift our hearts with Representative Earle and her family as they grieve the death of her son's grandparents.

"In Your guiding name we pray. Amen."

NINETY-FIRST DAY

HOUSE OF REPRESENTATIVES
Thursday, July 3, 2003

The House meets at 10:30 a.m. pursuant to adjournment and is called to order by Speaker Black.

The following prayer is offered by the Reverend Jim Lambeth, House Chaplain:

"O beautiful for spacious skies, for amber waves of grain, for purple mountain majesties above the fruited plain;...
O beautiful for patriot dream that sees beyond the years, Your alabaster cities gleam, undimmed by human tears!...
America! America! God shed Your grace on us, and crown Your good with servanthood, from sea to shining sea!

"God of all the nations, we are here today, each one, as a patriot, filled with dreams. Our celebration of independence calls us once again to remember those who have made possible what we have as a nation - our forefathers and mothers, those who have given their lives from a war of revolution to a war in Afghanistan and Iraq, our presidents and national leaders, our governors and State leaders, our sisters and brothers across the hall and these Representatives here today. Most of all our celebration is of the people of this great Nation and of this great State. We remember, O God, that our strength is in our diversity - a people coming together from all over the world, from all backgrounds, from all races, from all belief systems, from all life situations - to form a country devoted to our common humanity, each able to express her or his individuality, yet united by our common desire for freedom.

"God, we especially pray for those who celebrate Independence Day this year in foreign lands, under the gun. May the fireworks of our enthusiasm not be explosions of peril for them. May they soon be back home to celebrate with us.

July 3, 2003
"And God of all life, may the waning days of this Legislative Session bring decisions reflective of Your blessing of our Nation and State and world. God give us peace!

"In Your freedom-giving name we pray. Amen."

Representative Stam reports the Journal of June 30 has been examined and found correct. Upon his motion, the Journal is approved as written.

We most often act as if You wound up the universe and left us alone and in charge, forgetting that all we do is under Your watchful eye. As the hearing before Rules earlier in the day has shown, many good people on all sides of issues, even of life and death, struggle with just decisions and with Your will for the ordering of human society. We pray that the work that has been done in this place and that will be done in these last days is pleasing to You and in some small way expresses our part in tending and keeping Your just kingdom. Bless our Speakers and these Representatives. Give them a depth of vision that they may see the far-reaching effects of their remaining decisions. May our State be a better place for their work.

"In Your innumerable names we pray. Amen."

Representative Culpepper, for the Committee on Rules, Calendar, and Operations of the House, reports the Journal of July 14 has been examined and found correct. Upon his motion, the Journal is approved as written.

STATE OF NORTH CAROLINA

Michael F. Easley

August 27, 2003
GOVERNOR'S OBJECTIONS AND VETO MESSAGE

House Bill 917 would raise the fees that consumer finance companies may charge mortgage borrowers by two percentage points (from one percent to three percent). It would allow new deferral fees and new modification fees of $150 each per year. All of these fee increases are in addition to the statutorily allowed interest of up to 15 percent.

Consumer finance companies primarily make high rate, personal unsecured consumer loans to borrowers who may not qualify for bank loans. However, if consumer finance companies move these borrowers into first mortgage loans, they can charge up to 15 percent interest and an origination fee, while taking the borrower's home as security. To allow additional charges under these circumstances is unnecessary and harmful.

North Carolina is known for having one of the toughest predatory lending laws in the country. During a national recession, many families are struggling to make ends meet. However, the five large national and international conglomerates that make the vast majority of consumer finance loans are thriving. This legislation has no economic benefit to North Carolina or our working families. It would simply increase the cost of loans for North Carolina citizens at a time that they can afford it least.

Therefore, I veto the bill.

S/ Michael F. Easley

Speaker Morgan refers the bill to the Committee on Rules, Calendar, and Operations of the House.

Representative Culpepper is recognized and states that he has placed a resolution with the Clerk for consideration by the Body.

Speaker Morgan directs the Principal Clerk to number the resolution and places H.J.R. 1341, A JOINT RESOLUTION ADJOURNING THE RECONVENED SESSION, before the Body.

H.R. 2, A HOUSE RESOLUTION ELECTING JAMES B. BLACK AS
DEMOCRATIC SPEAKER OF THE HOUSE OF REPRESENTATIVES
AND RICHARD T. MORGAN AS REPUBLICAN SPEAKER OF THE
HOUSE OF REPRESENTATIVES, AND PROVIDING FOR POWER-
SHARING IN THE HOUSE OF REPRESENTATIVES.
Be it resolved by the House of Representatives:

SECTION 1. James B. Black is elected Democratic Speaker of
the House of Representatives, and Richard T. Morgan is elected Republican
Speaker of the House of Representatives. Both persons elected shall be
administered the oath of office. The Democratic Speaker shall serve as
Speaker on the calendar day elected, and the Republican Speaker shall serve
on the next calendar day, and they shall alternate days of service through
December 31, 2004, such that on any one day there is only one Speaker.

SECTION 2. Each committee shall consist of an equal number
of members of each party. The Democratic members shall be appointed by
the Democratic Speaker, and the Republican members shall be appointed by
the Republican Speaker. Chairs and cochairs of each committee shall be
named jointly by the Democratic Speaker and the Republican Speaker.

SECTION 3. This resolution is effective upon adoption.

H.R. 3, A HOUSE RESOLUTION TO ESTABLISH THE OFFICE
OF PRINCIPAL CLERK OF THE HOUSE OF REPRESENTATIVES.
Be it resolved by the House of Representatives:

SECTION 1. The office of Principal Clerk of the House of
Representatives is established.

SECTION 2. The House of Representatives shall proceed to the
election of its Principal Clerk.

SECTION 3. This resolution is effective upon adoption.

H.R. 19, A HOUSE RESOLUTION EXPRESSING SUPPORT FOR THE
MILITARY TROOPS FIGHTING THE WAR AGAINST TERRORISM.

Whereas, the State of North Carolina takes great pride in the
military personnel stationed at Camp Lejeune, Cherry Point, Fort Bragg,
Pope Air Force Base, and Seymour Johnson Air Force Base; and

Whereas, the State is also proud of the many North Carolinians
who are members of the reserve components of the armed services and of
the North Carolina National Guard; and

Whereas, as these brave men and women carry out their missions
in the war against terrorism, it is crucial to remember the sacrifices they are
undertaking in making our world a safer place; and
Whereas, the House of Representatives pledges to continue its support of our troops and their loved ones and encourages the citizens of North Carolina to do the same; Now, therefore,
Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives wishes to express its support for our military troops and their families living in military communities in Craven, Cumberland, Onslow, and Wayne Counties and in other areas of North Carolina.

SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to the commanding officer at each military installation in North Carolina.

SECTION 3. This resolution is effective upon adoption.

H.R. 272, A HOUSE RESOLUTION URGING CONGRESS NOT TO CUT IMPACT AID TO SCHOOLS.
Whereas, the federal Impact Aid Program provides funding to local school districts for the education of federally connected students, including those living on military bases and Indian lands and those living in federal public housing; and
Whereas, impact aid may be used for a variety of expenses, including teacher salaries, textbooks, computers, after-school programs, remedial tutors, and advanced placement classes; and
Whereas, to be eligible for impact aid, a school district must either have at least 400 federally connected students or at least three percent of all students in the school district's average daily attendance must be federally connected; and
Whereas, 40 cents of every dollar appropriated for impact aid is allocated to school districts educating military children; and
Whereas, the Bush administration has proposed eliminating military children who live offpost from the formula for calculating impact aid; and
Whereas, this proposal, if enacted, would result in a drastic reduction of millions of dollars in impact aid to school districts that encompass military installations and thus would place a heavy economic burden on those school districts, especially those in North Carolina; Now, therefore,
Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives urges Congress, at a minimum, to retain the current formula for calculating impact aid to ensure that all students receive the education they deserve.
SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to each member of North Carolina's congressional delegation.

SECTION 3. This resolution is effective upon adoption.

H.R. 275, A HOUSE RESOLUTION URGING THE UNITED STATES CONGRESS TO FULLY FUND SPECIAL EDUCATION.

Whereas, full federal funding of the Individuals with Disabilities Education Act (IDEA) would have an immediate impact on students with disabilities across the entire State of North Carolina; and

Whereas, prior to enactment of the Education for All Handicapped Children Act of 1975, only one in five children with disabilities was educated in public schools in the United States; and

Whereas, despite significant strides in increasing and enhancing public education of children with disabilities, many of these children still do not receive the services and assistance they need to succeed in public schools; and

Whereas, North Carolina has had in place for a number of years an assessment and accountability system that includes students with disabilities, including students requiring an alternate assessment system; and

Whereas, considering the new federal No Child Left Behind requirements for raising the percentage of students with disabilities proficient in state standards to 100% by the end of the 2013-2014 school year and that a primary evaluation of school success will be determined by increasing the proficiency rate, local school districts have been working to provide North Carolina's 190,823 students with disabilities increased access to and progress in the general curriculum; and

Whereas, full funding will translate into providing more teachers and paraprofessionals emphasizing instruction in curriculum to assist in implementing the Individual Education Programs (IEPs) for all North Carolina students with disabilities, which would support student achievement and student proficiency; and

Whereas, teacher preparation programs would benefit from full funding of IDEA by attracting prospective persons interested in a career of teaching special education; and

Whereas, teacher professional development and technical assistance to increase student achievement and proficiency would benefit from full funding of IDEA; and

Whereas, the related services that the additional IDEA part B money resulting from full funding could buy would positively impact student achievement and academic success; and
Whereas, full funding would also assist in the provision of additional technology and assistive technology dedicated to increasing access to and progress in the general curriculum for students with disabilities; and

Whereas, the federal government currently funds only 18% of its initial promise to pay 40% of per pupil expenditures under IDEA for serving students with disabilities; and

Whereas, this lack of funding has forced states and local districts to make up the difference at the cost of other critical education programs; and

Whereas, passage of the full funding provision is especially critical now that most states are experiencing declining revenues and budget reductions due to the slow economy; and

Whereas, a recent congressional report showed that many states have already been forced to cut education funding over 11 billion dollars, with more cuts expected; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives urges Congress to fully fund the Individuals with Disabilities Education Act (IDEA) during Congress’ consideration of IDEA reauthorization. It is absolutely critical that Congress fulfill its 27-year-old promise to help states and local school districts with the rising costs of special education and approve mandatory IDEA full funding.

SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to each member of the North Carolina congressional delegation and to the President of the United States.

SECTION 3. This resolution is effective upon adoption.

(3) A parliamentary inquiry, or
(4) A question of privilege.

RULE 8. Questions of Privilege. – Upon recognition by the Speaker for that purpose, any member may speak to a question of privilege for a time not to exceed three minutes. Questions of privilege shall be those affecting, first, the rights of the House collectively, its safety, dignity, and the integrity of its proceedings; second, the rights, reputation, and conduct of members, individually, in their representative capacity only; and shall have precedence over all other questions, except motions to adjourn. Privilege may not be used to explain a vote or debate a bill. The Speaker shall determine if the question is one of privilege and shall, without the point of order being raised, enforce this rule.

RULE 9. Points of Order. – (a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from their seats for that purpose. Any member may appeal from the ruling of the chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A two-thirds vote of the members present shall be necessary to sustain any appeal from the ruling of the chair.

(b) When the Speaker calls a member to order, the member shall be seated, except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the chair and the decision by a two-thirds vote of the members present be in favor of the member called to order, the member may proceed; if otherwise, the member shall not; and if the case, in the judgment of the House, requires it, the member shall be liable to censure by the House.

RULE 10. Limitations on Debate. – (a) No member shall speak on, debate, or solicit cosponsors for a bill or resolution at its first reading.

(b) No member shall speak more than twice on the main question nor longer than 20 minutes for the first speech and 10 minutes for the second speech; nor shall the member speak more than twice upon an amendment or motion to reconsider, re-refer, appeal, or postpone or any motion on concurrence, and then not longer than 10 minutes for the first speech and five minutes for the second speech.

(c) A member may speak only once and for not more than 20 minutes on the question of the adoption of a minority report.

(d) The House, by consent of a majority of the members present, may suspend the operation of subsections (b) and (c) of this rule during any debate on any particular question before the House.

RULE 11. Reading of Papers. – When there is a call for the reading of the text of a paper which has been presented to the House and there is
objection to such reading, the question shall be determined by a majority vote of the members of the House present. Except for protests permitted by the Constitution, no member may have material printed in the Journal until said material has been presented to the House and the printing approved by the House, and said material shall not exceed 1,000 words.

RULE 12. **General Decorum.** – (a) The Speaker shall preserve order and decorum.

(b) Decency of speech shall be observed and disrespect to personalities carefully avoided.

(c) When the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of, or cross the House nor, when a member is speaking, engage in disruptive discourse or pass between the member and the chair.

(d) Food or beverages shall not be permitted on the floor of the House during the first two hours of the daily session.

