(a) Persons authorized to collect or receive the moneys and earnings of the State prison system shall enter into bonds payable to the State of North Carolina in penal sums and with security approved by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety, conditioned upon the faithful performance by these persons of their duties in collecting, receiving, and paying over prison moneys and earnings to the State Treasurer. Only corporate security with sureties licensed to do business in North Carolina shall be accepted.

(b) Repealed by Session Laws 2007-280, s. 2, effective August 1, 2007.

The profits from prison canteens shall be deposited with the State Treasurer on a monthly basis in a fund denominated as the Correction Inmate Welfare Fund. Once the operating budget for the Correction Inmate Welfare Fund has been met, an amount equal to the funds allocated to each prison unit on a per inmate per year basis shall be credited to the Crime Victims Compensation Fund established in G.S. 15B-23G as soon as practicable after the total amount paid to each unit per inmate per year has been determined. (1901, c. 472, s. 7; Rev., s. 5389; C.S., s. 7704; 1923, c. 156; 1925, c. 163; 1933, c. 172, s. 18; 1957, c. 349, s. 2; 1967, c. 996, s. 14; 1973, c. 1262, s. 10; 1985 (Reg. Sess., 1986), c. 1014, s. 203; 1991 (Reg. Sess., 1992), c. 902, s. 4; 1993 (Reg. Sess., 1994), c. 769, s. 21.5(a); 2007-280, s. 2; 2011-145, s. 19.1(h); 2017-186, s. 2.)

(a) The Division of Adult Correction and Juvenile Justice of the Department of Public Safety shall subject to the provisions of G.S. 143-341, have control and custody of all unexpended surplus highway funds previously allocated for prison purposes and all property of every kind and description now used by or considered a part of units of the State prison system, except vehicles used on a rental basis. The property coming within the provisions of this section shall be identified and agreed upon by the executive heads of the highway and prison systems, or by their duly authorized representatives. The Governor shall have final authority to decide whether or not particular property shall be transferred to the Division of Adult Correction and Juvenile Justice of the Department of Public Safety in event the executive heads of the two systems are unable to agree.

(b) Property, both real and personal, deemed by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety to be necessary or convenient in the operation of the State prison system may, subject to the provisions of G.S. 143-341, be acquired by gift, devise, purchase, or lease. The Division of Adult Correction and Juvenile Justice of the Department of Public Safety may, subject to the provisions of G.S. 143-341, dispose of any prison property, either real or personal, or any interest or estate therein. (1901, c. 472, ss. 2, 6; Rev., s. 5392; C.S.,
§ 148-4. Control and custody of prisoners; authorizing prisoner to leave place of confinement.

The Secretary of Public Safety shall have control and custody of all prisoners serving sentence in the State prison system, and such prisoners shall be subject to all the rules and regulations legally adopted for the government thereof. Any sentence to imprisonment in any unit of the State prison system, or to jail to be assigned to work under the Division of Adult Correction and Juvenile Justice of the Department of Public Safety, shall be construed as a commitment, for such terms of imprisonment as the court may direct, to the custody of the Secretary of Public Safety or his authorized representative, who shall designate the places of confinement within the State prison system where the sentences of all such persons shall be served. The authorized agents of the Secretary shall have all the authority of peace officers for the purpose of transferring prisoners from place to place in the State as their duties might require and for apprehending, arresting, and returning to prison escaped prisoners, and may be commissioned by the Governor, either generally or specially, as special officers for returning escaped prisoners or other fugitives from justice from outside the State, when such persons have been extradited or voluntarily surrendered. Employees of departments, institutions, agencies, and political subdivisions of the State hiring prisoners to perform work outside prison confines may be designated as the authorized agents of the Secretary of Public Safety for the purpose of maintaining control and custody of prisoners who may be placed under the supervision and control of such employees, including guarding and transferring such prisoners from place to place in the State as their duties might require, and apprehending and arresting escaped prisoners and returning them to prison. The governing authorities of the State prison system are authorized to determine by rules and regulations the manner of designating these agents and placing prisoners under their supervision and control, which rules and regulations shall be established in the same manner as other rules and regulations for the government of the State prison system.

The Secretary of Public Safety may extend the limits of the place of confinement of a prisoner, as to whom there is reasonable cause to believe he will honor his trust, by authorizing him, under prescribed conditions, to leave the confines of that place unaccompanied by a custodial agent for a prescribed period of time to

1. Contact prospective employers; or
2. Secure a suitable residence for use when released on parole or upon discharge; or
3. Obtain medical services not otherwise available; or
4. Participate in a training program in the community; or
5. Visit or attend the funeral of a spouse, child (including stepchild, adopted child or child as to whom the prisoner, though not a natural parent, has acted in the place of a parent), parent (including a person though not a natural parent, has acted in the place of a parent), brother, or sister; or
6. Participate in community-based programs of rehabilitation, including, but not limited to the existing community volunteer and home-leave programs, pre-release and after-care programs as may be provided for and administered by the Secretary of Public Safety and other programs determined by the
Secretary of Public Safety to be consistent with the prisoner's rehabilitation and return to society; or

(7) Be on maternity leave, for a period of time not to exceed 60 days. The county departments of social services are expected to cooperate with officials at the North Carolina Correctional Center for Women to coordinate prenatal care, financial services, and placement of the child; or

(8) Receive palliative care, only in the case of a terminally ill inmate or a permanently and totally disabled inmate that the Secretary finds no longer poses a significant public safety risk, and only after consultation with any victims of the inmate or the victims' families. For purposes of this subdivision, the term "terminally ill" describes an inmate who, as determined by a licensed physician, has an incurable condition caused by illness or disease that was unknown at the time of sentencing and was not diagnosed upon entry to prison, that will likely produce death within six months, and that is so debilitating that it is highly unlikely that the inmate poses a significant public safety risk. For purposes of this subdivision, the term "permanently and totally disabled" describes an inmate who, as determined by a licensed physician, suffers from permanent and irreversible physical incapacitation as a result of an existing physical or medical condition that was unknown at the time of sentencing and was not diagnosed upon entry to prison, and that is so incapacitating that it is highly unlikely that the inmate poses a significant public safety risk. The Department's medical director shall notify the Secretary immediately when an inmate has been classified as terminally ill and shall provide regular reports on inmates classified as permanently and totally disabled. The Secretary shall act expeditiously in determining whether to extend the limits of confinement under this subdivision upon receiving notice that an inmate has been classified as terminally ill or permanently and totally disabled and, in the case of a terminally ill inmate, the Secretary shall make a good faith effort to reach a determination within 30 days of receiving notice of the inmate's terminal condition.

The willful failure of a prisoner to remain within the extended limits of his confinement, or to return within the time prescribed to the place of confinement designated by the Secretary of Public Safety, shall be deemed an escape from the custody of the Secretary of Public Safety punishable as provided in G.S. 148-45. (1901, c. 472, s. 4; Rev., s. 5390; C.S., s. 7706; 1925, c. 163; 1933, c. 172, ss. 5, 18; 1935, c. 257, s. 2; 1943, c. 409; 1955, c. 238, s. 2; 1957, c. 349, s. 10; 1959, c. 109; 1965, c. 1042; 1967, c. 996, ss. 13, 15; 1973, c. 902; c. 1262, s. 10; 1977, c. 704, s. 5; 1985, c. 483; 2001-424, s. 25.9(a); 2005-276, s. 17.13; 2011-145, ss. 19.1(h), (i); 2012-83, s. 61; 2017-186, s. 2(vvvv).

(a) Whenever the Secretary of Public Safety determines from data compiled by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety that it is necessary to reduce the prison population to a more manageable level or to meet the State's obligations under law, he shall direct the Post-Release Supervision and Parole Commission to release on parole over a reasonable period of time a number of prisoners sufficient to that purpose. From the time the Secretary directs the Post-Release Supervision and Parole Commission until the prison population has been reduced to a more manageable level, the Secretary may not accept any
inmates ordered transferred from local confinement facilities to the State prison system under G.S. 148-32.1(b). Further, the Secretary may return any inmate housed in the State prison system under an order entered pursuant to G.S. 148-32.1(b) to the local confinement facility from which the inmate was transferred. In order to meet the requirements of this section, the Parole Commission shall not parole any person convicted under Article 7B of Chapter 14 of a sex offense, under G.S. 14-39, 14-41, or 14-43.3, under G.S. 90-95(h) of a drug trafficking offense, or under G.S. 14-17, or any other violent felon as defined in subsection (a1) of this section. The Parole Commission may continue to consider the suitability for release of such persons in accordance with the criteria set forth in Articles 85 and 85A of Chapter 15A.

(a1) Notwithstanding any other provision of this section, the Division of Adult Correction and Juvenile Justice of the Department of Public Safety shall at all times secure the necessary prison space to house any violent felon or habitual felon for the full active sentence imposed by the court. For purposes of this subsection, the term "violent felon" means any person convicted of the following felony offenses: first or second degree murder, voluntary manslaughter, first or second degree rape, first or second degree sexual offense, any sexual offense involving a minor, robbery, kidnapping, or assault, or attempting, soliciting, or conspiring to commit any of those offenses.

(b) Except as provided in subsection (c), only inmates who are otherwise eligible for parole pursuant to Article 85 of Chapter 15A or pursuant to Article 3B of this Chapter may be released under this section.

(c) Persons eligible for parole under Article 85A of Chapter 15A shall be eligible for early parole under this section nine months prior to the discharge date otherwise applicable, and six months prior to the date of automatic 90-day parole authorized by G.S. 15A-1380.2.

(c1) through (g). Repealed by 1995 Session Laws, c. 324, s. 19.9(e).

(g1) Expired July 1, 1996.

(h) A person sentenced under Article 81B of Chapter 15A of the General Statutes shall not be released pursuant to this section.

(i) This section does not apply to inmates released pursuant to G.S. 148-64.1. (1983, c. 557, s. 1; 1985 (Reg. Sess., 1986), c. 1014, s. 197(a); 1987, c. 7, ss. 1, 3, 4; c. 879, s. 1.2; 1989, c. 1, s. 1; 1990, Ex. Sess., c. 1, ss. 1-3.3; 1989 (Reg. If the inmate is not so housed in another county, the Department shall notify the victim or family member in writing. (2001-433, s. 10; 2001-487, s. 120.)

The Division of Adult Correction and Juvenile Justice of the Department of Public Safety shall provide for receiving, and keeping in custody until discharged by law, all such convicts as may be now confined in the prison and such as may be hereafter sentenced to imprisonment therein by the several courts of this State. The Division shall have full power and authority to provide for employment of such convicts, either in the prison or on farms leased or owned by the State of North Carolina, or elsewhere, or otherwise; and may contract for the hire or employment of any able-bodied convicts upon such terms as may be just and fair, but such convicts so hired, or employed, shall remain under the actual management, control and care of the Division. The Department shall notify the health care provider when services are being provided to the prisoner that the invoice for health care services shall be submitted by the provider directly to the Plan. In the event an invoice is sent to the Department by a health care provider for health care services provided to a safekeeper under this section, the Department shall forward the invoice to the Plan within three days of receipt. All unreimbursed charges for health care services provided shall be documented and presented to the county for payment in accordance with G.S. 162-39. (a) The Division of Adult Correction and Juvenile Justice of the Department of Public Safety is authorized to take advantage of aid available from any source in establishing facilities and developing programs to provide inmates of the State prison system with such academic and vocational and technical education as seems most likely to facilitate the rehabilitation of these inmates and their return to free society with attitudes, knowledge, and skills that will improve their prospects of becoming law-abiding and self-supporting citizens. The State Department of Public Instruction is authorized to cooperate with the Division of Adult Correction and Juvenile Justice of the Department of Public Safety in planning academic and vocational and technical education of prison system inmates, but the State Department of Public Instruction is not authorized to expend any funds in this connection.

