RECESS

The House reconvenes pursuant to recess and is called to order by the Speaker.

The following prayer is offered by Representative Sarah Stevens:

"Our gracious and loving heavenly Father:

"Thank You for the freedom we have of coming to You with our thanksgivings and petitions. As we begin our legislative session this day, we ask that You would remind us of your many blessings, especially the ones we so often fail to notice. Thank You for our wonderful State - with majestic mountains, rolling hills, and breath-taking seascapes. Thank You for our rural communities, large cities, suburban areas, and still-productive family farms. Thank You for our protection over us in both times of plenty and in times of want. We thank You, dear Father, for the many evidences of Your blessings on all of North Carolina.

"Now we pray that You would remind us of our need to seek Your guidance and approval as we discuss matters of importance today. Thank You for being personally interested in our day-to-day lives, as well as in our legislative proceedings. Guide us as we seek to make wise choices for all the citizens of North Carolina. Keep us focused on the tasks at hand, and help us not to be swayed by power or greed or special interests; instead, may we seek to know Your wisdom; may we evaluate options without bias; and may we be sensitive to your leadership. Thank You, Father, that You are able to direct our steps, and to influence our decisions. Lead us in governing our great State in a way that pleases You and serves to benefit all of our citizens. May we set aside personal agendas and truly seek to serve the people of North Carolina to our best abilities. Bless us this day with Your presence; may we be willingly used by You to govern with love, lead with purity of heart, and enact wise legislation for all our constituents.

"Once again we thank You for the freedom to seek Your guidance in these matters. May we ever be focused on what's best for all our citizens. Bless us, guide us, and use us as strong, honest, and caring leaders of North Carolina. We ask these things in the name of Jesus Christ, Your Son. Amen."

On motion of Representative Blust, the following remarks of Representative McElraft are spread upon the journal.

REMARKS BY REPRESENTATIVE MCELRAFT

"I know many of you served with Senator Preston here in this Body; she served seven terms here and three in the Senate; so many of us miss her to this day.

"I hope you will indulge me; I have a hard time even getting through talking about her today so I will read the memorial statement I wrote for her the day of her memorial service. I think it is the only way I will be able to get through today. I hope I can.

June 19, 2013
"My Dear Senator Preston,

"We just want to let you know how much we miss you. I know you are in a place called heaven where the streets are paved with gold and there is no pain and no suffering. How selfish of me to want to pull you back from that wonderful place to just give you one last hug and hear your sweet southern voice say 'thank you, Sug,' as I opened the door for you.

"We didn’t get to take that walk on the beach we promised ourselves when you finally got to retire, but I know the beaches in heaven must be incredible, and as I walk on the beach in Emerald Isle, I will know you are there with me.

"I want to say thank you for not only being my friend, but being my mentor. You had no idea how honored I was when you asked me to take your House seat when you decided to run for Senator. Everyone would tell me 'you have some big shoes to fill', even though my feet were twice the size of yours, I have never been able to fully fill those shoes - I'm still trying. You were always so supportive of me and gave me such good advice, both personally and professionally.

"I always called you the Energizer Bunny because it was almost impossible to slow you down or to catch up with you. You traveled every mile of your districts not only during elections but during the entire 20 years you served your people. From Onslow to Jones to Carteret to Craven and to Pamlico, it didn’t matter how late or how long the journey was, as long as 'your people needed you' you were there.

"Senator Preston, you know I have always called you that even as well as we knew each other, and I think you know that I did that because of the deep respect I have for you and for the grace you have shown at the legislature and in your district. Senator Preston, did you have any idea how much you were respected and loved by your peers in the General Assembly? Legislators on both sides of the aisle praised you for your dedication to education, especially special needs children. You were our 'go to' legislator for education in both the House and Senate. You were everyone's friend.

"I remember how proud you were of the legislation to help our fishermen, the Marine Fisheries Act. You told me how hard you fought for the rights of our fishermen, and you reminisced about how tough you had to be to go up against some of the 'Big Boys' in the legislature. Even though you were a gracious Southern Lady, you were a fierce debate opponent. You always fought for the underdog - for what was right. I remember a

June 19, 2013
story you told me about the most important campaign contribution you ever received and how it was from a little lady who had quarters, nickels, and dimes wrapped up in a handkerchief, (less than one dollar) and how she had saved that money for your campaign. That small donation meant more to you than any other of a large amount. To me that showed your compassion and love for people no matter what their station in life.

"I don’t know if you had any hint of the fact that the women in Pamlico, Craven, and Carteret counties had planned to get the Long Leaf Pine Award for you. We were told that you had to be a civilian in order to be awarded the honor, and as soon as the new year arrived and your term was over, we could get that award for you. It was so deserved as are all your many awards that you have received throughout the many years you served the public - awards too numerous to mention. When they would read your bio at an event and would only mention even half of the achievements or awards you received, I couldn’t believe one person could have done that much... then I would say to myself 'there goes the Energizer Bunny again'. I was always so proud to call you my friend and mentor.

"Many have asked me if we ever had any disagreements on legislation, that we always seemed to get along so well. I told them never on legislation, but I did have to tell them about the one disagreement we have had, but always faced it with humor and that is that you always blamed the deer I was feeding for eating your flowers. I remember you called me one morning and said 'those deer of yours just ate all my pretty mums that I just planted in the front yard; I didn’t even get to enjoy them for 24 hours.’ I told you I was sorry but also suggested that if you fed them corn like I did, they wouldn’t be hungry enough to eat your flowers. I also asked you what did the deer look like? After you gave me a humorous description I said 'no those weren’t my deer. Someone else must be feeding deer'. I was afraid before long you were going to ask for a DNA sample to prove they were my deer. Ha, you did love your flowers, and I’m sure you are seeing all these flowers here in your honor today.

"The hours we drove together late at night coming back from functions and our talks also gave me an insight into what your civilian life was like before you got into legislative public service (that’s what we both liked to call politics. Neither of us wanted to be called politicians, did we?).

"Thank you for those many years you spent as an educator. Thank you for touching the lives of so many special needs children along the way. After over 20 years in education, you could have retired and spent the next 20 years walking the beaches, traveling, and so many other retirement type joys, but you chose to dedicate the next 20 years to the continuation of public service. Thank you for that.

June 19, 2013
"You know I was lying awake one night after you had passed on into heaven thinking how you had worked so hard and hadn’t gotten to enjoy your retirement. One of your friends made me laugh during these tough days by reminding me that you had died with you high heels on; that you were doing what you loved until you took your last breath.

"Then I started reminding myself that there is no better place to spend retirement than in heaven. We both thought Emerald Isle was close to heaven, but I am sure you have found out since that there is no comparison. Enjoy the golden sand, still waters, green meadows, and all the wonders of heaven because we all are going to work hard to be there with you someday. We have lost an angel here in North Carolina but God has gained a very special angel, Senator Preston. We love you."

On motion of Representative Farmer-Butterfield, the following farewell remarks are spread upon the Journal.

REMARKS BY REPRESENTATIVE DOCKHAM

"Mr. Speaker, before I start babbling all over myself, I want to thank the Members for the kind words today. Mr. Speaker, I want to thank you for your leadership. I want to thank you for the nice office I had this past Session. I want to thank you for allowing me to be the Chairman of the Insurance Committee. We come down here and I think all of us find our niche - I spent thirty-eight years in the insurance business, and that is where I landed. I thank you for allowing me to chair that committee, and contribute to that area.

"Members of the House, this is kind of a bittersweet day for me. I actually went over to the Dobbs Building, the first time I have ever been in that building, and found out where the Utilities Commission was located. But it is nothing like this, I can tell you that. I do look forward to serving over there, and I want to thank each one of you for allowing me to serve with you. It has been an honor, I have learned so much from each one of you. And I was thinking about this early this morning, as I was getting ready to come over here. You know a man is truly lucky when he can go anywhere in the State - I look around this Chamber - and I can go anywhere in this State and I have a friend that I can call on, and you have a friend in Davidson County you can call on if you are coming through that area.

"I would just leave you with two requests. First of all, always honor this Chamber. We come down here and we fight for our principles. Never give up your principles, but always honor this Chamber. Always honor the House of Representatives and what it stands for; this is the people's house. This is where ideas matter. This is where the people are heard. Secondly, I would ask you this, always be kind to each other. Down here we are away from home, we are away from our families, and we deserve to be kind to each other. We need a friend every once in a while - whether you agree or disagree with someone - it doesn't cost anything to be kind to that person.

"So I leave you with best wishes, and thank you for all the kindness you have shown me, and thank you for allowing me to serve with you. I want to, before I forget, thank my family for the sacrifices they have made, for allowing me to be down here, for my wonderful wife, Louise, who has covered back home so many times. I know she is listening today on the computer. Thank you again, and God bless each one of you, and may God bless this great State of North Carolina that we love so dearly. Thank you very much."

The following prayer is offered by Ray Starling, General Counsel for the Speaker of the House:

"The evening prayer in the Lutheran Book of Worship reads:

"Lord God, you have called Your servants to ventures of which we cannot see the ending, by paths as yet untrodden, through perils unknown.

July 1, 2013"
"'Give us faith to go out with good courage, not knowing where we go, but only that Your hand is leading us and Your love supporting us; through Jesus Christ our Lord.'

"Make the inverse of that true also, that the Members of this Body, elected here because you have seen fit for the sovereignty of this State and Nation to continue, would COME IN here with good courage, not knowing exactly where they are going, but only that Your hand is leading and supporting them.

"We pray Your blessings on the soldiers and their families who sacrifice for the freedom of our citizenry.

"We pray Your blessings on those who have neither a legislator or a protester to argue their case.

"And finally, we pray for travel mercies for those who will take to the highways to celebrate the anniversary of the declaration of the freedoms that make America different.

"In Your name we pray, Amen."

July 10, 2013
REMARKS BY REPRESENTATIVE FISHER

"F. Scott and Zelda Fitzgerald visited the Grove Park in 1935 for their health. They mention it in the Great Gatsby. While they were visiting in 1936 Zelda was hospitalized. F. Scott took Suites 441-443.

"The Grove Park has continued throughout history to be a showcase for architecture, for antiques, and for the Arts and Crafts movement. But especially, the Grove Park Inn has been a wonderful benefit to the city of Asheville. How many visitors have come because of the cachet of the Grove Park and fallen in love with Asheville over the years? How many have returned to visit or become residents of our great city in the mountains because they were first guests of this magnificent hotel?

"A recent novel by author Bruce Johnson, an historian and director of the National Arts and Crafts Conference held yearly at the Grove Park, is entitled An Unexpected Guest. It tells a historical fiction story about a murder in the Inn. Its protagonist is convinced that the Grove Park Inn is haunted by a beautiful young woman.

"And finally, a quote from the author and historian himself: 'While today Edwin Wiley Grove is best remembered for his contribution to the architectural fabric of Asheville, most notably the Grove Park Inn, Battery Park Hotel, and the Grove Arcade. He also led the fight in the first quarter of the 20th century against those who wanted to transform Asheville into a national center for the treatment of tuberculosis. Fearing Asheville would become known as a leper colony of victims of the highly-contagious and often fatal disease, Grove inserted bans against boarding houses and sanitariums into the deeds for any of his 1,200 acres of residential real estate. His argument to promote tourism over tuberculosis eventually found favor among Asheville’s political leaders, and helped to cast the character of what has since become one of the country’s most popular tourist destinations.'"

REMARKS BY REPRESENTATIVE DOBSON

"Thank you Mr. Speaker. On Friday, June 21, three Department of Transportation employees, Jason Ray, Ricky Bradley, and Chris Painter were going about their normal day at work in McDowell County when they sensed that something was just not right. They smelled something burning and they saw fire and smoke coming out of an air conditioner in a nearby house. Thinking not of themselves the three men immediately ran to try to extinguish the fire. When they realized the fire had already spread and that they were not going to be able to put the fire out they asked if anyone was still inside the home. They were told that there were still two people still inside the house. After being directed to the window closest to where the occupants were at, they broke the window out of the home and helped a father and son escape from the burning house. The Marion Fire Chief stated later that had the men not made the decision they made, two people would have most likely lost their lives. Instead of bragging the three men

July 11, 2013
only said that they are glad they could help the family, but they do not consider themselves heroes by any means. I would have to disagree with them on this point. These men are heroes and because of their bravery and selfless acts two people are alive today. So as we debate the issues that sometimes divide us I hope we can remember that it is not the policies that we implement or the ideas that we put forth that make us great, but it’s because of selfless individuals like Jason Ray, Ricky Bradley, and Chris Painter that make North Carolina what it is. We in McDowell County are proud of these three employees of the Department of Transportation and I just wanted to recognize them today."