(e) The reading of newspapers shall not be permitted on the floor of the House while the House is in session.

(f) Smoking shall not be permitted on the floor of the House or in the galleries at any time. The consumption of food or beverages shall not be permitted in the galleries at any time.

(g) Special recitals and performances by musicians or other groups shall not be permitted on the floor of the House; and special guests of members of the House shall not be permitted on the floor of the House.

(h) Members shall observe appropriate attire, coat and tie for male members and dignified dress for female members.

(i) The use of wireless telephones shall not be permitted in the House Chamber.

(j) Placards, stickers, or signs not approved by the Speaker are not permitted in the House Chamber.

III. **Motions**

RULE 13. **Motions Generally.** – (a) Every motion shall be reduced to writing if the Speaker or any two members request it. No motion relating to a bill shall be in order which does not identify the bill by its number and short title.

(b) When a motion is made, it shall be stated by the Speaker, or, if written, it shall be handed to the chair and read aloud by the Speaker or Clerk before debate.

(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.
RULE 14. Motions, Order of Precedence. – When there are motions before the House, the order of precedence is as follows:

To adjourn.
To lay on the table.
Previous question.
To recess.
To postpone indefinitely.
To reconsider.
To postpone to a day certain.
To re-refer.
To amend an amendment.
To amend.
To pass the bill.

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to re-refer, or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. Motion to Adjourn. – (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.
(b) A motion to adjourn shall be decided without debate and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. Motion to Table. – (a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn is before the House.
(b) A motion to table shall be decided without debate.
(c) A motion to table shall not be paired with a motion to reconsider.
(d) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.
(e) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.
(f) When a question has been tabled, it shall not thereafter be considered except on motion to reconsider under Rule 18 or to remove from the table approved by a two-thirds vote.

RULE 17. Motion to Postpone Indefinitely. – A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table or for the previous question is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not
thereafter be considered except on motion to reconsider under Rule 18 or to place on the favorable calendar approved by a two-thirds vote.

RULE 18. Motion to Reconsider. – (a) When a question has been decided, it is in order for any member to move for the reconsideration thereof on the same or the succeeding legislative day; provided that if the vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

(b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds vote: a second or subsequent motion to reconsider and a motion to reconsider:

(1) A vote upon a motion to table,
(2) A motion to postpone indefinitely,
(3) A motion to remove a bill from the unfavorable calendar,
(4) A motion that a bill be read twice on the same day, or
(5) A motion to remove from the table.

(c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended.

RULE 19. Previous Question. – (a) The previous question may be called only by:

(1) The Chair of the Committee on Rules, Calendar, and Operations of the House;
(2) The member submitting the report on the bill or other matter under consideration;
(3) The member introducing the bill or other matter under consideration; or
(4) The member in charge of the measure, who shall be designated by the chair of the standing committee or permanent subcommittee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

(b) The previous question shall be as follows: "Call for the previous question having been made, is the call sustained?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the question is on the passage of the bill, resolution, or other matter under consideration.

(c) The call for the previous question shall preclude all motions, amendments, and debate, except the motion to adjourn or motion to table.

(d) If the previous question is decided in the negative, the question remains under debate.

IV. Voting

RULE 20. Use of Electronic Voting System. – (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:
(1) The passage as required by Article II, Section 23 of the North Carolina Constitution on second and third readings of any bill:
   a. Raising money on the credit of the State,
   b. Pledging the faith of the State for the payment of a debt,
   c. Imposing a State tax, or
   d. Authorizing a county, municipality, or other local governmental unit to
      1. Raise money on its credit,
      2. Pledge its faith for the payment of a debt, or
      3. Impose a local tax.
(2) All measures affecting a fee imposed by the State or any subdivision thereof.
(3) All questions on which a call for the ayes and noes under Rule 24(a) and Article II, Section 19 of the North Carolina Constitution has been sustained.
(4) Both second and third readings of bills proposing amendment of the North Carolina Constitution or ratifying resolutions amending the United States Constitution.
(5) The passage of a bill notwithstanding the Governor's veto thereof pursuant to Article II, Section 22 of the North Carolina Constitution.

(b) Votes on the following questions shall be taken on the electronic voting system:
(1) Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.
(2) Upon a call for division.
(3) Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth of the members present.

(c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. The system shall be set to close automatically when that time has expired. Once the system is locked, the vote shall be recorded and printed.
(d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a
breach of the ethical obligation of a member either to request that another person vote at the requesting member's station or to vote at another member's station. The Speaker shall enforce this rule without exception.

(e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic voting system shall be filed in the office of the Principal Clerk, and two copies shall be filed in the Legislative Library where the copies shall be open to public inspection. A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic voting system, the Speaker shall announce that fact to the House, and any partial electronic voting system voting record shall be voided. In such a case, if the North Carolina Constitution or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. If, after a vote is taken on the electronic voting system, it is discovered that a malfunction caused an error in the electronic voting system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic voting system, the motions are coded as follows:

1. To adjourn.
2. To lay on the table.
3. Previous question.
4. To recess.
5. To postpone indefinitely.
6. To reconsider.
7. To postpone to a day certain.
8. To re-refer.
9. To amend an amendment.
(10) To amend.
(11) To concur or not concur.
(12) Miscellaneous.

RULE 21. Voice Votes; Stating Questions. – (a) All other votes except those required to be taken on the electronic voting system shall be taken by voice vote.

(b) When a voice vote is taken, the Speaker shall put the question substantially as follows: "Those in favor (as the question may be) will say 'Aye'", and after the affirmative voice has been expressed, "Those opposed will say 'No'".

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

RULE 22. Determining Questions. – (a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless the member is in the Chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. Voting by Division. – Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member's seat shall be counted.

RULE 24. Roll Call Vote. – (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

RULE 24.1A. Excuse From Deliberations and Voting on a Bill. – (a) Any member shall, upon request, be excused from the deliberations and voting on a particular bill, but to do so must make that request after the second reading of the bill and before any motion or vote on the bill or any amendment thereto. If the reason for the request arises at some point later in the proceedings, the request may be made at that time.

(b) The member may make a brief oral statement of the reasons for making the request. The member may send forward to the Principal Clerk, on a form provided by the Clerk, a concise written statement of the reason for the request, and the Clerk shall include this statement in the Journal.

(c) The member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill,
or offer or vote on any motion concerning the bill at that reading, any subsequent reading, or any subsequent consideration of the bill.

(d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.

RULE 24.1B. Division of Amendments. – Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.

RULE 25. Voting by Speaker. – In all elections the Speaker may vote. In all other instances the Speaker may vote or may reserve this right until there is a tie in which event the Speaker may vote; but in no instance may the Speaker vote twice on the same question.

V. Committees

RULE 26. Standing Committees and Permanent Subcommittees Generally. – (a) The Speaker shall appoint a chair, or cochairs, of every standing committee, permanent subcommittee, and select committee, if any. In the construction of these rules, the word "chair" as applied to a committee extends to and includes a cochair of the committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

(b) All permanent subcommittees of each standing committee shall be appointed by the Speaker, and the members appointed, along with the chair of the standing committee, shall constitute the standing committee of which the permanent subcommittee is a part. The Speaker shall appoint all members of permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House.

(c) The Speaker shall appoint the members of all standing committees having no permanent subcommittees at the beginning of the first regular session in a manner to reflect the partisan membership of the House, except that the standing committees on Congressional Redistricting and Legislative Redistricting shall have an equal number of members of the two parties having the largest membership in the House.

(d) Each chair of a permanent subcommittee shall be a vice-chair of the standing committee of which it is a permanent subcommittee. The Speaker may name other members as vice-chairs of the standing committee. The Speaker may name one or more vice-chairs for any standing committee not having permanent subcommittees.

(e) The chair of the standing committee shall be a voting member of each permanent subcommittee of the standing committee.

(f) Either the chair or acting chair, designated by the chair or by the Speaker, and five other members of the standing committee or permanent subcommittee, or a majority of the standing committee or permanent subcommittee, whichever is fewer, shall constitute a quorum of that standing
committee or permanent subcommittee. For purposes of determining a quorum, the persons designated by the Speaker when serving only as ex officio members under subsection (h) of this rule, shall be counted among the membership of the committee or subcommittee only when present.

(g) In any joint meeting of the Senate and House committees or subcommittees, the House standing committee or permanent subcommittee reserves the right to vote separately.

(h) Four members designated by the Speaker at the time of appointments of chairs of standing committees are ex officio members of every standing committee and permanent subcommittee, except the standing committees on Congressional Redistricting and Legislative Redistricting and any permanent subcommittees thereof, with the right to vote.

RULE 26.1. **Mentions of Standing Committee Includes Select Committee.** – Any reference in these rules to standing committees shall extend to select committees unless the context requires otherwise.

RULE 27. **List of Standing Committees and Permanent Subcommittees.** – The standing committees and permanent subcommittees thereof are:

RULE 28. Standing Committee and Permanent Subcommittee Meetings. – (a) Standing committees and permanent subcommittees of standing committees shall be furnished with suitable meeting places pursuant to a schedule adopted by the Standing Committee on Rules, Calendar, and Operations of the House. Select committees shall be furnished with suitable meeting places as their needs require by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House.
(b) Subject to the provisions of subsection (c) of this rule, standing committees and permanent subcommittees thereof shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said standing committees or permanent subcommittees.

(c) The Chair or other presiding officer shall have general direction of the meeting place of the standing committee or permanent subcommittee, and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any person or persons, the Chair or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business.

(d) Procedure in the standing committees and permanent subcommittees shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c).

(e) No standing committee or permanent subcommittee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.

(f) No standing committee or permanent subcommittee shall meet during any session of the House. Standing committees and permanent subcommittees shall meet at their regularly scheduled hour. No permanent subcommittee shall meet at the same time that its standing committee is meeting. Standing committees and permanent subcommittees may meet at other times as authorized by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House in order to assure the availability of the meeting room and that no conflicts will exist with the meetings of other bodies. All standing committee and permanent subcommittee meetings shall adjourn no later than:

1. 15 minutes preceding a regular session of the House, and
2. 10 minutes preceding the hour of the next regularly scheduled standing committee or permanent subcommittee meeting.

(g) Any call or notice of a standing committee or permanent subcommittee meeting between legislative sessions shall be mailed to each member of the standing committee or permanent subcommittee at least five days prior to such meeting. If a member of the body so requests in writing to the chair of the standing committee or permanent subcommittee, the member shall be notified by certified mail of the meetings.

(h) During standing committee and permanent subcommittee meetings, the chair may exercise the right to vote, or may reserve this right
until there is a tie, in which event the chair may vote, but in no instance may the chair vote twice on the same question.

RULE 28.1. Ethics Committee Investigations Into Violations of the Open Meetings Law. – (a) On its own motion, or in response to signed and sworn complaint of any individual filed with the Standing Committee on Ethics, the Committee shall inquire into any alleged violation by members of the House of the Open Meetings Law (Article 33C of Chapter 143 of the General Statutes), as the same may be amended in the future.

(b) If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against the individual and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings.

(c) After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:

1. Dismiss the complaint and take no further action.
2. Issue a private letter of reprimand to the legislator, if the legislator unintentionally violated the provisions of the Open Meetings Law.
3. Issue a public letter of reprimand if the violation of the Open Meetings Law was intentional or if the legislator has previously received a private letter of reprimand. The Chair of the Committee on Ethics shall have the public letter of reprimand spread on the pages of the House Journal.
4. Refer the matter to the House for appropriate action.

RULE 29. Notice of Standing Committee and Permanent Subcommittee Meetings and Hearings. – Public notice of all standing committee and permanent subcommittee meetings shall be given in the House. The chair of the standing committee or permanent subcommittee shall notify or cause to be notified the sponsor of each bill which is set for hearing or consideration before the standing committee or permanent subcommittee as to the date, time, and place of that meeting.

RULE 29.1. Public Hearings. – (a) Requests for a public hearing shall be made in writing to the chair of the standing committee and, if applicable, the chair of the permanent subcommittee to which the bill has been referred. The chair of the standing committee may schedule a public hearing by the standing committee as a whole after the adjournment of a regular daily House session. The chair of the permanent subcommittee may schedule a public hearing before the permanent subcommittee at its regularly scheduled hour. Denial of a request made by a House member may be appealed to the Speaker.
Notice shall be given not less than five calendar days prior to public hearings. These notices shall be issued as information for the press and shall be posted in the places designated by the Principal Clerk.

(b) Persons desiring to appear and be heard at a public hearing shall submit their requests to the chair of the standing committee or permanent subcommittee. The standing committee or permanent subcommittee chair may designate one or more members to arrange the order of appearance of interested parties. A brief written statement of testimony may be submitted without oral presentation and shall be incorporated into the minutes of the public hearing.

