Members shall serve until the expiration of their respective terms and until their successors are appointed and qualified. Vacancies occurring during a term shall be filled by appointment of the Governor for the remainder of the unexpired term. The Governor may remove any member of the Board for misconduct, incompetency, or neglect of duty. No Board member shall serve more than two complete consecutive terms. (1925, c. 318, s. 2; 1979, c. 713, s. 1; 1991, c. 124, s. 1.)

§ 87-4. First meeting of Board; officers; secretary-treasurer and assistants.

The said Board shall, within 30 days after its appointment by the Governor, meet in the City of Raleigh, at a time and place to be designated by the Governor, and organize by electing a chairman, a vice-chairman, and a secretary-treasurer, each to serve for one year. Said Board shall have power to make such bylaws, rules and regulations as it shall deem best, provided the same are not in conflict with the laws of North Carolina. The secretary-treasurer shall give bond in such sum as the Board shall determine, with such security as shall be approved by the Board, said bond to be conditioned for the faithful performance of the duties of his office and for the faithful accounting of all moneys and other property as shall come into his hands. The secretary-treasurer need not be a member of the Board, and the Board is hereby authorized to employ a full-time secretary-treasurer, and such other assistants and make such other expenditures as may be necessary to the proper carrying out of the provisions of this Article. Any funds remaining in the hands of the secretary-treasurer to the credit of the Board after the expenses of the Board for the current year have been paid shall be paid over to the Greater University of North Carolina for the use of the School of Engineering through the North Carolina Engineering Foundation. The Board has the right, however, to retain at least ten percent (10%) of the total expense it incurs for a year's operation to meet any emergency that may arise. As an expense of the Board, said Board is authorized to expend such funds as it deems necessary to provide retirement and disability compensation for its employees. (1925, c. 318, s. 7; 1953, c. 805, s. 1; 1959, c. 1184.)

A roster showing the names and places of business and of residence of all licensed general contractors shall be prepared by the secretary of the Board during the month of March of each year; the roster shall be printed by the Board out of funds of the Board as provided in G.S. 87-7, with copies being made available to contractors and members of the public, at cost, upon request, or furnished without cost, as directed by the Board. On or before the last day of March of each year the Board shall submit to the Governor a report of its transactions for the preceding year, and shall file with the Secretary of State a copy of the report, together with a complete statement of the receipts and expenditures of the Board, attested by the affidavits of the chairman and the secretary, and a copy of the roster of licensed general contractors. (1925, c. 318, s. 8; 1937, c. 429, s. 2; 1985, c. 630, s. 1; 1993, c. 148, s. 1.)

§ 87-9. Compliance with Federal Highway Act, etc.; contracts financed by federal road funds; contracts concerning water or waste water systems.

Nothing in this Article shall operate to prevent the Department of Transportation from complying with any act of Congress and any rules and regulations promulgated pursuant thereto for carrying out the provisions of the Federal Highway Act, or shall apply to any person, firm or
corporation proposing to submit a bid or enter into contract for any work to be financed in whole
or in part with federal aid road funds in such manner as will conflict with any act of Congress or
any such rules and regulations promulgated pursuant thereto.

Neither shall anything in this Article prevent the State of North Carolina or any of its political
subdivisions or their contractors from complying with any act of Congress and any rules and
regulations promulgated pursuant thereto for carrying out the provisions of any federal program to
assist in the planning, financing, or construction of drinking water or waste water processing,
collection, and disposal systems and facilities. (1939, c. 230; 1971, c. 246, s. 2; 1973, c. 507, s. 5;

   (a) The Board shall have the power to acquire, hold, rent, encumber, alienate, and
otherwise deal with real property in the same manner as a private person or corporation, subject
only to approval of the Governor and the Council of State as to the acquisition, rental,
encumbering, leasing, and sale of real property. Collateral pledged by the Board for an
encumbrance is limited to the assets, income, and revenues of the Board.
   (b) The Board may purchase or rent equipment and supplies and purchase liability
insurance or other insurance to cover the activities of the Board, its operations, or its employees.
(1999-349, s. 1.)

