For purposes of this Article, eligible firefighters must attend 36 hours of training sessions in each calendar year. Each eligible fire department shall annually determine and report a certified roster of the names of those firefighters meeting the eligibility qualifications of this Article to its respective governing body, which upon determination of the validity and accuracy of the qualification, the department shall promptly submit the list to the North Carolina State Firefighters' Association. Submission of such information by a department to the North Carolina State Firefighters' Association constitutes a certification of its accuracy under accounting standards set forth by the Governmental Accounting Standards Board of the Financial Accounting Foundation. The North Carolina State Firefighters' Association shall provide a list of those persons meeting the eligibility requirements of this Article to the State Treasurer by January 31 of each year. For the purposes of the preceding sentences, the governing body of a fire department operated: by a county is the county board of commissioners; by a city is the city council; by a sanitary district is the sanitary district board; by a corporation, whether profit or nonprofit, is the corporation's board of directors; and by any other entity is that group designated by the board. An "eligible firefighter" may not also qualify as an "eligible rescue squad worker" in order to receive double benefits available under this Article. (1957, c. 1420, s. 1; 1959, c. 1212, s. 1; 1981, c. 1029, s. 1; 1983, c. 416, s. 7; 1985, c. 241; 2000-67, s. 26.22; 2001-222, s. 1; 2003-362, s. 1; 2009-66, s. 2(b); 2013-284, s. 1(a); 2015-88, s. 3; 2016-51, s. 6.)

§ 58-86-30. Determination and certification of "eligible rescue squad worker."

Eligible rescue squad workers must attend at least 36 hours of training sessions in each calendar year. Each rescue or emergency medical services squad eligible for membership in the North Carolina Association of Rescue and Emergency Medical Services, Inc., must file a roster certified by the secretary of the association of those rescue or emergency medical services squad workers meeting the requirements of this section with the State Treasurer by January 31 of each calendar year. Submission of such information by a department to the North Carolina Association of Rescue
and Emergency Medical Services, Inc., constitutes a certification of its accuracy under accounting standards set forth by the Governmental Accounting Standards Board of the Financial Accounting Foundation.

An "eligible rescue squad worker" may not qualify also as an "eligible firefighter" in order to receive double benefits available under this Article. (1981, c. 1029, s. 1; 1991 (Reg. Sess., 1992), c. 833, s. 3; 1995, c. 507, s. 7.21A(h); 2009-66, s. 2(c); 2013-284, s. 1(a); 2015-88, s. 4.)

§ 58-86-35. Firefighters' application for membership in fund; monthly payments by members; payments credited to separate accounts of members; termination of membership.

Those firefighters who are eligible pursuant to G.S. 58-86-25 may apply to the board for membership. Each firefighter upon becoming a member of the fund shall pay the director of the fund the sum of ten dollars ($10.00) per month; each payment shall be made no later than March 31 subsequent to the end of the calendar year in which the month occurred. The Pension Fund shall not award fully credited service based on payments received later than March 31 subsequent to the end of the calendar year in which the month occurred unless the payment is applied as provided in G.S. 58-86-45(a1). The monthly payments shall be credited to the separate account of the member and shall be kept by the custodian so it is available for payment on withdrawal from membership or retirement.

A member may elect to terminate membership in the fund at any time and request the refund of payments previously made to the fund. However, a member's delinquency in making the monthly payments required by this section does not result in the termination of membership without such an election by the member. (1957, c. 1420, s. 1; 1959, c. 1212, s. 1; 1981, c. 1029, s. 1; 1995, c. 507, s. 7.21A(d); 2005-91, s. 14; 2005-281, s. 1.2; 2009-66, s. 2(d); 2013-284, s. 1(a).)

§ 58-86-40. Rescue squad worker's application for membership in funds; monthly payments by members; payments credited to separate accounts of members; termination of membership.

Those rescue squad workers eligible pursuant to G.S. 58-86-30 may apply to the board for membership. Each eligible rescue squad worker upon becoming a member shall pay the director of the fund the sum of ten dollars ($10.00) per month; each payment shall be made no later than March 31 subsequent to the end of the calendar year in which the month occurred. The Pension Fund shall not award fully credited service based on payments received later than March 31 subsequent to the end of the calendar year in which the month occurred unless the payment is applied as provided in G.S. 58-86-45(a1). The monthly payments shall be credited to the separate account of the member and shall be kept by the custodian so it is available for payment on withdrawal from membership or retirement.