RULE 29.2. Minutes to Legislative Library. – The chair of a standing committee or a permanent subcommittee shall ensure that written minutes are compiled for each of the body's meetings. The minutes shall indicate the members present and the actions taken at the meeting. Not later than 20 days after the adjournment of each session of the General Assembly, the chair shall deliver the minutes to the Legislative Library. The Speaker of the House may grant a reasonable extension of time for filing said minutes upon written application of the chair.

RULE 30. Standing Committee of the Whole House. – (a) A Standing Committee of the Whole House shall not be formed, except by suspension of the rules, if there be objection by any member.

(b) After passage of a motion to form a Standing Committee of the Whole House, the Speaker shall appoint a chair to preside in the standing committee, and the Speaker shall leave the dais.

(c) The rules of procedure in the House shall be observed in the Standing Committee of the Whole House, so far as they may be applicable, except the rule limiting the time of speaking and the previous question.

(d) In the Standing Committee of the Whole House, a motion that the standing committee rise shall always be in order, except when a member is speaking, and shall be decided without debate.

(e) When a bill is submitted to the Standing Committee of the Whole House, it shall be read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Principal Clerk on a separate paper as the same shall be agreed to by the standing committee and be so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

VI. Handling of Bills

RULE 31. Introduction of Bills and Resolutions. – (a) All bills and resolutions shall be introduced by submitting same to the Principal Clerk's office on the legislative day prior to the first reading and reference thereof according to the following schedule: by 30 minutes after adjournment each
Monday; and by 3:00 P.M. each Tuesday, Wednesday, Thursday, and Friday.

(b) Bills shall not become resolutions provided the Senate has a similar rule. Resolutions shall not become bills. Resolutions are not law but may be used when a law is not necessary for the purpose contained therein. Resolutions shall not be used to appropriate funds for any purpose, but may be used to create study commissions or committees or establish investigative committees, to honor deceased persons, and to adopt House rules and internal affairs. Resolutions cannot amend, repeal, or modify a statute; nor do they have life beyond the term of the session during which they are adopted.

(c) Every bill or resolution shall be read in regular order of business, except upon permission of the Speaker or on the report of a standing committee.

(d) All bills and resolutions shall show in their captions a brief descriptive statement of the true substance of same, which captions may thereafter be amended. Captions of public bills may be amended only by amendment proposed by the standing committee to which the bill was referred. Third reading shall not be had on any bill or resolution on the same day that such caption is amended.

(e) A Substitute Bill shall be covered with the same color jacket as the original bill and shall be prefaced as follows: "House Committee Substitute for______".

(f) House Resolutions need not be read more than twice.

(g) All memorializing, celebration, commendation, and commemoration resolutions, except those honoring the memory of deceased persons, shall be excluded from introduction and consideration in the House.

(h) Any reference in these rules to bills shall extend to resolutions unless the context requires otherwise.

RULE 31.1. Deadlines on Introduction and Receipt; Single Subject Rule. – (a) All public bills or resolutions recommended by commissions or standing committees authorized or directed by act or resolution of the General Assembly to report to the 2003 Regular Session of the General Assembly, or to report prior to convening of that session, must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on the fourth Wednesday in February (February 26) and must be introduced not later than 3:00 P.M. on the next Wednesday (March 5) of the first year of the biennial session; and

(a1) All bills prepared to be introduced for departments, agencies, or institutions of the State must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on the fourth Wednesday in February (February 26) and must be introduced not later than 3:00 P.M. on the next Wednesday (March 5). A bill introduced under this subsection shall be identified as an Agency Bill after its short title.
(a) All local bills must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on the third Wednesday in March (March 19) and must be introduced not later than 3:00 P.M. on the next Wednesday (March 26) of the first year of the biennial session.

(b) All public bills which would not be required to be re-referred to the Appropriations or Finance Committees under Rule 38 must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on the first Wednesday in April (April 2) and must be introduced not later than 3:00 P.M. on the next Wednesday (April 9) of the first year of the biennial session.

All public bills which under Rule 38 would be required to be re-referred to the Finance Committee but not the Appropriations Committee must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on the first Wednesday in May (May 7) and must be introduced not later than 3:00 P.M. on the next Wednesday (May 14) of the first year of the biennial session. If any bill is eligible for introduction on account of the date only under this subsection, and the bill is amended so that qualifying appropriation or tax law change does not remain in the bill, it shall not be eligible for further consideration. For the purpose of this section, a "tax law change" includes any provision that would require a bill under Rule 38(b) to be referred to the Standing Committee on Finance.

(d) In order to be eligible for consideration by the House during the first Regular Session, all Senate bills other than finance or appropriations bills which would be required to be re-referred to the Appropriations or Finance Committees under Rule 38 or adjournment resolutions must be received and read on the floor of the House as a message from the Senate no later than May 1; provided that a message from the Senate received by the next legislative day stating that a bill has passed its third reading and is being engrossed shall comply with the requirements of this subsection and provided that the Senate has a similar rule.

(d1) Except by motion approved by a majority of members of the House present and voting, no public House bill other than the Current Operations Appropriations Act or the Capital Improvement Appropriations Act may contain more than one subject.

(e) This rule, other than subsection (d1), does not apply to bills establishing districts for Congress or State or local entities. This rule, other than subsection (d1), does not apply to measures ratifying an amendment or amendments to the Constitution of the United States.
RULE 32. Reference to Standing Committee and to Permanent Subcommittee; Serial Referrals. – (a) Each bill not introduced on the report of a standing committee shall immediately upon its first reading be referred by the Speaker to such standing committee or permanent subcommittee as the Speaker deems appropriate. The Speaker at the same time may order that, if the bill is reported with any favorable recommendation or without prejudice, it be re-referred automatically upon the committee report to another committee or permanent subcommittee designated in the order. Each joint resolution or House resolution not introduced on the report of a standing committee shall immediately upon its first reading either be referred by the Speaker to a standing committee or permanent subcommittee or be calendared on the date designated by the Speaker, as the Speaker deems appropriate.

(b) The standing committee chair may refer each bill referred to the standing committee to the permanent subcommittee specifically charged with the subject matter of the bill. A report of that referral shall be made in writing and submitted to the body pursuant to Rule 5(5). Except as provided in Rule 36, the permanent subcommittee to which the bill is referred shall report the bill back to the full standing committee. That subcommittee report shall include one of the following recommendations:

1. Favorable, without prejudice, or unfavorable as to the original bill with the recommendation that the report be made to the standing committee;
2. Favorable, without prejudice, or unfavorable as to the original bill, as amended, with the recommendation that the report be made to the standing committee;
3. Favorable or without prejudice to the proposed committee substitute, and unfavorable to the original bill, with the recommendation that the report be made to the standing committee;

6. Favorable to the proposed committee substitute with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair, and unfavorable to the original bill.

Any recommendation of favorable or without prejudice may include a recommendation of re-referral to another standing committee. After a bill is reported to a standing committee by a permanent subcommittee of that
standing committee, the standing committee chair may re-refer the bill to another permanent subcommittee of that standing committee.

Upon recommendation to the standing committee, the bill shall be before that body for further action unless the permanent subcommittee chair reports the bill directly pursuant to Rule 36.

RULE 33. **Papers Addressed to the House.** – Petitions, memorials, and other papers addressed to the House shall be presented by the Speaker. A brief statement of the contents thereof may be made orally by the introducer before reference to a committee, but such papers shall not be debated or decided on the day of their first being read unless the House shall direct otherwise.

RULE 34. **Introduction of Resolutions and Bills, Copies Required.** – (a) Whenever any resolution or bill is introduced, a duplicate copy thereof shall be attached thereto, and the Principal Clerk shall cause said duplicate copy to be numbered as the original resolution or bill is numbered and shall cause the same to be available at all times to the member introducing the same.

(b) Numbering of House Bills shall be designated as "H.B.____" (No. following). A Joint Resolution shall be designated as "H.J.R.____" (No. following). A House Resolution shall be designated as "H.R.____" (No. following).

The Clerk shall stamp the copies with the number stamped upon the original bill.

RULE 35. **Duplicating and Availability of Copies of Bills.** – (a) The Legislative Services Officer shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the Speaker. The Legislative Services Officer shall cause one copy of each resolution and public bill for each member to be delivered to the member's committee assistant or legislative assistant who shall place it in the appropriate notebook on the member's desk. If a member so requests, a second copy shall be delivered to the member's committee assistant or legislative assistant who shall place it in the member's office. The remaining copies shall be placed in the Printed Bills Room and made available to the committees to which the bill is referred, to individual members on request, and to the general public.

(b) A public bill is a bill affecting 15 or more counties. A local bill is one affecting fewer than 15 counties. No public bill and, upon objection by a member, no local bill may be considered unless copies of the bill have been made available to the entire membership of the House.

RULE 35.1. **Assessment Reports.** – (a) Every bill or resolution proposing the establishment of an occupational or professional licensing board, as defined in Article 18A of Chapter 120 of the General Statutes, or a
study for the need to establish such a board shall have attached to the jacket of the original bill or resolution at the time of its consideration on second and third readings by the House or by any standing committee or permanent subcommittee of the House an assessment report from the Legislative Committee on New Licensing Boards pursuant to Article 18A of Chapter 120 of the General Statutes. The assessment report shall not constitute any part of the expression of legislative intent proposed by the formation of a licensing board. Upon receipt of the request, the Legislative Committee on New Licensing Boards shall prepare and return the assessment report as soon as possible but not later than 60 days, reserving the right to extend this time to 90 days.

(b) Every legislative proposal introduced in the House or received in the House from the Senate, proposing the incorporation of a municipality shall have attached to the jacket of the original bill at the time of its consideration on second or third readings by the House or by any committee of the House prior to a favorable report, a recommendation from the Joint Legislative Commission on Municipal Incorporations, established by Article 20 of Chapter 120 of the General Statutes. The recommendation of the Joint Legislative Commission on Municipal Incorporations shall be made in accordance with the provisions and criteria set forth in Article 20 of Chapter 120 of the General Statutes and shall include the findings required to be made by G.S. 120-166 through G.S. 120-170.

RULE 36. Report by Standing Committee or Permanent Subcommittee. – (a) When Reports Required. – All House bills and resolutions shall be reported from the standing committee or permanent subcommittee to which referred with such recommendations as the standing committee or permanent subcommittee may desire to make except in the case where the principal introducer requests in writing to the chair of the standing committee or permanent subcommittee that the bill not be considered.

With the written approval of the chair of the standing committee and with the recommendation of the subcommittee pursuant to Rule 32(b)(4) through (6), the chair of the permanent subcommittee may report the bill directly to the floor with that recommendation. If a permanent subcommittee recommends reporting a bill to the floor and the chair of the standing committee fails to give approval, the bill shall be deemed to have been reported to the standing committee with the same recommendation as the subcommittee would have made to the House.

(b) Favorable Report. – When a standing committee or permanent subcommittee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar on the day and in the order designated by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, but no later than the fourth legislative day after
submission of the report or Senate message under Rule 43.2 or Rule 43.3(a), unless:

(1) The bill is re-referred to the Committee on Appropriations or Committee on Finance under Rule 38 or was serially referred under Rule 32; or

(2) The bill has not yet been placed on the calendar, and the Speaker refers the bill to another committee.

In order to place a bill on the calendar for a legislative day, notice shall be given by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House orally in the House or in writing to the Principal Clerk. When a committee substitute is adopted and receives a favorable report by the committee or permanent subcommittee, the standing committee or permanent subcommittee chair shall submit to the standing committee or permanent subcommittee the question of an unfavorable report on the original bill. The standing committee's or permanent subcommittee's action, if any, on the original bill shall be reported at the same time the committee substitute is reported.

(c) Report Without Prejudice. – When a standing committee reports a bill without prejudice, the bill shall be placed on the favorable calendar in the same manner as provided in subsection (a) of this rule.

(d) Postponed Indefinitely. – When a standing committee reports a bill with the recommendation that it be postponed indefinitely and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(e) Unfavorable Report. – When a standing committee reports a bill with the recommendation that it not be passed and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(f) Minority Report. – When a bill is reported by a standing committee with a recommendation that it not be passed or that it be postponed indefinitely but it is accompanied by a minority report signed by at least one-fourth of the members of the standing committee who were present and voting when the bill was considered in standing committee, the question before the House shall be: "The adoption of the minority report." If the minority report is adopted by majority vote, the bill shall be placed on the favorable calendar for consideration. If the minority report fails of adoption by a majority vote, the bill shall be placed on the unfavorable calendar.