(b) In expending funds that may be made available for facilities and programs to provide inmates of the State prison system with academic and vocational and technical education, the Division of Adult Correction and Juvenile Justice of the Department of Public Safety shall give priority to meeting the needs of inmates who are less than 21 years of age when received in the prison system with a sentence or sentences under which they will be held for not less than six

The medical staff of any penal institution of the State of North Carolina is hereby authorized to perform or cause to be performed by competent and skillful surgeons surgical operations upon any inmate when such operation is necessary for the improvement of the physical condition of the inmate. The decision to perform an operation shall be made by the chief medical officer of the institution, with the approval of the superintendent of the institution, and with the advice of the medical staff of the institution. No operation shall be performed without the consent of the inmate; or, if the inmate is a minor, without the consent of a responsible member of the inmate's family, a guardian, or one having legal custody of the minor; or, if the inmate be non compos mentis, then the consent of a responsible member of the inmate's family or of a guardian shall be obtained. In all cases falling under this section, the chief medical officer of the institution and the medical staff of the institution shall keep a careful and complete record of the measures taken to obtain the permission for the operation and a complete medical record signed by the medical superintendent or director, the surgeon performing the operation and all surgical consultants of the operation performed. Article 3.

Labor of Prisoners.

(a) It is declared to be the public policy of the State of North Carolina that all able-bodied prison inmates shall be required to perform diligently all work assignments provided for them. The failure of any inmate to perform such a work assignment may result in disciplinary action. Work assignments and employment shall be for the public benefit to reduce the cost of maintaining the
inmate population while enabling inmates to acquire or retain skills and work habits needed to secure honest employment after their release.

In exercising his power to enter into contracts to supply inmate labor as provided by this section, the Secretary of Public Safety shall not assign any inmate to work under any such contract who is eligible for work release as provided in this Article, study release as provided by G.S. 148-4(4), or who is eligible for a program of vocational rehabilitation services through the State Vocational Rehabilitation Agency, unless suitable work release employment or educational opportunity cannot be found for the inmate, and the inmate is not eligible for a program of vocational rehabilitation services through the State Vocational Rehabilitation Agency, and shall not agree to supply inmate labor for any project or service unless it meets all of the following criteria:

The number and location of prisoners to be kept available for work on the public roads shall be agreed upon by the governing authorities of the Department of Transportation and the Division of Adult Correction and Juvenile Justice of the Department of Public Safety far enough in advance of each budget to permit proper provisions to be made in the request for appropriations submitted by the Department of Transportation. Any dispute between the Departments will be resolved by the Governor. Prisoners so employed shall be compensated, at rates fixed by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety’s rules and regulations for work performed; provided, that no prisoner working on the public roads under the provisions of this section shall be paid more than one dollar ($1.00) per day from funds provided by the Department of Transportation to the Division of Adult Correction and Juvenile Justice of the Department of Public Safety for this purpose. All contracts for the employment of prisoners shall provide that they shall be fed, clothed, quartered, guarded, and otherwise cared for by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety. Such work may include but is not limited to work with State or local government agencies in cleaning, construction, landscaping and maintenance of roads, parks, nature trails, bikeways, cemeteries, landfills or other government-owned or operated facilities.

(e1) The Division of Adult Correction and Juvenile Justice of the Department of Public Safety may establish work assignments for inmates or allow inmates to volunteer in service projects that benefit units of State or local government or 501(c)(3) entities that serve the citizens of this State. The work assignments may include the use of inmate labor and the use of Division of Adult Correction and Juvenile Justice of the Department of Public Safety resources in the production of finished goods. The provisions of G.S. 148-18 and 148-13 shall be applicable to inmate work on local or State public work projects contracted for by the Secretary of Public Safety as provided by G.S. 148-26 through 148-26.4. Travel, cost of inmate wages and custodial supervision expenses incurred by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety and arising out of a local or State public work project shall be reimbursed on a cost basis to the Division of Adult Correction and Juvenile Justice of the Department of Public Safety by the local or State contracting agency. (1975, c. 682, s. 3; 2011-145, s. 19.1(h), (i); 2017-186, s. 2.)

When a sentenced offender is to be taken to the Central Prison at Raleigh, a sheriff or other appropriate officer of the county shall cause such prisoner to be delivered with the proper commitment papers to the warden of the Central Prison. A person under 16 years of age convicted of a felony shall not be imprisoned in the Central Prison at Raleigh unless:

1. The person was convicted of a capital felony; or
2. He has previously been imprisoned in a county jail or under the authority of the Division of Adult Correction and Juvenile Justice of the Department of Public Safety upon conviction of a felony.

This provision shall not limit the authority of the Secretary of Public Safety from transferring a person under 16 years of age to Central Prison when in the Secretary's determination this person would not benefit from confinement in separate facilities for youthful offenders or when it has been determined that his presence would be detrimental to the implementation of programs designed for the benefit of other youthful offenders. Nor shall this provision limit the authority of the judges of the superior courts of this State or the Secretary of Public Safety from committing or transferring a person under 16 years of age to Central Prison for medical or psychiatric treatment.

§ 148-29. Transportation of convicts to prison; reimbursement to counties; sheriff's expense affidavit.

(a) The sheriff having in charge any prisoner to be taken to the State prison system shall send the prisoner to the custody of the Division of Adult Correction and Juvenile Justice of the Department of Public Safety after sentencing and the disposal of all pending charges against the prisoner, if no appeal has been taken. Beginning on the day after the Section of Prisons of the Division of Adult Correction and Juvenile Justice has been notified by the sheriff that a prisoner is ready for transfer and the Division has informed the sheriff that bedspace is not available for that prisoner, and continuing through the day the prisoner is received by the Section of Prisons of the Division of Adult Correction and Juvenile Justice, the Division of Adult Correction and Juvenile Justice of the Department of Public Safety shall pay the county:

1. A standard sum set by the General Assembly in its appropriations acts for the cost of providing food, clothing, personal items, supervision, and necessary
ordinary medical services to the prisoner awaiting transfer to the State prison system; and

(2) Extraordinary medical costs, as defined in G.S. 148-32.1(a), incurred by prisoners awaiting transfer to the State prison system.

If the Section of Prisons of the Division of Adult Correction and Juvenile Justice determines that bedspace is not available for a prisoner after the sheriff has notified the Division that the prisoner is ready for transfer, reimbursement under this subsection shall be made beginning on the day after the sheriff gave the notification.

(b) The sheriff having in charge any parolee or post-release supervisee to be taken to the State prison system shall send the prisoner to the custody of the Division of Adult Correction and Juvenile Justice of the Department of Public Safety after preliminary hearing held under G.S. 15A-1368.6(b) or G.S. 15A-1376(b). Beginning on the day after the Section of Prisons of the Division of Adult Correction and Juvenile Justice has been notified by the sheriff that a prisoner is ready for transfer and the Division has informed the sheriff that bedspace is not available for that prisoner, and continuing through the day the prisoner is received by the Section of Prisons of the Division of Adult Correction and Juvenile Justice, the Division of Adult Correction and Juvenile Justice of the Department of Public Safety shall pay the county:

(1) A standard sum set by the General Assembly in its appropriations acts for the cost of providing food, clothing, personal items, supervision, and necessary ordinary medical services to the parolee or post-release supervisee awaiting transfer to the State prison system; and

(2) Extraordinary medical costs, as defined in G.S. 148-32.1(a), incurred by parolees or post-release supervisees awaiting transfer to the State prison system.

If the Section of Prisons of the Division of Adult Correction and Juvenile Justice determines that bedspace is not available for a prisoner after the sheriff has notified the Division that the prisoner is ready for transfer, reimbursement under this subsection shall be made beginning on the day after the sheriff gave the notification.

(c) The sheriff shall file with the board of commissioners of his county a copy of his affidavit as to necessary guard, together with a copy of his itemized account of expenses, both certified to by him as true copies of those on file in his office. The Central Prison shall be maintained in such a manner as to conform to all the requirements of Article XI of the State Constitution, relating to a State's prison. A suitable person shall be appointed warden of the Central Prison, and he shall succeed to and be vested with all the rights, duties, and powers heretofore vested by law in the superintendent of the State's prison or the warden thereof with respect to capital punishment, or any matter of discipline of the inmates of the prison not otherwise provided for in this Article. (1933, c. 172, s. 14.)

§ 148-32.1. Local confinement, costs, alternate facilities, parole, work release.
   (a) Repealed by Session Laws 2009-451, s. 19.22A, effective July 1, 2009.
   (b) In the event that the custodian of the local confinement facility certifies in writing to
       the clerk of the superior court in the county in which the local confinement facility is located
       that the local confinement facility is filled to capacity, or that the facility cannot reasonably
       accommodate any more prisoners due to segregation requirements for particular prisoners, or that
       the custodian anticipates, in light of local experiences, an influx of temporary prisoners at that
       time, or if the local confinement facility does not meet the minimum standards published pursuant
       to G.S. 153A-221, any judge of the district court in the district court district as defined in
       G.S. 7A-133 where the facility is located, or any superior court judge who has jurisdiction pursuant
       to G.S. 7A-47.1 or G.S. 7A-48 in a district or set of districts as defined in G.S. 7A-41.1 where the
       facility is located may order that a prisoner not housed pursuant to the Statewide Misdemeanant
       Confinement Program established in subsection (b2) of this section be transferred to any other
       qualified local confinement facility within that district or within another such district where space
       is available, including a satellite jail unit operated pursuant to G.S. 153A-230.3 if the prisoner is a
       non-violent misdemeanant, which local facility shall accept the transferred prisoner.

   If no other local confinement facility is available and the reason for the requested transfer is
   that the local confinement facility that would be required to house the prisoner cannot reasonably
   accommodate any more prisoners due to segregation requirements for particular prisoners or the
   local facility does not meet the minimum standards published pursuant to G.S. 153A-221, then the
   judge may order that a prisoner not housed pursuant to the Statewide Misdemeanant Confinement
   Program established in subsection (b2) of this section be transferred to a facility operated by the
   Division of Adult Correction and Juvenile Justice of the Department of Public Safety as designated
   by the Division of Adult Correction and Juvenile Justice. In no event, however, shall a prisoner
   whose term of imprisonment is less than 30 days be assigned or ordered transferred to a facility
   operated by the Division of Adult Correction and Juvenile Justice.

   (b1) It is the intent of the General Assembly to authorize the Division of Adult Correction
       and Juvenile Justice to enter into voluntary agreements with counties to provide housing for
       misdemeanants serving periods of confinement of more than 90 days and for all sentences imposed
       for impaired driving under G.S. 20-138.1, regardless of length. It is further the intent of the General
       Assembly that the Division of Adult Correction and Juvenile Justice, in conjunction with the North
       Carolina Sheriffs' Association, Inc., establish a program for housing misdemeanants serving
       periods of confinement of more than 90 days and for all sentences imposed for impaired driving
       under G.S. 20-138.1, regardless of length. It is also the intent of the General Assembly that the
       Division of Adult Correction and Juvenile Justice contract with the North Carolina Sheriffs' Association, Inc., to provide a service that identifies space in local confinement facilities that is
   available for housing these misdemeanants.

