§ 95-25.6. Wage payment.

Every employer shall pay every employee all wages and tips accruing to the employee on the regular payday. Pay periods may be daily, weekly, bi-weekly, semi-monthly, or monthly. Wages based upon bonuses, commissions, or other forms of calculation may be paid as infrequently as annually if prescribed in advance. (1975, c. 413, s. 3; 1977, c. 826, s. 3; 1979, c. 839, s. 1.)

§ 95-25.7. Payment to separated employees.

Employees whose employment is discontinued for any reason shall be paid all wages due on or before the next regular payday either through the regular pay channels or by trackable mail if requested by the employee in writing. Wages based on bonuses, commissions or other forms of calculation shall be paid on the first regular payday after the amount becomes calculable when a separation occurs. Such wages may not be forfeited unless the employee has been notified in accordance with G.S. 95-25.13 of the employer's policy or practice which results in forfeiture. Employees not so notified are not subject to such loss or forfeiture. (1975, c. 413, s. 4; 1979, c. 839, s. 1; 1981, c. 663, s. 1; 1993, c. 214, s. 1; 2021-82, s. 6.)

§ 95-25.7A. Wages in dispute.

(a) If the amount of wages is in dispute, the employer shall pay the wages, or that part of the wages, which the employer concedes to be due without condition, within the time set by this Article. The employee retains all remedies that the employee might
otherwise be entitled to regarding any balance of wages claimed by the employee, including those remedies provided under this Article.

(b) Acceptance of a partial payment of wages under this section by an employee does not constitute a release of the balance of the claim. Further, any release of the claim required by an employer as a condition of partial payment is void. (1989, c. 687, s. 1.)

§ 95-25.8. Withholding of wages.

(a) An employer may withhold or divert any portion of an employee's wages when:

1. The employer is required or empowered to do so by State or federal law;
2. When the amount or rate of the proposed deduction is known and agreed upon in advance, the employer must have written authorization from the employee which (i) is signed on or before the payday(s) for the pay period(s) from which the deduction is to be made; (ii) indicates the reason for the deduction; and (iii) states the actual dollar amount or percentage of wages which shall be deducted from one or more paychecks. Provided, that if the deduction is for the convenience of the employee, the employee shall be given a reasonable opportunity to withdraw the authorization; or
3. When the amount of the proposed deduction is not known and agreed upon in advance, the employer must have written authorization from the employee which (i) is signed on or before the payday(s) for the pay period(s) from which the deduction is to be made; and (ii) indicates the reason for the deduction. Prior to any deductions being made under this section, the employee must (i) receive advance written notice of the actual amount to be deducted; (ii) receive written notice of their right to withdraw the authorization; and (iii) be given a reasonable opportunity to withdraw the authorization in writing.

(b) The withholding or diversion of wages owed for the employer's benefit must comply with the following requirements:

1. In nonovertime workweeks, an employer may reduce wages to the minimum wage level.
2. In overtime workweeks, employers may reduce wages to the minimum wage level for nonovertime hours.
3. No reductions may be made to overtime wages owed.

(c) In addition to complying with the requirements in subsections (a) and (b) of this section, an employer may withhold or divert a portion of an employee's wages for cash shortages, inventory shortages, or loss or damage to an employer's property after giving the employee written notice of the amount to be deducted seven days prior to the payday on which the deduction is to be made, except that when a separation occurs the seven-day notice is not required.

(d) Notwithstanding subsections (a) and (b), above, an overpayment of wages to an employee as a result of a miscalculation or other bona fide error, advances of wages to an employee or to a third party at the employee's request, and the principal amount of loans made by an employer to an employee are considered prepayment of wages and may be withheld or deducted from an employee's wages. Deductions for interest and other charges related to loans by an employer to an employee shall require written authorization in accordance with subsection (a), above.
(e) Notwithstanding subsections (a) and (c), above, if criminal process has issued against an employee, an employee has been indicted, or an employee has been arrested pursuant to Articles 17, 20, and 32 of Chapter 15A of the General Statutes for a charge incident to a cash shortage, inventory shortage, or damage to an employer's property, an employer may withhold or divert a portion of the employee's wages in order to recoup the amount of the cash shortage, inventory shortage, or damage to the employer's property, without the written authorization required by this section, but the amount of such withholdings shall comply with the provisions of subsection (b) of this section. If the employee is not found guilty, then the amount deducted shall be reimbursed to the employee by the employer.