RULE 36.1. Fiscal Notes. – (a) The Chair or Cochair of the Appropriations Committee, of the Finance Committee, or of the Standing Committee on Rules, Calendar, and Operations of the House, upon the floor of the House, may request that a fiscal analysis be made of a bill, resolution, or an amendment to a bill or resolution which is in the possession of the House and that a fiscal note be attached to the measure, which request shall be allowed when, in the opinion of the Speaker, the fiscal effects of that measure are not apparent from the language of the measure.
(b) The fiscal note shall be filed and attached to the bill or amendment within two legislative days of the request. If it is impossible to prepare a fiscal note within two legislative days, the Director of Fiscal Research shall, in writing, so advise the Speaker, the Principal Clerk, and the member introducing or proposing the measure and shall indicate the time when the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research Division on a form approved by the Standing Committee on Rules, Calendar, and Operations of the House as to content and form and signed by the staff member or members preparing it. If no estimate in dollars is possible, the fiscal note shall indicate the reasons that no estimate is provided. The fiscal note shall not comment on the merit but may identify technical problems. The Fiscal Research Division shall make the fiscal note available to the membership of the House.

(d) A sponsor of a bill or amendment may deliver a copy of the bill or amendment to the Fiscal Research Division for the preparation of a fiscal note. The sponsor shall attach the fiscal note to the bill when filed or to the amendment when its adoption is moved.

(e) The sponsor of a bill or amendment to which a fiscal note is attached who objects to the estimates and information provided may reduce to writing the objections. These objections shall be appended to the fiscal note attached to the bill or amendment and to the copies of the fiscal note available to the membership.

(f) Subsection (a) of this rule shall not apply to the Current Operations Appropriations Bill or the Capital Improvement Appropriations Bill. This rule shall not apply to a bill or amendment requiring an actuarial note under these rules.

RULE 36.2. Actuarial Notes. — (a) Every bill or resolution proposing any change in the law relative to any:

(1) State, municipal, or other retirement system funded in whole or in part out of public funds; or

(2) Program of hospital, medical, disability, or related benefits provided for teachers and State employees, funded in whole or in part by State funds shall have attached to it at the time of its consideration by any standing committee or permanent subcommittee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution which is reported favorably by any standing committee or any permanent subcommittee, shall be separate therefrom, and shall be clearly designated as an actuarial note. A bill described
in subdivision (a)(1) of this rule shall be referred to the Committee on Pensions and Retirement upon its introduction.

(b) The sponsor of the bill or resolution shall present a copy of the measure, with a request for an actuarial note, to the Fiscal Research Division, which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and signed by an actuary.

(c) The sponsor of the bill or resolution shall also present a copy of the measure to the actuary employed by the system or program affected by the measure. Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. The actuarial note shall be attached to the jacket of the measure. The provisions of this subsection may be waived by the measure's sponsor for a measure affecting local government retirement or pension plans not administered by the State or any local government program of hospital, medical, disability, or related benefits for local government employees not administered by the State.

(d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.

(e) When any permanent subcommittee or standing committee reports a measure to which an actuarial note is attached at the time of permanent subcommittee or standing committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, the chair of the permanent subcommittee or standing committee reporting the measure shall obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State-administered retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, unless the amendment is accompanied by an actuarial note,
prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.

(f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the House.

(b) All standing committees, other than the Standing Committee on Finance, when favorably reporting any bill which in any way or manner raises revenue, reduces revenue, levies a tax, authorizes the levying of a tax, an assessment, or a fee, or authorizes the issue of bonds or notes, whether public, public-local, or private, shall indicate same in the report, and said bill shall be referred to the Standing Committee on Finance for a further report before being acted upon by the House.

(c) **Action on Amendment Before Re-Referral.** – If any standing committee recommends adoption of an amendment or committee substitute of a bill which, under the rules of the House, must be referred to the Standing Committees on Appropriations or the Standing Committee on Finance, the amendment or committee substitute shall be considered and, if adopted, the amendment or substitute engrossed before the bill is re-referred.

RULE 39. **Recall of Bill From Standing Committee.** – (a) When a House bill has been introduced and referred to a standing committee, or when a Senate bill has been referred to a standing committee, if after 10 legislative days the standing committee has failed to act thereon, then the introducer of the House bill or some member designated by the introducer, or some House member designated by the introducer of the Senate bill, may, after three legislative days' public notice given in the House and delivered in writing to the chair of the standing committee, on motion supported by a
vote of three-fifths of the members of the House, recall the same from the standing committee to the floor of the House for consideration and such action thereon as a majority of the members present may direct.

(b) This rule shall not be temporarily suspended without one day's notice on the motion given in the House and delivered in writing to the chair of the standing committee, and to sustain that motion two-thirds of the members of the House shall be required.

RULE 39.1. Recall of Bill From Permanent Subcommittee. – When a House bill has been referred to a permanent subcommittee, if after 10 legislative days the subcommittee has failed to act thereon, or at any time, with the agreement of the subcommittee chair, the standing committee chair may re-refer the bill from that permanent subcommittee to another permanent subcommittee of the same standing committee provided the report of the re-referral shall be made pursuant to Rule 32.

RULE 40. Calendars and Schedules of Business. – The Clerk of the House shall prepare a daily schedule of business, including the Calendar of Bills and Resolutions for consideration and debate that day, in accordance with the Order of Business of the Day (Rule 5). The Clerk shall number all bills and resolutions in the order in which they are introduced. All bills and resolutions shall be taken up as they appear in each category (Rule 5(10)) in the order they were placed on the Calendar under Rule 36(b).

RULE 41. Reading of Bills. – (a) Every bill shall receive three readings in the House prior to its passage. The first reading and reference to standing committee of a House bill shall occur on the next legislative day following its introduction. The first reading and reference to standing committee of a Senate bill shall occur on the next legislative day following its receipt on messages from the Senate. The Speaker shall give notice at each subsequent reading whether it is the second or third reading.

(b) No bill shall be read more than once on the same day without the concurrence of two-thirds of the members present and voting; provided, no bill governed by Article II, Section 23 of the North Carolina Constitution or described in Rule 20(a)(2) herein shall be read twice on one day under any circumstance.

1. Been tabled,
2. Been postponed indefinitely,
3. Failed to pass on any of its readings, or
4. Been placed on the unfavorable calendar,

the contents of that bill or the principal provisions of its subject matter shall not be considered in any other measure originating in the Senate or originating thereafter in the House. Upon the point of order being raised and sustained by the Chair, that measure shall be laid upon the table, and shall not be taken therefrom except by a two-thirds vote of the members present and voting.

(b) No local bill shall be held by the Chair to embody the contents of or the principal provisions of the subject matter of any statewide measure which has been laid on the table, has failed to pass on any of its readings, or has been placed on the unfavorable calendar.

RULE 43. Amendments. – No amendment to a measure before the House shall be in order unless the amendment is germane to the measure under consideration. A House amendment deleting a previously adopted House amendment shall not be in order, except that this sentence does not apply to amendments adopted under Rule 38(c).

If the Senate adopts an amendment or committee substitute to a House bill, the House may refuse to receive the bill on account of lack of germaneness if the Senate has a similar rule.

Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated the member proposes to offer another principal amendment, and the member may then read and explain such proposed amendment.

Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

(b) The Speaker shall rule whether the committee substitute is a material amendment under Article II, Section 23 of the North Carolina Constitution which reads:

"Revenue bills. – No law shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State, or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each House of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each House respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal."

(c) If the committee substitute for a bill is not a material amendment, the question before the House shall be concurrence.

(d) If the committee substitute for a bill is a material amendment, the receiving of that bill on messages shall constitute first reading, and the question before the House shall be concurrence on second reading. If the motion is passed, the question then shall be concurrence on third reading on the next legislative day.

(e) No committee substitute adopted by the Senate for a bill originating in the House may be amended by the House.

In appointing members

(b) Only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall deal only with such matters. The conference report may be made by a majority of the House members of such conference committee and shall not be amended.

(c) If the conferees fail to agree or if either house fails to adopt the report of its conferees, new conferees may be appointed.

(d) No vote shall be taken on adoption of a conference report until the next legislative day following the report.

RULE 44.1. Transmittal of Bills to Senate. – Unless ordered by the Speaker or two-thirds vote of the members present and voting, no bill shall be sent from the House on the day of its passage, except on the last day of the session.

The names of the members who are the primary sponsors shall be listed in the order requested by them, followed by the words (Primary Sponsors); and the remaining names of members cosponsoring shall follow. No more than four members may be listed as primary sponsors.

H.R. 667, A HOUSE RESOLUTION HONORING THE MEMORY OF JIM THORPE.

Whereas, Jim Thorpe, born in Oklahoma Indian Territory in 1887, has been described by many as the greatest athlete of the 20th century; and

Whereas, Jim Thorpe competed in the 1912 Olympics, where he was the first and only competitor to win both the pentathlon and decathlon events; and

Whereas, during that same year, Jim Thorpe made 25 touch-downs and scored 198 points to lead the football team at the Carlisle Indian Industrial School in Pennsylvania to the national collegiate championship; and

Whereas, a few months later, Jim Thorpe was declared a professional athlete because he had played baseball during the summers of 1909 and 1910 in North Carolina and had to relinquish his cherished Olympic medals; and

Whereas, in 1913, Jim Thorpe began a career in professional baseball and football, playing six seasons for the New York Giants while simultaneously playing for the Canton, Ohio Bulldogs football team, which he led to several world championships; and

Whereas, in 1929, Jim Thorpe retired from professional athletic competition but, years later, at the age of 57 volunteered for and served in the Merchant Marines during World War II; and

Whereas, Jim Thorpe died on March 28, 1953, leaving a legacy of athletic achievement; and

Whereas, in 1982, after decades of national and international campaigns on his behalf, Olympic officials conceded that Jim Thorpe's amateur status had not been violated prior to the 1912 Olympics and in 1983 awarded new Olympic medals to his family; and

Whereas, as we approach the 50th anniversary of Jim Thorpe's death, it is fitting to pay tribute to his life and accomplishments; Now, therefore,

Be it resolved by the House of Representatives:
SECTION 1. The House of Representatives wishes to honor the memory of Jim Thorpe, a great American who is worthy of respect and admiration for his commitment to fair play, patriotism, and athletic excellence.

SECTION 2. The House of Representatives encourages the citizens of this State to join them in celebrating the life and accomplishments of the legendary Jim Thorpe on March 28, 2003, the 50th anniversary of his death.

SECTION 3. This resolution is effective upon adoption.

H.R. 699, A HOUSE RESOLUTION EXPRESSING GRATITUDE TO THE NUCOR CORPORATION FOR ITS CONTRIBUTIONS TO THE STATE'S ECONOMY AND ENVIRONMENT.

Whereas, the Nucor Corporation, which is headquartered in Charlotte, North Carolina, is the largest steel recycler in the United States with operating facilities in 12 states; and

Whereas, Nucor has invested over 500 million dollars to build a steel-recycling facility in North Carolina, producing carbon steel plates and employing 390 workers in Hertford County; and

Whereas, 23 other associated industries, employing approximately 200 employees, have invested approximately 30 million dollars in North Carolina as a direct result of Nucor's locating in Hertford County; and

Whereas, with its remarkable technology and high-level efficiency, Nucor's North Carolina steel-producing facility recycles approximately one million tons of steel each year; and

Whereas, the Nucor facility in North Carolina produced more than 238 million dollars in total sales for the 2001-2002 fiscal year, making Nucor one of the most successful companies in the State; and

Whereas, Nucor has significantly helped to improve education through its contribution of over 25 million dollars in educational scholarships in 2002; and

Whereas, Nucor has again revolutionized steelmaking through the development of Castrip® technology, which will reshape the industry by making steel thinner and producing it faster, at less cost, and with fewer defects than conventional slab-casting. This new technology will allow steel manufacturers to produce thin, flat-rolled products with fewer steps, thus saving money on both capital outlay and operating expenses by casting steel at or near its final dimensions, allowing tremendous savings of time and energy; and

Whereas, the North Carolina House of Representatives is sincerely grateful for the fantastic investments made by the Nucor Corporation into North Carolina's economy and educational system; Now, therefore,
Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives praises the Nucor Corporation for the tremendous success of its operations in North Carolina, expresses its gratitude to the Nucor Corporation for its contributions to the State's economy, and hopes that the positive working relationship between the Nucor Corporation and the State of North Carolina will continue for many years to come.

SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to Daniel R. DiMicco, Vice-Chairman and Chief Executive Officer of the Nucor Corporation, and to Giff Daughtridge, General Manager of the Nucor Corporation's facility in Hertford County.

SECTION 3. This resolution is effective upon adoption.

