(c) The system of incentives developed under subsection (b) of this section may include commendations, public recognition, allocation of grant funds if available, and any other incentives as considered appropriate by the State Board.

(d) The system of sanctions developed under subsection (b) of this section shall include the following:

- (1) Level One – Needs Assistance: When the State Board determines (i) a local school educational agency has been in noncompliance for two years and (ii) that agency needs assistance in implementing the requirements of this Article and IDEA, the State Board shall take one or more of the following actions:
 - a. The Board may direct the local educational agency to allocate additional time and resources for technical assistance and guidance related to areas of noncompliance.
 - b. The Board may impose special conditions on that agency's application for IDEA funds and receipt of State funds.
 - c. The Board may direct how that local educational agency utilizes IDEA and State funds to address the remaining findings of noncompliance. The local educational agency must track the use of these funds to show how the funds are targeted to address areas of noncompliance.
- (2) Level Two – Needs Intervention: If the State Board determines (i) that the local educational agency has been in noncompliance for three years and (ii) that agency needs assistance in implementing this Article and IDEA, the following apply:

In addition, each local educational agency shall have in effect policies, procedures, and programs that are consistent with this Article, IDEA, and rules adopted by the State Board.

(b) No child with disabilities shall be prevented from attending the public schools of the local educational agency in which the child resides or from which the child receives services or from attending any other public program of free appropriate public education based solely on the fact that the child has a disability. If it appears the child should receive a program of free appropriate public education in a program operated by or under the supervision of the Department of Health and Human Services or the Division of Juvenile Justice of the Department of Public Safety, the local school administrative unit shall confer with the appropriate Department of Health and Human Services or Division of Juvenile Justice of the Department of Public Safety staff for their participation and determination of the appropriateness of placement in that program and development of the child's individualized education program.

(c) No matriculation or tuition fees or other fees or charges shall be required or asked of children with disabilities or their parents except those fees or charges that are required uniformly of all public school pupils. The provision of a free appropriate public education within the facilities of the Department of Health and Human Services and the Division of Juvenile Justice of the Department of Public Safety may not prevent that Department from charging for other services or treatment.

(d) Each child with a disability shall be educated in accordance with that child's IEP and in the least restrictive environment for that child.

(e) Each local educational agency may use the forms developed under G.S. 115C-107.2(d). (1977, c. 927, s. 1; 1981, c. 423, s. 1; 1983, c. 247, ss. 3, 4; 1989, c. 585, s. 3; 1996, 2nd Ex. § 115C-107.7. Discipline, corporal punishment, and homebound instruction.

(a) The policies and procedures for the discipline of students with disabilities shall be consistent with federal laws and regulations.

(a1) Any corporal punishment administered on students with disabilities shall be consistent with the requirements of G.S. 115C-390.4.

(b) If a change of placement occurs under the discipline regulations of IDEA, a local educational agency shall not assign a student to homebound instruction without a determination by the student's IEP team that the homebound instruction is the least restrictive alternative environment for that student. If it is determined that the homebound instruction is the least restrictive alternative environment for the student, the student's IEP team shall meet to determine the nature of the homebound educational services to be provided to the student. In addition, the

continued appropriateness of the homebound instruction shall be evaluated monthly by the designee or designees of the student's IEP team.

(c) A local educational agency shall be deemed to have a "basis of knowledge" that a child is a child with a disability if, prior to the behavior that precipitated the disciplinary action, the behavior and performance of the child clearly and convincingly establishes the need for special education. Prior disciplinary infractions shall not, standing alone, constitute clear and convincing evidence. Part 1C. Interagency Coordination.

§ 115C-108.1. State Board lead agency.

(a) The Board shall cause all local educational agencies to provide special education and related services to children with disabilities in their care, custody, management, jurisdiction, control, or programs.

(b) The jurisdiction of the Board with respect to the design and content of special education programs or related services for children with disabilities extends to and over the Department of Health and Human Services, and the Division of Juvenile Justice of the Department of Public Safety.