The House meets at 11:00 a.m. pursuant to adjournment and is called to order by Representative T. Moore.

The following prayer is offered by Representative Ruth Samuelson:

"O LORD, You have searched us and You know us.

"You know when we sit and when we rise; You perceive our thoughts from afar.

July 17, 2013
"You discern our going out and our lying down; you are familiar with all our ways.

"Before a word is on our tongues You know it completely, O LORD.

"You hem us in - behind and before; You have laid Your hand upon us.

"Such knowledge is too wonderful for us, too lofty for us to attain.

"Where can we go from your Spirit? Where can we flee from your presence?

"If we go up to the heavens, You are there; if we make our beds in the depths, You are there.

"If we rise on the wings of the dawn, if we settle on the far side of the sea, even there Your hand will guide us; Your right hand will hold us fast.

"For You created our inmost beings; You knit us together in our mother's womb.

"We praise You because we are fearfully and wonderfully made; Your works are wonderful, we know that full well.

"Our frames were not hidden from You when we were made in the secret place.

"When we were woven together in the depths of the earth, Your eyes saw our unformed bodies. All the days ordained for us were written in your book before one of them came to be.

"Search us, O God, and know our hearts; test us and know our anxious thoughts.

"See if there is any offensive way in us, and lead us in the way everlasting."

Psalm 139, a psalm of King David;
offered in honor of
Representative Samuelson's son, David

The Chair leads the Body in the Pledge of Allegiance.

NINETY-EIGHTH DAY

HOUSE OF REPRESENTATIVES
Thursday, July 18, 2013

The House meets at 10:00 a.m. pursuant to adjournment and is called to order by the Speaker.

The following prayer is offered by Representative Bert Jones:

"Our Father and our Almighty God, Maker of heaven and earth,

"We, Your people, humbly bow before Your throne, acknowledging You as the Creator and Sustainer of life, and that life being eternal. Let us come into Your presence with praise and thanksgiving, thankful indeed for Your grace and Your mercies that are new every morning.

July 18, 2013
"We pray for wisdom and discernment that we may honor You in what we do and also the manner in which we do it. Help us to love good, to hate sin, and to know Your word that we would see the difference. We pray for righteousness to prevail, as Your word tells us that righteousness exalts a nation. Lord help us, that we may be exalted and not condemned. And, as we extol the virtues of liberty, help us not be deceived by the sins of license.

"We pray for understanding and courage to speak the truth, but also to do so in love, as love will cover a multitude of sins. Help us to be kind to one another, tenderhearted, forgiving one another, even as God in Christ offers forgiveness to us, according to Your word.

"And Father, as we offer this prayer, we are indeed thankful that you have ordained our steps, that we may freely assemble and offer prayer in this Legislative Body, as our Nation has sanctioned and practiced from its beginning. May it always be, according to Your will. Great is Thy Faithfulness - help us, Your people, to be faithful.

"With each one here praying in their own way, I offer my prayer in the name of my Savior, the Lord Jesus Christ. Amen."

The Speaker leads the Body in the Pledge of Allegiance.

Speaker Tillis states that we are honoring the Special Operations Forces Canine Service with the reading of the following certificate honoring the "Fifty-Eight Special Operations Forces Canines that died in combat".

July 23, 2013
North Carolina
House of Representatives

Certificate of
Recognition and Acknowledgment

Whereas, the Special Operations Forces Canine serves as a force multiplier and saves soldier's lives every night on the battlefields of foreign lands; and

Whereas, Special Operations Canines are specifically selected based on their drive, intelligence and capability to make decisions; similar to the traits of their human counterpart, the Special Operations Forces Soldier. Therefore, only the best of the best are selected, and even fewer complete training; and

Whereas, recognizing that these canine actions in combat are heroic, facing eminent danger with courage, that sets the standard for all others. These Special Operations Canines have paid the ultimate price for not only their handlers and mates, but for this great Nation; and

Whereas, the Special Operations Forces K-9 Memorial Foundation is a small group of military and civilian canine professionals who recognize the value of the Special Operations Forces K-9 service to our country during war; and

Whereas, currently there are no Special Operations Forces K-9 memorials in the United States or anywhere in the world; and the memorial placed at the Airborne and Special Operations Museum in Fayetteville, North Carolina is the first recognition for these heroic animals; and

Whereas, a memorial will be dedicated the twenty-seventh day of July in the year two thousand and thirteen at ten o’clock a.m. at the Airborne and Special Operations Museum in Fayetteville, North Carolina; in recognition of the Fifty-Eight Special Operations Forces K-9 for their ultimate sacrifice to our country and for the lives saved because of their service throughout the war on terror.

Now, therefore, I, Thom Tillis,
Speaker of the North Carolina House of Representatives,
do hereby extend gratitude and recognition to the

"T'was near the last day of Session as all came to realize that it would not be over Tillis Bergerized!

"As Session began we Starnesed and Maloned but soon were Bumgardnered by a Blust of Stone. So, we Arped a trolley to a Torbett of Burr with hope of finding a Schaffer of Holley.

"Soon a Goodman Jetered a Wray in a hurry to Shepard two Brawleys to Hurley a Murry. Then Hastingsly we Holloed a Catlin of water but Tined of its name; we Mobleyed a Speciale for Jordan or Saine.

"We then were Fishered into a Blackwell to Stam a Waddell as two Bells Fousheed down two Halls to a Whitmire of Riddell. Along came a Farmer-Butterfield who lured a Hanes of two Grahams to Lambeth a Lewis.

July 25, 2013
"Determined to move forward, we Luebked an Earle to Faircloth a Queen, but only Cothamed a Ross to quell a Warren. So, step back and sound the Horn to Ramsey a Wilkins or a Holloway forelorned. Move Bolesly forward by investing a Dollar for surely Samuelson and McElraft will politely follow.

"Pierce quite Ilery a Langdon of Conrad or Hager the team of Daughtry and Brisson so Carney and McGrady may herd a Moffitt of Steinberg.

"Encourage NASCAR to provide a Ford for a good Pittman to drive and yell Younts, Cunningham, and McManus West to lead them to Presnell.

"The Session grew long and soon an Avila of Reps began to Gill weird as they Inskoed a Baskerville of Brown, Brown beards. Turner suggested that we Brody a Setzer of deceased Presidents to score Szoka Moore and Moore. So we consulted Presidents Adams, Alexander Hamilton, Harrison, Cleveland, Jackson, and Johnson to Michaux us a way to end this Session for now and Elmore!

"A special committee of Reps. Terry, Tolson, Davis, Dobson, Mills, McNeill, Bryan, Richardson, Hardister, Collins, G. Martin, S. Martin, Fulghum, Dixon, and Jones to be chaired by Rep. Howard was charged to state an end to this Session by a certain date! But Rep. Brandon inquired, 'What’s wrong with being late?'

"So Lucas if you think that this Session has been long, why be annoyed? It can be ended with a quick nod to Rep. Floyd.

"Well it is ending, soon we’ll be leaving; but not without queries from Rep. Glazier and Stevens. So legislators, continue to realize, this Session could not end Tillis Bergerized!"

GOVERNOR’S OBJECTIONS AND VETO MESSAGE

House Bill 392: "An act requiring a County Department of Social Service (DSS) to verify whether an applicant for or recipient of Temporary Assistance for Needy Families (TANF) benefits or Food and Nutrition Services (FNS) benefits is a fleeing felon or a probation or parole violator, to direct interagency cooperation and information sharing in order to verify the eligibility status of an applicant or recipient, to deny TANF or FNS benefits to an applicant or recipient who is a fleeing felon or a probation or parole violator, and to require drug screening and testing for certain applicants and recipients of work first program assistance."

It is critical that funding for public benefits be protected from abuses by felons and those fleeing prosecution. The criminal background requirements make sense in House Bill 392. Therefore under my existing executive

September 3, 2013
authority, I am directing the Department of Health and Human Services and our state Chief Information Officer to develop a plan and recommendations to ensure that fugitive felons and probation or parole violators do not receive these public benefits and that law enforcement has access to the most up to date information.

This Administration believes that there are better ways to fight addiction and prevent criminal drug abuse. However, this is not the best way forward and I must veto this bill because of my concerns about the implementation of the drug testing provisions, which were not thoroughly analyzed prior to passing this legislation.

Additional veto reasons include:

- The changes that would be required are not funded in this bill or the 2013-15 budget.
- The bill is a step backward for DHHS in its efforts to assist people in combating substance abuse.
- The Department currently screens all adult applicants for substance abuse issues and, as appropriate, facilitates a treatment plan with which that applicant must comply prior to receiving benefits.
- I am concerned that the means for establishing reasonable suspicion, as outlined in the bill, are not sufficient to mandate a drug test under the Fourth Amendment.
- The punitive mandates of this bill go too far in restricting future access to benefits that could have a negative impact on children and families.
- Similar efforts in other states have proven costly for taxpayers and did little to help fight drug addiction.
- There are potential obstacles to consistent application across 100 counties.

I continue to recommend further study on this issue.

Pursuant to Rule 44.2, H.B. 392 is placed on today's Calendar for reconsideration of the bill, notwithstanding the objections of the Governor.

GOVERNOR'S OBJECTIONS AND VETO MESSAGE

House Bill 786: "An act to require the Department of Public Safety to study measures for addressing the problem of illegal immigration in this state; and to clarify which employers are subject to the state's E-Verify laws."

I am vetoing House Bill 786 because I promised to protect and find jobs for North Carolinians. This bill has been thinly disguised as a measure to help our farming community when in fact it applies to a broad spectrum of other businesses in both urban and rural areas. There is a loophole that would allow businesses to exempt a higher percentage of employees from proving they are legal U.S. citizens or residents.

This legislation increases the seasonal employee 90-day exemption to nearly nine months in a calendar year, and will put our legal residents at a disadvantage in the job market. We must do everything we can to help protect jobs for North Carolinians first and foremost.

This legislation needs further study, as I recommended months ago. However, the bill did not provide funding for a study.

North Carolina has the fifth highest unemployment in the country, and now is not the time to put our citizens at a disadvantage to find jobs. I have remained focused on job growth in North Carolina, and I will continue to do so in the future.

Therefore, I veto the bill.

IX. General Rules, 54-62

1. Order of Business

RULE 1. Convening Hour, Limitation on Friday, Night, and Sunday Legislative Sessions. - The House shall convene each legislative day at the hour fixed by the House. In the event the House adjourns on the preceding legislative day without having fixed an hour for reconvening, the House shall convene on the next legislative day at 2:00 P.M. During January and February of 2013, no sessions may be held on Friday. Without leave of the House, no session shall continue after 10:00 P.M. on Monday nor after 9:00 P.M. on any other days, and the Speaker shall adjourn the House without motion at that point, except that a motion may be made as to the time and day of next convening. No session shall be held on Sunday.

RULE 4. Approval of Journal. - (a) The Chair of the Standing Committee on Rules, Calendar, and Operations of the House shall cause the Journal of the House to be examined daily before the hour of convening to determine if the proceedings of the previous day have been correctly recorded.

(b) Immediately following the opening prayer and upon appearance of a quorum, the Speaker shall call for the Journal report by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, or by a Representative designated by the Chair, as to whether the proceedings of the previous day have been correctly recorded. Without objection, the Speaker shall cause the Journal to stand approved.

The Speaker may name any member to perform the duties of the chair, but substitution shall not extend beyond one day, except in the case of sickness or by leave of the House. If the Speaker is absent and has not designated a member or the Principal Clerk to perform the duties of the chair, the Speaker Pro Tempore shall preside during such absence. In the case of a vacancy in the office of the Speaker of the House of Representatives, the Principal Clerk shall preside over the House until the House elects a Speaker.

RULE 7. Obtaining Floor. - (a) When any member desires recognition for any purpose, the member shall rise and respectfully address the Speaker. No member shall proceed until recognized by the Speaker for a purpose.

(b) When a member desires to interrupt a member having the floor, the member shall first obtain recognition by the Speaker and permission of the member occupying the floor, and when such recognition and permission have been obtained, he or she may propound a question to the member occupying the floor; but he or she shall not otherwise interrupt the member having the floor, except as provided in subsection (c) of this rule; and the Speaker shall, without the point of order being raised, enforce this rule.

