

NORTH CAROLINA GENERAL ASSEMBLY  
1969 SESSION

CHAPTER 693  
HOUSE BILL 810

1 AN ACT AMENDING PART 9, ARTICLE 34 OF CHAPTER 106 SO AS TO INCLUDE  
2 POULTRY IN CERTAIN STATUTES PERTAINING TO THE CONTROL OF ANIMAL  
3 DISEASES.

4  
5 The General Assembly of North Carolina do enact:

6  
7       **Section 1.** A new section is hereby added immediately after G.S. 106-401 to read as  
8 follows:

9       **"G.S. 106-401.1.** The State Veterinarian, or his authorized representative, is hereby authorized  
10 to go upon or enter any property in the State, or to stop any motor vehicle, to examine any  
11 poultry which he has reason to believe are affected with or exposed to a contagious disease. He  
12 or his authorized representative is authorized to quarantine any poultry affected with or  
13 exposed to a contagious disease, or injected with or otherwise exposed to any material capable  
14 of producing a contagious disease and to give public notice of such quarantine by posting or  
15 placarding with a suitable quarantine sign the entrance to or any part of the premises on which  
16 such poultry are held. Said poultry are to be maintained by the owner or person in charge as  
17 provided for in G.S. 106-400 to G.S. 106-405 at the owner's expense. The quarantine provision  
18 hereof shall not apply to those diseases which are endemic in the State and for which adequate  
19 preventive and control measures are not available. No poultry under quarantine shall be moved  
20 from the place of quarantine except upon a written permit from the State Veterinarian or his  
21 authorized representative. Said quarantine shall remain in effect until cancelled by official  
22 written notice from the State Veterinarian or his authorized representative and shall not be  
23 released or cancelled until the sick or dead poultry have been properly disposed of and the  
24 premises have been properly cleaned and disinfected."

25       **Sec. 2.** G.S. 106-402 is rewritten in its entirety to read as follows:

26       **"G.S. 106-402.** Any animal, animals or poultry affected with or exposed to a contagious or  
27 infectious disease shall be confined by the owner or person in charge of said animal, animals or  
28 poultry in such a manner, by penning or otherwise securing and' actually isolating same from  
29 the approach or contact with other animals or poultry not so affected; they shall not have access  
30 to any ditch, canal, branch, creek, river, or other watercourse which passes beyond the premises  
31 of the owner or person in charge of said animals or poultry, or to any public road, or to the  
32 premises of any other person."

33       **Sec. 3.** G.S. 106-405 is rewritten in its entirety to read as follows:

34       **"G.S. 106-405.** Any person or persons who shall knowingly and willfully violate any provision  
35 of G.S. 106-400 to 106-403 shall be guilty of a misdemeanor and punishable by a fine not in  
36 excess of five hundred dollars (\$500.00) or imprisonment not in excess of six months, or both  
37 fine and imprisonment."

38       **Sec. 4.** All laws and clauses of laws in conflict with this Act are hereby repealed.

39       **Sec. 5.** This Act shall be in full force and effect upon ratification.

40       In the General Assembly read three times and ratified, this the 2nd day of June,

41 1969.