(c) All provisions of this Article that are specifically applicable to local school administrative units also are applicable to the Department of Health and Human Services, and the Division of Juvenile Justice of the Department of Public Safety, and their divisions and agencies; all duties, responsibilities, rights, and privileges specifically imposed on or granted to local school administrative units by this Article also are imposed on or granted to the Department of Health and Human Services, and the Division of Juvenile Justice of the Department of Public Safety, and their divisions and agencies. However, with respect to children with disabilities who are residents or patients of any State-operated or State-supported residential treatment facility, including a school for the deaf, school for the blind, mental hospital or center, developmental center, or in a facility operated by the Division of Juvenile Justice of the Department of Public Safety, or any of their divisions and agencies, the Board may contract with the Department of Health and Human Services, and the Division of Juvenile Justice of the Department of Public Safety for the provision of special education and related services and the power to review, revise, and approve any plans for special education and related services to those residents.

(d) The Department of Health and Human Services and the Department of Public Safety shall submit to the Board their plans for the education of children with disabilities in their care, custody, or control. The Board may grant specific exemptions for programs administered by the Department of Health and Human Services or the Division of Juvenile Justice of the Department of Public Safety when compliance by them with the Board's standards would, in the Board's judgment, impose undue hardship on that department or division and when other procedural due process requirements, substantially equivalent to those required under this Article and IDEA, are assured in programs of special education and related services furnished to children with disabilities served by that department. Further, the Board shall recognize that inpatient and residential special education programs within the Department of Health and Human Services or the Division of Juvenile Justice of the Department of Public Safety may require more program resources than those necessary for optimal operation of these programs in local school administrative units.

(e) The Board shall support and encourage joint and collaborative special education planning and programming at local levels to include local school administrative units and the programs and agencies of the Department of Health and Human Services or the Division of Juvenile Justice of the Department of Public Safety. (2006-69, s. 2; 2011-145, s. 19.1(h), (l); 2012-83, ss. 38, 39; 2017-186, s. 2(aaaaa); 2019-76, s. 15; 2021-180, s. 19C.9(y).)

§ 115C-108.2. Interlocal cooperation.

The Board, any two or more local educational agencies, and any other agency and any State department, agency, or division having responsibility for the education, treatment, or habilitation of children with disabilities may enter into interlocal cooperative undertakings under Part 1 of Article 20 of Chapter 160A of the General Statutes or into undertakings with a State agency such as the Departments of Public Instruction, Health and Human Services, or Public Safety, or their divisions, agencies, or units, for the purpose of providing for the special education and related services, treatment, or habilitation of these children within the jurisdiction of the agency or unit, and shall do so when it is unable to provide the appropriate public special education or related services for these children. In entering into such undertakings, the local agency and State department, agency, or division shall also contract to provide the special education or related services that are educationally appropriate to the children with disabilities for whose benefit the undertaking is made and provide these services by or in the local agency unit or State department, agency, or division located in the place most convenient to these children. (1977, c. 927, s. 1; 1981, c. 423, s. 1; 1997-443, s. 11A.118(a); 1998-202, s. 4(m); 2000-137, s. 4(p); 2006-69, s. 2; 2017-186, s. 2(bbbbbb).)

Part 1D. Procedural Safeguards.

§ 115C-109.1. Handbook for parents.

The State Board of Education shall make available to parents a handbook of procedural safeguards. This handbook for parents shall be made available at least once each school year, except that a copy also shall be given to the parent (i) upon the initial referral or parental request for an evaluation; (ii) upon the first occurrence of the filing of a petition under G.S. 115C-109.6 and IDEA; (iii) upon the parent's request; and (iv) upon any revision to the content of the handbook. This handbook for parents shall include a full explanation of the procedural safeguards under this Article and IDEA, be written in the native language of the parent unless it clearly is not feasible to do so, be written in an easily understood manner, and include information required under IDEA to be included.

The State Board shall place a current copy of the handbook for parents on its Internet Web site. (2006-69, s. 2.)

