§ 90-222. Administration of Article.
The Board is hereby vested with the authority and is charged with the duty of administering the provisions of this Article. (1945, c. 639, s. 2.)

§ 90-223. Powers and duties of Board.
(a) The Board is authorized and empowered to:
(1) Conduct examinations for licensure,
(2) Issue licenses and provisional licenses,
(3) Issue annual renewal certificates,
(4) Renew expired licenses, and
(5) Contract with a regional or national testing agency to conduct clinical examinations. Prior to entering a contract with a regional or national testing agency, the Board shall evaluate the agency based on the following criteria:
a. The number of states that recognize the results of the testing agency's examination.

b. The cost to the applicant of the examination.

c. How long the testing agency has been conducting examinations.

d. Whether the examination includes procedures performed on human subjects as part of the assessment of clinical competencies.

(b) The Board shall have the authority to make or amend rules and regulations not inconsistent with this Article governing the practice of dental hygiene and the granting, revocation and suspension of licenses and provisional licenses of dental hygienists.

(1) Any rule adopted under this Article shall be distributed to all licensed dentists and all licensed dental hygienists within 30 days of final approval by the Board.

(d) The Board shall, in addition to any other requirements for Board approval of a school or program of dental hygiene for purposes of this Article, require that any school or program in North Carolina develop and implement a procedure for advanced placement of potentially qualified persons. This procedure shall be designed to encourage and allow credit for any person who has attained special capabilities in dental work through military service, on-the-job training or working experience, or other means not otherwise qualifying the person to be immediately eligible for licensure. The procedure shall include these elements: public announcement of the procedure, a method for persons who have special capabilities through training or experience to make application to the school or program for advanced placement, personal counseling on obtaining advanced placement, administration of specially prepared written and clinical examinations for all parts of the curriculum otherwise required for graduation, exemption from course requirements when results of the examinations so indicate, and appropriate modification of curriculum requirements, when necessary, to facilitate individual advancement in education programs. The procedure for advanced placement shall not be approved by the Board unless it is fairly designed to facilitate the substitution of military or civilian training and experience for regular curricula, taking into account that the special nature of military and certain civilian training and experience may be equivalent without necessarily being identical to the courses of the school or program.

(e) The Board shall have the authority to provide for programs for impaired dental hygienists as authorized in G.S. 90-48.3. (1945, c. 639, s. 3; 1971, c. 756, s. 2; 1973, c. 871, s. 2; 1979, 2nd Sess., c. 1195, s. 14; 1987, c. 827, s. 1; 1999-382, s. 2; 2000-189, s. 7; 2006-235, s. 1.)

(2) The time and place of examination;
(3) The type of examination;
(4) The qualifications for passing the examination.

(b1) The Board also may grant a license to an applicant who is found to have passed an examination given by a Board-approved regional or national dental hygiene testing agency, provided that the Board deems the regional or national examination to be substantially equivalent to or an improvement upon the examination given by the Board, and the applicant meets the other qualifications set forth in this Article.

(c) The Department of Public Safety may provide a criminal record check to the Board for a person who has applied for a new or renewal license through the Board. The Board shall provide to the Department of Public Safety, along with the request, the fingerprints of the applicant, any additional information required by the Department of Public Safety, and a form signed by the applicant consenting to the check of the criminal record and to the use of the fingerprints and other identifying information required by the State or national repositories. The applicant's fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of the fingerprints to the Federal Bureau of Investigation for a national criminal history check. The Board shall keep all information pursuant to this subsection privileged, in accordance with applicable State law and federal guidelines, and the information shall be confidential and shall not be a public record under Chapter 132 of the General Statutes.

The Department of Public Safety may charge each applicant a fee for conducting the checks of criminal history records authorized by this subsection. (1945, c. 639, s. 4; 1971, c. 756, s. 3; 2002-147, s. 10; 2006-235, s. 2; 2014-100, s. 17.1(o.).)