(c) A member who has obtained the floor may be interrupted only for the following reasons:

(1) A request that the member speaking yield for a question,

(3) A parliamentary inquiry, or

(4) A question of privilege.

RULE 8. Questions of Privilege. - Upon recognition by the Speaker for that purpose, any member may speak to a question of privilege for a time not to exceed three minutes. Questions of privilege shall be those
affecting, first, the rights of the House collectively, its safety, dignity, and the integrity of its proceedings; second, the rights, reputation, and conduct of members, individually, in their representative capacity only; and shall have precedence over all other questions, except motions to adjourn. Privilege may not be used to explain a vote or debate a bill. The Speaker shall determine if the question is one of privilege and shall, without the point of order being raised, enforce this rule.

RULE 9. Points of Order. - (a) The Speaker shall decide questions of order and may speak to points of order in preference to other members arising from their seats for that purpose. Any member may appeal from the ruling of the chair on questions of order; on such appeal no member may speak more than once, unless by leave of the House. A three-fifths vote of the members present shall be necessary to sustain any appeal from the ruling of the chair.

(b) When the Speaker calls a member to order, the member shall be seated, except that a member called to order may clear a matter of fact, or explain, but shall not proceed in debate so long as the decision stands. If the member appeals from the ruling of the chair and the decision by a three-fifths vote of the members present be in favor of the member called to order, the member may proceed; if otherwise, the member shall not; and if the case, in the judgment of the House requires it, the member shall be liable to censure by the House.

RULE 10. Limitations on Debate. - (a) No member shall speak on, debate, or solicit cosponsors for a bill or resolution at its first reading.

(b) No member shall speak more than twice on the main question nor longer than 15 minutes for the first speech and five minutes for the second speech; nor shall the member speak more than twice upon an amendment or motion to reconsider, re-refer, appeal, or postpone or any motion on concurrence, and then not longer than 10 minutes for the first speech and five minutes for the second speech.

(c) A member may speak only once and for not more than 10 minutes on the question of the adoption of a minority report.

(d) In computing the time allowed for argument, the time consumed in answering questions should be considered and is taken out of any time allowed that member.

(e) The House, by consent of a majority of the members present, may suspend the operation of subsections (b) through (d) of this rule during any debate on any particular question before the House.

RULE 11. Reading of Papers. - When there is a call for the reading of the text of a paper which has been presented to the House and there is objection to such reading, the question shall be determined by a majority vote of the members of the House present. Except for protests permitted by the Constitution, no member may have material printed in the
Journal until said material has been presented to the House and the printing approved by the House, and said material shall not exceed 1,000 words.

RULE 12. General Decorum. - (a) The Speaker shall preserve order and decorum.
(b) Decency of speech shall be observed and disrespect to personalities carefully avoided.
(c) When the Speaker is putting any question, or addressing the House, no person shall speak, stand up, walk out of, or cross the House nor, when a member is speaking, engage in disruptive discourse or pass between the member and the chair.
(d) Food or beverages shall not be permitted on the floor of the House during the first two hours of the daily session.
(e) The reading of newspapers shall not be permitted on the floor of the House while the House is in session.

(i) The use of wireless telephones shall not be permitted in the House Chamber.
(j) Placards, stickers, or signs are not permitted in the House Chamber.

III. Motions

RULE 13. Motions Generally. - (a) Every motion shall be reduced to writing if the Speaker or any two members request it. No motion relating to a bill shall be in order which does not identify the bill by its number and short title.
(b) When a motion is made, it shall be stated by the Speaker or, if written, it shall be handed to the chair and read aloud by the Speaker or Clerk before debate.
(c) After a motion has been stated by the Speaker or read by the Speaker or Clerk, it shall be in the possession of the House; but it may be withdrawn before a decision or amendment, except in case of a motion to reconsider, which motion, when made by a member, shall be in possession of the House and shall not be withdrawn without leave of the House.

RULE 14. Motions, Order of Precedence. - When there are motions before the House, the order of precedence is as follows:
To adjourn.
To recess.
To lay on the table.
Previous question.
To postpone indefinitely.
To reconsider.
To postpone to a day certain.
To re-refer.
To amend an amendment.
To amend.
To pass the bill.

No motion to lay on the table, to postpone indefinitely, to postpone to a day certain, to re-refer, or to make a particular amendment, being decided, shall be again allowed at the same stage of the bill or proposition.

RULE 15. Motion to Adjourn. - (a) A motion to adjourn shall be seconded before the motion is put to the vote of the House.
(b) A motion to adjourn shall be decided without debate and shall always be in order, except when the House is voting or some member is speaking; but a motion to adjourn shall not follow a motion to adjourn until debate or some other business of the House has intervened.

RULE 16. Motion to Table. - (a) A motion to table shall be seconded before the motion is put to the vote of the House and is in order except when a motion to adjourn or to recess is before the House.
(b) A motion to table shall be decided without debate.
(c) A motion to table a bill shall constitute a motion to table the bill and all amendments thereto.
(d) When the question before the House is the adoption of an amendment to a bill or resolution, a motion to table the bill is not in order; and a motion to table an amendment applies to the amendment only, and the motion may not expressly or by implication or construction be expanded to include a motion to table the bill also.
(e) When a question has been tabled, it shall not thereafter be considered, except on motion to reconsider under Rule 18 or to remove from the table approved by a two-thirds vote.

RULE 17. Motion to Postpone Indefinitely. - A motion to postpone indefinitely is in order except when a motion to adjourn or to lay on the table or for the previous question or to recess is before the House. However, after one motion to postpone indefinitely has been decided, another motion to postpone indefinitely shall not be allowed at the same stage of the bill or proposition. When a question has been postponed indefinitely, it shall not thereafter be considered, except on motion to reconsider under Rule 18 or to place on the favorable calendar approved by a two-thirds vote.

RULE 18. Motion to Reconsider. - (a) When a question has been decided, it is in order for any member to move for the reconsideration thereof on the same or the succeeding legislative day; provided that if the
vote by which the motion was originally decided was taken by a recorded vote, only a member of the prevailing side may move for reconsideration.

(b) A motion to reconsider shall be determined by a majority vote, except the following shall require a two-thirds vote: a second or subsequent motion to reconsider and a motion to reconsider:

(1) A vote upon a motion to table,
(2) A motion to postpone indefinitely,
(3) A motion to remove a bill from the unfavorable calendar,
(4) A motion that a bill be read twice on the same day, or
(5) A motion to remove from the table.

c) A motion to reconsider the vote by which a person has been elected as Speaker or Speaker Pro Tempore shall not be in order. This subsection of this rule cannot be suspended except by a vote of three-fifths of all the members of the House.

RULE 19. Previous Question. - (a) The previous question may be called only by:

(1) The Chair of the Committee on Rules, Calendar, and Operations of the House;
(2) The Majority Leader;
(3) The member submitting the report on the bill or other matter under consideration;
(4) The member introducing the bill or other matter under consideration;
(5) The member in charge of the measure, who shall be designated by the chair of the standing committee or permanent subcommittee reporting the same to the House at the time the bill or other matter under consideration is reported to the House or taken up for consideration.

(b) The previous question shall be as follows: "Shall the main question now be put?" When the call for the previous question has been decided in the affirmative by a majority vote of the House, the question is on the passage of the bill, resolution, or other matter under consideration.

(c) The call for the previous question shall preclude all motions, amendments, and debate, except the motion to adjourn, motion to recess, or motion to table.

(d) If the previous question is decided in the negative, the question remains under debate.

(e) After the previous question is ordered by the House on the main question of second or third reading, the Majority Leader and the Minority Leader may each allocate three minutes of debate on the question. The Majority Leader and the Minority Leader may each designate another member to act under this subsection.
IV. Voting

RULE 20. **Use of Electronic Voting System.** - (a) Votes on the following questions shall be taken on the electronic voting system, and the ayes and noes shall be recorded on the Journal:

(1) The passage as required by Article II, Section 23 of the North Carolina Constitution on second and third readings of any bill:
   a. Raising money on the credit of the State,
   b. Pledging the faith of the State for the payment of a debt,
   c. Imposing a State tax, or
   d. Authorizing a county, municipality, or other local governmental unit to:
      1. Raise money on its credit,
      2. Pledge its faith for the payment of a debt, or
      3. Impose a local tax.

(2) All questions on which a call for the ayes and noes under Rule 24(a) and Article II, Section 19 of the North Carolina Constitution has been sustained.

(3) Both second and third readings of bills proposing amendment of the North Carolina Constitution or ratifying resolutions amending the United States Constitution.

(4) The passage of a bill notwithstanding the Governor's veto thereof pursuant to Article II, Section 22 of the North Carolina Constitution.

(b) Votes on the following questions shall be taken on the electronic voting system:

(1) Second reading of all public bills, all amendments to public bills offered after second reading, third reading if a public bill was amended after second reading or if the reading occurs on a day or days following the second reading, all conference reports on public bills, all motions to lay public bills on the table, and all motions to postpone public bills indefinitely.

(2) Upon a call for division.

(3) Any other question upon direction of the Speaker or upon motion of any member supported by one-fifth of the members present.

(c) When the electronic voting system is used, 15 seconds shall be allowed for voting on the question before the House, unless the Chair shall direct otherwise. Once the system is locked, the vote shall be recorded and printed.
(d) The voting station at each member's desk in the Chamber shall be used only by the member to which the station is assigned. Under no circumstances shall any other person vote at a member's station. It is a breach of the ethical obligation of a member either to request that another person vote at the requesting member's station or to vote at another member's station. The Speaker shall enforce this rule without exception.

(e) When the electronic voting system is used, the Speaker shall state the question and shall then state substantially the following: "All in favor vote 'aye'; all opposed vote 'no'; the Clerk will open the vote." In order to have the vote recorded, the member must vote by the electronic voting system within the time allowed for that vote, unless the voting station assigned to a member is malfunctioning. The Speaker shall enforce this rule without exception. After the allotted time for voting has elapsed, the Speaker shall say: "The Clerk will now lock the machine and record the vote." After the machine is locked and the vote recorded, the Speaker shall announce the vote and declare the result.

(f) One copy of the machine printout of the vote record of all votes taken on the electronic voting system shall be filed in the office of the Principal Clerk, and two copies shall be filed in the Legislative Library where the copies shall be open to public inspection. A legible copy of the bill, amendment, or motion on which the vote was taken shall be filed with the printout of the vote in the Legislative Library.

(g) When the Speaker ascertains that the electronic voting system is inoperative before a vote is taken or while a vote is being taken on the electronic voting system, the Speaker shall announce that fact to the House, and any partial electronic voting system voting record shall be voided. In such a case, if the North Carolina Constitution or the Rules of the House require a call of the ayes and noes, the Clerk shall call the roll of the House, and the ayes and noes shall be taken manually and shall be recorded on the Journal. All roll call votes shall be taken alphabetically. If, after a vote is taken on the electronic voting system, it is discovered that a malfunction caused an error in the electronic voting system printout, the Speaker shall direct the Reading Clerk and the Principal Clerk to verify and correct the printout record and so advise the House.

(h) For the purpose of identifying motions on which the vote is taken on the electronic voting system, the motions are coded as follows:

1. To adjourn.
2. To recess.
3. To lay on the table.
4. Previous question.
5. To postpone indefinitely.
6. To reconsider.
7. To postpone to a day certain.
8. To re-refer.
(9) To amend an amendment.
(10) To amend.
(11) To concur or not concur.
(12) Miscellaneous.

RULE 21. Voice Votes; Stating Questions. - (a) All other votes except those required to be taken on the electronic voting system shall be taken by voice vote.

(b) When a voice vote is taken, the Speaker shall put the question substantially as follows: "Those in favor (as the question may be) will say 'Aye'," and after the affirmative voice has been expressed, "Those opposed will say 'No'."

(c) No statement, explanation, debate, motion, parliamentary inquiry, or point of order shall be allowed once the voice vote has begun. Any point of order or parliamentary inquiry may be raised, however, after the completion of the vote.

RULE 22. Determining Questions. - (a) Unless otherwise provided by the Constitution of North Carolina or by these rules, all questions shall be determined by a simple majority of the members present and voting.

(b) No member may vote unless the member is in the Chamber when the question is put. This subsection of this rule cannot be suspended.

