(4) An applicant for a new permit, the renewal of a permit, or a substantial amendment to a permit for a sanitary landfill shall request each local government having jurisdiction over any part of the land on which the sanitary landfill and its appurtenances are located or to be located to issue a determination as to whether the local government has in effect a franchise, zoning, subdivision, or land-use planning ordinance applicable to the sanitary landfill and whether the proposed sanitary landfill, or the existing sanitary landfill as it would be operated under the renewed or substantially amended permit, would be consistent with the applicable ordinances. The request to the local government shall be accompanied by a copy of the permit application and shall be delivered to the clerk of the local government personally or by certified mail. In order to serve as a basis for a determination that an application for a new permit, the renewal of a permit, or a substantial amendment to a permit for a sanitary landfill is consistent with a zoning, subdivision, or land-use planning ordinance, an ordinance or zoning classification applicable to the real property designated in the permit application shall have been in effect not less than 90 days prior to the date the request for a determination of consistency is delivered to the clerk of the local government. The determination shall be verified or supported by affidavit signed by the chief administrative officer, the chief administrative officer's designee, clerk, or other official designated by the local government to make the determination and, if the local government states that the sanitary landfill as it would be operated under the new, renewed, or substantially amended permit is inconsistent with a franchise, zoning, subdivision, or land-use planning ordinance, shall include a copy of the ordinance and the specific reasons for the determination of inconsistency. A copy of the determination shall be provided to the applicant when the

determination is submitted to the Department. The Department shall not act upon an application for a permit under this section until it has received a determination from each local government requested to make a determination by the applicant; provided that if a local government fails to submit a determination to the Department as provided by this subsection within 15 days after receipt of the request, the Department shall proceed to consider the permit application without regard to a franchise, local zoning, subdivision, and land-use planning ordinances. Unless the local government makes a subsequent determination of consistency with all ordinances cited in the determination or the sanitary landfill as it would be operated under the new, renewed, or substantially amended permit is determined by a court of competent jurisdiction to be consistent with the cited ordinances, the Department shall attach as a condition of the permit a requirement that the applicant, prior to construction or operation of the sanitary landfill under the permit, comply with all lawfully adopted local ordinances cited in the determination that apply to the sanitary landfill. This subsection shall not be construed to affect the validity of any lawfully adopted franchise, local zoning, subdivision, or land-use planning ordinance or to affect the responsibility of any person to comply with any lawfully adopted franchise, local zoning, subdivision, or land-use planning ordinance. This subsection shall not be construed to limit any opportunity a local government may have to comment on a permit application under any other law or rule. This subsection shall not apply to any facility with respect to which local ordinances are subject to review under either G.S. 104E-6.2 or G.S. 130A-293.

(5) As used in this subdivision, "coal-fired generating unit" and "investor-owned public utility" have the same meaning as in G.S. 143-215.107D(a). Notwithstanding subdivisions (a)(4), (b1)(3), or (b1)(4) of this section, no franchise shall be required for a sanitary landfill used only to dispose of waste generated by a coal-fired generating unit that is owned or operated by an investor-owned utility subject to the requirements of G.S. 143-215.107D.

(b2) The Department ~~may~~ shall require an applicant for a permit or a permit holder under this Article to satisfy the Department that the applicant or permit holder, and any parent, subsidiary, or other affiliate of the applicant, permit holder, or parent, including any joint venturer with a direct or indirect interest in the applicant, permit holder, or parent:

(1) Is financially qualified to carry out the activity for which the permit is required. An applicant for a permit and permit holders for solid waste management facilities that are not hazardous waste facilities shall establish financial responsibility as required by ~~G.S. 130A-294(b0).~~G.S. 130A-295.2. An applicant for a permit and permit holders for hazardous waste facilities shall establish financial responsibility as required by G.S. 130A-295.04.

(2) Has substantially complied with the requirements applicable to any ~~solid waste management~~ activity in which the ~~applicant~~ applicant or permit holder, or a parent, subsidiary, or other affiliate of the applicant, permit holder, or parent, or a joint venturer with a direct or indirect

interest in the applicant has previously engaged and has been in substantial compliance with federal and state laws, regulations, and rules for the protection of the ~~environment.~~environment as provided in G.S. 130A-295.3.

(b3) An applicant for a permit or a permit holder under this Article shall satisfy the Department that the applicant has met the requirements of subsection (b2) of this section before the Department is required to otherwise review the application. ~~In order to continue to hold a permit under this Article, a permittee must remain financially qualified and must provide any information requested by the Department to demonstrate that the permittee continues to be financially qualified.~~

…."

SECTION 1.(b) This section becomes effective 1 August 2007 and applies to any application for a permit for a solid waste management facility that is pending on that date.

SECTION 2.(a) G.S. 130A-18 reads as rewritten:

"§ **130A-18. Injunction.**

(a) If a person shall violate any provision of this ~~Chapter or~~ Chapter, the rules adopted by the Commission or rules adopted by a local board of health, or a condition or term of a permit or order issued under this Chapter, the Secretary or a local health director may institute an action for injunctive relief, irrespective of all other remedies at law, in the superior court of the county where the violation occurred or where a defendant resides.

(b) The Secretary of Environment and Natural Resources and a local health director shall have the same rights enumerated in subsection (a) of this section to enforce the provisions of Part 4 of Article 5 and Articles 8, 9, 10, 11, and 12 of this Chapter."

SECTION 2.(b) This section becomes effective 1 August 2007 and applies to violations that occur on or after that date.

SECTION 3.(a) G.S. 130A-22(a) reads as rewritten:

"(a) The Secretary of Environment and Natural Resources may impose an administrative penalty on a person who violates Article 9 of this Chapter, rules adopted by the Commission pursuant to Article 9, or any term or condition of a permit or order issued under Article 9. Each day of a continuing violation shall constitute a separate violation. The penalty shall not exceed ~~five thousand dollars ($5,000)~~ fifteen thousand dollars ($15,000) per day in the case of a violation involving nonhazardous waste. The penalty shall not exceed ~~twenty-five thousand dollars ($25,000)~~thirty-two thousand five hundred dollars ($32,500) per day in the case of a first violation involving hazardous waste as defined in G.S. 130A-290 or involving the disposal of medical waste as defined in G.S. 130A-290 in or upon water in a manner that results in medical waste entering waters or lands of the State; and shall not exceed fifty thousand dollars ($50,000) per day for a second or further violation involving the disposal of medical waste as defined in G.S. 130A-290 in or upon water in a manner that results in medical waste entering waters or lands of the State. The penalty shall not exceed ~~twenty-five thousand dollars ($25,000)~~ thirty-two thousand five hundred dollars ($32,500) per day for a violation involving a voluntary remedial action implemented pursuant to G.S. 130A-310.9(c) or a violation of the rules adopted pursuant to G.S. 130A-310.12(b). If a person fails to pay a civil penalty within 60 days after the final agency decision or court order has been served on the violator, the Secretary of Environment and Natural Resources shall request the Attorney General to institute a civil action in the superior

court of any county in which the violator resides or has his or its principal place of business to recover the amount of the assessment. Such civil actions must be filed within three years of the date the final agency decision or court order was served on the violator."

SECTION 3.(b) This section becomes effective 1 August 2007 and applies to violations that occur on or after that date.

SECTION 4.(a) G.S. 130A-22 is amended by adding a new subsection to read:

"(j) The Secretary of Environment and Natural Resources may also assess the reasonable costs of any investigation, inspection, or monitoring associated with the assessment of the civil penalty against any person who is assessed a civil penalty under this section."

SECTION 4.(b) This section becomes effective 1 August 2007 and applies to violations that occur on or after that date.

SECTION 5.(a) Part 2 of Article 9 of Chapter 130A of the General Statutes is amended by adding a new section to read:

"**§ 130A-295.2. Financial responsibility requirements for applicants and permit holders for solid waste management facilities.**

(a) As used in this section:

(1) 'Financial assurance' refers to the ability of an applicant or permit holder to pay the costs of assessment and remediation in the event of a release of pollutants from a facility, closure of the facility in accordance with all applicable requirements, and post-closure monitoring and maintenance of the facility.

(2) 'Financial qualification' refers to the ability of an applicant or permit holder to pay the costs of proper design, construction, operation, and maintenance of the facility.

(3) 'Financial responsibility' encompasses both financial assurance and financial qualification.

(b) The Commission may adopt rules governing financial responsibility requirements for applicants for permits and for permit holders to ensure the availability of sufficient funds for the proper design, construction, operation, maintenance, closure, and post-closure monitoring and maintenance of solid waste management facilities and for any corrective action the Department may require during the active life of a facility or during the closure and post-closure periods.

(c) The Department may provide a copy of any filing that an applicant for a permit or a permit holder submits to the Department to meet the financial responsibility requirements under this section to the State Treasurer. The State Treasurer shall review the filing and provide the Department with a written opinion as to the adequacy of the filing to meet the purposes of this section, including any recommended changes.

(d) The Department may, in its sole discretion, require an applicant for a permit to construct a facility to demonstrate its financial qualification for the design, construction, operation, and maintenance of a facility. The Department may require an applicant for a permit for a solid waste management facility to provide cost estimates for site investigation; land acquisition, including financing terms and land ownership; design; construction of each five-year phase, if applicable; operation; maintenance; closure; and post-closure monitoring and maintenance of the facility to the Department. The Department may allow an applicant to demonstrate its financial qualifications for only the first five-year phase of the facility. If the Department allows an applicant for a

permit to demonstrate its financial qualification for only the first five-year phase of the facility, the Department shall require the applicant or permit holder to demonstrate its financial qualification for each successive five-year phase of the facility when applying for a permit to construct each successive phase of the facility.

(e) If the Department requires an applicant for a permit or a permit holder for a solid waste management facility to demonstrate its financial qualification, the applicant or permit holder shall provide an audited, certified financial statement. An applicant who is required to demonstrate its financial qualification may do so through a combination of cash deposits, insurance, and binding loan commitments from a financial institution licensed to do business in the State and rated AAA by Standard & Poor's, Moody's Investor Service, or Fitch, Inc. If assets of a parent, subsidiary, or other affiliate of the applicant or a permit holder, or a joint venturer with a direct or indirect interest in the applicant or permit holder, are proposed to be used to demonstrate financial qualification, then the party whose assets are to be used must be designated as a joint permittee with the applicant on the permit for the facility.

(f) The applicant and permit holder for a solid waste management facility shall establish financial assurance by a method or combination of methods that will ensure that sufficient funds for closure, post-closure maintenance and monitoring, and any corrective action that the Department may require will be available during the active life of the facility, at closure, and for any post-closure period of time that the Department may require even if the applicant or permit holder becomes insolvent or ceases to reside, be incorporated, do business, or maintain assets in the State. Rules adopted by the Commission may allow a business entity that is an applicant for a permit or a permit holder to establish financial assurance through insurance, irrevocable letters of credit, trusts, surety bonds, or any other financial device, or any combination of the foregoing shown to provide protection equivalent to the financial protection that would be provided by insurance if insurance were the only mechanism used. Assets used to meet the financial assurance requirements of this section shall be in a form that will allow the Department to readily access funds for the purposes set out in this section. Assets used to meet financial assurance requirements of this section shall not be accessible to the permit holder except as approved by the Department.

(g) In order to continue to hold a permit under this Article, a permit holder must maintain financial responsibility and must provide any information requested by the Department to establish that the permit holder continues to maintain financial responsibility. A permit holder shall notify the Department of any significant change in the: (i) identity of any person or structure of the business entity that holds the permit for the facility; (ii) identity of any person or structure of the business entity that owns or operates the facility; or (iii) assets of the permit holder, owner, or operator of the facility. The permit holder shall notify the Department within 30 days of a significant change. A change shall be considered significant if it has the potential to affect the financial responsibility of the permit holder, owner, or operator, or if it would result in a change in the identity of the permit holder, owner, or operator for purposes of either financial responsibility or environmental compliance review. Based on its review of the changes, the Department may require the permit holder to reestablish financial responsibility and may modify or revoke a permit, or require issuance of a new permit.

(h) To meet the financial assurance requirements of this section, the owner or operator of a sanitary landfill shall establish financial assurance sufficient to cover a minimum of three million dollars ($3,000,000) in costs for potential assessment and corrective action at the facility. The Department may require financial assurance in a

higher amount and may increase the amount of financial assurance required of a permit holder at any time based upon the types of waste disposed in the landfill, the projected amount of waste to be disposed in the landfill, the location of the landfill, potential receptors of releases from the landfill, and inflation. The financial assurance requirements of this subsection are in addition to the other financial responsibility requirements set out in this section.

(i) The Commission may adopt rules under which a unit of local government and a solid waste management authority created pursuant to Article 22 of Chapter 153A of the General Statutes may meet the financial responsibility requirements of this section by either a local government financial test or a capital reserve fund requirement."

SECTION 5.(b) G.S. 130A-309.27 reads as rewritten:

"§ **130A-309.27. ~~Landfill escrow account.~~Joint and several liability.**

(a) As used in this section:

(1) "Owner or operator" means, in addition to the usual meanings of the term, any owner of record of any interest in land on which a landfill is or has been sited, ~~and~~ any person or ~~corporation which~~ business entity that owns a majority interest in any other ~~corporation~~ business entity which is the owner or operator of a ~~landfill.~~landfill, and any person designated as a joint permittee pursuant to G.S. 130A-295.2(e).

(2) "Proceeds" means all funds collected and received by the Department, including interest and penalties on delinquent fees.

(b) Every owner or operator of a landfill is jointly and severally liable for the improper operation and closure of the landfill, as provided by law.

~~(c) The owner or operator of a landfill shall establish a fee, or a surcharge on existing fees or other appropriate revenue-producing mechanism, to ensure the availability of financial resources for the proper closure of the landfill. However, the disposal of solid waste by persons on their own property is exempt from the provisions of this section.~~

~~(1) The revenue-producing mechanism must produce revenue at a rate sufficient to generate funds to meet State and federal landfill closure requirements.~~

~~(2) The revenue shall be deposited in an interest-bearing escrow account to be held and administered by the owner or operator. The owner or operator shall file with the Department an annual audit of the account. The audit shall be conducted by a certified public accountant and shall be filed no later than 31 December of each year. Failure to collect or report this revenue, except as allowed in subsection (d), is a noncriminal violation, punishable by a fine of not more than five thousand dollars ($5,000) for each offense. The owner or operator may make expenditures from the account and its accumulated interest only for the purpose of landfill closure and, if such expenditures do not deplete the fund to the detriment of eventual closure, for planning and construction of resource recovery or landfill facilities. Any moneys remaining in the account after paying for proper and complete closure, as determined by the Department, shall, if the owner or operator does not operate a landfill, be deposited by the owner or operator into the general fund of the unit of local government.~~

~~(3) The revenue generated under this subsection and any accumulated interest thereon may be applied to the payment of, or pledged as~~

~~security for, the payment of revenue bonds issued in whole or in part for the purpose of complying with State and federal landfill closure requirements. The application or pledge may be made directly in the proceedings authorizing the bonds or in an agreement with an insurer of bonds to assure the insurer of this additional security.~~

~~(d) An owner or operator may establish proof of financial responsibility with the Department in lieu of the requirements of subsection (c). This proof may include surety bonds, certificates of deposit, securities, letter of credit, corporate guarantee, or other documents showing that the owner or operator has sufficient financial resources to cover, at a minimum, the costs of complying with landfill closure requirements. The owner or operator shall estimate the costs to the satisfaction of the Department.~~

~~(e) This section does not repeal, limit, or abrogate any other law authorizing units of local government to fix, levy, or charge rates, fees, or charges for the purpose of complying with State and federal landfill closure requirements.~~

~~(f) The Commission shall adopt rules to implement this section.~~"

SECTION 5.(c) This section becomes effective 1 August 2007 and applies to any application for a permit for a solid waste management facility that is pending on that date. The provisions of G.S. 130A-295.2(h), as enacted by this section, apply to the owner or operator of a sanitary landfill when the permit is next subject to renewal after 1 August 2009.

SECTION 6.(a) Part 2 of Article 9 of Chapter 130A of the General Statutes is amended by adding a new section to read:

"**§ 130A-295.3. Environmental compliance review requirements for applicants and permit holders.**

(a) For purposes of this section, "applicant" means an applicant for a permit and a permit holder and includes the owner or operator of the facility, and, if the owner or operator is a business entity, applicant also includes: (i) the parent, subsidiary, or other affiliate of the applicant; (ii) a partner, officer, director, member, or manager of the business entity, parent, subsidiary, or other affiliate of the applicant; and (iii) any person with a direct or indirect interest in the applicant, other than a minority shareholder of a publicly traded corporation who has no involvement in management or control of the corporation or any of its parents, subsidiaries, or affiliates.

(b) The Department shall conduct an environmental compliance review of each applicant for a new permit, permit renewal, and permit amendment under this Article. The environmental compliance review shall evaluate the environmental compliance history of the applicant for a period of five years prior to the date of the application and may cover a longer period at the discretion of the Department. The environmental compliance review of an applicant may include consideration of the environmental compliance history of the parents, subsidiaries, or other affiliates of an applicant or parent that is a business entity, including any business entity or joint venturer with a direct or indirect interest in the applicant, and other facilities owned or operated by any of them. The Department shall determine the scope of the review of the environmental compliance history of the applicant, parents, subsidiaries, or other affiliates of the applicant or parent, including any business entity or joint venturer with a direct or indirect interest in the applicant, and of other facilities owned or operated by any of them. An applicant for a permit shall provide environmental compliance history information for each facility, business entity, joint venture, or other undertaking in which any of the persons listed in this subsection is or has been an owner, operator,

officer, director, manager, member, or partner, or in which any of the persons listed in this subsection has had a direct or indirect interest as requested by the Department.

(c) The Department shall determine the extent to which the applicant, or a parent, subsidiary, or other affiliate of the applicant or parent, or a joint venturer with a direct or indirect interest in the applicant, has substantially complied with the requirements applicable to any activity in which any of these entities previously engaged, and has substantially complied with federal and State laws, regulations, and rules for the protection of the environment. The Department may deny an application for a permit if the applicant has a history of significant or repeated violations of statutes, rules, orders, or permit terms or conditions for the protection of the environment or for the conservation of natural resources as evidenced by civil penalty assessments, administrative or judicial compliance orders, or criminal penalties.

(d) A permit holder shall notify the Department of any significant change in its environmental compliance history or other information required by G.S. 130-295.2(g). The Department may reevaluate the environmental compliance history of a permit holder and may modify or revoke a permit or require issuance of a new permit."

SECTION 6.(b) G.S. 130A-309.06(b) is repealed.

SECTION 6.(c) This section becomes effective 1 August 2007 and applies to any application for a permit for a solid waste management facility that is pending on that date.

SECTION 7.(a) G.S. 130A-290(a) is amended by adding three new subdivisions to read:

"(2a) "Coal-fired generating unit" means a coal-fired generating unit, as defined by 40 Code of Federal Regulations § 96.2 (1 July 2001 Edition), that is located in this State and has the capacity to generate 25 or more megawatts of electricity.

(2b) "Combustion products" means residuals, including fly ash, bottom ash, boiler slag, mill rejects, and flue gas desulfurization residue produced by a coal-fired generating unit.

(2c) "Combustion products landfill" means a facility or unit for the disposal of combustion products, where the landfill is located at the same facility with the coal-fired generating unit or units producing the combustion products, and where the landfill is located wholly or partly on top of a facility that is, or was, being used for the disposal or storage of such combustion products, including, but not limited to, landfills, wet and dry ash ponds, and structural fill facilities."

SECTION 7.(b) Part 2 of Article 9 of Chapter 130A of the General Statutes is amended by adding a new section to read:

"**§ 130A-295.4. Combustion products landfills.**

(a) The definitions set out in G.S. 130A-290(a) apply to this section.

(b) The Department may permit a combustion products landfill to be constructed partially or entirely within areas that have been formerly used for the storage or disposal of combustion products at the same facility as the coal-fired generating unit that generates the combustion products, provided the landfill is constructed with a bottom liner system consisting of three components in accordance with this section. Of the required three components, the upper two components shall consist of two separate flexible membrane liners, with a leak detection system between the two liners. The third component shall consist of a minimum of two feet of soil underneath the bottom of those liners, with the soil having a maximum permeability of 1 x 10^{-7} centimeters per

second. The flexible membrane liners shall have a minimum thickness of thirty one-thousandths of an inch (0.030"), except that liners consisting of high-density polyethylene shall be at least sixty one-thousandths of an inch (0.060") thick. The lower flexible membrane liner shall be installed in direct and uniform contact with the compacted soil layer. The Department may approve an alternative to the soil component of the composite liner system if the Department finds, based on modeling, that the alternative liner system will provide an equivalent or greater degree of impermeability.

(c) An applicant for a permit for a combustion products landfill shall develop and provide to the Department a response plan, which shall describe the circumstances under which corrective measures are to be taken at the landfill in the event of the detection of leaks in the leak detection system between the upper two liner components at amounts exceeding an amount specified in the response plan (as expressed in average gallons per day per acre of landfill, defined as an Action Leakage Rate). The response plan shall also describe the remedial actions that the landfill is required to undertake in response to detection of leakage in amounts in excess of the Action Leakage Rate. The Department shall review the response plan as a part of the permit application for the landfill. Compliance with performance of the landfill to prevent releases of waste to the environment may be determined based on leakage rate rather than monitoring well data."

SECTION 7.(c) This section becomes effective 1 August 2007. Any permit issued for a combustion products landfill as described in this section shall, for purposes of this bill, be considered to have been permitted on property described in a solid waste management facility permit that is in effect on 1 August 2007.

SECTION 8.(a) Part 2 of Article 9 of Chapter 130A of the General Statutes is amended by adding a new section to read:

"**§ 130A-295.5. Traffic study required for certain solid waste management facilities.**

(a) An applicant for a permit for a sanitary landfill or for a transfer station shall conduct a traffic study of the impacts of the proposed facility. The Department shall include as a condition of a permit for a sanitary landfill or for a transfer station a requirement that the permit holder mitigate adverse impacts identified by the traffic study. The study shall include all of the following at a minimum:

(1) Identification of routes from the nearest limited access highway used to access the proposed facility.

(2) Daily and hourly traffic volumes that will result along each approach route between the nearest limited access highway and the proposed facility.

(3) A map identifying land uses located along the identified approach routes, including, but not limited to, residential, commercial, industrial development, and agricultural operations. The map shall identify residences, schools, hospitals, nursing homes, and other significant buildings that front the approach routes.

(4) Identification of locations on approach routes where road conditions are inadequate to handle the increased traffic associated with the proposed facility and a description of the mitigation measures proposed by the applicant to address the conditions.

(5) A description of the potential adverse impacts of increased traffic associated with the proposed facility and the mitigation measures proposed by the applicant to address these impacts.

(6) An analysis of the impact of any increase in freight traffic on railroads and waterways.

(b) An applicant for a permit for a sanitary landfill or for a transfer station may satisfy the requirements of subsection (a) of this section by obtaining a certification from the Division Engineer of the Department of Transportation that the proposed facility will not have a substantial impact on highway traffic."

SECTION 8.(b) This section becomes effective 1 August 2007 and applies to any application for a permit for a solid waste management facility that is pending on that date. The section shall not apply to:

(1) An amendment, modification, or other change to a permit for a landfill issued on or before 1 June 2006.

(2) A permit for a horizontal or vertical expansion of the landfill permitted on or before 1 June 2006.

(3) A permit to construct a new landfill within the facility boundary identified in the facility plan of a landfill permitted on or before 1 June 2006.

(4) A permit to operate a new landfill if a permit to construct the new landfill was issued on or before 1 June 2006.

(5) A permit for a sanitary landfill used only to dispose of waste generated by a coal-fired generating unit that is owned or operated by an investor-owned utility subject to the requirements of G.S. 143-215.107D.

(6) A permit for a sanitary landfill determined to be necessary by the Secretary of Environment and Natural Resources in order to respond to an imminent hazard to public health or a natural disaster.

SECTION 9.(a) Part 2 of Article 9 of Chapter 130A of the General Statutes is amended by adding a new section to read:

"**§ 130A-295.6. Additional requirements for sanitary landfills.**

(a) The Department shall conduct a study of the environmental impacts of any proposed sanitary landfill. The study shall meet all of the requirements set forth in G.S. 113A-4 and rules adopted pursuant to G.S. 113A-4. If an environmental impact statement is required, the Department shall publish notice of the draft environmental impact statement and shall hold a public hearing in the county where the landfill will be located no sooner than 30 days following the public notice. The Department shall consider the study of environmental impacts and any mitigation measures proposed by the applicant in deciding whether to issue or deny a permit. An applicant for a permit for a sanitary landfill shall pay all costs incurred by the Department to comply with this subsection including the costs of any special studies that may be required.

(b) The Department shall require a buffer between any perennial stream or wetland and the nearest waste disposal unit of a sanitary landfill of at least 200 feet. The Department may approve a buffer of less than 200 feet, but in no case less than 100 feet, if it finds all of the following:

(1) The proposed sanitary landfill or expansion of the sanitary landfill will serve a critical need in the community.

(2) There is no feasible alternative location that would allow siting or expansion of the sanitary landfill with 200-foot buffers.

(c) A waste disposal unit of a sanitary landfill shall not be constructed within:

(1) A 100-year floodplain or land removed from a 100-year floodplain designation pursuant to 44 Code of Federal Regulations Part 72 (1

October 2006 Edition) as a result of man-made alterations within the floodplain such as the placement of fill, except as authorized by variance granted under G.S. 143-215.54A(b). This subdivision does not apply to land removed from a 100-year floodplain designation (i) as a result of floodplain map corrections or updates not resulting from man-made alterations of the affected areas within the floodplain, or (ii) pursuant to 44 Code of Federal Regulations Part 70 (1 October 2006 Edition) by a letter of map amendment.

(2) A wetland, unless the applicant or permit holder can show all of the following, as to the waste disposal unit:

a. Where applicable under section 404 of the federal Clean Water Act or applicable State wetlands laws, the presumption that a practicable alternative to the proposed waste disposal unit is available which does not involve wetlands is clearly rebutted;

b. Construction of the waste disposal unit will not do any of the following:

1. Cause or contribute to violations of any applicable State water quality standard.

2. Violate any applicable toxic effluent standard or prohibition under section 307 of the federal Clean Water Act.

3. Jeopardize the continued existence of endangered or threatened species or result in the destruction or adverse modification of a critical habitat, protected under the federal Endangered Species Act of 1973.

4. Violate any requirement under the federal Marine Protection, Research, and Sanctuaries Act of 1972.

c. Construction of the waste disposal unit will not cause or contribute to significant degradation of wetlands.

d. To the extent required under section 404 of the federal Clean Water Act or applicable State wetlands laws, any unavoidable wetlands impacts will be mitigated.

(d) The Department shall not issue a permit to construct any disposal unit of a sanitary landfill if, at the time the application is determined to be complete under G.S. 130A-295.8(e), any portion of the proposed waste disposal unit would be located within:

(1) Five miles of the outermost boundary of a National Wildlife Refuge.

(2) One mile of the outermost boundary of a State gameland owned, leased, or managed by the Wildlife Resources Commission pursuant to G.S. 113-306.

(3) Two miles of the outermost boundary of a component of the State Parks System.

(e) A sanitary landfill for the disposal of construction and demolition debris waste shall be constructed with a liner system that consists of a flexible membrane liner over two feet of soil with a maximum permeability of 1 x 10^{-5} centimeters per second. The flexible membrane liner shall have a minimum thickness of thirty one-thousandths of an inch (0.030"), except that a liner that consists of high-density polyethylene shall be at least sixty one-thousandths of an inch (0.060") thick. The flexible membrane liner shall be installed in direct and uniform contact with the soil layer. The Department may

approve an alternative to the soil component of the liner system if the Department finds, based on modeling, that the alternative liner system will provide an equivalent or greater degree of impermeability.

(f) A sanitary landfill, other than a sanitary landfill for the disposal of construction and demolition debris waste, shall be constructed so that the post-settlement bottom elevation of the liner system, or the post-settlement bottom elevation of the waste if no liner system is required, is a minimum of four feet above both the seasonal high groundwater table and the bedrock datum plane contours. A sanitary landfill for the disposal of construction and demolition debris waste shall be constructed so that the post-settlement bottom elevation of the flexible membrane liner component of the liner system is a minimum of four feet above both the seasonal high groundwater table and the bedrock datum plane contours.

(g) A permit holder for a sanitary landfill shall develop and implement a waste screening plan. The plan shall identify measures adequate to ensure compliance with State laws and rules and any applicable local ordinances that prohibit the disposal of certain items in landfills. The plan shall address all sources of waste generation. The plan is subject to approval by the Department.

(h) The following requirements apply to any sanitary landfill for which a liner is required:

(1) A geomembrane base liner system shall be tested for leaks and damage by methods approved by the Department that ensure that the entire liner is evaluated.

(2) A leachate collection system shall be designed to return the head of the liner to 30 centimeters or less within 72 hours. The design shall be based on the precipitation that would fall on an empty cell of the sanitary landfill as a result of a 25-year-24-hour storm event. The leachate collection system shall maintain a head of less than 30 centimeters at all times during leachate recirculation. The Department may require the operator to monitor the head of the liner to demonstrate that the head is being maintained in accordance with this subdivision and any applicable rules.

(3) All leachate collection lines shall be designed and constructed to permanently allow cleaning and remote camera inspection. All leachate collection lines shall be cleaned at least once a year, except that the Department may allow leachate collection lines to be cleaned once every two years if: (i) the facility has continuous flow monitoring; and (ii) the permit holder demonstrates to the Department that the leachate collection lines are clear and functional based on at least three consecutive annual cleanings. Remote camera inspections of the leachate collection lines shall occur upon completion of construction, at least once every five years thereafter, and following the clearing of blockages.

(4) Any pipes used to transmit leachate shall provide dual containment outside of the disposal unit. The bottom liner of a sanitary landfill shall be constructed without pipe penetrations.

(i) The Department shall not issue a permit for a sanitary landfill that authorizes:

(1) A capacity of more than 55 million cubic yards of waste.

(2) A disposal area of more than 350 acres.

(3) A maximum height, including the cap and cover vegetation, of more than 250 feet above the mean natural elevation of the disposal area."