H.R. 1330, A HOUSE RESOLUTION COMMENDING BILLY GRAHAM, RENOWNED HUMANITARIAN, PHILANTHROPIST, AND GREAT NORTH CAROLINIAN.
Whereas, there have been many great North Carolinians, but few have impacted the world more than Billy Graham; and

Whereas, Billy Graham was born William Franklin Graham, Jr. to William Franklin Graham and Morrow Coffey Graham on a dairy farm in Charlotte; and

Whereas, Billy Graham was ordained to the ministry in 1939 and thereafter served as pastor of the First Baptist Church in Western Springs, Illinois, from 1943 to 1945, as a member of Youth for Christ International, where he ministered to young people and military personnel, from 1945 to 1950, and as President of Northwestern Schools, a liberal arts college, Bible school, and theological seminary, from 1947 to 1952; and

Whereas, after World War II, Billy Graham attained international prominence through a series of crusades that began in 1949; and

Whereas, since 1950, Billy Graham has conducted his ministry by means of a weekly radio program, "Hour of Decision"; a newspaper column, "My Answer"; televised crusades; articles published in "Decision" magazine; and films produced and distributed by World Wide Pictures; and

Whereas, over the years, Billy Graham has preached to live audiences of over 210 million people in more than 185 countries and territories; and

Whereas, a renowned humanitarian and philanthropist, Billy Graham has tried to help those in need through his work with the World Emergency Relief Fund, which gives financial assistance to disaster victims, and the BGEA Love in Action committees, which collect and distribute food and clothing internationally; and

Whereas, Billy Graham has received numerous awards and honorary degrees, including the Congressional Gold Medal in 1996, the North Carolina Award for Public Service in 1986, and the Presidential Medal of Freedom in 1983; and

Whereas, Billy Graham received the Big Brother of the Year Award in 1966 for his work on behalf of the welfare of children and the Ronald Reagan Presidential Foundation Freedom Award in 2000 for monumental and lasting contributions to the cause of freedom; and

Whereas, Billy Graham was cited by the George Washington Carver Memorial Institute for his contributions to race relations in 1964 and was recognized by the Anti-Defamation League of the B'nai B'rith and the National Conference of Christians and Jews for his efforts to foster a better understanding among all faiths; and

Whereas, Billy Graham has counseled and advised presidents and world leaders and has participated in many historic occasions, such as the tearing down of the Berlin Wall; and

Whereas, Billy Graham has opposed racial discrimination and, in the 1950s and 1960s, never held a segregated meeting but conducted fully integrated crusades; and
Whereas, Billy Graham has written 18 books, all of which have become best sellers, including his latest book, "Just As I Am," an autobiography published in 1997; and
Whereas, Billy Graham has been named one of Gallup Poll's list of the "Ten Most Admired Men in the World" for an unprecedented 43 times, 36 of which have been in consecutive years; and
Whereas, Billy Graham continues to inspire the world with his good works; and
Whereas, Billy Graham is proud to call himself a Tar Heel and to make North Carolina his home; and
Whereas, Governor Michael F. Easley issued a proclamation on October 29, 2002, during the official groundbreaking ceremony for the Billy Graham Association corporate headquarters in the City of Charlotte honoring Billy Graham and commending him for his many accomplishments; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The North Carolina House of Representatives commends Billy Graham, renowned humanitarian, philanthropist, and great North Carolinian, for all of his good works and his many accomplishments.

SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to Billy Graham.

SECTION 3. This resolution is effective upon adoption.

H.R. 1332, A HOUSE RESOLUTION URGING STATE AND LOCAL AGENCIES TO ADDRESS ISSUES RELATING TO THE HEPATITIS C VIRUS.
Whereas, Hepatitis C virus infection is the most common chronic bloodborne viral infection in the United States; and
Whereas, Hepatitis C virus infection is a life-threatening disease that the Centers for Disease Control and Prevention conservatively estimate infects 3.9 million persons in the United States; and
Whereas, there were approximately 41,000 newly infected Hepatitis C virus patients in 1998 and approximately 25,000 newly infected patients in 2001; and
Whereas, Hepatitis C virus infections account for approximately 8,000 to 10,000 deaths each year in the United States because of Hepatitis C virus associated chronic liver disease; and
Whereas, Hepatitis C virus infection is three to four times more prevalent in the United States than HIV/AIDS, and approximately one-quarter of all HIV-infected persons are coinfected with Hepatitis C virus; and
Whereas, an estimated 69 percent of Hepatitis C virus-infected persons are chronically infected; and
Whereas, approximately 75 percent to 85 percent of persons with acute infection from Hepatitis C virus will develop chronic infection; and
Whereas, infected individuals serve as a source of transmission to others; and
Whereas, very few of those infected with Hepatitis C virus are aware that they are infected, as an estimated 80 percent of persons have no signs or symptoms; and
Whereas, infected individuals who are unaware that they are infected are unlikely to take precautions to prevent the spread or exacerbation of their infection; and
Whereas, no vaccine is available for Hepatitis C virus, but treatments are available to slow the progression of the infection; and
Whereas, alcohol consumption is an important contributing factor in the progression of chronic liver disease among persons with Hepatitis C virus infections; and
Whereas, Hepatitis C virus is now the leading cause of liver disease, placing infected individuals at elevated risk for chronic liver disease, liver cancer, and other Hepatitis C virus-related diseases, such as Type II diabetes, autoimmune diseases, and other life-threatening conditions that can lead to liver failure; and
Whereas, data suggests that 15 percent to 20 percent of people with Hepatitis C virus will develop cirrhosis of the liver within five years of contracting the virus, and up to 25 percent may develop cirrhosis in 10 to 20 years; and
Whereas, Hepatitis C virus is the cause for one-third of liver transplants, which cost approximately $280,000 each; and
Whereas, annually, the costs associated with liver transplants for Hepatitis C virus are nearly $300,000,000; and
Whereas, conservative estimates now place the cost of lost productivity and medical care arising from Hepatitis C virus infection in the United States to be in excess of $600,000,000 annually, and such cost will undoubtedly increase without education and prevention efforts; Now, therefore,
Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives urges local health departments and other State agencies and institutions to work collaboratively to address the national health crisis associated with Hepatitis C virus through the following measures:

(1) Recommending implementation of prevention and education activities by State and local public health programs to
counsel and screen persons at risk for Hepatitis C virus infection.

(2) Recommending the monitoring and evaluation of the infection rate of Hepatitis C virus.

(3) Recommending that publicly funded programs ensure that Hepatitis C virus-related treatments are made available to persons of all ages.

(4) Recommending implementation of outreach and community-based programs to educate health care professionals concerning diagnosis, medical management, and prevention by relying upon information recently released by the Centers for Disease Control and Prevention.

SECTION 2. This resolution is effective upon adoption.

H.R. 1334, A HOUSE RESOLUTION HONORING THE CITIES OF WILSON AND LAURINBURG ON BEING NAMED 2003 ALL-AMERICA CITIES.

Whereas, each year the National Civic League honors 10 communities that best exemplify the spirit of grassroots citizen involvement and cross-sector collaborative problem solving; and

Whereas, since 1949, more than 4,000 communities have competed and nearly 500 communities have been named All-America Cities; and

Whereas, the 10 recipients selected from this year's 48 competitors were the Cities of Wilson and Laurinburg along with Tempe, Arizona; New Haven, Connecticut; Miami Beach, Florida; Des Moines, Iowa; Marquette County, Michigan; South Sioux City, Nebraska; Corpus Christi, Texas; and Greater Racine Area, Wisconsin; and

Whereas, individuals, businesses, government agencies, and non-profit organizations in both Laurinburg and Wilson worked together to improve their communities with efforts to recognize cultural diversity, create affordable housing, and increase access to health care; and

Whereas, Laurinburg's All-America City Award Committee made a presentation highlighting the City's use of SCOTTY, a mobile health care unit that travels throughout Scotland County and provides free health care services; the City's study of the needs of its children that resulted in the creation of educational after-school programs; and the City's efforts to increase home ownership by replacing dilapidated rental housing with affordable homes; and

Whereas, Wilson's All-America City Award Committee's presentation highlighted the completion of the restoration of the Oliver Nestus Freeman Round House, which was made into a museum exhibiting the importance of African-Americans in Wilson's history; the redevelopment
of East Wilson, which has resulted in improved home ownership, a decrease in crime, better looking neighborhoods, and decreased rental property; and the Citizens for a Healthier Wilson's campaign, which provided immunizations and lead screening exams for children and reduced adolescent pregnancies; and

Whereas, the All-America City distinction is a favorable attribute for cities in attracting new residents, businesses, industry, and grants; and

Whereas, Laurinburg and Wilson join a small number of cities with multiple All-America City Awards, with Laurinburg previously winning in 1956 and 1967 and Wilson in 1972; and

Whereas, Wilson's and Laurinburg's accomplishments exemplify community spirit and deserve recognition; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives recognizes the Cities of Laurinburg and Wilson on being named All-America Cities. The House of Representatives congratulates the members of the Laurinburg and Wilson All-America City Award Committees and the citizens of Laurinburg and Wilson for their hard work in helping their communities receive this national recognition.

SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to the Mayor of Wilson and the Mayor of Laurinburg and to the members of the Cities of Wilson and Laurinburg All-America City Award Committees.

SECTION 3. This resolution is effective upon adoption.

H.R. 1339, A HOUSE RESOLUTION HONORING THE 175TH ANNIVERSARY OF THE CITY OF LEXINGTON.

Whereas, the City of Lexington was incorporated through an act of the General Assembly on December 28, 1827, and the first town commissioners were elected on February 7, 1828; and
Whereas, during the City's early development, settlers built homes along dirt roads, entrepreneurs opened general stores, missionaries constructed churches, and bankers assisted people in the normal trade that grew in volume each year; and

Whereas, over the years, the means of transportation progressed from horse to train to automobile, streets were paved, telephone lines were strung, and electricity lines were run throughout Lexington and into the surrounding areas; and

Whereas, Lexington serves as the county seat of Davidson County, the location of one of the largest street festivals in the Southeast, the Lexington Barbecue Festival, and home to nationally known artist Bob Timberlake and the Bob Timberlake Gallery; and

Whereas, in 1985, Lexington was designated by the House of Representatives as the "Hickory Cooked Barbecue Capitol of Piedmont North Carolina"; and

Whereas, today, Lexington has grown into a modern city with a population of over 20,000 people; and

Whereas, it is fitting to recognize and honor those who struggled to build the City of Lexington and provide the infrastructure that has been enjoyed for many years and will be passed onto future generations; and

Whereas, citizens of Lexington will celebrate the City's 175th anniversary throughout 2003 with special events, including concerts, exhibits, theatrical productions, festivals, outdoor activities, and appearances by dignitaries and celebrities, a celebration that should be enjoyed and supported by all citizens of this great State; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives congratulates the City of Lexington for its fortitude and commitment and extends good wishes on this special and auspicious occasion.

SECTION 2. The House of Representatives commends unto the citizens of North Carolina the opportunity to join the citizens of the City of Lexington in their memorial festivities and urges the citizens to participate in this celebration.

H.R. 1340, A HOUSE RESOLUTION HONORING THE GREATER WILMINGTON CHAMBER OF COMMERCE ON THE OCCASION OF ITS 150TH ANNIVERSARY.

Whereas, the Chamber was formed to promote area businesses and strengthen the local economy; and

Whereas, the Greater Wilmington Chamber of Commerce is the oldest Chamber in North Carolina and is among the oldest in the United States; and

Whereas, for 150 years the Chamber has dedicated itself to serving the Wilmington area business community by listening to its members and providing them with benefits and services to support their successes, advocating positions on those business-related issues most beneficial to its members and to the community, and participating in initiatives that positively affect the quality of life in the community; and

WHEREAS, the State and the counties have a duty to ensure that suspected
cases of child abuse and neglect are thoroughly investigated and that future
abuse and neglect of children is prevented; and
WHEREAS, since 1998, the cases of 92 dead children whose families had recent contact with child protective services have been reviewed by the State; and

WHEREAS, children deserve a child protective services system that will help families when needed and remove children from abusive or neglectful situations when necessary; and

Rep. Alex Warner, Co-Chair  Rep. Martin Nesbitt
Rep. Linda P. Johnson  Mr. Lee Settle

Section 3. The Committee may meet during the interim period between regular sessions upon the call of its cochairs.

Section 4. The Committee shall study the feasibility and cost of developing a State plan to ensure that students recommended for long-term suspension receive an appropriate education. In undertaking this study, the Committee shall consider and report on whether and to what extent North Carolina should mandate the following:

(a) Local school administrative units in North Carolina shall provide or cause to be provided an appropriate education for all students recommended for a long-term suspension.

(b) Each student recommended for long-term suspension shall receive a multidisciplinary assessment and evaluation to (i) ascertain the student's educational history, needs, and special learning problems and (ii) assess the risk the student poses to staff and other students. The assessment and evaluation shall include feedback and recommendations from local mental health and juvenile justice professionals.

(c) An individualized education and service plan shall be developed for all students recommended for long-term suspension by a committee that includes education, mental health, and juvenile justice professionals, the student's parent or guardian, and any other person the committee considers appropriate. The chair of the Juvenile Crime Prevention Council or a designee shall serve as chair of this committee.

(d) All efforts shall be made to reduce the risk the student poses to staff and other students and to allow the student to continue the student's education in the student's regular school without disruption. These efforts shall include the provision of related
services and interventions from other agencies when considered necessary by the committee.

(e) During the first 10 days of suspension, the local school administrative unit shall place the student recommended for suspension in a diagnostic setting for purposes of ensuring there is no disruption to the student's education and to complete the assessment process.