§ 115C-109.2. Adult children with disabilities; surrogate parents.

- (a) When a child with a disability reaches the age of 18, all of the following apply:
- (1) Notices required under this Article shall be provided to both the child and the child's parent.
 - (2) All other rights accorded to parents under this Article and IDEA transfer to the child.

(3) The local educational agency shall notify the child and the child's parent of these transfer rights.

(b) Notwithstanding subsection (a) of this section, for a child with a disability who has reached the age of majority under State law and who has not been determined to be incompetent but is determined to not have the ability to provide informed consent with respect to his or her education program, the State Board shall establish procedures for appointing the parent of the child, or if the parent is not available, another appropriate individual, to represent the educational interests of the child throughout the period of eligibility under this section.

(c) A reasonable effort must be made to appoint a surrogate for a child with a disability within 30 days of a determination that one of the following conditions exists and that the child needs a surrogate:

- (1) The parents of that child are not known;
- (2) The parents, after reasonable efforts, cannot be located; or
- (3) The child is a ward of the State.

(d) A person must be eligible under IDEA to be appointed as a child's surrogate. (1987 (Reg. Sess., 1988), c. 1079, s. 2; 1997-443, s. 11A.118(a); 1998-202, s. 4(j); 2000-137, s. 4(m); 2006-69, s. 2.)

§ 115C-109.3. Access to records; opportunity for parents to participate in meetings.

(a) Each local educational agency shall provide an opportunity for the parents of a child with a disability to examine all records relating to that child and to participate in meetings with respect to the identification, evaluation, and educational placement of the child, and the provision of a free appropriate public education to that child.

(b) Local educational agencies may release the records of a child with a disability only as permitted under State or federal law. The parents of a child with a disability may have access to the child's records and may read, inspect, and copy all and any records, data, and information maintained by a local educational agency with respect to that child. Parents, upon their request, are entitled to have those records, data, and information fully explained, interpreted, and analyzed for them by the staff of the agency, unless specifically prohibited by court order. If a request is made under this subsection, the local educational agency shall honor the request within not more than 45 days after it is made or in time for the individual who made the request to prepare for a meeting under subsection (a) of this section, whichever is sooner.

(c) The student and the student's parents may add written explanations or clarifications to the records, data, and information and may request the expunction of incorrect, outdated, misleading, or irrelevant entries. If a local educational agency refuses to expunge incorrect, outdated, misleading, or irrelevant entries after having been asked to do so by the parent, the parent may appeal that decision under G.S. 115C-45(c)(2). (1977, c. 927, s. 1; 1981, c. 423, s. 1; 2006-69, s. 2.)

§ 115C-109.4. Mediation.

(a) It is the policy of this State to encourage local educational agencies and parents to seek mediation involving any dispute under this Article, including matters arising before or after filing a petition under G.S. 115C-109.6.

(b) Mediation under this section must meet the following requirements:

- (1) The mediation must be voluntary on the part of both parties.

