For purposes of this Chapter only, "annual license continuation fee" means the fee specified in G.S. 58-6-7 submitted to the Commissioner for each year the license is in effect after the company's year of initial licensing. The annual license continuation fee must be submitted annually on or before the first day of March for as long as the license is to remain in effect. If the Commissioner is satisfied that the company has met all requirements of law and appears to be financially solvent, the Commissioner shall not revoke or suspend the license of the company, and the company shall be authorized to do business in this State, subject to all other applicable provisions of the insurance laws of this State. Nothing contained in this section shall be interpreted as applying to licenses issued to individual representatives of insurance companies. (1899, c. 54, s. 78; Rev., s. 4718; C.S., s. 6321; 1955, c. 179, s. 1; 1987, c. 629, s. 16; 1989 (Reg. Sess., 1990), c. 1069, s. 3; 1995, c. 507, s. 11A(c); 2003-212, s. 26(d); 2005-215, s. 5.)

#### **§ 58-6-20. Policyholders to furnish information.**

Every corporation, firm, or individual doing business in the State shall, upon request of the Commissioner, furnish the Commissioner any information the Commissioner considers necessary to enable the Commissioner to enforce the payment of a tax levied in this Chapter. (1899, c. 54, s. 79; 1901, c. 391, s. 7; 1903, c. 438, s. 8; Rev., s. 4720; C.S., s. 6323; 1987, c. 864, s. 38; 1991, c. 720, s. 4; 1995 (Reg. Sess., 1996), c. 747, s. 11.)

#### **§ 58-6-25. Insurance regulatory charge.**

(a) Charge Levied. – There is levied on each insurance company, other than a captive insurance company, an annual charge for the purposes stated in subsection (d) of this section. The charge levied in this section is in addition to all other fees and taxes. The percentage rate of the charge is established pursuant to subsection (b) of this section and is applied to the company's premium tax liability for the taxable year. In determining an insurance company's premium tax liability for a taxable year, the following shall be disregarded:

- (1) Additional taxes imposed by G.S. 105-228.8.
- (2) Repealed by Session Laws 2008-134, s. 67(a), as amended by Session Laws 2009-445, s. 44, effective for taxable years beginning on or after January 1, 2008.
- (3) Any tax credits for guaranty or solvency fund assessments under G.S. 105-228.5A or G.S. 97-133(a).
- (4) Any tax credits allowed under Chapter 105 of the General Statutes other than tax payments made by or on behalf of the taxpayer.

(b) Rates. – The rate of the charge for each taxable year shall be six and one-half percent (6.5%). When the Department prepares its budget request for each upcoming fiscal year, the Department shall propose a percentage rate of the charge levied in this section. The Governor shall submit that proposed rate to the General Assembly each fiscal year. It is the intent of the General Assembly that the percentage rate not exceed the rate necessary to generate funds sufficient to defray the estimated cost of the operations of the Department for each upcoming fiscal year, including a reasonable margin for a reserve that shall be used to provide for unanticipated expenditures requiring a budget adjustment as authorized by G.S. 143C-6-4. In calculating the amount of the reserve, the General Assembly shall consider all relevant factors that may affect the cost of operating the Department or a possible unanticipated increase or decrease in North Carolina premiums or other charge revenue.

(c) Returns; When Payable. – The charge levied on each insurance company is payable at the time the insurance company remits its premium tax. If the insurance company is required to remit installment payments of premiums tax under G.S. 105-228.5 for a taxable year, it shall also remit installment payments of the charge levied in this section for that taxable year at the same time and on the same basis as the premium tax installment payments. Each installment payment shall be equal to at least thirty-three and one-third percent (33.3%) of the insurance company's regulatory charge liability incurred in the immediately preceding taxable year.

Every insurance company shall, on or before the date the charge levied in this section is due, file a return on a form prescribed by the Secretary of Revenue. The return shall state the company's total North Carolina premiums or presumed premiums for the taxable year and shall be accompanied by any supporting documentation that the Secretary of Revenue may by rule require.

(d) Use of Proceeds. – The Insurance Regulatory Fund is created as an interest-bearing special fund to which the proceeds of the charge levied in this section and all fees collected under Articles 69 through 71 of this Chapter and under Articles 9 and 9C of Chapter 143 of the General Statutes shall be credited. Moneys in the Fund may be spent only pursuant to appropriation by the General Assembly, and the Fund is subject to the provisions of the State Budget Act. All money credited to the Fund shall be used to reimburse the General Fund for the following:

- (1) Money appropriated to the Department of Insurance to pay its expenses incurred in regulating the insurance industry, including the captive insurance industry, and other industries in this State.

- (2) Money appropriated to State agencies to pay the expenses incurred in regulating the insurance industry, in certifying statewide data processors under Article 11A of Chapter 131E of the General Statutes, and in purchasing reports of patient data from statewide data processors certified under that Article.
- (3) Money appropriated to the Department of Revenue to pay the expenses incurred in collecting and administering the taxes on insurance companies levied in Article 8B of Chapter 105 of the General Statutes.
- (4) Money appropriated for the office of Health Insurance Smart NC under G.S. 143-730 to pay the actual costs of administering the program.
- (5) Money appropriated to the Department of Insurance for the implementation and administration of independent external review procedures required by Part 4 of Article 50 of this Chapter.
- (6) Money appropriated to the Department of Justice to pay its expenses incurred in representing the Department of Insurance in its regulation of the insurance industry and other related programs and industries in this State that fall under the jurisdiction of the Department of Insurance.
- (7) Money appropriated to the Department of Insurance to pay its expenses incurred in connection with providing staff support for State boards and commissions, including the North Carolina Manufactured Housing Board, State Fire and Rescue Commission, North Carolina Building Code Council, North Carolina Residential Code Council, North Carolina Code Officials Qualification Board, Public Officers and Employees Liability Insurance Commission, North Carolina Home Inspector Licensure Board, and the Volunteer Safety Workers' Compensation Board.
- (8) Money appropriated to the Department of Insurance to pay its expenses incurred in connection with continuing education programs under Article 33 of this Chapter and in connection with the purchase and sale of copies of the North Carolina State Building Code.
- (9) Money appropriated to the Department of Insurance for the regulation of the professional employer organization industry pursuant to Article 89A of Chapter 58 of the General Statutes.
- (10) Money appropriated to the Department of Insurance to pay its expenses incurred in promoting North Carolina's captive insurance industry.
- (11) Money appropriated to the North Carolina Industrial Commission for support of the Commission's duties excepted from its statutory fee authority as set forth in G.S. 97-73(e).