RULE 23. Voting by Division. - Any member may call for a division of the members upon the question before the result of the vote has been announced. Upon a call for a division, the Speaker shall cause the number voting in the affirmative and in the negative to be determined. Upon a division and count of the House on any question, no member away from the member's seat shall be counted.

RULE 24. Roll Call Vote. - (a) Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote.

(b) Every member who is in the Hall of the House when the question is put shall vote upon a call of the ayes and noes, unless excused pursuant to Rule 24.1A.

(c) No member may change a vote without leave of the House, but such leave shall not be granted if it affects the result.

RULE 24.1A. Excuse From Deliberations and Voting on a Bill. - (a) Any member shall, upon request, be excused in advance from the deliberations and voting on a particular bill at any time that the reason for the request arises in the proceedings on the bill.

(b) The member may make a brief oral statement of the reasons for making the request. The member shall provide to the Principal Clerk, on a form provided by the Clerk, a concise written statement of the reason for the request, and the Clerk shall include this statement in the Journal.
c) Except as provided in subsection (e) of this section, the member so excused shall not debate the bill or any amendment to the bill, vote on the bill, offer or vote on any amendment to the bill, or offer or vote on any motion concerning the bill, in committee or on the floor of the House at any reading, or any subsequent consideration of the bill.

(d) A member may request that his or her excuse from deliberations on a particular bill be withdrawn.

(e) By leave of the House, a member who has been excused from deliberations and voting on a bill may participate in deliberations and votes on amendments to which that member does not have any conflict that requires excusal.

RULE 24.1B. Division of Amendments. - Any member may call for an amendment to be divided into two or more amendments to be voted on separately, and the Speaker shall determine whether the amendment admits of such a division.

RULE 25. Voting by Speaker. - In all elections the Speaker may vote. In all other instances the Speaker may vote or may reserve this right until there is a tie in which event the Speaker may vote; but in no instance may the Speaker vote twice on the same question.

V. Committees

RULE 26. Standing Committees and Permanent Subcommittees Generally. - (a) The Speaker shall appoint a chair, or cochairs, of every standing committee, permanent subcommittee, and select committee, if any. In the construction of these rules, the word "chair" as applied to a committee, extends to and includes a cochair of the committee. The Speaker shall have the exclusive right and authority to establish select committees, but this does not exclude the right of the House by resolution to establish select committees.

(b) The Speaker shall establish the number of members of each standing committee and standing subcommittee, and appoint the members in a manner to reflect the partisan membership of the House, except that the Committee on Ethics shall have an equal number of members of the majority and minority.

(c) Before appointing members of committees and subcommittees, the Speaker shall consult with the Minority Leader. The Speaker and Minority Leader shall consider members' committee preferences in making appointments and recommendations.

(d) The Speaker may not appoint new members to committees or permanent subcommittees after April 15 of an odd-numbered year or at any time during an even-numbered year except to fill vacancies caused by the resignation, death, removal, or inability to serve of a member. As to select committees established after March 1 of an odd-numbered year or during an even-numbered year, the Speaker may not appoint new members more than 60 calendar days after the select committee is established, except to fill vacancies caused by the resignation, death, removal, or inability to serve of a member.
(e) Each chair of a permanent subcommittee shall be a vice-chair of the standing committee of which it is a permanent subcommittee. The Speaker may name other members as vice-chairs of the standing committee. The Speaker may name one or more vice-chairs for any standing committee not having permanent subcommittees.

(f) A maximum of two chairs of a standing committee are entitled to vote in a permanent subcommittee of the standing committee.

(g) Either the chair or acting chair, designated by the chair or by the Speaker, and five other members of the standing committee or permanent subcommittee, or a majority of the standing committee or permanent subcommittee, whichever is fewer, shall constitute a quorum of that standing committee or permanent subcommittee. A quorum of less than a majority of all the members must include at least one member of the minority party.

(h) In any joint meeting of the Senate and House committees or subcommittees, the House standing committee or permanent subcommittee reserves the right to vote separately.

RULE 26.1. Mentions of Standing Committee Includes Select Committee. - Any reference in these rules to standing committees shall extend to select committees unless the context requires otherwise.

RULE 27. List of Standing Committees and Permanent Subcommittees. - The standing committees and permanent subcommittees thereof are:

RULE 28. Standing Committee and Permanent Subcommittee
Meetings. - (a) Standing committees and permanent subcommittees of
standing committees shall be furnished with suitable meeting places
pursuant to a schedule established by the Chair of the Standing Committee
on Rules, Calendar, and Operations of the House. Select committees shall
be furnished with suitable meeting places as their needs require by the Chair
of the Standing Committee on Rules, Calendar, and Operations of the House.
(b) Subject to the provisions of subsection (c) of this rule, standing committees and permanent subcommittees thereof shall permit other members of the General Assembly, the press, and the general public to attend all sessions of said standing committees or permanent subcommittees.

(c) The Chair or other presiding officer shall have general direction of the meeting place of the standing committee or permanent subcommittee, and, in case of any disturbance or disorderly conduct therein, or if the peace, good order, and proper conduct of the legislative business is hindered by any person or persons, the Chair or presiding officer shall have power to exclude from the session any individual or individuals so hindering the legislative business.

(d) Procedure in the standing committees and permanent subcommittees shall be governed by the rules of the House, so far as the same may be applicable to such procedure. Before a question is put, any member may call for the ayes and noes. If the call is sustained by one-fifth of the members present, the question shall be decided by the ayes and noes upon a roll call vote. All roll call votes shall be taken alphabetically and shall be subject to Rule 21(c).

(e) No standing committee or permanent subcommittee shall meet on any day when the House shall not convene except by permission of the Speaker or by approval of the House by resolution adopted by a majority vote of the House.

(f) No standing committee or permanent subcommittee shall meet during any session of the House. Standing committees and permanent subcommittees shall meet at their regularly scheduled hour. No permanent subcommittee shall meet at the same time that its standing committee is meeting. Standing committees and permanent subcommittees may meet at other times as authorized by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House in order to assure the availability of the meeting room and that no conflicts will exist with the meetings of other bodies. All standing committee and permanent subcommittee meetings shall adjourn no later than:

1. 15 minutes preceding a regular session of the House, and
2. 10 minutes preceding the hour of the next regularly scheduled standing committee or permanent subcommittee meeting.

Action taken by a committee in violation of this rule is voidable unless taken by unanimous consent at a meeting at which a majority of all the members of the committee are present, and at least one member present is of the minority party.

(g) Any call or notice of a standing committee or permanent subcommittee meeting between legislative sessions shall be sent by electronic mail to each member of the standing committee or permanent
subcommittee at least five days prior to such meeting. If a member of the body so requests in writing to the chair of the standing committee or permanent subcommittee, the member shall also be notified of the meetings by mail at a designated address.

(h) During standing committee and permanent subcommittee meetings, the chair may exercise the right to vote, or may reserve this right until there is a tie, in which event the chair may vote, but in no instance may the chair vote twice on the same question.

RULE 28.1. Ethics Committee Investigations Into Violations of the Open Meetings Law. - (a) On its own motion, or in response to signed and sworn complaint of any individual filed with the Standing Committee on Ethics, the Committee shall inquire into any alleged violation by members of the House of the Open Meetings Law (Article 33C of Chapter 143 of the General Statutes), as the same may be amended in the future.

(b) If, after such preliminary investigation as it may make, the Committee determines to proceed with an inquiry into the conduct of any individual, the Committee shall notify the individual as to the fact of the inquiry and the charges against the individual and shall schedule one or more hearings on the matter. The individual shall have the right to present evidence, cross-examine witnesses, and be represented by counsel at any hearings.

(c) After the Committee has concluded its inquiries into the alleged violations, the Committee shall dispose of the matter by taking one of the following actions:

(1) Dismiss the complaint and take no further action.

(2) Issue a private letter of reprimand to the legislator, if the legislator unintentionally violated the provisions of the Open Meetings Law.

(3) Issue a public letter of reprimand if the violation of the Open Meetings Law was intentional or if the legislator has previously received a private letter of reprimand. The Chair of the Committee on Ethics shall have the public letter of reprimand spread on the pages of the House Journal.

(4) Refer the matter to the House for appropriate action.

RULE 29. Notice of Standing Committee and Permanent Subcommittee Meetings and Hearings. - (a) Notice of meetings of standing committees and permanent subcommittees that will occur at the regularly scheduled meeting times shall be given by one or both of the following methods:

(1) Notice given openly at a session of the House; or

(2) Notice mailed or sent by electronic mail to those who have requested notice, and to the Legislative Services Office, which shall post the notice on the General Assembly Web site.
(b) Notice of all other meetings shall be given in the House. If the meeting is scheduled to occur after adjournment, notice shall also be given by electronic mail and posting on the General Assembly Web site.

(c) The chair of the standing committee or permanent subcommittee shall notify or cause to be notified the sponsor of each bill which is set for hearing or consideration before the standing committee or permanent subcommittee as to the date, time, and place of that meeting.

RULE 29.1. Public Hearings. - (a) Requests for a public hearing shall be made in writing to the chair of the standing committee and, if applicable, the chair of the permanent subcommittee to which the bill has been referred. The chair of the standing committee may schedule a public hearing by the standing committee as a whole after the adjournment of a regular daily House session. The chair of the permanent subcommittee may schedule a public hearing before the permanent subcommittee at its regularly scheduled hour. Denial of a request made by a House member may be appealed to the Speaker.

Notice shall be given not less than five calendar days prior to public hearings. These notices shall be issued as information for the press and shall be posted in the places designated by the Principal Clerk.

(b) Persons desiring to appear and be heard at a public hearing shall submit their requests to the chair of the standing committee or permanent subcommittee. The standing committee or permanent subcommittee chair may designate one or more members to arrange the order of appearance of interested parties. A brief written statement of testimony may be submitted without oral presentation and shall be incorporated into the minutes of the public hearing.

RULE 29.2. Minutes to Legislative Library. - The chair of a standing committee or a permanent subcommittee shall ensure that written minutes are compiled for each of the body's meetings. The minutes shall indicate the members present and the actions taken at the meeting. Not later than 10 days after the adjournment of each session of the General Assembly, the chair shall deliver the minutes to the Legislative Library. The Speaker of the House may grant a reasonable extension of time for filing said minutes upon written application of the chair.

RULE 30. Committee of the Whole House. - (a) A Committee of the Whole House shall not be formed, except by leave of the House.

(b) After passage of a motion to form a Committee of the Whole House, the Speaker shall appoint a chair to preside in the committee, and the Speaker shall leave the dais.

(c) The rules of procedure in the House shall be observed in the Committee of the Whole House, so far as they may be applicable, except the rule limiting the time of speaking and the previous question.
(d) In the Committee of the Whole House, a motion that the standing committee rise shall always be in order, except when a member is speaking, and shall be decided without debate.

(e) When a bill is submitted to the Committee of the Whole House, it shall be read and debated by sections, leaving the preamble to be last considered. The body of the bill shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Principal Clerk on a separate paper as the same shall be agreed to by the standing committee and be so reported to the House. After report, the bill shall again be subject to be debated and amended by sections before a question on its passage be taken.

VI. Handling of Bills

RULE 31. Introduction of Bills and Resolutions. - (a) All bills and resolutions shall be introduced by submitting same to the Principal Clerk's office on the legislative day prior to the first reading and reference thereof according to the following schedule: by 30 minutes after adjournment each Monday; and by 3:00 P.M. each Tuesday, Wednesday, Thursday, and Friday.

(b) Bills shall not become resolutions provided the Senate has a similar rule. Resolutions shall not become bills. Resolutions are not law but may be used when a law is not necessary for the purpose contained therein. Resolutions shall not be used to appropriate funds for any purpose, but may be used to create study commissions or committees or establish investigative committees, to honor deceased persons, and to adopt House rules and internal affairs. Resolutions cannot amend, repeal, or modify a statute; nor do they have life beyond the term of the session during which they are adopted.

(c) Every bill or resolution shall be read in regular order of business, except upon permission of the Speaker or on the report of a standing committee.

(d) All bills and resolutions shall show in their captions a brief descriptive statement of the true substance of same, which captions may thereafter be amended. Amendments to captions of bills are in order only if the amendment is germane to the bill. Third reading shall not be had on any bill or resolution on the same day that such caption is amended.

(e) A Substitute Bill shall be covered with the same color jacket as the original bill and shall be prefaced as follows: "House Committee Substitute for______ ."

