SESSION LAW 2005-123
SENATE BILL 734

AN ACT TO AMEND ARTICLE 4 OF CHAPTER 45 OF THE GENERAL STATUTES RELATING TO THE SATISFACTION OF MORTGAGES AND DEEDS OF TRUST AS RECOMMENDED BY THE NORTH CAROLINA BAR ASSOCIATION.

The General Assembly of North Carolina enacts:

SECTION 1. Article 4 of Chapter 45 of the General Statutes reads as rewritten:

"Article 4.

~~"Discharge and Release. Satisfaction.~~

"§ 45-36.2. Register of deeds includes assistants and deputies. Obligation of good faith.

~~The words "register of deeds" appearing in this Article shall be interpreted to mean "register of deeds, assistant register of deeds, or deputy register of deeds. Every action or duty within this Article imposes an obligation of good faith in its performance or enforcement.~~

"§ 45-36.3. Notification by mortgagee of satisfaction of provisions of deed of trust or mortgage, or other instrument; civil penalty.

(a) After the satisfaction of the provisions of any deed of trust or mortgage, or other instrument intended to secure with real property the payment of money or the performance of any other obligation and registered as required by law, the holder of the evidence of the indebtedness, if it is a single instrument, or a duly authorized agent or attorney of such holder shall within 60 days:

- (1) Discharge and release of record such documents and forward the cancelled documents to the grantor, trustor or mortgagor; or,
- (2) Alternatively, the holder of the evidence of the indebtedness or a duly authorized agent or attorney of such holder, at the request of the grantor, trustor or mortgagor, shall forward said instrument and the deed of trust or mortgage instrument, with payment and satisfaction acknowledged in accordance with the requirements of G.S. 45-37, to the grantor, trustor or mortgagor.

(b) Any person, institution or agent who fails to comply with this section may be required to pay a civil penalty of not more than one thousand dollars (\$1,000) in addition to reasonable attorneys' fees and any other damages awarded by the court to the grantor, trustor or mortgagor, or to a subsequent purchaser of the property from the grantor, trustor or mortgagor. A five hundred dollar (\$500.00) civil penalty may be

recovered by the grantor, trustor or mortgagor, and a five hundred dollar (\$500.00) penalty may be recovered by the purchaser of the property from the grantor, trustor or mortgagor. If that purchaser of the property consists of more than a single grantee, then the civil penalty will be divided equally among all of the grantees. A petitioner may recover damages under this section only if he has given the mortgagee, obligee, beneficiary or other responsible party written notice of his intention to bring an action pursuant to this section. Upon receipt of this notice, the mortgagee, obligee, beneficiary or other responsible party shall have 30 days, in addition to the initial 60-day period, to fulfill the requirements of this section.

(c) Should any person, institution or agent who is not the present holder of the evidence of indebtedness be required to pay a civil penalty, attorneys' fees, or other damages under this section, they will have an action against the holder of the evidence of indebtedness for all sums they were required to pay.

(d) This section applies only if the provisions of the deed of trust, mortgage, or other instrument are satisfied before October 1, 2005.

cost of delivery provided, properly addressed to the recipient's address for giving a notification.

(2) Sending it by facsimile transmission, electronic mail, or other electronic transmission to the recipient's address for giving a notification, but only if the recipient agreed to receive notification in that manner.

(3) Causing it to be received at the address for giving a notification within the time that it would have been received if given pursuant to subdivision (1) of this subsection.

(b) A notification is effective on any of the following:

(1) The day after it is deposited with a commercially reasonable delivery service for overnight delivery.

(2) Three days after it is deposited with the United States Postal Service, first-class mail with postage prepaid, or with a commercially reasonable delivery service for delivery other than by overnight delivery.

(3) The day it is given, if given pursuant to subdivision (a)(2) of this section.

(4) The day it is received, if given by a method other than as provided in subdivision (a)(1) or (a)(2) of this section.

(c) If this Article or a notification given pursuant to this Article requires performance on or by a certain day and that day is a Saturday, Sunday, or legal holiday under the laws of this State or the United States, the performance is sufficient if performed on the next day that is not a Saturday, Sunday, or legal holiday.

"§ 45-36.6. Document of rescission: effect; liability for wrongful recording.

(a) In this section, "document of rescission" means a document stating that an identified satisfaction or affidavit of satisfaction of a security instrument was recorded erroneously or that a security instrument was satisfied of record erroneously, the secured obligation remains unsatisfied, and the security instrument remains in force.

(b) If a person records a satisfaction or affidavit of satisfaction of a security instrument in error or if a security instrument is satisfied of record erroneously by any other means, the person or the secured creditor may execute and record a document of rescission. Upon recording, the document rescinds an erroneously recorded satisfaction or affidavit and the erroneous satisfaction of record of the security instrument and reinstates the security instrument.

(c) A recorded document of rescission has no effect on the rights of a person that:

(1) Records an interest in the real property described in a security instrument after the recording of the satisfaction or affidavit of satisfaction of the security instrument or the erroneous satisfaction of record of the security instrument by other means and before the recording of the document of rescission; and

(2) Would otherwise have priority over or take free of the lien created by the security instrument as reinstated under Chapter 47 of the General Statutes.

(d) A person that erroneously or wrongfully records a document of rescission is liable to any person injured thereby for the actual loss caused by the recording and reasonable attorneys' fees and costs.

"§ 45-36.7. Payoff statement: request and content.

(a) An entitled person, or an agent authorized by an entitled person to request a payoff statement, may give to the secured creditor a notification requesting a payoff statement for a specified payoff date not more than 30 days after the notification is given. The notification must contain all of the following:

- (1) The entitled person's name.
- (2) If given by a person other than an entitled person, the name of the person giving the notification and a statement that the person is an authorized agent of the entitled person.
- (3) A direction whether the statement is to be sent to the entitled person or that person's authorized agent.
- (4) The address to which the creditor must send the statement.
- (5) Sufficient information to enable the creditor to identify the secured obligation and the real property encumbered by the security interest.

(b) If a notification under subsection (a) of this section directs the secured creditor to send the payoff statement to a person identified as an authorized agent of the entitled person, the secured creditor must send the statement to the agent, unless the secured creditor knows that the entitled person has not authorized the request.

(c) A person who gives to a secured creditor a notification requesting a payoff statement thereby represents that the person is an entitled person or the authorized agent of an entitled person. A secured creditor may rely on that representation in providing a payoff statement unless the secured creditor knows that the requesting person is neither an entitled person nor the authorized agent of an entitled person. A secured creditor has no duty to make inquiry as to whether, or to verify that, the person requesting a payoff statement is an entitled person or the authorized agent of an entitled person.

(d) Within 10 days after the effective date of a notification that complies with subsection (a) of this section, the secured creditor shall issue a payoff statement and send it as directed pursuant to subdivision (a)(3) of this section in the manner prescribed in G.S. 45-36.5 for giving a notification. A secured creditor that sends a payoff statement to the entitled person or the authorized agent may not claim that the notification did not satisfy subsection (a) of this section. If the person to whom the notification is given once held an interest in the secured obligation but has since assigned that interest, the person need not send a payoff statement but shall give (i) a notification of the assignment to the person to whom the payoff statement otherwise would have been sent, providing the name and address of the assignee, or (ii) a notification to the person to whom the payoff statement otherwise would have been sent, stating that the recipient claims no interest in the security instrument or the secured obligation, that the secured obligation was assigned, but that the identity and address of the assignee is not known.

(e) A payoff statement must contain:

- (1) The date on which it was prepared and the payoff amount as of that date, including the amount by type of each fee, charge, or other sum included within the payoff amount;
- (2) The information reasonably necessary to calculate the payoff amount as of the requested payoff date, including the per diem interest amount; and
- (3) The payment cutoff time, if any, the address or place where payment must be made, and any limitation as to the authorized method of payment.

(f) A payoff statement may contain the amount of any fees authorized under this section not included in the payoff amount. A secured creditor may require the payment in full of any fees authorized under this section before issuing a payoff statement.

(g) A secured creditor may not qualify a payoff amount or state that it is subject to change before the payoff date unless the payoff statement provides information sufficient to permit the entitled person or the person's authorized agent to request an updated payoff amount at no charge and to obtain that updated payoff amount during the secured creditor's normal business hours on the payoff date or the immediately preceding business day.

(h) A secured creditor must provide upon request one payoff statement without charge during any six-month period. A secured creditor may charge a fee of twenty-five dollars (\$25.00) for each additional payoff statement requested during that six-month period. However, a secured creditor may not charge a fee for providing an updated payoff amount under subsection (f) of this section or a corrected payoff statement under G.S. 45-36.8(a).

(i) Unless the security instrument provides otherwise, a secured creditor is not required to send a payoff statement by means other than first-class mail. If the creditor agrees to send a statement by another means, it may charge a reasonable fee for complying with the requested manner of delivery.

(j) Except as otherwise provided in G.S. 45-36.12, if a secured creditor to which a notification has been given pursuant to subsection (a) of this section does not send a timely payoff statement that substantially complies with subsection (d) of this section, the creditor is liable to the entitled person for any actual damages caused by the failure, but not punitive damages. A creditor that does not pay the damages provided in this subsection within 30 days after receipt of a notification demanding payment shall also be liable for reasonable attorneys' fees and costs.

(k) This section does not apply unless the notification requesting a payoff statement is given on or after October 1, 2005.

"§ 45-36.8. Understated payoff statement: correction; effect.

