(i) No ticket or share in a lottery game shall be purchased by, and no prize shall be paid to, a member of the Commission, the Director, or employee of the Commission, or to any spouse, parent, or child living in the same household as a person disqualified by this subsection.

(j) No prize shall be paid to a person under the age of 18.

(b) All players acknowledge that the determination of whether the player is a winner is subject to the game-play rules and the winner validation procedures and confidential validation tests established by the Commission for the particular lottery game involved. (2005-344, s. 1.)

§ 18C-134. Setoff for debt collection against lottery prizes.

(a) Purpose. – The Commission must establish a debt set-off program by which lottery prize payments may be used to satisfy a debt owed or collected by a claimant agency that is at least fifty dollars ($50.00). The collection remedy under this section is in addition to and not in substitution for any other remedy available by law.

(b) Notification. – A claimant agency is automatically enrolled in the Commission's debt set-off program if it is enrolled in the Department of Revenue debt set-off program. To provide for more efficient operations, the Department of Revenue shall provide to the Commission on a periodic basis all updates to its debt set-off program as soon as practicable.

(c) Setoff. – The Commission must match the information submitted by the claimant agency with persons who are entitled to a State lottery prize payment in an amount of six hundred dollars ($600.00) or more. If there is a match, the Commission must set off the debt against the lottery winnings to which the debtor would otherwise be entitled. When there are multiple claims to be set off, the priority in claims to set off is the same as provided in G.S. 105A-12. The winnings that exceed the amount of the debt, if any, must be paid to that person. The Commission must mail the debtor written notice that the setoff has occurred and must transfer the net proceeds collected
to the claimant agency. If the claimant agency is a State agency, that agency must credit the amount received to a nonreverting trust account and must follow the procedure set in G.S. 105A-8.

(d) Collection Assistance Fee. – To recover the costs incurred by the Commission in collecting debts under this section, a collection assistance fee of five dollars ($5.00) may be imposed on each debt collected through setoff. The Commission must collect this fee as part of the debt and retain it. To recover the costs incurred by local agencies in submitting debts for collection under this section, a collection assistance fee of fifteen dollars ($15.00) may be imposed on each local agency debt collected through setoff. The Commission must collect this fee as part of the debt and remit it to the clearinghouse that submitted the debt. The collection assistance fees do not apply to child support debts. If the Commission is able to collect only part of a debt through setoff, the Commission's collection assistance fee has priority over the local collection assistance fee and over the remainder of the debt. The local collection assistance fee has priority over the remainder of the debt.

(e) Confidentiality. – Notwithstanding any confidentiality statute of a claimant agency, the exchange of information among the Commission, the Department of Revenue, the claimant agency, the organization submitting debts on behalf of a local agency, and the debtor necessary to implement this section is lawful. The information an agency or organization obtains from the Commission in accordance with the exemption in this subsection may be used by the agency or organization only in the pursuit of its debt collection duties and practices.

(f) Definitions. – The definitions in G.S. 105A-2 apply in this section. (2005-344, s. 1; 2005-276, s. 31.1(k1); 2009-357, ss. 9, 10.)

(2) A person who would be engaged exclusively in the business of selling lottery tickets or shares or operating electronic computer terminals or other devices solely for entertainment.

(3) A person who is not current in filing all applicable tax returns to the State and in payment of all taxes, interest, and penalties owed to the State, excluding items under formal appeal under applicable statutes. Upon request of the Director, the Department of Revenue shall provide this information about a specific person to the Commission.

(4) A person who resides in the same household as a member of the Commission, the Director, or any other employee of the Commission.

(c) Upon approval of the Commission, the Director shall enter into a contract with the person to sell tickets or shares upon such terms and conditions as the Commission directs. (2005-344, s. 1; 2005-276, s. 31.1(m).)

§ 18C-143. Responsibilities of lottery game retailers.

(a) A lottery game retailer shall comply with all provisions of this Article and the contract with the Commission.

(b) A lottery game retailer shall sell no lottery tickets or shares unless the retailer conspicuously displays a certificate of authority, signed by the Director, to sell lottery tickets or shares. The Commission shall issue a certificate of authority to each lottery game retailer for purposes of display for each retail outlet owned or operated by the lottery game retailer. No certificate is assignable or transferable.

The Commission shall be exempt from Article 3 of Chapter 143 of the General Statutes but may use the services of the Department of Administration in procuring goods and services for the Commission. However, the Commission shall include in all contracts to be awarded by the Commission under this section a standard clause which provides that the State Auditor and internal auditors of the Commission may audit the records of the contractor during and after the term of the contract to verify accounts and data affecting fees and performance. The Commission shall not award a cost plus percentage of cost contract for any purpose. For purposes of this provision, "cost plus percentage of cost contract" is defined as a contract under which the contractor receives payment for indeterminate costs plus a stated percentage or amount of profit based upon such costs. This provision shall not apply to Commission contracts that require costs to be predetermined and approved by the Commission and a total not to exceed the amount specified in each contract to be paid to the contractor. (2005-344, s. 1; 2010-194, s. 1; 2011-326, s. 15(a).)

§ 18C-151. Contracts.

b. The time and place for opening of the proposals.

c. A statement reserving to the Commission the right to reject any or all proposals.

The Commission shall investigate and compare the overall business practices, ethical reputation, criminal record, civil litigation, competence, integrity, background, and regulatory compliance record of lottery potential contractors.

The Commission may engage an independent firm experienced in evaluating government procurement proposals to aid in evaluating proposals for a major procurement.

The Commission shall award the contract to the responsible lottery potential contractor or lottery supplier who submits the best proposal that maximizes the benefits to the State.

(4) All officers and directors of the potential contractor or parent or subsidiary corporation of the potential contractor to whom the contract is to be awarded.

(d) The Commission may terminate the contract, without penalty, of a lottery contractor that fails to comply with the Commission's instruction to implement the recommendations of the State Auditor or an independent auditor in an audit conducted of Lottery security or operations.
