- (2) Date of the defective corporate action. – The date the defective corporate action was purported to have been taken or, if the exact date is unknown, the approximate date thereof.
- (3) Defective corporate action. – Any corporate action purportedly taken that is, and at the time the corporate action was purportedly taken would have been, within the power of the corporation, but is void or voidable due to a failure of authorization. This term includes an over issue. This term does not include a

- business combination subject to G.S. 55-9-02, unless the business combination was approved by shareholders in accordance with G.S. 55-9-02.
- (4) Failure of authorization. – The (i) failure to authorize, approve, or otherwise effect a corporate action in compliance with the provisions of this Chapter, the articles of incorporation or bylaws of the corporation, a corporate resolution, or any plan or agreement to which the corporation is a party, if and to the extent the failure would render the corporate action void or voidable, or (ii) failure of the board of directors or any officer of the corporation to authorize or approve any act or transaction taken by or on behalf of the corporation that would have required for its due authorization the approval of the board of directors or the officer.
 - (5) Over issue. – The purported issuance of either of the following:
 - a. Shares of a class or series in excess of the number of shares of a class or series the corporation has the power to issue under G.S. 55-6-01 at the time of the issuance.

The validation effective time shall not be affected by the filing or pendency of a judicial proceeding in accordance with this Chapter or otherwise, unless otherwise ordered by the court. (2018-45, s. 3.)

§ 55-1-61. Defective corporate actions.

(a) A defective corporate action is not void or voidable if ratified in accordance with G.S. 55-1-62 or validated in accordance with G.S. 55-1-67.

(b) Ratification under G.S. 55-1-62 or validation under G.S. 55-1-67 is not the exclusive means of ratifying or validating any defective corporate action, and the absence or failure of ratification in accordance with this Part does not, of itself, affect the validity or effectiveness of any corporate action properly ratified under common law or otherwise, nor does it create a presumption that the corporate action is or was a defective corporate action or void or voidable.

(c) In the case of an over issue, putative shares shall be valid shares effective as of the date originally issued or purportedly issued upon either of the following:

- (1) The effectiveness under this Part and under Article 10 of this Chapter of an amendment to the articles of incorporation authorizing, designating, or creating the shares.
- (2) The effectiveness of any other corporate action under this Part ratifying the authorization, designation, or creation of the shares. (2018-45, s. 3.)

§ 55-1-62. Ratification of defective corporate actions.

(a) Except as otherwise provided in subsection (b) of this section, the board of directors shall ratify a defective corporate action by taking action in accordance with G.S. 55-1-63 that states all of the following:

- (2) The date of the defective corporate action.
- (3) The nature of the failure of authorization with respect to the defective corporate action to be ratified.
- (4) That the board of directors approves the ratification of the defective corporate action.

(b) In the event that a defective corporate action to be ratified relates to the election of the initial board of directors of the corporation under G.S. 55-2-05(a)(2), a majority of the persons who, at the time of the ratification, are exercising the powers of directors may take an action that states all of the following:

- (1) The name of the person or persons who first took action in the name of the corporation as the initial board of directors of the corporation.

- (3) That the ratification of the election of the person or persons identified under subdivision (1) of this subsection as the initial board of directors is approved.

(c) If any provision of this Chapter, the articles of incorporation or bylaws, any corporate resolution, or any plan or agreement to which the corporation is a party in effect at the time action under subsection (a) of this section is taken, requires shareholder approval or would have required shareholder approval at the date of the occurrence of the defective corporate action, the ratification of the defective corporate action approved in the action taken by the directors under subsection (a) of this section shall be submitted to the shareholders for approval in accordance with G.S. 55-1-63.

(d) Unless otherwise provided in the action taken by the board of directors under subsection (a) of this section, after the action by the board of directors has been taken and, if required, approved by the shareholders, the board of directors may abandon the ratification at any time prior to the validation effective time without further action of the shareholders. (2018-45, s. 3.)

§ 55-1-63. Action on ratification.

(a) The quorum and voting requirements applicable to a ratifying action by the board of directors under G.S. 55-1-62(a) are the quorum and voting requirements applicable to the corporate action proposed to be ratified at the time the ratifying action is taken.

(b) If the ratification of the defective corporate action requires approval by the shareholders under G.S. 55-1-62(c), and, if the approval is to be given at a meeting, the corporation shall notify each holder of valid and putative shares, whether or not entitled to vote, as of the record date for notice of the meeting and as of the date of the occurrence of the defective corporate action, provided that notice shall not be required to be given to holders of valid or putative shares whose identities or addresses for notice cannot be determined from the records of the corporation. The notice shall state that the purpose, or one of the purposes, of the meeting is to consider ratification of a defective corporate action and shall be accompanied by (i) a copy of the action taken by the board of directors in accordance with G.S. 55-1-62(a) or (ii) the information required by subdivisions (1) through (4) of subsection (a) of G.S. 55-1-62. The notice shall also include a statement that any claim that the ratification of the defective corporate action and any putative shares issued as a result of the defective corporate action should not be effective, or should be effective only on certain conditions, shall be brought within 120 days from the applicable validation effective time.