(f) House Resolutions need not be read more than twice.

(g) All memorializing, celebration, commendation, and commemoration resolutions, except those honoring the memory of deceased persons, shall be excluded from introduction and consideration in the House. The mention of a deceased person as a pretext to honor an institution or a living person is prohibited.
(h) Any reference in these rules to bills shall extend to resolutions unless the context requires otherwise.

RULE 31.1. Deadlines on Introduction and Receipt; No Blank Bills; Ten Bill Limit; Single Subject Rule. - (a) All local bills must be submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on Wednesday, March 20, 2013, and must be introduced not later than 3:00 P.M. on Wednesday, April 3, 2013.

(b) All public bills or resolutions recommended by commissions or standing committees authorized or directed by act or resolution of the General Assembly (i) to report to the 2013 Regular Session of the General Assembly, or to report prior to convening of that session, or (ii) which are recommended to the 2013 Regular Session of the General Assembly by a commission or committee established directly by Chapter 120 of the General Statutes, must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on Tuesday, February 19, 2013, and must be introduced not later than 3:00 P.M. on Wednesday, February 27, 2013.

(c) All bills prepared to be introduced for departments, agencies, or institutions of the State must have been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on Tuesday, March 12, 2013, and must be introduced not later than 3:00 P.M. on Wednesday, March 20, 2013. A bill introduced under this subsection shall be identified as an Agency Bill after its short title or in the drafting code.

(d) All public bills which would not be required to be re-referred to the Appropriations or Finance Committees under Rule 38 and all joint resolutions and House resolutions must be submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on Thursday, March 28, 2013, and must be introduced not later than 3:00 P.M. on Wednesday, April 10, 2013.

(e) All public bills which under Rule 38 are required to be re-referred to either or both of the Appropriations Committee or the Finance Committee must be submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. on Thursday, April 4, 2013, and must be introduced not later than 3:00 P.M. on Wednesday, April 17, 2013. If any bill is subject to the deadline under this subsection and the bill is amended so that all the provisions requiring referral to either or both of those committees under Rule 38 do not remain in the bill, it is not eligible for further consideration.

(f) A bill containing no substantive provisions may not be introduced in the House.

(g) No member may introduce more than 10 public bills. For the purpose of this subsection, the introducer is the member who is listed as the first sponsor. A member may assign a portion of this limit to another member by notifying the Principal Clerk in writing on a form prepared by
the Principal Clerk. This subsection does not apply to bills or resolutions recommended by commissions or committees authorized or directed by act or resolution of the General Assembly (i) to report to the 2013 Regular Session of the General Assembly, or to report prior to convening of that session, or (ii) which are recommended to the 2013 Regular Session of the General Assembly by a commission or committee established directly by Chapter 120 of the General Statutes. This subsection does not apply to joint resolutions or House resolutions.

(h) In order to be eligible for consideration by the House during the first Regular Session, all Senate bills other than finance or appropriations bills which would be required to be re-referred to the Appropriations or Finance Committee under Rule 38 or adjournment resolutions must be received and read on the floor of the House as a message from the Senate no later than Thursday, May 16, 2013; provided that a message from the Senate received by the next legislative day stating that a bill has passed its third reading and is being engrossed shall comply with the requirements of this subsection and provided that the Senate has a similar rule.

(i) Except by motion approved by a majority of members of the House present and voting, no public House bill other than the Current Operations Appropriations Act or the Capital Improvement Appropriations Act may contain more than one subject.

(j) This rule, other than subsections (f), (g), and (i), does not apply to bills (i) establishing districts for Congress or State or local entities, (ii) introduced on the report of the Committees on Appropriations, Finance, or Rules, Calendar, and Operations of the House, or (iii) ratifying an amendment or amendments to the Constitution of the United States. This rule does not apply to resolutions adjourning the General Assembly sine die or to a date certain.

RULE 32. Reference to Standing Committee and to Permanent Subcommittee; Serial Referrals. - (a) Each bill not introduced on the report of a standing committee shall immediately upon its first reading be referred by the Speaker to such standing committee, committee of the whole, or permanent subcommittee as the Speaker deems appropriate. The Speaker at the same time may order that, if the bill is reported with any favorable recommendation or without prejudice, it be re-referred automatically upon the committee report to another committee or permanent subcommittee designated in the order. Each joint resolution or House resolution not introduced on the report of a standing committee shall immediately upon its first reading either be referred by the Speaker to a standing committee or permanent subcommittee or be calendared on the date designated by the Speaker, as the Speaker deems appropriate.
(b) The standing committee chair may refer each bill referred to the standing committee to the permanent subcommittee specifically charged with the subject matter of the bill. A report of that referral shall be made in writing and submitted to the body pursuant to Rule 5(5). Except as provided in Rule 36, the permanent subcommittee to which the bill is referred shall report the bill back to the full standing committee. That subcommittee report shall include one of the following recommendations:

1. Favorable, without prejudice, or unfavorable as to the original bill with the recommendation that the report be made to the standing committee;

2. Favorable, without prejudice, or unfavorable as to the original bill, as amended, with the recommendation that the report be made to the standing committee;

3. Favorable or without prejudice to the proposed committee substitute, and unfavorable to the original bill, with the recommendation that the report be made to the standing committee;

4. Favorable as to the original bill with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair;

5. Favorable to the original bill, as amended, with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair; or

6. Favorable to the proposed committee substitute with the recommendation that the report be made directly to the floor of the House, if approved by the standing committee chair, and unfavorable to the original bill.

Any recommendation of favorable or without prejudice may include a recommendation of re-referral to another standing committee. After a bill is reported to a standing committee by a permanent subcommittee of that standing committee, the standing committee chair may re-refer the bill to another permanent subcommittee of that standing committee.

Upon recommendation to the standing committee, the bill shall be before that body for further action unless the permanent subcommittee chair reports the bill directly pursuant to Rule 36.

RULE 33. Papers Addressed to the House. - Petitions, memorials, and other papers addressed to the House shall be presented by the Speaker. A brief statement of the contents thereof may be made orally by the introducer before reference to a committee, but such papers shall not be debated or decided on the day of their first being read unless the House shall direct otherwise.
RULE 34. Introduction of Resolutions and Bills, Copies Required. - (a) House Bills shall be designated as "H.B.___." (No. following). A Joint Resolution shall be designated as "H.J.R. ___." (No. following). A House Resolution shall be designated as "H.R.___." (No. following).

(b) Whenever any resolution or bill is filed for introduction, it shall be in a House bill jacket containing the number of copies designated by the Principal Clerk and in the form designated by the Speaker. Any resolution or bill not accompanied by the required number of copies shall be returned immediately to the introducer. The Clerk shall stamp the copies with the number stamped upon the original bill.

(c) No bill may be filed for introduction if the draft contains names preprinted on the bill jacket and body of the bill (either as primary sponsors or cosponsors) unless each such member has signed the jacket.

RULE 35. Duplicating and Availability of Copies of Bills. - (a) The Legislative Services Officer shall cause such bills as are introduced to be duplicated in such numbers as may be specified by the Speaker. Copies shall be placed in the Printed Bills Room and made available to the committees to which the bill is referred, to individual members on request, and to the general public.

(b) A public bill is a bill affecting 15 or more counties. A local bill is one affecting fewer than 15 counties. No public bill and, upon objection by a member, no local bill may be considered unless copies of the bill have been made available to the entire membership of the House.

RULE 35.1. Municipal Incorporation Reports. - Every legislative proposal introduced in the House or received in the House from the Senate, proposing the incorporation of a municipality shall have attached to the jacket of the original bill at the time of its consideration on second or third readings by the House or by any committee of the House prior to a favorable report, a recommendation from the Municipal Incorporations Subcommittee of the Joint Legislative Committee on Local Government, established by Article 20 of Chapter 120 of the General Statutes. The recommendation of the Municipal Incorporations Subcommittee of the Joint Legislative Committee on Local Government shall be made in accordance with the provisions and criteria set forth in Article 20 of Chapter 120 of the General Statutes and shall include the findings required to be made by G.S. 120-166 through G.S. 120-170.

RULE 36. Report by Standing Committee or Permanent Subcommittee. - (a) Reports. - Bills and resolutions may be reported from the standing committee or permanent subcommittee to which referred with such recommendations as the standing committee or permanent subcommittee may desire to make. With the written approval of the chair of the standing committee and with the recommendation of the subcommittee pursuant to
Rule 32(b)(4) through (6), the chair of the permanent sub-committee may report the bill directly to the floor with that recommendation. If a permanent subcommittee recommends reporting a bill to the floor and the chair of the standing committee fails to give approval, the bill shall be deemed to have been reported to the standing committee with the same recommendation as the subcommittee would have made to the House.

(b) **Favorable Report.** - When a standing committee or permanent subcommittee reports a bill with the recommendation that it be passed, the bill shall be placed on the favorable calendar on the day designated by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House, but not on the same day that it is reported except by leave of the House, and no later than the fourth legislative day after submission of the report or Senate message under Rule 43.2 or Rule 43.3(a), unless:

1. The bill is re-referred to the Committee on Appropriations or Committee on Finance under Rule 38 or was serially referred under Rule 32; or
2. The bill has not yet been placed on the calendar, and the Speaker refers the bill to another committee.

In order to place a bill on the calendar for a legislative day, notice shall be given by the Chair of the Standing Committee on Rules, Calendar, and Operations of the House orally in the House or in writing to the Principal Clerk. When a committee substitute is adopted and receives a favorable report by the committee or permanent subcommittee, the standing committee or permanent subcommittee chair shall submit to the standing committee or permanent subcommittee the question of an unfavorable report on the original bill. The standing committee's or permanent subcommittee's action, if any, on the original bill shall be reported at the same time the committee substitute is reported.

(c) **Report Without Prejudice.** - When a standing committee reports a bill without prejudice, the bill shall be placed on the favorable calendar in the same manner as provided in subsection (b) of this rule.

(d) **Postponed Indefinitely.** - When a standing committee reports a bill with the recommendation that it be postponed indefinitely and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(e) **Unfavorable Report.** - When a standing committee reports a bill with the recommendation that it not be passed and no minority report accompanies it, the bill shall be placed on the unfavorable calendar.

(f) **Minority Report.** - When a bill is reported by a standing committee with a recommendation that it not be passed or that it be postponed indefinitely but it is accompanied by a minority report signed by at least one-fourth of the members of the standing committee who were present and voting when the bill was considered in standing committee, the question before the House shall be: "The adoption of the minority report."
If the minority report is adopted by majority vote, the bill shall be placed on
the favorable calendar for consideration. If the minority report fails of
adoption by a majority vote, the bill shall be placed on the unfavorable
calendar.

RULE 36.1. Fiscal Notes. - (a) The Chair or Cochair of the
Appropriations Committee, of the Finance Committee, or of the Standing
Committee on Rules, Calendar, and Operations of the House, upon the floor
of the House, may request that a fiscal analysis be made of a bill, resolution,
or an amendment to a bill or resolution which is in the possession of the
House and that a fiscal note be attached to the measure, which request shall
be allowed when, in the opinion of the Speaker, the fiscal effects of that
measure are not apparent from the language of the measure. When a request
is properly made under this subsection, the bill is removed from the
calendar until such time that the fiscal note is attached to the measure.

(b) The fiscal note shall be filed and attached to the bill or
amendment within two legislative days of the request, and a copy shall be
sent by electronic mail to each member. If it is impossible to prepare a fiscal
note within two legislative days, the Director of Fiscal Research shall, in
writing, so advise the Speaker, the Principal Clerk, the Majority Leader, the
Minority Leader, and the member introducing or proposing the measure and
shall indicate the time when the fiscal note will be ready.

(c) The fiscal note shall be prepared by the Fiscal Research
Division on a form approved by the Chair of the Standing Committee on
Rules, Calendar, and Operations of the House as to content and form and
signed by the staff member or members preparing it. If no estimate in
dollars is possible, the fiscal note shall indicate the reasons that no estimate
is provided. The fiscal note shall not comment on the merit but may identify
technical problems. The Fiscal Research Division shall make the fiscal note
available to the membership of the House.

(d) A sponsor of a bill or amendment may deliver a copy of
the bill or amendment to the Fiscal Research Division for the preparation of
a fiscal note. The sponsor shall attach the fiscal note to the bill when filed or
to the amendment when its adoption is moved.