   The General Assembly intends that the cost of housing and caring for these misdemeanants,
   including, but not limited to, care, supervision, transportation, medical, and any other related costs,
   be covered by State funds and not be imposed as a local cost. Therefore, the General Assembly
   intends that the funds appropriated for the Statewide Misdemeanant Confinement Program be used
   to provide funding to cover the costs of managing a system for providing that housing of
   misdemeanants in local confinement facilities as well as reimbursing the counties for housing and
   related expenses for those misdemeanants.
(b2) The Statewide Misdemeanant Confinement Program is established. The Program shall provide for the housing of misdemeanants from all counties serving sentences imposed for a period of more than 90 days and for all sentences imposed for impaired driving under G.S. 20-138.1, regardless of length. Those misdemeanants shall be confined in local confinement facilities except as provided in subsections (b3) and (b4) of this section. The Program shall address methods for the placement and transportation of inmates and reimbursement to counties for the housing of those inmates. Any county that voluntarily agrees to house misdemeanants from that county or from other counties pursuant to the Program may enter into a written agreement with the Division of Adult Correction and Juvenile Justice to do so.

(b3) The custodian of a local confinement facility may request a judicial order to transfer a misdemeanor housed pursuant to the Statewide Misdemeanant Confinement Program to a facility operated by the Division of Adult Correction and Juvenile Justice by certifying in writing to the clerk of the superior court in the county in which the local confinement facility is located that:

1. The misdemeanor poses a security risk because the misdemeanor:
   a. Poses a serious escape risk;
   b. Exhibits violently aggressive behavior that cannot be contained and warrants a higher level of supervision;
   c. Needs to be protected from other inmates, and the county jail facility cannot provide such protection;
   d. Is a female or a person 18 years of age or younger, and the county jail facility does not have adequate housing for such prisoners;
   e. Is in custody at a time when a fire or other catastrophic event has caused the county jail facility to cease or curtail operations; or
   f. Otherwise poses an imminent danger to the staff of the county jail facility or to other prisoners in the facility.

2. The misdemeanor requires medical or mental health treatment that the county decides can best be provided by the Division of Adult Correction and Juvenile Justice.

3. The local confinement facility that would be required to house the prisoner (i) cannot reasonably accommodate any more prisoners due to segregation requirements for particular prisoners, or the local facility does not meet the minimum standards published pursuant to G.S. 153A-221, and (ii) no other local confinement facility is available.

Upon receiving such request and certification in writing, any superior or district court judge for the district in which the local confinement facility is located may, after ascertaining that the request meets the criteria set forth in subdivision (1), (2), or (3) of this subsection, order the misdemeanor transferred to a unit of the State prison system designated by the Secretary of Public Safety or the Secretary's authorized representative. The Division of Adult Correction and Juvenile Justice shall be reimbursed from the Statewide Misdemeanant Confinement Fund for the costs of housing the misdemeanor, including the care, supervision, and transportation of the misdemeanor.

(b4) A misdemeanor housed under the Statewide Misdemeanant Confinement Program established pursuant to subsection (b2) of this section may be transferred to a facility operated by the Division of Adult Correction and Juvenile Justice if the North Carolina Sheriffs' Association, Inc., determines that the local confinement facilities available for housing misdemeanants under the Program are filled to capacity. The Division of Adult Correction and Juvenile Justice shall be
reimbursed from the Statewide Misdemeanant Confinement Fund for the costs of housing the misdemeanor, including the care, supervision, and transportation of the misdemeanant.

(c) Repealed by Session Laws 2015-40, s. 6.

(d) When a prisoner serving a sentence of 30 days or more in a local confinement facility is placed on work release pursuant to a recommendation of the sentencing court, the custodian of the facility shall forward the prisoner's work-release earnings to the Division of Adult Correction and Juvenile Justice, which shall disburse the earnings as determined under G.S. 148-33.1(f). When a prisoner serving a sentence of 30 days or more in a local confinement facility is placed on work release pursuant to an order of the sentencing court, the custodian of the facility shall forward the prisoner's work-release earnings to the clerk of the court that sentenced the prisoner or to the Division of Adult Correction and Juvenile Justice, as provided in the prisoner's commitment order. The clerk or the Division, as appropriate, shall disburse the earnings as provided in the prisoner's commitment order. Upon agreement between the Division of Adult Correction and Juvenile Justice and the custodian of the local confinement facility, however, the clerk may disburse to the local confinement facility the amount of the earnings to be paid for the cost of the prisoner's keep, and that amount shall be set off against the reimbursement to be paid by the Department to the local confinement facility pursuant to G.S. 148-32.1(a).

(e) Upon entry of a prisoner serving a sentence of imprisonment for impaired driving under G.S. 20-138.1 into a local confinement facility pursuant to this section, the custodian of the local confinement facility shall forward to the Post-Release Supervision and Parole Commission information pertaining to the prisoner so as to make him eligible for parole consideration pursuant to G.S. 15A-1371. Such information shall include date of incarceration, jail credit, and such other information as may be required by the Post-Release Supervision and Parole Commission. The Post-Release Supervision and Parole Commission shall approve a form upon which the custodian shall furnish this information, which form will be provided to the custodian by the Division of Adult Correction and Juvenile Justice. (1977, c. 450, s. 3; c. 925, s. 2; 1981, c. 859, s. 25; 1985, c. 226, s. 3(1), (2); 1985 (Reg. Sess., 1986), c. 1014, ss. 199, 201(e); 1987, c. 7, ss. 2, 6; 1987 (Reg. § 148-32.2. Community work crew fee.

The Division of Adult Correction and Juvenile Justice of the Department of Public Safety may charge a fee to any unit of local government to which it provides, upon request, a community work crew. The amount of the fee shall be no more than the cost to the Division to provide the crew to the unit of local government. (2009-451, s. 19.24; 2011-145, s. 19.1(h); 2014-100, s. 16C.2; 2017-186, s. 2(wwwwww).)

§ 148-33. Prison labor furnished other State agencies.

The Division of Adult Correction and Juvenile Justice of the Department of Public Safety may furnish to any of the other State departments, State institutions, or agencies, upon such conditions as may be agreed upon from time to time between the Division and the governing authorities of such Department, institution or agency, prison labor for carrying on any work where it is practical and desirable to use prison labor in the furtherance of the purposes of any State department,
institution or agency, and such other employment as is now provided by law for inmates of the State's prison under the provisions of G.S. 148-6: Provided that such prisoners shall at all times be under the custody of and controlled by the duly authorized agent of such Division. Provided, further, that notwithstanding any provisions of law contained in this Article or in this Chapter, no prisoner or group of prisoners may be assigned to work in any building utilized by any State department, agency, or institution unless a duly designated custodial agent of the Secretary of Public Safety is assigned to the building to maintain supervision and control of the prisoner or prisoners working there. (1933, c. 172, s. 30; 1957, c. 349, s. 10; 1961, c. 966; 1967, c. 996, ss. 13, 15; 1973, c. 1262, s. 10; 2007-398, s. 4; 2011-145, s. 19.1(h), (i); 2012-83, s. 61; 2017-186, s. 2(xxxxxx).)

(a) Whenever a person is sentenced to imprisonment for a term to be served in the State prison system or a local confinement facility, the Secretary of Public Safety may authorize the Director of Prisons or the custodian of the local confinement facility to grant work-release privileges to any inmate who is eligible for work release and who has not been granted work-release privileges by order of the sentencing court. The Secretary of Public Safety shall authorize immediate work-release privileges for any person serving a sentence not exceeding five years in the State prison system and for whom the presiding judge shall have recommended work-release privileges when (i) it is verified that appropriate employment for the person is available in an area where, in the judgment of the Secretary, the Division of Adult Correction and Juvenile Justice of the Department of Public Safety has facilities to which the person may suitably be assigned, and (ii) custodial and correctional considerations would not be adverse to releasing the person without supervision into the free community.

(b) Repealed by Session Laws 1981, c. 541, s. 2.

(c) The Division of Adult Correction and Juvenile Justice of the Department of Public Safety shall from time to time, as the need becomes evident, designate and adapt facilities in the State prison system for quartering prisoners with work-release privileges. No State or county prisoner shall be granted work-release privileges by the Director of Prisons or the custodian of a local confinement facility until suitable facilities for quartering him have been provided in the area where the prisoner has employment or the offer of employment.

(d) The Secretary of Public Safety is authorized and directed to establish a work-release plan under which an eligible prisoner may be released from actual custody during the time necessary to proceed to the place of his employment, perform his work, and return to quarters designated by the prison authorities. If the prisoner shall violate any of the conditions prescribed by prison rules and regulations for the administration of the work-release plan, then such prisoner may be withdrawn from work-release privileges, and the prisoner may be transferred to the general prison population to serve out the remainder of his sentence. Rules and regulations for the administration of the work-release plan shall be established in the same manner as other rules and regulations for the government of the State prison system.

(e) The State Department of Labor shall exercise the same supervision over conditions of employment for persons working in the free community while serving sentences imposed under this section as the Department does over conditions of employment for free persons.

(f) A prisoner who is convicted of a felony and who is granted work-release privileges shall give his work-release earnings, less standard payroll deductions required by law, to the
Division of Adult Correction and Juvenile Justice of the Department of Public Safety. A prisoner who is convicted of a misdemeanor, is committed to a local confinement facility, and is granted work-release privileges by order of the sentencing court shall give his work-release earnings, less standard payroll deductions required by law, to the custodian of the local confinement facility. Other misdemeanants granted work-release privileges shall give their work-release earnings, less standard payroll deductions required by law, to the Division of Adult Correction and Juvenile Justice of the Department of Public Safety. The Division of Adult Correction and Juvenile Justice of the Department of Public Safety or the sentencing court, as appropriate, shall determine the amount to be deducted from a prisoner's work-release earnings to pay for the cost of the prisoner's keep and to accumulate a reasonable sum to be paid the prisoner when he is paroled or discharged from prison. The Division or sentencing court shall also determine the amount to be disbursed by the Division or clerk of court, as appropriate, for each of the following:

1. To pay travel and other expenses of the prisoner made necessary by his employment;
2. To provide a reasonable allowance to the prisoner for his incidental personal expenses;
3. To make payments for the support of the prisoner's dependents in accordance with an order of a court of competent jurisdiction, or in the absence of a court order, in accordance with a determination of dependency status and need made by the local department of social services in the county of North Carolina in which such dependents reside;
3a. To make restitution or reparation as provided in G.S. 148-33.2.
4. To comply with an order from any court of competent jurisdiction regarding the payment of an obligation of the prisoner in connection with any judgment rendered by the court.
5. To comply with a written request by the prisoner to withhold an amount, when the request has been granted by the Division or the sentencing court, as appropriate.

Any balance of his earnings remaining at the time the prisoner is released from prison shall be paid to him. The Social Services Commission is authorized to promulgate uniform rules and regulations governing the duties of county social services departments under this section.

(g) No prisoner employed in the free community under the provisions of this section shall be deemed to be an agent, employee, or involuntary servant of the State prison system while working in the free community or going to or from such employment.