(f) For purposes of this section, a written authorization or written notice may be in the form of an electronic record in compliance with Article 40 of Chapter 66 (the Uniform Electronic Transactions Act).

(g) Nothing in this Article shall preclude an employer from bringing a civil action in the General Court of Justice to collect any amounts due the employer from the employee.

Employees not so notified are not subject to such loss or forfeiture. (1979, c. 839, s. 1; 1981, c. 663, s. 6; 2005-453, s. 20.)

amounts due under this section, including interest at the legal rate set forth in G.S. 24-1,
from the date each amount first came due, and the agreement to accept such amounts by

§ 95-25.23C. Report on youth employment enforcement activities.

(a) Findings. – The General Assembly finds that:

(1) There is an increasing need to protect the educational opportunities of youths under age 18 and to prohibit their employment in jobs and under conditions that are detrimental to their health and well-being.

(2) Although the statutory protections available for youths under age 18 who are employed in this State are comprehensive, those protections are rendered meaningless without effective enforcement.

(3) It is in the best interest of the State and its youngest workers to ensure that North Carolina employers are in full compliance with the youth employment laws and regulations enacted under the Wage and Hour Act.

(b) Intent. – Recognizing that the Department of Labor is the State agency charged with enforcing the Wage and Hour Act as it pertains to youth employment, the General Assembly intends to review the Department's education and enforcement activities on a regular basis in order to identify effective measures for enhancing youth employment protections in this State.

(c) Report. – No later than February 1 of each year, the Commissioner shall submit a written report to the Joint Legislative Oversight Committee on Agriculture and Natural and Economic Resources, the Joint Legislative Education Oversight Committee, and the Fiscal Research Division of the General Assembly on the Department of Labor's investigative, inspection, and enforcement activities under the Wage and Hour Act pertaining to youth employment. Each report submitted pursuant to this subsection shall contain data and information about the calendar year preceding the date on which the last written report was submitted. The report shall include at least all of the following:

(1) All activities the Department of Labor has sponsored or participated in for the purpose of educating employers about their responsibilities under the Wage and Hour Act.

(2) The total number of complaints received by the Department of Labor alleging youth employment violations under the Wage and Hour Act, or any regulations issued under the Wage and Hour Act, or both.

(3) The specific types of youth employment violations alleged and the ages of the youths referenced in the complaints received by the Department of Labor.
(4) The total number of investigations conducted by the Department of Labor concerning alleged youth employment violations, the length of the investigations, and the number of investigators assigned to conduct the investigations. For purposes of this subdivision, the Commissioner shall provide a separate analysis of (i) investigations initiated by the Department in response to a complaint, (ii) investigations initiated by the Department in the absence of a complaint, and (iii) alleged record-keeping violations pertaining to youth employment.

(5) The total number of administrative proceedings involving youth employment violations.

(6) The total number and identity of employers cited for youth employment violations and the industries or occupations that received the greatest and the least number of complaints alleging youth employment violations.

(7) The total number and dollar amount of civil penalties assessed pursuant to G.S. 95-25.23 and the total number and dollar amount of civil penalties actually collected pursuant to that section. For purposes of this subdivision, the Commissioner shall provide a detailed, itemized list of each civil penalty represented in the total number and dollar amounts reported pursuant to this subdivision and indicate whether each civil penalty is the result of a complaint.

(8) The total number and dollar amount of civil penalties assessed pursuant to G.S. 95-25.23A and the total number and dollar amount of civil penalties actually collected pursuant to that section. For purposes of this subdivision, the Commissioner shall provide a detailed, itemized list of each civil penalty represented in the total number and dollar amounts reported pursuant to this subdivision and indicate whether each civil penalty is the result of a complaint.

