

NORTH CAROLINA GENERAL ASSEMBLY
1981 SESSION

CHAPTER 1061
HOUSE BILL 447

AN ACT TO PROVIDE ADDITIONAL SUPERVISORY PERSONNEL AT THE
TIDEWATER AND CLINTON RESEARCH STATIONS.

Whereas, the research programs at the Tidewater Research Station and at the Horticultural Crops Research Station at Clinton have intensified significantly; and

Whereas, this intensification has underscored the need for proper supervision of the greatly increased, ongoing research and the need for certain additional supervisory and other personnel to guarantee that proper leadership and guidance be given to these rapidly growing research programs; Now, therefore,

The General Assembly of North Carolina enacts:

Section 1. There is appropriated from the General Fund to the Department of Agriculture the sum of thirty-one thousand nine hundred seventy-two dollars (\$31,972) for fiscal year 1981-82 for additional personnel at the Horticultural Crops Research Station at Clinton to permit expanded research in horticultural crops.

Sec. 2. This act is effective upon ratification.

In the General Assembly read three times and ratified, this the 10th day of October, 1981.