(h) Any prisoner employed under the provisions of this section shall not be entitled to any benefits under Chapter 96 of the General Statutes entitled "Employment Security" during the term of the sentence.

(i) No recommendation for work release shall be made at the time of sentencing in any case in which the presiding judge shall suspend the imposition of sentence and place a convicted person on probation; however, if probation be subsequently revoked and the active sentence of imprisonment executed, the court may at that time recommend work release. Neither a recommendation for work release by the court or the decision of the Secretary of Public Safety to place a person on work release shall give rise to any vested statutory right to an individual to be placed on or continued on work release.

(j) The provisions of subsections (f), (g), and (h) of this section shall also apply to prisoners employed in private prison enterprises conducted pursuant to G.S. 148-70. (1957, c.
§ 148-33.2. Restitution by prisoners with work-release privileges.
   (a) Repealed by Session Laws 1985, c. 474, s. 4.
   (b) As a rehabilitative measure, the Secretary of Public Safety is authorized to require any prisoner granted work-release privileges to make restitution or reparation to an aggrieved party from any earnings gained by the defendant while on work release when the sentencing court recommends that restitution or reparation be paid by the defendant out of any earnings gained by the defendant if he is granted work-release privileges and out of other resources of the defendant, including all real and personal property owned by the defendant and the income derived from such property. The Secretary shall not be bound by such recommendation, but if they elect not to implement the recommendation, they shall state in writing the reasons therefor, and shall forward the same to the sentencing court.
   (c) When an active sentence is imposed, the court shall consider whether, as a rehabilitative measure, it should recommend to the Secretary of Public Safety that restitution or reparation be made by the defendant out of any earnings gained by the defendant if he is granted work-release privileges and out of other resources of the defendant, including all real and personal property owned by the defendant, and income derived from such property. If the court determines that restitution or reparation should not be recommended, it shall so indicate on the commitment. If, however, the court determines that restitution or reparation should be recommended, the court shall make its recommendation a part of the order committing the defendant to custody. The recommendation shall be in accordance with the applicable provisions of G.S. 15A-1343(d) and Article 81C of Chapter 15A of the General Statutes. If the offense is one in which there is evidence of physical, mental or sexual abuse of a minor, the court may order the defendant to pay from work release earnings the cost of rehabilitative treatment for the minor. The Administrative Office of the Courts shall prepare and distribute forms which provide ample space to make restitution or reparation recommendations incident to commitments, which forms shall be conveniently structured to enable the sentencing court to make its recommendation.
   (d) The Secretary of Public Safety shall establish rules and regulations to implement this section, which shall include adequate notice to the prisoner that the payment of restitution or reparation from any earnings gained by the prisoner while on work release is being considered as a condition of any work-release privileges granted the prisoner, and opportunity for the prisoner to be heard. Such rules and regulations shall also provide additional methods whereby facts may be obtained to supplement the recommendation of the sentencing court. (1977, c. 614, s. 7; 1977, 2nd Sess., c. 1147, s. 33; 1981, c. 541, ss. 4-9; 1985, c. 474, s. 4; 1987, c. 397, ss. 2, 3; c. 598, s. 5; 1998-212, s. 19.4(g); 2011-145, s. 19.1(i).)

§§ 148-34 through 148-35. Repealed by Session Laws 1957, c. 349, s. 11.

§ 148-36. Secretary of Public Safety to control classification and operation of prison facilities.
All facilities established or acquired by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety shall be under the administrative control and direction of the Secretary of Public Safety, and operated under rules and regulations proposed by the Secretary and adopted by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety as provided in G.S. 148-11. Subject to such rules and regulations, the Secretary shall classify the facilities of the State prison system and develop a variety of programs so as to permit proper segregation and treatment of prisoners according to the nature of the offenses committed, the character and mental condition of the prisoners, and such other factors as should be considered in providing an individualized system of discipline, care, and correctional treatment of persons committed to the Division. The Secretary of Public Safety, or his authorized representative, shall designate the places of confinement where sentences to imprisonment in the State's prison system shall be served. The Secretary or his representative may designate any available facility appropriate for the individual in view of custodial and correctional considerations. (1931, c. 145, s. 28; c. 277, s. 8; 1933, c. 46, ss. 3, 4; c. 172, ss. 4, 17; 1943, c. 409; 1955, c. 238, s. 7; 1957, c. 349, s. 10; 1967, c. 996, s. 7; 1973, c. 1262, s. 10; 2011-145, s. 19.1(h), (i); 2012-83, s. 61; 2017-186, s. 2(zzzzzzz).)

§ 148-37. Additional facilities authorized; contractual arrangements.
(a) Subject to the provisions of G.S. 143-341, the Division of Adult Correction and Juvenile Justice of the Department of Public Safety may establish additional facilities for use by the Division, such facilities to be either of a permanent type of construction or of a temporary or movable type as the Division may find most advantageous to the particular needs, to the end that the prisoners under its supervision may be so distributed throughout the State as to facilitate individualization of treatment designed to prepare them for lawful living in the community where they are most likely to reside after their release from prison. For this purpose, the Division may purchase or lease sites and suitable lands adjacent thereto and erect necessary buildings thereon, or purchase or lease existing facilities, all within the limits of allotments as approved by the Department of Administration.
(b) The Secretary of Public Safety may contract with the proper official of the United States or of any county or city of this State for the confinement of federal prisoners after they have been sentenced, county, or city prisoners in facilities of the State prison system or for the confinement of State prisoners in any county or any city facility located in North Carolina, or any facility of the United States Bureau of Prisons, when to do so would most economically and effectively promote the purposes served by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety. Except as otherwise provided, any contract made under the authority of this subsection shall be for a period of not more than two years, and shall be renewable from time to time for a period not to exceed two years. Contracts made under the authority of this subsection for the confinement of State prisoners in local or district confinement facilities may be for a period of not more than 10 years and renewable from time to time for a period not to exceed 10 years, and shall be subject to the approval of the Council of State and the Department of Administration after consultation with the Joint Legislative Commission on Governmental Operations. Contracts for receiving federal, county and city prisoners shall provide for reimbursing the State in full for all costs involved. The financial provisions shall have the approval of the Department of Administration before the contract is executed. Payments received under such contracts shall be deposited in the State treasury for the use of the Division of Adult Correction and Juvenile Justice of the Department of Public Safety. Such payments are hereby appropriated.
to the Division of Adult Correction and Juvenile Justice of the Department of Public Safety as a supplementary fund to compensate for the additional care and maintenance of such prisoners as are received under such contracts.

(c) In addition to the authority contained in subsections (a) and (b) of this section, and in addition to the contracts ratified by subsection (f) of this section, the Secretary of Public Safety may enter into contracts with any public entity or any private nonprofit or for-profit firms for the confinement and care of State prisoners in any out-of-state correctional facility when to do so would most economically and effectively promote the purposes served by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety. Contracts entered into under the authority of this subsection shall be for a period not to exceed two years and shall be renewable from time to time for a period not to exceed two years. Prisoners may be sent to out-of-state correctional facilities only when there are no available facilities in this State within the State prison system to appropriately house those prisoners. Any contract made under the authority of this subsection shall be approved by the Department of Administration before the contract is executed. Before expending more than the amount specifically appropriated by the General Assembly for the out-of-state housing of inmates, the Division shall obtain the approval of the Joint Legislative Commission on Governmental Operations and shall report such expenditures to the Chairs of the Senate and House Appropriations Committees, the Chairs of the Senate and House Appropriations Subcommittees on Justice and Public Safety, and the Chairs of the Joint Legislative Oversight Committee on Justice and Public Safety.

(d) Prisoners confined in out-of-state correctional facilities pursuant to subsection (c) of this section shall remain subject to the rules adopted for the conduct of persons committed to the State prison system. The rules regarding good time and gain time, discipline, classification, extension of the limits of confinement, transfers, housing arrangements, and eligibility for parole shall apply to inmates housed in those out-of-state correctional facilities. The operators of those out-of-state correctional facilities may promulgate any other rules as may be necessary for the operation of those facilities with the written approval of the Secretary of Public Safety. Custodial officials employed by an out-of-state correctional facility are agents of the Secretary of Public Safety and may use those procedures for use of force authorized by the Secretary of Public Safety not inconsistent with the laws of the State of situs of the facility to defend themselves, to enforce the observance of discipline in compliance with correctional facility rules, to secure the person of a prisoner, and to prevent escape. Prisoners confined to out-of-state correctional facilities may be required to perform reasonable work assignments within those facilities. Private firms under subsection (c) of this section shall employ inmate disciplinary and grievance policies of the Division of Adult Correction and Juvenile Justice of the Department of Public Safety.

(e) Repealed by Session Laws 1995, c. 324, s. 19.10.

(f) Any contracts entered into by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety with public contractors prior to March 25, 1994, for the out-of-state housing of inmates are ratified.

(g) The Secretary of Public Safety may contract with private for-profit or nonprofit firms for the provision and operation of four or more confinement facilities totaling up to 2,000 beds in the State to house State prisoners when to do so would most economically and effectively promote the purposes served by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety. This 2,000-bed limitation shall not apply to the 500 beds in private substance abuse treatment centers authorized by the General Assembly prior to July 1, 1995. Whenever the
Division of Adult Correction and Juvenile Justice of the Department of Public Safety determines that new prison facilities are required in addition to existing and planned facilities, the Division may contract for any remaining beds authorized by this section before constructing State-operated facilities.

Contracts entered under the authority of this subsection shall be for a period not to exceed 10 years, shall be renewable from time to time for a period not to exceed 10 years. The Secretary of Public Safety shall enter contracts under this subsection only if funds are appropriated for this purpose by the General Assembly. Contracts entered under the authority of this subsection may be subject to any requirements for the location of the confinement facilities set forth by the General Assembly in appropriating those funds.

Once the Division has made a determination to contract for additional private prison beds, it shall issue a request for proposals within 30 days of the decision. The request for proposals shall require bids to be submitted within two months, and the Division shall award contracts at the earliest practicable date after the submission of bids. The Secretary of Public Safety, in consultation with the Chairs of the Joint Legislative Oversight Committee on Justice and Public Safety and the Chairs of the House and Senate Appropriations Subcommittees on Justice and Public Safety, shall make recommendations to the State Purchasing Officer on the final award decision. The State Purchasing Officer shall make the final award decision, and the contract shall then be subject to the approval of the Council of State after consultation with the Joint Legislative Commission on Governmental Operations.

Contracts made under the authority of this subsection may provide the State with an option to purchase the confinement facility or may provide for the purchase of the confinement facility by the State. Contracts made under the authority of this subsection shall state that plans and specifications for private confinement facilities shall be furnished to and reviewed by the Office of State Construction. The Office of State Construction shall inspect and review each project during construction to ensure that the project is suitable for habitation and to determine whether the project would be suitable for future acquisition by the State. All contracts for the housing of State prisoners in private confinement facilities shall require a minimum of ten million dollars ($10,000,000) of occurrence-based liability insurance and shall hold the State harmless and provide reimbursement for all liability arising out of actions caused by operations and employees of the private confinement facility.

