1983 SESSION

CHAPTER 559  
SENATE BILL 280

AN ACT TO AMEND AND CLARIFY THE PROVISIONS OF LAW RELATIVE TO  
THE NORTH CAROLINA PUBLIC EMPLOYEE DEFERRED COMPENSATION  
PLAN.

The General Assembly of North Carolina enacts:

Section 1. Article 9 of Chapter 143B of the General Statutes is amended by adding a new Part to read:

"Part 23.

"Board of Trustees of the North Carolina Public Employee Deferred Compensation Plan.

**§ 143B-426.31. Board of Trustees of the North Carolina Public Employee Deferred Compensation Plan.** – (a) The Governor may, by Executive Order, establish a Board of Trustees of the North Carolina Public Employee Deferred Compensation Plan, which when established shall be constituted an agency of the State of North Carolina within the Department of Administration. The Board shall create, establish, implement, coordinate and administer a Deferred Compensation Plan for State employees. Until so established, the Board heretofore established pursuant to Executive Order XII dated 12 November 1974 shall continue in effect. Likewise, the Plan heretofore established shall continue until a new plan is established.

(b) The Board shall consist of seven voting members, as follows:

- (1) Three persons shall be appointed by the Governor who shall have experience with taxation, finance and investments, and one of whom shall be a State employee;
- (2) One member shall be appointed by the General Assembly upon recommendation of the Speaker of the House of Representatives under G.S. 120-121;
- (3) One member shall be appointed by the General Assembly upon recommendation of the President of the Senate under G.S. 120-121;
- (4) The State Treasurer, ex officio; and
- (5) The Secretary of Administration, ex officio, chairman.

(c) General Assembly appointments shall serve two year terms.

A member shall continue to serve until his successor is duly appointed but a holdover under this provision does not affect the expiration date of the succeeding term. No member of the Board may serve more than three consecutive two year terms.

(d) In case of a vacancy on the Board before the expiration of a member's term, a successor shall be appointed within 30 days of the vacancy for the remainder of the

unexpired term by the appropriate official pursuant to subsection (b). Vacancies in legislative appointments shall be filled under G.S. 120-122.

(e) Other than ex officio members, members appointed by the Governor shall serve at his pleasure.

(f) Any ex officio member may designate in writing, filed with the Board, any employee of his department to act at any meeting of the Board from which the member is absent, to the same extent that the member could act if present in person at such meeting.

(g) It shall be the duty of the Board when established to review all contracts, agreements or arrangements then in force relating to G.S. 147-9.2 and Executive Order XII to include, but not be limited to, such contracts, agreements or arrangements pertaining to the administrative services and the investment of deferred funds under the Plan for the purpose of recommending continuation of or changes to such contracts, agreements or arrangements.

(h) It shall be the duty of the Board to devise a uniform Deferred Compensation Plan for State employees, which shall include a reasonable number of options to the employee, for the investment of deferred funds, among which may be life insurance, fixed or variable annuities and retirement income contracts, regulated investment trusts, pooled investment funds managed by the Board or its designee, or other forms of investment approved by the Board, always in such form as will assure the desired tax treatment of such funds. The Board may alter, revise and modify the Plan from time to time to improve the Plan or to conform to and comply with requirements of State and federal laws and regulations relating to the deferral of compensation of public employees generally.

(i) The Board is authorized to delegate the performance of such of its administrative duties as it deems appropriate including coordination, administration, and marketing of the Plan to employees. Prior to entering into any contract with respect to such administrative duties, it shall seek bids, hold public hearings and in general take such steps as are calculated by the Board to obtain competent, efficient and worthy services for the performance of such administrative duties.

(j) The Board may acquire investment vehicles from any company duly authorized to conduct such business in this State or may establish, alter, amend and modify, to the extent it deems necessary or desirable, a trust for the purpose of facilitating the administration, investment and maintenance of assets acquired by the investment of deferred funds. Any assets of such investment vehicles or trusts shall remain solely the property and rights of the State subject only to the claims of the State's general creditors.

(k) Members of the Board, who are not officers or employees of the State, shall receive per diem and necessary travel and subsistence in accordance with the provisions of G.S. 138-5, funded as provided in subsection (m) hereof.

(l) All clerical and other services and personnel required by the Board shall be supplied by the Secretary of Administration, funded as provided in subsection (m) hereof.

(m) Investment of deferred funds shall not be unreasonably delayed, and in no case shall the investment of deferred funds be delayed more than 30 days. The Board may accumulate such funds pending investment, and the interest earned on such funds pending investment shall be available to and may be spent in the discretion of the Board only for the reasonable and necessary expenses of the Board. The Secretary of Administration is authorized to prescribe guidelines for the expenditure of such funds by the Board. From time to time as the Board may direct, funds not required for such expenses may be used to defray administrative expenses and fees which would otherwise be required to be borne by employees who are then participating in the Plan.

(n) A majority of the Board shall constitute a quorum for the transaction of business.

(o) It is intended that the provisions of this Part shall be liberally construed to accomplish the purposes provided for herein."

Sec. 2. G.S. 147-9.2 is amended by:

In addition, the income so deferred shall be invested in the manner provided in the applicable Plan; however, the employee may revoke his election to participate and may amend the amount of compensation to be deferred by signing and filing with the Board a written revocation or amendment on a form and in the manner approved by the Board. Any such revocation or amendment shall be effective prospectively only and shall cause no change in the allocation of amounts invested prior to the filing date of such revocation or amendment.

An employee who has agreed to the deferral of income pursuant to the Plan shall have the right to receive the income so deferred only in accordance with the provisions of the Plan. Funds so deferred shall not be in lieu of any amount earned by the employee before his election to defer compensation became effective. The agreement to defer income referred to herein shall be effective under such necessary regulations and

procedures as are adopted by the Board, and on forms prepared or approved by it.