(f) The local education agency shall contract with private or public agencies if an appropriate education cannot be provided within the school system. Funds appropriated to a local school administrative unit for the education of the student shall be used to pay for the program in which the student is placed.

(g) The student's parent or guardian shall have the right to appeal the recommendation for the long-term suspension or any placement decision made by the local school administrative unit.

(h) No student shall be rejected for education and services by a local school administrative unit unless a district court judge places the student in a juvenile justice program or facility. In that circumstance, the Department of Juvenile Justice and Delinquency Prevention is responsible for providing the student's education.

Section 5. The Committee shall report on the results of its study, including any proposed legislation, to the members of the House of Representatives on or before April 15, 2004, by filing one or more reports with the Speakers' offices, the House Principal Clerk, and the Legislative Library. The Committee terminates on April 15, 2004, or upon the filing of its final report, whichever occurs first.

Section 6. The Committee is vested with the authority contained in Article 5A of Chapter 120 of the General Statutes.

Section 7. Members of the Committee shall receive per diem, subsistence, and travel allowance at the rate established in G.S. 120-3.1, G.S. 138-5, or G.S. 138-6, as appropriate.

Section 8. The expenses of the Committee are considered expenses incurred for the operation of the House of Representatives and
shall be paid pursuant to G.S. 120-35 from funds available to the House for its operations. Individual expenses of $5,000 or less, including per diem, travel, and subsistence expenses of members of the Committee, and clerical expenses shall be paid upon the authorization of a co-chair of the Committee. **CONFERENCE COMMITTEE SUBSTITUTE FOR HOUSE BILL 152**

**H152-CCSSU-2**, **AN ACT TO REQUIRE CHILD CARE FACILITIES TO DEVELOP AND MAINTAIN A SAFE SLEEP POLICY THAT INCLUDES REQUIRING CAREGIVERS TO PLACE CHILDREN ON**
THEIR BACK TO SLEEP TO REDUCE THE RISK OF SUDDEN INFANT DEATH SYNDROME (SIDS), AND TO REQUIRE CERTAIN AGENCIES AND THE MEDICAL COMMUNITY TO COOPERATE IN INVESTIGATING REPORTS OF CHILD ABUSE AND NEGLECT IN CHILD CARE FACILITIES.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 110-91 is amended by adding a new subdivision to read:

"§ 110-91. Mandatory standards for a license.

All child care facilities shall comply with all State laws and federal laws and local ordinances that pertain to child health, safety, and welfare. Except as otherwise provided in this Article, the standards in this section shall be complied with by all child care facilities. However, none of the standards in this section apply to the school-age children of the operator of a child care facility but do apply to the preschool-age children of the operator. Children 13 years of age or older may receive child care on a voluntary basis provided all applicable required standards are met. The standards in this section, along with any other applicable State laws and federal laws or local ordinances, shall be the required standards for the issuance of a license by the Secretary under the policies and procedures of the Commission except that the Commission may, in its discretion, adopt less stringent standards for the licensing of facilities which provide care on a temporary, part-time, drop-in, seasonal, after-school or other than a full-time basis.

... (15) Safe Sleep Policy. – Operators of child care facilities that care for children ages 12 months or younger shall develop and maintain a written safe sleep policy, in accordance with rules adopted by the Commission. The safe sleep policy shall address maintaining a safe sleep environment and shall include the following requirements:

a. A caregiver in a child care facility shall place a child age 12 months or younger on the child's back for sleeping, unless: (i) for a child age 6 months or younger, the operator of the child care facility obtains a written waiver of this requirement from a health care provider as defined in G.S. 58-50-61(a)(8); or (ii) for a child older than 6 months, the operator of the child care facility obtains a written waiver of this requirement from a health care provider as defined in G.S. 58-50-61(a)(8), a parent, or a legal guardian.

b. The operator of the child care facility shall discuss the safe sleep policy with the child's parent or guardian before the child is enrolled in the child care facility.
The child's parent or guardian shall sign a statement attesting that the parent or guardian received a copy of the safe sleep policy and that the policy was discussed with the parent or guardian before the child's enrollment.

c. Any caregiver responsible for the care of children ages 12 months or younger shall receive training in safe sleep practices."

SECTION 2. G.S. 110-105.2(a) reads as rewritten:
"(a) For purposes of this Article, child abuse and neglect, as defined in G.S. 7B-101 and in G.S. 14-318.2 and G.S. 14-318.4, occurring in child care facilities, are violations of the licensure standards and of the licensure law. The Department, local departments of social services, and local law enforcement personnel shall cooperate with the medical community to ensure that reports of child abuse or neglect in child care facilities are properly investigated."

SECTION 3. This act becomes effective December 1, 2003.

For the purposes of this section, an 'agricultural land use' includes 'agricultural land' as defined in G.S. 105-277.2 and property used for 'bona fide farm purposes' as defined in G.S. 153A-340(b)(2). This exemption does not limit regulation under this section with respect to the use of farm property for nonfarm purposes."

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 160A-301 is amended by adding a new subsection to read:

"(e) The registered owner of a vehicle that has been leased or rented to another person or company shall not be liable for a violation of an ordinance adopted pursuant to this section if, after receiving notification of the civil violation within 90 days of the date of occurrence, the owner, within 30 days thereafter, files with the officials or agents of the municipality an affidavit including the name and address of the person or company that leased or rented the vehicle, if notification is given to the owner of the vehicle after 90 days have elapsed from the date of the violation, the owner is not required to provide the name and address of the lessee or renter, and the owner shall not be held responsible for the violation."

SECTION 2. G.S. 160A-300.1(c) reads as rewritten:

"(c) Municipalities may adopt ordinances for the civil enforcement of G.S. 20-158 by means of a traffic control photographic system, as described
in subsection (a) of this section. Notwithstanding the provisions of G.S. 20-176, in the event that a municipality adopts an ordinance pursuant to this section, a violation of G.S. 20-158 at a location at which a traffic control photographic system is in operation shall not be an infraction. An ordinance authorized by this subsection shall provide that:

(1) The owner of a vehicle shall be responsible for a violation unless the owner can furnish evidence that the vehicle was, at the time of the violation, in the care, custody, or control of another person. The owner of the vehicle shall not be responsible for the violation if the owner of the vehicle, within 30 days after notification of the violation, furnishes the officials or agents of the municipality which issued the citation either of the following:

a. An affidavit stating the name and address of the person or company who had the care, custody, and control of the vehicle;

b. An affidavit stating that the vehicle involved was, at the time, stolen. The affidavit must be supported with evidence that supports the affidavit, including insurance or police report information.

(2) Subdivision (1) of this subsection shall not apply, and the registered owner of the vehicle shall not be responsible for the violation, if notice of the violation is given to the registered owner of the vehicle more than 90 days after the date of the violation.

(3) A violation detected by a traffic control photographic system shall be deemed a noncriminal violation for which a civil penalty of fifty dollars ($50.00) shall be assessed, and for which no points authorized by G.S. 20-16(c) shall be assigned to the owner or driver of the vehicle nor insurance points as authorized by G.S. 58-36-65.

(4) The owner of the vehicle shall be issued a citation which shall clearly state the manner in which the violation may be challenged, and the owner shall comply with the directions on the citation. The citation shall be processed by officials or agents of the municipality and shall be forwarded by personal service or first-class mail to the address given on the motor vehicle registration. If the owner fails to pay the civil penalty or to respond to the citation within the time period specified on the citation, the owner shall have
APPENDIX  

waived the right to contest responsibility for the violation, and shall be subject to a civil penalty not to exceed one hundred dollars ($100.00). The municipality may establish procedures for the collection of these penalties and may enforce the penalties by civil action in the nature of debt.

(4) The municipality shall institute a nonjudicial administrative hearing to review objections to citations or penalties issued or assessed under this section.

SECTION 3. G.S. 160A-300.2(d), as enacted by Section 3 of S.L. 2001-286, reads as rewritten:

"(d) Municipalities may adopt ordinances for the civil enforcement of G.S. 20-158 by means of a traffic control photographic system, as described in subsection (a) of this section. If a municipality adopts an ordinance pursuant to this section then, notwithstanding G.S. 20-176, a violation of G.S. 20-158 detected only by a traffic control photographic system shall not be an infraction. If a violation of G.S. 20-158 is detected by both a law enforcement officer and a traffic control photographic system, the officer may charge the offender with an infraction. If the officer charges the offender with an infraction, a civil penalty issued by the municipality for the same offense is void and unenforceable. An ordinance authorized by this subsection shall provide that:

(1) The owner of a vehicle shall be responsible for a violation unless the owner can furnish evidence that the vehicle was, at the time of the violation, in the care, custody, or control of another person. The owner of the vehicle shall not be responsible for the violation if the owner of the vehicle, within 2430 days after receiving notification of the violation, furnishes the office of the mayor of the municipality that issued the citation any of the following:

   a. An affidavit stating the name and address of the person or company who leased, rented, or otherwise had the care, custody, and control of the vehicle;

   b. An affidavit stating that the vehicle involved was, at the time, stolen. The affidavit must be supported with evidence that supports the affidavit, including insurance or police report information, or in the care, custody, or control of some person who did not have permission of the owner to use the vehicle; or

   c. A statement that the person who received the citation is not the owner or driver of the vehicle, or that the person who received the citation
was not driving a vehicle at the time and location designated in the citation.

(2) Subdivision (1) of this subsection shall not apply, and the registered owner of the vehicle shall not be responsible for the violation, if notice of the violation is given to the registered owner of the vehicle more than 90 days after the date of the violation.

(3) A violation detected by a traffic control photographic system shall be deemed a noncriminal violation for which a civil penalty of fifty dollars ($50.00) shall be assessed and for which no points authorized by G.S. 20-16(c) shall be assigned to the owner or driver of the vehicle nor insurance points as authorized by G.S. 58-36-65.

(4) The owner of the vehicle shall be issued a citation that shall be attached to photographic evidence of the violation that identifies the vehicle involved. The citation shall clearly state the manner in which the violation may be challenged. The owner of the vehicle shall comply with the directions on the citation. The citation shall be processed by officials or agents of the municipality and shall be forwarded by personal service or first-class mail to the address given on the motor vehicle registration. If the owner fails to pay the civil penalty or to respond to the citation within the time period specified on the citation, the owner shall have waived the right to contest responsibility for the violation and shall be subject to a civil penalty not to exceed one hundred dollars ($100.00). The municipality may establish procedures for the collection of these penalties and may enforce the penalties by civil action in the nature of debt.

(5) The municipality shall establish a nonjudicial administrative hearing process to review objections to citations or penalties issued or assessed under this section. The municipality may establish an appeals panel composed of municipal employees to review objections. If the municipality does not establish an appeals panel composed of municipal employees, the mayor of the municipality shall review and make a final decision on all objections.

SECTION 4. G.S. 160A-300.3(d), as enacted by Section 4 of S.L. 2001-286, reads as rewritten:

"(d) Municipalities may adopt ordinances for the civil enforcement of G.S. 20-158 by means of a traffic control photographic system, as described in subsection (a) of this section. Notwithstanding the provisions of G.S.
20-176, in the event that a municipality adopts an ordinance pursuant to this section, a violation of G.S. 20-158 at a location at which a traffic control photographic system is in operation shall not be an infraction. An ordinance authorized by this subsection shall provide that:

(1) The owner of a vehicle shall be responsible for a violation unless the owner can furnish evidence that the vehicle was, at the time of the violation, in the care, custody, or control of another person. The owner of the vehicle shall not be responsible for the violation if the owner of the vehicle, within 2130 days after notification of the violation, furnishes the officials or agents of the municipality which issued the citation either of the following:
   a. An affidavit stating the name and address of the person or company who leased, rented, or otherwise had the care, custody, and control of the vehicle.
   b. An affidavit stating that the vehicle involved was, at the time, stolen. The affidavit must be supported with evidence that supports the affidavit, including insurance or police report information, or in the care, custody, or control of some person who did not have permission of the owner to use the vehicle.

(2) Subdivision (1) of this subsection shall not apply, and the registered owner of the vehicle shall not be responsible for the violation, if notice of the violation is given to the registered owner of the vehicle more than 90 days after the date of the violation.

(3) A violation detected by a traffic control photographic system shall be deemed a noncriminal violation for which a civil penalty of fifty dollars ($50.00) shall be assessed, and for which no points authorized by G.S. 20-16(c) shall be assigned to the owner or driver of the vehicle nor insurance points as authorized by G.S. 58-36-65.

(4) The owner of the vehicle shall be issued a citation which shall clearly state the manner in which the violation may be challenged, and the owner shall comply with the directions on the citation. The citation shall be processed by officials or agents of the municipality and shall be forwarded by personal service or first-class mail to the address given on the motor vehicle registration. If the owner fails to pay the civil penalty or to respond to the citation within the time period specified on the citation, the owner shall have waived the right to contest responsibility for the violation, and shall be subject to a civil
penalty not to exceed one hundred dollars ($100.00). The
municipality may establish procedures for the collection
of these penalties and may enforce the penalties by civil
action in the nature of debt.

