

NORTH CAROLINA GENERAL ASSEMBLY  
1981 SESSION

CHAPTER 1018  
HOUSE BILL 366

AN ACT TO PROVIDE FUNDS FOR CATTLE FEEDING RESEARCH AT TIDEWATER RESEARCH STATION.

Whereas, a strong research program devoted to solving the problems of how to guide beef producers in efficient and sound cattle feeding and management practices would greatly strengthen the current beef industry by increasing the in-State demand for beef and a more competitive market for the State's feeder calves; Now, therefore,

The General Assembly of North Carolina enacts:

**Section 1.** There is appropriated from the General Fund to the Department of Agriculture the sum of one hundred fifty thousand dollars (\$150,000) for fiscal year 1981-82 to build a cattle feeding and environmental research facility at the Tidewater Research Facility.

**Sec. 2.** This act is effective upon ratification.

In the General Assembly read three times and ratified, this the 9th day of October, 1981.
