§ 125-11.6. Definitions.

As used in this Article:

- (1) "Depository library" means a library designated to receive and maintain State publications and make them available to the public.
- (2) "Document" means any printed document including any report, directory, statistical compendium, bibliography, map, regulation, newsletter, pamphlet, brochure, periodical, bulletin, compilation, or register, regardless of whether the printed document is in paper, film, tape, disk, or any other format.
- (3) "State agency" means every State department, institution, board, and commission.
- (4) "State publication" means any document prepared by a State agency or private organization, consultant, or research firm, under contract with or under the supervision of a State agency: Provided, however, the term "State publication" does not include administrative documents used only within the issuing agency, documents produced for instructional purposes that are not intended for sale or publication, appellate division reports and advance sheets distributed by the Administrative Office of the Courts, the S.B.I. Investigative "Bulletin", documents that will be reproduced in the Senate or House of Representatives Journals, or documents that are confidential pursuant to Article 17 of Chapter 120 of the General Statutes. (1987, c. 771, s. 2.)

§ 125-11.7. State Library designated the official depository for all State publications.

The State Library shall be the official, complete, and permanent depository for all State publications, and shall receive five copies of all State publications in addition to the copies required for the depository system: Provided, however, the State Library shall receive only five copies of any State publication offered for sale by a State agency at a price at least high enough to recover production costs: Provided, further, the State Library, notwithstanding the definition of "State publication" contained in this Article, shall have authority to exclude from required deposit in the State Library any items or materials which it finds are not appropriate for deposit. (1987, c. 771, s. 2.)

§ 125-11.9. Powers and duties of the State Library.

The State Library:

- (1) Shall carry out the provisions of this Article.
- (2) Develop and maintain standards for depository libraries. The standards shall include the ability to receive, process, organize, retain, and make available State publications and the ability to provide reference assistance and interlibrary loan service for depository publications.
- (3) Shall designate depository libraries, taking into account regional distribution and number of persons served, such that State publications will be conveniently accessible to residents in all areas of the State. The State Library may designate at least one library in each congressional district.
- (4) May designate as selective depository libraries those institutions that wish to receive less than the full deposit. Selective depository libraries shall meet the same standards for reference and interlibrary loan service as full depository libraries.
- (5) May enter into depository contracts with public libraries and community, technical, special, college and university libraries that meet the standards for depository eligibility adopted by the Clearinghouse.
- (6) Shall determine how many copies of State publications each State agency must submit for the State depository system. The State Library may permit a State agency to submit fewer copies of a document if the State Library determines that fewer copies are adequate in light of the cost of the document and the projected public interest in the document.
- (7) Shall adopt rules to administer the depository program. These rules may include the State Library's priorities and resulting schedules for collecting, maintaining, and making available State publications in various formats. (1987, c. 771, s. 2; 1991, c. 636, s. 14.)

§ 125-11.10. Duties of State agencies.

- (a) State agencies shall send the requested number of copies of each of their publications to the Clearinghouse within 10 days of issuance.
- (b) The head of each State agency shall designate a publications officer who shall be responsible for supplying the requested number of copies of each State publication of that agency to the Clearinghouse. Each agency shall notify the Clearinghouse of the identity of its publications

officer before October 1, 1987, and within 30 days of any change of publications officer. The publications officer shall supply the Clearinghouse semiannually a complete list of the agency's State publications issued within the previous six months and any other information regarding the publications of the agency requested by the Clearinghouse.

(c) State agencies may request permission from the State Library to submit fewer than the requested number of copies of a document. The request shall include information on the cost of the document and the projected public interest in the document. (1987, c. 771, s. 2.)

§ 125-11.11. Advisory Committee.

The Secretary of Natural and Cultural Resources may appoint an advisory committee of State officials and depository librarians to review and advise on the operation of the depository system. (1987, c. 771, s. 2; 2015-241, s. 14.30(t).)