   (b) An applicant shall identify an individual who has successfully passed an examination
approved by the Board who, for purposes of this section, shall be known as the "qualifier" or the
"qualifying party" of the applicant. If the qualifier or the qualifying party seeks to take an
examination, the examination shall establish (i) the ability of the applicant to make a practical
application of the applicant's knowledge of the profession of contracting; (ii) the qualifications of
the applicant in reading plans and specifications, knowledge of relevant matters contained in the North Carolina State Building Code, knowledge of estimating costs, construction, ethics, and other similar matters pertaining to the contracting business; (iii) the knowledge of the applicant as to the responsibilities of a contractor to the public and of the requirements of the laws of the State of North Carolina relating to contractors, construction, and liens; and (iv) the applicant's knowledge of requirements of the Sedimentation Pollution Control Act of 1973, Article 4 of Chapter 113A of the General Statutes, and the rules adopted pursuant to that Article. (c1) If the qualifier or qualifying party shall cease to be connected with the licensee, then the license shall remain in full force and effect for a period of 90 days. After 90 days, the license shall be invalidated, however the licensee shall be entitled to return to active status pursuant to all relevant statutes and rules promulgated by the Board. However, during the 90-day period described in this subsection, the licensee shall not bid on or undertake any additional contracts from the time such qualifier or qualifying party ceased to be connected with the licensee until the license is reinstated as provided in this Article.

(d) Repealed by Session Laws 2017-10, s. 2.13(a), effective October 1, 2017, and applicable to applications for licensure submitted on or after that date.

(d1) The Board may require a new application if a qualifier or qualifying party requests to take an examination a third or subsequent time.

(e) A license shall expire on the first day of January following its issuance or renewal and shall become invalid 60 days from that date unless renewed, subject to the approval of the Board. Renewal applications shall be submitted with a fee not to exceed one hundred twenty-five dollars ($125.00) for an unlimited license, one hundred dollars ($100.00) for an intermediate license, and seventy-five dollars ($75.00) for a limited license. (a) Definitions. – The following definitions apply in this section:

(1) Delinquent income tax debt. – The amount of income tax due as stated in a final notice of assessment issued to a taxpayer by the Secretary of Revenue when the taxpayer no longer has the right to contest the amount.

(2) Foreign corporation. – Defined in G.S. 55-1-40.

(3) Foreign entity. – A foreign corporation, a foreign limited liability company, or a foreign partnership.

   b. A general partnership formed under the laws of a jurisdiction other than this State.

(b) Licensing. – The Board shall not issue a certificate of license for a foreign corporation unless the corporation has obtained a certificate of authority from the Secretary of State pursuant to Article 15 of Chapter 55 of the General Statutes. The Board shall not issue a certificate of license for a foreign limited liability company unless the company has obtained a certificate of authority from the Secretary of State pursuant to Article 7 of Chapter 57D of the General Statutes.

(c) Information. – Upon request, the Board shall provide the Secretary of Revenue on an annual basis the name, address, and tax identification number of every nonresident individual and foreign entity licensed by the Board. The information shall be provided in the format required by the Secretary of Revenue.

(d) Delinquents. – If the Secretary of Revenue determines that any nonresident individual or foreign corporation licensed by the Board, a member of any foreign limited liability company licensed by the Board, or a partner in any foreign partnership licensed by the Board, owes a delinquent income tax debt, the Secretary of Revenue may notify the Board of these nonresident individuals and foreign entities and instruct the Board not to renew their certificates of license. The Board shall not renew the certificate of license of such a nonresident individual or foreign entity identified by the Secretary of Revenue unless the Board receives a written statement from the Secretary that the debt either has been paid or is being paid pursuant to an installment agreement. (1998-162, ss. 4, 10; 2013-157, s. 20.)