Prisoners housed in private confinement facilities pursuant to this subsection shall remain subject to the rules adopted for the conduct of persons committed to the State prison system. The Secretary of Public Safety may review and approve the design and construction of private confinement facilities before housing State prisoners in these facilities. The rules regarding good time, gain time, and earned credits, discipline, classification, extension of the limits of confinement, transfers, housing arrangements, and eligibility for parole shall apply to inmates housed in private confinement facilities pursuant to this subsection. The operators of private confinement facilities may adopt any other rules as may be necessary for the operation of those facilities with the written approval of the Secretary of Public Safety. Custodial officials employed by a private confinement facility are agents of the Secretary of Public Safety and may use those procedures for use of force authorized by the Secretary of Public Safety to defend themselves, to enforce the observance of discipline in compliance with confinement facility rules, to secure the person of a prisoner, and to prevent escape. Private firms under this subsection shall employ inmate disciplinary and grievance policies of the Division of Adult Correction and Juvenile Justice of the Department of Public Safety.
Private confinement facilities under this section shall be designed, built, and operated in accordance with applicable State laws, court orders, fire safety codes, and local regulations.

The Division of Adult Correction and Juvenile Justice of the Department of Public Safety shall make a written report no later than March 1 of every year, beginning in 1997, on the substance of all outstanding contracts for the housing of State prisoners entered into under the authority of this section. The report shall be submitted to the Joint Legislative Oversight Committee on Justice and Public Safety. The Division of Adult Correction and Juvenile Justice of the Department of Public Safety is hereby authorized to appoint a sufficient number of competent parole and post-release supervision supervisors, who shall be particularly qualified for and adapted for the work required of them, and who shall under the direction of the Division of Adult Correction and Juvenile Justice of the Department of Public Safety, and under regulations prescribed by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety after consultation with the Commission, exercise supervision and authority over paroled prisoners and persons on post-release supervision, assist paroled prisoners and persons on post-release supervision, and those who are to be paroled or released for post-release supervision in finding and retaining self-supporting employment, and to promote rehabilitation work with paroled and post-release supervised prisoners, to the end that they may become law-abiding citizens. The supervisors shall also, under the direction of the Division of Adult Correction and Juvenile Justice of the Department of Public Safety, maintain frequent contact with paroled and post-release supervised prisoners and find out whether or not they are observing the conditions of their paroles or post-release supervision, and assist them in every possible way toward compliance with the conditions, and they shall perform such other duties in connection with paroled prisoners as the Division of Adult Correction and Juvenile Justice of the Department of Public Safety may require. The number of supervisors may be increased by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety as and when the number of paroled and post-release supervised prisoners to be supervised requires or justifies such increase. (1935, c. 414, s. 4; 1955, c. 867, s. 11; 1973, c. 1262, s. 10; 1977, c. 704, s. 4; 1993, c. 538, s. 46; 1994, Ex. Sess., c. 24, s. 14(b); 2011-145, s. 19.1(h); 2017-186, s. 2.)

§ 148-56. Assistance in supervision of parolees or post-release supervisees and preparation of case histories.

Upon request by the Post-Release Supervision and Parole Commission, the county directors of social services shall assist in the supervision of parolees and shall prepare and submit to the Post-Release Supervision and Parole Commission case histories or other information in connection with any case under consideration for parole or some form of executive clemency. (1935, c. 414, s. 6; 1955, c. 867, s. 9; 1961, c. 186; 1969, c. 982; 1973, c. 1262, s. 10; 1993, c. 538, s. 47; 1994, Ex. Sess., c. 24, s. 14(b).)

The Post-Release Supervision and Parole Commission is hereby authorized and empowered to set up and establish rules and regulations in accordance with which prisoners eligible for parole consideration may have their cases reviewed and by which such proceedings may be initiated and considered. That the rules and regulations shall include but not be limited to, a plan whereby the Post-Release Supervision and Parole Commission may determine parole eligibility, and, when eligibility is so approved, provide for parole of a prisoner to a plan approved by the Secretary of Public Safety. (1935, c. 414, s. 7; 1955, c. 867, s. 4; 1973, c. 1262, s. 10; 1977, c. 704, s. 2; 1993, c. 538, s. 48; 1994, Ex. Sess., c. 24, s. 14(b); 2011-145, s. 19.1(i).)

§ 148-57.1. Restitution as a condition of parole or post-release supervision.

(a) Repealed by Session Laws 1985, c. 474, s. 5.

(b) As a rehabilitative measure, the Post-Release Supervision and Parole Commission is authorized to require a prisoner to whom parole or post-release supervision is granted to make restitution or reparation to an aggrieved party as a condition of parole or post-release supervision when the sentencing court recommends that restitution or reparation to an aggrieved party be made a condition of any parole or post-release supervision granted the defendant. When imposing restitution as a condition and setting up a payment schedule for the restitution, the Post-Release Supervision and Parole Commission shall take into consideration the resources of the defendant, including all real and personal property owned by the defendant and the income derived from such property, his ability to earn, and his obligation to support dependents. The Post-Release Supervision and Parole Commission shall not be bound by such recommendation, but if it elects not to implement the recommendation, it shall state in writing the reasons therefor, and shall forward the same to the sentencing court.

(c) When an active sentence is imposed, the court shall consider whether, as a rehabilitative measure, it should recommend to the Post-Release Supervision and Parole Commission that restitution or reparation by the defendant be made a condition of any parole or post-release supervision granted the defendant. If the court determines that restitution or reparation should not be recommended, it shall so indicate on the commitment. If, however, the court determines that restitution or reparation should be recommended, the court shall make its recommendation a part of the order committing the defendant to custody. The recommendation shall be in accordance with the applicable provisions of Article 81C of Chapter 15A of the General Statutes. The
Administrative Office of the Courts shall prepare and distribute forms which provide ample space to make restitution or reparation recommendations incident to commitments, which forms shall be conveniently structured to enable the sentencing court to make its recommendation.

If the offense is one in which there is evidence of physical, mental or sexual abuse of a minor, the court may order, as a condition of parole or post-release supervision, that the defendant pay the cost of any rehabilitative treatment for the minor.

(d) The Post-Release Supervision and Parole Commission shall establish rules and regulations to implement this section, which shall include adequate notice to the prisoner that the payment of restitution or reparation by the prisoner is being considered as a condition of any parole or post-release supervision granted the prisoner, and opportunity for the prisoner to be heard. Such rules and regulations shall also provide additional methods whereby facts may be obtained to supplement the recommendation of the sentencing court.

§ 148-59. Duties of clerks of superior courts as to commitments; statements filed with Division of Adult Correction and Juvenile Justice of the Department of Public Safety.

The several clerks of the superior courts shall attach to the commitment of each prisoner sentenced in such courts a statement furnishing such information as the Post-Release Supervision and Parole Commission shall by regulations prescribe, which information shall contain, among other things, the following:

1. The court in which the prisoner was tried;
2. The name of the prisoner and of all codefendants;

   b. The parent or legal guardian of any minor victims of the offense for which the prisoner was convicted; and
   c. The next of kin of any homicide victims of the offense for which the prisoner was convicted.

The prison authorities receiving the prisoner for the beginning of the service of sentence shall detach from the commitment the statement furnishing such information and forward it to the Division of Adult Correction and Juvenile Justice of the Department of Public Safety, together with any additional information in the possession of such prison authorities relating to the previous
criminal record of such prisoner, and the information thus furnished shall constitute the foundation and file of the prisoner's case. Forms for furnishing the information required by this section shall, upon request, be furnished to the said clerks by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety without charge. 1. The parolee or post-release supervisee claims not to have committed the alleged violation of the parole or post-release supervision conditions; or
2. The parolee or post-release supervisee claims there are substantial reasons which justified or mitigated the violation and make revocation inappropriate, even if the violation is a matter of public record or is uncontested, and that the reasons are complex or otherwise difficult to develop or present; or
3. The parolee or post-release supervisee is incapable of speaking effectively for himself;

and where the Commission feels, on a case by case basis, that such appointment in accordance with either (1), (2) or (3) above is necessary for fundamental fairness.

   (1) The Division of Adult Correction and Juvenile Justice of the Department of Public Safety has received a final order of removal for the inmate from United States Immigration and Customs Enforcement.
   (2) The inmate was convicted of a nonviolent criminal offense and is incarcerated for that offense.    (4) The inmate was not convicted of an impaired driving offense resulting in death or serious bodily injury, as that term is defined in G.S. 14-32.4.
   (5) The inmate agrees not to reenter the United States unlawfully.
(b) Release Is Discretionary. – The decision to release an inmate once the requirements of subsection (a) of this section are satisfied is in the sole, unappealable discretion of the Post-Release Supervision and Parole Commission.
(c) Return of Inmates. – In the event that the United States Immigration and Customs Enforcement is unable to or does not deport the inmate, the inmate shall be returned to the custody of the Division of Adult Correction and Juvenile Justice of the Department of Public Safety to serve the remainder of the original sentence.

**Interstate Compact for Adult Offender Supervision.**

§ 148-65.4. **Short title.**

This Article may be cited as "The Interstate Compact for Adult Offender Supervision." (2002-166, s. 1; 2008-189, s. 1.)

§ 148-65.5. **Governor to execute compact; form of compact.**

The Governor of North Carolina is authorized and directed to execute a compact on behalf of the State of North Carolina with any state of the United States legally joining therein in the form substantially as follows:

Preamble.

Whereas: The Interstate Compact for the Supervision of Parolees and Probationers was established in 1937, it is the earliest corrections "compact" established among the states, and has not been amended since its adoption over 62 years ago;
Whereas: This compact is the only vehicle for the controlled movement of adult parolees and probationers across state lines, and it currently has jurisdiction over more than a quarter of a million offenders;

Whereas: The complexities of the compact have become more difficult to administer, and many jurisdictions have expanded supervision expectations to include currently unregulated practices such as victim input, victim notification requirements, and sex offender registration;

Whereas: After hearings, national surveys, and a detailed study by a task force appointed by the National Institute of Corrections, the overwhelming recommendation has been to amend the document to bring about an effective management capacity that addresses public safety concerns and offender accountability;

Whereas: The General Assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety. The Governor is hereby authorized and directed to enter into a compact on behalf of the State of North Carolina with any state of the United States and other territorial possessions of the United States legally joining therein in the form substantially as follows:

Whereas: Upon the adoption of this Interstate Compact for Adult Offender Supervision, it is the intention of the General Assembly to repeal the previous Interstate Compact for the Supervision of Parolees and Probationers one year after the effective date of this compact.

Article I. Purpose.

(a) The compacting states to this Interstate Compact recognize that each state is responsible for the supervision of adult offenders in the community who are authorized pursuant to the bylaws and rules of this compact to travel across state lines both to and from each compacting state in such a manner as to track the location of offenders, transfer supervision authority in an orderly and efficient manner, and when necessary return offenders to the originating jurisdictions. The compacting states also recognize that Congress, by enacting the Crime Control Act, 4 U.S.C. § 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime.

(b) It is the purpose of this compact and the Interstate Commission created hereunder, through means of joint and cooperative action among the compacting states:

(1) To provide the framework for the promotion of public safety and to protect the rights of victims through the control and regulation of the interstate movement of offenders in the community;

(2) To provide for the effective tracking, supervision, and rehabilitation of these offenders by the sending and receiving states; and

(3) To equitably distribute the costs, benefits, and obligations of the compact among the compacting states.

