The Counties of Rockingham and Guilford and the municipalities participating in the interconnection and extension of water lines within each county funded by this section shall agree on the use of the funds allocated by this section through any combination of (i) interlocal agreements under Article 20 of Chapter 160A of the General Statutes that specify, at a minimum, the ownership of the water lines and infrastructure funded by this section and long-term maintenance, repair, and replacement responsibility or (ii) one or more regional water and sewer authorities under Article 1 of Chapter 162A of the General Statutes.