§ 87-11. Revocation of license; charges of fraud, negligence, incompetency, etc.; hearing thereon; reissuance of certificate.

(a) The Board shall have the power to refuse to issue or renew or revoke, suspend, or restrict a certificate of license or to issue a reprimand or take other disciplinary action if a general contractor licensed under this Article is found guilty of any fraud or deceit in obtaining a license, or gross negligence, incompetency, or misconduct in the practice of his or her profession, or willful violation of any provision of this Article. The Board shall also have the power to revoke, suspend, or otherwise restrict the ability of any person to act as a qualifying party for a license to practice general contracting, as provided in G.S. 87-10(c), for any copartnership, corporation or any other organization or combination, if that person committed any act in violation of the provisions of this section and the Board may take disciplinary action against the individual license held by that person.

(a1) Any person may prefer charges of fraud, deceit, negligence, or misconduct against any general contractor licensed under this Article. The charges shall be in writing and sworn to by the complainant and submitted to the Board. The charges, unless dismissed without hearing by the Board as unfounded or trivial, shall be heard and determined by the Board in accordance with the provisions of Chapter 150B of the General Statutes.

(b) The Board shall adopt and publish guidelines, consistent with the provisions of this Article, governing the suspension and revocation of licenses.

(c) The Board shall establish and maintain a system whereby detailed records are kept regarding complaints against each licensee. This record shall include, for each licensee, the date
and nature of each complaint, investigatory action taken by the Board, any findings by the Board, and the disposition of the matter.

(d) The Board may reissue a license to any person, firm or corporation whose license has been revoked: Provided, five or more members of the Board vote in favor of such reissuance for reasons the Board may deem sufficient.

The Board shall immediately notify the Secretary of State of its findings in the case of the revocation of a license or of the reissuance of a revoked license.

A certificate of license to replace any certificate lost, destroyed or mutilated may be issued subject to the rules and regulations of the Board.

(e) The Board shall be entitled to recover its reasonable administrative costs associated with the investigation and prosecution of a violation of this Article or rules or regulations of the Board up to a maximum of five thousand dollars ($5,000) for any licensee or qualifying party found to have committed any of the following:

1. Fraud or deceit in obtaining a license.
2. Gross negligence, incompetency, or misconduct in the practice of general contracting.
3. Willful violation of any provision of this Article.

The issuance of a certificate of license or limited license by this Board shall be evidence that the person, firm, or corporation named therein is entitled to all the rights and privileges of a licensed or limited licensed general contractor while said license remains unrevoked or unexpired. A licensed general contractor holding a license which qualifies him for work as described in G.S. 87-10 shall be authorized to perform the said work without any additional occupational license, notwithstanding the provisions of any other occupational licensing statute. A license issued by any other occupational licensing board having jurisdiction over any work described in G.S. 87-10 shall qualify such licensee to perform the work for which the license qualifies him without obtaining the license from the General Contractors Licensing Board. Nothing contained herein shall operate to relieve any general contractor from the necessity of compliance with other provisions of the law requiring building permits and construction in accordance with appropriate provisions of the North Carolina State Building Code.

(1925, c. 318, s. 11; 1937, c. 429, s. 5; 1975, c. 279, s. 4.)

§ 87-13. Unauthorized practice of contracting; impersonating contractor; false certificate; giving false evidence to Board; penalties.