(c) In addition, this compact will:

(1) Create an Interstate Commission which will establish uniform procedures to manage the movement between states of adults placed under community supervision and released to the community under the jurisdiction of courts, paroling authorities, corrections, or other criminal
justice agencies, which will promulgate rules to achieve the purpose of this compact;

(2) Ensure an opportunity for input and timely notice to victims and to jurisdictions where defined offenders are authorized to travel or to relocate across state lines;

(3) Establish a system of uniform data collection, access to information on active cases by authorized criminal justice officials, and regular reporting of compact activities to heads of state councils, state executive, judicial, and legislative branches and criminal justice administrators;

(4) Monitor compliance with rules governing interstate movement of offenders and initiate interventions to address and correct noncompliance; and

(5) Coordinate training and education regarding regulations of interstate movement of offenders for officials involved in such activity.

(d) The compacting states recognize that there is no "right" of any offender to live in another state and that duly accredited officers of a sending state may at all times enter a receiving state and there apprehend and retake any offender under supervision subject to the provision of this compact and bylaws and rules promulgated hereunder. It is the policy of the compacting states that the activities conducted by the Interstate Commission created herein are the formation of the public policies and are therefore public business.

Article II.

(b) Each compacting state retains the right to determine the qualifications of the Compact Administrator, who shall be appointed by the state council or by the Governor in consultation with the legislature and the judiciary. In addition to appointment of its own commissioner to the National Interstate Commission, each state council shall exercise oversight and advocacy concerning its participation in Interstate Commission activities and other duties as may be determined by each member state including, but not limited to, development of policy operations and procedures of the compact within that state.

The Interstate Commission shall defend the commissioner of a compacting state, or the commissioner's representatives or employees, or the Interstate Commission's representatives or employees, in any civil action seeking to

The Interstate Commission shall indemnify and hold the commissioner of a compacting state, the appointed designee or employees, or the Interstate Commission's representatives or employees, harmless in the amount of any settlement or judgment obtained against such persons arising out of any actual or alleged act, error, or omission that occurred within the scope of Interstate Commission employment, duties, or responsibilities, or that such persons had a reasonable basis for believing occurred within the scope of Interstate Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from gross negligence or intentional wrongdoing on the part of such person.

(c) Each member of the Interstate Commission shall have the right and power to cast a vote to which the compacting state is entitled and to participate in the business and affairs of the Interstate Commission. A member shall vote in person on behalf of the state and shall not delegate a vote to another member state. However, a state council shall appoint another authorized representative, in the absence of the commissioner from that state, to cast a vote on behalf of the member state at a specified meeting. The bylaws may provide for members' participation in meetings by telephone or other means of telecommunication or electronic communication. Any voting conducted by telephone or other means of telecommunication or electronic communication shall be subject to the same quorum requirements of meetings where members are present in person.

(d) The Interstate Commission shall meet at least once during each calendar year. The chairperson of the Interstate Commission may call additional meetings at any time and, upon the request of a majority of the members, shall call additional meetings.

(e) The Interstate Commission's bylaws shall establish conditions and procedures under which the Interstate Commission shall make its information and official records available to the public for inspection or copying. The Interstate Commission may exempt from disclosure any information or official records to the extent they would adversely affect personal privacy rights or proprietary
interests. In promulgating such rules, the Interstate Commission may make available to law enforcement agencies records and information otherwise exempt from disclosure, and may enter into agreements with law enforcement agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.

(f) Public notice shall be given of all meetings, and all meetings shall be open to the public, except as set forth in the rules or as otherwise provided in the compact. The Interstate Commission shall promulgate rules consistent with the principles contained in the "Government in Sunshine Act", U.S.C. § 552(b), as may be amended. The Interstate Commission and any of its committees may close a meeting to the public where it determines by two-thirds vote that an open meeting would be likely to:

(1) Relate solely to the Interstate Commission's internal personnel practices and procedures;
(2) Disclose matters specifically exempted from disclosure by statute;
(3) Disclose trade secrets or commercial or financial information which is privileged or confidential;
(4) Involve accusing any person of a crime or formally censuring any person;
(5) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;
(6) Disclose investigatory records compiled for law enforcement purposes;
(7) Disclose information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of, the Interstate Commission with respect to a regulated entity for the purpose of regulation or supervision of such entity;
(8) Disclose information, the premature disclosure of which would significantly endanger the life of a person or the stability of a regulated entity; and
(9) Specifically relate to the Interstate Commission's issuance of a subpoena, or its participation in a civil action or proceeding.

(g) For every meeting closed pursuant to this provision, the Interstate Commission's chief legal officer shall publicly certify that, in the officer's opinion, the meeting may be closed to the public and shall reference each relevant exemptive provision. The Interstate Commission shall keep minutes which shall fully and clearly describe all matters discussed in any meeting and shall provide a full and accurate summary of any actions taken and the reasons therefor, including a description of each of the views expressed on any item and the record of any recall vote (reflected in the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

(h) The Interstate Commission shall collect standardized data concerning the interstate movement of offenders as directed through its bylaws and rules which shall specify the data to be collected, the means of collection, and data exchange and reporting requirements.
Article VIII.
Rule-making Functions of the Interstate Commission.

(a) The Interstate Commission shall promulgate rules in order to effectively and efficiently achieve the purposes of the compact including transition rules governing administration of the compact during the period in which it is being considered and enacted by the states.

(b) Rule making shall occur pursuant to the criteria set forth in this article and the bylaws and rules adopted pursuant thereto. Such rule making shall substantially conform to the principles of the federal Administrative Procedure Act, 5 U.S.C.S. section 551, et seq., and the Federal Advisory Committee Act, 5 U.S.C. § 1, et seq., as may be amended (hereinafter "APA"). All rules and amendments shall become binding as of the date specified in each rule or amendment.

(c) If a majority of the legislatures of the compacting states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the compact, then such rule shall have no further force and effect in any compacting state.

(d) When promulgating a rule, the Interstate Commission shall:

1. Publish the proposed rule stating with particularity the text of the rule that is proposed and the reason for the proposed rule;
2. Allow persons to submit written data, facts, opinions, and arguments, which information shall be publicly available;
3. Provide an opportunity for an informal hearing; and
4. Promulgate a final rule and its effective date, if appropriate, based on the rule-making record. Not later than 60 days after a rule is promulgated, any interested person may file a petition in the United States District Court for the District of Columbia or in the Federal District Court where the Interstate Commission's principle office is located for judicial review of such rule. If the court finds that the Interstate Commission's action is not supported by substantial evidence, (as defined in the APA), in the rule-making record, the court shall hold the rule unlawful and set it aside. Subjects to be addressed within 12 months after the first meeting must, at a minimum, include:
   a. Notice to victims and opportunity to be heard;
   b. Offender registration and compliance;
   c. Violations/returns;
   d. Transfer procedures and forms;
   e. Eligibility for transfer;
   f. Collection of restitution and fees from offenders;
   g. Data collection and reporting;
   h. The level of supervision to be provided by the receiving state;
   i. Transition rules governing the operation of the compact and the Interstate Commission during all or part of the period between the effective date of the compact and the date on which the last eligible state adopts the compact; and
   j. Mediation, arbitration, and dispute resolution.
(e) The existing rules governing the operation of the previous compact superceded by this Act shall be null and void 12 months after the first meeting of the Interstate Commission created hereunder.

(f) Upon determination by the Interstate Commission that an emergency exists, it may promulgate an emergency rule which shall become effective immediately upon adoption, provided that the usual rule-making procedures provided hereunder shall be retroactively applied to said rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule.

Article IX.
Oversight, Enforcement, and Dispute Resolution by the Interstate Commission.

(a) Oversight. – The Interstate Commission shall oversee the interstate movement of adult offenders in the compacting states and shall monitor such activities being administered in noncompacting states that may significantly affect compacting states.

The courts and executive agencies in each compacting state shall enforce this compact and shall take all actions necessary and appropriate to effectuate the compact's purposes and intent. In any judicial or administrative proceeding in a compacting state pertaining to the subject matter of this compact which may affect the powers, responsibilities, or actions of the Interstate Commission, the Interstate Commission shall be entitled to receive all service of process in any such proceeding and shall have standing to intervene in the proceeding for all purposes.

(b) Dispute Resolution. – The compacting states shall report to the Interstate Commission on issues or activities of concern to them and cooperate with and support the Interstate Commission in the discharge of its duties and responsibilities.

The Interstate Commission shall attempt to resolve any disputes or other issues which are subject to the compact and which may arise among compacting states and noncompacting states.

The Interstate Commission shall enact a bylaw or promulgate a rule providing for both mediation and binding dispute resolution for disputes among the compacting states.

(c) Enforcement. – The Interstate Commission, in the reasonable exercise of its discretion, shall enforce the provisions of this compact using any and all means set forth in Article XII, subsection (b) of this compact.

Article X.
Finance.

(a) The Interstate Commission shall pay or provide for the payment of the reasonable expenses of its establishment, organization, and ongoing activities.

(b) The Interstate Commission shall levy on and collect an annual assessment for each compacting state to cover the cost of the internal operations and activities of the Interstate Commission and its staff that must be in a total amount sufficient to cover the Interstate Commission's annual budget as approved each year. The aggregate annual assessment amount shall be allocated based upon a
formula to be determined by the Interstate Commission, taking into consideration the population of the state and the volume of interstate movement of offenders in each compacting state and shall promulgate a rule binding upon all compacting states which governs said assessment.

(c) The Interstate Commission shall not incur any obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Interstate Commission pledge the credit of any of the compacting states, except by and with the authority of the compacting state.

(d) The Interstate Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Interstate Commission shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Interstate Commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the Interstate Commission.

Article XI.
Compacting State, Effective Date, and Amendment.

(a) Any state, as defined in article ii of this compact, is eligible to become a compacting state.

(b) The compact shall become effective and binding upon legislative enactment of the compact into law by no less than 35 of the states. The initial effective date shall be the later of July 1, 2002, or upon enactment into law by the 35th jurisdiction. Therefore, it shall become effective and binding as to any other compacting state, upon enactment of the compact into law by that state. The governors of nonmember states or their designees will be invited to participate in Interstate Commission activities on a nonvoting basis prior to adoption of the compact by all states and territories of the United States.

(c) Amendments to the compact may be proposed by the Interstate Commission for enactment by the compacting states. No amendment shall become effective and binding upon the Interstate Commission and the compacting states unless and until it is enacted into law by unanimous consent of the compacting states.

Article XII.
Withdrawal, Default, Termination, and Judicial Enforcement.

(a) Withdrawal. – Once effective, the compact shall continue in force and remain binding upon each and every compacting state; provided that a compacting state may withdraw from the compact ("withdrawing state") by enacting a statute specifically repealing the statute which enacted the compact into law.

The effective date of withdrawal is the effective date of the repeal.

The withdrawing state shall immediately notify the Chair of the Interstate Commission in writing upon the introduction of legislation repealing this compact in the withdrawing state. The Interstate Commission shall notify the other compacting states of the withdrawing state's intent to withdraw within 60 days of its receipt thereof.
The withdrawing state is responsible for all assessments, obligations, and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal.

Reinstatement following withdrawal of any compacting state shall occur upon the withdrawing state's reenacting the compact or upon such later date as determined by the Interstate Commission.

