- c. Based on a three-year rolling average, the total assets of the insurance holding company system are at least fifty billion dollars (\$50,000,000,000) or the total gross written premiums of the insurance holding company system are at least ten billion dollars (\$10,000,000,000)."

SECTION 1.(c) Article 19 of Chapter 58 of the General Statutes is amended by adding a new section to read as follows:

"§ 58-19-38. Group-wide supervision of internationally active insurance groups.

(a) In cooperation with other state, federal, and international regulatory agencies, the Commissioner will identify a single group-wide supervisor for an internationally active insurance group in accordance with the provisions of this section. The Commissioner is authorized to act as the group-wide supervisor for any internationally active insurance group. However, the Commissioner may otherwise acknowledge another regulatory official as the group-wide supervisor where the internationally active insurance group meets any of the following criteria:

- (1) It does not have substantial insurance operations in the United States.
- (2) It has substantial insurance operations in the United States, but not in this State.
- (3) It has substantial insurance operations in the United States and this State, but the Commissioner has determined pursuant to the factors set forth in

subsections (b) and (f) of this section that the other regulatory official is the appropriate group-wide supervisor.

An insurance holding company system that does not otherwise qualify as an internationally active insurance group may request that the Commissioner make a determination or acknowledgment as to a group-wide supervisor pursuant to this section.

(b) The Commissioner shall consider all of the following factors when determining that the Commissioner is the appropriate group-wide supervisor for an internationally active insurance group that conducts substantial insurance operations concentrated in this State or acknowledges that a regulatory official from another jurisdiction is the appropriate group-wide supervisor for the internationally active insurance group:

- (1) The place of domicile of the insurers within the internationally active insurance group that holds the largest share of the group's written premiums, assets, or liabilities.
- (2) The place of domicile of the top-tiered insurer(s) in the insurance holding company system of the internationally active insurance group.
- (3) The location of the executive offices or largest operational offices of the internationally active insurance group.
- (4) Whether another regulatory official is acting or is seeking to act as the group-wide supervisor under a regulatory system that the Commissioner determines to have either of the following characteristics:
 - a. The system is substantially similar to the system of regulation provided under the laws of this State.
 - b. The system is otherwise sufficient in terms of providing for group-wide supervision, enterprise risk analysis, and cooperation with other regulatory officials.
- (5) Whether another regulatory official acting or seeking to act as the group-wide supervisor provides the Commissioner with reasonably reciprocal recognition and cooperation.

A regulatory official identified under this section as the group-wide supervisor may determine that it is appropriate to acknowledge another regulatory official to serve as the group-wide supervisor. The acknowledgment of the group-wide supervisor shall be made (i) after consideration of the factors listed in subdivisions (1) through (5) of this subsection, (ii) in cooperation with and subject to the acknowledgment of other regulatory officials involved with supervision of members of the internationally active insurance group, and (iii) in consultation with the internationally active insurance group.

(c) Notwithstanding any other provision of law, when another regulatory official is acting as the group-wide supervisor of an internationally active insurance group, the Commissioner shall acknowledge that regulatory official as the group-wide supervisor. However, the Commissioner shall make a determination or acknowledgment as to the appropriate group-wide supervisor for such an internationally active insurance group pursuant to subsection (b) of this section when there is a material change in the internationally active insurance group that results in either of the following:

- (1) The internationally active insurance group's insurers domiciled in this State holding the largest share of the group's premiums, assets, or liabilities.
- (2) This State being the place of domicile of the top-tiered insurers in the insurance holding company system of the internationally active insurance group.

(d) Pursuant to G.S. 58-19-35, the Commissioner is authorized to collect from any insurer registered pursuant to G.S. 58-19-25 all information necessary to determine whether the Commissioner may act as the group-wide supervisor of an internationally active insurance group or if the Commissioner may acknowledge another regulatory official to act as the group-wide

supervisor. Prior to issuing a determination that an internationally active insurance group is subject to group-wide supervision by the Commissioner, the Commissioner shall notify the insurer registered pursuant to G.S. 58-19-25 and the ultimate controlling person within the internationally active insurance group. The internationally active insurance group shall have 30 days to provide the Commissioner with additional information pertinent to the pending determination.

