

Article 1A.

Control over Child Placing and Child Care.

Part 1. In General.

§ 131D-10.1. Foster Care Children's Bill of Rights; purpose.

(a) It is the policy of this State to strengthen and preserve the family as a unit consistent with a high priority of protecting children's welfare. When a child requires care outside the family unit, it is the duty of the State to assure that the quality of substitute care is as close as possible to the care and nurturing that society expects of a family. However, the State recognizes there are instances when protecting a child's welfare outweighs reunifying the family unit, and as such, the care of residential care facilities providing high quality services that include meeting the children's educational needs as determined by the Department of Health and Human Services, Division of Social Services can satisfy the standard of protecting a child's welfare, regardless of the child's age, particularly when the sibling groups can be kept intact. To that end, the General Assembly promotes the following in the provision of foster care:

- (1) A safe foster home free of violence, abuse, neglect, and danger.
- (2) First priority regarding placement in a home with siblings.
- (3) The ability to communicate with the assigned social worker or case worker overseeing the child's case and have calls made to the social worker or case worker returned within a reasonable period of time.
- (4) Allowing the child to remain enrolled in the school the child attended before being placed in foster care, if at all possible.
- (5) Having a social worker, when a child is removed from the home, to immediately begin conducting an investigation to identify and locate all grandparents, adult siblings, and other adult relatives of the child to provide those persons with specific information and explanation of various options to participate in placement of a child.
- (6) Participation in school extracurricular activities, community events, and religious practices.
- (7) Communication with the biological parents if the child placed in foster care receives any immunizations and whether any additional immunizations are needed if the child will be transitioning back into a home with his or her biological parents.
- (8) Establishing and having access to a bank or savings account in accordance with State laws and federal regulations.
- (9) Obtaining identification and permanent documents, including a birth certificate, social security card, and health records by the age of 16, to the extent allowed by federal and State law.
- (10) The use of appropriate communication measures to maintain contact with siblings if the child placed in foster care is separated from his or her siblings.
- (11) Meaningful participation in a transition plan for those phasing out of foster care, including participation in family team, treatment team, court, and school meetings.

A violation of subdivisions (1) through (11) of this subsection shall not be construed to create a cause of action under this section against the State, the Department of Health and Human Services, or a person or entity providing foster care pursuant to this Article.

(b) The purpose of this Article is to assign the authority to protect the health, safety and well-being of children separated from or being cared for away from their families. (1983, c. 637, s. 2; 2009-408, s. 1; 2013-326, s. 1.)

§ 131D-10.2A. Reasonable and prudent parent standard.

(a) The reasonable and prudent parent standard is the standard characterized by careful and sensible parental decisions that are reasonably intended to maintain the health, safety, and best interests of the child while at the same time encouraging the emotional and developmental growth of the child that a caregiver shall use when determining whether to allow a child in foster care under the responsibility of the State to participate in extracurricular, enrichment, cultural, and social activities.

(b) Every child care institution shall designate an on-site official who is authorized to apply the reasonable and prudent parent standard pursuant to this section.

(c) A caregiver, including the child's foster parent, whether the child is in a family foster home or a therapeutic foster home, or the designated official at a child care institution where the child is placed, or the county department of social services, must use the reasonable and prudent parent standard when determining whether to allow a child in foster care to participate in extracurricular, enrichment, and social activities.

(d) A caregiver, including the child's foster parent, whether the child is in a family foster home or a therapeutic foster home, may be held liable for an act or omission of the child if the caregiver fails to act in accordance with the reasonable and prudent parent standard under this section. To the extent it may be applicable, the liability of a county department of social services, or the Department of Health and Human Services, shall be strictly adjudicated according to and in compliance with the terms of G.S. 153A-435, et seq., or G.S. 143-291, et seq., as applicable. Nothing in this subsection is intended to abrogate or diminish the qualified immunities of public officials acting in the course and scope of their employment.

