This application shall be accompanied by a certificate signed by a reputable physician licensed to practice medicine in the State who is actively engaged in the treatment of diseases of the human eye or by an optometrist, whichever the individual may select, stating that the applicant is blind. This application may be made on the behalf of any blind person by the Department of Health and Human Services or by any other person. The board of
county commissioners shall cause an investigation to be made by a qualified person designated as its agent for this purpose and shall pass upon the application without delay, determine the eligibility of the applicant, and allow or disallow the relief sought. In passing upon the application, the board of county commissioners may take into consideration the facts set forth in the application and any other facts that are deemed necessary, and may at any time require an additional examination of the applicant's eyes by an ophthalmologist designated by the Department of Health and Human Services. When satisfied with the merits of the application, the board of county commissioners shall allow the application and grant to the applicant any proper relief according to the rules established by the Commission for the Blind. (1937, c. 124, s. 3; 1939, c. 124; 1951, c. 319, s. 1; 1957, c. 674; 1973, c. 476, s. 143; 1997-443, s. 11A.118(a); 2000-121, s. 12.)

§ 111-15. Eligibility for relief.

Blind persons having the following qualifications shall be eligible for relief under the provisions of this Article:

2. Who are unable to provide for themselves the necessities of life and who have insufficient means for their own support and who have no relative or relatives or other persons in this State able to provide for them who are legally responsible for their maintenance; and
3. Who, at the time his application is filed, is living in the State of North Carolina voluntarily with the intention of making his home in the State and not for a temporary purpose. [and]
4. Who are not inmates of any charitable or correctional institution of this State or of any county or city thereof: Provided, that an inmate of such charitable institution may be granted a benefit in order to enable such person to maintain himself or herself outside of an institution; and
5. Who are not, because of physical or mental condition, in need of continuing institutional care. Provided, that the State agency shall, in determining need, take into consideration any other income and resources of the individual claiming aid to the blind; except that, in making such determination, the State agency shall disregard such earned income as will enable said agency to receive the maximum grants from the federal government for such purpose. (1937, c. 124, s. 4; 1951, c. 319, s. 3; 1961, c. 666, s. 1; 1971, c. 1215, s. 1; 1981, c. 131; 2000-121, s. 13.)

§ 111-16. Application for aid; notice of award; review.

Promptly after an application for aid is made to the board of county commissioners under this Article, the Department of Health and Human Services shall be notified of the application by mail by the county commissioners. One of the duplicate applications for aid made before the board of county commissioners shall be transmitted with this notice.

As soon as any award has been made or any application declined by the board of county commissioners, prompt notice in writing of the award or the declined application shall be forwarded by mail to the Department of Health and Human Services and to the applicant. This notice shall fully state the particulars of the award or the facts of denial. An applicant may appeal
an award or denial pursuant to Article 3 of Chapter 150B of the General Statutes. (1937, c. 124, s. 5; 1971, c. 603, s. 1; 1973, c. 476, s. 143; 1997-443, s. 11A.118(a); 2000-121, s. 14.)

§ 111-17. Amount and payment of assistance; source of funds.

When the board of county commissioners is satisfied that the applicant is entitled to relief under the provisions of this Article, as provided in G.S. 111-14, they shall order necessary relief to be granted under the rules and regulations prescribed by the Commission for the Blind, to be paid from county, State and federal funds available, said relief to be paid in monthly payments from funds hereinafter mentioned.

At the time of fixing the annual budget for the fiscal year beginning July 1, 1937, and annually thereafter, the board of county commissioners in each county shall, based upon such information as they are able to secure and with such information as may be furnished to them by the Department of Health and Human Services, estimate the number of needy blind persons in such county who shall be entitled to aid under the provisions of this Article and the total amount of such county's part thereof required to be paid by such county. Each county shall make appropriations for the purposes of this Article in an amount sufficient to cover its share of aid to the blind and may fund them by levy of property taxes pursuant to G.S. 153A-149 and by the allocation of other revenues whose use is not otherwise restricted by law. This provision is mandatory on each county in the State. Any court of competent jurisdiction is authorized by mandamus to enforce the foregoing provisions. No funds shall be allocated to any county by the Department of Health and Human Services until the provisions hereof have been fully complied with by such county.

In case such appropriation is exhausted within the year and is found to be insufficient to meet the county's part of the amount required for aid to the needy blind, such deficiency may be borrowed, if within constitutional limitations, at the lowest rate of interest obtainable, not exceeding six percent (6%), and provision for payment thereof shall be made in the next annual budget and tax levy.

The board of county commissioners in the several counties of the State shall cause to be transmitted to the State Treasurer their share of the total amount of relief granted to the blind applicants. Such remittances shall be made by the several counties in equal monthly installments on the first day of each month, beginning July 1, 1937. The State Treasurer shall deposit said funds and credit same to the account of the Department of Health and Human Services to be employed in carrying out the provisions of this Article.

