"ARTICLE IV.

"Elections.

"Chapter 1. Municipal Elections.

"Sec. 4.1. Regular municipal elections. Regular municipal elections shall be held biennially in odd-numbered years on the day set by general law for municipal elections. In each election, the candidate for Mayor who receives the largest number of votes cast for Mayor shall be declared elected for a term of four years and at the regular municipal election held in 1979 the three candidates who receive the highest number of votes shall be elected for four-year terms and the two candidates who receive the next highest votes shall be elected for two-year terms. Beginning at the regular municipal election to be held in 1981 and every four years thereafter, two members of the Board of Aldermen shall be elected to serve four-year terms. Beginning at the regular municipal election to be held in 1983, and every four years thereafter, three members of the Board of Aldermen shall be elected to serve four-year terms.

"Sec. 4.2. Regulation of elections. All Town elections shall be conducted in accordance with the general laws of North Carolina relating to municipal elections.

"Sec. 4.3 - 4.8 (Reserved).

"Chapter 2. Recall of Elected Officials.

"Sec. 4.9. Removal of officeholders. The holder of any elective office serving in the municipal government of the Town may be removed at any time by the electors qualified to vote for a successor of such incumbent.

"Sec. 4.10. Procedure. (a) A petition signed by electors entitled to vote for a successor to the incumbent sought to be removed, equal in number to at least twenty-five percentum (25%) of the registered and qualified voters of the Town, demanding an election of a successor of the person sought to be removed, shall be filed with the Town Clerk. The petition shall contain a general statement of the ground for which the removal is sought. The signatures to the petition need not all be appended to one paper, but each signer shall add to his or her signature his or her place of residence, giving the street and number. One of the signers of each such paper shall make oath before an officer competent to administer oaths that the statements therein made are true, as he believes, and that each signature to the paper appended is the genuine signature of the person whose name it purports to be.

(b) Within 10 days from the date of filing of such petition, the Town Clerk shall examine and from the voters' register ascertain whether or not the petition is signed by the requisite number of qualified electors, and he shall attach to the petition his certificate, showing the results of such examination. If by the clerk's certificate it is shown to be insufficient, it may be amended within 10 days from the date of the certificate. The clerk shall, within 10 days after such amendment, make a like examination of the amended petition, and if his certificate shall show the same to be insufficient, it shall be returned to the person filing the same, without prejudice, however, to the filing of a new petition to the same effect. If the petition shall be deemed to be sufficient, the clerk shall submit the same to the Town Board without delay.

(c) If the petition shall be found to be sufficient, the Town Board shall order and fix a date for holding a primary election, in accordance with State law governing special elections. If, in the primary election, any candidate receives a majority of all votes cast, he shall be declared to be elected to fill out the remainder of the term of the officer who is sought to be recalled. If there be more than two candidates in such primary and no one receives a majority of all the votes cast therein, then the Board shall call another election, to be held in accordance with State law governing special elections, at which election the two candidates receiving the highest vote in the primary shall be voted upon. Insofar as possible, the laws, rules and procedures governing the conduct of regular municipal election shall apply to any election called pursuant to this section.

"Sec. 4.11. Successor in office. The successor of any officer so removed shall hold office during the unexpired term of his or her predecessor. Any person sought to be removed may be a candidate to succeed himself, and unless he or she requests otherwise in writing, the clerk shall place his or her name on the official ballot without nomination. At such election, if some person other than the incumbent is elected the incumbent shall thereupon be deemed removed from the office upon qualification of his or her successor. If the incumbent received a majority of the votes in the primary election, he or she shall continue in office.

"Sec. 4.12. Failure to qualify. In case the person elected should fail to qualify within 10 days after receiving notification of election, the office shall be deemed vacant. In that event, the unexpired term shall be filled by appointment by the Town Board, but the person removed shall not be eligible for appointment. The person so appointed by the Board shall be subject to recall as other members of the Board.

"Sec. 4.13. Right of recall continued. Such method of removal shall be cumulative and additional to any other method provided by law. In the event any officer is recalled and any person is elected as his successor, the right of recall of such successor so elected shall be as in the case of an officer originally elected.

"ARTICLE V.

"Organization and Administration.

"Chapter 1. Town Manager.

"Sec. 5.1. Council-manager form of government. The Town may operate under the council-manager form of government in accordance with Part 2 of Article 7, Chapter 160-A of the General Statutes upon adoption of an ordinance in accordance with Part 4 of Article 5, Chapter 160-A of the General Statutes.

"Chapter 2. Town Attorney.

"Sec. 5.2. Appointment, qualifications, term, and compensation. (a) The Board of Aldermen shall appoint a Town Attorney who shall be an attorney at law licensed to engage in the practice of law in North Carolina and who need not be a resident of the Town during his tenure. The Town Attorney shall serve at the pleasure of the Board and shall receive such compensation as the Board shall determine.

All interest on moneys belonging to the Town shall accrue to the benefit of the Town. All moneys belonging to the Town shall be disbursed in accordance with the provisions of the Local Government Budget and Fiscal Control Act.

"Sec. 7.2. Independent audit. As soon as possible after the close of each fiscal year, an independent audit shall be made of all books and accounts of the Town government by a certified public accountant or an accountant certified by the Local Government Commission. The audit shall be secured in accordance with the provisions of the Local Government Budget and Fiscal Control Act.

"ARTICLE VIII.