SECTION 9.(b) This section becomes effective 1 August 2007 and applies to any application for a permit for a solid waste management facility that is pending on that date. To the extent that G.S. 130A-295.6, as enacted by this section, imposes requirements that are more stringent than those in effect prior to 1 August 2007, the more stringent requirements do not apply to:

(1) An amendment, modification, or other change to a permit for a landfill issued on or before 1 June 2006.

(2) A permit for a horizontal or vertical expansion of the landfill permitted on or before 1 June 2006.

(3) A permit to construct a new landfill within the facility boundary identified in the facility plan of a landfill permitted on or before 1 June 2006.

(4) A permit to operate a new landfill if a permit to construct the new landfill was issued on or before 1 June 2006.

(5) A permit for a sanitary landfill used only to dispose of waste generated by a coal-fired generating unit that is owned or operated by an investor-owned utility subject to the requirements of G.S. 143-215.107D.

(6) A permit for a sanitary landfill determined to be necessary by the Secretary of Environment and Natural Resources in order to respond to an imminent hazard to public health or a natural disaster.

SECTION 10.(a) G.S. 153A-292(b) reads as rewritten:

"(b) The board of county commissioners may impose a fee for the collection of solid waste. The fee may not exceed the costs of collection.

The board of county commissioners may impose a fee for the use of a disposal facility provided by the county. The fee for use may not exceed the cost of operating the facility and may be imposed only on those who use the facility. The fee for use may vary based on the amount, characteristics, and form of recyclable materials present in solid waste brought to the facility for disposal. A county may not impose a fee for the use of a disposal facility on a city located in the county or a contractor or resident of the city unless the fee is based on a schedule that applies uniformly throughout the county.

The board of county commissioners may impose a fee for the availability of a disposal facility provided by the county. A fee for availability may not exceed the cost of providing the facility and may be imposed on all improved property in the county that benefits from the availability of the facility. A county may not impose an availability fee on property whose solid waste is collected by a county, a city, or a private contractor for a fee if the fee imposed by a county, a city, or a private contractor for the collection of solid waste includes a charge for the availability and use of a disposal facility provided by the county. Property served by a private contractor who disposes of solid waste collected from the property in a disposal facility provided by a private contractor that provides the same services as those provided by the county disposal facility is not considered to benefit from a disposal facility provided by the county and is not subject to a fee imposed by the county for the availability of a disposal facility provided by the county. To the extent that the services provided by the county disposal facility differ from the services provided by the disposal facility provided by a private contractor in the same county, the county may charge an availability fee to cover the costs of the additional services provided by the county disposal facility.

In determining the costs of providing and operating a disposal facility, a county may consider solid waste management costs incidental to a county's handling and disposal of solid waste at its disposal facility, including the costs of the methods of solid waste management specified in G.S. 130A-309.04(a) of the Solid Waste Management Act of 1989. A fee for the availability or use of a disposal facility may be based on the combined costs of the different disposal facilities provided by the county."

SECTION 10.(b) G.S. 160A-314.1(a) reads as rewritten:

"(a) In addition to a fee that a city may impose for collecting solid waste or for using a disposal facility, a city may impose a fee for the availability of a disposal facility provided by the city. A fee for availability may not exceed the cost of providing the facility and may be imposed on all improved property in the city that benefits from the availability of the facility. A city may not impose an availability fee on property whose solid waste is collected by a county, a city, or a private contractor for a fee if the fee imposed by a county, a city, or a private contractor for the collection of solid waste includes a charge for the availability and use of a disposal facility provided by the city. Property served by a private contractor who disposes of solid waste collected from the property in a disposal facility provided by a private contractor that provides the same services as those provided by the city disposal facility is not considered to benefit from a disposal facility provided by the city and is not subject to a fee imposed by the city for the availability of a disposal facility provided by the city. To the extent that the services provided by the city disposal facility differ from the services provided by the disposal facility provided by a private contractor in the same city, the city may charge an availability fee to cover the costs of the additional services provided by the city disposal facility.

In determining the costs of providing and operating a disposal facility, a city may consider solid waste management costs incidental to a city's handling and disposal of solid waste at its disposal facility. A fee for the availability or use of a disposal facility may be based on the combined costs of the different disposal facilities provided by the city."

SECTION 10.(c) This section becomes effective 1 August 2007.

SECTION 11.(a) G.S. 153A-136 is amended by adding two new subsections to read:

"(e) A county that has planning jurisdiction over any portion of the site of a sanitary landfill may employ a local government landfill liaison. No person who is responsible for any aspect of the management or operation of the landfill may serve as a local government landfill liaison. A local government landfill liaison shall have a right to enter public or private lands on which the landfill facility is located at reasonable times to inspect the landfill operation in order to:

(1) Ensure that the facility meets all local requirements.

(2) Identify and notify the Department of suspected violations of applicable federal or State laws, regulations, or rules.

(3) Identify and notify the Department of potentially hazardous conditions at the facility.

(f) Entry pursuant to subsection (e) of this section shall not constitute a trespass or taking of property."

SECTION 11.(b) Chapter 160A of the General Statutes is amended by adding a new section to read:

"**§ 160A-325. Local government landfill liaison.**

(a) A city that has planning jurisdiction over any portion of the site of a sanitary landfill may employ a local government landfill liaison. No person who is responsible for any aspect of the management or operation of the landfill may serve as a local government landfill liaison. A local government landfill liaison shall have a right to enter public or private lands on which the landfill facility is located at reasonable times to inspect the landfill operation in order to:

(1) Ensure that the facility meets all local requirements.

(2) Identify and notify the Department of suspected violations of applicable federal or State laws, regulations, or rules.

(3) Identify and notify the Department of potentially hazardous conditions at the facility.

(b) Entry pursuant to this section shall not constitute a trespass or taking of property."

SECTION 11.(c) This section becomes effective 1 August 2007.

SECTION 12.(a) G.S. 130A-290(a), as amended by S.L. 2007-107, is amended by renumbering subdivision (1a) as (1b), renumbering subdivision (1b) as (1c), renumbering subdivision (1c) as (1d), and by adding a new subdivision to read:

"(1a) 'Business entity' has the same meaning as in G.S. 55-1-40(2a)."

SECTION 12.(b) G.S. 130A-290(a), as amended by S.L. 2007-107, is amended by renumbering subdivision (21a) as (21b) and by adding a new subdivision to read:

"(21a) 'Pre-1983 landfill' means any land area, whether publicly or privately owned, on which municipal solid waste disposal occurred prior to 1 January 1983 but not thereafter, but does not include any landfill used primarily for the disposal of industrial solid waste."

SECTION 12.(c) This section becomes effective 1 August 2007.

SECTION 13.(a) Chapter 130A of the General Statutes is amended by adding a new section to read:

"**§ 130A-295.8. Fees applicable to permits for solid waste management facilities.**

(a) The Solid Waste Management Account is established as a nonreverting account within the Department. All fees collected under this section shall be credited to the Account and shall be used to support the solid waste management program established pursuant to G.S. 130A-294.

(b) As used in this section:

(1) 'New permit' means any of the following:

a. An application for a permit for a solid waste management facility that has not been previously permitted by the Department. The term includes one site suitability review, the initial permit to construct, and one permit to operate the constructed portion of a phase included in the permit to construct.

b. An application that proposes to expand the boundary of a permitted waste management facility for the purpose of expanding the permitted activity.

c. An application that includes a proposed expansion to the boundary of a waste disposal unit within a permitted solid waste management facility.

d. An application for a substantial amendment to a solid waste permit, as defined in G.S. 130A-294.

(2) 'Permit amendment' means any of the following:

a. An application for a permit to construct and one permit to operate for the second and subsequent phases of landfill development described in the approved facility plan for a permitted solid waste management facility.

b. An application for the five-year renewal of a permit for a permitted solid waste management facility or for a permit review of a permitted solid waste management facility.

c. Any application that proposes a change in ownership or corporate structure of a permitted solid waste management facility.

(3) 'Permit modification' means any of the following:

a. An application for any change to the plans approved in a permit for a solid waste management facility that does not constitute a 'permit amendment' or a 'new permit'.

b. A second or subsequent permit to operate for a constructed portion of a phase included in the permit to construct.

(c) An applicant for a permit shall pay an application fee upon submission of an application according to the following schedule:

(1) Municipal Solid Waste Landfill accepting less than 100,000 tons/year of solid waste, New Permit – $25,000.

(2) Municipal Solid Waste Landfill accepting less than 100,000 tons/year of solid waste, Amendment – $15,000.

(3) Municipal Solid Waste Landfill accepting less than 100,000 tons/year of solid waste, Modification – $1,500.

(4) Municipal Solid Waste Landfill accepting 100,000 tons/year or more of solid waste, New Permit – $50,000.

(5) Municipal Solid Waste Landfill accepting 100,000 tons/year or more of solid waste, Amendment – $30,000.

(6) Municipal Solid Waste Landfill accepting 100,000 tons/year or more of solid waste, Modification – $3,000.

(7) Construction and Demolition Landfill accepting less than 100,000 tons/year of solid waste, New Permit – $15,000.

(8) Construction and Demolition Landfill accepting less than 100,000 tons/year of solid waste, Amendment – $9,000.

(9) Construction and Demolition Landfill accepting less than 100,000 tons/year of solid waste, Modification – $1,500.

(10) Construction and Demolition Landfill accepting 100,000 tons/year or more of solid waste, New Permit – $30,000.

(11) Construction and Demolition Landfill accepting 100,000 tons/year or more of solid waste, Amendment – $18,500.

(12) Construction and Demolition Landfill accepting 100,000 tons/year or more of solid waste, Modification – $2,500.

(13) Industrial Landfill accepting less than 100,000 tons/year of solid waste, New Permit – $15,000.

(14) Industrial Landfill accepting less than 100,000 tons/year of solid waste, Amendment – $9,000.

(15) Industrial Landfill accepting less than 100,000 tons/year of solid waste, Modification – $1,500.

(16) Industrial Landfill accepting 100,000 tons/year or more of solid waste, New Permit – $30,000.
(17) Industrial Landfill accepting 100,000 tons/year or more of solid waste, Amendment – $18,500.
(18) Industrial Landfill accepting 100,000 tons/year or more of solid waste, Modification – $2,500.
(19) Tire Monofill, New Permit – $1,750.
(20) Tire Monofill, Amendment – $1,250.
(21) Tire Monofill, Modification – $500.
(22) Treatment and Processing, New Permit – $1,750.
(23) Treatment and Processing, Amendment – $1,250.
(24) Treatment and Processing, Modification – $500.
(25) Transfer Station, New Permit – $5,000.
(26) Transfer Station, Amendment – $3,000.
(27) Transfer Station, Modification – $500.
(28) Incinerator, New Permit – $1,750.
(29) Incinerator, Amendment – $1,250.
(30) Incinerator, Modification – $500.
(31) Large Compost Facility, New Permit – $1,750.
(32) Large Compost Facility, Amendment – $1,250.
(33) Large Compost Facility, Modification – $500.
(34) Land Clearing and Inert, New Permit – $1,000.
(35) Land Clearing and Inert, Amendment – $500.
(36) Land Clearing and Inert, Modification – $250.

(d) A permitted solid waste management facility shall pay an annual permit fee on or before 1 August of each year according to the following schedule:

(1) Municipal Solid Waste Landfill – $3,500.
(2) Post-Closure Municipal Solid Waste Landfill – $1,000.
(3) Construction and Demolition Landfill – $2,750.
(4) Post-Closure Construction and Demolition Landfill – $500.
(5) Industrial Landfill – $2,750.
(6) Post-Closure Industrial Landfill – $500.
(7) Transfer Station – $750.
(8) Treatment and Processing Facility – $500.
(9) Tire Monofill – $500.
(10) Incinerator – $500.
(11) Large Compost Facility – $500.
(12) Land Clearing and Inert Debris Landfill – $500.

(e) The Department shall determine whether an application for a permit for a solid waste management facility that is subject to a fee under this section is complete within 90 days after the Department receives the application for the permit. A determination of completeness means that the application includes all required components but does not mean that the required components provide all of the information that is required for the Department to make a decision on the application. If the Department determines that an application is not complete, the Department shall notify the applicant of the components needed to complete the application. An applicant may submit additional information to the Department to cure the deficiencies in the application. The Department shall make a final determination as to whether the application is complete within the later of: (i) 90 days after the Department receives the

application for the permit less the number of days that the applicant uses to provide the additional information; or (ii) 30 days after the Department receives the additional information from the applicant. The Department shall issue a draft permit decision on an application for a permit within one year after the Department determines that the application is complete. The Department shall hold a public hearing and accept written comment on the draft permit decision for a period of not less than 30 or more than 60 days after the Department issues a draft permit decision. The Department shall issue a final permit decision on an application for a permit within 90 days after the comment period on the draft permit decision closes. The Department and the applicant may mutually agree to extend any time period under this subsection. If the Department fails to act within any time period set out in this subsection, the applicant may treat the failure to act as a denial of the permit and may challenge the denial as provided in Chapter 150B of the General Statutes."

SECTION 13.(b) This section becomes effective on 1 August 2007 and applies to any application for a permit for a solid waste management facility that is pending on that date, except that during the period 1 August 2007 through 1 August 2008 the Department shall determine whether an application or a permit for a solid waste management facility is complete within 270 days after the Department receives the application for the permit.

SECTION 14.(a) Subchapter I of Chapter 105 of the General Statutes is amended by adding a new Article to read:

"Article 5G.

"Solid Waste Disposal Tax.

"**§ 105-187.60. Definitions.**

The definitions set out in G.S. 105-164.3 and G.S. 130A-290 apply to this Article.

"**§ 105-187.61. Tax imposed.**

(a) Tax Rate. – An excise tax is imposed on the disposal of municipal solid waste and construction and demolition debris in any landfill permitted pursuant to Article 9 of Chapter 130A of the General Statutes at a rate of two dollars ($2.00) per ton of waste. An excise tax is imposed on the transfer of municipal solid waste and construction and demolition debris to a transfer station permitted pursuant to Article 9 of Chapter 130A of the General Statutes for disposal outside the State at a rate of two dollars ($2.00) per ton of waste.

(b) Tax Liability. – The excise tax imposed by this section is due on municipal solid waste and construction and demolition debris received from third parties and on municipal solid waste and construction and demolition debris disposed of by the owner or operator. The tax is payable by the owner or operator of each landfill and transfer station permitted under Article 9 of Chapter 130A of the General Statutes.

"**§ 105-187.62. Administration.**

The owner or operator of each landfill and transfer station permitted pursuant to Article 9 of Chapter 130A of the General Statutes shall maintain scales designed to determine waste tonnage that are approved by the Department of Agriculture and Consumer Services. Each owner or operator shall record waste tonnage at the time the waste is received and maintain other records as required by the Secretary of Revenue. An owner or operator may add the amount of the solid waste disposal tax due to the charges made to a third party for disposal of municipal solid waste or construction and demolition debris. The tax imposed by this Article is payable and a return is due to be filed in the same manner as required under G.S. 105-164.16 for sales and use tax.

"**§ 105-187.63. Use of tax proceeds.**

From the taxes received pursuant to this Article, the Secretary may retain the costs of collection, not to exceed two hundred twenty-five thousand dollars ($225,000) a year, as reimbursement to the Department. The Secretary shall credit or distribute taxes received pursuant to this Article, less the cost of collection, as follows:

(1) Fifty percent (50%) to the Inactive Hazardous Sites Cleanup Fund established by G.S. 130A-310.11.

(2) Thirty-seven and one-half percent (37.5%) to units of local government that provide solid waste management services directly to residents within the political boundaries of the unit of local government as determined by the Department of Environment and Natural Resources, distributed on a per capita basis as described in G.S. 105-472(b)(1). Funds distributed under this subdivision shall be used by a unit of local government solely for solid waste management programs and services. As used in this subdivision, "unit of local government" includes a regional solid waste management authority established under Article 22 of Chapter 153A of the General Statutes.

(3) Twelve and one-half percent (12.5%) to the Solid Waste Management Trust Fund established by G.S. 130A-309.12."

SECTION 14.(b) Part 2A of Article 9 of Chapter 130A of the General Statutes is amended by adding a new section to read:

"**§ 130A-295.9. Solid waste disposal tax; use of proceeds.**

It is the intent that the proceeds of the solid waste disposal tax imposed by Article 5G of Chapter 105 of the General Statutes shall be used only for the following purposes:

(1) Funds credited pursuant to G.S. 105-187.63(1) to the Inactive Hazardous Sites Cleanup Fund shall be used by the Department of Environment and Natural Resources to fund the assessment and remediation of pre-1983 landfills. Up to seven percent (7%) of the funds credited under this subdivision may be used to fund staff to administer contracts for the assessment and remediation of pre-1983 landfills.

(2) Funds credited pursuant to G.S. 105-187.63(3) to the Solid Waste Management Trust Fund shall be used by the Department of Environment and Natural Resources to fund grants to State agencies and units of local government to initiate or enhance local recycling programs and to provide for the management of difficult to manage solid waste, including abandoned mobile homes and household hazardous waste. Up to seven percent (7%) of the funds credited under this subdivision may be used by the Department to administer this Part."

SECTION 14.(c) G.S. 130A-310.6 is amended by adding four new subsections to read:

"(c) The Secretary shall use funds allocated to the Department under G.S. 130A-295.9(1) to assess pre-1983 landfills, to determine the priority for remediation of pre-1983 landfills, and to develop and implement a remedial action plan for each pre-1983 landfill that requires remediation. Environmental and human health risks posed by a pre-1983 landfill may be mitigated using a risk-based approach for assessment and remediation.

(d) The Secretary shall not seek cost recovery from a unit of local government for assessment and remedial action performed under subsection (c) of this section at a

pre-1983 landfill. The Secretary shall not seek cost recovery for assessment and remedial action performed under subsection (c) of this section at a pre-1983 landfill from any other potentially responsible party if the Secretary develops and implements a remedial action plan for that pre-1983 landfill. If any potentially responsible party fails to cooperate with assessment of a site and implementation of control and mitigation measures at any site which the potentially responsible party owns or over which the potentially responsible party exercises control through a lease or other property interest, the Secretary may seek cost recovery for assessment and remedial action. Cooperation with assessment of a site and implementation of control and mitigation measures includes, but is not limited to, granting access to the site, allowing installation of monitoring wells, allowing installation and maintenance of improvements to the landfill cap, allowing installation of security measures, agreeing to record and implement land-use restrictions, and providing access to any records regarding the pre-1983 landfill. Nothing in this section shall alter any right, duty, obligation, or liability between a unit of local government and a third party. Nothing in this section shall alter any right, duty, obligation, or liability between any other potentially responsible party and a unit of local government, a third party, or, except as provided in this subsection, to the State.

(e) The Secretary shall develop and implement remedial action plans for pre-1983 landfills in the order of their priority determined as provided in subsection (c) of this section. The Secretary shall not develop or implement a remedial action plan for a pre-1983 landfill unless the Secretary determines that sufficient funds will be available from the Inactive Hazardous Sites Cleanup Fund to pay the costs of development and implementation of a remedial action plan for that pre-1983 landfill.

(f) A unit of local government that voluntarily undertakes assessment or remediation of a pre-1983 landfill may request that the Department reimburse the costs of assessment of the pre-1983 landfill and implementation of measures necessary to remediate the site to eliminate an imminent hazard. The Department shall provide reimbursement under this subsection if the Department finds all of the following:

(1) The unit of local government undertakes assessment and remediation under a plan approved by the Department.

(2) The unit of local government provides a certified accounting of costs incurred for assessment and remediation.

(3) Each contract for assessment and remediation complies with the requirements of Articles 3D and 8 of Chapter 143 of the General Statutes.

(4) Remedial action is limited to measures necessary to abate the imminent hazard.

(g) The Department may undertake any additional action necessary to remediate a pre-1983 landfill based on the priority ranking of the site under subsection (c) of this section."

SECTION 14.(d) G.S. 130A-310.11 reads as rewritten:

"§ **130A-310.11. Inactive Hazardous Sites Cleanup Fund created.**

(a) There is established under the control and direction of the Department the Inactive Hazardous Sites Cleanup Fund. This fund shall be a revolving fund consisting of any monies appropriated for such purpose by the General Assembly or available to it from grants, taxes, and other monies paid to it or recovered by or on behalf of the Department. The Inactive Hazardous Sites Cleanup Fund shall be treated as a

nonreverting special trust fund and shall be credited with interest by the State Treasurer pursuant to G.S. 147-69.2 and G.S. 147-69.3.

(b) Funds credited to the Inactive Hazardous Sites Cleanup Fund pursuant to G.S. 130A-295.9 shall be used only as provided in G.S. 130A-309.295.9(c)."

SECTION 14.(e) This section becomes effective 1 July 2008.

SECTION 15.(a) The Commission for Health Services shall review rules governing the design, construction, operation, maintenance, closure, and post-closure monitoring and maintenance of solid waste management facilities to determine whether changes are required to protect public health, safety, welfare, and the environment; to improve the performance of solid waste management facilities; to take advantage of technological advances in landfill design, construction, operation, maintenance, and closure; and to provide additional protection to environmentally sensitive areas of the State. The Commission shall adopt rules necessary to minimize impacts from solid waste management facilities on public health, safety, welfare, and the environment. These rules shall:

(1) Establish standards for the collection, control, and utilization or destruction of landfill gases at municipal solid waste landfills.

(2) Establish standards for the design, construction, operation, maintenance, closure, and post-closure monitoring and maintenance of bioreactor landfills.

(3) Establish criteria for development of bird and wildlife management plans.

(4) Incorporate measures necessary to minimize impacts to natural, historic, and cultural resources, including, but not limited to, wetlands, critical fisheries habitats, parks, recreation areas, cultural and historic sites, and potential water supplies.

SECTION 15.(b) This section is effective when it becomes law.

SECTION 16.1.(a) Article 9 of Chapter 130A of the General Statutes is amended by adding a new Part to read:

"Part 2E. Discarded Computer Equipment Management.

"**§ 130A-309.90. Findings.**

The General Assembly makes the following findings:

(1) The computer equipment waste stream is growing rapidly in volume and complexity and can introduce toxic materials into solid waste landfills.

(2) It is in the best interests of the citizens of this State to have convenient, simple, and free access to recycling services for discarded computer equipment.

(3) Collection programs operated by local government and nonprofit agencies are an efficient way to divert discarded computer equipment from disposal and to provide recycling services to all citizens of this State.

(4) The development of local and nonprofit collection programs is hindered by the high costs of recycling and transporting discarded computer equipment.

(5) No other system currently exists, either provided by electronics manufacturers, retailers, or others, to adequately serve all citizens of the State and to divert large quantities of discarded computer equipment from disposal.

(6) Manufacturer responsibility is an effective way to ensure that manufacturers of computer equipment take part in a solution to the electronic waste problem.

(7) The recycling of discarded computer equipment recovers valuable materials for reuse and will create jobs and expand the tax base of the State.

"**§ 130A-309.91. Definitions.**

As used in this Part, the following definitions apply:

(1) Business entity. – Defined in G.S. 55-1-40(2a).

(2) Computer equipment. – Any desktop central processing unit, any laptop computer, the monitor or video display unit for a computer system, and the keyboard, mice, and other peripheral equipment. Computer equipment does not include a printing device such as a printer, a scanner, a combination print-scanner-fax machine, or other device designed to produce hard paper copies from a computer; an automobile; a television; a household appliance; a large piece of commercial or industrial equipment, such as commercial medical equipment, that contains a cathode ray tube, a cathode ray tube device, a flat panel display, or similar video display device that is contained within, and is not separate from, the larger piece of equipment, or other medical devices as that term is defined under the federal Food, Drug, and Cosmetic Act.

(3) Discarded computer equipment. – Computer equipment that is solid waste.

(4) Discarded computer equipment collector. – A municipal or county government, nonprofit agency, or retailer that accepts discarded computer equipment from the public.

(5) Manufacturer. – A person who manufactures computer equipment sold under its own brand or label; sells under its own brand or label computer equipment produced by other suppliers; imports into the United States computer equipment that was manufactured outside of the United States; or owns a brand that it licenses to another person for use on computer equipment. Manufacturer includes a business entity that acquires another business entity that manufactures or has manufactured computer equipment.

(6) Orphan discarded computer equipment. – Any discarded computer equipment for which a manufacturer cannot be identified or for which the manufacturer is no longer in business and has no successor in interest.

(7) Retailer. – A person who sells computer equipment in the State to a consumer. Retailer includes a manufacturer of computer equipment that sells directly to a consumer through any means, including transactions conducted through sales outlets, catalogs, the Internet, or any similar electronic means, but does not include a person who sells computer equipment to a distributor or retailer through a wholesale transaction.

"**§ 130A-309.92. Responsibility for recycling discarded computer equipment.**

In addition to the specific requirements of this Part, discarded computer equipment collectors and manufacturers share responsibility for the recycling of discarded

computer equipment and the education of citizens of the State as to recycling opportunities for discarded computer equipment.

"**§ 130A-309.93. Requirements for manufacturers.**

(a) Registration and Fee Required. – Each manufacturer of computer equipment, before selling or offering for sale computer equipment in North Carolina, shall register with the Department and, at the time of registration, shall pay an initial registration fee of ten thousand dollars ($10,000) to the Department. A computer equipment manufacturer that has registered shall pay an annual renewal registration fee of one thousand dollars ($1,000) to the Department. The annual renewal registration fee shall be paid each year no later than the first day of the month in which the initial registration fee was paid. The proceeds of these fees shall be credited to the Computer Equipment Management Account. A manufacturer of computer equipment that sells 1,000 items of computer equipment or less per year is exempt from the requirement to pay the registration fee and the annual renewal fee imposed by this subsection.

(b) Manufacturer Label Required. – A manufacturer shall not sell or offer to sell computer equipment in this State unless a visible, permanent label clearly identifying the manufacturer of that device is affixed to the equipment.

(c) Computer Equipment Recycling Plan. – Each manufacturer of computer equipment shall develop and submit to the Department a plan for reuse or recycling of discarded computer equipment in the State produced by the manufacturer. The manufacturer shall submit a proposed plan to the Department within 120 days of registration as required by subsection (a) of this section. The plan shall:

(1) Describe any direct take-back program to be implemented by the manufacturer, including mail-back programs and collection events.

(2) Provide that the manufacturer will take responsibility for discarded computer equipment it manufactured.

(3) Include a detailed description as to how the manufacturer will implement and finance the plan.

(4) Provide for environmentally sound management practices to transport and recycle discarded computer equipment.

(5) Describe the performance measures that will be used by the manufacturer to document recovery and recycling rates for discarded computer equipment. The calculation of recycling rates shall include the amount of discarded computer equipment managed under the manufacturer's program divided by the amount of computer equipment sold by the manufacturer in North Carolina.

(6) Describe in detail how the manufacturer will provide for transportation of discarded computer equipment at no cost from discarded computer equipment collectors.

(7) Describe in detail how the manufacturer will fully cover the costs of processing discarded computer equipment received from discarded computer equipment collectors.

(8) Include a public education plan on the laws governing the recycling and reuse of discarded computer equipment under this Part and on the methods available to consumers to comply with those requirements.

(d) Computer Equipment Recycling Plan Revision. – A manufacturer may prepare a revised plan and submit it to the Department at any time as the manufacturer considers appropriate in response to changed circumstances or needs. The Department

may require a manufacturer to revise or update a plan if the Department finds that the plan is inadequate or out-of-date.

(e) Payment of Costs for Plan Implementation. – Each manufacturer is responsible for all costs associated with the development and implementation of its plan. A manufacturer shall not collect a charge for the management of discarded computer equipment at the time the equipment is discarded.

(f) Joint Computer Equipment Recycling Plans. – A manufacturer may fulfill the requirements of this section by participation in a joint recycling plan with other manufacturers. A joint plan shall meet the requirements of subsection (c) of this section.

(g) Annual Report. – Each manufacturer shall submit a report to the Department by 1 February of each year that includes all of the following for the previous calendar year:

(1) A description of the collection and recycling services used to recover the manufacturer's products.

(2) The quantity and type of computer equipment sold by the manufacturer to retail consumers in this State.

(3) The quantity and type of discarded computer equipment collected by the manufacturer for recovery in this State for the preceding calendar year.

(4) Any other information requested by the Department.

"**§ 130A-309.94. Requirements for discarded computer equipment collectors.**

Each discarded computer equipment collector shall ensure that discarded computer equipment received by the collector is consolidated at central locations, properly stored, and either held for pickup by a manufacturer or delivered to a facility designated by a manufacturer.

"**§ 130A-309.95. Responsibilities of the Department.**

In addition to its other responsibilities under this Part, the Department shall:

(1) Develop and maintain a current list of manufacturers that are in compliance with the requirements of G.S. 130A-309.93 and provide the current list to the Office of Information Technology Services each time that the list is updated.

(2) Develop and implement a public education program on the laws governing the recycling and reuse of discarded computer equipment under this Part and on the methods available to consumers to comply with those requirements. The Department shall make this information available on the Internet and shall provide technical assistance to manufacturers to meet the requirements of G.S. 130A-309.93(c)(8). The Department shall also provide technical assistance to units of local government on the establishment and operation of discarded computer equipment collection centers and in the development and implementation of local public education programs.

(3) Maintain the confidentiality of any information that is required to be submitted by a manufacturer under this Part that is designated as a trade secret, as defined in G.S. 66-152(3) and that is designated as confidential or as a trade secret under G.S. 132-1.2.

"**§ 130A-309.96. Computer Equipment Management Account.**

The Computer Equipment Management Account is created as a nonreverting account within the Department. Funds in the Account shall be used by the Department to implement the provisions of this Part.

"**§ 130A-309.97. Enforcement.**

This Part may be enforced as provided by Part 2 of Article 1 of this Chapter.

"**§ 130A-309.98. Annual report.**

No later than 1 April of each year, the Department shall submit a report on the recycling of discarded computer equipment in the State under this Part to the Environmental Review Commission. The report must include an evaluation of the recycling rates in the State for discarded computer equipment, a discussion of compliance and enforcement related to the requirements of this Part, and any recommendations for any changes to the system of collection and recycling of discarded computer equipment or other electronic devices."

SECTION 16.1.(b) The Department shall include in the annual report for 1 April 2011, as required by G.S. 130A-309.98, as enacted by Section 16.1(a) of this act, an analysis of the feasibility and advisability of deleting the exclusion of printing devices from the definition of computer equipment as set out in G.S. 130A-309.91, as enacted by Section 16.1(a) of this act.

