§ 164-2. Effect as to repealing other statutes.
All public and general statutes not contained in the General Statutes of North Carolina are hereby repealed with the exceptions and limitations hereafter mentioned in this Chapter. No statute or law which has been heretofore repealed shall be revived by the repeal contained in any of the sections of the General Statutes of North Carolina or by the omission of any repealing statute from the General Statutes. All public and general statutes enacted at the regular session of the General Assembly of 1943 shall be deemed to repeal any conflicting provisions of the General Statutes of North Carolina.

§ 164-3. Repeal not to affect rights accrued or suits commenced.
The repeal of the statutes described in G.S. 164-2 shall not affect any act done, any right accruing, accrued or established, or any action or proceeding had or commenced in any case before the time when such repeal shall take effect, but the proceedings in any such case shall be conformed, when necessary, to the provisions of the General Statutes of North Carolina.

§ 164-4. Offenses, penalties and liabilities not affected.
No offense committed, no penalty or forfeiture incurred, no liability arising, and no remedy availed of, under any of the statutes hereby repealed, before the time when such repeal shall take effect shall be affected by the repeal.

§ 164-5. Pending actions and proceedings not affected.
No action or proceeding pending at the time of the repeal, for any offense committed, or for the recovery of any penalty or forfeiture incurred under any of the statutes hereby repealed shall be affected by such repeal, except that the proceedings in such action or proceeding shall be conformed, when necessary, to the provisions of the General Statutes of North Carolina.

§ 164-6. Effect of repeal on persons holding office.
All persons who at the time the General Statutes of North Carolina becomes effective shall hold any office under any of the statutes hereby repealed shall continue to hold the same according to the tenure thereof.

§ 164-7. Statutes not repealed.

government, statutes relating to the Cherokee lands, statutes relating to the construction or interpretation of statutes, statutes by virtue of which bonds have been issued and are outstanding on the effective date of the General Statutes, validating acts or curative statutes, or acts granting pensions to named individuals if such statutes were in force on the effective date of the General Statutes.

All provisions, chapters, subdivisions of chapters and sections contained in the General Statutes of North Carolina shall be in force from and after the thirty-first day of December 1943.

§ 164-9. Completion of General Statutes by Division of Legislative Drafting and Codification of Statutes.

The Division of Legislative Drafting and Codification of Statutes of the State Department of Justice, under the direction and supervision of the Attorney General, shall complete and perfect the General Statutes, as enacted by the General Assembly of 1943, by changing all references therein to the "Code," "North Carolina Code," "Code of 1943" or "North Carolina Code of 1943" to read "General Statutes," and by causing to be inserted therein all such general public statutes as may be enacted at the 1943 Session of the General Assembly and all amendments, in their proper places in sections under the appropriate chapter and subdivisions of chapters, and by deleting all sections or portions of sections found to be expressly repealed, or found to be repealed by virtue of the repeal of any cognate sections or parts of sections of the Consolidated Statutes or session laws, and by deleting repealed provisions and substituting in lieu thereof all proper amendments of the General Statutes or of cognate sections of the Consolidated Statutes or session laws; and the Division is hereby authorized to change the number of sections and chapters, transfer sections, chapters and subdivisions of chapters and make such other corrections which do not change the law, as may be found by the Division necessary in making an accurate, clear, and orderly statement of said laws. After the completion of such codification of the general and public laws of 1943, such laws, as they appear in the printed volumes of the General Statutes, shall be deemed an accurate codification of the statutes of 1943 contained therein. (1943, c. 15, s. 3.)

(a) The Commission shall recommend structures for use by a sentencing court in determining the most appropriate sentence to be imposed in a criminal case, including:
   (1) Imposition of an active term of imprisonment;
   (2) Imposition of a term of probation;
   (3) Suspension of a sentence to imprisonment and imposition of probation with conditions, including the appropriate probation option or options, including house arrest, regular probation, intensive supervision, restitution, and community service;
   (4) Based upon the combination of offense and defendant characteristics in each case, the presumptively appropriate length of a term of probation, or a term of imprisonment;
   (5) Ordering multiple sentences to terms of imprisonment to run concurrently or consecutively;
   (6) For a sentence to probation without a suspended sentence to imprisonment, the maximum term of confinement to be imposed if the defendant violates the conditions of probation.

(d) The Commission shall include with each set of sentencing structures a statement of its estimate of the effect of the sentencing structures on the Division of Adult Correction and Juvenile Justice and local facilities, both in terms of fiscal impact and on inmate population. If the Commission finds that the proposed sentencing structures will result in inmate populations in the Division of Adult Correction and Juvenile Justice and local confinement facilities that exceed the standard operating capacity, then the Commission shall present an additional set of structures that are consistent with that capacity. For purposes of this subsection, "standard operating capacity" means the total capacity expected to be available in both local confinement facilities and in the Division of Adult Correction and Juvenile Justice once all the proceeds of bonds authorized by Chapter 933 of the 1989 Session Laws and Chapter 935 of the 1989 Session Laws have been expended for the construction of prison facilities.