A member may elect to terminate membership in the fund at any time and request the refund of payments previously made to the fund. However, a member's delinquency in making the monthly payments required by this section does not result in the termination of membership without such an election by the member. (1981, c. 1029, s. 1; 1983, c. 500, s. 1; 1991 (Reg. Sess., 1992), c. 833, s. 4; 1995, c. 507, s. 7.21A(e); 2005-91, s. 15; 2005-281, s. 1.3; 2009-66, s. 2(e); 2013-284, s. 1(a).)
§ 58-86-45. Additional retroactive membership.
   (a) Repealed by Session Laws 2013-284, s. 1(a), effective July 1, 2013.
   (a1) Any firefighter or rescue squad worker who is 35 years of age or older and who is a current or former member of a fire department or rescue squad chartered by the State of North Carolina may purchase credit for any periods of service to any chartered fire department or rescue squad not otherwise creditable by making a lump sum payment to the Annuity Savings Fund equal to the full liability of the service credits calculated on the basis of the assumptions used for purposes of the actuarial valuation of the system's liabilities, which payment shall take into account the retirement allowance arising on account of the additional service credit commencing at the earliest age at which the member could retire on a retirement allowance, as determined by the board of trustees upon the advice of the consulting actuary, plus an administrative fee to be set by the board of trustees. This provision for the payment of a lump sum for service "not otherwise creditable" shall apply, inter alia, to all purchases of service credits for months as to which timely payments were not previously made pursuant to G.S. 58-86-35 or G.S. 58-86-40, whichever is applicable.
   (b) An eligible firefighter or rescue squad worker who is not yet 35 years old may apply to the board of trustees for membership in the fund at any time. Upon becoming a member, the worker may make a lump sum payment of ten dollars ($10.00) per month retroactively to the time the worker first became eligible to become a member, plus interest at an annual rate to be set by the board upon advice from actuary for each year of retroactive payments. Upon making this lump sum payment, the worker shall be given credit for all prior service in the same manner as if the worker had applied for membership upon first becoming eligible.
   (c) A member of the Pension Fund who is not yet 35 years old may receive credit for the prior service upon making a lump sum payment of ten dollars ($10.00) for each month since the worker first became eligible, plus interest at an annual rate to be set by the board for each year of retroactive payments. Upon making this lump sum payment, the date of membership shall be the same as if the worker had applied for membership upon first becoming eligible. This provision for the payment of a lump sum for service "not otherwise creditable" shall apply, inter alia, to all purchases of service credits for months as to which timely payments were not previously made pursuant to G.S. 58-86-35 or G.S. 58-86-40, whichever is applicable, for any firefighter or rescue squad worker who is not yet 35 years of age or older and who is a current or former member of a fire department or rescue squad chartered by the State of North Carolina. (1985 (Reg. Sess., 1986), c. 1014, s. 49.1(a); 1989, c. 693; 1993, c. 429, s. 1; 1995, c. 507, s. 7.21A(f); 2000-67, s. 26.17(a); 2009-66, s. 2(f); 2013-284, s. 1(a); 2016-56, s. 1.)

(c) A member who is totally and permanently disabled while in the discharge of the member's official duties as a result of bodily injuries sustained or as a result of extreme exercise or extreme activity experienced in the course and scope of those official duties and who leaves the fire or rescue squad service because of this disability shall be entitled to be paid from the fund a monthly benefit in an amount of one hundred seventy dollars ($170.00) per month beginning the first month after the member's fifty-fifth birthday. All applications for disability are subject to the approval of the board who may appoint physicians to examine and evaluate the disabled member prior to approval of the application, and annually thereafter. Any disabled member shall not be required to make the monthly payment of ten dollars ($10.00) as required by G.S. 58-86-35 and G.S. 58-86-40.

(d) A member who is totally and permanently disabled for any cause, other than line of duty, who leaves the fire or rescue squad service because of this disability and who has at least 10 years of service with the pension fund, may be permitted to continue making a monthly contribution of ten dollars ($10.00) to the fund until the member has made contributions for a total of 240 months. The member shall upon attaining the age of 55 years be entitled to receive a pension as provided by this section. All applications for disability are subject to the approval of the board who may appoint physicians to examine and evaluate the disabled member prior to approval of the application and annually thereafter.

(d1) Benefits shall be paid in the following manner when a member is killed in the line of duty and the requirements of Article 12A of Chapter 143 of the General Statutes are met:

2. If the member had been receiving a monthly pension fund benefit prior to being killed in the line of duty and the beneficiary is not payable as described in subdivision (1) of this subsection, a lump sum payment equal to the difference between the amount paid into the member's separate account by or on behalf of the member and the amount received by the member as a pensioner will be paid to the eligible beneficiaries, or if there are no eligible beneficiaries, shall be paid to the member's estate.

3. If the member had not yet begun receiving a monthly benefit prior to being killed in the line of duty, there shall be paid to the member's principal beneficiary, if only one principal beneficiary is eligible and has not accepted a return of contributions, an amount of one hundred seventy dollars ($170.00) per month beginning the month following the month the member would have attained age 55, or if the member had already attained age 55, beginning the month following the member's month of death, payable until the beneficiary's death.

