5 The General Assembly of North Carolina do enact:
6

7 **Section 1.** There is hereby appropriated to the State Board of Education, in addition
8 to all other appropriations, from the General Fund of the State the sum of six hundred and fifty
9 thousand dollars (\$650,000.00) for the 1969-71 biennium to provide financial assistance to
10 hospital programs of nursing education leading to diplomas in nursing. Any of these funds not
11 expended by the Board during the fiscal year ending June 30, 1970, shall be available to the
12 Board for expenditure for this purpose during the fiscal year ending June 30, 1971. To qualify
13 for financial assistance under this Act a program must be conducted by an educational unit in
14 nursing which is fully accredited by the North Carolina Board of Nursing and which is operated
15 under the authority of a public or non-profit hospital licensed by the North Carolina Medical
16 Care Commission. The State Board of Education each year of the biennium shall distribute
17 sums to eligible educational units in nursing or hospitals, upon their application for financial
18 assistance, on the basis of two hundred dollars (\$200.00) for each student duly enrolled in the
19 program as of December 1 of the preceding year and on the condition that accreditation is
20 maintained. The Board may make such reasonable rules and regulations as are necessary to
21 carry out the provisions of this Act and to insure that this financial assistance is used directly
22 for the operation and maintenance of diploma nursing programs and not for religious or other
23 non-public purposes.

24 **Sec. 2.** These funds are to be appropriated in addition to any other funds that are
25 provided for this program.

26 **Sec. 3.** All laws and clauses of laws in conflict with this Act are hereby repealed.

27 **Sec. 4.** This Act shall become effective on July 1, 1969.

28 In the General Assembly read three times and ratified, this the 30th day of June,
29 1969.