(e) If the Commissioner is the group-wide supervisor for an internationally active insurance group, the Commissioner is authorized to engage in the following group-wide supervision activities:

- (1) Assess the enterprise risks within the internationally active insurance group to ensure all of the following:
 - a. That the material financial condition and liquidity risks to the members of the internationally active insurance group, that are engaged in the business of insurance, are identified by management.
 - b. That reasonable and effective mitigation measures are in place.
- (2) Request, from any member of an internationally active insurance group subject to the Commissioner's supervision, information necessary and appropriate to assess enterprise risk. This information includes information about the governance, risk assessment and management, capital adequacy, and material intercompany transactions of the members of the internationally active insurance group.
- (3) Coordinate and, in reliance on the authority of the regulatory officials of the jurisdictions where members of the internationally active insurance group are domiciled, compel development and implementation of reasonable measures designed to ensure that the internationally active insurance group is able to timely recognize and mitigate enterprise risks to members of the internationally active insurance group that are engaged in the business of insurance.
- (4) Communicate with other state, federal, and international regulatory agencies with jurisdiction over members within the internationally active insurance group and share relevant information through supervisory colleges as set forth in G.S. 58-19-37 or otherwise subject to the confidentiality provisions of G.S. 58-19-40.
- (5) Enter into agreements with or obtain documentation from any insurer registered under G.S. 58-19-25, any member of the internationally active insurance group, and any other state, federal, and international regulatory agencies for members of the internationally active insurance group, providing the basis for or otherwise clarifying the Commissioner's role as group-wide supervisor, including provisions for resolving disputes with other regulatory officials. Such agreements or documentation shall not serve as evidence in any proceeding that any insurer or person within an insurance holding company system not domiciled or incorporated in this State is doing business in this State or is otherwise subject to jurisdiction in this State.
- (6) Other group-wide supervision activities, consistent with the authorities and purposes enumerated above, as considered necessary by the Commissioner.

(f) If the Commissioner acknowledges that another regulatory official from a jurisdiction that is not accredited by the NAIC is the group-wide supervisor, the Commissioner is authorized to reasonably cooperate, through supervisory colleges or otherwise, with group-wide supervision undertaken by the group-wide supervisor, provided that both of the following conditions are met:

- (1) The Commissioner's cooperation is in compliance with the laws of this State.

- (2) The regulatory official acknowledged as the group-wide supervisor recognizes and cooperates with the Commissioner's activities as a group-wide supervisor for other internationally active insurance groups where applicable.

Where recognition and cooperation are not reasonably reciprocal, the Commissioner is authorized to refuse recognition and cooperation.

(g) The Commissioner may enter into agreements with or obtain documentation from any insurer registered under G.S. 58-19-25, any affiliate of the insurer, and other state, federal, and international regulatory agencies for members of the internationally active insurance group that provide the basis for or otherwise clarify a regulatory official's role as group-wide supervisor.

(h) The Commissioner may adopt rules necessary for the administration of this section.

(i) A registered insurer subject to this section shall be liable for and shall pay the reasonable expenses of the Commissioner's participation in the administration of this section, including the engagement of attorneys, actuaries, and any other professionals and reasonable travel expenses."

SECTION 1.(d) G.S. 58-19-40(a) reads as rewritten:

"(a) Documents, materials, or other information in the possession or control of the Department that are obtained by or disclosed to the Commissioner or any other person in the course of an examination or investigation made pursuant to G.S. 58-19-35, and all information reported or provided to the Department pursuant to subdivisions (11a) and (11b) of G.S. 58-19-15(b), G.S. 58-19-25, ~~and G.S. 58-19-30~~, G.S. 58-19-30 and G.S. 58-19-38 shall be confidential by law and privileged, shall not be considered a public record under either G.S. 58-2-100 or Chapter 132 of the General Statutes, shall not be subject to subpoena, and shall not be subject to discovery or admissible in evidence in any private civil action. However, the Commissioner is authorized to use the documents, materials, or other information in the furtherance of any regulatory or legal action brought as a part of the Commissioner's official duties. The Commissioner shall not otherwise make the documents, materials, or other information public without the prior written consent of the insurer to which it pertains unless the Commissioner, after giving the insurer and its affiliates who would be affected thereby notice and opportunity to be heard, determines that the interest of policyholders, shareholders, or the public will be served by the publication thereof, in which event the Commissioner may publish all or any part of the information in such manner as may be deemed appropriate."