(b) Default. – If the Interstate Commission determines that any compacting state has at any time defaulted (“defaulting state”) in the performance of any of its obligations or responsibilities under this compact, the bylaws, or any duly promulgated rules, the Interstate Commission may impose any or all of the following penalties:

1. Fines, fees, and costs in such amounts as are deemed to be reasonable as fixed by the Interstate Commission;

2. Remedial training and technical assistance as directed by the Interstate Commission;

3. Suspension and termination of membership in the compact. Suspension shall be imposed only after all other reasonable means of securing compliance under the bylaws and rules have been exhausted. Immediate notice of suspension shall be given by the Interstate Commission to the Governor; the Chief Justice or Chief Judicial Officer of the state; the Majority and Minority Leaders of the defaulting state's legislature; and the state council.

The grounds of default include, but are not limited to, failure of a compacting state to perform such obligations or responsibilities imposed upon it by this compact, Interstate Commission bylaws, or duly promulgated rules. The Interstate Commission shall immediately notify the defaulting state in writing of the penalty imposed by the Interstate Commission on the defaulting state pending a cure of the default. The Interstate Commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the Interstate Commission, in addition to any other penalties imposed herein, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the compacting states, and all rights, privileges, and benefits conferred by this compact shall be terminated from the effective date of suspension. Within 60 days of the effective date of termination of a defaulting state, the Interstate Commission shall notify the Governor; the Chief Justice or Chief Judicial Officer of the state; the Majority and Minority Leaders of the defaulting state's legislature; and the state council of such termination.

The defaulting state is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including any obligations the performance of which extends beyond the effective date of termination.

The Interstate Commission shall not bear any costs relating to the defaulting state unless otherwise mutually agreed upon between the Interstate Commission
and the defaulting state. Reinstatement following termination of any compacting state requires both a reenactment of the compact by the defaulting state and the approval of the Interstate Commission pursuant to the rules.

(c) Judicial Enforcement. – The Interstate Commission may, by majority vote of the members, initiate legal action in the United States District Court for the District of Columbia or, at the discretion of the Interstate Commission, in the Federal District where the Interstate Commission has its offices to enforce compliance with the provisions of the compact, its duly promulgated rules and bylaws against any compacting state in default. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation including reasonable attorney’s fees.

(d) Dissolution of Compact. – The compact dissolves effective upon the date of the withdrawal or default of the compacting state that reduces membership in the compact to one compacting state.

Upon the dissolution of this compact, the compact becomes null and void and shall be of no further force or effect, and the business and affairs of the Interstate Commission shall be wound up, and any surplus funds shall be distributed in accordance with the bylaws.

Article XIII.

Severability and Construction.

(a) The provisions of this compact shall be severable, and if any phrase, clause, sentence, or provision is deemed unenforceable, the remaining provision of the compact shall be enforceable.

(b) The provisions of this compact shall be liberally constructed to effectuate its purposes.

Article XIV.

Binding Effect of Compact and Other Laws.

(a) Other Laws. – Nothing herein prevents the enforcement of any other law of a compacting state that is not inconsistent with this compact.

All compacting states’ laws conflicting with this compact are superseded to the extent of the conflict.

(b) Binding Effect of the Compact. – All lawful actions of the Interstate Commission, including all rules and bylaws promulgated by the Interstate Commission, are binding upon the compacting states.

All agreements between the Interstate Commission and the compacting states are binding in accordance with their terms.

Upon the request of a party to a conflict over meaning or interpretation of Interstate Commission actions, and upon a majority vote of the compacting states, the Interstate Commission may issue advisory opinions regarding such meaning or interpretation.

In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of any compacting state, the obligations, duties, powers, or jurisdiction sought to be conferred by such provision upon the Interstate Commission shall be ineffective, and such obligations, duties,
powers, or jurisdiction shall remain in the compacting state and shall be
exercised by the agency thereof to which such obligations, duties, powers, or
jurisdiction are delegated by law in effect at the time this compact becomes
effective. (2002-166, s. 1; 2008-189, s. 1.)

(a) The North Carolina State Council for Interstate Adult Offender Supervision shall be

9. A sheriff, to be appointed by the Governor.

(a1) The Governor, in consultation with the legislature and judiciary, shall appoint the
Compact Administrator. The Compact Administrator shall be appointed by the State Council as
North Carolina's Commissioner to the Interstate Compact Commission.

(b) The State Council shall meet at least twice a year and may also hold special meetings
at the call of the chairperson. All terms are for three years.

(c) The State Council may advise the Compact Administrator on participation in the
Interstate Commission activities and administration of the compact.

(d) The members of the State Council shall serve without compensation but shall be
reimbursed for necessary travel and subsistence expenses in accordance with the policies of the
Office of State Budget and Management.

(e) The State Council shall act in an advisory capacity to the Secretary of Public Safety
concerning this State's participation in Interstate Commission activities and other duties as may be
determined by each member state, including recommendations for policy concerning the
operations and procedures of the compact within this State.

(f) The Governor shall by executive order provide for any other matters necessary for
implementation of the compact at the time that it becomes effective, and, except as otherwise
provided for in this section, the State Council may promulgate rules or regulations necessary to
implement and administer the compact. (2002-166, s. 1; 2008-189, s. 1; 2011-145, s. 19.1(i), (k); 2017-186, s. 2(llllllll).

§ 148-65.7. Fees.

(a) Persons convicted in this State who make a request for transfer to another state pursuant to the compact shall pay a transfer application of two hundred fifty dollars ($250.00) for each transfer application submitted. The transfer application fee shall be paid to the Compact Commissioner upon submission of the transfer application. The Commissioner or the Commissioner's designee may waive the application fee if either the Commissioner or the Commissioner's designee finds that payment of the fee will constitute an undue economic burden on the offender.

All fees collected pursuant to this section shall be deposited in the Interstate Compact Fund and shall be used only to support administration of the Interstate Compact.

The Interstate Compact Fund is established within the Division of Adult Correction and Juvenile Justice of the Department of Public Safety as a nonreverting, interest-bearing special revenue account. Accordingly, revenue in the Fund at the end of a fiscal year does not revert, and interest and other investment income earned by the Fund shall be credited to it. All moneys collected by the Division of Adult Correction and Juvenile Justice of the Department of Public Safety pursuant to this subsection shall be remitted to the State Treasurer to be deposited and held in this Fund. Moneys in the Fund shall be used to supplement funds otherwise available to the Division of Adult Correction and Juvenile Justice of the Department of Public Safety for the administration of the Interstate Compact.

(b) Persons supervised in this State pursuant to this compact shall pay the supervision fee specified in G.S. 15A-1374(c). The fee shall be paid to the clerk of court in the county in which the person initially receives supervision services in this State. The Commissioner or the Commissioner's designee may waive the fee if either the Commissioner or the Commissioner's designee finds that payment of the fee will constitute an undue economic burden on the offender. (2002-166, s. 1; 2008-189, s. 1; 2011-145, ss. 19.1(h), 31.25; 2017-186, s. 2(mmmmmmmmm).

§ 148-65.8. Interstate parole and probation hearing procedures.

(a) Where supervision of an offender is being administered pursuant to the Interstate Compact for Adult Offender Supervision, the appropriate judicial or administrative authorities in this State shall notify the Compact Administrator of the sending state whenever, in their view, consideration should be given to retaking or reincarceration for a parole, probation, or post-release supervision violation. Prior to the giving of any such notification, a hearing shall be held in accordance with this section within a reasonable time, unless such hearing is waived by the offender. Pending any proceeding pursuant to this section, the appropriate officers of this State may take custody of and detain the offender involved for a period not to exceed 15 days prior to the hearing. The offender shall not be entitled to bail pending the hearing.

(b) Any hearing pursuant to this section may be before the Administrator of the Interstate Compact for Adult Offender Supervision, a deputy of the Administrator, any other person appointed by the Administrator, or any person authorized pursuant to the laws of this State to hear cases of alleged parole, probation, or post-release supervision violation, except that no hearing officer shall be the person making the allegation of violation.

(c) With respect to any hearing pursuant to this section, the offender:
(1) Shall have reasonable notice in writing of the nature and content of the allegations to be made, including notice that its purpose is to determine whether there is probable cause to believe that the offender has committed a violation that may lead to a revocation of parole, probation, or post-release supervision.

(2) Shall be permitted to advise with any persons whose assistance the offender reasonably desires, prior to the hearing.

(3) Shall have the right to confront and examine any persons who have made allegations against the offender, unless the hearing officer determines that such confrontation would present a substantial present or subsequent danger of harm to such person or persons.

(4) May admit, deny, or explain the violation alleged and may present proof, including affidavits and other evidence, in support of the offender's contentions.

(c1) A record of the hearing shall be made and preserved. As soon as practicable following termination of any hearing conducted pursuant to this section or the waiver of such hearing, the appropriate officer or officers of this State shall report to the sending state, furnish a copy of the hearing record, and make recommendations regarding the disposition to be made of the offender by the sending state. If the hearing recommendation is to retake or reincarcerate the offender, the hearing officer or officers may detain the offender until notice is received from the sending state. If the sending state provides notice that it intends to retake or reincarcerate the offender, the offender shall remain in custody for such reasonable period after the hearing or waiver as may be necessary to arrange for the retaking or reincarceration.

(d) In any case of alleged parole or probation violation by a person being supervised in another state pursuant to the Interstate Compact for Adult Offender Supervision, any appropriate judicial or administrative officer or agency in another state may hold a hearing on the alleged violation. Upon receipt of the record of a parole, probation, or post-release supervision violation hearing held in another state pursuant to a statute substantially similar to this section, that record shall have the same standing and effect as though the proceeding of which it is a record was had before the appropriate officer or officers in this State, and any recommendations contained in or accompanying the record shall be fully considered by the appropriate officer or officers of this State in making disposition of the matter. (2002-166, s. 1; 2008-189, s. 1.)

§ 148-65.9. North Carolina sentence to be served in another jurisdiction.

The Post-Release Supervision and Parole Commission, with the concurrence of the Secretary of Public Safety, may direct that the balance of any sentence imposed by the courts of this State shall be served concurrently with a sentence or sentences in another state or federal institution and may effect a transfer of custody of such individual to the other jurisdiction for such purpose. In the event the individual's sentence liability in the other jurisdiction terminates prior to the expiration of the individual's North Carolina sentence, the individual shall be either paroled (if eligible) or returned to the prison department of this State, in the discretion of the Post-Release Supervision and Parole Commission. (2002-166, s. 1; 2011-145, s. 19.1(i).)

The corporate authorities of any city or town may contract in writing with the Division of Adult Correction and Juvenile Justice of the Department of Public Safety for the employment of convicts upon the highways or streets of such city or town, and such contracts when so exercised shall be
valid and enforceable against such city or town, and the Attorney General may prosecute an action in the Superior Court of Wake County in the name of the State for their enforcement.

Compensation to Persons Erroneously Convicted of Felonies.

(a) Any person who, having been convicted of a felony and having been imprisoned therefor in a State prison of this State, and who was thereafter or who shall hereafter be granted a pardon of innocence by the Governor upon the grounds that the crime with which the person was charged either was not committed at all or was not committed by that person, may as hereinafter provided present by petition a claim against the State for the pecuniary loss sustained by the person through his or her erroneous conviction and imprisonment, provided the petition is presented within five years of the granting of the pardon.