- (2) Mediation shall not be used to deny or delay a parent's right to an impartial hearing under G.S. 115C-109.6, or to deny any other rights afforded under this Article or IDEA.
- (3) The mediation shall be conducted by a qualified and impartial mediator who is trained in effective mediation techniques.
- (c) The State Board may establish procedures to offer to parties that do not choose to use the mediation process an opportunity to meet with a disinterested party, as provided under IDEA, who can encourage the use and explain the benefits of the mediation process to the parties. This meeting must be at a time and location convenient to the parents.
- (d) The State Board shall maintain a list of qualified mediators who are knowledgeable in laws and regulations relating to the provision of special education and related services. When mediation is requested, the Exceptional Children Division of the Department of Public Instruction shall assign a mediator from this list of mediators.
- (e) The State shall bear the cost of the mediation process, including the costs of meetings described under subsection (c) of this section, unless the parties opt to select a mediator other than the mediator assigned under subsection (d) of this section or if the parties opt to use an alternative method of dispute resolution.
- (f) Each session in the mediation process shall be scheduled in a timely manner and shall be held in a location that is convenient to the parties to the dispute.
- (g) Evidence of statements made and conduct occurring in a mediation are confidential, are not subject to discovery, and are inadmissible in any proceeding in the action or other actions on the same claim. However, no evidence otherwise discoverable is inadmissible merely because it is presented or discussed in a mediation. Mediators shall not be compelled in any civil proceeding to testify or produce evidence concerning statements made and conduct occurring in a mediation.
- (h) When resolution is reached to resolve the dispute through the mediation process, the parties shall execute a legally binding agreement that:
 - (1) Sets forth the agreement.
 - (2) States that all discussions that occurred during the mediation process are confidential and may not be used as evidence in any subsequent impartial hearing under G.S. 115C-109.6 or in any civil proceeding.
 - (3) Is signed by both the parent and a representative of the local educational agency who has the authority to bind that agency.
 - (4) Is enforceable in any State administrative forum provided for in IDEA, any State court of competent jurisdiction, or in a district court of the United States.
- (i) In addition to mediation as provided by this section, the parties may participate in a mediated settlement conference as provided by G.S. 150B-23.1. In addition, the parties may agree to use other dispute resolution methods or to use mediation in other circumstances, including after a request for formal administrative review is filed, to the extent permitted under State and federal law. (1973, c. 1293, s. 10; 1975, c. 151, ss. 1, 2; c. 563, ss. 8, 9; 1975, 2nd Sess., c. 983, ss. 79, 80; 1981, c. 423, s. 1; c. 497, ss. 1, 2; 1983, c. 247, s. 6; 1985, c. 412, s. 2; 1987, c. 827, s. 1; 1987 (Reg. Sess., 1988), c. 1079, s. 1; 1989, c. 362; 1989 (Reg. Sess., 1990), c. 1058; 1991, c. 540, s. 1; 1991 (Reg. Sess., 1992), c. 1030, s. 27; 1993, c. 270, s. 1; 1997-115, s. 1; 2006-69, s. 2.)

§ 115C-109.5. Prior written notice.

- (a) The local educational agency shall provide prompt written notice to parents whenever that agency proposes to initiate or change, or refuses to initiate or change (i) the identification,

evaluation, or educational placement of a child, or (ii) the provision of a free appropriate public education to a child with a disability. The local educational agency shall document that all required notices have been sent to and received by parents.

(b) This prior written notice shall be in the native language of the parents, unless it clearly is not feasible to translate it, and shall contain all of the following information:

- (1) A description of the action proposed or refused by the local educational agency.
- (2) An explanation of why the local educational agency proposes or refuses to take the action and a description of each evaluation procedure, assessment, record, or report that agency used as a basis for the proposed or refused action.
- (3) A statement that the parent of a child with a disability has protection under the procedural safeguards of this Article and IDEA and, if this notice is not the initial referral for evaluation, the means by which a copy of the procedural safeguards can be obtained.
- (4) Sources for parents to contact to obtain assistance in understanding this Article and IDEA.
- (5) A description of other options considered by the IEP Team and the reason why those options were rejected.
- (6) A description of the factors that are relevant to the local educational agency's proposal or refusal.
- (7) Any other information required to be included under IDEA. (1973, c. 1293, s. 10; 1975, c. 151, ss. 1, 2; c. 563, ss. 8, 9; 1975, 2nd Sess., c. 983, ss. 79, 80; 1981, c. 423, s. 1; c. 497, ss. 1, 2; 1983, c. 247, s. 6; 1985, c. 412, s. 2; 1987, c. 827, s. 1; 1987 (Reg. Sess., 1988), c. 1079, s. 1; 1989, c. 362; 1989 (Reg. Sess., 1990), c. 1058; 1991, c. 540, s. 1; 1991 (Reg. Sess., 1992), c. 1030, s. 27; 1993, c. 270, s. 1; 1997-115, s. 1; 2006-69, s. 2.)

§ 115C-109.6. Impartial due process hearings.

