(6) Authorize any department or agency of the State to lease or lend to the United States Army, Navy, or any other branch of the Armed Forces of the United States, any real or personal property of the State upon such terms and conditions as the Governor may impose, or, on behalf of the State, to make a contract directly therefor.

d. Whenever it should be certified by the Adjutant General of the State that emergency conditions require such procedure, the Governor, with the approval of the Council of State, shall have the power to call up and mobilize the State militia; to provide transportation and facilities for mobilization and full utilization of the State militia, in such emergency; and to allocate from the Contingency and Emergency Fund such amounts as may be necessary for such purposes during the period of such emergency;