(e) Unless otherwise ordered by a court with jurisdiction pursuant to G.S. 7B-200, a caregiver, including the child's foster parent, whether the child is in a family foster home or a

therapeutic foster home, exercising the reasonable and prudent parent standard has the authority to provide or withhold permission, without prior approval of the court or a county department of social services, to allow a child in foster care, in the custody of a county department of social services, or under the placement authority of a county department of social services through a voluntary placement agreement to participate in normal childhood activities. Normal childhood activities shall include, but are not limited to, extracurricular, enrichment, and social activities and may include overnight activities outside the direct supervision of the caregiver for periods of over 24 hours and up to 72 hours.

(f) The caregiver, including the child's foster parent, whether the child is in a family foster home or a therapeutic foster home, or the designated official at a child care institution where the child is placed, shall not be liable for injuries to the child that occur as a result of acting in accordance with the reasonable and prudent parent standard.

(g) The immunity provided in subsection (f) of this section does not apply if it is determined that the injuries to the child were caused by gross negligence, willful and wanton conduct, or intentional wrongdoing, or arose out of the operation of a motor vehicle. Any liability under this subsection that may be attributable to either the county department of social services or the Department of Health and Human Services shall be strictly adjudicated according to and in compliance with the terms of G.S. 153A-435, et seq., or G.S. 143-291, et seq., as applicable. Nothing in this subsection is intended to abrogate or diminish the qualified immunities of public officials acting in the course and scope of their employment.

(2015-241, s. 12C.9(e).)

§ 131D-10.3. Licensure required.

(b) Persons licensed or seeking a license under this Article shall permit the Department access to premises and information required to determine whether the person is in compliance with licensing rules of the Commission.

(d1) Notwithstanding any other provision of law, the Department shall grant or deny a license to provide foster care or therapeutic foster care within three months from the date of application.

(e) Unless revoked or modified to a provisional or suspended status, the terms of a license issued by the Department shall be in force for a period not to exceed 24 months from the date of issuance under rules adopted by the Commission.

(f) Persons licensed or seeking a license who are temporarily unable to comply with a rule or rules may be granted a provisional license. The provisional license can be issued for a period not to exceed six months. The noncompliance with a rule or rules shall not present an immediate threat to the health and safety of the children, and the person shall have a plan approved by the Department to correct the area(s) of noncompliance within the provisional period. A provisional license for an additional period of time to meet the same area(s) of noncompliance shall not be issued.

 - d. Four or more violations have been assessed in the 60 months prior to application and 60 months have not passed from the date of the most recent violation.
- (3) The applicant is the owner, principal, or affiliate of a licensable facility that had its license summarily suspended or downgraded to provisional status as a result

(j) For purposes of subdivision (h)(2) of this section, fines assessed prior to October 23, 2002, are not applicable to this provision. However, licensure or enrollment shall be denied if an applicant's history as a provider under Chapter 131D, Chapter 122C, or Article 7 of Chapter 110 is such that the Secretary has concluded the applicant will likely be unable to comply with licensing or enrollment statutes, rules, or regulations. In the event the Secretary denies licensure or enrollment under this subsection, the reasons for the denial and appeal rights pursuant to Article 3 of Chapter 150B shall be given to the provider in writing. (1983, c. 637, s. 2; 2002-164, s. 4.4; 2003-294, s. 4; 2017-41, s. 9.1.)

§ 131D-10.3A. Mandatory criminal checks.

(a) Effective January 1, 1996, in order to ensure the safety and well-being of any child placed for foster care in a home, the Department shall ensure that the criminal histories of all foster parents, individuals applying for licensure as foster parents, and individuals 18 years of age or older who reside in a family foster home, are checked and, based on the criminal history check, a determination is made as to whether the foster parents, and other individuals required to be checked, are fit for a foster child to reside with them in the home. The Department shall ensure that, as of the effective date of this Article, all individuals required to be checked are checked for county, state, and federal criminal histories.

(b) The Department shall ensure that all individuals who are required to be checked pursuant to subsection (a) of this section are checked upon relicensure for county and State criminal histories.

(c) The Department shall prohibit an individual from providing foster care by denying or revoking the license to provide foster care if an individual required to submit to a criminal history check pursuant to subsection (a) of this section has a criminal history. The Department may prohibit an individual from providing foster care by denying or revoking the license to provide foster care if the Department determines that the safety and well being of a child placed in the home for foster care would be at risk based on other criminal convictions, whether felony or misdemeanor.