(9) An explanation of any obstacles that prevented the Department of Labor from enforcing any provision of the Wage and Hour Act as it pertains to youth employment, any recommended changes to the Wage and Hour Act to strengthen the Department of Labor's oversight and enforcement of youth employment laws and regulations in this State, and any other information related to the Department of Labor's enhanced enforcement of the State's youth employment laws and regulations.

(10) Recommendations about the funding needed by the Department to (i) eliminate any identified obstacles to enforcement of youth employment laws and regulations and (ii) effectively implement any recommended changes. (2009-139, s. 1; 2011-291, s. 2.21; 2017-57, s. 14.1(nn).)

The General Court of Justice has jurisdiction and authority upon application of the Commissioner to enjoin or restrain violations of this Article, including the restraint of any withholding of payment of unpaid wages, minimum wages, or overtime compensation found by the court to be due to employees under this Article (except sums which employees are barred from recovering, at the time of the commencement of the action to restrain the violations, by virtue of the applicable statute of limitations). (1979, c. 839, s. 1; 1991, c. 330, s. 4.)
§ 95-25.24A. Franchisee status.

Neither a franchisee nor a franchisee's employee shall be deemed to be an employee of the franchisor for any purposes, including, but not limited to, this Article and Chapters 96, 97, and 105 of the General Statutes. (a) As used in this section, "employer" means the State and all political subdivisions of the State, public and quasi-public corporations, boards, bureaus, commissions, councils, and private employers with three or more regularly employed employees.

(b) It is an unlawful employment practice for an employer to fail or refuse to hire a prospective employee, or discharge or otherwise discriminate against any employee with respect to compensation, terms, conditions, or privileges of employment because the prospective employee or the employee engages in or has engaged in the lawful use of lawful products if the activity occurs off the premises of the employer during nonworking hours and does not adversely affect the employee's job performance or the person's ability to properly fulfill the responsibilities of the position in question or the safety of other employees.

(c) It is not a violation of this section for an employer to do any of the following:

1. Restrict the lawful use of lawful products by employees during nonworking hours if the restriction relates to a bona fide occupational requirement and is reasonably related to the employment activities. 2. Restrict the lawful use of lawful products by employees during nonworking hours if the restriction relates to the fundamental objectives of the organization.

3. Discharge, discipline, or take any action against an employee because of the employee's failure to comply with the requirements of the employer's substance abuse prevention program or the recommendations of substance abuse prevention counselors employed or retained by the employer.

Therefore, employers shall grant four hours per year leave to any employee who is a parent, guardian, or person standing in loco parentis of a school-aged child so that the employee may attend or otherwise be involved at that child's school. However, any leave under this section is subject to the following conditions:

(2) The employer may require an employee to provide the employer with a written request for the leave at least 48 hours before the time desired for the leave.

(c) An employee who is demoted or discharged or who has had an adverse employment action taken against him or her in violation of this section may bring a civil action within one year from the date of the alleged violation against the employer who violates this section and obtain either of the following:

(1) Any wages or benefits lost as a result of the violation; or

(2) An order of reinstatement without loss of position, seniority, wages, or benefits.

It is hereby declared as the public policy of this State that the best interests of the people of the State are served by the prompt settlement of labor disputes; that strikes and lockouts and other forms of industrial strife, regardless of where the merits of the controversy lie, are forces productive ultimately of economic waste; that the interests and rights of the consumers and the people of the State, while not direct parties to such disputes, should always be considered, respected and protected; and, where efforts at amicable settlement have been unsuccessful, that the voluntary arbitration of such disputes will tend to promote permanent industrial peace and the health, welfare, comfort and safety of the people of the State. To carry out such policies, the necessity for the enactment of the provisions of this Article is hereby declared as a matter of legislative determination. (1945, c. 1045, s. 1; 1951, c. 1103, s. 1.)