(4)(5) The municipality shall institute a nonjudicial adminis-
trative hearing to review objections to citations or penalties
issued or assessed under this section."

SECTION 5. G.S. 160A-300.4(e), as enacted by S.L. 2003-280,
reads as rewritten:

"(e) A municipality may adopt ordinances for the civil enforcement of
G.S. 20-141 and G.S. 20-141.1 by means of a photographic speed-
measuring system. Notwithstanding the provisions of G.S. 20-141,
20-141.1, and 20-176, in the event that a municipality adopts an ordinance
pursuant to this section, a violation of G.S. 20-141 or G.S. 20-141.1
detected by a photographic speed-measuring system shall not be an
infraction or misdemeanor. An ordinance authorized by this subsection shall
provide that:

(1) The owner of a vehicle shall be responsible for a violation
unless the owner can furnish evidence that the vehicle
was, at the time of the violation, in the care, custody, or
control of another person. The owner of the vehicle shall
not be responsible for the violation if the owner of the
vehicle furnishes, within 24-30 days of notification of the
violation, to the officials or agents of the municipality that
issued the citation either of the following:
   a. An affidavit stating the name and address of the
      person or company who leased, rented, or otherwise
      had the care, custody, or control of the vehicle.
   b. An affidavit stating that the vehicle involved was, at
      the time of the violation, stolen. The affidavit
      must be supported with evidence that supports the
      affidavit, including insurance or police report
      information, or in the care, custody, or control of
      some person who did not have permission of the
      owner to use the vehicle.

(2) Subdivision (1) of this subsection shall not apply, and the
registered owner of the vehicle shall not be responsible
for the violation, if notice of the violation is given to the
registered owner of the vehicle more than 90 days after
the date of the violation.

(2)(3) A violation detected by a photographic speed-measuring
system shall be deemed a noncriminal violation for which
a civil penalty of fifty dollars ($50.00) shall be assessed
and for which no points authorized by G.S. 20-16(c) or G.S. 58-36-65 shall be assigned to the owner or driver of the vehicle.

(3) The owner of the vehicle shall be issued a citation, written in both English and Spanish, clearly stating the manner in which the violation may be challenged and containing both a street address within the municipality and a local or toll-free telephone number at which the owner may challenge the citation. The citation shall be processed by officials or agents of the municipality and shall be forwarded by personal service or certified mail to the address given on the motor vehicle registration. If the owner fails to pay the civil penalty or to respond to the citation within the time period specified on the citation, the owner shall have waived the right to contest responsibility for the violation and shall be subject to an additional penalty not to exceed fifty dollars ($50.00). The municipality may establish procedures for the collection of these penalties and may recover the penalties by civil action in the nature of debt.

(4) The municipality shall provide a nonjudicial administrative hearing process to review objections to citations or penalties issued or assessed under this section. The administrative hearing process shall include methods for challenging the violation or penalty either in person, at the street address provided on the citation, or through the telephone, at the telephone number provided on the citation. The municipality shall ensure that a Spanish-speaking person is available both at the street address and through the telephone number to assist Spanish-speaking persons. An administrative hearing decision shall be subject to review by the superior court by proceedings in the nature of certiorari. Any petition for review by the superior court shall be filed with the clerk of superior court within 30 days after the administrative hearing decision.

(5) The clear proceeds from the citations issued pursuant to the ordinance authorized by this section shall be paid to the county school fund. The clear proceeds from the citations shall mean the funds remaining after paying for the lease, lease-purchase, or purchase of the photographic speed-measuring system; paying for operation of the system, either by the municipality or by a contractor; paying for a program to provide public awareness of the
system; and paying any administrative costs incurred by the municipality related to the use of the system."

SECTION 6. This act is effective when it becomes law. Section 5 of this act expires June 30, 2006.

PARTS USED IN THE REPAIR OF YOUR VEHICLE MADE BY OTHER THAN THE ORIGINAL MANUFACTURER ARE REQUIRED TO BE AT LEAST EQUIVALENT IN TERMS OF FIT, QUALITY, PERFORMANCE, AND WARRANTY TO THE ORIGINAL MANUFACTURER PARTS THEY ARE REPLACING.’

(c) It is a violation of G.S. 58-2-180 for an automobile repair facility or parts person to place a nonoriginal crash repair part, nonoriginal windshield, or nonoriginal auto glass on a motor vehicle and to submit an invoice for an original repair part.

(d) Any insurer or other person who has reason to believe that fraud has occurred under this section shall report that fraud to the Commissioner for further action pursuant to G.S. 58-2-160."

SECTION 3. Article 36 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"§ 58-36-41. Development of policy endorsement for exclusive use of original equipment manufactured crash parts.

The Rate Bureau shall develop an optional policy endorsement to be filed with the Commissioner for approval that permits policyholders to elect nonfleet private passenger motor vehicle physical damage coverage specifying the exclusive use of original equipment manufactured crash parts."

CONFERENCE COMMITTEE SUBSTITUTE FOR SENATE BILL 872

S872-CCSRC-6, AN ACT TO INCREASE PROTECTIONS FOR TELEPHONE SUBSCRIBERS WHO WISH TO STOP UNWANTED TELEPHONE SOLICITATIONS AND FOR CONSUMERS WHO ENTER INTO TELEMARKETING TRANSACTIONS.

The General Assembly of North Carolina enacts:
SECTION 1. G.S. 75-30 is repealed.
SECTION 2. G.S. 75-30.1 is repealed.
SECTION 3. Chapter 75 of the General Statutes is amended by adding a new Article to read:
"Article 4.
"Telephone Solicitations.
§ 75-100. Findings.
The General Assembly finds all of the following:

(1) The use of the telephone to market goods and services to the home is now pervasive due to the increased use of cost-effective telephone solicitation technologies and techniques.

(2) While some consumers enjoy and benefit from telephone solicitations from legitimate telephone solicitors, many others object to these telephone solicitations as an intrusive invasion of their privacy in the home.

(3) In addition, the proliferation of telephone solicitations, especially during the evening hours, creates a nuisance and a disturbance upon the home and family life of telephone subscribers during a time of day used by many families for traditional family activities.

(4) North Carolina residents should have the freedom to choose whether or not to permit telephone solicitors to contact them.

(5) Individual privacy rights, personal safety, prevention of fraud, and commercial freedom of speech and trade must be balanced in a way that protects the privacy of individuals and permits legitimate telephone solicitation practices.

(6) Legitimate telephone solicitors have no interest in continuing to invade the privacy of those telephone subscribers who affirmatively express their desires to receive no further telephone solicitations.

(7) Many telephone subscribers who have transacted business with firms that employ telephone solicitations have experienced problems with their checking and credit card accounts being debited before they can evaluate the terms and conditions of the transaction, before they can evaluate the merchandise or service to be delivered, or without their agreement to enter into the transaction or authorize such transactions in the first place. Other telephone subscribers have had unauthorized charges placed on their telephone bill and have had their long-distance carrier
switched without their authorization as a result of telephone solicitations.

(8) New technologies that make telephone solicitations more cost-effective also allow for the creation of a 'Do Not Call' Registry through which North Carolina consumers can easily register their desires not to receive further telephone solicitations and telephone solicitors can easily access and employ lists of consumers who have registered those desires.

(9) The public interest requires an efficient mechanism for telephone subscribers to notify telephone solicitors that their telephone numbers cannot be called and additional protections for North Carolina residents who enter into consumer transactions initiated through telephone solicitations.

§ 75-101. Definitions.
The following definitions apply in this Article:

(1) Affiliate. – A business establishment, business, or other legal entity that wholly or substantially owns, is wholly or substantially owned by, or is under common ownership with a telephone solicitor.

(2) Automatic dialing and recorded message player. – Any automatic equipment that incorporates a storage capability of telephone numbers to be called or a random or a sequential number generator capable of producing numbers to be called that, working alone or in conjunction with other equipment, disseminates a prerecorded message to the telephone number called.

(3) 'Do Not Call' Registry. – The registry created and maintained by the Federal Trade Commission pursuant to the Telemarketing Sales Rule. It also means any other telemarketing registry created by the federal government, including the Federal Communications Commission. It also means any registry created by the Attorney General pursuant to G.S. 75-102(n).

(4) Doing business in this State. – To make or cause to be made any telephone solicitation to North Carolina telephone subscribers, whether the telephone solicitations are made from a location inside North Carolina or outside North Carolina.

(5) Established business relationship. – A relationship between a seller and a consumer based on:
APPENDIX

a. The consumer's purchase, rental, or lease of the seller's goods or services or a financial transaction between the consumer and the seller or one or more of its affiliates within the 18 months immediately preceding the date of a telephone solicitation; or
b. The consumer's inquiry or application regarding a product or service offered by the seller within the three months immediately preceding the date of a telephone solicitation.

(6) Express invitation or permission. – Any invitation or permission that is registered by the telephone subscriber on an independent form and that contains the telephone number to which calls can be placed and the signature of the telephone subscriber. The form may be completed and signed electronically.

(7) Person. – Any individual, business establishment, business, or other legal entity.

(9) Telephone solicitation. – A voice communication, whether prerecorded, live, or a facsimile, over a telephone line or wireless telephone network or via a commercial mobile radio service that is made by a telephone solicitor to a telephone subscriber for the purpose of soliciting or encouraging the purchase or rental of, or investment in, property, goods, or services; obtaining or providing information that will or may be used for that purpose; soliciting or encouraging a telephone subscriber's participation in any contest, sweepstakes, raffle, or lottery, whether legal or illegal; or obtaining a charitable donation. 'Telephone solicitation' also includes those transactions that are defined as 'telemarketing' under the Telemarketing Sales Rule.

(10) Telephone solicitor. – Any individual, business establishment, business, or other legal entity doing business in this State that, directly or through salespersons or agents, makes or attempts to make telephone solicitations or causes telephone solicitations to be made. 'Telephone solicitor' also includes any party defined as a 'telemarketer' under the Telemarketing Sales Rule.
Telephone subscriber. – An individual who subscribes to a residential telephone service from a local exchange company, a competing local provider certified to do business in North Carolina, or a wireless telephone company; or the individuals living or residing with that individual.

Unsolicited telephone call. – A voice communication, whether prerecorded, live, or a facsimile, over a telephone line or wireless telephone network or via a commercial mobile radio service that is made by a person to a telephone subscriber without prior express invitation or permission.

§ 75-102. Restrictions on telephone solicitations.

(a) Except as provided in G.S. 75-103, no telephone solicitor shall make a telephone solicitation to a telephone subscriber's telephone number if the telephone subscriber's telephone number appears in the latest edition of the 'Do Not Call' Registry.

(b) No telephone solicitor shall make a telephone solicitation to a telephone subscriber's telephone number if the telephone subscriber previously has communicated to the telephone solicitor a desire to receive no further telephone solicitations from the telephone solicitor to that number.

(c) Any telephone solicitor who makes a telephone solicitation shall do all of the following:

(1) At the beginning of the telephone solicitation, state clearly the identity of the telephone solicitor and identify the individual making the telephone solicitation.

(2) Upon request, provide the telephone subscriber with the telephone number or address at which the telephone solicitor may be contacted.

(3) If the telephone subscriber requests to be taken off the contact list of the telephone solicitor, the telephone solicitor shall take all steps necessary to remove the telephone subscriber's name and telephone number from the contact list of the telephone solicitor and stop calling the telephone subscriber within 30 business days.

(4) If the telephone subscriber objects to the telephone solicitation, terminate the telephone solicitation and promptly disconnect from the telephone line of the person receiving the call.

(5) Notwithstanding subdivision (3) of this subsection, if a telephone solicitor relies on the established business relationship of an affiliate to solicit a residential telephone
subscriber whose telephone number is listed in the latest edition of the 'Do Not Call' Registry and the person called communicates a desire to receive no further telephone solicitations from the telephone solicitor, the telephone solicitor shall take all steps necessary to remove that telephone subscriber's telephone number from the contact lists of the telephone solicitor and that affiliate, unless the telephone subscriber indicates otherwise, and the telephone solicitor and that affiliate shall stop calling the telephone subscriber at that number within 60 business days.

(d) Every telephone solicitor shall implement systems and written procedures to prevent further telephone solicitations to any telephone subscriber who has asked not to be called again at a specific number or numbers or whose telephone number appears in the 'Do Not Call' Registry. Every telephone solicitor shall train, monitor, and enforce compliance by its employees and shall monitor and enforce compliance by its independent contractors in those systems and procedures. Every telephone solicitor shall ensure that lists of telephone numbers that may not be contacted by the telephone solicitor are maintained and recorded. Compliance with the time requirements within the Telemarketing Sales Rule for incorporating and complying with updated versions of the 'Do Not Call' Registry shall constitute compliance with North Carolina law.