"Sec. 8.1. Jurisdiction. The jurisdiction of the police force is hereby extended to include all Town-owned property and facilities whether located within or outside the corporate limits, and all members of the police force shall have upon and within such property and facilities all rights, power and authority as they have within the corporate limits.

"ARTICLE IX.

"Street and Sidewalk Improvements.

"Sec. 9.1. Street improvements and assessment of costs. In addition to any authority which is now or may hereafter be granted by general law to the Town for making street improvements the Board of Aldermen is hereby authorized to make street improvements and to assess the cost thereof against abutting property owners in accordance with the provisions of this Article.

"Sec. 9.2. When petition unnecessary. The Board of Aldermen may order street improvements and assess the cost thereof, exclusive of the costs incurred at street intersections against the abutting property owners, according to one or more of the assessment bases set forth in Article 10 of Chapter 160A of the North Carolina General Statutes, without the necessity of a petition, upon the finding by the Board as a fact:

- (a) That the street improvement project does not exceed 1,200 linear feet, and
- (b) That such street or part thereof is unsafe for vehicular traffic and it is in the public interest to make such improvement, or
- (c) That it is in the public interest to connect two streets, or portions of a street already improved, or
- (d) That it is in the public interest to widen a street, or part thereof, which is already improved; provided, that assessments for widening any street or portion of street without a petition shall be limited to the cost of widening and otherwise improving such street in accordance with the street classification and improvement standards established by the Town's thoroughfare or major street plan for the particular street or part thereof to be widened and improved under the authority granted by this Article.

"Sec. 9.3. Street improvement defined. For the purposes of this Article, the term 'street improvement' shall include grading, regrading, surfacing, resurfacing, widening, paving, repaving, the acquisition of right-of-way, and the construction or reconstruction of curbs, gutters and street drainage facilities.

"Sec. 9.4. Sidewalks; assessment of costs. In addition to any authority which is now or may hereafter be granted by general law to the Town for making sidewalk improvements, the Board of Aldermen is hereby authorized, without the necessity of a petition, to make or to order to be made sidewalk improvements or repairs according to standards and specifications of the Town, and to assess the total cost thereof against abutting property owners, according to one or more of the assessment bases set forth in Article 10 of Chapter 160A of the North Carolina General Statutes; provided, however, that regardless of the assessment basis or bases employed, the Board of Aldermen may order the cost of sidewalk improvements made only on one side of a street to be assessed against property owners abutting both sides of such street.

"Sec. 9.5. Assessment procedure. In ordering street and sidewalk improvements without a petition and assessing the cost thereof under authority of this Article, the Board of Aldermen shall comply with the procedure provided by Article 10, Chapter 160A of the General Statutes, except those provisions relating to the petition of property owners and the sufficiency thereof.

"Sec. 9.6. Effect of assessments. The effect of the act of levying assessments under the authority of this Article shall for all purposes be the same as if the assessments were levied under authority of Article 10 of Chapter 160A of the General Statutes.

"Sec. 9.7. Acceptance of conveyance in satisfaction of assessments. The Town Tax Collector or other official employee of the Town having charge of the collection of special assessments, shall have the right, power and authority, by and with the approval of the Board of Aldermen first obtained and had, to receive and accept a fee simple conveyance to the Town of any lot or parcel of land in the Town, free and clear of other encumbrances, in full settlement and satisfaction of all street and sidewalk assessments outstanding and unpaid against such property. Such right, power, and authority, however, shall be limited to a conveyance of the whole of the lot or parcel of land against which the particular assessment or assessments involved were levied. No lot or tract of land may be divided and no such right, power, and authority exercised as to a part, only, of the property originally embraced in and covered by said assessment or assessments. In the case of such conveyance, it shall not be necessary that the street or sidewalk assessment or assessments against the property be foreclosed; but the Town, upon the receipt of any such conveyance, shall become and be the absolute fee simple owner of the property, as fully to all intents and purposes as if purchased in and through foreclosure proceedings for the enforcement of such street and sidewalk assessment or assessments.

"ARTICLE X.

"Condemnation Proceedings.

"Sec. 10.1. Power of eminent domain. (a) The procedures provided in Article 9 of Chapter 136 of the General Statutes, as specifically authorized by G.S. 136-66.3(c), shall be applicable to the Town in the case of acquisition of lands, easements, privileges, rights-of-way and other interests in real property for streets and sidewalks, sewer lines, waterlines, and other utility lines in the exercise of the power of eminent domain. The Town, when seeking to acquire such property or rights or easements therein or thereto, shall have the right and authority, at its option and election, to use the provisions and procedures as authorized and provided in G.S. 136-66.3(c) and Article 9 of Chapter 136 of the General Statutes for any of such purposes without being limited to streets constituting a part of the State highway system; provided, however, that the provisions of this subsection shall not apply with regard to properties owned by public service corporations as defined in G.S. 160A-243(c), unless:

- (1) the exercise of such power of eminent domain is either consented to by the owner of the property to be acquired by the Town; or
- (2) it is first adjudicated after notice and a hearing that such acquisition will not prevent or unreasonably impair the continued devotion to the public use of such properties and the operation by such public service corporation.

(b) The authority conferred upon the Town in subsection (a) shall only be exercised when the Town is seeking to acquire land, easements, privileges, rights-of-way or other interests in real property located in and outside the corporate limits of the Town.
