

NORTH CAROLINA GENERAL ASSEMBLY  
1981 SESSION

CHAPTER 1019  
HOUSE BILL 376

AN ACT TO PROVIDE FUNDS FOR MARKET DEVELOPMENT FOR NORTH CAROLINA'S AGRICULTURAL PRODUCTS.

Whereas, one of the greatest challenges facing North Carolina's agricultural industry today is the development of new and expanded markets for this State's farm products; and

Whereas, the extent to which this development is successful in the months and years ahead will be a major factor in determining how many of this State's farmers survive and how many are forced to sell out; Now, therefore,

The General Assembly of North Carolina enacts:

**Section 1.** There is appropriated from the General Fund to the Department of Agriculture the sum of sixty thousand dollars (\$60,000) for fiscal year 1981-82 for additional personnel and related expenses in developing markets for North Carolina's agricultural products.

**Sec. 2.** This act is effective upon ratification.

In the General Assembly read three times and ratified, this the 9th day of October, 1981.