Within the limitations of the State appropriation, the maximum payment for aid to the blind is to be such as will make possible maximum matching funds by the federal government. (1937, c. 124, s. 6; 1961, c. 666, s. 3; 1973, c. 476, s. 143; c. 803, s. 11; 1997-443, s. 11A.118(a).)

§ 111-18. Payment of awards.

After an award to a blind person has been made by the board of county commissioners, and approved by the Department of Health and Human Services the Department of Health and Human Services shall thereafter pay to such person to whom such award is made the amount of said award in monthly payments, or in such manner and under such terms as the Department of Health and Human Services shall determine. Such payment shall be drawn upon such funds in the hands of the State Treasurer, at the instance and request and upon a proper voucher signed by the Secretary of Health and Human Services, and shall not be subject to the provisions of the Executive Budget Act as to approval of said expenditure.
It is intended that awards paid to recipients under this Article be for the purpose of assisting in defraying the recipient's day-to-day living expenses. To better achieve this purpose it is hereby provided that no moneys belonging to a recipient of aid to the blind under this Article identifiable as moneys paid pursuant to an aid to the blind award shall be subject to levy under execution, attachment or garnishment. (1937, c. 124, s. 7; 1971, c. 177; c. 603, s. 2; 1973, c. 476, s. 143; 1993, c. 257, s. 8; 1997-443, s. 11A.118(a).)

§ 111-18.1. Award and assistance checks payable to decedents.
   (a) In the event of the death of a recipient of an award made pursuant to G.S. 111-18 during or after the first day of the month for which the award was authorized to be paid, any check or checks in payment of such award made payable to the deceased recipient and not endorsed prior to the payee's death shall be delivered to the clerk of the superior court and be by him administered under the provisions of G.S. 28A-25-6.
   (b) In the event of the death of a recipient of a cash payment service that was rendered as part of a program of public assistance for the blind or visually impaired, any check issued for the payment of that service made payable to that recipient, but not endorsed prior to the recipient's death, shall be returned to the issuing agency and made void. The issuing agency shall then issue a check payable to the provider of the service for the sum remaining due for this service, not to exceed the amount of the returned and voided check. (1979, c. 762, s. 2; 2000-121, s. 15.)

§ 111-19. Intercounty transfer of recipients.
   Any recipient of aid to the blind under this Article who moves to another county of this State shall be entitled to receive aid to the blind in the county to which he has moved and the board of county commissioners of such county, or its authorized agent, is hereby directed to make the appropriate aid to the blind grant to such recipient subject to the rules and regulations of the Commission for the Blind, beginning with the next payment period after such recipient has established settlement in the county to which he has moved by continuously maintaining a residence therein for a period of 90 days. The county from which a recipient moves shall continue to pay aid to such recipient until such time as the recipient becomes qualified to receive aid from the county to which he has moved. The county from which a recipient has moved shall forthwith transfer all necessary records relating to the recipient to the appropriate board of county commissioners, or its authorized agent, of the county to which the recipient has moved immediately upon the recipient becoming qualified to receive aid from such county. (1937, c. 124, s. 8; 1947, c. 374; 1965, c. 905; 1971, c. 190, ss. 1, 2; 1973, c. 476, s. 143.)

§ 111-20. Awards subject to reopening upon change in condition.
   All awards to needy blind persons made under the provisions of this Article shall be made subject to reopening and reconsideration at any time when there has been any change in the circumstances of any needy blind person or for any other reason. The Department of Health and Human Services and the board of county commissioners of each of the counties in which awards have been made shall at all times keep properly informed as to the circumstances and conditions of the persons to whom the awards are made, making reinvestigations annually, or more often, as may be found necessary. The Department of Health and Human Services may at any time present to the proper board of county commissioners any case in which, in their opinion, the changed circumstances of the case should be reconsidered. The board of county commissioners shall
reconsider such cases and any and all other cases which, in the opinion of the board of county commissioners, deserve reconsideration. In all such cases notice of the hearing thereon shall be given to the person to whom the award has been made. Any person to whom an award has been made may apply for a reopening and reconsideration thereof. Upon such hearing, the board of county commissioners may make a new award increasing or decreasing the former award or leaving the same unchanged, or discontinuing the same, as it may find the circumstances of the case to warrant, such changes always to be within the limitations provided by this Article and in accordance with the terms hereof.

Any changes made in such award shall be reported to the Department of Health and Human Services, and shall be subject to the right of appeal and review, as provided in G.S. 111-16. (1937, c. 124, s. 9; 1971, c. 160; 1973, c. 476, s. 143; 1997-443, s. 11A.118(a).)