PART II. OVERSIGHT OF INTERNAL AUDIT FUNCTIONS OF INSURERS OR GROUPS OF INSURERS

SECTION 2.(a) G.S. 58-10-190(3) reads as rewritten:

The audit committee of any entity that controls a group of insurers may be deemed to be the audit committee for one or more of these controlled insurers at the election of the controlling person as provided in G.S. 58-10-245(f). If an audit committee is not designated by the insurer, the insurer's entire board of directors shall constitute the audit committee."

SECTION 2.(b) G.S. 58-10-190 is amended by adding a new subdivision to read:

"(6a) "Internal audit function" means a person or persons that provide independent, objective, and reasonable assurance designed to add value and improve an organization's operations and accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control, and governance processes."

SECTION 2.(c) G.S. 58-10-245 is amended by adding a new subsection to read:

(1) The insurer has annual direct written and unaffiliated assumed premium, including international direct and assumed premium, but excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, less than five hundred million dollars (\$500,000,000).

(2) If the insurer is a member of a group of insurers, the group has annual direct written and unaffiliated assumed premium including international direct and assumed premium, but excluding premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program, less than one billion dollars (\$1,000,000,000).

(b) Function. – The insurer or group of insurers shall establish an internal audit function providing independent, objective, and reasonable assurance to the audit committee and insurer management regarding the insurer's governance, risk management, and internal controls. This assurance shall be provided by performing general and specific audits, reviews, and tests and by employing other techniques deemed necessary to protect assets, evaluate control effectiveness and efficiency, and evaluate compliance with policies and regulations.

(c) Independence. – In order to ensure that internal auditors remain objective, the internal audit function must be organizationally independent. For purposes of this section, "organizationally independent" means that the internal audit function (i) shall not defer ultimate judgment on audit matters to others and (ii) shall appoint an individual to head the internal audit function who will have direct and unrestricted access to the board of directors of the insurer or group of insurers. Organizational independence does not preclude dual-reporting relationships.

(d) Reporting. – The head of the internal audit function shall report to the audit committee with a frequency no less than annually on the periodic audit plan, factors that may adversely impact the internal audit function's independence or effectiveness, material findings from completed audits, and the appropriateness of corrective actions implemented by management as a result of audit findings.

- (4) Set forth the procedures for filing and the required contents of the Corporate Governance Annual Disclosure.

(b) Nothing in this Part shall be construed to prescribe or impose corporate governance standards and internal procedures beyond that which is required under applicable state corporate law. The insurer or insurance group is encouraged to make the CGAD disclosures (i) at the level at which the insurer's or insurance group's risk appetite is determined, (ii) at the level at which the earnings, capital, liquidity, operations, and reputation of the insurer are overseen collectively and at which the supervision of those factors are coordinated and exercised, or (iii) at the level at which legal liability for failure of general corporate governance duties would be placed. If the insurer or insurance group determines the level of reporting based on these criteria, it shall indicate which of the three criteria was used to determine the level of reporting and explain any subsequent changes in level of reporting.

(f) The review of the CGAD and any additional requests for information shall be made through the lead state as determined by the procedures within the most recent Financial Analysis Handbook adopted by the NAIC.

(g) An insurer or insurance group providing information substantially similar to the information required by this Part in other documents provided to the Commissioner, including proxy statements filed in conjunction with Form B requirements, or other state or federal filings provided to the Commissioner, shall not be required to duplicate that information in the CGAD, but shall only be required to cross reference the document in which the information is included.