The arbitrator or panel shall appoint a time and place for the hearing, and notify the parties thereof, and may postpone or adjourn the hearing from time to time as may be necessary, subject to any time limits which are agreed upon by the parties. If any party neglects to appear before the arbitrator or panel after reasonable notice, the arbitrator or panel may nevertheless proceed to hear and determine the controversy. Unless the parties have otherwise agreed, the findings and decision of a majority of an arbitration panel shall constitute the award of the panel and, if a majority vote of the panel cannot be obtained, then the findings and decision of the impartial chairman of the panel shall constitute such award. To be enforceable, the award shall be handed down within 60 days after the written statement of the issues or questions in dispute has been received by the arbitrator or panel, or within such further time as may be agreed to by the parties. (1945, c. 1045, s. 5; 1947, c. 379, ss. 1-3; 1951, c. 1103, s. 1.)

(a) Written agreements to arbitrate labor disputes, including but not restricted to controversies relating to wages, hours and other conditions of employment, shall be valid, enforceable and irrevocable, except upon such grounds as exist in law or equity for the rescission or revocation of any contract, in either of the following cases:

   (1) Where there is a provision in a collective bargaining agreement or any other contract, hereafter made or extended, for the settlement by arbitration of a controversy or controversies thereafter arising between the parties;

   (2) Where there is an agreement to submit to arbitration a controversy or controversies already existing between the parties.

(b) Any arbitration award, made pursuant to an agreement of the parties described in subsection (a) of this section and in accordance with this Article, shall be final and binding upon the parties to the arbitration proceedings. (1945, c. 1045, s. 5; 1947, c. 379, ss. 1-3; 1951, c. 1103, s. 1.)

§ 95-36.9. Stay of proceedings.

(a) If any action or proceeding be brought in any court upon any issue referable to arbitration under an agreement described in subsection (a) of G.S. 95-36.8, the court where the action or proceeding is pending or a judge of the superior court having jurisdiction in any county where the dispute arose shall stay the action or proceeding, except for any temporary relief which may be appropriate pending the arbitration award, until such arbitration has been had in accordance with the terms of the agreement. The application for stay may be made by motion in writing of a party to the agreement, but such motion must be made before answer or demurrer to the pleading by which the action or proceeding was begun.

(b) Any party against whom arbitration proceedings have been initiated may, within 10 days after receiving written notice of the issue or questions to be passed upon at the arbitration hearing,
apply to any judge of the superior court having jurisdiction in any county where the dispute arose for a stay of the arbitration upon the ground that he has not agreed to the arbitration of the controversy involved. Any such application shall be made in writing and heard in a summary way in the manner and upon the notice provided by law or rules of court for the making and hearing of motions generally, except that it shall be entitled to priority in the interest of prompt disposition. If no such application is made within said 10-day period, a party against whom arbitration proceedings have been initiated cannot raise the issue of arbitrability except before the arbitrator and in proceedings subsequent to the award.

(c) Any party against whom an arbitration award has been issued may, within 10 days after receiving written notice of such award, apply to any judge of the superior court having jurisdiction in any county where the dispute arose for a stay of the award upon the ground that it exceeds the authority conferred by the arbitration agreement. Any such application shall be made in writing and heard in a summary way in the manner and upon the notice provided by law or rules of court for the making and hearing of motions generally, except that it shall be entitled to priority in the interest of prompt disposition. If no such application is made within said 10-day period, a party against whom arbitration proceedings have been initiated cannot raise the issue of arbitrability except before the arbitrator or arbitrators, or in proceedings to enforce the award. Any failure to abide by an award shall not constitute a breach of the contract to arbitrate, pending disposition of a timely application for stay of the award pursuant to this paragraph. (1951, c. 1103, s. 1.)

stockholders who own at least twenty percent (20%) of the issued and outstanding voting
stock of the corporation, or if the service is owned by an association, society, or corporation
in which no one individual owns at least twenty percent (20%) of the issued and
outstanding voting stock, the application shall be made by the president, vice-president,
secretary and treasurer of the owner, by whatever title designated. The application shall
state the name and address of the individual who is responsible for the direction and
operation of the placement activities of the private personnel service whether that
individual be one of the applicants or another person; whether or not that individual has
ever been employed in a private personnel service; the name and address of each of the
license applicant's prior employers during the five years immediately preceding the license
application; and such other information relating to the good moral character of that
individual as the Commissioner may require. No change in such persons shall take place
without prior notification to the Commissioner.