(e) The sponsor of a bill or amendment to which a fiscal note
is attached who objects to the estimates and information provided may
reduce to writing the objections. These objections shall be appended to the
fiscal note attached to the bill or amendment and to the copies of the fiscal
note available to the membership.

(f) Subsection (a) of this rule shall not apply to the Current
Operations Appropriations Bill or the Capital Improvement Appropriations
Bill. This rule shall not apply to a bill or amendment requiring an actuarial
note under these rules.
RULE 36.2. Actuarial Notes. - (a) Every bill or resolution proposing any change in the law relative to any:
   (1) State, municipal, or other retirement system funded in whole or in part out of public funds; or
   (2) Program of hospital, medical, disability, or related benefits provided for teachers and State employees, funded in whole or in part by State funds;
shall have attached to it at the time of its consideration by any standing committee or permanent subcommittee a brief explanatory statement or note which shall include a reliable estimate of the financial and actuarial effect of the proposed change to that retirement or pension system. The actuarial note shall be attached to the jacket of each proposed bill or resolution which is reported favorably by any standing committee or any permanent sub-committee, shall be separate therefrom, and shall be clearly designated as an actuarial note. A bill described in subdivision (a)(1) of this rule shall be referred to the Committee on State Personnel upon its introduction in accordance with G.S. 120-111.3.
(b) The sponsor of the bill or resolution shall present a copy of the measure, with a request for an actuarial note, to the Fiscal Research Division, which shall prepare the actuarial note as promptly as possible but not later than two weeks after the request is made, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. Actuarial notes shall be prepared in the order of receipt of request and shall be transmitted to the sponsor of the measure. The actuarial note of the Fiscal Research Division shall be prepared and signed by an actuary.
(c) The sponsor of the bill or resolution shall also present a copy of the measure to the actuary employed by the system or program affected by the measure. Actuarial notes shall be prepared and transmitted to the sponsor of the measure not later than two weeks after the request is received, unless an extension of time is agreed to by the sponsor as being necessary in the preparation of the note. The actuarial note shall be attached to the jacket of the measure. The provisions of this subsection may be waived by the measure's sponsor for a measure affecting local government retirement or pension plans not administered by the State or any local government program of hospital, medical, disability, or related benefits for local government employees not administered by the State.
(d) The note shall be factual and shall, if possible, provide a reliable estimate of both the immediate effect and, if determinable, the long-range fiscal and actuarial effect of the measure. If, after careful investigation, it is determined that no dollar estimate is possible, the note shall contain a statement to that effect, setting forth the reasons why no dollar estimate can be given. No comment or opinion shall be included in the actuarial note with regard to the merits of the measure for which the note is prepared. Technical and mechanical defects in the measure may be noted.
(e) When any permanent subcommittee or standing committee reports a measure to which an actuarial note is attached at the time of permanent subcommittee or standing committee consideration, with any amendment of such nature as would substantially affect the cost to or the revenues of any retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, the chair of the permanent subcommittee or standing committee reporting the measure shall obtain from the Fiscal Research Division an actuarial note of the fiscal and actuarial effect of the proposed amendment. The actuarial note shall be attached to the jacket of the measure. An amendment to any bill or resolution shall not be in order if the amendment affects the costs to or the revenues of a State-administered retirement or pension system, or program of hospital, medical, disability, or related benefits for teachers or State employees, unless the amendment is accompanied by an actuarial note, prepared by the Fiscal Research Division, as to the actuarial effect of the amendment.

(f) The Fiscal Research Division shall make all relevant actuarial notes available to the membership of the House.

RULE 36.3. Local Legislation Affecting State Highway System. - A local bill affecting the State Highway System shall be referred to the Committee on Transportation.

RULE 36.4. Content of Appropriations Bills. - No provision shall be contained in any of the following bills unless it pertains to the appropriation of money or the raising or reducing of revenue: (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement Appropriations Bill; (iii) any bill generally revising appropriations for the second fiscal year of a biennium. If a point of order is made against such a provision and is sustained, the presiding officer shall refer the bill to the committee from which it came, with instructions for the chair of the committee to immediately report out a substitute or amendment removing the offending provision.

RULE 37. Removing Bill From Unfavorable Calendar. - A bill may be removed from the unfavorable calendar upon motion carried by a two-thirds vote. A motion to remove a bill from the unfavorable calendar is debatable.

RULE 38. Reports on Appropriation and Revenue Bills. - (a) All standing committees, other than the Standing Committees on Appropriations, when favorably reporting any bill or resolution which:

(1) Carries an appropriation from the State; or
(2) Requires or will require in the future substantial additional State monies from the General Fund or Highway Fund to implement its provisions shall indicate same in the report, and said bill or resolution shall be referred to the Standing Committees on Appropriations for a further report before being acted upon by the House.
(b) All standing committees, other than the Standing Committee on Finance, when favorably reporting any bill which in any way or manner raises revenue, reduces revenue, levies a tax, authorizes the levying of a tax, an assessment, or a fee, or authorizes the issue of bonds or notes, whether public or local, shall indicate same in the report, and said bill shall be referred to the Standing Committee on Finance for a further report before being acted upon by the House. This subsection shall not apply to bills only imposing fines, forfeitures, or penalties.

(c) Action on Amendment Before Re-Referral. - If any standing committee recommends adoption of an amendment or committee substitute of a bill which, under the rules of the House, must be referred to the Standing Committees on Appropriations or the Standing Committee on Finance, the amendment or committee substitute shall be considered and, if adopted, the amendment or substitute engrossed before the bill is re-referred.

RULE 39. Discharge Petition. - (a) A motion to discharge a committee from consideration of a bill may be filed with the Principal Clerk by a primary sponsor of that measure if accompanied by a petition asking that the committee be discharged from further consideration of the bill. No motion may be filed until 10 legislative days after the bill has been referred to the committee. No petition may be filed until notice has been given on the floor of the House that the petition is to be filed and the primary sponsor giving notice has obtained a fiscal note from the Fiscal Research Division on the bill, which note shall be attached to the petition. Members may sign the petition only in the office of the Principal Clerk, and when the signatures of 61 members appear on the petition, the Principal Clerk shall place that motion on the calendar for the next legislative day as a special order of business. Members may withdraw their names at any time until 61 names appear. If the motion is adopted by the House, then the committee to which the bill or resolution has been referred is discharged from further consideration of the bill, and that bill is placed on the calendar for the next legislative day as a special order of business. The Principal Clerk shall provide a form for discharge petitions.

(b) This rule shall not be temporarily suspended without one day's notice on the motion given in the House and delivered in writing to the chair of the standing committee, and to sustain that motion two-thirds of the members shall be required.

RULE 39.2. Re-Referral of Bills From One Standing Committee to Another Standing Committee. - Upon consent of the sponsor of the bill, the Speaker, the chair of the standing committee from whom the bill is to be re-referred, and the chair of the standing committee to whom the bill is to be re-referred, the chair of the standing committee from whom the bill is to be re-referred, or the Chair of the Standing Committee on Rules, Calendar, and Operations of the House may move for a re-referral to another standing committee, and the bill shall be re-referred upon vote of the majority present during a regular session of the House.
RULE 40. Calendars and Schedules of Business. - The Clerk of the House shall prepare a daily schedule of business, including the Calendar of Bills and Resolutions for consideration and debate that day, in accordance with the Order of Business of the Day (Rule 5). The Clerk shall number all bills and resolutions in the order in which they are introduced. All bills and resolutions shall be taken up as they appear in each category (Rule 5(10)). Except by leave of the House, the Speaker shall not vary from the order.

RULE 41. Reading of Bills. - (a) Every bill shall receive three readings in the House prior to its passage. The first reading and reference to standing committee of a House bill shall occur on the next legislative day following its introduction. The first reading and reference to standing committee of a Senate bill shall occur on the next legislative day following its receipt on messages from the Senate. The Speaker shall give notice at each subsequent reading whether it is the second or third reading.

(b) No bill shall be read more than once on the same day without the concurrence of two-thirds of the members present and voting; provided, no bill governed by Section 23 of Article II of the North Carolina Constitution herein shall be read twice on one day under any circumstance.

RULE 42. Effect of a Defeated Bill. - (a) Subject to the provisions of subsection (b) of this rule, after a bill has:

1. Been tabled,
2. Been postponed indefinitely,
3. Failed to pass on any of its readings, or
4. Been placed on the unfavorable calendar,
the contents of that bill or the principal provisions of its subject matter shall not be considered in any other measure originating in the Senate or originating thereafter in the House. Upon the point of order being raised and sustained by the chair, that measure shall be laid upon the table, and shall not be taken therefrom except by a two-thirds vote of the members present and voting.

(b) No local bill shall be held by the chair to embody the contents of or the principal provisions of the subject matter of any statewide measure which has been laid on the table, has failed to pass on any of its readings, or has been placed on the unfavorable calendar.

RULE 43. Amendments. - (a) No amendment to a measure before the House shall be in order unless the amendment is germane to the measure under consideration. A House amendment deleting a previously adopted House amendment shall not be in order, except that this sentence does not apply to amendments adopted under Rule 38(c). No amendment that is clearly unconstitutional shall be in order.
Only one principal (first degree) amendment shall be pending at any one time. If a subsequent or substitute principal amendment shall be offered, the Speaker shall rule it out of order. However, any member desiring to offer a subsequent or substitute principal amendment in opposition to the pending amendment may inform the House by way of argument against the pending amendment that if it is defeated the member proposes to offer another principal amendment, and the member may then read and explain such proposed amendment.

Perfecting (or second degree) amendments may be offered and considered without limitation as to number, and in the event of multiple perfecting amendments, they shall be voted upon in inverse order.

(b) The following rules apply when considering: (i) the Current Operations Appropriations Bill; (ii) the Capital Improvement Appropriations Bill; (iii) any bill generally revising appropriations for the second fiscal year of a biennium:

1. Amendments cannot increase total spending within a subcommittee area beyond the total for that subcommittee as shown in the committee report.
2. Amendments can only affect appropriations within the departments, agencies, or programs within the jurisdiction of the subcommittee.
3. Amendments cannot increase total spending, from any source, beyond the total amount shown in the committee report.
4. Amendments that cause the budget to be unbalanced are not in order.
5. Amendments cannot spend reversions.
6. Amendments cannot make nonrecurring reductions to fund recurring items.

RULE 43.1. **Engrossment.** - Bills and resolutions, except those making appropriations, which originate in the House and which are amended, shall be engrossed before being sent to the Senate.

RULE 43.2. **House Concurrence in Senate Amendments to House Bills.** - When the House receives a Senate amendment to a bill originating in the House, it shall be placed on the calendar in accordance with Rule 36(b).

RULE 43.3. **Committee Substitutes Adopted by the Senate to Bills Originating in the House; Procedure for Treatment of Material Amendments Thereto.** - (a) Whenever the Senate has adopted a committee substitute for a bill originating in the House and has returned the bill to the House for concurrence in that committee substitute, it shall be placed on the calendar in accordance with Rule 36(b).
(b) The Speaker shall rule whether the committee substitute is a material amendment under Section 23 of Article II of the North Carolina Constitution which reads:

"Revenue bills. - No law shall be enacted to raise money on the credit of the State, or to pledge the faith of the State directly or indirectly for the payment of any debt, or to impose any tax upon the people of the State, or to allow the counties, cities, or towns to do so, unless the bill for the purpose shall have been read three several times in each house of the General Assembly and passed three several readings, which readings shall have been on three different days, and shall have been agreed to by each house respectively, and unless the yeas and nays on the second and third readings of the bill shall have been entered on the journal."

If the committee substitute was referred to standing committee, the standing committee shall:

(1) Report the bill with the recommendation either that the House do concur or that the House do not concur; and

(2) Advise the Speaker as to whether or not that committee substitute is a material amendment under Article II, Section 23 of the North Carolina Constitution.

(c) If the committee substitute for a bill is not a material amendment, the question before the House shall be concurrence.

(d) If the committee substitute for a bill is a material amendment, the receiving of that bill on messages shall constitute first reading, and the question before the House shall be concurrence on second reading. If the motion is passed, the question then shall be concurrence on third reading on the next legislative day.

(e) No committee substitute adopted by the Senate for a bill originating in the House may be amended by the House.