Any person, firm, or corporation not being duly authorized who shall contract for or bid upon the construction of any of the projects or works enumerated in G.S. 87-10, without having first complied with the provisions hereof, or who shall attempt to practice general contracting in the State, except as provided for in this Article, and any person, firm, or corporation presenting or attempting to file as his own the licensed certificate of another or who shall give false or forged evidence of any kind to the Board or to any member thereof in maintaining a certificate of license or who falsely shall impersonate another or who shall use an expired or revoked certificate of license, and any architect or engineer who recommends to any project owner the award of a contract to anyone not properly licensed under this Article, shall be deemed guilty of a Class 2
misdemeanor. And the Board may, in its discretion, use its funds to defray the expense, legal or otherwise, in the prosecution of any violations of this Article. No architect or engineer shall be guilty of a violation of this section if his recommendation to award a contract is made in reliance upon current written information received by him from the appropriate Contractor Licensing Board of this State which information erroneously indicates that the contractor being recommended for contract award is properly licensed. (1925, c. 318, s. 12; 1931, c. 62, s. 3; 1937, c. 429, s. 6; 1983 (Reg. Sess., 1984), c. 970, s. 2; 1993, c. 539, s. 602; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 87-13.1. Board may seek injunctive relief.
Whenever the Board determines that any person, firm or corporation has violated or is violating any of the provisions of this Article or rules and regulations of the Board promulgated under this Article, the Board may apply to the superior court for a restraining order and injunction to restrain the violation; and the superior courts have jurisdiction to grant the requested relief, irrespective of whether or not criminal prosecution has been instituted or administrative sanctions imposed by reason of the violation. The court may award the Board its reasonable costs associated with the investigation and prosecution of the violation. (1979, c. 713, s. 4; 2003-97, s. 2; 2005-381, s. 5.)

§ 87-14. Regulations as to issue of building permits.
(a) Any person, firm, or corporation, upon making application to the building inspector or such other authority of any incorporated city, town, or county in North Carolina charged with the duty of issuing building or other permits for the construction of any building, highway, sewer, grading, or any improvement or structure where the cost thereof is to be thirty thousand dollars ($30,000) or more, shall, before being entitled to the issuance of a permit, satisfy the following:
(1) Furnish satisfactory proof to the inspector or authority that the person seeking the permit or another person contracting to superintend or manage the construction is duly licensed under the terms of this Article to carry out or superintend the construction or is exempt from licensure under G.S. 87-1(b). If an applicant claims an exemption from licensure pursuant to G.S. 87-1(b)(2), the applicant for the building permit shall execute a verified affidavit attesting to the following:
   a. That the person is the owner of the property on which the building is being constructed or, in the case of a firm or corporation, is legally authorized to act on behalf of the firm or corporation.
   b. That the person will personally superintend and manage all aspects of the construction of the building and that the duty will not be delegated to any other person not duly licensed under the terms of this Article.
   c. That the person will be personally present for all inspections required by the North Carolina State Building Code, unless the plans for the building were drawn and sealed by an architect licensed pursuant to Chapter 83A of the General Statutes.
The building inspector or other authority shall transmit a copy of the affidavit to the Board, who shall verify that the applicant was validly entitled to claim the exemption under G.S. 87-1(b)(2). If the Board determines that the applicant was not entitled to claim the exemption under G.S. 87-1(b)(2), the building permit shall be revoked pursuant to G.S. 153A-362 or G.S. 160A-422.
(2) Furnish proof that the person has in effect Workers' Compensation insurance as required by Chapter 97 of the General Statutes.

(3) Any person, firm, or corporation, upon making application to the building inspector or such other authority of any incorporated city, town, or county in North Carolina charged with the duty of issuing building permits pursuant to G.S. 160A-417(a)(1) or G.S. 153A-357(a)(1) for any improvements for which the combined cost is to be thirty thousand dollars ($30,000) or more, other than for improvements to an existing single-family residential dwelling unit as defined in G.S. 87-15.5(7) that the owner occupies as a residence, or for the addition of an accessory building or accessory structure as defined in the North Carolina Uniform Residential Building Code, the use of which is incidental to that residential dwelling unit, shall be required to provide to the building inspector or other authority the name, physical and mailing address, telephone number, facsimile number, and electronic mail address of the lien agent designated by the owner pursuant to G.S. 44A-11.1(a).
