(a) The State Judicial Council shall:

(1) Study the judicial system and report periodically to the Chief Justice on its findings;

(b) The State Judicial Council, with the assistance of the Director of the Administrative Office of the Courts, shall recommend to the Chief Justice performance standards for all courts and all judicial officials and shall recommend procedures for periodic evaluation of the court system and individual judicial officials and employees. The guidelines may also provide for posttrial alternative dispute resolution before or as part of an appeal. The guidelines should not require absolute uniformity from district to district and should allow case management personnel within each district the flexibility to direct cases to the most appropriate means of resolution in that district.
(d) The State Judicial Council shall monitor the use of alternative dispute resolution throughout the court system and, with the assistance of the Director of the Administrative Office of the Courts and the Dispute Resolution Commission, evaluate the effectiveness of those programs.

(e) The State Judicial Council may recommend changes in the boundaries of the judicial districts or divisions.

The House of Representatives and the Senate shall refer the report of the State Judicial Council to the Joint Legislative Oversight Committee on Justice and Public Safety and such other committees as the Speaker of the House of Representatives or the President Pro Tempore of the Senate shall deem appropriate, for their review.