RULE 44. Conference Standing Committees. - (a) Whenever the House shall decline or refuse to concur in amendments put by the Senate to a bill originating in the House, or shall refuse to concur in a substitute adopted by the Senate for a bill originating in the House, or whenever the Senate shall decline or refuse to concur in amendments put by the House to a bill originating in the Senate, or shall refuse to concur in a substitute adopted by the House for a bill originating in the Senate, a conference committee may be appointed by the Speaker upon the Speaker's own motion and shall be appointed upon request by the principal sponsor of the original bill, the chair of the House standing committee which reported the bill, or the sponsor of the amendment in which the Senate refused to concur; and the bill under consideration shall thereupon go to and be considered by the joint conferees on the part of the House and Senate. In appointing members to conference committees, the Speaker shall appoint no less than a majority of members who generally supported the House position as determined by the Speaker.
The conference report may be made by a majority of the House members of such conference committee and shall not be amended. If the Senate has a similar rule, only such matters as are in difference between the two houses shall be considered by the conferees, and the conference report shall deal only with such matters. If the Senate does not have a similar rule, a conference committee report which includes significant matters that were not in difference between the houses, shall be referred to a standing committee for its recommendation before further action by the House.

If the conferees fail to agree or if either house fails to adopt the report of its conferees, new conferees may be appointed.

No vote shall be taken on adoption of a conference report until the next legislative day following the report, except that no vote shall be taken on adoption of a conference report on either the Current Operations Appropriations Bill or a bill generally revising the Current Operations Appropriations Act until the second legislative day following the report.

RULE 44.1. Transmittal of Bills to Senate. - Unless ordered by the Speaker or two-thirds vote of the members present and voting, no bill shall be sent from the House on the day of its passage, except on the last day of the session.

H.R. 63, A HOUSE RESOLUTION EXPRESSING SUPPORT FOR THE PRESERVATION AND DEFENSE OF THE CONSTITUTIONS OF THE UNITED STATES AND THE STATE OF NORTH CAROLINA.

Whereas, the Second Amendment to the Constitution of the United States provides: "A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms shall not be infringed"; and
Whereas, Section 30 of Article I of the Constitution of the State of North Carolina provides: "A well regulated militia being necessary to the security of a free State, the right of the people to keep and bear arms shall not be infringed; and, as standing armies in time of peace are dangerous to liberty, they shall not be maintained, and the military shall be kept under strict subordination to, and governed by, the civil power. Nothing herein shall justify the practice of carrying concealed weapons, or prevent the General Assembly from enacting penal statutes against that practice"; and

Whereas, the United States Supreme Court in recent years has twice upheld the Second Amendment as applying to an individual's right to keep and bear arms in District of Columbia v. Heller, 128 S. Ct. 2783 (2008), and McDonald v. City of Chicago, 130 S. Ct. 3020 (2010); and

Whereas, the President and Vice President of the United States, as well as members of Congress, have proposed adopting laws, regulations, or actions that would have the effect of infringing on the right of Americans to keep and bear arms; and

Whereas, in the past, reasons offered in support of these infringements such as registering guns, banning certain kinds of weapons and accessories, requiring extreme background checks, and restricting concealed carry permits have not been shown by the substantial weight of scientific evidence to have been effective in accomplishing the stated objectives of such restrictions as compelling necessities for government action to protect the public safety; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives expresses support of the constitutional right of the people of this State to keep and bear arms and opposes any infringement by the federal government of the right of the people of this State to keep and bear arms.

SECTION 2. The Principal Clerk shall transmit a certified copy of this resolution to each member of North Carolina's congressional delegation.

SECTION 3. This resolution is effective upon adoption.

H.R. 80, A HOUSE RESOLUTION TO ESTABLISH THE PROCEDURE FOR NOMINATING AND ELECTING A PERSON TO FILL ONE VACANCY CREATED BY A RESIGNATION ON THE BOARD OF GOVERNORS OF THE UNIVERSITY OF NORTH CAROLINA.

It is the duty of the UNC Board of Governors Nominations Committee (hereinafter the "Committee") to conduct a process for nominating and electing persons for each vacancy in the elected membership of the Board of Governors that was created by a vacating member who was originally elected by the House of Representatives.

2. The Committee shall receive nominations from 12:00 noon on Monday, February 18, 2013, through 12:00 noon on Tuesday, February 19, 2013, to elect one person to fill one vacancy on the Board of Governors for a partial term ending June 30, 2015. 3. Notwithstanding G.S. 138A-22, every person who has been formally nominated shall file a completed North Carolina State Ethics Commission Statement of Economic Interest with the North Carolina State Ethics Commission. In order for a nomination to be complete and eligible for consideration, the Statement of Economic Interest must be received by the North Carolina State Ethics Commission no later than 12:00 noon on Tuesday, February 19, 2013.

4. On or after February 20, 2013, the Committee shall list all proposed nominees. The Committee shall screen the nominees as to their qualifications, experience, and statutory suitability.    (a) To qualify for the slate, a nominee must receive the votes of a majority of all members of the Committee present and voting.

   (b) Each member of the Committee present and voting shall vote for two nominees for the slate if there are a sufficient number of nominees.

   (d) If fewer than two nominees receive the votes of a majority of all members present and voting, a runoff to fill the slate shall be
conducted among the nominees who received the highest numbers of votes cast; and the number of nominees eligible to be voted on in the runoff shall be twice the number of vacant slate positions if there are a sufficient number of nominees.

(e) If there is a tie for the vacant slate positions between nominees, all of the tied nominees shall be included in the next runoff balloting, even though there would be more than twice the number of nominees per vacant position.

5. Each nominee shall confirm his or her willingness to serve if elected. Any nominee may withdraw without the approval of the sponsor.

(d) If there is a tie for the vacant position between the two nominees, a runoff to fill the vacant position shall be conducted until a nominee receives the votes of a majority of all members present and voting.

4. The members of the House of Representatives shall proceed to mark their ballots for one person to fill the vacant position for a partial term ending June 30, 2015. Every ballot shall be signed by the member of the House of Representatives casting it, and no unsigned ballots shall be counted.

5. The Chair of the Committee is responsible for canvassing the vote and declaring the results and may designate members of the Committee to assist. All ballots shall be retained by the House Principal Clerk as part of the permanent records of the House of Representatives and shall be open for immediate public inspection upon adjournment of that day's session.
6. When the Chair of the Committee has determined that the House of Representatives has chosen one person to fill the vacant position and serve as a member of the Board of Governors for a partial term ending June 30, 2015, the Speaker of the House of Representatives shall entertain a motion of the election of this person to the indicated position and the indicated term. The vote shall then be called electronically. Whereas, the March of Dimes Foundation is a pioneer in improving the health of infants and women of childbearing age by preventing birth defects, premature birth, and infant mortality; and

Whereas, the March of Dimes was founded by President Franklin D. Roosevelt in 1938 to fight polio, and funded the development of two vaccines, still in use today, that virtually eliminated the crippling disease; and

Whereas, the March of Dimes, in 1958, having achieved its initial mission, shifted its attention from polio to the prevention of birth defects and, through federal and state advocacy, led the way in establishing a nationwide network of birth defects monitoring programs and research centers; and

Whereas, the March of Dimes has undertaken decades of groundbreaking research in maternal and child health, which has led to the discovery of lifesaving products and tests such as surfactant therapy for premature infants and tests to identify life-threatening birth defects; and

Whereas, the March of Dimes was a pioneer in the support of newborn screening, urging Congress to pass and fund the Newborn Screening Saves Lives Act, which in 2008 established national guidelines on the conditions states should include in newborn programs, and through state advocacy ensured that every state screens all newborns for that core set of conditions; and

Whereas, the March of Dimes is a long-time advocate for access to health care for women of childbearing age, infants, children, and families, ensuring they have access to private and public health coverage under
private coverage, the State Children's Health Insurance Program, Medicaid, Title V Block Grant, and the Affordable Care Act; and

Whereas, the March of Dimes in 2003 launched the Prematurity Campaign to address the crisis of premature birth and help families have full-term healthy babies and authored the Premature Research Expansion and Education Act for Mothers (PREEMIE) Act, which Congress enacted in 2006 to expand research, education, and services to fight premature births; and

Whereas, the March of Dimes and its volunteers continue to advocate for national and state health policies and programs that affect women of childbearing age, infants, children, and families; Now, therefore, Be it resolved by the House of Representatives:

H.R. 206, A HOUSE RESOLUTION HONORING THE MEMORY OF UNITED STATES SENATOR KEY PITTMAN AND REPRESENTATIVE ABSALOM WILLIS ROBERTSON, WHILE COMMEMORATING THE SEVENTY-FIFTH ANNIVERSARY OF THE WILDLIFE AND SPORT FISH RESTORATION PROGRAMS.

Whereas, more than a century ago, hunters, anglers, and trappers were among the first conservationists who realized America's natural resources were in peril and could not sustain unregulated harvest and habitat destruction; and

Whereas, hunters, anglers, and trappers took it upon themselves to support laws that stopped excessive harvest of fish and wildlife, established game and fish agencies to protect fish, wildlife, and their habitats, and supported special fishing and hunting license fees to help fund the new agencies' efforts to provide for healthy natural resources for future generations; and

Whereas, the members of the House of Representatives then and now recognize that the primary authority to protect and manage fish and resident wildlife within their borders resides in the state fish and wildlife agencies; and
Whereas, upon realizing that license fees alone were insufficient to restore and sustain healthy fish and wildlife populations, hunters, anglers, and trappers supported excise taxes on firearms, ammunition, archery equipment, hunting equipment, and fishing equipment to raise additional funds to support restoration and enhancement efforts of the state agencies; and

Whereas, this user pay-public benefit system became known as the Wildlife and Sport Fish Restoration Program that began 75 years ago with the passage of the Federal Aid in Wildlife Restoration Act in 1937, which was known as the Pittman-Robertson Act after its principal sponsors, Senator Key Pittman of Nevada and Representative Absalom Willis Robertson of Virginia; and

Whereas, the Pittman-Robertson Act was then bolstered with the passage of the Federal Aid in Sport Fish Restoration Act in 1950 and further expanded with the Wallop-Breaux amendment to the Sport Fish Restoration Act in 1984; and

Whereas, the combined contribution of the Wildlife and Sport Fish Restoration Programs to state fish and wildlife agencies exceeds $13 billion since 1939 (the first year that money was distributed to the states), more than any other single conservation effort in American history, which constitutes, collectively, the American System of Conservation Funding; and

Whereas, the manufacturers of firearms, ammunition, hunting, fishing, and boating equipment have collected excise taxes on firearms, ammunition, archery equipment, manufactured fishing tackle, electric trolling motors, marine electronics, and motorboat fuel and distributed these funds to the states through the United States Fish and Wildlife Service; and

Whereas, the manufacturers of firearms, ammunition, hunting, fishing, and boating equipment have supported the Wildlife and Sport Fish Restoration Programs and continue to exhibit a spirit of cooperation with the state fish and wildlife agencies; and

Whereas, this cooperative partnership between industry, hunters, anglers, trappers, boaters, recreational shooters, the United States Fish and Wildlife Service, and state natural resource agencies has resulted in the most successful model of fish and wildlife management in the world, restoring populations from coast to coast, in Alaska, and in Hawaii; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives honors the memory of United States Senator Key Pittman of Nevada and Representative Absalom Willis Robertson of Virginia and expresses its appreciation for the public service they rendered.

SECTION 2. The House of Representatives recognizes America's hunters, anglers, trappers, boaters, recreational shooters, industry, state fish and wildlife agencies, and the United States Fish and Wildlife Service for their leading role in restoring healthy populations of fish, wildlife, and other...
natural resources, both game and nongame, to the abundance we see today through the Wildlife and Sport Fish Restoration Programs, in this the 75th anniversary year of America's greatest conservation story, supported by the American System of Conservation Funding.

SECTION 3. The Principal Clerk shall transmit certified copies of this resolution to the North Carolina Department of Environment and Natural Resources and to North Carolina's congressional delegation.

SECTION 4. This resolution is effective upon adoption.