No aid to needy blind persons shall be given under the provisions of this Article to any individual for any period with respect to which he is receiving aid under the laws of North Carolina providing Work First Family Assistance and/or relief for the aged, and/or aid for the permanently and totally disabled. (1937, c. 124, s. 10; 1951, c. 319, s. 2; 1997-443, s. 12.29.)

§ 111-22. Beneficiaries not deemed paupers.

No blind person shall be deemed a pauper by reason of receiving relief under this Article. (1937, c. 124, s. 11.)

§ 111-23. Misrepresentation or fraud in obtaining assistance.

Any person who shall obtain, or attempt to obtain, by means of a willful, false statement, or representation, or impersonation, or other fraudulent devices, assistance to which he is not entitled shall be guilty of a Class 2 misdemeanor. The superior court and the recorders' courts shall have concurrent jurisdiction in all prosecutions arising under this Article. (1937, c. 124, s. 12; 1993, c. 539, s. 825; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 111-24. Cooperation with federal departments or agencies; grants from federal government.

The Department of Health and Human Services is hereby empowered, authorized and directed to cooperate with the appropriate federal department or agency charged with the administration of the Social Security Act in any reasonable manner as may be necessary to qualify for federal aid for assistance to the needy blind and in conformity with the provisions of this Article, including the making of such reports in such form and containing such information as the appropriate federal department or agency may from time to time require, and the compliance with such regulations as the appropriate federal department or agency may from time to time find necessary to assure the correctness and verification of such reports.

The Department of Health and Human Services is hereby further empowered and authorized to receive grants-in-aid from the United States government for assistance to the blind and grants made for payment of costs of administering the State plan for aid to the blind, and all such grants so received hereunder shall be paid into the State treasury and credited to the account of the
Acceptance and use of federal aid.

The Department of Health and Human Services may expend under the provisions of the Executive Budget Act, such grants as shall be made to it for paying the cost of administering this Chapter by the appropriate federal department or agency under the Social Security Act. (1937, c. 124, s. 14; 1971, c. 349, s. 2; 1973, c. 476, s. 143; 1997-443, s. 11A.118(a).)

The Executive Budget Act applies to the operation of these enterprises as to all appropriations made by the State to aid in the organization and the establishment of these businesses. Purchases and sales of merchandise or equipment, the payment of rents and wages to blind and visually impaired persons operating these businesses, and other expenses of these businesses from funds derived from local subscriptions and from the day-by-day operations are not subject to the provisions of law regulating purchases and contracts, or to the deposit and disbursement that apply to State funds but shall be supervised by the Department of Health and Human Services. All of the business operations under this law are subject to the oversight of the State Auditor pursuant to Article 5A of Chapter 147 of the General Statutes.

(1969, c. 1255, s. 4; 1973, c. 476, s. 143; 1997-443, s. 11A.118(a).)

All of these grants shall be paid into the State treasury and credited to the account of the Department of Health and Human Services, to be used in carrying out the provisions of this law.

§ 111-28.1. Department of Health and Human Services authorized to cooperate with federal government in rehabilitation of blind and visually impaired.

The Department of Health and Human Services may adopt the necessary rules to cooperate with the federal government in the furtherance of the Rehabilitation Act of 1973, Pub. L. No. 93-112, 87 Stat. 355, 29 U.S.C. § 701, et seq., as amended, providing for the rehabilitation of the blind and visually impaired. (1945, c. 72, s. 1; 1973, c. 476, s. 143; 1997-443, s. 11A.118(a); 2000-121, s. 19.)

§ 111-29. Expenditure of equalizing funds; grants affording maximum federal aid; lending North Carolina reports.

In addition to the powers and duties imposed upon the Department of Health and Human Services, the said Department shall be and hereby is charged with the powers and duties hereinafter enumerated; that is to say:

1. The Department of Health and Human Services is hereby authorized to expend such funds as are appropriated to it as an equalizing fund for aid to the needy...
blind for the purpose of equalizing the financial burden of providing relief to
the needy blind in the several counties of the State, and equalizing the grants
received by the needy blind recipients. Such amount shall be expended and
dispursed solely for the use of the needy blind coming within the eligibility
provisions outlined in Chapter 124 of the Public Laws of 1937. Said amount
shall be distributed to the counties according to the needs therein in conformity
with the rules and regulations adopted by the Commission for the Blind,
producing as far as possible a just and fair distribution thereof.

(2) The Department of Health and Human Services is hereby authorized to make
such grants to the needy blind of the State as will enable said Department to
receive the maximum grants from the federal government for such purpose.

