The effect of levying assessments pursuant to this act shall for all purposes be the same as if they were levied under authority of the General Statutes.

**"Sec. 5.5. Improvements Outside Corporate Limits.**—The Town Council shall also have the power and authority, in the extension, installation, construction, operation and maintenance of its water and sewerage facilities outside of its corporate boundaries, to create water and/or sewer benefit assessment districts and to specifically assess the cost of such water or sewer installations or construction to the property in such benefit assessment districts on the basis of the front foot rule, the benefits derived or to be derived by the property in such assessment districts, or some other equitable method promulgated and established by the governing body in the exercise of its sound legislative discretion.

### **"LIEN FOR RESIDENTIAL IMPROVEMENTS.**

**"Sec. 6.1. Lien Authorized.**—The Town Council is authorized and empowered to make improvements to residential property, including connection to water and sewer lines, and to affix a lien to the benefitted property for the cost of making such improvements and providing such services, and upon receipt of a petition from the property owner or owners, and determination that the proposed work is in compliance with federal, State and local rules and regulations pertaining to Community Development Block Grants.

**"Sec. 6.2. Petition.**—The authority granted by this Article shall be exercised only upon petition by the owner or owners of such benefitting property. Such petition shall be upon a form approved by the Town Council and shall contain:

- (1) A description of the improvements and/or service or services requested, and
- (2) A description of the property to be improved or served, and the anticipated cost of furnishing such services, and
- (3) An acknowledgement by the owner or owners that they understand that the cost of such improvements will become a lien against their property, and
- (4) Such other information as may be required by the Town Council.

**"Sec. 6.3. Approval.**—The Town Council may approve or deny such petition submitted. If any such petition shall be approved by the Town Council, the town clerk shall mark upon the face of such petition such words as shall indicate such approval by the Town Council and the date and time of the approval.

"Sec. 6.4. Foreclosure.—From and after approval of any petition submitted pursuant to this Article, a lien in favor of the Town shall exist upon the property described in such petition for the amount stated in such petition as the anticipated cost of furnishing such improvements and services. Such liens shall be inferior to all prior and subsequent federal, State, county and municipal tax liens of record, but superior to all others. This lien may be collected by foreclosure in the same manner as provided by law for the foreclosure of liens for special assessments. Any foreclosure proceeding instituted pursuant to this section shall be deemed a proceeding in rem and no mistake or omission as to the name of any owner or person interested in any lot or parcel of land affected thereby shall be regarded as a substantial mistake or omission. No change of ownership shall affect any lien created pursuant to this Article.

"Sec. 6.5. Amount.—The amount of the lien affixed pursuant to the act for the purpose of improving residential dwellings shall not exceed the valuation for ad valorem tax purposes of the land and improvements which are benefitted.

"Sec. 6.6. Payment.—The owner or owners submitting such a petition to the Town Council shall also have the option of removing the lien from their property by either a lump sum payment or completion of an installment payment plan of the cost of the improvements and services.

"Sec. 6.7. Amendment.—If the Town Council shall determine that the actual cost of furnishing the improvements and services provided for in any approved petition shall have exceeded the amount originally stated in such petition as the anticipated cost of providing such improvements or services, the Town Council may, by resolution, amend the approved petition to set forth the correct costs. The Town Council's determination of such actual costs shall be deemed conclusive. Upon amendment as provided by this subsection, the petition shall be deemed effective as if originally submitted with the amended costs set forth therein. A copy of any resolution enacted pursuant to this subsection shall be mailed or personally delivered to the owner or owners of such property at their last known address.

"Sec. 6.8. Records.—Any petition approved by the Town Council and any amendment thereof shall be filed in the office of the town clerk. The town clerk shall maintain a record of such approved petitions and amendments thereof and such records shall be available to public view during regular business hours.

"Sec. 6.9. Correction.—If the actual cost of providing the services requested in any approved petition shall be less than the costs set forth in such petition as anticipated costs, the Town Council may, by resolution, amend the approved petition to set forth the correct costs under the same procedures as outlined in Section 6.7 above, provided, however, any anticipated costs set forth in the approved petition which shall have been determined under any schedule of charges approved by the Town Council shall, for the purpose of this section, be deemed the actual costs of providing such service.