(b) Any person who, having been convicted of a felony after pleading not guilty or nolo contendere and having been imprisoned therefor in a State prison of this State, and who is determined to be innocent of all charges and against whom the charges are dismissed pursuant to G.S. 15A-1469 may as hereinafter provided present by petition a claim against the State for the pecuniary loss sustained by the person through his or her erroneous conviction and imprisonment, provided the petition is presented within five years of the date that the dismissal of the charges is entered by the three-judge panel under G.S. 15A-1469. (1947, c. 465, s. 1; 1997-388, s. 1; 2010-171, s. 3; 2012-7, s. 11.)

§ 148-83. Form, requisites and contents of petition; nature of hearing.
Such petition shall be addressed to the Industrial Commission, and must include a full statement of the facts upon which the claim is based, verified in the manner provided for verifying complaints in civil actions, and it may be supported by affidavits substantiating such claim. Upon its presentation the Industrial Commission shall fix a time and a place for a hearing, and shall mail notice to the claimant, and shall notify the Attorney General, at least 15 days before the time fixed therefor. (1947, c. 465, s. 2; 1963, c. 1174, s. 4; 1973, c. 1262, s. 10; 1997-388, s. 2.)

(a) At the hearing the claimant may introduce evidence in the form of affidavits or testimony to support the claim, and the Attorney General may introduce counter affidavits or

The Industrial Commission shall give written notice of its decision to all parties concerned. The determination of the Industrial Commission shall be subject to judicial review upon appeal of the claimant or the State according to the provisions and procedures set forth in Article 31 of Chapter 143 of the General Statutes.

(b) Reserved.

(c) In addition to the compensation provided under subsection (a) of this section, the Industrial Commission shall determine the extent to which incarceration has deprived a claimant of educational or training opportunities and, based upon those findings, may award the following compensation for loss of life opportunities:

2. Expenses for tuition and fees at any public North Carolina community college or constituent institution of The University of North Carolina for any degree or program of the claimant's choice that is available from one or more of the applicable institutions. A claimant may apply for aid under this subdivision within 10 years of the claimant's release from incarceration, and aid shall continue for up to a total of five years when initiated within the 10-year period, provided the claimant makes satisfactory progress in the courses or degree program in which the claimant is enrolled. Article 12.
Interstate Corrections Compact.

This Article shall be known and may be cited as the Interstate Corrections Compact. (1979, c. 623.)

§ 148-120. Governor to execute; form of compact.

The Governor of North Carolina is hereby authorized and requested to execute, on behalf of the State of North Carolina, with any other state or states legally joining therein a compact which shall be in form substantially as follows:

The contracting states solemnly agree that:

(1) The party states, desiring by common action to fully utilize and improve their institutional facilities and provide adequate programs for the confinement, treatment and rehabilitation of various types of offenders, declare that it is the policy of each of the party states to provide such facilities and programs on a basis of cooperation with one another, and with the federal government, thereby serving the best interest of such offenders and of society and effecting
economies in capital expenditures and operational costs. The purpose of this compact is to provide for the mutual development and execution of such programs of cooperation for the confinement, treatment and rehabilitation of offenders with the most economical use of human and material resources.

(2) As used in this compact, unless the context clearly requires otherwise:
   a. "State" means a state of the United States; the United States of America; a territory or possession of the United States; the District of Columbia; the Commonwealth of Puerto Rico.
   b. "Sending state" means a state party to this compact in which conviction or court commitment was had.
   c. "Receiving state" means a state party to this compact to which an inmate is sent for confinement other than a state in which conviction or court commitment was had.
   d. "Inmate" means a male or female offender who is committed, under sentence to or confined in a penal or correctional institution.
   e. "Institution" means any penal or correctional facility, including but not limited to a facility for the mentally ill or mentally defective, in which inmates as defined in (2)d. above may lawfully be confined.

(3) a. Each party state may make one or more contracts with any one or more of the other party states, or with the federal government, for the confinement of inmates on behalf of a sending state in institutions situated within receiving states. Any such contract shall provide for:
   1. Its duration;
   2. Payments to be made to the receiving state or to the federal government, by the sending state for inmate maintenance, extraordinary medical and dental expenses, and any participation in or receipt by inmates of rehabilitative or correctional services, facilities, programs or treatment not reasonably included as part of normal maintenance;
   3. Participation in programs of inmate employment, if any; the disposition or crediting of any payments received by inmates on account thereof; and the crediting of proceeds from or disposal of any products resulting therefrom;
   4. Delivery and retaking of inmates;
   5. Such other matters as may be necessary and appropriate to fix the obligations, responsibilities and rights of the sending and receiving states.

b. The terms and provisions of this compact shall be a part of any contract entered into by the authority of or pursuant thereto and nothing in any such contract shall be inconsistent therewith.

(4) a. Whenever the duly constituted authorities in a state party to this compact, and which has entered into a contract pursuant to Article III, Subsection (1) [paragraph a. of subdivision (3)] shall decide that confinement in, or transfer of an inmate to, an institution within the territory of another party state is necessary or desirable in order to provide adequate quarters and care or an appropriate program of
rehabilitation or treatment, said officials may direct that the confinement be within an institution within the territory of said other party state, the receiving state to act in that regard solely as agent for the sending state.

b. The appropriate officials of any state party to this compact shall have access, at all reasonable times, to any institution in which it has a contractual right to confine inmates for the purpose of inspecting the facilities thereof and visiting such of its inmates as may be confined in the institution.

c. Inmates confined in an institution pursuant to the terms of this compact shall at all times be subject to the jurisdiction of the sending state and may at any time be removed therefrom for transfer to a prison or other institution within the sending state, for transfer to another institution in which the sending state may have a contractual or other right to confine inmates, for release on probation or parole, for discharge, or for any other purpose permitted by the laws of the sending state, provided that the sending state shall continue to be obligated to such payments as may be required pursuant to the terms of any contract entered into under the terms of Article III, Subsection (1) [paragraph a. of subdivision (3)].

d. Each receiving state shall provide regular reports to each sending state on the inmates of that sending state in institutions pursuant to this compact including a conduct record of each inmate and certify said record to the official designated by the sending state, in order that each inmate may have official review of his or her record in determining and altering the disposition of said inmate in accordance with the law which may obtain in the sending state and in order that the same may be a source of information for the sending state.

e. All inmates who may be confined in an institution pursuant to the provisions of this compact shall be treated in a reasonable and humane manner and shall be treated equally with such similar inmates of the receiving state as may be confined in the same institution. The fact of confinement in a receiving state shall not deprive any inmate so confined of any legal rights which said inmate would have had if confined in an appropriate institution of the sending state.

f. Any hearing or hearings to which an inmate confined pursuant to this compact may be entitled by the laws of the sending state may be had before the appropriate authorities of the sending state, or of the receiving state if authorized by the sending state. The receiving state shall provide adequate facilities for such hearings as may be conducted by the appropriate officials of a sending state. In the event such hearing or hearings are had before officials of the receiving state, the governing law shall be that of the sending state and a record of the hearing or hearings as prescribed by the sending state shall be made. Said record, together with any recommendations of the hearing officials, shall be transmitted forthwith to the official or officials before whom the hearing would have been had if it had taken place in the sending state. In any and all proceedings had pursuant to the provisions of this subdivision,
the officials of the receiving state shall act solely as agents of the sending state and no final determination shall be made in any matter except by the appropriate officials of the sending state.

g. Any inmate confined pursuant to this compact shall be released within the territory of the sending state unless the inmate, and the sending and receiving states, shall agree upon release in some other place. The sending state shall bear the cost of such return to its territory.

h. Any inmate confined pursuant to the terms of this compact shall have any and all rights to participate in and derive any benefits or incur or be relieved of any obligations or have such obligations modified or his status changed on account of any action or proceeding in which he could have participated if confined in any appropriate institution of the sending state located within such state.

i. The parents, guardian, trustee, or other person or persons entitled under the laws of the sending state to act for, advise or otherwise function with respect to any inmate shall not be deprived of or restricted in his exercise of any power in respect of any inmate confined pursuant to the terms of this compact.

(5) a. Any decision of the sending state in respect to any matter over which it retains jurisdiction pursuant to this compact shall be conclusive upon and not reviewable within the receiving state, but if at the time the sending state seeks to remove an inmate from an institution in the receiving state there is pending against the inmate within such state any criminal charge or if the inmate is formally accused of having committed within such state a criminal offense, the inmate shall not be returned without the consent of the receiving state until discharge from prosecution or other form of proceeding, imprisonment or detention for such offense. The duly accredited officers of the sending state shall be permitted to transport inmates pursuant to this compact through any and all states party to this compact without interference.

b. An inmate who escapes from an institution in which he is confined pursuant to this compact shall be deemed a fugitive from the sending state and from the state in which the institution is situated. In the case of an escape to a jurisdiction other than the sending or receiving state, the responsibility for institution of extradition or rendition proceedings shall be that of the sending state, but nothing contained herein shall be construed to prevent or affect the activities of officers and agencies of any jurisdiction directed toward the apprehension and return of an escapee.

(6) Any state party to this compact may accept federal aid for use in connection with any institution or program, the use of which is or may be affected by this compact or any contract pursuant hereto; and any inmate in a receiving state pursuant to this compact may participate in any such federally-aided program or activity for which the sending and receiving states have made contractual provision, provided that if such program or activity is not part of the customary
correctional regimen, the express consent of the appropriate official of the
sending state shall be required therefor.

(7) This compact shall enter into force and become effective and binding upon the
states so acting when it has been enacted into law by any two states. Thereafter,
this compact shall enter into force and become effective and binding as to any
other of said states upon similar action by such state.

(8) This compact shall continue in force and remain binding upon a party state
until it shall have enacted a statute repealing the same and providing for the
sending of formal written notice of withdrawal from the compact to the
appropriate official of all other party states. An actual withdrawal shall not take
effect until one year after the notice provided in said statute has been sent. Such
withdrawal shall not relieve the withdrawing state from its obligations assumed
hereunder prior to the effective date of withdrawal. Before effective date of
withdrawal, a withdrawing state shall remove to its territory, at its own expense,
such inmates as it may have confined pursuant to the provisions of this compact.

(9) Nothing contained in this compact shall be construed to abrogate or impair any
agreement or other arrangement which a party state may have with a nonparty
state for the confinement, rehabilitation or treatment of inmates nor to repeal
any other laws of a party state authorizing the making of cooperative
institutional arrangements.

(10) The provisions of this compact shall be liberally construed and shall be
severable. If any phrase, clause, sentence or provision of this compact is
declared to be contrary to the constitution of any participating state or of the
United States or the applicability thereof to any government, agency, person or
circumstance is held invalid, the validity of the remainder of this compact and
the applicability thereof to any government, agency, person or circumstance
shall not be affected thereby. If this compact shall be held contrary to the
constitution of any state participating therein, the compact shall remain in full
force and effect as to the remaining states and in full force and effect as to the
state affected as to all severable matters. (1979, c. 623.)

§ 148-121. Proceedings to be open; all documents public records; exception.

shall give notice of the proposed transfer by:

(1) Notifying the district attorney of the district where the prisoner was convicted,

a transfer of the prisoner.

(b) Except as provided in subsection (c) of this section, all written comments regarding a
transfer are public records under General Statutes Chapter 132.
(c) If, in the discretion of the Secretary, such notice or disclosure requirements provided for in this section would jeopardize the safety of persons or property, the provisions of this section do not apply. (1983, c. 874, s. 1; 2011-145, s. 19.1(i).)