SECTION 16.2. G.S. 130A-309.09A(b)(6) reads as rewritten:

"(6) Include an assessment of current programs and a description of intended actions with respect to:

a. Education with the community and through the schools.

b. Management of special wastes.

c. Prevention of illegal disposal and management of litter.

d. Purchase of recycled materials and products manufactured with recycled materials.

e. For each county and each municipality with a population in excess of 25,000, collection of discarded computer equipment, as defined in G.S. 130A-309.91."

SECTION 16.3. G.S. 130A-309.10(f) is amended by adding a new subdivision to read:

"(14) Discarded computer equipment, as defined in G.S. 130A-309.91."

SECTION 16.4. G.S. 130A-309.10(f1) is amended by adding a new subdivision to read:

"(7) Discarded computer equipment, as defined in G.S. 130A-309.91."

SECTION 16.5. Part 4 of Article 3D of Chapter 147 of the General Statutes is amended by adding a new section to read:

"**§ 147-33.104. Purchase by State agencies and governmental entities of certain computer equipment prohibited.**

(a) The exemptions set out in G.S. 147-33.80 do not apply to this section.

(b) No State agency, political subdivision of the State, or other public body shall purchase computer equipment, as defined in G.S. 130A-309.91, from any manufacturer determined not to be in compliance with the requirements of G.S. 130A-309.93 as determined from the list provided by the Department of Environment and Natural Resources pursuant to G.S. 130A-309.95(1).

(c) The Office of Information Technology Services shall make the list available to political subdivisions of the State and other public bodies. A manufacturer that is not in compliance with the requirements of G.S. 130A-309.93 shall not sell or offer for sale computer equipment to the State, a political subdivision of the State, or other public body."

SECTION 16.6.(a) Part 2E of Article 9 of Chapter 130A of the General Statutes, as enacted by Section 16.1(a) of this act, becomes effective as follows:

(1) G.S. 130A-309.90 becomes effective 1 January 2009.
(2) G.S. 130A-309.91 becomes effective 1 January 2009.
(3) G.S. 130A-309.92 becomes effective 1 January 2009.
(4) G.S. 130A-309.93(a) becomes effective 1 January 2009.
(5) G.S. 130A-309.93(b) becomes effective 1 January 2009.
(6) G.S. 130A-309.93(c) becomes effective 1 October 2009.
(7) G.S. 130A-309.93(d) becomes effective 1 October 2009.
(8) G.S. 130A-309.93(e) becomes effective 1 January 2009.
(9) G.S. 130A-309.93(f) becomes effective 1 January 2009.
(10) G.S. 130A-309.93(g) becomes effective 1 February 2011.
(11) G.S. 130A-309.94 becomes effective 1 January 2010.
(12) G.S. 130A-309.95(1) becomes effective 1 January 2009.
(13) G.S. 130A-309.95(2) becomes effective 1 January 2009.
(14) G.S. 130A-309.95(3) becomes effective 1 January 2009.
(15) G.S. 130A-309.96 becomes effective 1 January 2009.
(16) G.S. 130A-309.97 becomes effective 1 January 2009.
(17) G.S. 130A-309.98 becomes effective 1 April 2011.

SECTION 16.6.(b) Section 16.2 of this act becomes effective 1 January 2009. Sections 16.3 and 16.4 of this act become effective 1 January 2012. Section 16.5 of this act becomes effective 1 July 2009. Subsection (b) of Section 16.1 of this act, Section 16.6 of this act, and any other provision of this act for which an effective date is not specified become effective 1 January 2009.

SECTION 17. The Division of Waste Management and the Division of Pollution Prevention and Environmental Assistance of the Department of Environment and Natural Resources shall jointly develop a proposal for a recycling program for fluorescent lamps. The program will be developed so as to ensure that substantially all of the mercury contained in fluorescent lamps will be recovered so as to facilitate a phaseout of incandescent lamps without damage to public health and the environment from the increased use of mercury lamps as replacements for fluorescent lamps. The Department of Environment and Natural Resources shall report its findings and recommendations, including legislative proposals and cost estimates, to the Environmental Review Commission on or before 1 March 2008.

SECTION 18. The Environmental Review Commission shall study issues related to the franchise of solid waste management facilities by units of local government. The Environmental Review Commission, with the assistance of the Department of Justice, shall study issues related to the transportation of solid waste by rail or barge, including the extent to which regulation of the transportation of solid waste by rail or barge by state governments may be preempted by federal law. The Environmental Review Commission shall report its findings and recommendations, including any legislative proposals, to the 2008 Regular Session of the General Assembly.

SECTION 19. If any section or provision of this act is declared unconstitutional or invalid by the courts, the unconstitutional or invalid section or provision does not affect the validity of this act as a whole or any part of this act other than the part declared to be unconstitutional or invalid.

SECTION 20. Except as otherwise provided in this act, this act is effective when it becomes law.

In the General Assembly read three times and ratified this the 2nd day of August, 2007.

Became law upon approval of the Governor at 10:35 p.m. on the 31st day of August, 2007.

Session Law 2007-551 **House Bill 1005**

AN ACT TO REQUIRE THAT RECOMMENDATIONS ON DEBT CAPACITY INCLUDE RECOMMENDATIONS RELATED TO DEBT SUPPORTED BY THE GENERAL FUND, THE HIGHWAY FUND, AND THE HIGHWAY TRUST FUND; TO REQUIRE THE DEPARTMENT OF TRANSPORTATION TO REVIEW THE STIP PLANNING AND DEVELOPMENT PROCESS; TO DIRECT THE OFFICE OF STATE BUDGET AND MANAGEMENT TO STUDY LONG-TERM ECONOMIC, MOBILITY, AND INFRASTRUCTURE NEEDS; TO ENACT CERTAIN BRIDGE CONSTRUCTION GUIDELINES; AND TO REQUIRE COMPLIANCE WITH CERTAIN FEDERAL GUIDELINES FOR TRANSPORTATION PROJECTS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 142-101(d) reads as rewritten:

"(d) Duties. – The Debt Affordability Advisory Committee shall annually advise the Governor and the General Assembly on the estimated debt capacity of the State for the upcoming 10 fiscal years. The Committee shall oversee the undertaking of an annual debt affordability study and the establishment of guidelines for evaluating the State's debt burden. The guidelines should include target and ceiling ratios of net tax-supported debt to personal income and debt service to revenues, target and floor percentages for the 10-year payout ratio, and target and floor percentages for the unreserved General Fund balance. The Committee's recommendations shall include recommendations on debt capacities for debt supported by the General Fund, the Highway Fund, and the Highway Trust Fund. The Committee shall also recommend any other debt management policies it considers desirable and consistent with sound management of the State's debt."

SECTION 2. The Department shall review the State Transportation Improvement Program (STIP) project planning, development, and prioritization process to determine any needed legislation to address congestion, mobility, and transportation infrastructure needs to meet established transportation network performance targets, and shall study alternative funding sources. The Department shall report its findings and recommendations to the Joint Legislative Transportation Oversight Committee by October 1, 2007.

SECTION 3. The Office of State Budget and Management shall conduct a study to develop a statewide logistics plan to address long-term economic, mobility, and infrastructure needs. The study shall include, but not be limited to, all of the following:

(1) Identification of priority commerce needs.
(2) Transportation infrastructure, including multimodal solutions, to support key industries vital to the State's long-term economic growth.
(3) Input from State agencies and the private sector.
(4) A timetable for meeting any identified needs.

The Office of State Budget and Management shall report its findings to the Joint Legislative Transportation Oversight Committee not later than April 1, 2008. Of the funds appropriated to the Department of Transportation from the Highway Fund, the Department may use up to one million dollars ($1,000,000) to pay for this study.

SECTION 4. Article 2A of Chapter 136 of the General Statutes is amended by adding a new section to read:

"**§ 136-44.7D. Bridge construction guidelines.**

A bridge crossing rivers and streams in watersheds shall be constructed to accommodate the hydraulics of a flood water level equal to the water level projected for a 100-year flood for the region in which the bridge is built. The bridge shall be built without regard for the riparian buffer zones as designated by the Department of Environment and Natural Resources, Division of Water Quality. No Memorandums of Agreement may be made between Departments to bypass this construction mandate. No agency rules shall be enacted contrary to this section."

SECTION 5. Article 2A of Chapter 136 of the General Statutes is amended by adding a new section to read:

"**§ 136-44.7E. Compliance with federal guidelines for transportation projects.**

The Department may continue to use the Merger '01 process provided the relevant portions of P.L. 109-59, Section 6002, (SAFETEA-LU) are incorporated to ensure the Department as the recipient agency is the co-lead agency with the United States Department of Transportation, delegating all other federal, state, or local agencies as participating or cooperating agencies. The Department's designation as a co-lead agency shall inure to the Department the authority to determine the purpose and need of a project and to determine viable alternatives. Any conflict between cooperating or participating agencies and the Department shall be resolved by the Department in favor of the completion of the project in conflict."

SECTION 6. This act is effective when it becomes law.

In the General Assembly read three times and ratified this the 2nd day of August, 2007.

Became law upon approval of the Governor at 11:00 p.m. on the 31st day of August, 2007.

Session Law 2007-552 Extra Session 2007 **House Bill 4**

AN ACT TO CREATE AN ECONOMIC DEVELOPMENT TOOL TO RETAIN HIGH-QUALITY JOBS IN THE STATE BY PROVIDING GRANT INCENTIVES FOR CAPITAL IMPROVEMENTS TO BUSINESSES THAT ARE PROPORTIONALLY RELATED TO EMPLOYEE RETENTION WITHIN THE STATE FOR POSITIONS MEETING CERTAIN WAGE, INSURANCE, HEALTH, ENVIRONMENTAL, AND OTHER RELEVANT STANDARDS.

The General Assembly of North Carolina enacts:

SECTION 1. Part 2 of Article 10 of Chapter 143B of the General Statutes is amended by adding a new section to read:

"**§ 143B-437.11. Job Maintenance and Capital Development Fund.**

(a) Findings. – The General Assembly finds that:

(1) It is the policy of the State of North Carolina to stimulate economic activity, to maintain high-paying jobs for the citizens of the State, and to encourage capital investment by encouraging and promoting the maintenance of existing business and industry within the State.

(2) The economic condition of the State is not static, and recent changes in the State's economic condition have created economic distress that requires the enactment of a new program as provided in this section

that is designed to encourage the retention of significant numbers of high-paying jobs and the addition of further large-scale capital investment.

(3) The enactment of this section is necessary to stimulate the economy and maintain high-quality jobs in North Carolina, and this section will promote the general welfare and confer, as its primary purpose and effect, benefits on citizens throughout the State through the maintenance of high-quality jobs, an enlargement of the overall tax base, continued diversity in the State's industrial base, and an increase in revenue to the State's political subdivisions.

(4) The purpose of this section is to stimulate economic activity and to maintain high-paying jobs within the State while increasing the property tax base for local governments.

(5) The benefits that flow to the State from job maintenance and capital investment are many and include increased tax revenues related to the capital investment, increased corporate income and franchise taxes due to the placement of additional resources in the State, a better trained, highly skilled workforce, and the continued receipt of personal income tax withholdings from workers who remain employed in high-paying jobs.

(b) Fund. – The Job Maintenance and Capital Development Fund is created as a restricted reserve in the Department of Commerce. Monies in the Fund do not revert but remain available to the Department for these purposes. The Department may use monies in the Fund only to encourage businesses to maintain high-paying jobs and make further capital investments in the State as provided in this section, and funds are hereby appropriated for these purposes in accordance with G.S. 143C-1-2.

(c) Definitions. – The definitions in G.S. 143B-437.51 apply in this section. In addition, as used in this section, the term 'Department' means the Department of Commerce.

(d) Eligibility. – A business that satisfies all of the following conditions is eligible for consideration for a grant under this section:

(1) The Department certifies that the business has invested or intends to invest at least two hundred million dollars ($200,000,000) of private funds in improvements to real property and additions to tangible personal property in the project within a six-year period beginning with the time the investment commences.

(2) The business employs at least 2,000 full-time employees or equivalent full-time contract employees at the project that is the subject of the grant at the time the application is made, and the business agrees to maintain at least 2,000 full-time employees or equivalent full-time contract employees at the project for the full term of the grant agreement.

(3) The project is located in a development tier one area at the time the business applies for a grant.

(4) All newly hired employees of the business must be citizens of the United States, or have proper identification and documentation of their authorization to reside and work in the United States.

(e) Wage Standard. – A business is eligible for consideration for a grant under this section only if the business satisfies a wage standard at the project that is the subject

of the agreement. A business satisfies the wage standard if it pays an average weekly wage that is at least equal to one hundred forty percent (140%) of the average wage for all insured private employers in the county. The Department of Commerce shall annually publish the wage standard for each county. In making the wage calculation, the business shall include any jobs that were filled for at least 1,600 hours during the calendar year, regardless of whether the jobs are full-time positions or equivalent full-time contract positions. Each year that a grant agreement is in effect, the business shall provide the Department a certification that the business continues to satisfy the wage standard. If a business fails to satisfy the wage standard for a year, the business is not eligible for a grant payment for that year.

(f) Health Insurance. – A business is eligible for consideration for a grant under this section only if the business makes available health insurance for all of the full-time employees and equivalent full-time contract employees of the project with respect to which the application is made. For the purposes of this subsection, a business makes available health insurance if it pays at least fifty percent (50%) of the premiums for health care coverage that equals or exceeds the minimum provisions of the basic health care plan of coverage under G.S. 58-50-125.

Each year that a grant agreement under this section is in effect, the business shall provide the Department a certification that the business continues to make available health insurance for all full-time employees of the project governed by the agreement. If a business fails to satisfy the requirements of this subsection, the business is not eligible for a grant payment for that year.

(g) Safety and Health Programs. – A business is eligible for consideration for a grant under this section only if the business has no citations under the Occupational Safety and Health Act that have become a final order within the last three years for willful serious violations or for failing to abate serious violations with respect to the location for which the grant is made. For the purposes of this subsection, 'serious violation' has the same meaning as in G.S. 95-127.

(h) Environmental Impact. – A business is eligible for consideration for a grant under this section only if the business has no pending administrative, civil, or criminal enforcement action based on alleged significant violations of any program implemented by an agency of the Department of Environment and Natural Resources and has had no final determination of responsibility for any significant administrative, civil, or criminal violation of any program implemented by an agency of the Department of Environment and Natural Resources within the last three years with respect to the location for which the grant is made. For the purposes of this subsection, a significant violation is a violation or alleged violation that does not satisfy any of the conditions of G.S. 143-215.6B(d).

(i) Selection. – The Department shall administer the selection of projects to receive grants under this section. The selection process shall include the following components:

(1) Criteria. – The Department shall develop criteria to be used to identify and evaluate eligible projects for possible grants under this section.

(2) Initial evaluation. – The Department shall evaluate projects to determine if a grant under this section is merited and to determine whether the project is eligible and appropriate for consideration for a grant under this section.

(3) Application. – The Department shall require a business to submit an application in order for a project to be considered for a grant under this

section. The Department shall prescribe the form of the application, the application process, and the information to be provided, including all information necessary to evaluate the project in accordance with the applicable criteria.

(4) Committee. – The Department shall submit to the Economic Investment Committee the applications for projects the Department considers eligible and appropriate for a grant under this section. The Committee shall evaluate applications to choose projects to receive a grant under this section. In evaluating each application, the Committee shall consider all criteria adopted by the Department under this section and, to the extent applicable, the factors set out in Section 2.1(b) of S.L. 2002-172.

(5) Findings. – The Committee shall make all of the following findings before recommending a project receive a grant under this section:

a. The conditions for eligibility have been met.

b. A grant under this section for the project is necessary to carry out the public purposes provided in subsection (a) of this section.

c. The project is consistent with the economic development goals of the State and of the area where it is located.

d. The affected local governments have participated in retention efforts and offered incentives in a manner appropriate to the project.

e. A grant under this section is necessary for the sustainability and maintenance of the project in this State.

(6) Recommendations. – If the Committee recommends a project for a grant under this section, it shall recommend the amount of State funds to be committed, the preferred form and details of the State participation, and the performance criteria and safeguards to be required in order to protect the State's investment.

(j) Agreement. – Unless the Secretary of Commerce determines that the project is no longer eligible or appropriate for a grant under this section, the Department shall enter into an agreement to provide a grant or grants for a project recommended by the Committee. Each grant agreement is binding and constitutes a continuing contractual obligation of the State and the business. The grant agreement shall include the performance criteria, remedies, and other safeguards recommended by the Committee or required by the Department. Each grant agreement shall contain a provision prohibiting a business from receiving a payment or other benefit under the agreement at any time when the business has received a notice of an overdue tax debt and the overdue tax debt has not been satisfied or otherwise resolved. Each grant agreement shall contain a provision requiring the business to maintain the employment level at the project that is the subject of the agreement that is the lesser of the level it had at the time it applied for a grant under this section or that it had at the time that the investment required under subsection (d) of this section began. For the purposes of this subsection, the employment level includes full-time employees and equivalent full-time contract employees. The agreement shall further specify that the amount of a grant shall be reduced in proportion to the extent the business fails to maintain employment at this level and that the business shall not be eligible for a grant in any year in which its employment level is less than eighty percent (80%) of that required. A grant agreement

may obligate the State to make a series of grant payments over a period of up to 10 years. Nothing in this section constitutes or authorizes a guarantee or assumption by the State of any debt of any business or authorizes the taxing power or the full faith and credit of the State to be pledged.

The Department shall cooperate with the Attorney General's office in preparing the documentation for the grant agreement. The Attorney General shall review the terms of all proposed agreements to be entered into under this section. To be effective against the State, an agreement entered into under this section shall be signed personally by the Attorney General.

(k) Safeguards. – To ensure that public funds are used only to carry out the public purposes provided in this section, the Department shall require that each business that receives a grant under this section shall agree to meet performance criteria to protect the State's investment and ensure that the projected benefits of the project are secured. The performance criteria to be required shall include maintenance of an appropriate level of employment at specified levels of compensation, maintenance of health insurance for all full-time employees, investment of a specified amount over the term of the agreement, and any other criteria the Department considers appropriate. The agreement shall require the business to repay or reimburse an appropriate portion of the grant based on the extent of any failure by the business to meet the performance criteria. The agreement shall require the business to repay all amounts received under the agreement and to forfeit any future grant payments if the business fails to satisfy the investment eligibility requirement of subdivision (d)(1) of this section. The use of contract employees shall not be used to reduce compensation at the project that is the subject of the agreement.

(l) Calculation of Grant Amounts. – The Committee shall consider the following factors in determining the amount of a grant that would be appropriate, but is not necessarily limited to these factors:

(1) Ninety-five percent (95%) of the privilege and sales and use taxes paid by the business on machinery and equipment installed at the project that is the subject of the agreement.

(2) Ninety-five percent (95%) of the sales and use taxes paid by the business on building materials used to construct, renovate, or repair facilities at the project that is the subject of the agreement.

(3) Ninety-five percent (95%) of the additional income and franchise taxes that are not offset by tax credits. For the purposes of this subdivision, 'additional income and franchise taxes' are the additional taxes that would be due because of the investment in machinery and equipment and real property at the project that is the subject of the agreement during the investment period specified in subsection (d) of this section.

(4) Ninety-five percent (95%) of the sales and use taxes paid on electricity, the excise tax paid on piped natural gas, and the privilege tax paid on other fuel for electricity, piped natural gas, and other fuel consumed at the project that is the subject of the agreement.

(5) One hundred percent (100%) of worker training expenses, including wages paid for on-the-job training, associated with the project that is the subject of the agreement.

(6) One hundred percent (100%) of any State permitting fees associated with the capital expansion at the project that is the subject of the agreement.

(m) Monitoring and Reports. – The Department is responsible for monitoring compliance with the performance criteria under each grant agreement and for administering the repayment in case of default. The Department shall pay for the cost of this monitoring from funds appropriated to it for that purpose or for other economic development purposes.

Within two months after the end of each calendar quarter, the Department shall report to the Joint Legislative Commission on Governmental Operations regarding the Job Maintenance and Capital Development Fund. This report shall include a listing of each grant awarded and each agreement entered into under this section during the preceding quarter, including the name of the business, the cost/benefit analysis conducted by the Committee during the application process, a description of the project, and the amount of the grant expected to be paid under the agreement during the current fiscal year. The report shall also include detailed information about any defaults and repayment during the preceding quarter. The Department shall publish this report on its Web site and shall make printed copies available upon request.

(n) Limitations. – The Department may enter into no more than five agreements under this section. The total aggregate cost of all agreements entered into under this section may not exceed sixty million dollars ($60,000,000). The total annual cost of an agreement entered into under this section may not exceed four million dollars ($4,000,000)."

SECTION 2. There is appropriated from the General Fund to the Job Maintenance and Capital Development Fund, created under Section 1 of this act, the sum of five million dollars ($5,000,000) for the 2008-2009 fiscal year.

SECTION 3. G.S. 150B-1(d) is amended by adding a new subdivision to read:

"(d) Exemptions from Rule Making. – Article 2A of this Chapter does not apply to the following:

…

(18) The Department of Commerce and the Economic Investment Committee in developing criteria and administering the Job Maintenance and Capital Development Fund under G.S. 143B-437.11."

SECTION 4. The Joint Select Committee on Economic Development Incentives shall compile a report that lists and quantifies all economic development incentives offered by the State. The report shall be a comprehensive listing of economic development incentives and shall include information on tax expenditures, grant and loan programs, State appropriations that directly or indirectly support economic development, State appropriations to other public and private entities for economic development initiatives, and the use of State trust funds. The Committee shall make a final report, including any recommendations or legislative proposals, to the 2009 General Assembly and may make an interim report to the 2008 Regular Session of the 2007 General Assembly.

SECTION 5. This act becomes effective July 1, 2007.

In the General Assembly read three times and ratified this the 11th day of September, 2007.

Became law upon approval of the Governor at 4:02 p.m. on the 11th day of September, 2007.

VETOES
OF
GOVERNOR MICHAEL F. EASLEY

G.S. 120-34(a) provides that "In any case where the Governor has returned a bill to the General Assembly with objections, those objections shall be printed verbatim in the Session Laws, regardless of whether or not the bill became law notwithstanding the objections."

Bill Number	Title of Bill
HOUSE BILL 1761	AN ACT TO CREATE THE JOB MAINTENANCE AND CAPITAL DEVELOPMENT FUND.

Veto Message for House Bill 1761

MICHAEL F. EASLEY
GOVERNOR

August 30, 2007

GOVERNOR'S OBJECTIONS AND VETO MESSAGE

House Bill 1761, "An Act to Create the Job Maintenance and Capital Development Fund."

House Bill 1761 would set a dangerous precedent for North Carolina's economic development policy and is not fair to her taxpayers. It calls for the state to give up to $40 million in cash to an existing company in one county with little or no regard for how much the company actually pays in state and local taxes, what wages it pays now or in the future, or whether it lays off nearly 25% of its workforce. Never in the history of the state has anyone given a company up to $40 million and allowed them to lay off hundreds of workers.

We are proud of the employer and its hard working employees that House Bill 1761 was designed to help. But this bill does not protect those employees or the state of North Carolina.

Therefore, I veto the bill.

Michael F. Easley

The bill, having been vetoed, is returned to the Clerk of the North Carolina House of Representatives on this 30th day of August 2007 at 1:13 pm *for reconsideration by that body.*

RESOLUTIONS

OF THE

STATE OF NORTH CAROLINA

REGULAR SESSION 2007

EXTRA SESSION 2007

Resolution 2007-1 **House Joint Resolution 5**

A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF BERNARD ALLEN, SR., FORMER MEMBER OF THE NORTH CAROLINA GENERAL ASSEMBLY.

Whereas, Bernard Allen was born on August 24, 1937, to James Allen, Sr. and Louise Hoover Allen, and spent his early years in Allendale, South Carolina; and

Whereas, Bernard Allen began his college education at Voorhees College in Denmark, South Carolina, and later used his athletic ability to earn a football scholarship to St. Augustine's College in Raleigh; and

Whereas, Bernard Allen obtained a bachelors degree in secondary education from St. Augustine's College in 1962, a masters degree in public administration from North Carolina Central University in 1979, and took additional graduate courses at East Carolina University; and

Whereas, for many years, Bernard Allen served as an educator and a school administrator in the Vance County public schools; and

Whereas, after his retirement from the education field, Bernard Allen became one of the first African-Americans to register as a lobbyist in the State of North Carolina; and

Whereas, Bernard Allen's background in education and his personal experience helped him succeed as a lobbyist for the black teachers association, a position he held until 1971, when the black and white teacher associations merged into the North Carolina Association of Educators (NCAE); and

Whereas, Bernard Allen served as a lobbyist for NCAE in numerous positions for 25 years, serving as a field consultant and staff investigator, who represented teachers and administrators before State and local school boards, and as the organization's chief legislative lobbyist in North Carolina and Washington, D.C., advocated for better salaries and working conditions for more than 50,000 public educators in North Carolina; and

Whereas, Bernard Allen served as a lobbyist for the Office of the Secretary of State for a number of years, helping the agency advocate its positions and policies before the General Assembly; and

Whereas, Bernard Allen's strong desire to continue his role as a public servant and his commitment to be an effective member of his community influenced his decision to enter the race for a seat in the North Carolina House of Representatives in 2002, which he won by an overwhelming margin; and

Whereas, Representative Allen served with honor and distinction as a member of the House of Representatives for two terms during the 2003 and 2005 sessions of the General Assembly; and

Whereas, during his tenure in the General Assembly, Representative Allen made significant contributions as a member of numerous committees, including: Appropriations, Appropriations Subcommittee on Health and Human Services, Education, Education Subcommittee on Pre-School, Elementary and Secondary Education, Finance, State Government, State Personnel, Pensions and Retirement, and the Select Committee on the North Carolina State Employees' Disability Plans; and

Whereas, Representative Allen served in various House leadership positions, including Chair of State Personnel, Vice-Chair of Pensions and Retirement, and Vice-Chair of the Select Committee on the Lottery, and sponsored legislation creating the lottery and protecting the health and safety of those who receive drinking water from private wells; and

Whereas, Representative Allen was a man of integrity, who fought for the poor, the uneducated, and the disenfranchised and was admired for being attentive and respectful to everyone; and

Whereas, Representative Allen was an active participant in civic and community activities, serving as a member of the Committee on Student Teaching in North Carolina, the National Education Association's Task Force on the Dismissal of Black Educators in the South, the Raleigh-Wake Citizen's Association, and the NAACP, and was a founding member of the Saint Augustine's College Falcon Foundation; and

Whereas, Representative Allen served as chair of the advisory committee of WTVD television station, President of the Sir Walter Jaycees, State Director of the NAACP Voter Empowerment Program, and chair of North Carolina Central University's Board of Trustees for two years during his 10-year tenure, and was elected the national representative of the St. Augustine's College Board of Trustees by the national alumni membership; and

Whereas, Representative Allen was a devoted member of the St. Ambrose Episcopal Church in Raleigh; and

Whereas, Representative Allen died on October 14, 2006, at the age of 69 and only a few weeks before his unopposed election to a third term in the House of Representatives; and

Whereas, Representative Allen leaves to cherish his memory, his wife, Vivian Sneed Allen, two sons, Bernard Allen II and Andre Allen, and one grandson; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly honors the memory of Bernard Allen, Sr. and expresses the gratitude and appreciation of this State and its citizens for his life and service to his community and to North Carolina.

SECTION 2. The General Assembly extends its sincere sympathy to the family and friends of Bernard Allen, Sr. for the loss of a beloved husband, father, grandfather, and true friend.

SECTION 3. The Secretary of State shall transmit a certified copy of this resolution to the family of Bernard Allen, Sr.

SECTION 4. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 6th day of February, 2007.

Resolution 2007-2 **House Joint Resolution 37**

A JOINT RESOLUTION HONORING THE APPALACHIAN STATE UNIVERSITY FOOTBALL TEAM ON WINNING ITS SECOND STRAIGHT NATIONAL CHAMPIONSHIP AND HONORING THE MEMORY OF DR. LOWELL FURMAN.

Whereas, on December 15, 2006, Appalachian State University's football team won the 2006 National Collegiate Athletic Association's (NCAA) Division I championship, defeating the University of Massachusetts by a score of 28-17; and

Whereas, this victory gave the Mountaineers their second straight national title; and

Whereas, the Mountaineers won their second straight Southern Conference championship compiling a conference record of 7-0 and an overall record of 14-1, the most wins in school history; and

Whereas, many individual Mountaineer players were recognized for their efforts during the season, including Armanti Edwards, who was named the national Freshman of the Year; Kevin Richardson, who was chosen as the Most Valuable Player during the playoffs and the Southern Conference Offensive Player of the Year; and Marques Murrell, who was named the Southern Conference Defensive Player of the Year; and

Whereas, a school record of eight players received all-American honors, including Armanti Edwards, Kevin Richardson, Kerry Brown, Marques Murrell, Corey Lynch, Jeremy Wiggins, Daniel Bettis, and Matt Isenhour, and 19 players received all-conference selections; and

Whereas, Coach Jerry Moore received numerous coaching awards, including the Eddie Robinson Award from The Sports Network, and was named the national Coach of the Year by the American Football Coaches Association; and

Whereas, Coach Moore improved his number of victories at Appalachian State University to 154, further extending his record for the most wins for any coach in the Southern Conference; and

Whereas, the entire football team and coaching staff deserve recognition and congratulations for winning a second national football championship, which has brought great honor and distinction to the State; and

Whereas, it is also fitting to recognize the Mountaineers' strong fan base, which provided outstanding support to the team during its 2006 season; and

Whereas, one of those ardent fans was the late Dr. Lowell Furman, a longtime supporter of ASU football and ASU athletics, who served as a physician for ASU's football team for five decades, President of the North Carolina Surgical Association, President of the Watauga Surgical Group for 34 years, cofounder of the World Medical

Missions, and as a two-term governor for North Carolina to the American College of Surgeons; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly congratulates the Appalachian State University Mountaineers on winning the 2006 National Collegiate Athletic Association Division I Football Championship and recognizes the achievements of the players, coaches, students, alumni, and support staff who were instrumental in helping the football team win its second straight national championship.