4. If the member had not begun receiving a monthly benefit prior to being killed in the line of duty and the beneficiary is not payable as described in subdivision

A beneficiary under this subsection shall not be required to make the monthly payment of ten dollars ($10.00) as required by G.S. 58-86-35 and G.S. 58-86-40 after the member has been killed in the line of duty.

The member upon attaining the age of 55 years and completion of such contributions shall be entitled to receive a pension as provided by this section. Any application to make monthly contributions under this section shall be subject to a finding of eligibility by the Board of Trustees upon application of the member.

(f) The pensions provided shall be in addition to all other pensions or benefits under any other statutes of the State of North Carolina or the United States, notwithstanding any exclusionary provisions of other pensions or retirement systems provided by law. (1957, c. 1420, s. 1; 1959, c. 1212, s. 1; 1961, c. 980; 1971, c. 336; 1977, c. 926, s. 1; 1981, c. 1029, s. 1; 1983, c. 500, s. 2; c. 636, s. 24; 1985 (Reg. § 58-86-60. (See Note) Payments in lump sums.

The board shall direct payment in lump sums from the fund in the following cases:

(1) To any firefighter or rescue squad worker upon the attaining of the age of 55 years, who, for any reason, is not qualified to receive the monthly retirement pension and who was enrolled as a member of the fund, an amount equal to the amount paid into the fund by him. This provision shall not be construed to preclude any active firefighter or rescue squad worker from completing the requisite number of years of active service after attaining the age of 55 years necessary to entitle the firefighter or rescue squad worker to the pension.

(2) If any firefighter or rescue squad worker dies, except if the individual is killed in the line of duty, before attaining the age at which a pension is payable to the firefighter or rescue squad worker under the provisions of this Article, there shall be paid to the person or persons designated by the member, or if the member has not designated a beneficiary, to the surviving spouse of the deceased member, or if not survived by a designated beneficiary or spouse, to the deceased member's legal representative, an amount equal to the amount paid into the member's separate account by or on behalf of the said firefighter or rescue squad worker.
§ 58-86-65. Pro rata reduction of benefits when fund insufficient to pay in full.

If, for any reason, the fund created and made available for any purpose covered by this Article shall be insufficient to pay in full any pension benefits, or other charges, then all benefits or payments shall be reduced pro rata, for as long as the deficiency in amount exists. No claim shall accrue with respect to any amount by which a pension or benefit payment shall have been reduced. (1957, c. 1420, s. 1; 1959, c. 1212, s. 1; 1977, c. 926, s. 2; 1981, c. 1029, s. 1; 1987, c. 667, s. 1; 2009-66, s. 2(h); 2009-365, s. 1; 2013-284, s. 1(a); 2016-108, s. 1(c).)

§ 58-86-70. Provisions subject to future legislative change.

These pensions shall be subject to future legislative change or revision, and no member of the fund, or any person, is deemed to have acquired any vested right to a pension or other payment provided by this Article. (1957, c. 1420, s. 1; 1959, c. 1212, s. 1; 1981, c. 1029, s. 1.)

§ 58-86-75. Determination of creditable service; information furnished by applicants for membership.

The board shall determine by appropriate rules and regulations the number of years' credit for service of firefighters and rescue squad workers. Firefighters and rescue squad workers who are now serving as such shall furnish the board with information upon applying for membership as to previous service. Notwithstanding any other provisions of this Article, the Board may grant qualified prior service credits to eligible firemen [firefighters] and rescue squad workers under such terms and conditions that the Board may adopt when the Board determines that an eligible firefighter or rescue squad worker has been denied such service credits through no fault of his or her own. (1957, c. 1420, s. 1; 1959, c. 1212, s. 1; 1981, c. 1029, s. 1; 1987 (Reg. Sess., 1988), c. 1086, s. 29; 2013-284, s. 1(a).)

§ 58-86-80. Length of service not affected by serving in more than one department or squad; transfer from one department or squad to another.
A firefighter’s or rescue squad worker’s length of service shall not be affected by the fact that he or she may have served with more than one department or squad, and upon transfer from one department or squad to another, notice of the fact shall be given to the board. (1957, c. 1420, s. 1; 1959, c. 1212, s. 1; 1981, c. 1029, s. 1; 2013-284, s. 1(a).)

§ 58-86-90. Exemptions of pensions from attachment; rights nonassignable.
Except for the applications of the provisions of G.S. 110-136, and in connection with a court-ordered equitable distribution under G.S. 50-20, the pensions provided are not subject to attachment, garnishments or judgments against the firefighter or rescue squad worker entitled to them, nor are any rights in the fund or the pensions or benefits assignable. Notwithstanding any provisions to the contrary, any overpayment of benefits or erroneous payments to a member in a State-administered retirement system, the Disability Salary Continuation Plan, or the Disability Income Plan of North Carolina, including any benefits paid to, or State Health Plan premiums or claims paid on behalf of, any member who is later determined to have been ineligible for those benefits or unentitled to those amounts, may be offset against any retirement allowance, return of contributions, or any other right accruing under this Article to the same person, the person’s estate, or designated beneficiary. (1957, c. 1420, s. 1; 1959, c. 1212, s. 1; 1969, c. 486; 1981, c. 1029, s. 1; 1985, c. 402; 1989, c. 792, s. 2.1; 2013-284, s. 1(a); 2017-129, s. 1(a).)

