

GENERAL ASSEMBLY OF NORTH CAROLINA
1983 SESSION

CHAPTER 88
SENATE BILL 18

AN ACT TO AMEND DOMICILIARY HOME COMMUNITY ADVISORY
COMMITTEES.

The General Assembly of North Carolina enacts:

Section 1. Article 3 of Chapter 131D of the General Statutes is amended by rewriting G.S. 131D-31 to read:

"(a) Statement of Purpose. It is the intention of the General Assembly that community advisory committees work to maintain the intent of the Domiciliary Home Residents' Bill of Rights within the licensed domiciliary homes in this State. It is the further intent of the General Assembly that the committees promote community involvement and cooperation with domiciliary homes to ensure quality care for the elderly and disabled adults.

(b) Established and Appointment of Committees.

- (1) A community advisory committee shall be established in each county which has at least one licensed domiciliary home, shall serve all the homes in the county, and shall work with each of these homes for the best interests of the residents. In a county which has one, two, or three homes for the aged and disabled, the committee shall have five members.
- (2) In a county with four or more homes for the aged and disabled, the committee shall have one additional member for each home for the aged and disabled in excess of three, up to a maximum of 20 members. In each county with four or more homes for the aged and disabled, the committee shall establish a subcommittee of no more than five members and no fewer than three members from the committee for each domiciliary home in the county. Each member must serve on at least one subcommittee.
- (3) In counties with no homes for the aged and disabled, the committee shall have five members. Regardless of how many members a particular community advisory committee must have, at least one member of each committee shall be a person involved in the area of mental retardation.
- (4) The boards of county commissioners are encouraged to appoint the Domiciliary Home Community Advisory Committees. Of the members, a minority (not less than one-third, but as close to one-third

as possible) must be chosen from among persons nominated by a majority of the chief administrators of domiciliary homes in the county. If the domiciliary home administrators fail to make a nomination within 45 days after written notification has been sent to them requesting a nomination, such appointments may be made without nominations. If the county commissioners fail to appoint members to a committee by July 1, 1983, the appointments shall be made by the Assistant Secretary on Aging, Department of Human Resources, no sooner than 45 days after nominations have been requested from the domiciliary home administrators, but no later than October 1, 1983. In making his appointments, the Assistant Secretary shall follow the same appointment process as that specified for the County Commissioners.

(c) Joint Nursing and Domiciliary Home Community Advisory Committees. Appointment to the Nursing Home Community Advisory Committees shall preclude appointment to the Domiciliary Home Community Advisory Committees except where written approval to combine these committees is obtained from the Assistant Secretary on Aging, Department of Human Resources. Where such approval is obtained, the Joint Nursing and Domiciliary Home Community Advisory Committee shall have the membership required of Nursing Home Community Advisory Committees and one additional member for each home for the aged and disabled present in the county. In counties with no homes for the aged and disabled, there shall be one additional member for every four domiciliary homes in the county. In no case shall the number of members on the Joint Nursing and Domiciliary Homes Community Advisory Committee exceed 25. Each member shall exercise the statutory rights and responsibilities of both Nursing Home Committees and Domiciliary Home Committees. In making appointments to this joint committee, the county commissioners shall solicit nominations from both nursing and domiciliary home administrators for the appointment of approximately (but no more than) one-third of the members.

(d) Terms of Office. Each committee member shall serve an initial term of one year. Any person reappointed to a second or subsequent term in the same county shall serve a two- or three-year term at the county commissioners' discretion to ensure staggered terms of office.

(e) Vacancies. Any vacancy shall be filled by appointment of a person for a one-year term. If this vacancy is in a position filled by an appointee nominated by the chief administrators of domiciliary homes within the county, then the county commissioners shall fill the vacancy from persons nominated by a majority of the chief administrators. If the domiciliary home administrators fail to make a nomination by registered mail within 45 days after written notification has been sent to them requesting a nomination, such appointment may be made without nominations. If the county commissioners fail to fill a vacancy, the vacancy may be filled by the Assistant Secretary on Aging, Department of Human Resources no sooner than 45 days after the commissioners have been notified of the appointment or vacancy.

(f) Officers. The committee shall elect from its members a chair, to serve a one-year term.

(g) Minimum Qualifications for Appointment. Each member must be a resident of the county which the committee serves. No person or immediate family member of a person with a financial interest in a home served by the committee, or employee or governing board member of a home served by the committee, or immediate family member of a resident in a home served by the committee may be a member of that committee. Any county commissioner who is appointed to the committee shall be deemed to be serving on the committee in an ex officio capacity. Members of the committee shall serve without compensation, but may be reimbursed for actual expenses incurred by them in the performance of their duties. The names of the committee members and the date of expiration of their terms shall be filed with the Division of Aging, Department of Human Resources.

(h) The Division of Aging, Department of Human Resources, shall develop training materials, which shall be distributed to each committee member. Each committee member must receive training as specified by the Division of Aging prior to exercising any power under G.S. 131D-32. The Division of Aging, Department of Human resources, shall provide the committees with information, guidelines, training, and consultation to direct them in the performance of their duties."

Sec. 2. G.S. 131D-32 is rewritten to read as follows:

"(a) The committee shall serve as the nucleus for increased community involvement with domiciliary homes and their residents.

(b) The committee shall promote community education and awareness of the needs of aging and disabled persons who reside in domiciliary homes, and shall work towards keeping the public informed about aspects of long-term care and the operation of domiciliary homes in North Carolina.

(c) The committee shall develop and recruit volunteer resources to enhance the quality of life for domiciliary home residents.

(d) The committee shall establish linkages with the domiciliary home administrators and the county Department of Social Services for the purpose of maintaining the intent of the domiciliary home residents' Bill of Rights.

(e) Each committee shall apprise itself of the general conditions under which the persons are residing in the homes, and shall work for the best interests of the persons in the homes. This may include assisting persons who have grievances with the home and facilitating the resolution of grievances at the local level. The names of all complaining persons and the names of residents involved in the complaint shall remain confidential unless written permission is given for disclosure. The committee shall notify the enforcement agency of all verified violations of the Domiciliary Home Residents' Bill of Rights.

(f) The committee or subcommittee may communicate through the committee chair with the Department of Human Resources, the county Department of Social Services, or any other agency in relation to the interest of any resident.

(g) Each committee shall quarterly visit the homes for the aged and disabled it serves. For each official quarterly visit, a majority of the committee members shall be

present. A minimum of three members of the committee shall make at least one visit annually to each family care home and group home for developmentally disabled adults present in the county. In addition, each committee may visit the domiciliary homes it serves whenever it deems it necessary to carry out its duties. In counties with subcommittees, the subcommittee assigned to a home shall perform the duties of the committee under this subsection, and a majority of the subcommittee members must be present for any visit. When visits are made to group homes for developmentally disabled adults, rules concerning confidentiality as adopted by the Commission for Mental Health, Mental Retardation and Substance Abuse Services shall apply.

(h) The individual members of the committee shall have the right between 10:00 a.m. and 8:00 p.m. to enter the facility the committee serves in order to carry out the members' responsibilities. In a county where subcommittees have been established, this right of access shall be limited to members of the subcommittee which serves that home. A majority of the committee or subcommittee members must be present to enter the facility at other hours. Before entering any domiciliary home, the committee or members of the committee shall identify themselves to the person present at the facility who is in charge of the facility at that time.

(i) The committee shall prepare reports as required by the Department of Human Resources containing an appraisal of the problems of domiciliary care facilities as well as issues affecting long-term care in general. Copies of the report shall be sent to the board of county commissioners, county Department of Social Services and the Division of Aging.

(j) Nothing contained in this section shall be construed to require the expenditure of any county funds to carry out the provisions herein."

Sec. 3. Those facilities licensed pursuant to G.S. 130-9(e)(5) are not covered by this act but are covered by G.S. 130-9.5.

Sec. 4. This act is effective upon ratification.

In the General Assembly read three times and ratified, this the 22nd day of March, 1983.
