**SECTION 3.7.(b)** G.S. 105-468 reads as rewritten:

**"§ 105-468. Scope of use tax.**

The use tax authorized by this Article is a tax at the rate of one percent (1%) of the ~~cost~~ purchase price of each item or article of tangible personal property that is not sold in the taxing county but is used, consumed, or stored for use or consumption in the taxing county. The tax applies to the same items that are subject to tax under G.S. 105-467. The collection and administration of this tax shall be in accordance with Article 5 of Chapter 105 of the General Statutes.

Where a local sales or use tax was due and has been paid with respect to tangible personal property by the purchaser in another taxing county within the State, or where a local sales or use tax was due and has been paid in a taxing jurisdiction outside the State where the purpose of the tax is similar in purpose and intent to the tax which may be imposed pursuant to this Article, the tax paid may be credited against the tax imposed under this section by a taxing county upon the same property. If the amount of sales or use tax so paid is less than the amount of the use tax due the taxing county under this section, the purchaser shall pay to the Secretary an amount equal to the difference between the amount so paid in the other taxing county or jurisdiction and the amount due in the taxing county. The Secretary may require such proof of payment in another taxing county or jurisdiction as is deemed to be necessary. The use tax levied under this Article is not subject to credit for payment of any State sales or use tax not imposed for the benefit and use of counties and municipalities. The tax

shall be stated and charged separately from the sales price or ~~cost-purchase~~ price and shall be shown separately on the retailer's sales record and shall be paid by the purchaser to the retailer as trustee for and on account of the State or county wherein the tax is imposed. It is the intent and purpose of this Article that the local sales and use tax herein authorized to be imposed and levied by a taxing county shall be added to the sales price and that the tax shall be passed on to the purchaser instead of being borne by the retailer. The Secretary of Revenue shall design, print and furnish to all retailers in a taxing county in which he shall collect and administer the tax the necessary forms for filing returns and instructions to insure the full collection from retailers, and the Secretary may adapt the present form used for the reporting and collecting of the State sales and use tax to this purpose."

The seller's purchase price is presumed to be no greater than the price the seller paid, as shown on the seller's purchase invoice, for the same item within 12 months before the seller entered into the conditional ~~service~~-contract.

(b) ~~Tax.~~ – If a seller transfers an item of tangible personal property as part of a conditional ~~service~~-contract, a sale has occurred. The sales price of the item is presumed to be the retail price at which the item would sell in the absence of the conditional ~~service~~-contract. Sales tax at the general rate under G.S. 105-164.4(a) is due at the time of the transfer on the following:

- (1) Any part of the presumed sales price the consumer pays at that time, if the service in the contract is taxable at the combined general rate.
- (2) The presumed sales price, if the service in the contract is not taxable at the combined general rate.