(c) Except as provided in subsection (d) of this section with respect to the voting requirements to ratify the election of a director, the quorum and voting requirements applicable to the approval by the shareholders required by G.S. 55-1-62(c) are the quorum and voting requirements applicable to the corporate action proposed to be ratified at the time of the shareholder approval.

(d) The approval by shareholders to ratify the election of a director requires that the votes cast within the voting group favoring the ratification of the election exceed the votes cast opposing the ratification of the election at a meeting at which a quorum is present.

(e) Putative shares on the record date for determining the shareholders entitled to vote on any matter submitted to shareholders under G.S. 55-1-62(c), and without giving effect to any ratification of putative shares that becomes effective as a result of the vote, shall neither be entitled to vote nor counted for quorum purposes in any vote to approve the ratification of any defective corporate action.

(f) If the approval under this section of putative shares would result in an over issue, in addition to the approval required by G.S. 55-1-62, approval of an amendment to the articles of incorporation under Article 10 of this Chapter to increase the number of shares of an authorized class or series, or to authorize the creation of a class or series of shares so there would be no over issue, shall also be required. (2018-45, s. 3.)

§ 55-1-64. Notice requirements.

(a) Unless shareholder approval is required under G.S. 55-1-62(c), prompt notice of an action taken under G.S. 55-1-62 shall be given to each holder of valid and putative shares, whether or not entitled to vote, as of (i) the date of the action by the board of directors and (ii) the date of the defective corporate action ratified, provided that notice shall not be required to be given to holders of valid and putative shares whose identities or addresses for notice cannot be determined from the records of the corporation.

(b) The notice required under subsection (a) of this section shall contain (i) a copy of the action taken by the board of directors in accordance with subsection (a) or (b) of G.S. 55-1-62 or (ii) the information required by subdivisions (1) through (4) of subsection (a) of G.S. 55-1-62 or

subdivisions (1) through (3) of subsection (b) of G.S. 55-1-62, as applicable. The notice shall also include a statement that any claim that the ratification of the defective corporate action and any putative shares issued as a result of the defective corporate action should not be effective, or should be effective only on certain conditions, shall be brought within 120 days from the applicable validation effective time.

(c) No notice under this section is required with respect to any action required to be submitted to shareholders for approval under G.S. 55-1-62(c) if notice is given in accordance with G.S. 55-1-63(b).

(d) A notice required by this section may be given in any manner permitted by G.S. 55-1-41 and, for any public corporation, may be given by means of a filing or furnishing of the notice with the Securities and Exchange Commission which becomes publicly accessible on the Web site of the Securities and Exchange Commission approximately contemporaneously with the filing or furnishing. (2018-45, s. 3.)

§ 55-1-65. Effect of ratification.

Ratification in accordance with this Part shall have the following effects from and after the validation effective time, and without regard to the 120-day period during which a claim may be brought under G.S. 55-1-67:

- (1) Each defective corporate action ratified in accordance with G.S. 55-1-62 is not void or voidable as a result of the failure of authorization identified in the action taken under subsection (a) or (b) of G.S. 55-1-62 and is a valid corporate action effective as of the date of the defective corporate action.
- (2) The issuance of each putative share or fraction of a putative share purportedly issued pursuant to a defective corporate action identified in the action taken under G.S. 55-1-62 is not void or voidable, and the putative share or fraction of the putative share is an identical share or fraction of a valid share as of the time it was purportedly issued.
- (3) Any corporate action taken subsequent to the defective corporate action ratified in accordance with this Part in reliance on the defective corporate action having been validly effected and any subsequent defective corporate action resulting directly or indirectly from the original defective corporate action shall be valid as of the time taken. (2018-45, s. 3.)

§ 55-1-66. Filings.

(a) If the defective corporate action ratified under this Part would have required under any other section of this Chapter a filing in accordance with this Chapter, then, whether or not a filing was previously made in respect of the defective corporate action and in lieu of a filing otherwise required by this Chapter, the corporation shall file articles of validation in accordance with this section, and the articles of validation shall serve to amend or substitute for any other filing with respect to the defective corporate action required by this Chapter.

(b) The articles of validation shall set forth all of the following:

- (c) The articles of validation shall also contain all of the following information that is applicable:
