

**GENERAL ASSEMBLY OF NORTH CAROLINA  
SESSION 2005**

**SESSION LAW 2005-159  
HOUSE BILL 1102**

AN ACT TO AUTHORIZE COUNTY BOARDS OF ELECTIONS TO COUNT ONE-STOP BALLOTS AT THE SAME TIME AS OTHER ABSENTEE BALLOTS AND TO ALLOW THOSE BOARDS TO TAKE PREPARATORY STEPS FOR COUNTING ONE-STOP AND OTHER ABSENTEE VOTES EARLIER THAN TWO O'CLOCK P.M.

The General Assembly of North Carolina enacts:

**SECTION 1.** G.S. 163-234(2) reads as rewritten:

"(2) The county board of elections shall meet at 5:00 p.m. on election day in the board office or other public location in the county courthouse for the purpose of counting all absentee ballots except those which have been challenged before 5:00 p.m. on election day. Any elector of the county shall be permitted to attend the meeting and allowed to observe the counting process, provided the elector shall not in any manner interfere with the election officials in the discharge of their duties.

Provided, that the county board of elections is authorized to begin counting absentee ballots between the hours of 2:00 p.m. and 5:00 p.m. upon the adoption of a resolution at least two weeks prior to the election wherein the hour and place of counting absentee ballots shall be stated. A copy of the resolutions shall be published once a week for two weeks prior to the election, in a newspaper having general circulation in the county. Notice may additionally be made on a radio or television station or both, but such notice shall be in addition to the newspaper and other required notice. The count shall be continuous until completed and the members shall not separate or leave the counting place except for unavoidable necessity, except that if the count has been completed prior to the time the polls close, it shall be suspended until that time pending receipt of any additional ballots, and except that one stop ballots under G.S. 163-227.2 counted electronically shall not be counted until the polls close; provided, however, that if there are outstack ballots in the counting device, they may be counted at the same time as other ballots are counted under this subdivision. The county board of elections may begin putting them in the tabulator at the same time as other ballots are counted under this subdivision if the system for counting one stop ballots requires them to be put in a tabulator but the process has the voter place them in a ballot

box-ballots. Nothing in this section shall prohibit a county board of elections from taking preparatory steps for the count earlier than the times specified in this section, as long as the preparatory steps do not reveal to any individual not engaged in the actual count election results before the times specified in this subdivision for the count to begin. By way of illustration and not limitation, a preparatory step for the count would be the entry of tally cards from direct record electronic voting units into a computer for processing. The board shall not announce the result of the count before 7:30 p.m."

**SECTION 2.** This act is effective when it becomes law and applies to all elections held on or after that date.