(a) Any party may file with the Office of Administrative Hearings a petition to request an impartial hearing with respect to any matter relating to the identification, evaluation, or educational placement of a child, or the provision of a free appropriate public education of a child, or a manifestation determination. The party filing the petition must notify the other party and the person designated under G.S. 115C-107.2(b)(9) by simultaneously serving them with a copy of the petition.

(b) Notwithstanding any other law, the party shall file a petition under subsection (a) of this section that includes the information required under IDEA and that sets forth an alleged violation that occurred not more than one year before the party knew or reasonably should have known about the alleged action that forms the basis of the petition. The issues for review under this section are limited to those set forth in subsection (a) of this section. The party requesting the hearing may not raise issues that were not raised in the petition unless the other party agrees otherwise.

(c) The one-year restriction in subsection (b) of this section shall not apply to a parent if the parent was prevented from requesting the hearing due to (i) specific misrepresentations by the local educational agency that it had resolved the problem forming the basis of the petition, or (ii) the local educational agency's withholding of information from the parent that was required under State or federal law to be provided to the parent.

(d) The hearing shall be conducted in the county where the child attends school or is entitled to enroll under G.S. 115C-366, unless the parties mutually agree to a different venue.

(e) The hearing shall be closed to the public unless the parent requests in writing that the hearing be open to the public.

(f) Subject to G.S. 115C-109.7, the decision of the administrative law judge shall be made on substantive grounds based on a determination of whether the child received a free appropriate public education. Following the hearing, the administrative law judge shall issue a written decision regarding the issues set forth in subsection (a) of this section. The decision shall contain findings of fact and conclusions of law. The decision of the administrative law judge becomes final and is not subject to further review unless an aggrieved party brings a civil action under subsection (h2) of this section.

(g) A copy of the administrative law judge's decision shall be served upon each party and a copy shall be furnished to the attorneys of record. The written notice shall contain a statement informing the parties of the right to file a civil action and the 30-day limitation period for filing a civil action under subsection (h2) of this section.

(h) In addition to the petition, the parties shall simultaneously serve a copy of all pleadings, agreements, and motions under this Part with the person designated by the State Board under G.S. 115C-107.2(b)(9). The Office of Administrative Hearings shall simultaneously serve a copy of all orders and decisions under this Part with the person designated by the State Board under G.S. 115C-107.2(b)(9).

(h1) The State Board shall enforce the final decision of the administrative law judge under this section by ordering a local educational agency to comply with one or more of the following:

- (1) To provide a child with appropriate education.
- (2) To place a child in a private school that is approved to provide special education and that can provide the child an appropriate education.
- (3) To reimburse parents for reasonable private school placement costs in accordance with this Article and IDEA when it is determined that the local educational agency did not offer or provide the child with appropriate education and the private school in which the parent placed the child was an approved school and did provide the child an appropriate education.

(h2) Any party who is aggrieved by the findings and decision of a hearing officer under this Part may institute a civil action in State court within 30 days after receipt of the notice of the decision or in federal court as provided in 20 U.S.C. § 1415.

(h3) Except as provided under IDEA, upon the filing of a petition under this section and during the pendency of any proceedings under this Part, the child must remain in the child's then-current educational placement or, if applying for initial admission to a public school, the child must be placed in the public school. Notwithstanding this subsection, the parties may agree in writing to a different educational placement for the child during the pendency of any proceedings under this section.

(i) Nothing in this section shall be construed to preclude a parent from filing a separate due process petition on an issue separate from a petition already filed.