SECTION 2. The General Assembly honors the memory of Dr. Lowell Furman for his contributions to Appalachian State University athletics.

SECTION 3. The Secretary of State shall transmit a copy of this resolution to Appalachian State University Chancellor Kenneth Peacock, Athletics Director Charlie Cobb, Head Coach Jerry Moore, and the family of Dr. Lowell Furman.

SECTION 4. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 7th day of February, 2007.

Resolution 2007-8 **House Joint Resolution 151**

A JOINT RESOLUTION HONORING THE FOUNDERS OF THE TOWN OF ZEBULON ON THE TOWN'S 100TH ANNIVERSARY.

Whereas, the Town of Zebulon can trace its early beginnings to 1906, when the Raleigh and Pamlico Sound Railroad Company brought rail service to the area; and

Whereas, on February 15, 1906, real estate developers Edgar B. Barbee and Falconer B. Arendell received a charter for the Zebulon Company and began dividing up their 49 acres into lots, blocks, streets, and avenues; and

Whereas, on February 16, 1907, the area consisting of 297.5 acres was officially recognized as the Town of Zebulon; and

Whereas, the Town was named for Zebulon B. Vance, who served as Governor of North Carolina during the Civil War; and

Whereas, Zebulon's first appointed officers were Mayor Joseph F. Fields and Commissioners Nathan L. Horton, J. Michael Whitley, Thomas F. Powell, William S. Horton, and J. Henry Bunn; and

Whereas, Zebulon's first elected officers were Mayor Thomas J. Horton and Commissioners Avon G. Kemp, William S. Horton, Nathan L. Horton, Thomas F. Powell, and Joseph F. Fields; and

Whereas, some of Zebulon's earliest businesses included the Whitley Hotel, the Town's first boardinghouse, and the Bank of Zebulon, the Town's first bank; and

Whereas, for many years, tobacco production was the most important industry in Zebulon; and

Whereas, Zebulon has continued to grow and prosper through the continued dedication, insight, and planning of the Town's concerned leaders and citizens; and

Whereas, currently Zebulon consists of 2,950 acres or 3.1 square miles; and

Whereas, Zebulon is known as "The Town of Friendly People" and is home to more than 4,600 people; and

Whereas, Zebulon's 100th anniversary is worthy of recognition and celebration; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly honors the memory of the founders of the Town of Zebulon on the Town's 100th anniversary.

SECTION 2. The General Assembly joins the citizens of the Town of Zebulon in celebrating the Town's 100th Anniversary.

SECTION 3. The Secretary of State shall transmit a certified copy of this resolution to the Mayor of the Town of Zebulon.

Resolution 2007-10 **House Joint Resolution 435**

A JOINT RESOLUTION HONORING THE FOUNDERS OF THE TOWN OF INDIAN TRAIL ON THE TOWN'S CENTENNIAL ANNIVERSARY.

Whereas, the Town of Indian Trail, located in western Union County, has a rich history that began with the people who traveled along the colonial trading path between Petersburg, Virginia, and the Waxhaw Indian settlement; and

Whereas, Indian Trail's first post office was established on March 12, 1861, with Cyrus Stevens serving as the first postmaster; and

Whereas, the General Assembly ratified an act to incorporate the Town of Indian Trail on March 6, 1907; and

Whereas, the Town's charter provided that its first officers include J.F. Cander as mayor and J.T. Orr, S.H. Crowell, and D.J. Hemby as commissioners; and

Whereas, farming and gold production played a part in the Town's early economic success, and expansion of the railroad further contributed to the Town's early growth; and

Whereas, religion played a prominent role in the Town's history with the establishment of many excellent churches, including the Town's oldest church, Indian Trail United Methodist Church, which was founded in 1901; and

Whereas, education has also been of major importance in the Town with a number of exceptional schools within the Town's boundaries, including the oldest school, Indian Trail Elementary School, which was established in 1923; and

Whereas, Indian Trail has grown from 300 citizens in 1912 to more than 22,000 citizens today, becoming the second largest town in Union County; and

Whereas, the Town of Indian Trail has been and continues to be a valuable community within Union County with many fine citizens who have contributed to the development and the character of the Town throughout its existence; and

Whereas, plans have been made to celebrate the Town's historic anniversary throughout 2007, including a Centennial Celebration on March 10, 2007, at First Baptist Church of Indian Trail; and

Whereas, this occasion is worthy of celebration and should be enjoyed and supported by all North Carolinians; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly honors the memory of the founders of the Town of Indian Trail and congratulates the Town on its centennial anniversary.

SECTION 2. The Secretary of State shall transmit a certified copy of this resolution to the Mayor of the Town of Indian Trail.

SECTION 3. This resolution is effective upon ratification.

Resolution 2007-11 **Senate Joint Resolution 499**

A JOINT RESOLUTION HONORING THE WAKE FOREST UNIVERSITY FOOTBALL TEAM ON WINNING THE 2006 ATLANTIC COAST CONFERENCE CHAMPIONSHIP.

Whereas, on December 2, 2006, Wake Forest University's football team won the 2006 Atlantic Coast Conference (ACC) championship, defeating Georgia Tech by a score of 9-6 in Jacksonville, Florida; and

Whereas, this victory earned Wake Forest a berth in the Bowl Championship Series and a bid to the 2007 FedEx Orange Bowl; and

Whereas, Wake Forest was the first team from North Carolina to earn a berth in one of the top five bowls (Orange, Fiesta, Rose, Sugar, and Cotton) since 1961; and

Whereas, this championship gave Wake Forest its second ACC title, having won its first title in 1970; and

Whereas, Wake Forest finished the 2006 football season with an 11-3 record, shattering the previous school record of eight wins captured in 1944, 1979, and 1992; and

Whereas, Wake Forest's five wins in September 2006 marked the most victories in any month of the year in Demon Deacon football history; and

Whereas, Wake Forest won six ACC games for the first time in school history and won the ACC's Atlantic Division after being picked to finish last by the league's media in the preseason; and

Whereas, Wake Forest was the most improved team in America, based upon win differential; and

Whereas, Wake Forest was the first team in ACC history (out of 113) to go 6-0 in true road games; and

Whereas, Wake Forest swept its ACC Tobacco Road rivals – Duke University, the University of North Carolina at Chapel Hill, and North Carolina State University – for the first time since 1987; and

Whereas, Wake Forest shut out Florida State University in Tallahassee for the first time since 1959, snapping a 17-game losing streak; and

Whereas, Wake Forest was ranked in the top 25 for eight straight weeks; and

Whereas, head coach Jim Grobe was voted the National Coach of the Year by the Associated Press, American Football Coaches Association, the Bobby Dodd Foundation, and other media outlets; and

Whereas, sophomore placekicker Sam Swank and senior offensive tackle Steve Vallos were chosen as first team All-Americans; and

Whereas, junior linebacker Jon Abbate and senior safety Josh Gattis were named honorable mention All-Americans; and

Whereas, freshman quarterback Riley Skinner was voted the ACC's Rookie of the Year; and

Whereas, eight Wake Forest players earned All-ACC recognition from the league's voting body; and

Whereas, the entire football team and staff deserve recognition and congratulations for winning an ACC Championship and a berth in the FedEx Orange Bowl, which has brought great honor and distinction to the State; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly congratulates the Wake Forest University football team on winning the 2006 Atlantic Coast Conference Championship and recognizes the achievements of the players, coaches, students, alumni, and support staff who were instrumental in helping the football team have a successful 2006 season.

SECTION 2. The General Assembly honors the Wake Forest University's football team, a North Carolina institution.

SECTION 3. The Secretary of State shall transmit a copy of this resolution to Wake Forest University President Nathan O. Hatch, Athletics Director Ron Wellman, and Head Coach Jim Grobe.

SECTION 4. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 12th day of March, 2007.

Resolution 2007-12 **House Joint Resolution 460**

A JOINT RESOLUTION HONORING EAST CAROLINA UNIVERSITY ON THE UNIVERSITY'S CENTENNIAL ANNIVERSARY.

Whereas, the people of North Carolina are deeply indebted to the North Carolina General Assembly of 1907 and other leaders of a century ago whose great vision created East Carolina Teachers Training School on March 8, 1907; and

Whereas, during the groundbreaking for the first building for the East Carolina Teachers Training School on July 2, 1908, Governor Thomas Jordan Jarvis, made the prophetic comment, "We can never begin to calculate the value it will be to North Carolina"; and

Whereas, East Carolina Teachers Training School opened its doors on October 5, 1909, with a faculty of seven women and three men and an enrollment of 104 women and 19 men; and

Whereas, Robert Herring Wright served as the school's first president; and

Whereas, on March 8, 1911, the General Assembly gave the school broader authority and flexibility with regards to its curriculum; and

Whereas, on June 8, 1911, the first graduating class received their diplomas; and

Whereas, in 1916, the school chose the colors of Old Gold and Royal Purple and the motto of "Servire," meaning "to serve"; and

Whereas, in 1920, the General Assembly amended the school's charter allowing for a four-year curriculum; and

Whereas, on December 19, 1921, the General Assembly enacted legislation changing the name of the school to East Carolina Teachers College and authorized the school to award the Bachelor of Arts degree in education; and

Whereas, in August 1922, East Carolina Teachers College conferred its first baccalaureate degrees, and in 1929, the school's trustees approved the awarding of the Master of Arts degree; and

Whereas, in 1951, the General Assembly approved a name change to East Carolina College to reflect the changing nature of the curriculum and the degrees awarded by the institution; and

Whereas, by the late 1950s, East Carolina College had become the State's third largest campus and was the fastest growing institution in North Carolina; and

Whereas, in the fall of 1963, the first full-time African-American student enrolled without incident at East Carolina College and graduated in 1966; and

Whereas, by 1967, East Carolina College had the largest college enrollment in the South and one of the largest enrollments in the nation; and

Whereas, legislation creating East Carolina University passed on June 29, 1967, creating an independent regional university in Greenville; and

Whereas, in 1972, East Carolina University became a constituent institution of The University of North Carolina system; and

Whereas, in 1974, the General Assembly gave approval of the establishment of a four-year medical school at East Carolina University, and in 1981, the first class of medical students graduated with Doctor of Medicine degrees; and

Whereas, in 1983, East Carolina University conferred its first Doctor of Philosophy degree; and

Whereas, in 1997, East Carolina University achieved status as a "Doctoral II" level institution; and

Whereas, East Carolina University has become the State's leader in distance education enrolling more than 5,000 students in distance education classes; and

Whereas, East Carolina University's online MBA and computer science degree programs were ranked number one nationally and its education degree program third by GetEducated.com, and all three degree programs were deemed "Best Buys" by the same group; and

Whereas, East Carolina University has the largest enrollment in several key professional programs in the State that address major State needs, including education, allied health, nursing, and hospitality management; and

Whereas, East Carolina University's arts program is one of the largest and most distinguished on the east coast and has produced a number of nationally recognized artists who have earned coveted awards, including Emmys and Grammys; and

Whereas, three East Carolina University graduates have either individually or as part of a group been awarded a Pulitzer Prize; and

Whereas, in April 2006, U.S. News and World Report ranked the Brody School of Medicine in the top 10 medical schools in the nation in three categories, including 6th in primary care, 7th in rural medicine, and 9th in family medicine; and

Whereas, East Carolina University ranks in the top 10 in five categories in the Milliken Institute report that scores universities around the world on technology transfer. For every $1 million in research, the university ranks 3rd in the number of patents issued, 6th in the number of inventions disclosed, 6th in the number of start-up companies formed, 8th in the number of patents filed, and 9th in the ratio of patents issued to patents filed. Among East Carolina University's best known inventions is the SpeechEasy device that helps stutterers speak more fluently; and

Whereas, East Carolina University's athletic department established a tradition of excellence beginning in 1941 when the football team finished its season with a record of 7-0 and was one of only 13 teams in the nation to go undefeated; and

Whereas, in 1966, the football team won its first conference championship as a member of the Southern Conference; and

Whereas, in 1990, the baseball team finished its season as the National Collegiate Athletic Association's statistical champion with a 47-9 record; and

Whereas, in 1993, the Pirates won their first national bowl game with a 37-34 victory over North Carolina State University during the Peach Bowl and earned a 9th place ranking in the nation; and

Whereas, East Carolina University became a member of Conference-USA for all intercollegiate sports, and in 2002, the baseball team claimed its first Conference-USA title; and

Whereas, each year more than 8,000 East Carolina University students contribute in excess of 100,000 hours of voluntary service to more than 125 community health and human service organizations located in Greenville; and

Whereas, East Carolina University's annual contribution to the local economy is approximately $2 billion; and

Whereas, for 100 years East Carolina University has held steadily to the ideals of academic integrity cherished by its founders, trustees, faculty, staff, alumni, and students; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly recognizes and honors the founders of East Carolina University for their vision, commends the University for its contributions to North Carolina and its people, extends congratulations on the institution's centennial anniversary, and looks forward to a second century of service by the University on behalf of the people of North Carolina and the nation.

SECTION 2. The Secretary of State shall transmit a certified copy of this resolution to the President of the Board of Governors of The University of North Carolina and to the Chancellor of East Carolina University.

SECTION 3. This resolution is effective upon ratification.

Resolution 2007-13 **Senate Joint Resolution 253**

A JOINT RESOLUTION HONORING INDEPENDENCE HIGH SCHOOL ON HAVING AN OUTSTANDING FOOTBALL TEAM AND HONORING THE MEMORY OF DEVIN HOWARD.

Whereas, on December 9, 2006, the football team at Charlotte's Independence High School won the State's 4-AA Football Championship by defeating Durham's Riverside High School by a score of 49-19; and

Whereas, the Patriots earned a place in the history books by becoming the State's first public high school football team to win seven straight championships; and

Whereas, since September 2000, the Patriots have won 108 games in a row, which is a national public school record; and

Whereas, many Patriot players have been recognized for their individual efforts, including three players named to Parade Magazine's All-America team, two players selected as the North Carolina Gatorade players of the year, and players chosen for the Shrine Bowl team; and

Whereas, several former Patriots have played college-level football in the Atlantic Coast Conference, Southeastern Conference, and other conferences across the United States; and

Whereas, the Patriots owe much of their success during their outstanding 2006 season to head coach Tom Knotts who has been coaching football for 24 years and has a record of 259-55; and

Whereas, the achievements of Independence High School's football team is a fitting testimonial and memorial to the dedicated young men who have played for the team, including Devin Howard, who died in April of 2005 and had been selected as the defensive player of the year in the ME-CA 8 conference and as a member of the Charlotte Observer's All-Observer team and the All-State team in 2004; and

Whereas, the Patriots' successful football program has brought great honor and distinction to the State and deserves recognition; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly congratulates the Independence High School Patriots on winning the 2006 State 4-AA Football Championship and recognizes the achievements of the players, coaches, students, alumni, and support staff who were instrumental in helping the team succeed.

SECTION 2. The General Assembly honors the memory of Devin Howard for his contributions to football at Independence High School.

SECTION 3. The Secretary of State shall transmit a copy of this resolution to the principal and head football coach at Independence High School and the family of Devin Howard.

SECTION 4. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 15th day of March, 2007.

Resolution 2007-14 **Senate Joint Resolution 674**

A JOINT RESOLUTION HONORING THE MEMORY OF WILLIAM PEACE, FOUNDER OF PEACE COLLEGE.

Whereas, William Peace (1773-1865) was a native North Carolinian from Granville County and a member of the second class of the University of North Carolina, a respected Raleigh merchant, and an educational proponent of the long-running Raleigh Academy and the University of North Carolina, and a founding elder of First Presbyterian Church of Raleigh; and

Whereas, in 1813 the General Assembly appointed William Peace and five other gentlemen to be City Commissioners to erect a dwelling for the Governor near the City of Raleigh; and

Whereas, in 1857, at the age of 84, William Peace donated $10,000 and eight acres of land in the heart of North Carolina's Capital City on which to establish a Presbyterian school for girls and young ladies; and

Whereas, because of his generous gift, the name Peace Institute was selected for the school; and

Whereas, Peace College has grown from a kindergarten and preparatory school to a baccalaureate college true to its original mission for women; and

Whereas, because of his initial gift, Peace College has graduated thousands of women who have led and are leading lives of purpose, contributing to the quality of this great State; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly honors the memory of William Peace and recognizes March 14, 2007, as William Peace Day in recognition of his enduring contributions.

SECTION 2. The Secretary of State shall transmit a certified copy of this resolution to Laura Carpenter Bingham, the President of Peace College.

SECTION 3. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 15th day of March, 2007.

Resolution 2007-15 **House Joint Resolution 434**

A JOINT RESOLUTION HONORING THE FOUNDERS OF THE TOWN OF DENTON ON THE TOWN'S 100TH ANNIVERSARY.

Whereas, the Town of Denton, located in Davidson County, was formerly known as Finch's Crossroads until the late 1870s; and

Whereas, in 1877, Branson Ivey Harrison, a local school teacher, circulated a petition to have a post office established in the area; and

Whereas, after the rejection of several names for the new post office, local resident, Samuel Moses Peacock, recommended the name of Denton after reading about a town in Texas called Denton; and

Whereas, the post office opened on July 12, 1878, and Samuel M. Peacock served as the first postmaster; and

Whereas, in 1882, J.M. Daniel and B.I. Harrison established the area's first store which offered groceries, dry goods, and hardware to area residents; and

Whereas, in 1904, Milton L. Jones began construction of a railroad from Thomasville to Denton, and in 1906, the first passenger train began running; and

Whereas, on March 11, 1907, the General Assembly ratified a bill sponsored by Senator Wade H. Phillips to incorporate the Town of Denton; and

Whereas, the Town's charter provided that its first officers include J. Earl Varner as Mayor, B.I. Harrison, Arthur Davis, J.M. Daniel, L.A. Newsom, and Jesse C. Morris as commissioners, Dr. A. Anderson as the town physician, and John F. Carrol as the Chief of Police; and

Whereas, the early success of the Town was due in part to the expansion of the railroad which aided in distributing lumber and agricultural products produced in the Town and attracting new industry and citizens; and

Whereas, the Town has continued to grow and prosper through the continued dedication, insight, and planning of its concerned leaders and citizens; and

Whereas, 2007 marks Denton's 100th anniversary, and plans have been made to celebrate the Town's centennial; and

Whereas, this occasion is worthy of celebration and should be enjoyed and supported by all North Carolinians; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly honors the founders of the Town of Denton and joins the citizens of Denton in celebrating the Town's 100th anniversary.

SECTION 2. The Secretary of State shall transmit a certified copy of this resolution to the Mayor of the Town of Denton.

SECTION 3. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 15th day of March, 2007.

Resolution 2007-19 **Senate Joint Resolution 1556**

A JOINT RESOLUTION RECOGNIZING THE MEN'S BASKETBALL TEAM AT BARTON COLLEGE ON BECOMING THE 2007 NCAA DIVISION II NATIONAL CHAMPIONS.

Whereas, the men's basketball program at Barton College in the City of Wilson warrants recognition and a commendation for its outstanding achievements; and

Whereas, on March 24, 2007, the Bulldogs won the NCAA Division II National Championship by defeating the defending national champion Winona State by

a score of 77-75, ending the top-ranked and undefeated Warriors' Division II record win streak at 57 games; and

Whereas, this championship was the first NCAA title for Barton College in any sport; and

Whereas, the men's basketball team finished in the Carolinas-Virginia Athletics Conference (CVAC) season as the regular season champions and as the conference tournament champions for the second straight year; and

Whereas, the Bulldogs set several school records during its 2006-2007 season achieving a 19-1 CVAC record, winning 21 straight games, and posting an overall record of 31-5; and

Whereas, the Bulldogs went an unbelievable 9-0 in overtime games, setting the all-time, all-divisions NCAA record for OT games played and OT games won; and

Whereas, on the road to the National Championship, Barton College with a full-time enrollment of 925 students defeated a number of teams with much larger student enrollments, including Grand Valley State with 23,000 students, California State San Bernardino with 17,000 students, and Winona State with 8,000 students; and

Whereas, several individual team members were recognized for their efforts during the year including, Wilson native and senior point guard, Anthony Atkinson, who was named the CVAC Player of the Year, CVAC Tournament MVP, East Regional Tournament MVP, and the NCAA Division II Elite Eight MVP, and voted a first-team All-American; and

Whereas, Anthony Atkinson scored the game-winning points during the last possession of all three of Barton's Elite Eight victories, including the final 10 points in the last 39 seconds of the National Championship game; and

Whereas, head coach Ron Lievense has coached the Bulldogs for 11 years and was named the 2007 CVAC Coach of the Year, his fourth title; and

Whereas, the success of the men's basketball program along with the many academic achievements of the students is part of a long-standing tradition of excellence at Barton College, formerly Atlantic Christian College, which in 1990, was renamed in honor of Barton W. Stone; and

Whereas, these extraordinary accomplishments of the players and coaches of the men's basketball program bring great honor and distinction to the State of North Carolina and deserve recognition; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly expresses the appreciation and admiration of the people of North Carolina to the men's basketball team at Barton College for winning the 2007 NCAA Division II National Basketball Championship and recognizes the achievements of team members: Anthony Atkinson, Alejo Barovero, Spenser Briggs, Bobby Buffaloe, Jeff Dalce, L.J. Dunn, Jarrett Eason, Mike Flowers, Errol Frails, Mark Friscone, Charles Gamble, Travis Johnson, David King, Brian Leggett, Bobby McNeil, Sam Pounds, and Brandon Raffel; head coach Ron Lievense, assistant coaches Joel Zimmerman, John Skinner, and Mark Pounds; and other staff members.

SECTION 2. The General Assembly honors the memory of the founders of Barton College for their vision and contributions to the State of North Carolina.

SECTION 3. The Secretary of State shall transmit a certified copy of this resolution to President Dr. Norval C. Kneten, Athletic Director Gary W. Hall, and Head Coach Ron Lievense.

SECTION 4. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 5th day of April, 2007.

SECTION 4. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 11th day of April, 2007.

Resolution 2007-21 **Senate Joint Resolution 1557**

A JOINT RESOLUTION EXPRESSING THE PROFOUND REGRET OF THE NORTH CAROLINA GENERAL ASSEMBLY FOR THE HISTORY OF WRONGS INFLICTED UPON BLACK CITIZENS BY MEANS OF SLAVERY, EXPLOITATION, AND LEGALIZED RACIAL SEGREGATION AND CALLING ON ALL CITIZENS TO TAKE PART IN ACTS OF RACIAL RECONCILIATION.

Whereas, Article 1, Section 1, of the Constitution of North Carolina, in concert with the American Declaration of Independence, proclaims, "We hold it to be self-evident that all persons are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, the enjoyment of the fruits of their own labor, and the pursuit of happiness"; and

Whereas, involuntary servitude, as practiced within the borders of North Carolina in the 17th, 18th, and 19th centuries, violated the precept that all persons are created equal and denied thousands and thousands of people of liberty, of the pursuit of happiness, of the ability to benefit from their own work, and, in many cases, of life itself; and

Whereas, the practice of slavery was embedded in constitutional provisions and laws enacted by predecessors to this General Assembly and other civil authorities of North Carolina; and

Whereas, the practice of slavery began shortly after the founding of the British Colony of Carolina, with a 1669 constitution that provided land to white colonists according to the level of their holdings in slaves and free black employees, 20 acres per black male and 10 acres per black female; and

Whereas, even though North Carolina did not have as extensive a plantation system as other states in the American South, slavery had become entrenched in the State by the time of the American Revolution, so that at the founding of the United States three out of 10 North Carolina families owned slaves; and

Whereas, North Carolina took legal actions to deny freedom to black people, including an 1826 law that prohibited free blacks from entering the State, an 1830 law that prohibited anyone from teaching a slave to read or write, and a provision of the 1835 Constitution denying free blacks the right to vote; and

Whereas, even as slaves engaged in back-breaking physical labor, endured squalid housing, and saw their families broken apart as spouses and children were sold from one owner to another, black men and women cultivated tobacco, cotton, and other crops in a largely agricultural state, built essential public facilities, and contributed to the creation and accumulation of wealth; and

Whereas, by the time of the American Civil War, North Carolina was home to 330,000 slaves, one-third of the State's population, and North Carolina joined the forces that fought to preserve a region and a society that had slavery as a defining characteristic; and

Whereas, in the aftermath of the Emancipation Proclamation and during the period known as Reconstruction, black residents of North Carolina not only gained legal freedom but also participated more directly in the public life of the State, to the extent that 20 black legislators were elected in 1868 to the General Assembly, and blacks continued to serve in State and local offices through the remainder of the 19th century; and

Whereas, at the outset of the 20th Century, North Carolina enacted laws that prevented black citizens from participating fully in a democratic society, including a 1900 amendment that denied black citizens the right to vote and the segregation of black and white citizens into separate and unequal public schools; and

Whereas, as a result of dire economic and social conditions, black North Carolinians joined the "Great Migration" from the South to the North in the first half of the 20th Century, so that more than 270,000 people left the State between 1910 and 1950; and

Whereas, despite the legacies of slavery and the imposition of laws that segregated blacks and whites in schools, public facilities, and in civic life, black North Carolinians persisted in faith and in hope for a better life, in their yearnings to participate fully in the economic and democratic life of their State and country; and

Whereas, North Carolina should celebrate the entrepreneurship of black citizens in building nationally recognized businesses; the founding and sustaining of colleges and universities that historically served black students; the many black North Carolinians who have provided leadership in education, law, civil rights, and governance to the State and nation; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly issues its apology for the practice of slavery in North Carolina and expresses its profound contrition for the official acts that sanctioned and perpetuated the denial of basic human rights and dignity to fellow humans.

SECTION 2. The General Assembly urges schools, colleges, and universities, religious and civic institutions, businesses and professional associations to do all within their power to acknowledge the transgressions of North Carolina's journey from a colony to a leading State, to learn the lessons of history in order to avoid repeating mistakes of the past, and to promote racial reconciliation.

SECTION 3. The General Assembly calls on all North Carolinians to recommit their State, their communities, and themselves to the proclamation of their nation's Declaration of Independence and their State Constitution that "all persons are created equal and endowed by their Creator with certain inalienable rights" – to work daily to treat all persons with abiding respect for their humanity and to eliminate racial prejudices, injustices, and discrimination from our society.

SECTION 4. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 12th day of April, 2007.

Resolution 2007-22 **House Joint Resolution 1318**

A JOINT RESOLUTION HONORING SOUTH VIEW HIGH SCHOOL ON HAVING AN OUTSTANDING GIRL'S BASKETBALL TEAM AND HONORING THE MEMORY OF BRENDA JERNIGAN, THE TEAM'S FORMER COACH.

Whereas, Hope Mills' South View High School won the North Carolina High School Athletic Association's (NCHSAA) 4-A Girl's State Championship on March 10, 2007, defeating Greensboro's Grimsley High School by a score of 69-64, at the Dean Smith Center in Chapel Hill; and

Whereas, South View's Lady Tigers went undefeated during their 2006-2007 season finishing with an outstanding record of 32-0, the only varsity basketball team in the State to achieve such a record and the only girl's 4-A team to go undefeated since playing on neutral sites beginning in 1987; and

Whereas, the Lady Tigers were also named the Two Rivers Conference regular season champions, the Two Rivers Conference Tournament champions, the Wilmington Tournament of Jewels champions; and

Whereas, the Lady Tigers finished the season ranked No. 1 in NCPreps State polls among 4-A schools and in MaxPreps polls among all schools; and

Whereas, the Lady Tigers have also excelled in the classroom with a cumulative team GPA of 3.1; and

Whereas, the Lady Tigers owe much of their success during their exceptional season to head coach Brent Barker who has amassed a record of 279-77 in his 13 years at South View; and

Whereas, the achievements of the girl's basketball team at South View High School is a fitting testimonial and memorial to the late Brenda Jernigan, a former outstanding basketball player for Central High School in Cumberland County who served as the former coach for the Lady Tigers leading the team to two State playoff appearances in the 1970s and earning 200 career wins before stepping down as the coach in 1996; and

Whereas, the Lady Tigers' successful basketball program has brought great honor and distinction to the State and deserves recognition; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly congratulates the South View High School Lady Tigers on winning the 2006 NCHSAA 4-A Girl's State Basketball Championship and recognizes the achievements of the players: Amber Calvin, Nikoll Wilson, Samantha Ramirez, Whitney Jordon, Ta'nele Walker, Tyffani Fenwick, Rakhee Smith, Debrisha Morris, Amanda Morrill, Jasmine Price, Angelica Rodriguez, and Brittany Wade; head coach Brent Barker; assistant coaches Nattlie McArthur and Faye Corbin; manager Twanna Willis; parents; and fans who were instrumental in helping the team succeed.

SECTION 2. The General Assembly honors the memory of Brenda Jernigan for her contributions to the girl's basketball program at South View High School.

SECTION 3. The Secretary of State shall transmit a certified copy of this resolution to the principal, Robert Barnes, of South View High School and to the family of Brenda Jernigan.

SECTION 4. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 12th day of April, 2007.

Resolution 2007-23 **Senate Joint Resolution 1489**

A JOINT RESOLUTION HONORING THE FOUNDERS OF THE TOWN OF MOREHEAD CITY BY COMMEMORATING THE ONE HUNDRED FIFTIETH ANNIVERSARY OF THE SHEPARD'S POINT LAND PURCHASE.