H.R. 303, A HOUSE RESOLUTION HONORING THE MEMORY OF UNITED STATES MARINE CORPS OFFICERS, COLONELS RICHARD B. NEWPORT AND DEAN WILKER; LIEUTENANT COLONELS ERNEST J. ANDERSON, GEORGE J. ERTLMEIER, HOWARD GRESS, JAMES E. MAY, DOUGLAS A. MCCAU GHEY, JAMES D. ROBERTSON, AND CLARENCE E. SMITH; MAJORS THOMAS NALLE AND KENNETH H. STOVER; CAPTAINS MARX H. BRANUM, STEPHEN J. PERLIN, HERMAN SMITH, AND ROBERT F. WARREN; FIRST LIEUTENANTS ROBERT J. LYONS AND ROBERT WILLIAMS; SECOND LIEUTENANT DONALD MARLOWE; AND WARRANT OFFICER 4 BILLY E. PERRY; AND UNITED STATES AIR FORCE COLONEL JAMES H. WESTBERRY FOR THEIR SERVICE TO THE UNITED STATES MILITARY AND TO THE MARINE ALL-WEATHER FIGHTER SQUADRON THREE ONE TWO.

Whereas, 50 years ago, the United States Marine Corps determined that Lieutenant Colonel Dean Wilker, and later Lieutenant Colonel Richard B. Newport, would organize and deploy Marine All-Weather Fighter Squadron Three One Two (VMF (AW)-312) from Marine Corps Air Station El Toro, California, to the Fleet Marine Forces Pacific; and
Whereas, Lieutenant Colonel Newport, a Korean War veteran, began an 18-month process to prepare the VMF (AW)-312 "Checkerboards" for combat. Majors Ernest J. Anderson, George J. Ertlmeier, Howard Gress, and James E. May were assigned as the principal staff officers; and
Whereas, the first six months of preparation involved joining and detaching officers and enlisted to reach organizational standards. The next year was devoted to training for air-to-air combat operations in all-weather conditions both day and night, air-to-ground weapons delivery in support of Marine ground troops, strafing and air-to-air gunnery, aerial refueling, day and night carrier operations, and amphibious embarkation to enable the squadron to deploy rapidly wherever it was needed; and

Whereas, as these Marines were deployed for a routine 13-month unaccompanied combat tour, their families had to learn how to adjust to their absence; and

Whereas, on January 1, 1965, the Checkerboards began to deploy from Marine Corps Air Station El Toro to Marine Corps Air Station Atsugi, Japan, and, upon arrival, accepted 21 F8U-1E "Crusader" aircraft; and

Whereas, the Crusader was a single engine, single pilot, supersonic, all-weather fighter plane. Every pilot in the squadron had flown the Crusader at 1,000 miles per hour in level flight. The F8s and their pilots were called "The Last of the Gunfighters" because the cockpit of their planes sat over four internal 20mm cannons; and

Whereas, halfway through its tour, on June 26, 1965, the squadron relocated to Marine Corps Air Station Iwakuni, Japan, and joined two pilots; and

Whereas, on December 19, 1965, the squadron was ordered to introduce the first F8s into the First Corps Area of the Republic of Vietnam. The squadron joined Marine Aircraft Group Eleven of the First Marine Aircraft Wing at Danang, Republic of Vietnam, with 21 officers, 175 enlisted, and 18 F8s. This was a milestone event as the Marine air-ground team now had their best single engine fighter in the country supporting Marine ground troops while another Marine All-Weather Fighter Squadron, VMF (AW)-212, was flying sorties over North Vietnam from the aircraft carrier Oriskany; and

Whereas, while at Danang, the Checkerboards flew 718 combat sorties. On January 31, 1966, the squadron completed its tour and was disbanded. The officers and men returned to military and civilian lives and their aircrafts were reassigned to Marine Fighter Squadron Two Three Five, VMF (AW)-235. The squadron color was delivered to Marine Corps Air Station Beaufort, South Carolina, and the squadron was reactivated as Marine Fighter Attack Squadron Three One Two (VMFA-312); Now, therefore, Be it resolved by the House of Representatives:

Whereas, on October 23, 1896, China Grove became the first town in North Carolina and the second in the United States to offer free rural delivery mail; and

Whereas, China Grove has a rich textile history; the former China Grove Roller Mill, which operated from 1885 to 1995, is listed on the National Register of Historic Places and currently serves as an agricultural museum open to the public; and

Whereas, China Grove is a business friendly community that still retains the warmth and charm of a small town; and

Whereas, China Grove's 125th anniversary is worthy of celebration by all North Carolinians; Now, therefore,
Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives honors the founders of the Town of China Grove and joins with its citizens in celebrating the Town's 125th anniversary.

H.R. 1019, A HOUSE RESOLUTION HONORING THE FOUNDERS OF BETHESDA PRESBYTERIAN CHURCH DURING THE CHURCH’S TWO HUNDRED TWENTY-FIFTH ANNIVERSARY.

Whereas, Bethesda Presbyterian Church, located in southern Moore County, North Carolina, was instrumental in the development of the community and the only church to serve the community for the first 100 years of its existence; and

Whereas, in 1756, the Synod of Philadelphia sent the Reverend James Campbell, a Gaelic preacher, to serve the Highland Scots who had settled in the area of the lower Cape Fear Basin, beginning a tradition of establishing different preaching points throughout the region; and

Whereas, the first settlers gathered under brush arbors at the head of the Rockfish Creek, and a regular community of worshippers was established; and

Whereas, in 1788, the first solid structure was built on property that had been deeded to James Patterson by King George of England in 1766; and

Whereas, in 1832, a second building was built adjacent to the Pee Dee Road, a major roadway for the area’s commercial trade in the community now known as Blue’s Crossing; and

Whereas, in 1862, a third building was built on the same property, with a gallery for slaves and separate entrances for men and women, even in the midst of the hardship and strife of a Civil War; and

Whereas, in 1907, a fourth building was built in the town proper, by now renamed Aberdeen, so that the worshippers could have access to electricity and be in a location more centrally located to its parishioners; and

Whereas, in 1923, the members decided to institute the tradition of an annual homecoming at the previous location in order to preserve the history and structure of the old church building; and

Whereas, in 1972, a fifth building was built on U.S. Hwy 1, allowing the church to continue serving the community in the best way possible; and

Whereas, in 2013, Bethesda Presbyterian Church has survived and served for 225 years and deserves recognition; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives honors the founders of the Bethesda Presbyterian Church for their dedication and contributions to the rich cultural heritage and support of the community.
SECTION 2. The House of Representatives applauds the congregation of Bethesda Presbyterian Church for their continuous service to the community and contributions to the cultural and religious heritage of the State of North Carolina.

SECTION 3. The Principal Clerk shall transmit a certified copy of this resolution to the Reverend Jonathan Wallace, Pastor of Bethesda Presbyterian Church.

SECTION 4. This resolution is effective upon adoption.

H.R. 1020, A HOUSE RESOLUTION HONORING THE LIFE AND MEMORY OF TONEY CLAYTON SUMMEY.

Whereas, Toney Clayton Summey was born on May 4, 1961, in Davidson County, North Carolina, to Clayton and Lois Summey; and

Whereas, Toney Clayton Summey attended Fairgrove Elementary School in Davidson County and graduated from East Davidson High School in 1979; and

Whereas, Toney Clayton Summey and Dena Tucker were joined in matrimony at Grubs Grove Baptist Church in Denton, North Carolina, on September 4, 1980; and

Whereas, Toney Clayton Summey had two children, Megan Summey born on January 13, 1986, and Andrew Summey born on November 18, 1989; and

Whereas, Toney Clayton Summey had a lifelong dream to be a law enforcement officer; and

Whereas, Toney Clayton Summey continued to work a full-time job as a truck driver while attending Basic Law Enforcement Training at night; and

Whereas, Toney Clayton Summey completed Basic Law Enforcement Training and was sworn in as a Deputy Sheriff for the Randolph County Sheriff's Office on July 20, 1999; and

Whereas, Toney Clayton Summey became a valued member of the Sheriff's Office and gained a reputation as a trusted and respected law enforcement officer; and

Whereas, on April 27, 2003, Toney Clayton Summey received a call to investigate a domestic violence complaint and execute a warrant for arrest for a suspect in that case; and

Whereas, while executing his sworn duties and during the course of that investigation, Toney Clayton Summey died after being shot by the suspect; Now, therefore,

Be it resolved by the House of Representatives:
SECTION 1. The House of Representatives honors the life of Toney Clayton Summey and expresses its appreciation for the service he rendered his community, State, and nation by giving the greatest sacrifice of all.

SECTION 2. The House of Representatives extends its deepest sympathy to the family of Toney Clayton Summey on this the 10th anniversary of his death.

SECTION 3. The Principal Clerk shall transmit a certified copy of this resolution to the family of Toney Clayton Summey.

SECTION 4. This resolution is effective upon adoption.

H.R. 1021, A HOUSE RESOLUTION RECOGNIZING NORTH CAROLINA’S 2013 ALL-AMERICA CITY AWARD HONOREES.

Whereas, the All-America City Award program was founded in 1949 to recognize cities for their civic achievements; and

Whereas, to be named an All-America City, a community must demonstrate innovation, inclusiveness, civic engagement, and cross-sector collaboration by describing successful efforts to address pressing local challenges and must briefly tell its community's story, listing two of their most pressing challenges and three outstanding community projects; and

Whereas, on June 16, 2013, the Towns of Dunn and Garner were named two of the 10 communities across the country to win the All-America City Award, which is often called the Nobel Prize of civic accomplishment; and

Whereas, the Town of Dunn, located in Harnett County, was incorporated by the General Assembly in 1887 and named for Bennett R. Dunn, construction engineer for the Atlantic Coast Line Railroad; and

Whereas, Dunn's outstanding community projects for the All-America City Award included the involvement of the Town's civic leaders in the planning, negotiation, and financial investment in the development of the new 50-bed Central Harnett Hospital; the revitalization of the Town's City Center, which includes the burial of power lines and telecommunication cables, renovation of the aged water and sewer system, replacement of the pavement, incorporation of attractive brick and cement features, and grants to downtown businesses to update their facades; and the development of the Dunn Police Athletic/Activities League (PAL), which annually offers various programs from athletics to SAT/ACT test preparation to up to 300 young people ages six to 18 and offers teens the opportunity to join the PAL Youth Leadership Council, which promotes volunteerism, public service, and an understanding of civics and government; and
Whereas, the Town of Garner, located in Wake County, was reincorporated by the General Assembly in 1905 and named for H. C. Garner, the Town's founder; and

Whereas, Garner's three best projects for the All-America City Award included the new $500,000 Garner Veterans Memorial at Lake Benson Park that features pillars with the names of 67 Garner-area veterans who made the ultimate sacrifice while serving our country and the artwork of world-famous Raleigh-based sculptor Thomas Sayre; the First Baptist Church's Community of Hope Ministries which collaborates with six Garner-area elementary schools to identify at-risk students to provide support for these students and their families through a number of programs, including an after-school program and food pantry; and the Garner Performing Arts Center, which is housed in a salvaged school and is the location for a community theater group, a summer theater camp program that reaches 120 campers annually, and other cultural programs such as the Broadway Voices series, a public-private partnership that brings some of Broadway's biggest shows to the local stage; Now, therefore,

Be it resolved by the House of Representatives:

SECTION 1. The House of Representatives recognizes the Towns of Dunn and Garner on each being named a 2013 All-America City, and applauds the citizens of these Towns for their efforts in helping to make their Towns worthy of receiving this prestigious award.

SECTION 2. The House of Representatives honors the memory of the founders and early leaders of the Towns of Dunn and Garner for their contributions to these Towns.

SECTION 3. The Principal Clerk shall transmit a certified copy of this resolution to the Mayors of the Towns of Dunn and Garner.

SECTION 4. This resolution is effective upon adoption.

H.R. 1022, A HOUSE RESOLUTION TO AMEND THE PERMANENT RULES OF THE HOUSE CONCERNING OFFICE ASSIGNMENTS.

Be it resolved by the House of Representatives:

SECTION 1. House Resolution 54, Rule 61.1 of the permanent rules of the Regular Session of the House of Representatives of the 2013 General Assembly reads as rewritten:

"RULE 61.1. Office Assignments. - (a) The Chair of the Standing Committee on Rules, Calendar, and Operations of the House shall assign to each member an office space. SECTION 2. This resolution is effective upon adoption.

INDEX GUIDE

The North Carolina General Statutes titles form the basis for these indices. Following each bill title, the last action or the present status of said bill is indicated. For example, a ratified bill will be followed by its chapter number in the Session Laws. Bills included in whole or in part in other measures are reflected as such, if known.

All bills dealing with funds are indexed under Appropriations. Local legislation is placed under the county it affects.

A list of bills and resolutions introduced by each Representative is found under the Member's name with an asterisk (*) noting that person as the primary sponsor.