(j) The State Board, through the Exceptional Children Division, and the State Office of Administrative Hearings shall develop and enter into a binding memorandum of understanding to ensure compliance with the statutory and regulatory procedures and timelines applicable under IDEA to due process hearings and to hearing officers' decisions, and to ensure the parties' due process rights to a fair and impartial hearing. This memorandum of understanding shall be amended if subsequent changes to IDEA are made. The procedures and timelines shall be made part of the Board's procedural safeguards that are made available to parents and the public under

G.S. 115C-109.1 and G.S. 115C-109.5. (1973, c. 1293, s. 10; 1975, c. 151, ss. 1, 2; c. 563, ss. 8, 9; 1975, 2nd Sess., c. 983, ss. 79, 80; 1981, c. 423, s. 1; c. 497, ss. 1, 2; 1983, c. 247, s. 6; 1985, c. 412, s. 2; 1987, c. 827, s. 1; 1987 (Reg. Sess., 1988), c. 1079, s. 1; 1989, c. 362; 1989 (Reg. Sess., 1990), c. 1058; 1991, c. 540, s. 1; 1991 (Reg. Sess., 1992), c. 1030, s. 27; 1993, c. 270, s. 1; 1997-115, s. 1; 2006-69, s. 2; 2021-180, s. 7.25(b).)

§ 115C-109.7. Resolution session.

(a) Within 15 days of receiving notice of the parent's petition filed under G.S. 115C-109.6 and before the opportunity for an impartial hearing, the local educational agency shall convene a meeting with the parent and the relevant members of the IEP Team who have specific knowledge of the facts identified in the petition. This meeting shall include a representative of the agency who has decision-making authority on behalf of that agency and may not include an attorney of the local educational agency unless the parent is accompanied by an attorney. If the parent plans to be accompanied by an attorney under this section, the parent must give prior written notice of this fact to the agency. The purposes of the meeting are (i) for the parent to have an opportunity to discuss the petition and the facts that form the basis of the petition and (ii) for the local educational agency to have the opportunity to resolve the dispute.

(b) The parent and the local educational agency jointly may agree in writing to waive the meeting under subsection (a) of this section or to use the mediation process described in G.S. 115C-109.4.

(c) If the local educational agency does not resolve the dispute to the satisfaction of the parents within 30 days of the agency's receipt of the petition, the impartial hearing under G.S. 115C-109.6 may occur and all of the applicable timelines for that hearing shall commence.

(d) If a resolution is reached to resolve the dispute at a meeting under subsection (a) of this section, the parties shall execute a legally binding agreement that is:

- (1) Signed by both the parent and a representative of the local educational agency who has the authority to bind the agency;
- (2) Enforceable in any State administrative forum provided for in IDEA, any State court of competent jurisdiction, or in a district court of the United States; and
- (3) Filed with the person designated by the State Board to receive notices and with the Office of Administrative Hearings.

(e) If the parties execute an agreement under subsection (d) of this section, either party may void the agreement by providing written notice within three business days of the agreement's execution to the person designated by the State Board to receive notices, the Office of Administrative Hearings, and the other party. Notwithstanding subsection (c) of this section, upon receipt of this notice, the impartial hearing under G.S. 115C-109.6 may occur and all of the applicable timelines for that hearing shall commence. (1973, c. 1293, s. 10; 1975, c. 151, ss. 1, 2; c. 563, ss. 8, 9; 1975, 2nd Sess., c. 983, ss. 79, 80; 1981, c. 423, s. 1; c. 497, ss. 1, 2; 1983, c. 247, s. 6; 1985, c. 412, s. 2; 1987, c. 827, s. 1; 1987 (Reg. § 115C-109.8. Procedural issues.

(a) In matters alleging a procedural violation, the hearing officer may find that a child did not receive a free appropriate public education only if the procedural inadequacies (i) impeded the child's right to a free appropriate public education; (ii) significantly impeded the parents'

opportunity to participate in the decision-making process regarding the provision of a free appropriate public education to the parents' child; or (iii) caused a deprivation of educational benefits.

(b) A hearing officer may order a local educational agency to comply with procedural requirements under this Article and IDEA. (2006-69, s. 2.)

§ 115C-109.9. (Repealed) Review by review officer; appeals. (2006-69, s. 2; repealed by 2021 180, s. 7.25(c), effective November 18, 2021.)

§ 115C-110.2. Interpreters/translitterators.

Each interpreter or translitterator employed by a local educational agency to provide services to hearing-impaired students must annually complete 15 hours of job-related training that has been approved by the local educational agency. (2002-182, s. 6; 2003-56, s. 3; 2006-69, s. 2.)