Whereas, the Town of Morehead City is named for Governor John Motley Morehead, who envisioned a "great commercial city"; and

Whereas, in the 1850s the Shepard's Point Land Company purchased 600 acres of land on the tip of the eastern peninsula that is now the site of Morehead City; and

Whereas, in 1857, a public auction was held, which sold 150 lots in Morehead City; and

Whereas, the last stop of the Atlantic and North Carolina Railroad was constructed in Shepard's Point, which connected Morehead City to the rest of North Carolina; and

Whereas, three days after the completion of the railroad in 1858, every property parcel in Morehead City and the surrounding area was sold; and

Whereas, on February 20, 1861, the Town of Morehead City, originally known as the City of Morehead, was officially incorporated by the North Carolina General Assembly; and

Whereas, Morehead City's first officers included Bridges Arendell, Jr. as Mayor and David S. Jones, J.W. Collins, and William H. Cunningham, Jr. as Commissioners; and

Whereas, in 1862, the War Between the States disrupted commerce and the port declined along with the town's population when Morehead City was occupied by Union troops; and

Whereas, Morehead City began to rebound in the 1880s with the completion of the Atlantic Hotel, which had a train depot entrance, grand ballroom, piers, sailing and ferry services to the beaches of Bogue Banks luring tourists to the area and helping establish Morehead City as the "Summer Capital by the Sea"; and

Whereas, the great hurricane of 1899, forced fishermen from nearby Shackleford Banks, Diamond City, and other fishing settlements to move their houses onto the mainland in the area they called the "Promised Land"; and

Whereas, the advent of available ice made shipping of fish, produce from nearby farms, and other products by rail to outside markets very effective; and

Whereas, the railroad remained important to Morehead City in the 20th century for businesses and individuals; and

Whereas, even today, the railroad plays an important role in keeping the port busy with shipments by rail to send abroad; and

Whereas, until service ended in 1950, the railroad passenger service encouraged the tourist business of Morehead City and Atlantic Beach; and

Whereas, Morehead City is situated on North Carolina's "Crystal Coast" and is home to one of the State's two seaports; and

Whereas, Morehead City is also home to Carteret Community College, as well as research institutes operated by the University of North Carolina at Chapel Hill, North Carolina State University, and Duke University; and

Whereas, Morehead City is the largest town in Carteret County with a population of over 7,800 residents; and

Whereas, in May 2007, Morehead City will commemorate the anniversary of the Shepard's Point Land Purchase and celebrate 150 years of culture and heritage; and

Whereas, plans have been made to celebrate the Town's sesquicentennial throughout the month of May, including a Sesquicentennial Celebration Week, May 12 through 19, 2007; and

Whereas, Morehead City's 150th anniversary is worthy of recognition and celebration; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly honors the memory of the founders of the Town of Morehead City on the Town's 150th anniversary.

SECTION 2. The General Assembly joins the citizens of the Town of Morehead City in celebrating the Town's 150th anniversary.

SECTION 3. The Secretary of State shall transmit a certified copy of this resolution to the Mayor of the Town of Morehead City.

SECTION 4. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 17th day of April, 2007.

Resolution 2007-24 **House Joint Resolution 190**

A JOINT RESOLUTION HONORING THE FOUNDERS OF THE CITY OF ALBEMARLE ON THE CITY'S 150TH ANNIVERSARY.

Whereas, the City of Albemarle, the County Seat of Stanly County, celebrated 150 years of incorporation on February 2, 2007; and

Whereas, the City of Albemarle was named for George Monck, the First Duke of Albemarle and one of the eight Lords Proprietors of the Carolina Charter of 1663; and

Whereas, Mrs. Nancy Almond Hearne donated 50 acres for the founding of Albemarle to establish the County seat; and

Whereas, Albemarle began as a bucolic farming community and later became one of the most significant textile manufacturing communities in North Carolina; and

Whereas, the citizens of Albemarle have made significant contributions to the social, cultural, political, and economic prosperity of the State of North Carolina; and

Whereas, Albemarle has continued to grow and prosper through the continued dedication, insight, and planning of the City's concerned leaders and citizens; and

Whereas, this occasion is worthy of celebration and should be enjoyed and supported by all North Carolinians; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly honors the memory of the founders of the City of Albemarle and congratulates the City on its 150th anniversary.

SECTION 2. The Secretary of State shall transmit a certified copy of this resolution to the Mayor of the City of Albemarle.

SECTION 3. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 18th day of April, 2007.

Resolution 2007-25 **House Joint Resolution 1380**

A JOINT RESOLUTION HONORING THE ELIZABETH CITY STATE UNIVERSITY BASKETBALL TEAM ON WINNING THE 2007 CENTRAL INTERCOLLEGIATE ATHLETIC ASSOCIATION (CIAA) BASKETBALL CONFERENCE CHAMPIONSHIP.

Whereas, on March 3, 2007, the Elizabeth City State University's (ECSU) men's basketball team won the 2007 Central Intercollegiate Athletic Association Conference (CIAA) Men's Basketball Championship defeating Virginia Union University by a score of 63-60 in Charlotte, North Carolina; and

Whereas, this victory marked ECSU's first championship in 26 years after having wins in 1981 and 1969; and

Whereas, the ECSU men's basketball team arrived at the conference tournament with a 12-15 record as the 7th seed, thus becoming the lowest seeded team to ever win the CIAA Championship; and

Whereas, ECSU defeated four teams, Livingstone College of Salisbury, North Carolina; regionally ranked Virginia State University of Petersburg, Virginia; Bowie State University of Bowie, Maryland; and three-time defending CIAA champions and nationally ranked Virginia Union University of Richmond, Virginia, to achieve this championship milestone; and

Whereas, Head Coach Shawn Walker, a fifth-year coach and ECSU alumnus, emerged as a leader, thereby raising his stock as an "up and coming" basketball head coach; and

Whereas, All-CIAA sophomore guard Anthony Hilliard achieved the tourney's MVP and All-CIAA senior center C.J. Pigford and Jabyron Wilson were voted to the All-Tournament Team; and

Whereas, the entire Viking basketball squad, Mike Land, Anthony Hilliard, Brian West, Anthony Butler, Lansen Leach, Olajuwon Johnson, Devin Mooring, Demond Hickman, Jamal Rouse, Trent Bivens, Wallace Sam, C.J. Pigford, Jabyron Wilson, and Shakiem Mitchell, through solid teamwork and quiet resolve out-performed all of their opponents; and

Whereas, the ECSU Vikings received the John B. McLendon Sportsmanship Trophy and the CIAA Team Academic Award recognition for having the highest grade point average (GPA) of all CIAA men's basketball teams demonstrating their well-roundedness as student athletes; and

Whereas, assistant coaches, Alico Dunk, Cleveland Blount, and John Hill contributed significantly to the success of the team; and

Whereas, the success of the men's basketball program along with the many academic achievements of the students is part of a long-standing tradition of excellence at ECSU and a fitting memorial to Dr. Marion D. Thorpe, who presided over the University during its first two CIAA championships in 1968 and 1981; and

Whereas, Dr. Marion D. Thorpe was a devoted leader of ESCU for almost 15 years, having served as the University's President from 1968 to 1972, and as the University's first Chancellor beginning on July 1, 1972, when the University became one of the 16 constituent institutions of The University of North Carolina. Dr. Thorpe died on April 28, 1983; and

Whereas, the entire basketball team and staff deserve accolades for winning the 2007 CIAA Basketball Tournament, which has brought unprecedented recognition to Elizabeth City State University, The University of North Carolina, and northeastern North Carolina; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly expresses the appreciation and admiration of the people of North Carolina to the men's basketball team at Elizabeth City State University for winning the 2007 CIAA Basketball Championship and recognizes the achievements of the team, head coach, assistant coaches, and other staff members.

SECTION 2. The General Assembly honors the memory of Dr. Marion D. Thorpe for leadership of Elizabeth City State University and his contributions to the University's students, faculty, and alumni.

SECTION 3. The Secretary of State shall transmit a certified copy of this resolution to Elizabeth City State University's Chancellor Willie J. Gilchrist, Interim Athletic Director Thurlis J. Little, and the family of Dr. Marion D. Thorpe.

SECTION 4. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 18th day of April, 2007.

Resolution 2007-26 **Senate Joint Resolution 866**

A JOINT RESOLUTION SETTING THE DATE FOR THE SENATE AND THE HOUSE OF REPRESENTATIVES TO ELECT MEMBERS TO THE STATE BOARD OF COMMUNITY COLLEGES.

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. Pursuant to G.S. 115D-2.1(b)(4)f., the Senate and the House of Representatives shall elect members to the State Board of Community Colleges during the regular sessions of the two chambers to be held on Wednesday, April 25, 2007. Resolution 2007-30 **Senate Joint Resolution 1035**

A JOINT RESOLUTION HONORING THE MEMORY OF FREDERICK LAW OLMSTED AND RECOGNIZING NATIONAL LANDSCAPE ARCHITECTURE MONTH.

Whereas, Frederick Law Olmsted, born on April 26, 1822, in Hartford, Connecticut, is often credited as the founder of landscape architecture in the United States; and

Whereas, Frederick Law Olmsted designed some of the most recognized gardens and parks in the United States, including Central Park and the United States Capitol; and

Whereas, Frederick Law Olmsted's works in North Carolina include the grounds at the Biltmore Estate in Asheville; and

Whereas, recognizing National Landscape Architecture Month is a fitting memorial to Frederick Law Olmsted and the contributions he made to the landscape architecture profession; and

Whereas, National Landscape Architecture Month celebrates the legacy of the landscape architecture profession and the role of landscape architects in society; and

Whereas, throughout April 2007, landscape architects, state chapters of the American Society of Landscape Architects, and partner organizations will participate in a variety of national, state, and local programs; and

Whereas, the American Society of Landscape Architects, founded in 1899, is the association that represents the landscape architecture profession in the United States; and

Whereas, the Society's mission is to lead, educate, and participate in the careful stewardship, wise planning, and artful design of our cultural and natural environments; and

Whereas, headquartered in Washington, D.C., the Society has grown from 11 original members in 1899 to more than 17,000 members in 48 professional chapters today; and

Whereas, of these members, approximately 80% are in private practice, 15% in local, state, or federal government practice, and 5% in academic practice; and

Whereas, members' work reflects the variety and breath of the profession, from the design of residential and commercial developments, office building sites, and public parks to public sector comprehensive planning, environmental planning, and town planning; and

Whereas, the American Society of Landscape Architects seeks to improve public understanding of the profession and to advance the practice of landscape architecture through education, communication, publications, online database services, professional interaction, and development; and

Whereas, the American Society of Landscape Architects is the organization authorized to accredit programs of landscape architecture at United States colleges and universities; and

Whereas, the American Society of Landscape Architects also works to advance its ethic and public policies to state, local, and federal decision making bodies, both directly and by working with a broad array of coalitions and organizations with similar goals; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly honors the memory of Frederick Law Olmsted, joins the members of the American Society of Landscape Architects in recognizing April 2007 as National Landscape Architecture Month in North Carolina, and commends all landscape architects in the State of North Carolina for creating the special places in which we live, work, and play.

SECTION 2. The Secretary of State shall transmit a certified copy of this resolution to the North Carolina Chapter of the American Society of Landscape Architects.

SECTION 3. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 7th day of May, 2007.

A JOINT RESOLUTION HONORING THE FOUNDERS OF THE TOWN OF HALIFAX ON THE OCCASION OF THE TOWN'S TWO HUNDRED FIFTIETH ANNIVERSARY.

Whereas, the Town of Halifax, founded on the Roanoke River, was chartered by an act of the Assembly on November 21, 1757; and

Whereas, Halifax was named for George Montague, the second Earl of Halifax, who served as president of the Board of Trade and Plantations when the Town was established; and

Whereas, Halifax served as an important colonial government and commercial center; and

Whereas, on April 12, 1776, the Fourth Provincial Congress met in Halifax and unanimously adopted the "Halifax Resolves," the first official action by a colony recommending independence from Great Britain; and

Whereas, the legislature continued to meet in Halifax between 1779 and 1781; and

Whereas, the citizens of Halifax have made significant contributions to the social, cultural, political, and economic prosperity of the State of North Carolina; and

Whereas, Halifax has continued to grow and prosper through the continued dedication, insight, and planning of the Town's concerned leaders and citizens; and

Whereas, plans have been made to celebrate the Town's 250th historic anniversary on July 4, 2007, and during other times throughout the year; and

Whereas, this occasion is worthy of celebration and should be enjoyed and supported by all North Carolinians; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly honors the founders of the Town of Halifax and congratulates the Town on its 250th anniversary.

SECTION 2. The Secretary of State shall transmit a certified copy of this resolution to the Honorable Gerald Wright, Mayor of the Town of Halifax.

A JOINT RESOLUTION OBSERVING THE FIFTIETH ANNIVERSARY OF THE NORTH CAROLINA REAL ESTATE COMMISSION.

Whereas, the North Carolina General Assembly on May 21, 1957, enacted the North Carolina Real Estate License Law creating the North Carolina Real Estate Licensing Board (now the North Carolina Real Estate Commission); and

Whereas, the North Carolina Real Estate Commission has endeavored to protect the interests of North Carolina real estate consumers and serve the needs of its 100,000 licensees through the development and implementation of programs to promote professionalism in real estate brokerage practice; and

Whereas, the North Carolina Real Estate Commission has received numerous national awards and honors for excellence in real estate education and license law administration; and

Whereas, the North Carolina Real Estate Commission has made significant and lasting contributions to the international Association of Real Estate License Law Officials including the election of four Commission and staff members to the highest position of leadership in the Association; and

Whereas, the North Carolina Real Estate Commission has published a respected textbook on North Carolina real estate law and real estate brokerage practice and an award-winning series of educational and informational publications and courses for the benefit of real estate consumers and practitioners; and

Whereas, the North Carolina Real Estate Commission has, for the advancement of real estate education and consumer protection, established awards in memory of Commission members Billie J. Mercer and Allan R. Dameron, and scholarships in honor of Executive Director Phillip T. Fisher and in memory of former Secretary-Treasurers Joseph F. Schweidler and Blanton Little; and

Whereas, the North Carolina Real Estate Commission has established a meaningful standard of conduct and practice for North Carolina real estate brokers and, in the enforcement of such standard, has cooperated with and assisted other State and federal agencies in addressing threats to the welfare of North Carolina citizens; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly honors the memory of Billie J. Mercer, Allan R. Dameron, Joseph F. Schweidler, and Blanton Little for their contributions to the North Carolina Real Estate Commission.

SECTION 2. The General Assembly joins the members of the North Carolina Real Estate Commission in observing the organization's 50th anniversary and expresses its appreciation for the many contributions the organization has made to the real estate profession in North Carolina.

SECTION 3. The Secretary of State shall transmit a certified copy of this resolution to the North Carolina Real Estate Commission.

Whereas, William Dallas Herring was born on March 5, 1916, in Rose Hill, North Carolina, to Burke and Lulu Southerland Herring; and

Whereas, Dallas Herring graduated from Rose Hill High in 1933 and Davidson College in 1938, where he studied English and economics; and

Whereas, after graduating from college, Dallas Herring worked for Atlantic Coffin and Casket Co., a family owned business in Rose Hill; and

Whereas, in 1939, Dallas Herring was elected Mayor of Rose Hill and, at the age of 23, became one of the youngest people in the nation to serve as a mayor; and

Whereas, Dallas Herring served as Rose Hill's Mayor until 1951 and, after that time, he was appointed to the Duplin County School Board where he served as a member and Chair until 1955; and

Whereas, in 1954, Governor William B. Umstead appointed Dallas Herring to the Pearsall Commission, whose mission was to look at the issues confronting the State as a result of the United States Supreme Court's landmark decision on school desegregation in Brown v. Board of Education; and

Whereas, in 1955, Dallas Herring was appointed to the State Board of Education and in 1957 became its Chair, a position he held until his retirement in 1977; and

Whereas, during his 22-year tenure on the State Board of Education, Dallas Herring served during the administration of six governors, including Luther H. Hodges, Terry Sanford, Daniel K. Moore, Robert W. Scott, James E. Holshouser, Jr., and James B. Hunt, Jr.; and

Whereas, Dallas Herring oversaw the desegregation and integration of the State's public schools, helped to improve the curriculum and class size, and fought for pay increases and teacher aides; and

Whereas, many credit Dallas Herring's efforts to provide additional educational opportunities for high school graduates as the impetus for the State's community college system; and

Whereas, in 1957, Dallas Herring's plan to create a statewide system of industrial education centers was adopted by the General Assembly, which also established the State's first community college during that same year; and

Whereas, the industrial education centers and community colleges were merged into a unified community college system in 1963; and

Whereas, after retiring from the State Board of Education, Dallas Herring served as president of the Atlantic Coffin and Casket Co., and continued advising those who sought his expertise on education matters from his home in Duplin County; and

Whereas, Dallas Herring served his community as a trustee of James Sprunt Community College in Duplin County between 1971 and 1986 and, because of his devoted service to the college, was honored with a building, lecture series, and a scholarship named in his honor; and

Whereas, Dallas Herring received many other recognitions and honors, including the North Carolina Award, the highest civilian award in North Carolina, and the following honorary degrees: L.L.D., Pfeiffer College, 1959; L.L.D., Davidson College, 1961; Doctor of Humanities, North Carolina State University, 1964; L.L.D., University of North Carolina at Wilmington, 1982; and

Whereas, Dallas Herring's interests in Duplin County history and genealogy led him to create a library in his home, which he opened to the public and became the headquarters of the Duplin County Historical Society Foundation; and

Whereas, Dallas Herring died on January 5, 2007, at the age of 90, leaving to mourn his loss two brothers and a sister; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly honors the memory of William Dallas Herring and expresses its appreciation for the service he rendered to his community, Duplin County, and the State of North Carolina.

SECTION 2. The General Assembly extends its deepest sympathy to the family of William Dallas Herring for the loss of a distinguished family member.

SECTION 3. The Secretary of State shall transmit a certified copy of this resolution to the family of William Dallas Herring.

SECTION 4. This resolution is effective upon ratification.

Whereas, the State of North Carolina has served as the birthplace of numerous legendary artists, such as Cleveland County-born Don Gibson, singer and songwriter, and Earl Scruggs, singer, songwriter, and banjo player; and

Whereas, Don Gibson began his career with a Shelby band known as The Sons of Soil and recorded his first number one hit, "Oh Lonesome Me," in 1958; and

Whereas, Don Gibson had more than 80 charted records between 1956 and 1980 and wrote the song "I Can't Stop Loving You," which has been recorded more than 700 times by such artists as Elvis Presley and Ray Charles and has sold more than 30 million records worldwide; and

Whereas, Don Gibson was inducted into the Nashville Songwriters Hall of Fame in 1973 and the Country Music Hall of Fame in 2001; and

Whereas, Don Gibson died on November 17, 2003, at the age of 75; and

Whereas, Earl Eugene Scruggs was born on January 6, 1924, in Flint Hill, North Carolina, to George Elam Scruggs and Lula Ruppe Scruggs; and

Whereas, Earl Scruggs was born into a family of talented musicians, including his mother, who played the organ, his father, who played the banjo and fiddle, and his siblings, who played the banjo and guitar; and

Whereas, Earl Scruggs began playing the banjo at the young age of four; and

Whereas, between school and working on the family farm, Earl Scruggs spent much of his free time mastering the banjo; and

Whereas, at the age of 10, Earl Scruggs developed and began using his own unique three-fingered technique to play the banjo which would later become known as "Scruggs-Style Picking" and would be adopted by numerous banjo players around the world; and

Whereas, as a young man, Earl Scruggs worked in a textile mill to help support his widowed mother; and

Whereas, in 1945, Earl Scruggs joined Bill Monroe's Blue Grass Boys, a band whose members included Bill Monroe on mandolin, Lester Flatt on guitar, Chubby Wise on fiddle, and Cedric Rainwater on bass; and

Whereas, Earl Scruggs recorded a number of songs with the Blue Grass Boys before leaving the band in 1948; and

Whereas, Earl Scruggs later teamed up with Lester Flatt and formed the band The Foggy Mountain Boys; and

Whereas, The Foggy Mountain Boys became members of the Grand Ole Opry in 1955; and

Whereas, Earl Scruggs and The Foggy Mountain Boys produced such widely recognized tunes as "Foggy Mountain Breakdown," which was used in the 1967 film "Bonnie and Clyde," and "Ballad of Jed Clampett," which was the theme song for the TV show "The Beverly Hillbillies"; and

Whereas, in 1963, the "Ballad of Jed Clampett" became the first bluegrass song to reach the number one spot on the country music charts; and

Whereas, The Foggy Mountain Boys was one of the most successful bluegrass bands of all time and helped to influence generations of bluegrass musicians; and

Whereas, Earl Scruggs left The Foggy Mountain Boys in 1969 and formed the Earl Scruggs Revue featuring his son Randy Scruggs on guitar and vocals and his son Gary Scruggs on electric bass, vocals, and harmonica, and later, his son, Steve Scruggs on piano, guitar, and saxophone; and

Whereas, Earl Scruggs was inducted into the Country Music Hall of Fame in 1985 and the International Bluegrass Music Association (IBMA) Hall of Honor in 1991 and was awarded the National Heritage Fellowship Award and the President's National Medal of Arts; and

Whereas, Earl Scruggs has been nominated for numerous Grammy Awards and has won four, including two for renditions of "Foggy Mountain Breakdown"; and

Whereas, Earl Scruggs was honored with a star on the Hollywood Walk of Fame on February 13, 2003; and

Whereas, Earl Scruggs is highly respected among musicians, which is evident from the many performers who have made guest appearances on his albums, including Bob Dylan, Elton John, Sting, Melissa Etheridge, Johnny Cash, and Don Henley; and

Whereas, Earl Scruggs has had a profound impact on bluegrass and country music and thus has earned the admiration of the people of this State and the world; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly honors the memory of native son Don Gibson and expresses its appreciation for his invaluable contributions to the music industry.

SECTION 2. The General Assembly wishes to pay tribute to native son Earl Scruggs for his accomplishments as a musician and for his role in helping to popularize bluegrass and country music.

Resolution 2007-54 **House Joint Resolution 2061**

A JOINT RESOLUTION HONORING THE MEMORY OF RICHARD CLINTON FOR WHOM THE CITY OF CLINTON IS NAMED AND RECOGNIZING THE CITY ON BEING NAMED A 2007 ALL-AMERICA CITY.

Whereas, the City of Clinton was founded in the 1780s when a courthouse was established there on land owned by Richard Clinton for whom the City was later named; and

Whereas, Clinton is the largest incorporated town in Sampson County and serves as the county seat; and

Whereas, Clinton was recently honored by the National Civic League as one of the 10 municipalities nationwide to receive its All-America City Award, a national community recognition program in its 58th year; and

Whereas, to merit the All-America City Award, Clinton had to show successful resolution of community issues through collaborative effort; and

Whereas, Clinton received recognition for three projects: the March to a Million Project, a communitywide effort to raise $1.4 million for the new public high school; the Fitness Renaissance Project, which includes the creation of an innovative program to fight obesity among children and the establishment of a community exercise facility to improve the health of the City's citizens; and the Community Technology Learning Center, an educational center that offers after school programs to youth and provides adults with greater access to technology; and

Whereas, Clinton's extraordinary achievements in becoming an All-America City deserves recognition by the General Assembly; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly honors the memory of Richard Clinton for his contributions to the State of North Carolina.

SECTION 2. The General Assembly honors the City of Clinton and its citizens for receiving the National Civic League's All-America City Award and wishes to extend its congratulations to the City of Clinton and its citizens for bringing national recognition to the State of North Carolina.

SECTION 3. The Secretary of State shall transmit a certified copy of this resolution to the Mayor of the City of Clinton.

SECTION 4. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 10th day of July, 2007.

Resolution 2007-55 **Senate Joint Resolution 1567**

A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF GROVER ROBBINS, JR., FOUNDER OF TWEETSIE RAILROAD ON THE THEME PARK'S FIFTIETH ANNIVERSARY.

Whereas, in 1866, the East Tennessee & Western North Carolina Railroad Company was given permission to construct a railroad between Tennessee and North Carolina; and

Whereas, rail service began in 1882 between Johnson City, Tennessee, and Cranberry, North Carolina, and within a few years was extended to Boone, North Carolina; and

Whereas, the name "Tweetsie" came about as a result of the shrill "tweet, tweet" sound made by the train's whistles as the train passed through the mountains; and

Whereas, the East Tennessee & Western North Carolina Railroad Company ceased operating in 1950, and the company's only surviving coal-fired steam engine, Tweetsie Locomotive #12, changed owners several times before it was purchased in 1956 by Grover Robbins, Jr., a native of Blowing Rock, North Carolina; and

Whereas, Grover Robbins, Jr. developed the concept for Tweetsie Railroad and opened the attraction as North Carolina's first theme park on July 4, 1957; and

Whereas, Grover Robbins, Jr. made other contributions to North Carolina's tourism industry prior to his death in 1970, including developing the Hound Ears Lodge and Club on Beech Mountain, Linville Land Harbor, and the former Land of Oz Theme Park on Beech Mountain; and

Whereas, Tweetsie Railroad offers visitors a variety of entertainment, including an action-packed three-mile train ride featuring Tweetsie Locomotive #12, a Wild West theme park, live shows, amusement rides, scenic chair lift rides to Miner's Mountain, a Tweetsie Railroad/ET & WNC Museum, and a petting zoo; and

Whereas, Tweetsie Railroad also has a complete steam train repair shop business, which rebuilds and restores locomotives for other theme parks and museums; and

Whereas, Tweetsie Railroad's #12 locomotive is listed on the National Register of Historic Places; and

Whereas, Tweetsie Railroad should be commended for offering 50 years of family fun to the people from North Carolina and around the country and for continuing to attract thousands of visitors each year; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly honors the memory of Grover Robbins, Jr. and expresses its appreciation for his many contributions to tourism in North Carolina.

SECTION 2. The General Assembly commends Tweetsie Railroad on its 50th anniversary and encourages the citizens of this State to participate in activities observing the theme park's celebration.

SECTION 3. The Secretary of State shall transmit a certified copy of this resolution to the owners of Tweetsie Railroad.

SECTION 4. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 11th day of July, 2007.

Resolution 2007-56 **Senate Joint Resolution 1568**

A JOINT RESOLUTION HONORING THE MEMORY OF JULIAN G. WHITENER, FORMER MAYOR OF THE CITY OF HICKORY, ON THE OCCASION OF HICKORY BEING NAMED A 2007 ALL-AMERICA CITY.

Whereas, the late Julian G. Whitener served as Mayor of the City of Hickory from 1959 to 1977, where he was a diligent and devoted servant who helped to improve the conditions of the City; and

Whereas, the citizens of the City of Hickory possess a community spirit that has enabled them to work together successfully to improve the quality of their lives; and

Whereas, Hickory was recently honored by the National Civic League as one of the 10 communities nationwide to receive its All-America City Award, which recognizes excellence in local efforts to strengthen the civic infrastructure of America's communities; and

Whereas, this honor gave Hickory its third win in 40 years, having previously been named an All-America City in 1967 and 1987, and put the city in an elite group of only 28 cities to earn this recognition three or more times; and

Whereas, to justify why the city deserved the All-America City Award, Hickory demonstrated its efforts to rebound from recent economic hardships and presented the effects of three grassroots projects: the Hickory Metro Higher Education Center, a partnership between various academic institutions that try to improve educational opportunities of area citizens and boost economic development in the region; Exodus Home, a nonprofit agency that provides transitional and permanent housing for disadvantaged residents; and Project Potential, a scholarship program aimed at helping at-risk youth stay in school by offering them scholarships for post high school education; and

Whereas, the extraordinary achievements of Hickory helped distinguish the City of Hickory as an All-America City, and this honor deserves recognition by the General Assembly; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly honors the memory of Julian G. Whitener, former Mayor of the City of Hickory, and expresses its gratitude for the service he rendered to the people of Hickory.

SECTION 2. The General Assembly honors the City of Hickory and its citizens for receiving the National Civic League's All-America City Award and wishes to extend its congratulations to the City of Hickory and its citizens for bringing national recognition to the State of North Carolina.

SECTION 3. The Secretary of State shall transmit a certified copy of this resolution to the Mayor of the City of Hickory.

SECTION 4. This resolution is effective upon ratification.

Resolution 2007-58 **Senate Joint Resolution 1483**

A JOINT RESOLUTION OBSERVING THE ONE HUNDREDTH ANNIVERSARY OF THE HISTORIC MITCHELL COUNTY COURTHOUSE.

Whereas, construction of the historic Mitchell County Courthouse was completed in 1907, and the year of 2007 marks the 100th anniversary of this important building; and

Whereas, the historic Courthouse has been the landmark and focal point for Mitchell County and a stage upon which was played a myriad of human dramas for the past 100 years; and

Whereas, the historic Courthouse served the citizens of Mitchell County as the seat of county government, a repository of records, a house of justice, and a community meeting place until its closing; and

Whereas, the historic Courthouse is an architectural prominence reflecting the independent spirit of the people of Mitchell County; and

Whereas, the Mitchell County Board of Commissioners has appointed a group of citizens to develop a plan to restore the historic Courthouse for a continuing role as a community hub; and

Whereas, a restored historic Courthouse will honor the people, history, and culture of Mitchell County and will contribute to the County's future through economic development; and

Whereas, restoration of the historic Courthouse will also serve as a fitting testimonial and memorial to the countless people who practiced law, presided over cases, and kept records in the Courthouse over the years, including the late John C. McBee, who spent over 50 years practicing law in Bakersville and trying hundreds of cases in the Courthouse; and

Whereas, the 100th year anniversary of the historic Courthouse will be celebrated by the people of Mitchell County throughout the year of 2007; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly recognizes the historic Courthouse of Mitchell County as an important landmark and commends the people of Mitchell County for their efforts to restore it to a prominent role in their future aspirations and hopes.

SECTION 2. The General Assembly honors the people who worked in the historic Mitchell County Courthouse, including John C. McBee.

SECTION 3. The Secretary of State shall transmit a certified copy of this resolution to the Chair of the Mitchell County Board of Commissioners and the family of John C. McBee.

SECTION 4. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 24th day of July, 2007.

Resolution 2007-59 **Senate Joint Resolution 1558**

A JOINT RESOLUTION HONORING THE FOUNDERS OF THE TOWN OF GOLDSTON ON THE TOWN'S ONE HUNDREDTH ANNIVERSARY.

Whereas, the Town of Goldston, located in Chatham County, was settled in the late 1880s and was formerly known as Corinth; and

Whereas, the first post office was established in the area in 1889, and N.F. Barber served as the first postmaster; and

Whereas, the General Assembly ratified legislation incorporating the Town of Goldston on February 20, 1907; and

Whereas, the Town was named for Joseph John Goldston, who donated much of the land from which the town was developed; and

Whereas, the Town's charter provided that its first officers include Walter L. Goldston as Mayor, C.W. Womble, N.F. Barber, T.M. Bynum, O.S. Johnson, and W.M. Burns as Commissioners, and Charles Elkins as Marshal; and

Whereas, the early growth of the Town was due in part to the expansion of the railroad which aided in distributing lumber and agricultural products produced in the Town and attracting new industry and citizens; and

Whereas, Goldston has not grown significantly since the 1970s, consisting of 375 citizens, but has continued to prosper through the continued dedication, insight, and planning of the Town's concerned leaders and citizens; and

Whereas, Goldston's citizens value their community and believe in the Town's motto of "Volunteering is our way of life"; and

Whereas, plans have been made to celebrate the Town's historic anniversary throughout the year and during the annual Old Fashion Day street fair in October; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly honors the memory of the founders of the Town of Goldston and congratulates the Town on its centennial anniversary.