(a) If a secured creditor determines that the payoff amount it provided in a payoff statement was understated, the creditor may send a corrected payoff statement. If the entitled person or the person's authorized agent receives and has a reasonable opportunity to act upon a corrected payoff statement before making payment, the corrected statement supersedes an earlier statement.

(b) A secured creditor that sends a payoff statement containing an understated payoff amount may not deny the accuracy of the payoff amount as against any person that reasonably and detrimentally relies upon the understated payoff amount.

(c) This Article does not:

(1) Affect the right of a secured creditor to recover any sum that it did not include in a payoff amount from any person liable for payment of the secured obligation; or

(2) Limit any claim or defense that a person liable for payment of a secured obligation may have under law other than this Article.

"§ 45-36.9. Secured creditor to submit satisfaction for recording; liability for failure.

(a) A secured creditor shall submit for recording a satisfaction of a security instrument within 30 days after the creditor receives full payment or performance of the secured obligation. If a security instrument secures a line of credit or future advances, the secured obligation is fully performed only if, in addition to full payment, the secured creditor has received a notification requesting the creditor to terminate the line of credit or containing a statement sufficient to terminate the effectiveness of the provision for future advances in the security instrument.

(b) Except as otherwise provided in G.S. 45-36.12, a secured creditor that is required to submit a satisfaction of a security instrument for recording and does not do so by the end of the period specified in subsection (a) of this section is liable to the landowner for any actual damages caused by the failure, but not punitive damages.

(c) Except as otherwise provided in subsection (d) of this section and in G.S. 45-36.12, a secured creditor that is required to submit a satisfaction of a security instrument for recording and does not do so by the end of the period specified in subsection (a) of this section is also liable to the landowner for one thousand dollars (\$1,000) and any reasonable attorneys' fees and court costs incurred if, after the expiration of the period specified in subsection (a) of this section, all of the following occur:

(1) The landowner gives the secured creditor a notification, by any method authorized by G.S. 45-36.5 that provides proof of receipt, demanding that the secured creditor submit a satisfaction for recording.

(2) The secured creditor does not submit a satisfaction for recording within 30 days after the secured creditor's receipt of the notification.

(3) The security instrument is not satisfied of record by any of the methods provided in G.S. 45-37(a) within 30 days after the secured creditor's receipt of the notification.

The right to receive the additional one thousand dollars (\$1,000) is personal to the landowner who gives the secured creditor notification under this subsection and may not be assigned.

(d) Subsection (c) of this section does not apply if the secured creditor received full payment or performance of the secured obligation before October 1, 2005.

(e) This section does not apply if the security instrument is satisfied of record by any of the methods provided in G.S. 45-37(a) within 30 days after the secured creditor receives full payment or performance of the secured obligation.

"§ 45-36.10. Content and effect of satisfaction.

(a) A document is a satisfaction of a security instrument if it does all of the following:

- (1) Identifies the type of security instrument, the original parties to the security instrument, the recording data for the security instrument, and the office in which the security instrument is recorded.
- (2) States that the person signing the satisfaction is the secured creditor.
- (3) Reserved.
- (4) Contains language terminating the effectiveness of the security instrument.
- (5) Is signed by the secured creditor and acknowledged as required by law for a conveyance of an interest in real property.

(b) The register of deeds shall accept for recording a satisfaction of a security instrument, unless one of the following applies:

- (1) The document is submitted by a method or in a medium not authorized for registration by the register of deeds under applicable law.
- (2) The document is not signed by the secured creditor and acknowledged as required by law for a conveyance of an interest in real property. The register of deeds shall not be required to verify or make inquiry concerning (i) the truth of the matters stated in any satisfaction document, or (ii) the authority of the person executing any satisfaction document to do so.

(c) The recording of a satisfaction of a security instrument does not by itself extinguish any liability of a person for payment or performance of the secured obligation.

"§ 45-36.11. Satisfaction: form.

No particular phrasing is required for a satisfaction of a security instrument. The following form, when properly completed, is sufficient to satisfy the requirements of G.S. 45-36.10(a):

"SATISFACTION OF SECURITY INSTRUMENT

"§ 45-36.14. Affidavit of satisfaction: notification to secured creditor.

(a) If a secured creditor has not submitted for recording a satisfaction of a security instrument and the security instrument has not been satisfied of record by any of the methods provided by G.S. 45-37(a) within the period specified in G.S. 45-36.9(a), a satisfaction agent acting for and with authority from the landowner may give the secured creditor a notification that the satisfaction agent intends to submit for recording an affidavit of satisfaction of the security instrument. (c) This Article does not require a person to agree to serve as a satisfaction agent.
§ 45-36.15. Affidavit of satisfaction: authorization to submit for recording.

(a) Subject to subsections (b) and (c) of this section, a satisfaction agent may sign and submit for recording an affidavit of satisfaction of a security instrument complying with G.S. 45-36.16 if:
