AN ACT TO MAKE VARIOUS CHANGES TO THE LAWS AFFECTING CHARTER SCHOOLS.

The General Assembly of North Carolina enacts:

PART I. ALLOW EMPLOYEES OF EDUCATION OR CHARTER MANAGEMENT ORGANIZATIONS TO SERVE AS TEACHERS

SECTION 1. G.S. 115C-218.90(a)(1) reads as rewritten:

"(1) An employee of a charter school is not an employee of the local school administrative unit in which the charter school is located. The charter school's board of directors shall employ and contract with necessary teachers or contract with an education management organization or charter management organization to employ and provide teachers to perform the particular service for which they are employed in the school; at least fifty percent (50%) of these teachers shall hold teacher licenses. All teachers who are teaching in the core subject areas of mathematics, science, social studies, and language arts shall be college graduates. The board also may employ necessary employees who are not required to hold teacher licenses to perform duties other than teaching and may contract for other services. The board may discharge teachers and nonlicensed employees."

PART II. MODIFY THE DECISION TIME LINE FOR THE CHARTER SCHOOL FAST-TRACK REPLICAATION APPLICATION PROCESS

SECTION 2.(a) Section 6.5 of S.L. 2014-101, as amended by Section 2 of S.L. 2016-79, reads as rewritten:

"SECTION 6.5. Upon recommendations by the Office of Charter Schools and the Charter Schools Advisory Board, the State Board of Education shall adopt a process and rules for fast-track replication of high-quality charter schools currently operating in the State. The State Board of Education shall not require a planning year for applicants selected through the fast-track replication process. In addition to the requirements for charter applicants set forth in Part 6A of Article 16 of Chapter 115C of the General Statutes, the fast-track replication process adopted by the State Board of Education shall, at a minimum, require a board of directors of a charter school to demonstrate one of the following in order to qualify for fast-track replication:

(1) A charter school in this State governed by the board of directors has student academic outcomes that are comparable to the academic outcomes of students in the local school administrative unit in which the charter school is located and can provide three years of financially sound audits.

(2) The board of directors agrees to contract with an education management organization or charter management organization that can demonstrate that it can replicate high-quality charter schools in the State that have proven student academic success and financial soundness."
The State Board of Education shall ensure that the rules for a fast-track replication process provide that decisions by the State Board of Education on whether to grant a charter through the replication process are completed in less than 120 days from the application submission date. The State Board shall provide a decision no later than October 15 of the year immediately preceding the year of the proposed school opening. The State Board of Education shall adopt rules and procedures required by this section within 90 days of the effective date of this act, and report to the Joint Legislative Education Oversight Committee within 120 days of the effective date of this act.

SECTION 2.(b) This section is effective the date this act becomes law and applies beginning with applications submitted for fast-track replication of schools opening in the 2018-2019 school year.