SECTION 2. The Secretary of State shall transmit a certified copy of this resolution to the Mayor of the Town of Goldston.

SECTION 3. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 24th day of July, 2007.

Resolution 2007-60 **House Joint Resolution 2064**

A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF JAMES PRESTON "JIMMY" GREEN, JR., AN ATTORNEY AND A MAN OF GREAT COMPASSION WHO WORKED TIRELESSLY IN HIS COMMUNITY TO IMPROVE THE LIVES OF THE LESS FORTUNATE.

Whereas, James Preston "Jimmy" Green, Jr., was born on November 19, 1958, in the United States Army Hospital in Landstuhl, Germany, to Dr. James Preston Green, Sr., and Carolyn Marie Smith Green; and

Whereas, Jimmy Green received his early education in the Vance County public school system; graduated from Vance Senior High School in 1976; earned a

bachelor's of science degree, with honors, in public administration, from North Carolina Central University in 1980, a master's degree in public affairs from North Carolina State University in 1982, and a juris doctor degree from North Carolina Central University School of Law in 1986; and

Whereas, early in his legal career, Jimmy Green, who was fondly referred to by his clients and members of the public as "Attorney Green," served as executive director of The North Carolina Coalition of Rural Farm Families and as an adjunct professor of public administration at North Carolina Central University; and

Whereas, Jimmy Green established law offices in Raleigh, Durham, and Henderson, North Carolina, and provided legal representation in the areas of Social Security disability, bankruptcy, traffic offenses, and real estate; and

Whereas, Jimmy Green was dedicated to providing quality legal services to his clients regardless of their ability to pay and worked diligently on their behalf to resolve their legal concerns in a way that left them empowered; and

Whereas, Jimmy Green was active in the legal community, serving as a member of the North Carolina State Bar Association, the North Carolina Association of Black Lawyers, the Charles W. Williamson Bar Association in Henderson, North Carolina, and the National Association of Consumer Bankruptcy Attorneys; and

Whereas, Jimmy Green was an advocate for and legal counselor to many small farmers in the State and did pro bono work for the Land Loss Prevention Project at North Carolina Central University School of Law and for Operation Spring Plan, an organization in Oxford, North Carolina, which provides technical assistance to small farmers and others; and

Whereas, Jimmy Green was devoted to the youth in his community, serving as a member or supporter of The Adolescent Pregnancy Prevention Coalition in Vance County; About Face II, Inc., an organization that educates high school dropouts; the Boy Scouts of America, Girl Scouts of America; and the Board of Directors of the Vance County Boys and Girls Club; and

Whereas, Jimmy Green made time to get involved in his community by working with a number of organizations that are committed to helping others, including serving as President of the Vance County branch of the NAACP, the Vance County Organization to Implement Community Excellence, and the Zeta Alpha Chapter of Omega Psi Phi Fraternity, Inc.; and

Whereas, Jimmy Green, a great-grandson of North Carolina Central University founder, Dr. James E. Shepard, founded The James E. Shepard Center for Truth and Service, a nonprofit organization that is committed to preserving the history and legacy of Dr. Shepard and the historic properties surrounding North Carolina Central University. He was a strong supporter of the Shepard Alliance for Enlightenment, a nonprofit historic preservation fund in the Triangle Community Foundation that is also working to preserve the history of Dr. Shepard and others who worked tirelessly to make North Carolina Central University a "gem" in the UNC system; and he worked diligently alongside his sister, Carolyn Green Boone, J.D., and the members of the Shepard House Restoration Committee to renovate and restore the home of Dr. and Mrs. James E. Shepard on Fayetteville Street in Durham, North Carolina; and

Whereas, in addition to his love of the law, Jimmy Green also loved the arts, particularly acting, which he pursued in high school and college, and photography, an avocation he took up in high school and continued to enjoy over the years as he became

more accomplished and expanded his interests and talents into other areas, including Web site design; and

Whereas, Jimmy Green was, in his youth, a member of Cotton Memorial Presbyterian Church in Henderson, North Carolina, he later joined Covenant Presbyterian Church in Durham, North Carolina, and, in recent years, worshipped at Poplar Springs Christian Church in Raleigh, North Carolina, where he was actively involved with the Board of Directors; and

Whereas, Jimmy Green died on September 27, 2006; and

Whereas, Jimmy Green leaves to cherish his memory his wife, Diane Baker Green; his children, James Preston Green, III; Courtney Green; Kiah Green; and Alexander Green; and his stepdaughter, LaMonda Sykes; his mother, Mrs. Carolyn Marie Smith Green; his sister, Carolyn Green Boone, J.D.; his brother, Isaac H. Green, Sr.; and five adoring nieces and nephews; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly honors the life of James Preston "Jimmy" Green, Jr., attorney and civic leader, for his commitment to providing legal services in Raleigh, Durham, Garner, and Henderson and for his dedication to preserving the legacy of Dr. James E. Shepard, founder of North Carolina Central University.

SECTION 2. The General Assembly extends sympathy to the family of James Preston "Jimmy" Green, Jr., for the loss of a beloved family member.

SECTION 3. The Secretary of State shall transmit a copy of this resolution to the family of James Preston "Jimmy" Green, Jr.

SECTION 4. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 25th day of July, 2007.

Resolution 2007-61 **House Joint Resolution 2065**

A JOINT RESOLUTION HONORING THE LIFE AND MEMORY OF DR. JAMES PRESTON GREEN, SR., A PHYSICIAN AND FORMER MEMBER OF THE NORTH CAROLINA HOUSE OF REPRESENTATIVES.

Whereas, James Preston Green was born on May 11, 1925, in Henderson, North Carolina, to William and Annie Henderson Green; and

Whereas, James Preston Green received his early education at Central Graded School, graduated high school from Henderson Institute in 1944, and earned a bachelor's of science degree from Johnson C. Smith University, graduating cum laude in 1948; and

Whereas, from 1948-1951, James Preston Green taught biology at Warren County Training School in Wise, North Carolina, and also worked for the Rural Electrification Program, where he sold electricity service and home appliances; and

Whereas, James Preston Green enrolled at Meharry Medical College in Nashville, Tennessee, in 1951, and received his doctor of medicine in 1955; and

Whereas, Dr. Green completed his internship at Kate B. Reynolds Hospital in Winston-Salem, North Carolina, from 1955-1956, and subsequently served on the medical staff at Lakin State Psychiatric Hospital in West Virginia; and

Whereas, Dr. Green was commissioned as a captain in the United States Army and served for two years as a physician in Medical Services at Landstuhl Second General Army Hospital in Germany; and

Whereas, upon his return to the United States, Dr. Green served on staff for one year at Good Samaritan Hospital in Charlotte, North Carolina; and

Whereas, Dr. Green began his long tenure as a dedicated physician in his hometown of Henderson in 1960; and

Whereas, Dr. Green served as chief of staff at Jubilee Hospital until 1966, and subsequently became a charter member of the staff at Maria Parham Hospital, where he was chief of staff from 1972-1973, and retained medical privileges until his retirement in 2003; and

Whereas, Dr. Green also opened a private practice on Horner Street in 1960, and started the Beckford Avenue Medical Center in 1968, where he treated patients often without pay and always without regard to race, age, or economic status; and

Whereas, Dr. Green was instrumental in bringing other dedicated physicians to the Henderson area, including Dr. James Kenney, who came to work at the Beckford Avenue Medical Center in 1972 and continues to practice there, and he demonstrated his dedication to providing medical care to the area's disenfranchised, impoverished, and elderly citizens by establishing HealthCo., a rural health clinic in Soul City, North Carolina; co-founding Pine Crest Manor Nursing and Rest Home in 1972; and helping to organize E. E. Toney Rest Home in Oxford, North Carolina; and

Whereas, Dr. Green was the quintessential "country doctor" who, in addition to his regular practice at the Beckford Avenue Medical Center, made house calls, delivered hundreds of babies, performed surgeries, and responded to emergency calls, including one that required him to be lowered into a collapsed tungsten mine to administer lifesaving medication and care to a trapped worker; and

Whereas, Dr. Green's concern for the welfare of others and his commitment to public service led him to seek elected office; and

Whereas, Dr. Green was the first African-American elected to the City Council of the City of Henderson and served in this capacity as a member for eight years; served as Democratic Party Chairman for the 2nd Congressional District for many years; and was President of the Vance County Voter's League and, in that capacity, played a significant part in increasing the number of registered African-American voters in the county from 500 to 5,000 during the League's inaugural voter registration drive; and

Whereas, Dr. Green was appointed by Governor James B. Hunt to serve in the North Carolina House of Representatives in 1989 to fulfill an unexpired term and was subsequently elected to serve two terms, during which time he used his unique position as "the only doctor in the House" to advance his passion for quality health care for every person in the State and his unwavering quest for equality for every human being; and

Whereas, while serving in the House of Representatives, Dr. Green was Chairman of the Human Resources Subcommittee on Aging and was a member of the Agriculture Subcommittee on Crops and Animal Husbandry; Appropriations Subcommittee on Justice and Public Safety; Commerce Subcommittee on Housing; Education Subcommittee on Community Colleges; and Legislative and Local Redistricting; and

Whereas, Dr. Green was one of the first legislators to sponsor a bill providing financial assistance to seniors who could not afford prescription medicines and, for his

effort to address this emerging need in our State, he was commended in 2002 by the Office of Governor Michael F. Easley at a ceremony at Maria Parham Hospital in Henderson, North Carolina; and

Whereas, Dr. Green served with distinction on numerous boards and commissions, including as chairman of the Governor's Sickle Cell Council for 10 years; president and member of the Old North State Medical Society; and as a member of the Governor's Commission on Fluoridation, the North Carolina Health Care Reform Commission, the North Carolina Mental Health Association, and the National Medical Association, which recently honored him for 50 years of membership and service; and

Whereas, Dr. Green received many awards for his tireless efforts to serve and care for the citizens of the City of Henderson and the State of North Carolina, including the Order of the Long Leaf Pine – the highest civilian award made by the Governor; a Doctor of Humane Letters from North Carolina Central University in 2001 and Johnson C. Smith University in 2002; status as a diplomate of the American Academy of Family Practitioners; the Leadership and Service Award from the Governor's Sickle Cell Council in 1984; the Small Businessman of the Year Award in 1972 from Governor Robert W. Scott; and recognition as the "longest practicing physician" by Maria Parham Hospital in Henderson; and

Whereas, in addition to being a skilled physician and conscientious legislator, Dr. Green was also a visionary and an inventor, who used his experience in treating alcoholics to create a product known as Vitaquil to help minimize the adverse effects of drinking; and

Whereas, Dr. Green was a member and an elder of Cotton Memorial Presbyterian Church, a life member of the National Association for the Advancement of Colored People, a life member of Omega Psi Phi Fraternity, and a member of Sigma Pi Phi Fraternity; and

Whereas, Dr. Green died on May 19, 2006; and

Whereas, Dr. Green was a devoted husband to his beloved wife, Carolyn Marie Smith Green; a loving father to his three children, Attorney James Preston Green, Jr. (deceased), Isaac Hughes Green, Sr., and Carolyn Annette Green Boone, J.D.; a doting grandfather to his 10 grandchildren; a caring and dutiful brother to his siblings; and a loyal friend to many; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly honors the life of Dr. James Preston Green, Sr., a physician and former member of the North Carolina House of Representatives, for his dedication to providing quality medical care to the citizens of the City of Henderson and the surrounding communities for over 40 years, and for his commitment to serving the people of this State.

SECTION 2. The General Assembly extends sympathy to the family of Dr. James Preston Green, Sr., for the loss of a beloved family member.

SECTION 3. The Secretary of State shall transmit a copy of this resolution to the family of Dr. James Preston Green, Sr.

Resolution 2007-62 **House Joint Resolution 2063**

A JOINT RESOLUTION HONORING THE TUSKEGEE AIRMEN AND EXPRESSING APPRECIATION FOR THEIR SERVICE DURING WORLD WAR II.

Whereas, during World War II, the armed forces in the United States were still segregated by race; and

Whereas, in 1941 the federal government established the 66th Air Force Flying School at Tuskegee Institute to train African-American pilots for the war; and

Whereas, from 1941 through 1946, almost 1,000 African-Americans trained at the Tuskegee Army Air Field in Tuskegee, Alabama; and

Whereas, 450 of the men who completed training at the Tuskegee Army Air Field were sent overseas for combat duty; and

Whereas, pilots trained at Tuskegee Institute were known as "Tuskegee Airmen," although this phrase also later included navigators, bombardiers, instructors, and maintenance and support staff; and

Whereas, the 99th Fighter Squadron, the first class trained at Tuskegee Institute, was sent to North Africa in the Spring of 1943 for combat duty and in 1944, they were joined by other African-American squadrons to form the 332nd Fighter Squadron, which flew missions over Sicily, the Mediterranean, and North Africa; and

Whereas, the Tuskegee Airmen compiled an outstanding record, which included completing more than 1,500 missions, destroying 260 enemy aircraft, sinking an enemy destroyer, and demolishing other enemy installation areas; and

Whereas, the Tuskegee Airmen achieved an exceptional record for escorting bomber crews and earned the respect of their fellow bomber crews and their military leaders; and

Whereas, the Tuskegee Airmen were nicknamed "Red-Tail Angels" after the red tail markings on their aircraft; and

Whereas, during the war, 66 Tuskegee Airmen were killed in action and 32 were held as prisoners of war; and

Whereas, the success of the Tuskegee Airmen helped end segregation in the military; and

Whereas, in 1948, by Executive Order, President Harry S. Truman desegregated the military; and

Whereas, the Tuskegee Airmen were awarded numerous honors, including the Distinguished Flying Cross (150), Legion of Merit (1), Silver Star (1), Purple Heart (8), Soldier Medal (2), Air Medal and Clusters (744), and the Bronze Star (14); and

Whereas, in 1945, the 332nd Fighter Squadron received a Distinguished Unit Citation for "outstanding performance and extraordinary heroism"; and

Whereas, the Tuskegee Airmen received the Congressional Gold Medal during a ceremony with President George W. Bush on March 29, 2007; and

Whereas, Tuskegee Airmen came from all over the United States, including the following members who were either born in North Carolina or are currently residing in the State:

Harvey R. Alexander, Guilford County
Fred L. Brewer, Jr., Mecklenburg County
Cecil L. Browder, New Hanover County

Resolution 2007-63 **House Joint Resolution 2067**

A JOINT RESOLUTION ACKNOWLEDGING THE CONTRIBUTIONS OF THE SCOTS AND SCOTS-IRISH TO NORTH CAROLINA.

Whereas, April 6 has a special significance for all Americans and especially those Americans of Scottish descent; and

Whereas, on April 6, 1320, the Declaration of Arbroath, the Scottish Declaration of Independence, was signed; and

Whereas, the American Declaration of Independence was modeled on this inspirational document; and

Whereas, almost half the signers of the United States Declaration of Independence were of Scottish descent as were the governors of nine of the original 13 colonies; and

Whereas, more than 27 million Americans can trace their roots back to Scotland and the Scottish plantations of Northern Ireland; and

Whereas, the State of North Carolina was the primary destination of Scots and Scots-Irish immigrants, some of whom became leaders of the State such as Colonial Governors Thomas Pollock and Gabriel Johnston and Governor Samuel Johnston; and

Whereas, North Carolina continues to lead the country in residents with Scottish and Scots-Irish heritage; and

Whereas, North Carolina is home to various festivals and games featuring Scottish culture that are held annually across the State, including the Flora MacDonald Highland Games, Loch Norman Highland Games, Grandfather Mountain Highland Games, Waxhaws Scottish Highland Games, and the Taste of Scotland held in Macon County; and

Whereas, North Carolinians seeking information regarding their Scottish heritage and history can visit numerous museums and institutions throughout the State, including the Scottish Tartans Museum in Franklin; and

Whereas, there are many North Carolina localities named for the area's Scottish settlers or in honor of Scotland including Scotland Neck and Scotland County; and

Whereas, the Carolina Tartan was adopted as the official tartan of the State of North Carolina in 1991; and

Whereas, many organizations and legislative bodies have recognized the month of April as National Scots, Scots-Irish Heritage Month, including the members of the Triad Highland Games, the Triad St. Andrews Society, and the Triad Scottish American Military Society, which declared the recognition on April 6, 2006; and

Whereas, it is fitting that the General Assembly honor the major role that the Scots and Scots-Irish played in the founding of this nation by recognizing the month of April of each year as National Scots, Scots-Irish Heritage Month in the State of North Carolina; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly honors the memory of Thomas Pollock, Gabriel Johnston, and Samuel Johnston, all of whom were born in Scotland, for their leadership of and contributions to the development of the State of North Carolina.

SECTION 2. The General Assembly urges the citizens of this State to recognize the month of April of 2008 and every April thereafter as National Scots, Scots-Irish Heritage Month.

SECTION 3. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 31st day of July, 2007.

Resolution 2007-64 **House Joint Resolution 2069**

A JOINT RESOLUTION HONORING THE FOUNDERS OF MARS HILL COLLEGE DURING THE COLLEGE'S ONE HUNDRED FIFTIETH ANNIVERSARY.

Whereas, Mars Hill College was founded in 1856 by pioneer families that settled in Madison County; and

Whereas, Mars Hill College was chartered by the North Carolina General Assembly in 1859; and

Whereas, Dr. R.L. Moore, a native of Caldwell County, became the 17th president of Mars Hill College in 1898 and served in that position for 41 years; and

Whereas, during Dr. Moore's tenure as president, he helped guide the college during its move to a full and accredited junior college, allowing Mars Hill to become one of the premier junior colleges in the country at that time; and

Whereas, a photo history book about Mars Hill College, Through the Long Years, stated "Over the next 41 years, Dr. Moore led in the erection of nine new buildings and the improvement of other facilities, increased the faculty and the enrollment, transformed the academic programs to the junior college curriculum, significantly raised the college's reputation in the academic world so that graduates could easily transfer to senior colleges, greatly upgraded communication with constituents through publications, and achieved and maintained financial stability. By the time he retired in June 1938 the college was in good shape and ready for a new and promising era."; and

Whereas, Mars Hill College transitioned to a four-year college in the early 1960s, awarding its first baccalaureate degrees in 1964; and

Whereas, today, Mars Hill College offers 30 majors and 33 minors and serves the needs of adults in the region by offering evening classes in six counties; and

Whereas, Mars Hill College is the home of the Liston B. Ramsey Center for Regional Studies; and

Whereas, Mars Hill College continues its longstanding mission to educate first-generation college students, awarding $2 million in Title III grants and having a large number of participants in the Bonner Scholars Program; and

Whereas, 60% of the students enrolled at Mars Hill College are North Carolinians; and

Whereas, more western North Carolina K-12 teachers come from Mars Hill College than any other private institution; and

Whereas, in a recent statewide review of all teacher preparation programs, Mars Hill College was ranked fourth among the 31 private North Carolina institutions; and

Whereas, Mars Hill College was among the first institutions of higher education in the State to be fully integrated and has consistently led the Western North Carolina colleges in percentage of minority enrollment; and

Whereas, Mars Hill College is the oldest institution of higher education in Western North Carolina still located on its original site and is the home of the Mars Hill College Historic District, which is listed on the National Register of Historic Places; and

Whereas, Mars Hill College was one of the first institutions of higher education to give emphasis to service learning for undergraduates, which has contributed to the institution's alumni as being known as some of the most dedicated and service-oriented students; and

Whereas, Mars Hill College has approximately 19,000 living alumni, of which more than 10,000 are North Carolina residents; and

Whereas, many of Mars Hill College's alumni have found success as college and university presidents and chancellors; and

Whereas, Mars Hill College alumni include Lamar Stringfield, founder of the North Carolina Symphony, and Douglas Ferguson, founder of the Pigeon Forge Pottery; and

Whereas, Mars Hill College competes in 19 intercollegiate sports as a member of the NCAA Division II; and

Whereas, Mars Hill College contributes to the economy of Madison County, serving as the second largest employer in the County; and

Whereas, Mars Hill College is the birthplace of Bascom Lamar Lunsford, known as the "Minstrel of the Appalachians"; and

Whereas, Mars Hill College is home of the Southern Appalachian Repertory Theatre and the Bailey Mountain Cloggers, 13-time national champions; and

Whereas, Mars Hill College has been having a yearlong celebration in honor of its 150th anniversary; Now, therefore,

Be it resolved by the House of Representatives, the Senate concurring:

SECTION 1. The General Assembly recognizes and honors the founders of Mars Hill College for their vision, commends the institution for its contributions to North Carolina and its people, and extends congratulations on the institution's sesquicentennial anniversary.

SECTION 2. The Secretary of State shall transmit a certified copy of this resolution to the President of Mars Hill College.

SECTION 3. This resolution is effective upon ratification.

Resolution 2007-65 **Senate Joint Resolution 1569**

A JOINT RESOLUTION HONORING THE ACCOMPLISHMENTS OF JOE THOMPSON AND THE LATE ODELL THOMPSON, LEGENDARY NORTH CAROLINA MUSICIANS.

Whereas, many North Carolinians have received local, national, and international acclaim for their unique talents, including musicians and cousins Joe Thompson and Odell Thompson; and

Whereas, Joe Thompson and Odell Thompson were born into a family of talented musicians, including their fathers John Arch Thompson and Walter Thompson and their grandfather, Bob Thompson, all of whom learned and continued the musical techniques passed down by their ancestors; and

Whereas, without any formal lessons, Joe Thompson began playing the fiddle at the age of five and soon joined his father and other family members in playing music at square dances and frolics for both white and black audiences in their rural northern Orange County community; and

Whereas, during the 1930s and 1940s, Joe Thompson, along with his brother, Nathaniel Thompson, and his cousin, Odell Thompson, both on banjo, performed as a traditional fiddle and banjo ensemble for various social events; and

Whereas, Joe Thompson was not only a talented fiddle player but also a gifted singer and square dance caller; and

Whereas, during World War II, Joe Thompson served in the United States Army from 1942 to 1945 and, upon his return to the United States, found that his style of music was no longer popular; and

Whereas, Joe Thompson later moved to Mebane, North Carolina, and provided for his family by working for a local furniture company for more than 35 years; and

Whereas, Odell Thompson settled in Alamance County with his family and worked for a local mattress company for 20 years; and

Whereas, during the early 1970s, Joe Thompson and Odell Thompson were encouraged to resume performing and found new audiences eager to hear them play; and

Whereas, Joe Thompson and Odell Thompson played at family gatherings and performed for radio and television audiences; and

Whereas, Joe Thompson and Odell Thompson became well known for their music and were featured at the National Folk Life Festival in Washington, DC, the National Folk Festival in Lowell, Massachusetts, Festival of American Fiddle Tunes in Port Townsend, Washington, and the International Music Festival in Brisbane, Australia; and

Whereas, Joe Thompson and Odell Thompson also performed at Carnegie Hall and participated in various workshops and conferences; and

Whereas, Joe Thompson and Odell Thompson received numerous honors, including the Brown-Hudson Award from the North Carolina Folklore Society, the North Carolina Heritage Award, and the Folk Heritage Award from the National Endowment for the Arts; and

Whereas, Joe Thompson was named one of the 12 recipients of the 2007 National Endowment for the Arts National Heritage Fellowships, the nation's highest honor in the folk and traditional arts; and

Whereas, Joe Thompson and Odell Thompson thrilled audiences worldwide until Odell's death in 1994; and

Whereas, Joe Thompson has continued to play the fiddle, teaching at international fiddle and banjo conventions and mentoring a new generation of African-American string band musicians; and

Whereas, at the age of 88, Joe Thompson is considered by many to be the oldest if not the last African-American fiddler in North Carolina; and

Whereas, Joe Thompson has had a profound impact on traditional string band music and thus has earned the admiration of the people of this State and the world; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly honors the memory of Odell Thompson and expresses its appreciation for his invaluable contributions to North Carolina's cultural heritage.

SECTION 2. The General Assembly wishes to pay tribute to native son Joe Thompson, a fiddler of enormous talent and vision, for his accomplishments as a musician and for his role in preserving the heritage of African-American string band music.

SECTION 3. The Secretary of State shall transmit a certified copy of this resolution to Joe Thompson and the family of Odell Thompson.

SECTION 4. This resolution is effective upon ratification.

Resolution 2007-66 **Senate Joint Resolution 1571**

A JOINT RESOLUTION HONORING THE MEMORY OF ROBERT RUARK, NOTED NORTH CAROLINA HALL OF FAME AUTHOR AND JOURNALIST.

Whereas, Robert Chester Ruark was born on December 29, 1915, and died on July 1, 1965, was a native of Wilmington, but spent much of his youth under the care of his grandparents in Southport, North Carolina, later turning his fondest childhood experiences into a successful literary account about coming-of-age lessons of integrity, compassion, and a love for the outdoors; and

Whereas, Robert Ruark entered The University of North Carolina at age 15, thereafter, graduating at age 19 with a Bachelor of Arts degree in Journalism before beginning a stellar literary career as a novelist, reporter, columnist, navy officer, and author; and

Whereas Robert Ruark made literary contributions to the genre of fiction with his widely popular historical romance, Grenadine Etching, in 1947; and

Whereas, Robert Ruark began his journalist career with a series of small town North Carolina newspapers, including the Sanford Herald, and later became employed in Washington, D.C., as a sports writer for the Daily News where he met and married a prominent interior designer, Virginia Webb; and

Whereas, Robert Ruark advanced rapidly as a talented journalist from war correspondent to columnist syndicated in hundreds of national and international newspapers with a readership in the millions; and

Whereas, Robert Ruark's stories were also featured in prominent national magazines, including Field and Stream, and Esquire, where his boyhood experiences of hunting and fishing with his grandfathers in Southport led to the publication of his most popular work, The Old Man and the Boy, that to this day remains a sportsman's classic and in continuous print; and

Whereas, Robert Ruark later became a recognized authority on the politics of Kenya and East African struggles for freedom with the release of the documentary Africa Adventure, which became the basis for the publication of his best selling novel,

Something of Value, based on the Mau Mau uprisings against British colonialism, in 1955 that later was produced as a major Hollywood film, and followed in 1967 by the sequel Uhuru; and

Whereas, Robert Ruark authored seven other books, among them, Poor No More, Horn of the Hunter, The Honeybadger, and The Old Man's Boy Grows Older; and

Whereas, Robert Ruark was affectionately known as "The Poor Man's Hemingway" for his candid recollections of the things he truly knew from experience and is widely recognized as one of North Carolina's most accomplished authors; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly honors the memory of Robert Ruark for his contributions to literature.

SECTION 2. The Secretary of State shall transmit a certified copy of this resolution to the Robert Ruark Society of Chapel Hill and the Robert Ruark Foundation of Southport, North Carolina.

SECTION 3. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 1st day of August, 2007.

Resolution 2007-67 **Senate Joint Resolution 1572**

A JOINT RESOLUTION ACKNOWLEDGING THE FINDINGS OF THE 1898 WILMINGTON RACE RIOT COMMISSION.

Whereas, public knowledge and historical memory of the 1898 Wilmington Race Riot was obscure until the North Carolina General Assembly, led by Representative Thomas E. Wright and the late Senator Luther Jordan, established the Wilmington Race Riot Commission ("Commission") in 2000 to develop a historical record of the event and to assess the economic impact of the riot on African-Americans in Wilmington and across the Eastern region and the State; and

Whereas, the Commission, chaired by Representative Wright and Senator Julia Boseman, both of Wilmington, oversaw a formal investigation of the events of 1898 and approved a 464-page report, detailing the history of the riot and the events that precipitated it; and

Whereas, the Commission's report concluded that political leaders and others were directly responsible for and participants in the violence of November 10, 1898, engineering and executing a statewide campaign to win the 1900 elections that was vicious, polarizing, and defamatory toward African-Americans and that encouraged violence; and

Whereas, the effects of that campaign and the Wilmington Riots lasted far beyond 1898, paving the way for legislation that disenfranchised African-American and poor white citizens, for lynching and violence against African-American citizens, and for Jim Crow segregation until the Civil Rights Movement of the 1960s; and

Whereas, the State of North Carolina embraces the Commission's report as a chronicle of an important part of State history, but it is saddened by the full extent of leaders' involvement in the 1898 Wilmington Race Riot as these deplorable actions contradict the spirit of a modern State; Now, therefore,

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. The General Assembly of North Carolina acknowledges the 1898 Wilmington Race Riot Commission's findings and expresses profound regret that violence, intimidation, and force were used to replace a duly elected local government, that people lost their livelihoods and were forced to leave their homes, and that the government was unsuccessful in protecting its citizens during that time.

SECTION 2. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 2nd day of August, 2007.

Resolution 2007-68 **Senate Joint Resolution 1573**

A JOINT RESOLUTION SETTING THE TIME FOR ADJOURNMENT OF THE 2007 GENERAL ASSEMBLY TO MEET IN 2008 AND LIMITING THE SUBJECTS THAT MAY BE CONSIDERED IN THAT SESSION.

Be it resolved by the Senate, the House of Representatives concurring:

SECTION 1. When the Senate and the House of Representatives adjourn on Thursday, August 2, 2007, they stand adjourned to reconvene on Tuesday, May 13, 2008, at 12:00 noon.

SECTION 2. During the regular session that reconvenes on Tuesday, May 13, 2008, only the following matters may be considered:

(1) Bills directly and primarily affecting the State budget, including the budget of an occupational licensing board, for fiscal year 2008-2009, provided that the bill must be submitted to the Bill Drafting Division of the Legislative Services Office no later than 4:00 P.M. Friday, May 16, 2008, and must be introduced in the House of Representatives or filed for introduction in the Senate no later than 4:00 P.M. Tuesday, May 27, 2008.

(2) Bills amending the Constitution of North Carolina.