(e) Except as provided in G.S. 75-103, no telephone solicitor shall violate any requirement of section 310.3 of the Telemarketing Sales Rule (Deceptive telemarketing acts or practices), section 310.4 of the Telemarketing Sales Rule (Abusive telemarketing acts or practices), and section 310.5 of the Telemarketing Sales Rule (Record keeping requirements).

(f) No telephone solicitor shall make a telephone solicitation before 8:00 A.M. or after 9:00 P.M.

(g) A telephone solicitor shall inquire as to whether the telephone subscriber is under the age of 18. If the telephone subscriber purports to be less than 18 years of age, the telephone solicitor shall discontinue the call immediately. No inquiry is required where the solicitor has taken reasonable steps to remove all telephone contacts who are less than 18 years of age from its list of subscribers being contacted or can demonstrate that it does not target subscribers who are less than 18 years of age.

(h) No telephone solicitor shall engage in threats, intimidation, or the use of profane or obscene language.

(i) No telephone solicitor shall knowingly use any method to block or otherwise circumvent a telephone subscriber's use of a caller identification service. A telephone solicitor who makes a telephone solicitation through the use of a private branch exchange (PBX) or other
call-generating system that is not capable of transmitting caller identification information shall not be in violation of this subsection. No provider of telephone caller identification services shall be held liable for violations of this subsection committed by other individuals or entities.

(j) A telephone solicitor or its agent that makes telephone solicitations on its behalf, provided that the telephone solicitor ensures compliance by its agent, shall keep a record for a period of 24 months from the date a telephone solicitation is made of the legal name, any fictitious name used, the resident address, the telephone number, and the job title of each individual who makes a telephone solicitation for that telephone solicitor. If an individual who makes telephone solicitations for a telephone solicitor uses a fictitious name, the fictitious name shall be traceable only to the specific individual.

(k) Nothing in this section prohibits a telephone solicitor from contacting by nontelephonic notice a telephone subscriber whose telephone number appears in the 'Do Not Call' Registry to obtain the telephone subscriber's express invitation or permission allowing the telephone solicitor to make telephone solicitations to the telephone subscriber. A telephone solicitor shall not contact a telephone subscriber by telephone to obtain this express invitation or permission.

(l) Nothing in this section prohibits a telephone solicitor from advertising in a general medium or contacting by nontelephonic notice a telephone subscriber whose telephone number appears in the 'Do Not Call' Registry to encourage the telephone subscriber to initiate telephone calls to the telephone solicitor. A telephone solicitor shall not contact a telephone subscriber by telephone to obtain this express invitation or permission.

(m) The Attorney General, in consultation with the Public Staff of the Public Utilities Commission, shall draft the contents of a bill insert that notifies consumers of the existence of the 'Do Not Call' Registry and provides information to consumers on how to use it and the other provisions of this Article to object to receiving telephone solicitations. Local exchange companies shall distribute the insert pursuant to G.S. 62-54.

(n) In the event that the federal 'Do Not Call' Registry is not operational by January 1, 2004, or ceases to operate for any reason after January 1, 2004, the Attorney General may develop, operate, and maintain such a registry for the benefit of North Carolina telephone subscribers.

(o) In telephone solicitation transactions involving telephone subscribers, no contract or purchase agreement entered into during a telephone solicitation is valid, and no money from the prospective purchaser is due thereunder, unless all the following conditions are satisfied:

(1) The contract and the sales representations that precede it are not deceptive or abusive telemarketing acts or practices as elaborated in sections 310.3 and 310.4 of the
Telemarketing Sales Rule only to the extent that this Article requires telephone solicitors to comply with these regulations.

(2) The telephone solicitor has complied with the record keeping requirements of section 310.5 of the Telemarketing Sales Rule only to the extent that this Article requires telephone solicitors to comply with these regulations.

(3) The contract and the sales representations that precede it comply with all other applicable federal and State laws, including Article 1 of this Chapter.

"§ 75-103. Limited exceptions."

(a) G.S. 75-102(a) does not apply to any of the following telephone solicitations that are made:

(1) To any telephone subscriber with the telephone subscriber's prior express invitation or permission.

(2) To any telephone subscriber with whom the telephone solicitor has an established business relationship.

(3) By or on behalf of a tax-exempt nonprofit organization.

(4) By or on behalf of a telephone solicitor that employs fewer than 10 full-time or part-time direct employees, the telephone solicitations are made by the direct employees, and the direct employees collectively make or attempt to make no more than an average of 10 telephone solicitations to telephone subscribers per week during a calendar year.

(5) To any telephone subscriber for the sole purpose of arranging a subsequent face-to-face meeting between the telephone solicitor and the telephone subscriber and the telephone solicitor does none of the following during the telephone solicitation:

   a. Seek payment from the telephone subscriber in connection with the sale or rental of, or investment in, property, goods, or services.

   b. Complete the sale or rental of, or investment in, property, goods, or services.

   c. Obtain provisional acceptance of a sale, rental, or investment.

   d. Obtain the agreement of the telephone subscriber to participate in any contest, sweepstakes, raffle, or lottery.

   e. Directly following the telephone solicitation, go or cause an individual to go to the telephone subscriber to collect a payment or deliver any item purchased.
(6) By a person primarily soliciting the sale of a subscription for a newspaper of general circulation.

(b) G.S. 75-102(c)(3), 75-102(d), 75-102(g), and 75-102(i) do not apply to any telephone solicitations described in G.S. 75-103(a)(1), (2), (3), (4), and (5).

(c) G.S. 75-102(c) does not apply to any of the telephone solicitations described in subdivisions (a)(4) and (a)(5) of this section.

(d) G.S. 75-102(e) does not apply to any of the telephone solicitations described in subdivisions (a)(1), (a)(2), and (a)(3) of this section, except that these types of telephone solicitations shall comply with sections 310.3(a)(2), (a)(3), and (a)(4), 310.3(c), 310.3(d), 310.4(a), 310.4(b)(1)i and (iv), (b)(2), (b)(3), and (b)(4), and 310.4(e) of the Telemarketing Sales Rule.

(e) In any dispute regarding whether a telephone subscriber has provided an express invitation or permission under subsection (a) of this section, the telephone solicitor has the burden of proving that the telephone subscriber has provided this permission by producing the original document, a facsimile document, or an electronic form, signed by the telephone subscriber, or other authentication that evidences permission. A telephone subscriber may subsequently retract express invitation or permission by indicating a desire not to receive further telephone solicitations under G.S. 75-102(b).

§ 75-104. Restrictions on use of automatic dialing and recorded message players.

(a) Except as provided in this section, no person may use an automatic dialing and recorded message player to make an unsolicited telephone call.

(b) Notwithstanding subsection (a) of this section, a person may use an automatic dialing and recorded message player to make an unsolicited telephone call only under one or more of the following circumstances:

(1) All of the following are satisfied:
   a. The person making the call is any of the following:

      2. A political party or political candidate.
      3. A governmental official.
      4. An opinion polling organization, radio station, television station, cable television company, or broadcast rating service conducting a public opinion poll.
   b. No part of the call is used to make a telephone solicitation.
c. The person making the call clearly identifies the person's name and contact information and the nature of the unsolicited telephone call.

(2) Prior to the playing of the recorded message, a live operator complies with G.S. 75-102(c), states the nature and length in minutes of the recorded message, and asks for and receives prior approval to play the recorded message from the person receiving the call.

(3) The unsolicited telephone call is in connection with an existing debt or contract for which payment or performance has not been completed at the time of the unsolicited telephone call.

(4) The unsolicited telephone call is placed by a person with whom the telephone subscriber has made an appointment, provided that the call is conveying information only about the appointment, or by a utility, telephone company, cable television company, satellite television company, or similar entity for the sole purpose of conveying information or news about network outages, repairs or service interruptions, and confirmation calls related to restoration of service.

(5) The person plays the recorded message in order to comply with section 16 C.F.R. Part 310.4(b)(4) of the Telemarketing Sales Rule.

§ 75-105. Enforcement.

(a) The Attorney General may investigate any complaints received alleging violation of this Article. If the Attorney General finds that there has been a violation of this Article, the Attorney General may bring an action to impose civil penalties and to seek any other appropriate relief pursuant to this Chapter, including equitable relief to restrain the violation. If the Attorney General brings an action on behalf of telephone subscribers pursuant to subsection (b) of this section, the Attorney General may not seek treble damages on behalf of telephone subscribers pursuant to G.S. 75-16. Actions for civil penalties under this section shall be consistent with the provisions of this Chapter except that the penalty imposed for a violation of this Article shall be either of the following:

(1) Five hundred dollars ($500.00) for the first violation, one thousand dollars ($1,000) for the second violation, and five thousand dollars ($5,000) for the third and any other violation that occurs within two years of the first violation.

(2) One hundred dollars ($100.00) for each violation within two years of the first violation, if the solicitor can show that the violations are the result of a mistake and the telephone solicitor either made the telephone solicitation
A telephone subscriber who has received a telephone solicitation from or on behalf of a telephone solicitor in violation of this Article may bring any of the following actions in civil court:

(1) An action to enjoin further violations of this Article by the telephone solicitor.

(2) An action to recover five hundred dollars ($500.00) for the first violation, one thousand dollars ($1,000) for the second violation, and five thousand dollars ($5,000) for the third and any other violation that occurs within two years of the first violation.

(c) No action may be brought under subsection (b) of this section if the violations are a result of mistake and the telephone solicitor either made the telephone solicitation under G.S. 75-103(a)(1), (2), (3), (4), and (5), or can show that the telephone solicitor complied with G.S. 75-102(d).

(d) In an action brought pursuant to this Article, the court may award a prevailing plaintiff reasonable attorneys' fees if the court finds the defendant willfully engaged in the act or practice, and the court may award reasonable attorneys' fees to a prevailing defendant if the court finds that the plaintiff knew, or should have known, that the action was frivolous and malicious.

(e) A citizen of this State may also bring an action in civil court to enforce the private rights of action established by federal law under 47 U.S.C. § 227(b)(3) and 47 U.S.C. § 227(c)(5).

(f) Actions brought by telephone subscribers pursuant to this section shall be tried in the county where the plaintiff resides at the time of the commencement of the action."

SECTION 4. G.S. 75-102(i), as enacted in Section 3 of this act, reads as rewritten:

"(i) No telephone solicitor shall knowingly use any method to block or otherwise circumvent a telephone subscriber's use of a caller identification service. A telephone solicitor who makes a telephone solicitation through the use of a private branch exchange (PBX) or other call-generating system that is not capable of transmitting caller identification information shall not be in violation of this subsection. No provider of telephone caller identification services shall be held liable for violations of this subsection committed by other individuals or entities."

SECTION 5. G.S. 62-54 reads as rewritten:

"§ 62-54. Notification of opportunity to object to telephone solicitation.

The Commission shall require each local exchange company and each competing local provider certified to do business in North Carolina to notify all telephone subscribers who subscribe to residential service from
that company of the provisions of G.S. 75-30.1, Article 4 of Chapter 75 of the General Statutes and of the federal laws and regulations allowing consumers to object to receiving telephone solicitations, and of programs made available by private industry that allow consumers to have their names removed from telemarketing lists, by enclosing that information, by enclosing a bill insert, drafted pursuant to G.S. 75-102(m), at least annually, in every at least one telephone bill mailed to customers, every residential customer. The Commission shall also ensure that this information is printed in a clear, conspicuous manner in the consumer information pages of each telephone directory distributed to residential customers."

SECTION 6. Should one or more of the terms or provisions of this act or any application thereof be held or declared unenforceable or invalid to any extent, the remainder of this act, and the applications thereof that have not been held or declared unenforceable or invalid, shall remain in effect. In the specific event that the provisions of G.S. 75-102, 75-103, 75-104, or 75-105 as enacted in Section 3 of this act, are declared to be preempted or otherwise unenforceable in relation to interstate telephone calls, those provisions shall remain in force and effect with respect to intrastate telephone calls.

SECTION 7. Consistent with protected speech rights of businesses that engage in telephone solicitations, the provisions of this act shall be given broad construction so as to protect telephone subscribers from unwanted telephone solicitations and from problematic sales techniques and payment procedures often associated with these solicitations.

SECTION 8. Section 4 of this act becomes effective January 1, 2006. G.S. 62-54, as amended by Section 5 of this act, applies to all telephone directories printed on or after January 1, 2004. All other sections of this act become effective October 1, 2003, and apply to telephone solicitations made on or after that date.

INDEX GUIDE

The North Carolina General Statutes titles form the basis for these indices. Following each bill title, the last action or the present status of said bill is indicated. For example, a ratified bill will be followed by its chapter number in the Session Laws. Bills included in whole or in part in other measures are reflected as such, if known.

All bills dealing with funds are indexed under Appropriations, Local or Appropriations, Public. Local legislation is placed under the county it affects.

A list of bills and resolutions introduced by each Representative is found under the member's name with an asterisk (*) noting that person as the primary sponsor.