§ 58-86-91: Repealed by Session Laws 2013-284, s. 1(a), effective July 1, 2013.

§ 58-86-95. Leaves of absence; inactive membership.
(a) Any member who resigns as an eligible firefighter or an eligible rescue squad worker, whichever is applicable, may withdraw from the fund and seek a refund under G.S. 58-86-60 or take a leave of absence as provided by G.S. 58-86-95, or he or she will be considered an inactive member.
(b) In order to take a leave of absence, any member not on active military service must provide the office of the director with written notice that the member is taking a leave of absence. Any member not on active military service on leave of absence for more than five years in any six-year period shall be considered an inactive member.
(c) A member is not eligible for service credit for the time he or she is on leave of absence and is not required to make monthly payments for that time. During the time a member is on leave of absence he or she is not eligible for benefits from the pension fund. A member who has taken a leave of absence may subsequently withdraw from the pension fund and seek a refund under G.S. 58-86-60. If a member dies while he or she is on leave of absence, the appropriate person or persons may seek a refund under G.S. 58-86-60.
(d) Any member not on active military service who does not make contributions for two consecutive years and has not taken a leave of absence shall be considered an inactive member.
(e) The director of the pension fund shall communicate annually with each eligible fire department and eligible rescue or emergency medical services squad and transmit a list of those
persons on a leave of absence. The director may consult with eligible fire departments and eligible rescue or emergency medical services squads with regard to the presumed status of members.

(f) The director of the pension fund shall maintain records of all inactive members of the fund, including dates of termination of service at an eligible fire department and eligible rescue or emergency medical services squad, and may consult with eligible fire departments and eligible rescue or emergency medical services squads with regard to the presumed status of members.

(g) Members on active military service must notify the director prior to commencement of active military service and subsequent to return from active duty and shall be granted a leave of absence for the entire time of the military service.

(h) If a member who is in service and has not received 20 years of fully credited service in this System on December 1, 2013, is convicted of an offense listed in G.S. 58-86-100 for acts committed after December 1, 2013, then that member shall forfeit all benefits under this System, except for a return of member contributions. If a member who is in service and has not received 20 years of fully credited service in this System on December 1, 2013, is convicted of an offense listed in G.S. 58-86-100 for acts committed after December 1, 2013, then that member is not entitled to any fully credited service that accrued after December 1, 2013. (2013-284, s. 1(a); 2013-284, ss. 1(a), 2(c).)

§ 58-86-100. Forfeiture of retirement benefits for certain felonies that would bring disrepute on a fire department or rescue squad.

(a) Except as provided in G.S. 58-86-95(h), the Board of Trustees shall not pay any retirement benefits or allowances, except for a return of member contributions, to any member who is convicted of any felony under federal law or the laws of this State if all of the following apply:

1. The offense is committed while the member is not yet 55 years of age or has not yet received 20 years of fully credited service or while the member is 55 years of age or older and has 20 years of fully credited service but is still serving as a participant in an eligible fire department or eligible rescue squad.

2. The conduct resulting in the member's conviction is directly related to service as a firefighter or rescue squad worker and brings disrepute on a fire department or rescue squad.

(b) Subdivision (2) of subsection (a) of this section shall apply to felony convictions where the court finds under G.S. 15A-1340.16(d)(9a) or other applicable State or federal procedure that the offense is directly related to service as a firefighter or rescue squad worker.

(c) If a member or former member whose benefits under the System were forfeited under this section, except for the return of member contributions, subsequently receives an unconditional pardon of innocence or the conviction is vacated or set aside for any reason, then the member or former member may seek a reversal of the benefit forfeiture by presenting sufficient evidence to the State Treasurer. If the State Treasurer determines a reversal of the benefit forfeiture is appropriate, then all benefits will be restored upon repayment of all accumulated contributions. Repayment of all accumulated contributions that have been received by the individual under the forfeiture provisions of this section must be made in a total lump-sum payment. An individual receiving a reversal of benefit forfeiture must receive reinstatement of the service credit forfeited. (2013-284, s. 2(a).)

Any member whose retirement benefits have been forfeited under G.S. 58-86-100 is prohibited from subsequently purchasing or repurchasing either those forfeited benefits or any creditable membership service associated with those forfeited benefits. (2018-52, s. 6(e).)