(3) Bills and resolutions introduced in 2007 and having passed third reading in 2007 in the house in which introduced, received in the other house in accordance with Senate Rule 41 or House Rule 31.1(d) as appropriate, and not disposed of in the other house by tabling, unfavorable committee report, indefinite postponement, or failure to pass any reading, and which do not violate the rules of the receiving house.

(4) Bills and resolutions implementing the recommendations of:

a. Study commissions, authorities, and statutory commissions authorized or directed to report to the 2008 Session;

b. The General Statutes Commission, the Courts Commission, or any commission created under Chapter 120 of the General Statutes that is authorized or directed to report to the General Assembly;

c. The House Ethics Committee;

d. Select committees; or

e. The Joint Legislative Ethics Committee or its Advisory Subcommittee.

A bill authorized by this subdivision must be submitted to the Bill Drafting Division of the Legislative Services Office no later than 4:00 P.M. Wednesday, May 14, 2008, and must be filed for introduction in the Senate or introduced in the House of Representatives no later than 4:00 P.M. Wednesday, May 21, 2008.

(5) Any local bill that has been submitted to the Bill Drafting Division of the Legislative Services Office by 4:00 P.M. Wednesday, May 21, 2008, is introduced in the House of Representatives or filed for introduction in the Senate by 4:00 P.M. Wednesday, May 28, 2008, and is accompanied by a certificate signed by the principal sponsor stating that no public hearing will be required or asked for by a member on the bill, the bill is noncontroversial, and that the bill is approved for introduction by each member of the House of Representatives and Senate whose district includes the area to which the bill applies.

(6) Selection, appointment, or confirmation of members of State boards and commissions as required by law, including the filling of vacancies of positions for which the appointees were elected by the General Assembly upon recommendation of the Speaker of the House of Representatives, President of the Senate, or President Pro Tempore of the Senate.

(7) Any matter authorized by joint resolution passed during the 2008 Regular Session by a two-thirds majority of the members of the House of Representatives present and voting and by a two-thirds majority of the members of the Senate present and voting. A bill or resolution filed in either house under the provisions of this subdivision shall have a copy of the ratified enabling resolution attached to the jacket before filing for introduction in the Senate or introduction in the House of Representatives.

(8) A joint resolution authorizing the introduction of a bill pursuant to subdivision (6) of this section.

(9) Any bills primarily affecting any State or local pension or retirement system, provided that the bill has been submitted to the Bill Drafting Division of the Legislative Services Office no later than 4:00 P.M. Wednesday, May 21, 2008, and is introduced in the House of Representatives or filed for introduction in the Senate no later than 4:00 P.M. Wednesday, May 28, 2008.

(10) Joint resolutions, House resolutions, and Senate resolutions authorized for introduction under Senate Rule 40(b) or House Rule 31.

(11) A joint resolution adjourning the 2007 Regular Session, sine die.

(12) Bills to disapprove rules under G.S. 150B-21.3.

SECTION 3. A bill containing no substantive provisions may not be introduced in the House of Representatives during the 2008 Regular Session.

SECTION 4. The Speaker of the House of Representatives or the President Pro Tempore of the Senate may authorize appropriate committees or subcommittees of their respective houses to meet during the interims between sessions to:

(1) Review matters related to the State budget for the 2007-2009 biennium,

(2) Prepare reports, including revised budgets, or

(3) Consider any other matters as the Speaker of the House of Representatives or the President Pro Tempore of the Senate deems appropriate, except that no committee or subcommittee of a house may consider, after the date of adjournment provided in Section 1 of this resolution and before the date of reconvening provided in Section 2 of this resolution, any bill, or proposed committee substitute for such bill, which originated in the other house. A conference committee may meet in the interim upon approval by the Speaker of the House of Representatives or the President Pro Tempore of the Senate.

SECTION 5. This resolution is effective upon ratification.

In the General Assembly read three times and ratified this the 2nd day of August, 2007.

Resolution 2007-69 Extra Session **House Joint Resolution 2**

A JOINT RESOLUTION PROVIDING FOR ADJOURNMENT SINE DIE OF THE 2007 EXTRA SESSION.

MICHAEL F. EASLEY
GOVERNOR

EXECUTIVE ORDER NO. 106

HISTORICALLY UNDERUTILIZED BUSINESSES

WHEREAS, it is North Carolina's collective expectation that all citizens of the state will be given equal opportunities to participate in providing State government with the goods and services it requires; and

WHEREAS, it is my expectation, as Governor of the State, that this will be accomplished without regard to race, gender, or disabling condition; and

WHEREAS, when the General Assembly set the purchasing policy for the State, it encouraged State agencies to provide contracting opportunities for small and historically underutilized businesses (hereinafter "HUBs") as defined in North Carolina General Statutes §143-48, which include businesses owned by minorities, women, and the disabled; and

WHEREAS, it is my desire that a coordinated effort is undertaken to eliminate any barriers which may have acted as impediments to equal opportunities for HUBs in doing business with the State.

NOW, THEREFORE, by the power vested in me as Governor by the laws and Constitution of North Carolina, **IT IS ORDERED:**

Each executive branch agency should strive to increase the total amount of goods and services acquired by it from HUB vendors, whether directly as principal contractors or indirectly as subcontractors or otherwise. It is expected that each agency will issue an aspirational goal of

at least ten percent (10%), by dollar amount, of the State's purchases of goods and services that will be derived from minority owned businesses and at least five percent (5%) that will be derived from disabled and women owned businesses.

The HUBs Office shall assist each agency in developing a plan and providing technical assistance to reach the recommended objectives related to the purchase of goods and services.

The State Purchasing Officer, the Director of the State Construction Office, and the Director of the State Property Office shall continue to implement guidelines and procedures that ensure that the State's contracts contain specific requirements that compel contractors doing business with the State to comply with federal Equal Employment Opportunity Requirements or their equivalent.

The Board of Governors of the University of North Carolina System, the State Board of Community Colleges, local boards of education, and each of heads of the Council of State agencies are encouraged and invited to participate in this Executive Order.

This order supersedes any previously issued order, is effective immediately, and remains in effect until December 31, 2008, unless earlier modified.

IN WITNESS WHEREOF, I have hereunto signed my name and affixed the Great Seal of the State of North Carolina at the Capitol in the City of Raleigh, this twenty-eighth day of August in the year of our Lord two thousand and six, and of the Independence of the United States of America the two hundred and thirtieth.

EXECUTIVE ORDER NO. 107
PROCLAMATION OF A STATE OF EMERGENCY
DUE TO TROPICAL STORM ERNESTO

WHEREAS, I have determined that a state of emergency, as defined in G.S. §166A-4 and G.S. §14-288.1(10), exists in the State of North Carolina, due to the approach and proximity of Tropical Storm Ernesto, beginning on August 31, 2006.

NOW, THEREFORE, pursuant to the authority vested in me as Governor by the Constitution and the laws of the State of North Carolina, **IT IS ORDERED:**

Section 1. Pursuant to G.S. §§166A-5 and 14-288.15, I, therefore, proclaim the existence of a state of emergency in the State.

Section 2. I hereby order all state and local government entities and agencies to cooperate in the implementation of the provisions of this proclamation and the provisions of the North Carolina Emergency Operations Plan.

Section 3. I hereby delegate to Bryan E. Beatty, Secretary of Crime Control and Public Safety, and/or his designee, all power and authority granted to me and required of me by Chapter 166A, and Article 36A of Chapter 14 of the General Statutes for the purpose of implementing the said Emergency Operations Plan and to take such further action as is necessary to promote and secure the safety and protection of the populace in North Carolina.

Section 4. Further, Bryan E. Beatty, Secretary of Crime Control and Public Safety, as chief coordinating officer for the State of North Carolina, shall exercise the powers prescribed in G.S. §143B-476.

Section 5. I hereby order this proclamation: (a) to be distributed to the news media and other organizations calculated to bring its contents to the attention of the general public; (b) unless the circumstances of the state of emergency prevent or impede, to be promptly filed with the Secretary of Crime Control and Public Safety, the Secretary of State, and the clerks of superior court in the counties to which it applies; and (c) to be distributed to others as necessary to assure proper implementation of this proclamation.

Section 6. This proclamation shall become effective immediately.

IN WITNESS WHEREOF, I have hereunto signed my name and affixed the Great Seal of the State of North Carolina at the Capitol in the City of Raleigh, this thirty-first day of August in the year of our Lord two thousand and six, and of the Independence of the United States of America the two hundred and thirtieth.

EXECUTIVE ORDER NO. 108

TO DECLARE BY PROCLAMATION THE TRUE BOUNDARY LINE BETWEEN THE STATE OF NORTH CAROLINA AND THE STATE OF SOUTH CAROLINA ALONG THE COUNTIES OF JACKSON AND TRANSYLVANIA

WHEREAS, the Joint North Carolina/South Carolina Boundary Commission determined at its duly-convened meeting on December 11, 1997, to establish the true boundary line between the states along the North Carolina county of Jackson and a portion of the county of Transylvania; and

WHEREAS, both states have undertaken the necessary steps to locate, survey, and mark the 19.3-mile segment of the boundary, as identified through historical research and field work and by using the Global Positioning System ("GPS"); and

WHEREAS, pursuant to N.C.G.S. § 141-5, the completion of the survey of the above-described boundary has been reported to the undersigned Governor Michael F. Easley and placed before and approved by the Council of State on July 11, 2006; and

WHEREAS, N.C.G.S. § 141-5 further requires that the Governor issue a Proclamation declaring the reported and approved survey line to be the true boundary of the State of North Carolina.

NOW, THEREFORE, by the power vested in me as Governor by the Constitution and laws of the State of North Carolina, **IT IS ORDERED:**

(1) That, pursuant to the provisions of N.C.G.S. § 141-5, the true boundary line between the State of North Carolina and the State of South Carolina along the county of Jackson and a portion of the county of Transylvania is hereby declared, by PROCLAMATION, to be the surveyed line represented on the attached plat of the completed survey captioned as North Carolina/South Carolina State Boundary from Indian Camp Boundary to the Chattooga River, dated May 2005, and which is described by a monument located at Latitude 35° 05' 07.96294" North, Longitude 082° 47' 01 .49862" West (North American Datum 1983-86 "NAD 83-86"), and marked by the "•" inside a triangle on a brass disk stamped with "BLACKBURN, 1996, NORTH CAROLINA, SOUTH CAROLINA, STATE

BOUNDARY LINE" and set in a concrete monument; thence from said point following a geodetic line to a monument located at Latitude 35° 00' 04.88130" North and Longitude 083° 06' 30.84455" West, NAD 83-86, marked by the "┼" in the inscription "LAT 35, AD 1813, NC ┼ SC" chiseled on Commissioners' Rock on the east bank of the Chattooga River; thence following a geodetic line with a geodetic azimuth of 270 degrees to the centerline of the Chattooga River.

(2) That the North Carolina Geodetic Survey of the Department of Environment and Natural Resources, and the North Carolina State Property Office of the Department of Administration continue to retain and manage sufficient and necessary records of the state boundary marking and re-markings, including but not limited to this Executive Order.

This Executive Order shall take effect immediately and remain in effect until rescinded.

IN WITNESS WHEREOF, I have hereunto signed my name and affixed the Great Seal of the State of North Carolina at the Capitol in the City of Raleigh, this twenty-fifth day of September in the year of our Lord two thousand and six, and of the Independence of the United States of America the two hundred and thirtieth.

EXECUTIVE ORDER NO. 113
PROCLAMATION OF A STATE OF EMERGENCY
FOR DARE COUNTY

WHEREAS, I have determined that a state of emergency, as defined in G.S. §§166A-4 and 14-288.1(10), exists in the State of North Carolina, specifically Dare County, where the primary transportation route, Highway 12, has been severely compromised as a result of severe weather on November 22, 2006.

WHEREAS, on November 22, 2006, Dare County proclaimed a local State of Emergency;

NOW, THEREFORE, pursuant to the authority vested in me as Governor by the Constitution and the laws of the State of North Carolina, **IT IS ORDERED:**

Section 1. Pursuant to G.S. §§166A-5 and 14-288.15, I, therefore, proclaim the existence of a state of emergency in the State.

Section 2. I hereby order all state and local government entities and agencies to cooperate in the implementation of the provisions of this proclamation and the provisions of the North Carolina Emergency Operations Plan.

Section 3. I hereby delegate to Bryan E. Beatty, Secretary of Crime Control and Public Safety, and/or his designee, all power and authority granted to me and required of me by Chapter 166A, and Article 36A of Chapter 14 of the General Statutes for the purpose of implementing the said Emergency Operations Plan and to take such further action as is necessary to promote and secure the safety and protection of the populace in North Carolina.

Section 4. Further, Bryan E. Beatty, Secretary of Crime Control and Public Safety, as chief coordinating officer for the State of North Carolina, shall exercise the powers prescribed in G.S. §143B-476.

Section 5. I hereby order this proclamation: (a) to be distributed to the news media and other organizations calculated to bring its contents to the attention of the general public; (b) unless the circumstances of the state of emergency prevent or impede, to be promptly filed

with the Secretary of Crime Control and Public Safety, the Secretary of State, and the clerks of superior court in the counties to which it applies; and (c) to be distributed to others as necessary to assure proper implementation of this proclamation.

Section 6. This proclamation shall become effective immediately, and shall expire 30 days after issuance unless renewed by the Governor or the General Assembly. Such renewals may be made in increments of 30 days each, not to exceed a total of 120 days from the date of first issuance. The Joint Legislative Commission on Governmental Operations shall be notified prior to the issuance of any renewal.

IN WITNESS WHEREOF, I have hereunto signed my name and affixed the Great Seal of the State of North Carolina at the Capitol in the City of Raleigh, this twenty-ninth day of November in the year of our Lord two thousand and six, and of the Independence of the United States of America the two hundred and thirtieth.

EXECUTIVE ORDER NO. 118
CONTINUITY OF OPERATIONS PLANNING

WHEREAS, pursuant to Executive Order No. 102 which remains in effect, good progress has been made in Continuity of Operations and Continuity of Government planning, particularly with regard to identification of alternate work facilities; and

WHEREAS, the possibility of a pandemic influenza event is real and demands planning effort in government as well as the private sector; and

WHEREAS, efforts are well underway to minimize the effects of pandemic influenza on North Carolina citizens; and

WHEREAS, personnel shortages that could result from a pandemic influenza or other widespread disease event have not heretofore been included in Continuity of Operations planning; and

WHEREAS, should multiple State agencies at once need alternate work facilities or to continue work during significant personnel shortages, an overarching Continuity of Operations plan for State Government is necessary to assure a coordinated response; and

WHEREAS, a standard format will lead to more consistent, understandable, and executable Continuity of Operations plans;

NOW, THEREFORE, pursuant to the authority vested in me as Governor by the Constitution and laws of North Carolina, **IT IS ORDERED:**

Section 1. By August 1, 2007, each North Carolina Executive Branch agency (at the Division level) will include in its Continuity of Operations Plan provisions to deal with a pandemic influenza event. Plans will be developed using guidance available from the North Carolina Office of State Personnel, the North Carolina Division of Public Health, and the Federal Emergency Management Agency.

Section 2. The North Carolina State Government Complex Continuity of Operations Plan, dated June 4, 2007, is promulgated by this Order. All North Carolina Executive Branch agencies are directed to cooperate in implementing provisions of this plan.

Section 3. The Secretary of Crime Control and Public Safety, through the Division of Emergency Management is designated executive agent for the North Carolina State Government Complex Continuity of Operations Plan. The Secretary, with necessary coordination, will exercise approval authority for changes to this plan and assure it is reviewed at least annually and updated as necessary. The Department of Administration remains the lead agency for purposes of procuring and assigning alternate facilities to displaced agencies.

Section 4. Agency heads are reminded that an annual review of Continuity of Operations plans is due on November 1 of each year. Continuity of Operations plans are to be updated as necessary. Compliance with this requirement should be documented by reports submitted by November 15 each year from Executive Branch department heads to the Director of Emergency Management.

Section 5. By November 1, 2008, each North Carolina Executive Branch agency will revise its Continuity of Operations plan to conform to a standard format based on guidance from the Federal Emergency Management Agency and provided by the Secretary of Crime Control and Public Safety through the Division of Emergency Management.

Section 6. As with Executive Order No. 102, State agencies outside the Executive Branch and not directly subject to this order are invited and encouraged to comply with this order and to participate fully in the North Carolina Continuity of Operations planning effort.

Section 7. This order, together with Executive Order No. 102, will remain in effect until amended or rescinded.

IN WITNESS WHEREOF, I have hereunto signed my name and affixed the Great Seal of the State of North Carolina at the Capitol in the City of Raleigh, this fourth day of June in the year of our Lord two thousand and seven, and of the independence of the United States the two hundred thirty-first.

EXECUTIVE ORDER NO. 120
ACCELERATING TEACHER AND OTHER PERSONNEL RECRUITMENT AND THE IMPLEMENTATION OF NEEDED ACADEMIC SUPPORT PROGRAMS FOR AT-RISK CHILDREN IN LIGHT OF JUDICIAL MANDATES, BUDGET DEVELOPMENTS, AND IMPENDING SCHOOL OPENINGS

WHEREAS, the 2007 General Assembly enacted House Bill 2044, which keeps state government operating through July 31, 2007, and which provides additional funding for enrollment increases and which was signed into law on June 29, 2007; and

WHEREAS, in the budget submitted to the General Assembly for the 2007-09 fiscal years, I recommended funding to meet the increased operation costs of our public schools while providing for the needs of disadvantaged students; and

WHEREAS, public schools across the state must plan now for their opening in a few weeks, and the state court monitoring of North Carolina's effort to ensure a sound, basic education for every student continues; and

WHEREAS, in the school funding lawsuit, known as *Leandro*, the Court stated that at a minimum every school must be provided the resources necessary to support an effective instructional program within that school so that the educational needs of all children, including at-risk children, can be met; and

WHEREAS, the Court has isolated particular problems of meeting the needs of at-risk students in North Carolina's high schools and outlined the need for the state to bring together the "combined expertise, educators, resources, and money to fix the 'high school problem' so that the children attending those schools will be provided with the opportunity to obtain a sound, basic education;" and

WHEREAS, the Court has scheduled a *Leandro* hearing for August 1 and 2, 2007, to inquire into the proficiency of middle schools and the best practices for ensuring proficiency; and

WHEREAS, pre-kindergarten programs for at-risk children and class size reduction are necessary for improving educational opportunities and outcomes for children across North Carolina; and

WHEREAS, these programs are fundamental to addressing the needs of at-risk students, eliminating the achievement gap, reducing the State's persistently high dropout rate, increasing college enrollments, and meeting other educational challenges; and

WHEREAS, House Bill 1473, "The 2007 Appropriations Act," under consideration by the House and Senate has not been passed; and

WHEREAS, while the General Assembly continues working to ratify a final budget I can approve, the school year for the majority of North Carolina's children is about to begin and preplanning, hiring, and facilities preparation must take place.

NOW THEREFORE, in light of the factual circumstances set forth above, including the decision in *Leandro*, and under the legal authority vested in me as Governor by Article I, Section 15 of the Constitution of North Carolina (which states that "The people have a right to the privilege of education, and it is the duty of the State to guard and maintain that right."), Article III of the Constitution of North Carolina, and N.C.G.S. §143C-6-4, I hereby **AUTHORIZE AND INSTRUCT**:

Section 1. The Director of the More at Four Pre-Kindergarten Program to recruit the teachers necessary to expand the program; and

Section 2. The Superintendent of Public Instruction, working with and through local school system superintendents, to put into place the additional teachers and academic support programs needed to support the achievement of at-risk students in districts eligible for Disadvantaged Student Supplemental Funding and to keep class size ratios at current levels.

This Executive Order is effective July 20, 2007.

IN WITNESS WHEREOF, I have hereunto signed my name and affixed the Great Seal of the State of North Carolina at the Capitol in the City of Raleigh, this twentieth day of July in the year of our Lord two thousand and seven, and of the Independence of the United States of America the two hundred and thirty-first.

Section 1. Establishment.

The North Carolina Film Council is hereby established.

Section 2. Duties.

The Council shall have the following duties and functions:

a. Advise the Governor on matters that would enhance the likelihood of the film industry choosing North Carolina for filmmaking.

b. Advise the Secretary of Commerce and the Film Division in the Department of Commerce on film-making activities within North Carolina.

c. Serve as a forum for film-making concerns and recommendations relating to the film industry in North Carolina that would include, but not be all inclusive of, the following:

1. Assist in updating and maintaining a database registry of locations within North Carolina that would be potential sites for filmmaking;
2. Develop the financial capability of North Carolina to support projects with local financing of the film industry;
3. Develop a support network for production activities relating to the film industry;
4. Assist in updating and maintaining a manual for the use of local governments and municipalities detailing supportive activities that would facilitate filmmaking in their communities;

5. Assist in the support and coordination of the activities of local film commissions in North Carolina;
6. Provide advice on projects directly assigned by the Governor to the Council;
7. Assist with recruitment of the film industry to select North Carolina sites for filmmaking; and
8. Assist in the preparation of an annual report on the economic impact of the film-making industry in North Carolina, along with recommendations to increase the filmmaking activities within North Carolina.

Section 3. Membership.

The Council shall consist of no more than 25 voting members who shall be appointed by the Governor including:

a. representatives of the film industry within the state representing acting, production, directing, producing, and film studio management;
b. representatives of state or local government; and
c. citizens' at-large members.

Section 4. Terms of Membership.

All members shall be appointed for a term of three years.

Section 5. Vacancies.

A vacancy occurring during a term of appointment is filled in the same manner as the original appointment and for the balance of the unexpired term.

Section 6. Travel Expense.

Members of the Council shall receive necessary travel and subsistence expenses, when available, from Department of Commerce funds, pursuant to N.C.G.S. §138-5.

Section 7. Officers.

The Chair and Vice Chair of the Council shall be appointed by the Governor and serve at the pleasure of the Governor. The Council may elect other such officers as it deems necessary.

Section 8. Meetings.

The Council shall meet at least three times yearly and at other times at the call of the Chair or upon written request a least ten of its members.

Section 9. Staff Assistance.

The Department of Commerce shall provide clerical support and other services required by the Council.

This Executive Order shall be effective immediately and rescinds Executive Order No. 79.

REPLACING EXECUTIVE ORDER NO. 74
CONCERNING CREATION OF A PROGRAM OFFICE, A POLICY BOARD, AND ADVISORY COMMITTEES, TO SUPPORT SUSTAINABLE NATURAL RESOURCE AND ENVIRONMENTAL MANAGEMENT IN THE ALBEMARLE-PAMLICO ESTUARINE SYSTEM

WHEREAS, the Albemarle-Pamlico National Estuary Program (APNEP), formerly known as the Albemarle-Pamlico Estuarine Study, is a cooperative effort established by the State of North Carolina and the United States Environmental Protection Agency; and

WHEREAS, the mission of the APNEP is to identify, restore, and protect the significant resources in the Albemarle-Pamlico estuarine system in North Carolina and southeast Virginia; and

WHEREAS, the APNEP is a collaborative effort involving state, federal, regional, local, educational, and public entities in the protection and enhancement of the Albemarle-Pamlico estuarine system; and

WHEREAS, Congress designated the Albemarle-Pamlico estuarine system as an "estuary of national significance" in 1987; and

WHEREAS, the APNEP was the first National Estuary Program to be designated under Section 320 of the Clean Water Act; and

WHEREAS, the APNEP has provided extensive information and supported scientific research about natural resource and environmental issues facing the Albemarle-Pamlico estuary since 1987; and

WHEREAS, scientific information from the Albemarle-Pamlico Estuarine Study was combined with extraordinary involvement by citizens to develop a Comprehensive Conservation and Management Plan (CCMP) entitled "A Guide to Environmental and Economic Stewardship in the Albemarle-Pamlico Region" that was adopted in 1994; and

WHEREAS, the CCMP also recognizes that, from an ecological and economic standpoint, the most effective means to ensure the environmental health and sustainability of the

Albemarle-Pamlico estuarine system is to manage and protect the resources in the five major river basins of the watershed; and

WHEREAS, the CCMP also recognizes the importance of involving the public in making decisions regarding natural resource and environmental management, and research;

NOW, THEREFORE, by the authority vested in me as Governor by the Constitution and laws of the State of North Carolina, **IT IS ORDERED:**

Section 1. Establishment.

An **Albemarle-Pamlico National Estuary Program Office** is hereby established to coordinate and facilitate the implementation and advancement of the CCMP, the APNEP mission, and the activities of the Policy Board and Advisory Committees. The APNEP Program Office shall serve as a conduit for information between the Policy Board, Advisory Committees, state and federal agencies, local government, tribes, academia, and the public. The Program Office will be located in the Offices of the Secretary of the North Carolina Department of Environment and Natural Resources (DENR).

A **Policy Board** for the Albemarle-Pamlico watershed shall be established to work with DENR and the Program Office to advise, support, evaluate, update, advocate, and guide the implementation of the CCMP and the APNEP mission.

A Committee of Citizen Advisors ("**Citizen Advisory Committee**") for the Albemarle-Pamlico watershed shall be established to advise and support the Policy Board, and to serve as liaisons to local agencies and interested parties regarding environmental and natural resource management concerns and issues relevant to implementation of the CCMP and the APNEP mission.

A Committee of Science and Technical Advisors ("**Science and Technical Advisory Committee**") for the Albemarle-Pamlico watershed shall be established to advise the Policy Board and agencies responsible for implementation of the CCMP on scientific and technical issues.

A Committee of Management Agency Representatives ("**Management Advisory Committee**") for the Albemarle-Pamlico watershed shall be established to facilitate and support the implementation and advancement of the CCMP management actions and the APNEP mission.

Section 2. Program Boundaries.

The boundaries of the Albemarle-Pamlico National Estuary Program are the geographic area of each of the following river basins as defined by the hydrologic boundaries ascribed to it by the North Carolina Department of Environment and Natural Resources:

1. Neuse (including areas of the White Oak River Basin that drain to Core and Bogue sounds),
2. Tar-Pamlico (including areas draining directly into the northern Pamlico Sound),
3. Roanoke (that portion of the basin below Lake Gaston dam),
4. Chowan (including the portion of the basin located in Virginia), and
5. Pasquotank (including waters and areas that drain directly into the Albemarle, Currituck, Croatan, and Roanoke sounds, as well as that portion of the basin located in Virginia).

Section 3. Policy Board.

A. Membership.
   1. The Secretary of the Department of Environment and Natural Resources shall appoint or invite the initial Policy Board membership.
   2. The Policy Board will be broad-based and include the following:
      a. The Secretary of North Carolina Department of Environment and Natural Resources, or designee;
      b. The Secretary of Natural Resources of the Commonwealth of Virginia, or designee, is invited to participate;
      c. The Executive Director of the North Carolina Clean Water Management Trust Fund, or designee;
      d. One representative of Partnership for the Sounds;
      e. One representative of Cooperative Extension;
      f. One representative of Sea Grant;
      g. Two representatives from each of the Advisory Committees;
      h. One who shall, at the time of appointment, is actively connected with higher education.
      i. One who shall, at the time of appointment, is actively connected with local or regional planning;
      j. One who shall, at the time of appointment, is actively connected with major business or industry;
      k. One who shall, at the time of appointment, is actively connected with the commercial fishing or seafood industry;
      l. One who shall, at the time of appointment, is actively connected with agriculture;
      m. One who shall, at the time of appointment, is actively connected with forestry;
      n. One who shall, at the time of appointment, is actively associated with a local, state, or national conservation organization;
      o. One who shall, at the time of appointment, is actively connected with or have experience in finance/banking;
      p. One who shall, at the time of appointment, is actively connected with communication media;
      q. One at-large member; and

r. A representative of the United States Environmental Protection Agency–National Estuary Program is invited to participate as a non-voting ex-officio member.

3. Members must reside or have interests within the program boundaries.
4. Each member shall serve a three-year term, renewable once consecutively. The membership will have staggered appointments so that one-third of the membership can be reappointed each year.
5. Vacancies shall be filled by appointment or invitation from the remaining Board members as set forth in the Board's bylaws.
6. The Policy Board may expand its membership, as it deems necessary, upon two-thirds affirmative vote.

B. Duties.

1. The role of the Policy Board shall be to guide, evaluate, and support the CCMP implementation process and advancement of the CCMP and its management actions, and to ensure the highest level of collaboration, coordination, and cooperation among state and federal agencies, local governments, the public, and various interest groups.
2. The Policy Board shall consult the Advisory Committees for recommendations pertaining to implementation of CCMP management actions at the regional and local level, and the coordination and development of research and monitoring priorities.
3. The Policy Board shall advise the state, federal, and local agencies responsible for environmental and natural resource management about concerns and issues relevant to implementation of the CCMP.
4. The Policy Board shall make recommendations based on CCMP implementation progress and success, and shall identify and prioritize information needs as described in the CCMP.
5. The Policy Board shall evaluate the relevance of the CCMP and consult the Advisory Committees for recommendations on amending the CCMP to address new or emerging issues that may affect the significant natural resources of the Albemarle-Pamlico estuarine system.
6. The Policy Board shall be an advocate for the implementation of the CCMP and the APNEP mission and the APNEP.
7. The Policy Board, in cooperation with the Program Office, shall assist in the development of an annual report, budget, and work plan that address priorities for implementing and updating the CCMP.
8. The Policy Board will have no authority other than as an advisory body.
9. The Policy Board shall be responsible for determining its own rules of order, bylaws, chairmanship, attendance requirements, and other matters of protocol.

C. Meetings.

1. The Policy Board shall meet at least two times each year or more frequently if deemed appropriate by the Chair or upon request by the Program Director.

2. Federal, state, and local agencies with environmental management responsibilities in the Albemarle-Pamlico watershed are invited to participate in meetings of the Policy Board.
3. All meetings shall be open to the public and noticed in accordance with North Carolina's open meeting laws.

Section 4. Advisory Committees.

