Within five business days of receipt of the national criminal history of the person, the Department of Health and Human Services, Criminal Records Check Unit, shall notify the nursing home or home care agency as to whether the information received may affect the employability of the applicant. - (2) The date of the crime.
- (3) The age of the person at the time of the conviction.

- (7) The subsequent commission by the person of a relevant offense.

The fact of conviction of a relevant offense alone shall not be a bar to employment; however, the listed factors shall be considered by the nursing home or home care agency, or the contract agency of the nursing home or home care agency. If a nursing home, home care agency, or contract agency of a nursing home or home care agency disqualifies an applicant after consideration of the relevant factors, then the nursing home, home care agency, or contract agency may disclose information contained in the criminal history record check that is relevant to the disqualification, but may not provide a copy of the criminal history record check to the applicant.