§ 115C-110.3: Reserved for future codification purposes.

Part 1F. Budgeting; Funds.

§ 115C-111.05. Funding for children with disabilities.

To the extent funds are made available for this purpose, the State Board shall allocate funds for children with disabilities to each local school administrative unit on a per child basis. Each local school administrative unit shall receive funds for the lesser of (i) all children who are identified as children with disabilities or (ii) thirteen percent (13%) of its allotted average daily membership in the local school administrative unit for the current school year. (2023-134, s. 7.1; 2024-55, s. 6.2(b).)

Part 1F. Budgeting; Funds.

§ 115C-111.1. Out-of-state students; eligibility for State funds.

Notwithstanding any policy or rule adopted by the State Board of Education, if a local school administrative unit provides services to a student under a current IEP from another state while a determination is being made regarding the student's eligibility for services as a child with disabilities in North Carolina, the local school administrative unit is entitled to receive State funding to serve the student while the determination is being made. If the student is later

determined not to qualify for services in North Carolina, the local school administrative unit is not required to repay State funds received while the determination is being made. (1997-117, s. 1; 2006-69, s. 2.)

§ 115C-111.2. Contracts with private service providers.

Local educational agencies furnishing special education and related services to children with disabilities may contract with private special education facilities or service providers to furnish any of these services that the public providers are unable to furnish. (1977, c. 927, s. 1; 1981, c. 423, s. 1; 2006-69, s. 2.)

§ 115C-111.3. Cost of education of children in group homes, foster homes, etc.

(a) Notwithstanding any other State law and without regard for the place of domicile of a parent, the cost of a free appropriate public education for a child with disabilities who is placed in or assigned to a group home or foster home, under State and federal law, shall be borne by the local board of education in which the group home or foster home is located. However, the local school administrative unit in which a child is domiciled shall transfer to the local school administrative unit in which the institution is located an amount equal to the actual local cost in excess of State and federal funding required to educate that child in the local school administrative unit for the fiscal year after all State and federal funding has been exhausted.

(b) The State Board of Education shall use State and federal funds appropriated for children with disabilities to establish a reserve fund to reimburse local boards of education for the education costs of children assigned to group homes or other facilities as provided in subsection (a) of this section. Local school administrative units may submit a Special State Reserve Program application for foster home or group home children whose special education and related services costs exceed the per child group home allocation.

(c) The Department shall review the current cost of children with disabilities served in the local school administrative units with group homes or foster homes to determine the actual cost of services. (1981, c. 859, s. 29.7; 2002-164, s. 2; 2003-294, s. 1; 2006-69, s. 2.)

§ 115C-111.4. Nonreduction.

Notwithstanding any of the other provisions of this Article, it is the intent of the General Assembly that funds appropriated by it for the operation of programs of special education and related services by local school administrative units not be reduced; rather, that adequate funding be made available to meet the special educational and related services needs of children with disabilities, without regard to which local educational agency has the child in its care, custody, control, or program. (1977, c. 927, s. 1; 1981, c. 423, s. 1; 2006-69, s. 2.)

§ 115C-111.5. Allocation of federal funds.

Whenever any federal monies for the special education and related services for children with disabilities are made available, these funds shall be allocated according to a formula designed by the Board consistent with federal laws and regulations. This formula shall ensure equitable distribution of resources and shall be implemented as funds are made available from federal and State appropriations. (1977, c. 927, s. 1; 1981, c. 423, s. 1; 2006-69, s. 2.)

§ 115C-111.6. Obligation to provide services for preschool children with disabilities.

State funds appropriated to the public schools to implement preschool services for children with disabilities under this Article and IDEA shall be used to provide special education and related services to preschool children with disabilities. These State funds shall be used to supplement and not supplant existing federal, State, and local funding for the public schools.

Preschool children with disabilities will continue to be served by all other State funds to which they are otherwise entitled. (2006-69, s. 2.)
