- 15A NCAC 13B .1636 (Selection of Remedy)
- 15A NCAC 13B .1637 (Implementation of the Corrective Action Program)

SECTION 1.(b) Solid Waste Landfill Rules. – Notwithstanding G.S. 150B-21.3, the Solid Waste Landfill Rules shall become effective when this act becomes effective, except that the EMC and the Department of Environmental Quality (Department) shall implement the Solid Waste Landfill Rules as provided in Section 1(c) until the effective date of the revised permanent rules that the EMC is required to adopt pursuant to Section 1(d).

SECTION 1.(c) Implementation. – The Solid Waste Landfill Rules shall be implemented subject to all of the following requirements:

- (1) One hundred eighty days prior to beginning closure of the final permitted landfill unit, an owner or operator of a construction and demolition debris landfill facility (C&DLF) or a municipal solid waste landfill facility (MSWLF) shall submit to the Department's Division of Waste Management (Division) a notice of intent to close the final unit (notice of closure), in writing, and place a copy of the notice of closure in the facility's operating

record. The notice of closure shall include the anticipated date that the facility will cease waste acceptance and a statement identifying the plans that were incorporated into the permit that the owner or operator will comply with during the closure and post-closure care period. The notice of closure shall include the dates that the plans were incorporated into the facility's permit and the file identification numbers that were assigned by the Division to the files containing these plans. If the owner or operator determines that updates or revisions to the plans are necessary, the owner or operator shall submit any changes to the plans to the Division as a permit modification.

- (2) An owner and operator of a C&DLF or MSWLF shall not be required to submit a permit application for the Division to issue a permit for closure and post-closure care of a landfill. The Division shall issue a permit for closure and post-closure care that incorporates the plans identified in the notice of closure submitted pursuant to subdivision (1) of this subsection. Owners or operators that closed all waste disposal units at the landfill prior to the date this bill becomes law shall not be required to submit a notice of closure pursuant to subdivision (1) of this subsection. If a closure and post-closure care permit has not already been issued for these facilities prior to the date this bill becomes law, the Division shall issue a permit for closure and post-closure care that incorporates the plans for closure and post-closure care that were included in the most recent permit to operate issued for the facility.
- (3) An application for an amendment to a permit for a C&DLF or MSWLF submitted solely for a change in ownership or corporate structure shall include all of the following information:
 - a. A description of the proposed ownership change including affected facilities and associated permit numbers, the schedule for the proposed change in ownership or corporate structure, and contact name and information for the proposed or new owner or operator.
 - b. Any changes to the facility name, property owner, facility operator, or billing contact names and contact information.
 - c. If the property owner has changed or will change as a part of the change to ownership or corporate structure, a copy of the recorded property deed for the new property owner.
 - d. For an applicant that is not a federal, State, or local government, an organization chart showing the ownership structure of the proposed or new owner or operator, which shall be a business entity registered with the North Carolina Secretary of State.
 - e. An environmental compliance history for the applicant in accordance with G.S. 130A-295.3(b).
 - f. Any documentation that the Division may request in order to determine compliance with requirements for financial responsibility that must be established by the proposed or new owner or operator pursuant to G.S. 130A-295.2 and Section .1800 of Subchapter B of Chapter 13 of Title 15A of the North Carolina Administrative Code, including an executed financial assurance mechanism for, by, or from the proposed or new owner or operator.
 - g. Any updates to the cost estimates required to be submitted in accordance with Section .1800 of Subchapter B of Chapter 13 of Title 15A of the North Carolina Administrative Code.
 - h. Any potential modifications to be made by the proposed or new owner or operator to the plans incorporated into the facility's permit, or any

potential modifications to be made to the facility's permit to correct any information included in the plans that has changed due to the change in ownership or corporate structure, such as the owner or operator names and contact information.

- i. For any plans for which no changes or corrections are to be made, a statement that the proposed or new owner or operator shall continue to comply with the plans incorporated into the existing facility permit, which shall be identified in the statement by the date the plans were incorporated, and the file identification number assigned by the Division to the file containing the incorporated plan.
 - j. Copies of any federal, State, or local government permits or approvals required for the facility under law, which have been revised as a result of the proposed change in ownership or corporate structure, or a statement that these permits or approvals have not changed.
 - k. Any additional information that the Division may request that is necessary for compliance with the requirements of this section and the requirements of Subchapter B of Chapter 13 of Title 15A of the North Carolina Administrative Code.
- (4) All references to "interim maximum allowable concentrations" and "IMACs" shall be eliminated from the Solid Waste Landfill Rules.

SECTION 1.(d) Additional Rulemaking Authority. – The EMC shall adopt rules to amend the Solid Waste Landfill Rules to be consistent with Section 1(c). Notwithstanding G.S. 150B-19(4), the rules adopted by the EMC pursuant to this section shall be substantively identical to the provisions of Section 1(c). Rules adopted pursuant to this section are not subject to Part 3 of Article 2A of Chapter 150B of the General Statutes. Rules adopted pursuant to this section shall become effective as provided in G.S. 150B-21.3(b1), as though 10 or more written objections had been received as provided in G.S. 150B-21.3(b2).

SECTION 1.(e) Sunset. – This section expires when permanent rules adopted as required by Section 1(d) become effective.

SECTION 2. This act is effective when it becomes law.

In the General Assembly read three times and ratified this the 3rd day of September, 2021.