(3) The Department of Health and Human Services is hereby authorized to work
out plans with the Secretary of State for lending to needy blind lawyers volumes
of the North Carolina reports in his custody that are unused or have become
damaged. The Secretary of State is hereby authorized to lend such reports to the
Department of Health and Human Services for relending to needy blind
lawyers. Such reports may be recalled at any time by the Secretary of State upon
giving 15 days' written notice to the Department of Health and Human Services
which shall remain responsible for said reports until they are returned. The
Department shall relend such reports only to blind lawyers, who, after an
investigation by the Department, are determined to have no income, or an
income insufficient to purchase such reports. (1943, c. 600; 1973, c. 476, s. 143;
1997-443, s. 11A.118(a).)

§ 111-30. Personal representatives for certain recipients of aid to the blind.

If any otherwise qualified applicant for or recipient of aid to the blind is or shall become unable
to manage the assistance payments, or otherwise fails so to manage, to the extent that deprivation
or hazard to himself or others results, a petition may be filed by a relative of said blind person, or
other interested person, or by the Secretary of Health and Human Services before the appropriate
court under G.S. 111-31, in the form of a verified written application for the appointment of a
personal representative for the purpose of receiving and managing public assistance payments for
any such recipient, which application shall allege one or more of the above grounds for the legal
appointment of such personal representative.

The court shall summarily order a hearing on the petition and shall cause the applicant or
recipient to be notified at least five days in advance of the time and place for the hearing. Findings
of fact shall be made by the court without a jury, and if the court shall find that the applicant for
or recipient of aid to the blind is unable to manage the assistance payments, or otherwise fails so
to manage, to the extent that deprivation or hazard to himself or others results, the court may
thereupon enter an order embracing said findings and appointing some responsible person as
personal representative of the applicant or recipient for the purposes set forth herein. The personal
representative so appointed shall serve with or without bond, in the discretion of the court, and
without compensation. He will be responsible for receiving the monthly assistance payment and
using the proceeds of such payment for the benefit of the recipient of aid to the blind. Such personal
representative shall be responsible to the court for the faithful discharge of the duties of his trust.
The court may consider the recommendation of the Secretary of Health and Human Services in the
selection of a suitable person for appointment as personal representative for the limited purposes
of G.S. 111-30 to 111-33. The personal representative so appointed may be removed by the court, and the proceeding dismissed, or another suitable personal representative appointed. All costs of court with respect to any such proceedings shall be waived.

From the order of the court appointing or removing such personal representative, an appeal may be had to the judge of superior court who shall hear the matter de novo without a jury. (1945, c. 72, s. 4; 1953, c. 1000; 1961, c. 666, s. 2; 1971, c. 603, s. 3; 1973, c. 476, s. 138; 1997-443, s. 11A.118(a).)

§ 111-31. Courts for purposes of §§ 111-30 to 111-33; records.

For the purposes of G.S. 111-30 to 111-33 the court may be either a domestic relations court established pursuant to Article 13, Chapter 7, General Statutes, or the clerk of the superior court in the county having responsibility for the administration of the particular aid to the blind payments. The court may, for the purposes of G.S. 111-30 to 111-33, direct the Secretary of Health and Human Services to maintain records pertaining to all aspects of any personal representative proceeding, which the court may adopt as the court's record and in lieu of the maintenance of separate records by the court. (1961, c. 666, s. 2; 1971, c. 603, s. 4; 1973, c. 476, s. 138; 1997-443, s. 11A.118(a).)

§ 111-32. Findings under § 111-30 not competent as evidence in other proceedings.

The findings of fact under the provisions of G.S. 111-30 shall not be competent as evidence in any case or proceeding dealing with any subject matter other than provided in G.S. 111-30 to 111-33. (1961, c. 666, s. 2.)

§ 111-33. Sections 111-30 to 111-33 are not to affect provisions for payments for minors.

Nothing in G.S. 111-30 to 111-33 is to be construed as affecting that portion of the State plan for aid to the blind which provides that payments for eligible blind minors should be made to the parent, legal guardian, relatives or other persons "in loco parentis" of the blind minor, and that payments may be made to the minor if he is emancipated. (1961, c. 666, s. 2.)

§ 111-34. Repealed by Session Laws 1973, c. 476, s. 143.

§ 111-35. Authority of director of social services.

The respective boards of county commissioners of each county are hereby authorized to empower and confer upon the county director of social services for their respective counties the authority to perform any or all acts or functions which the previous sections of this Article direct or authorize the county boards of commissioners to perform. Any act or function performed by a county director of social services under the authority of this section shall be reported by him to the respective county board of commissioners for its review, and for alternative action or disposition where deemed appropriate by such board. Provided that the respective boards of county commissioners shall make no alternative or different disposition of a matter which the county director of social services is empowered to act upon which would prejudicially affect the status of any aid to the blind recipient without first affording such recipient reasonable notice and opportunity to be heard. (1971, c. 348, s. 1.)
§§ 111-36 through 111-40. Reserved for future codification purposes.