A. Citizen Advisory Committee
   1. Membership.
      a. Citizen Advisory Committee (CAC) members must reside, or have interests, within the program boundaries of the Albemarle-Pamlico National Estuary Program.
      b. Membership shall include:
         1. One representative of the Soil and Water Conservation Districts in North Carolina;
         2. One representative of the Soil and Water Conservation Districts in Virginia is invited;
         3. Two representatives from non-governmental environmental conservation organizations;
         4. One representative of environmental education;
         5. One representative of K-12 education;
         6. One representative from industry or business;

         11. One representative of municipal or town government;
         12. One representative from each of the following:
             a. North Carolina League of Municipalities, and
             b. North Carolina Association of County Commissioners;
         13. One representative from each of the following is invited:
             a. Virginia Municipal League, and
             b. Virginia Association of Counties;
         14. One representative is invited to represent the State recognized tribal organizations from within the program boundaries in North Carolina;
         15. One representative is invited to represent the State recognized tribal organizations from within the program boundaries in Virginia; and
         16. Six at-large positions.
      c. The CAC may expand its membership to include other interested parties as it deems necessary and as set forth in the committee's bylaws.
      d. Members shall serve a three-year term, renewable once consecutively. The membership will have staggered appointments so that one-third of the membership can be reappointed each year.

e. The Director of the Albemarle-Pamlico National Estuary Program Office shall nominate the initial CAC membership to be approved by the Policy Board. In making his nominations, the Director shall, to the greatest extent possible, seek to ensure geographic, demographic and social balance, and willingness to serve.

f. Vacancies shall be filled by appointment or invitation from the remaining CAC members as set forth in the committee's bylaws.

2. Duties.

a. The CAC shall be responsible for coordinating CCMP implementation strategies at a local level.

b. The CAC shall advise and consult with the Policy Board, Science and Technical Advisory Committee, Management Advisory Committee, the public, and various interest groups, as well as local agencies within the Albemarle-Pamlico watershed regarding implementation of CCMP management actions and advancement of the CCMP at the local level.

c. The CAC shall be an advocate for the implementation of the CCMP and the APNEP mission and the APNEP at the local level.

d. The CAC will have no authority other than as an advisory body.

e. The CAC shall select two members to serve on the Policy Board.

f. The CAC shall be responsible for determining its own rules of order, bylaws, chairmanship, attendance requirements, and other matters of protocol.

3. Meetings.

a. The CAC shall meet at least two times each year, or more frequently if deemed appropriate or upon request by the Policy Board or the Program Director.

b. Federal, state, and local agencies with environmental management responsibilities in the Albemarle-Pamlico watershed are invited to participate in meetings of the CAC.

c. All meetings shall be open to the public and noticed in accordance with North Carolina's open meeting laws.

B. Science and Technical Advisory Committee

1. Membership.

a. The Science and Technical Advisory Committee (STAC) will be broad-based and should include scientists and researchers from local colleges, universities, and research institutions, as well as technical staff from federal, state, and local agencies, industry, and environmental organizations.

b. All members will be expected to have an advanced degree (Master's or above) and/or extensive experience (at least 6 years), with expertise in scientific and technical fields germane to the mission of the APNEP.

c. The Director of the Albemarle-Pamlico National Estuary Program Office shall nominate the initial STAC membership to be approved by the Policy Board. In making his nominations, the Director shall, to the greatest extent possible, seek to ensure broad-based science and technical representation

for research, monitoring, and resource management issues germane to the Albemarle-Pamlico watershed.

d. Members should have expertise in science and technology relevant to environment and natural resource management, including but not limited to: landscape ecology, terrestrial ecology, wetlands ecology, submerged aquatic ecology, marine biology, hydrology, remote sensing, ecological assessment, engineering, agricultural technologies, forest technologies, soil conservation, water quality modeling, environmental policy, economics, public policy, planning, spatial statistics, and law.

e. Each member shall serve a three-year term, renewable once consecutively. The membership will have staggered appointments so that one-third of the membership can be reappointed each year.

f. Vacancies shall be filled by appointment or invitation from the remaining committee members as set forth in the committee's bylaws.

2. Duties.

a. The STAC shall be responsible for recommending research and monitoring activities and needs related to CCMP implementation or advancement to the Policy Board and the Program Office.

b. The STAC shall advise and consult with the Policy Board, the public, and various interest groups, as well as local, state, and federal governments within program boundaries on scientific and technical issues affecting implementation and advancement of the CCMP management actions. Members shall advise these groups of actions and information relevant to research and monitoring issues in the Albemarle-Pamlico watershed.

c. The STAC will have no authority other than as an advisory body.

d. The STAC will serve as a forum for the exchange of scientific information about the Albemarle-Pamlico estuarine system.

e. The STAC shall select two members to serve on the Policy Board.

f. The STAC shall be responsible for determining its own rules of order, bylaws, chairmanship, attendance requirements, and other matters of protocol.

3. Meetings.

a. The STAC shall meet at least two times each year, or more frequently if deemed appropriate or upon request by the Policy Board or the Program Director.

b. Federal, state, and local agencies with environmental management responsibilities in the Albemarle-Pamlico watershed are invited to participate in meetings of STAC.

c. All meetings shall be open to the public and noticed in accordance with North Carolina's open meeting laws.

C. Management Advisory Committee

1. Membership.

a. The Management Advisory Committee (MAC) will be broad-based and should include representation from federal, state, and local agencies with

environmental and natural resource management responsibilities within the Albemarle-Pamlico watershed.

b. The Director of the Albemarle-Pamlico National Estuary Program Office shall nominate the initial MAC membership to be approved by the Policy Board. In making appointments, the Policy Board shall, to the greatest extent possible, seek to ensure that appropriate management agencies are included.

c. The MAC may expand its membership as it deems necessary and as set forth in the committee's bylaws.

d. Vacancies shall be filled by appointment or invitation from the remaining committee as set forth in the committee's bylaws.

2. Duties.

a. The MAC shall be responsible for coordinating, supporting, and advocating CCMP implementation strategies at a state and federal agency level.

b. The MAC shall advise and consult with the Policy Board, CAC, and STAC on the implementation of CCMP management actions and advancement of the CCMP at the federal, state, and local agency level.

c. The MAC will have no authority other than as an advisory body.

d. The MAC shall select two members to serve on the Policy Board.

e. The MAC shall be responsible for determining its own rules of order, bylaws, chairmanship, attendance requirements, and other matters of protocol.

f. The MAC will serve as a forum for the exchange of management information about the Albemarle-Pamlico estuarine system.

3. Meetings.

a. The MAC shall meet at least two times each year, or more frequently if deemed appropriate or upon request by the Policy Board or Program Director.

b. All meetings shall be open to the public and noticed in accordance with North Carolina's open meeting laws.

Section 5. Compensation, Per Diems, and Expenses.

Members of the APNEP Policy Board and Advisory Committees shall serve voluntarily and without compensation or per diems. Extraordinary expenses may be reimbursed subject to approval by the Program Director.

Section 6. Effect of Other Executive Orders.

All other Executive Orders or portions of Executive Orders inconsistent herewith are hereby rescinded. This order specifically replaces Executive Order No. 74.

This Order shall become effective immediately and remain in effect until rescinded.

IN WITNESS WHEREOF, I have hereunto signed my name and affixed the Great Seal of the State of North Carolina at the Capitol in the City of Raleigh, this second day of August in the year of our Lord two thousand and seven, and of the Independence of the United States of America the two hundred and thirty-second.

MICHAEL F. EASLEY
GOVERNOR

EXECUTIVE ORDER NO.123
EMERGENCY RELIEF FOR DAMAGE CAUSED BY DROUGHT

WHEREAS, the North Carolina Emergency Management Act (Chapter 166A of the North Carolina General Statutes) authorizes and empowers the Governor to make, amend, or rescind the necessary orders, rules, and regulations within the limits of the authority conferred upon him, with due consideration of the policies of the federal government; and

WHEREAS, the North Carolina Emergency Management Act authorizes and empowers the Governor to deliver materials or perform services for disaster purposes on such terms and conditions as may be prescribed by any existing law; and

WHEREAS, the North Carolina Emergency Management Act authorizes the Governor to take such action and give such directions to State and local law enforcement officers and agencies as may be reasonable and necessary; and

WHEREAS, under the provisions of N.C.G.S. §§ 166A-4 and 166A-6(c)(3) the Governor, with the concurrence of the Council of State, may regulate and control the flow of vehicular traffic and the operation of transportation services; and

WHEREAS, with the concurrence of the Council of State, I have found that vehicles bearing **HAY or WATER** to relieve our grief stricken counties must adhere to the registration requirements of N.C.G.S. § 20-86.1 and N.C.G.S. § 20-382, fuel tax requirements of N.C.G.S. § 105-449.47, and the size and weight requirements of N.C.G.S. § 20-116 and N.C.G.S. § 20-18; I have further found that citizens in those counties will likely suffer losses and, therefore, invoke an imminent threat of widespread damage within the meaning of N.C.G.S. § 166-A-4(3), and

WHEREAS, I have requested the United States Department of Agriculture declare eighty-five (85) North Carolina counties as agricultural disaster areas due to drought conditions justifying an exemption from 49 CFR Part 395 (Federal Motor Carrier Safety Regulations); and

WHEREAS, there is a severe shortage of hay for feeding livestock;

NOW, THEREFORE, pursuant to the authority vested in me as Governor by the Constitution and the laws of the State of North Carolina, and with the concurrence of the Council of State, **IT IS ORDERED;**

Section 1. The North Carolina Department of Crime Control & Public Safety in conjunction with the N.C. Department of Transportation shall waive certain size and weight restrictions and penalties therefore arising under N.C.G.S. § 20-116 and N.C.G.S. § 20-118 and certain registration requirements and penalties therefore arising under N.C.G.S. §§ 20-86.1, 20-382, 105-449.47, 105-449.49 for the vehicles transporting **HAY or WATER** along North Carolina roadways to our grief stricken counties.

Section 2. Notwithstanding the waivers set forth above, size and weight restrictions and penalties **have not been waived** under the following conditions:

(A) When the vehicle weight exceeds the maximum gross weight criteria established by the manufacturer (GVWR) or 90,000 pounds gross weight, whichever is less.

(B) When the tandem axle weight exceeds 42,000 pounds and the single axle weight exceeds 22,000 pounds.

(C) When a vehicle/vehicle combination exceeds 12 feet in width and a total overall vehicle combination length 75 feet from bumper to bumper.

Section 3. Vehicles referenced under Section 1 shall be exempt from the following registration requirements:

(A) The $50.00 fee listed in N.C.G.S. § 105-449.49 for a temporary trip permit is waived for the vehicles described above. No quarterly fuel tax is required because the exception in N.C.G.S. § 105-449.45(a)(1) applies.

(B) The registration requirements under N.C.G.S. § 20-382 concerning intrastate and interstate for-hire authority is waived; however, vehicles shall maintain the required limits of insurance as required.

(C) Non-participants in North Carolina's International Registration Plan will be permitted into North Carolina in accordance with the exemptions identified by this Executive Order.

Section 4. The size and weight exemption for vehicles will be allowed on all routes designated by the North Carolina Department of Transportation, except those routes designated as light traffic roads under N.C.G.S. § 20-118. This order shall not be in effect on bridges posted pursuant to N.C.G.S. § 136-72.

Section 5. The waiver of regulations under 49 CFR Part 395 (Federal Motor Carrier Safety Regulations) **does not apply** to the CDL and Insurance Requirements. This waiver shall be in effect for 30 days or the duration of the emergency, whichever is less.

Section 6. The North Carolina State Highway Patrol shall enforce the conditions set forth in Sections 1, 2, and 3 in a manner, which would best accomplish the implementation of this rule without endangering motorists in North Carolina.

Section 7. Upon request, exempted vehicles will be required to produce identification sufficient to establish that its load will be used for emergency relief efforts associated with the **DROUGHT**.

This Executive Order is effective immediately and shall remain in effect for thirty (30) days or the duration of the emergency whichever is less.

IN WITNESS WHEREOF, I have hereunto signed my name and affixed the Great Seal of the State of North Carolina at the Capitol in the City of Raleigh, this twenty-eighth day of August in the year of our Lord two thousand and seven, and of the Independence of the United States of America the two hundred and thirty-second.

Public Education

	GENERAL FUND			
	FY 07-08		FY 08-09	
Adjusted Continuation Budget	**$7,466,321,736**		**$7,579,725,190**	
Legislative Changes				
A. Reductions to Continuation Budget				
1 **Partnership for Excellence** Eliminates pass-through appropriation to Partnership for Excellence (formerly "Total Quality Education"), a private non-profit provider of professional development services. Local Education Agencies (LEAs) may use State funds to contract for these services.	($37,500)	R	($37,500)	R
2 **Replacement School Buses** Reduces the number of buses replaced in 2007-08 by approximately 170. The remaining $53.9 million budgeted in 2007-08 for this purpose will support replacement of 658 buses.	($4,500,000)	NR		
3 **High Priority Elementary Schools** Eliminates special supplementary funding for the two remaining (of thirty-seven original) High Priority elementary schools identified per section 29.1 of S.L. 2001-424. Funding will be reprogrammed to support ongoing State initiatives to address low-performing schools. The State Board may use funds from the ADM Contingency Reserve to assist the remaining two schools should they decide to continue operating as High Priority elementary schools.	($520,067)	R	($520,067)	R
4 **Teacher Assistants** Reduces State allotment for teacher assistants.	($5,459,534)	R	($5,459,534)	R
B. Expansion - Technical Adjustments				
5 **Teaching Fellows** Provides funding required to annualize cost of the 100 additional scholarships funded 2 years ago.	$650,000	R	$1,300,000	R
6 **Principals for STEM Schools** Provides funding to annualize principal positions at each of the 10 restructured Science, Technology, Engineering, & Math (STEM) high schools given planning grants and 4 months of principal salary in 2006-07 to support preparations for implementation in 2007-08. Annualized principal positions not included in Governor's expansion budget (remainder of operational funding must come from non-State sources, per language in 2006-07 budget).	$812,500	R	$812,500	R

	FY 07-08		FY 08-09	
7 **Restructured High Schools** Provides funding to support implementation of 7 restructured high schools given planning grants in 2006-07.	$1,367,254	R	$1,367,254	R
8 **Education Value Added Assessment System (EVAAS)** Provides funding to support EVAAS licenses for LEAs funded out of the $845,000, including carryforward, available for expenditure in 2006-07. Consistent with General Assembly's direction to fund as many LEAs as possible within funds available, this additional funding maintains the number of LEAs currently funded.	$345,000	R	$345,000	R
C. Expansion - State Public School Fund				
9 **ABC Bonuses** Funds ABC bonuses for schools that met or exceeded expected growth in the 2006-07 school year.	$70,000,000	NR		
10 **Class Size Reduction** Provides funding for K-3 teachers to maintain K-3 student/teacher ratios at 18:1.	$37,500,000	NR		
11 **Disadvantaged Student Supplemental Funding (DSSF)** Expands DSSF allotment for all LEAs to increase each LEA's capacity to meet the needs of all of its students.	$17,563,000	R	$17,563,000	R
12 **Learn & Earn** Twelve schools were provided planning grants in FY 2006-07 to become Learn & Earn high schools, however only nine schools have indicated that they will be operational in FY 2007-08. As such, this item provides funding for implementation at nine additional Learn & Earn high schools in FY 2007-08, and an additional three Learn & Earn high schools in FY 2008-09. Provides $10,000 in non-recurring funds per site to support start-up costs associated with first year of implementation. The additional non-recurring money in 2007-08 will provide planning grants for 15 additional high schools.	$2,445,011 $700,000	R NR	$3,260,015 $30,000	R NR
13 **Learn & Earn Online** Provides funding to support the delivery of online college credit courses that will be made available to high school students. The non-recurring funds are appropriated to a reserve, and will not revert if they are unused in 2007-08.	$6,500,000 $5,000,000	R NR	$10,100,000	R
14 **School Connectivity** Provides funding to support partial implementation of a new plan for State-funded and supported IT infrastructure in the LEAs. Part of effort to increase schools' abilities to use up-to-date instructional technology.	$12,000,000	R	$12,000,000	R
15 **Instructional Supplies/Materials** Provides additional funds to LEAs for purchase of instructional supplies and materials. Increases funding factor by $1.94 (4% per ADM) bringing factor to $50.44 per ADM.	$2,833,994	R	$2,833,994	R

	FY 07-08		FY 08-09	
16 **Academically & Intellectually Gifted** Increases funds allotted to LEAs to support programming for students identified as academically and intellectually gifted. Increases funding factor by $29.93 per ADM (for 4% of ADM), bringing factor to $1,042.53 per student.	$1,750,000	R	$1,750,000	R

96 **EARN Scholars**	$27,605,210	R	$60,000,000	R
Funds the proposed EARN (Education Access Rewards North Carolina) Scholars program. This program will be funded with $27.6 million from the General Fund in FY 07-08 and $60 million from the General Fund and $40 million from the Escheat Fund in FY 08-09.				

	FY 07-08		FY 08-09	
97 **Veterinary Medicine Clinical Teaching and Research Fund**				
Provides funds to the NC State University College of Veterinary Medicine to establish a Veterinary Medicine Clinical Teaching and Research Fund. This fund will allow advanced diagnostic and treatment options for animals where a) owner financing of such options are limited, b) significant instructional value exists, or c) the diagnostic and treatment options have the potential of adding significantly to core knowledge in the relevant clinical area.	$200,000	NR		
98 **Shellfish Restoration Funds**				
Funds a shellfish restoration project conducted by the UNC-Chapel Hill Institute of Marine Sciences in Morehead City. The project will attempt to 1) restore the North Carolina bay scallop, 2) conduct a pilot project to protect oyster sanctuaries from cownose ray and skate predation, and 3) evaluate and combat the damage done by the cownose rays and skates to seagrass nursery habitat. The UNC-Chapel Hill Institute of Marine Sciences shall work in conjunction with the Department of Environment and Natural Resources to facilitate this initiative.	$300,000	NR		
99 **Statewide Program for Infection Control and Epidemiology**				
Funds the Statewide Program for Infection Control and Epidemiology (SPICE) at the UNC-Chapel Hill School of Medicine.	$150,000	NR		
100 **UNC Press**				
Provides funds to establish a Digital Asset Management System to manage and manipulate electronic files for all new books, and to digitize out-of-print titles.	$160,000	NR		
101 **NCSU Entrepreneurship & Regional Cluster-Based Economic Development Funds**				
Provides funding to NCSU to expand the activities of the Industrial Extension Service, foster new microenterprises, capture the production of new high technology-based products, and pursue focused recruitment and retention efforts in high-priority job clusters.	$500,000	NR		
102 **NCSU College of Engineering**	$5,000,000	R	$5,000,000	R
Provides additional operating funds for the bioengineering program in the NCSU College of Engineering.	55.00		55.00	

	FY 07-08		FY 08-09	
103 **Teacher Education Recruitment and Retention Efforts** Provides funds to implement teacher recruitment and retention efforts in the UNC system's 15 teacher education programs. Of these funds, $750,000 is dedicated to the following: 1) To NCSU to strengthen on-going programs to develop new teaching methods for science and math teachers across the state, including the Kenan Fellows program and the statewide network of 4-H educational programs. 2) To UNC-CH to support a model program to train new teachers in science and math education and develop a National Board Science and Math Teacher Center in collaboration with the Center for Teaching Quality, which will increase the number of National Board certified teachers in hard-to-staff schools.	$1,500,000	R	$1,500,000	R
104 **Principals' Executive Program Leadership Program for Middle & High Schools** Continues the joint effort of the Principals' Executive Program (PEP) and the Kenan-Flagler Business School at UNC-CH to improve the management and leadership skills of leadership teams from low-performing middle and high schools. This funding will cover the cost of Kenan-Flagler's services, instructor fees, books and materials, lodging, and venue rental for 110 participants each year.	$607,000	NR		
105 **UNC/NCCCS 2+2 Joint E-Learning Initiative** Provides recurring funds for the UNC/NCCCS 2+2 Joint E-Learning Initiative that was established in 2005 with nonrecurring funds. In FY 2007-09 biennium, these funds will be used to develop a method to track student progress and articulation among and across campuses and to develop technology to support online courses and 2+2 programs.	$1,000,000	R	$1,000,000	R
106 **Academic Summer Bridge and Retention Pilot Programs** Funds Academic Summer Bridge and Retention Pilot Programs at the seven Focused Growth institutions (ECSU, FSU, NC A&T, NCCU, UNCP, WCU, and WSSU) to target first generation college students or students requiring additional college preparation. Students will attend a four to five week residential summer session before their freshman year to study English and math. Students attending these sessions will earn 6 hours of credit toward their degree.	$1,193,000	R	$1,193,000	R
107 **Graduate Student Recruitment and Retention** Funds new tuition waivers aimed at recruiting and retaining top tier graduate students in science and technology.	$2,000,000	R	$2,000,000	R
108 **Biomanufacturing Research Institute & Technology Enterprise (BRITE)** Provides additional operating funds for the Biomanufacturing Research Institute & Technology Enterprise (BRITE) initiative at NCCU.	$1,000,000	R	$1,000,000	R

	FY 07-08		FY 08-09	
109 **Competitiveness Fund**				
Creates a research competitiveness fund to support strategic investments in emerging areas of importance to the economic competitiveness of the state. The awards would emphasize interdisciplinary research to encourage the involvement of multiple UNC campuses. The fund would be focused on such areas as: Nanosciences, Marine Sciences, Natural Products, Environmental Sciences, Information Technology, Biomanufacturing, Port Logistics, Marine Aerodynamics, Pharmacogenomics, Biomedical Sciences, Advanced Materials Sciences and Biotechnology.	$3,000,000	NR		
110 **University Cancer Research Fund**	$5,600,000	R	$15,500,000	R
Provides General Fund support to the President of the University of North Carolina for distribution to UNC Hospitals for cancer research. The following funds are also appropriated to the University Cancer Research Fund: 1) $8 million from the Tobacco Trust Fund each year and 2) $11.4 million in FY 07-08 and $16.5 million in FY 08-09 from an increase in the tax on tobacco products other than cigarettes. The total available in the University Cancer Research Fund is $25 million in FY 07-08 and $40 million in FY 08-09. A total of $50 million will be available in FY 09-10 and annually thereafter.				
111 **Distinguished Professors Endowment Fund**				
Provides $4.6 million to be administered by the University of North Carolina Board of Governors for a private Challenge Grant Initiative to be allocated to each of the sixteen constituent universities as per G.S. 116-41.5. Provides $1.4 million to be administered by the UNC Board of Governors to address the existing backlog of endowed professorships.	$6,000,000	NR		
112 **Center for Design Innovation**	$500,000	R	$500,000	R
Provides funding for the Center for Design Innovation, a program jointly operated by the NC School of the Arts, Winston-Salem State University, and Forsyth Technical Community College since 2004. This Center specializes in the application of digital design in entertainment, life science, education, product design, and product marketing to generate and facilitate design-focused instruction, research, workforce development, and entrepreneurial activity; to promote educational programming that emphasizes innovation; and to act as a design-based business cluster accelerator in the Piedmont Triad.				

	FY 07-08		FY 08-09	
113 **Inland Port Study**				
Provides funding to the Institute for the Economy and the Future of Western Carolina University, to study the feasibility of establishing an inland port within the 23 county region of the North Carolina Regional Economic Development Commission, known as AdvantageWest. Western Carolina University shall work with AdvantageWest in conducting the study.	$100,000	NR		
114 **The Soldier Institute for Regenerative Medicine**				
Provides funds to Wake Forest Institute for Regenerative Medicine at Wake Forest University to attract federal investment in The Soldier Institute for Regenerative Medicine at Piedmont Triad Research Park to develop advanced regenerative techniques for treatment of soldier wounds – from the battlefield to the hospital and through long-term care by creating major tissue reconstruction for limbs, fingers and toes, facial reconstruction, and skin burn repair. Except as may be restricted by the Department of Defense, the contract for the grant shall require the grantee to provide the State an equitable share of any revenue from patents, royalties, licensing agreements, or other ancillary revenues that might be generated.	$8,000,000	NR	$4,000,000	NR
115 **Teacher Education Pilot Program**	$750,000	R	$750,000	R
Provides funds for summer term teacher education programs at UNC campuses.				
116 **Center for Bioenergy Technologies**				
Provides funds to expand initiatives at North Carolina State University for research and development of bioenergy technologies. Three components of the Center for Bioenergy Technologies would be (i) new technologies for efficient and clean use of traditional energy sources; (ii) alternative, environmentally safe, and renewable energy sources; and (iii) research of energy technologies and the impacts on the environment and North Carolina's rural economy. The Southeastern Energy Field Laboratory (Duplin Co.) would be the focal point of the production and bioprocessing of various agricultural substrates into biofuels. It also would serve as a demonstration facility by being operated using alternative energy sources including bioenergy, wind, thermal, or solar.	$1,500,000	NR		
117 **John B. McLendon Leadership Awards**				
Establishes the John B. McLendon Scholarship Fund to award two leadership scholarships each year to two student athletes at each of North Carolina's ten Historically Black Colleges and Universities. The $1,250 awards are paid from the interest of the Fund beginning in FY 08-09.	$500,000	NR

Adjusted Continuation Budget	**$892,934,482**		**$893,151,875**	
Legislative Changes				
A. Enrollment and Tuition				
***119* Fully Fund Enrollment Growth** Provides funds to fully fund enrollment growth. Community college enrollment has increased by 2,296 FTE, from 193,027 to 195,323, an increase of 1.2%. This enrollment growth requires a total appropriation of $8.8 million. The continuation budget included $5.5 million for this purpose. However, the data needed to accurately calculate enrollment growth requirements were not available at the time the continuation budget was developed. This appropriation provides the remaining $3.3 million needed.	$3,315,117	R	$3,315,117	R
***120* Increase Tuition by 6.3%** Increases community college tuition by 6.3%. In-state tuition will increase from $39.50 to $42.00 per credit hour up to 16 hours; full-time resident students will pay $672 per semester or $1,344 per year. Out-of-state tuition will increase from $219.50 to $233.30 per credit hour up to 16 hours. These additional tuition receipts will remain with the NC Community College System to fund expansion items, increasing total spending by an additional $7.5 million.	($7,500,000)	R	($7,500,000)	R
***121* Enrollment Growth Reserve** Provides funds for an Enrollment Growth Reserve to assist colleges that experience high growth in the fall semester. Funds shall be distributed to colleges that realize an increase greater than 5% over the previous fall semester.	$2,000,000	NR		
B. Formula Enhancement				
***122* Allied Health** Provides additional funds to support allied health programs. Funds may be used for allied health equipment and supplies, or to supplement the salaries of allied health faculty. Funds shall be distributed on the basis of Allied Health FTE.	$5,600,000	R	$5,600,000	R
C. Distance Learning				
***123* Data Connectivity** Provides funds to increase community college bandwidth. Enhanced connectivity is necessary to expand distance learning initiatives. Funds shall be used to provide base-level bandwidth at each community college commensurate with institutional size.	$3,827,600	R	$3,827,600	R

	FY 07-08		FY 08-09	
124 **Virtual Learning Centers**	$550,000	R	$550,000	R
Provides funds to establish three additional Virtual Learning Centers (VLCs). VLCs develop and refine online course content. The VLCs shall be established by the System Office through a request for proposal (RFP) process, soliciting participation from colleges interested in hosting a VLC. Funds may be used for staff and operating expenses related to course development, course editing, and professional development of instructors delivering online instruction.	$45,000	NR		
125 **Virtual Computing Lab**	$130,600	R	$130,600	R
Provides funds to contract for 100 "seats" dedicated for community college students at NCSU's Virtual Computing Lab. The lab provides students state-of-the-art secure computing services, either as part of classroom instruction or individualized assistance. The virtual computing lab should result in reduced IT support, computer down-time, and duplicative software costs.	$500,400	NR		
126 **Distance Learning System Office Support**	$255,743	R	$255,743	R
Provides funds to establish three positions - an instructional designer, an applications integrator, and an IT services support analyst - to support the NCCCS's distance learning initiatives.	$6,000	NR

D. Categorical and Miscellaneous Programs				
127 **Reallocate Minimum Faculty Salary Adjustment Funds**	($1,200,000)	R	($1,200,000)	R
Eliminates funding appropriated in 2004 for specific full-time faculty members that were being paid below the minimum salary levels adopted that year by the General Assembly and reallocates those funds to support community college expansion items.				
128 **Equipment**				
Provides additional funds for the purchase of instructional equipment at all 58 community colleges. These funds shall be distributed in accordance with the existing equipment formula.	$10,000,000	NR		
129 **Multi-Campus Center Funds**	$100,000	R	$100,000	R
Provides additional funds to support multi-campuses centers (MCCs), satellite campuses that provide students services and at least one degree program. One additional MCC - Ashe County MCC of Wilkes Community College - was approved by the State Board of Community Colleges in FY 2006-07, bringing the total number of MCCs to 24.				

	FY 07-08		FY 08-09	
130 **NC Military Business Center**	$1,250,000	R	$1,250,000	R
Provides funds for the continued operation of the NC Military Business Center (NCMBC), a program run by Fayetteville Tech in conjunction with Craven CC, Coastal Carolina CC, and Wayne CC. The NCMBC fosters statewide business development originating from the five military bases in the State. Funds are also used to sustain MatchForce.org, the State's website for matching NC businesses with federal contracting opportunities.				
131 **NC REAL**				
Provides funds for NC REAL (NC Rural Entrepreneurship through Active Learning). This program was formerly supported by the Worker Training Trust Fund.	$250,000	NR		
132 **Motorsports Consortium Funds**				
Provides funds for curriculum development activities of the North Carolina Motorsports Consortium, which is established to help create a highly trained workforce to support the State's motorsports industry.	$500,000	NR		
133 **Hosiery Technology Center**				
Provides funds to establish a research and development center for the seamless manufacturing industry. The center shall operate under the Hosiery Technology Center at Catawba Valley Community College and Randolph Community College. These funds shall be used to enhance diversification in hosiery manufacturing operations where seamless production is compatible with hosiery manufacturing.	$100,000	NR		
134 **Male Minority Mentoring**				
Provides funds to expand the Male Minority Mentoring program to 15 additional community colleges.	$475,000	NR		
135 **NC Center for Viticulture and Enology**				
Provides funds for the NC Center for Viticulture and Enology located at Surry Community College. Funds may be used for equipment, staff, and building operations. An additional $500,000 has been appropriated in the Department of Commerce budget for viticulture promotion, providing a total of $1 million for the advancement of the viticulture industry in the State.	$500,000	NR		
136 **NC Research Campus**	$100,000	R	$100,000	R