(d) The Department of Public Safety shall provide to the Department the criminal history of the individuals specified in subsection (a) of this section obtained from the State and National Repositories of Criminal Histories as requested by the Department. The Department shall provide to the Department of Public Safety, along with the request, the fingerprints of the individual to be

checked, any additional information required by the Department of Public Safety, and a form consenting to the check of the criminal record and to the use of fingerprints and other identifying information required by the State or National Repositories signed by the individual to be checked. The fingerprints of the individual to be checked shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of fingerprints to the Federal Bureau of Investigation for a national criminal history record check.

(e) At the time of application, the individual whose criminal history is to be checked shall be furnished with a statement substantially similar to the following:

"NOTICE

MANDATORY CRIMINAL HISTORY CHECK

NORTH CAROLINA LAW REQUIRES THAT A CRIMINAL HISTORY CHECK BE CONDUCTED ON ALL PERSONS 18 YEARS OF AGE OR OLDER WHO RESIDE IN A LICENSED FAMILY FOSTER HOME.

"Criminal history" includes any county, State, and federal conviction of a felony by a court of competent jurisdiction or pending felony indictment of a crime for child abuse or neglect, spousal abuse, a crime against a child, including child pornography, or for a crime involving violence, including rape, sexual assault, or homicide, other than physical assault or battery; a county, State, or federal conviction of a felony by a court of competent jurisdiction or a pending felony indictment for physical assault, battery, or a drug related offense, if the offense was committed within the past five years; or similar crimes under federal law or under the laws of other states. Your fingerprints will be used to check the criminal history records of the State Bureau of Investigation (SBI) and the Federal Bureau of Investigation (FBI).

If it is determined, based on your criminal history, that you are unfit to have a foster child reside with you, you shall have the opportunity to complete or challenge the accuracy of the information contained in the SBI or FBI identification records.

If licensure is denied or the foster home license is revoked by the Department of Health and Human Services as a result of the criminal history check, if you are a foster parent, or are applying to become a foster parent, you may request a hearing pursuant to Article 3 of Chapter 150B of the General Statutes, the Administrative Procedure Act.

Any person who intentionally falsifies any information required to be furnished to conduct the criminal history is guilty of a Class 2 misdemeanor.

Refusal to consent to a criminal history check is grounds for the Department to deny or revoke a license to provide foster care. Any person who intentionally falsifies any information required to be furnished to conduct the criminal history is guilty of a Class 2 misdemeanor.

(f) The Department shall notify in writing the foster parent and any person applying to be licensed as a foster parent, and that individual's supervising agency of the determination by the Department of whether the foster parent is qualified to provide foster care based on the criminal history of all individuals required to be checked. In accordance with the law regulating the dissemination of the contents of the criminal history file furnished by the Federal Bureau of Investigation, the Department shall not release nor disclose any portion of an individual's criminal history to the foster parent or any other individual required to be checked. The Department shall also notify the individual of the individual's right to review the criminal history information, the

procedure for completing or challenging the accuracy of the criminal history, and the foster parent's right to contest the Department's determination.

A foster parent who disagrees with the Department's decision may request a hearing pursuant to Chapter 150B of the General Statutes, the Administrative Procedure Act.

(g) All the information that the Department receives through the checking of the criminal history is privileged information and is not a public record but is for the exclusive use of the Department and those persons authorized under this section to receive the information. The Department may destroy the information after it is used for the purposes authorized by this section after one calendar year.

(h) There is no liability for negligence on the part of a supervising agency, or a State or local agency, or the employees of a State or local agency, arising from any action taken or omission by any of them in carrying out the provisions of this section. The immunity established by this subsection shall not extend to gross negligence, wanton conduct, or intentional wrongdoing that would otherwise be actionable. The immunity established by this subsection shall be deemed to have been waived to the extent of indemnification by insurance, indemnification under Article 31A of Chapter 143 of the General Statutes, and to the extent sovereign immunity is waived under the Torts Claim Act, as set forth in Article 31 of Chapter 143 of the General Statutes.

(i) The Department of Public Safety shall perform the State and national criminal history checks on individuals required by this section and shall charge the Department a reasonable fee only for conducting the checks of the national criminal history records authorized by this section.