(c)  Each application for license shall be in writing and in the form prescribed by the
Commissioner, and shall state truthfully the name under which the business is to be
conducted; the street and number of the building or place where the business is to be
conducted.

(d)  Upon the receipt of an application for a license the Commissioner:

(1)  Shall publish a notice of the pending application in a newspaper of general
circulation in the area of the proposed location of the employment agency and
may publish the notice in a newspaper of general circulation in each area in which the applicant (or if a corporation, the president and majority shareholder) has resided during the five years preceding the time of the application. The applicant shall incur the cost associated with the publication of this legal advertisement. The notice shall include a statement informing individuals of their right to protest the issuance of a license by filing within 10 days written comments with the Commissioner. The protest shall be in writing and signed by the person filing the protest or by his authorized agent or attorney, and shall state reasons why the license should not be granted. Upon the filing of a protest, the Commissioner, if he determines the protest to be of such a nature that a hearing should be conducted and that the protest is for a cause on which denial of a license may properly be based, shall appoint a time and place for a hearing on the application and shall give at least seven days' notice of that time and place to the license applicant and to the person filing the protest. The hearing shall be conducted in accordance with the provisions of the rules of the Administrative Procedure Act.

(2) Shall investigate the character, criminal record and business integrity of each applicant for agency license and shall investigate the criminal records of all persons listed as agency owners, officers, directors or managers. The applicant and all agency owners, officers, directors and managers shall assist the department in obtaining necessary information by authorizing the release of all relevant information. The applicant shall incur the cost associated with this background investigation.

(2a) The Department of Public Safety may provide a criminal record check to the Commissioner for a person or agency who has applied for a license through the Commissioner. The Commissioner shall provide to the Department of Public Safety, along with the request, the fingerprints of all applicants, any additional information required by the Department of Public Safety, and a form signed by the applicants consenting to the check of the criminal record and to the use of the fingerprints and other identifying information required by the State or national repositories. The applicants' fingerprints shall be forwarded to the State Bureau of Investigation for a search of the State's criminal history record file, and the State Bureau of Investigation shall forward a set of the fingerprints to the Federal Bureau of Investigation for a national criminal history check. The Commissioner shall keep all information pursuant to this subdivision privileged, in accordance with applicable State law and federal guidelines, and the information shall be confidential and shall not be a public record under Chapter 132 of the General Statutes.

The Department of Public Safety may charge each applicant a fee for conducting the checks of criminal history records authorized by this subdivision.

(3) Upon completion of the investigation, or 60 days after the application was received, whichever is later, but in no case more than 75 days after the application was received, shall determine whether or not a license should be issued. The license shall be denied for any of the following reasons:
a. If the applicant for agency license, or the president or majority shareholder of a corporate applicant, omits or falsifies any material information asked for in the application and required by the Commissioner.

b. If any owner, officer, director or manager of the employment agency:
   1. Has been convicted in any state of the criminal offense of embezzlement, obtaining money under false pretenses, forgery, conspiracy to defraud or any similar offense involving fraud or moral turpitude;
   2. Was an owner, officer, director or manager of an employment agency or other business whose license was revoked or that was otherwise caused to cease operation by action of any State or federal agency or court because of violations of law or regulation relating to deceptive or unfair practices in the conduct of business;
   3. As an owner or manager of an employment agency or other business or as an employment counselor was found by any State or federal agency or court to have violated any law or regulation relating to deceptive or unfair practices in the conduct of business; or
   4. In any other demonstrable way engaged in deceptive or unfair practices in the conduct of business.

c. If the employment agency will be operated on the same premises as a loan agency (as defined in G.S. 105-88) or collection agency (as defined in G.S. 58-70-15).

e. If it appears upon the hearing or from the inspection, examination or investigation made by the Commissioner that the owners, partners, corporation officers or the agency manager are not persons of good moral character or that the license applicant has not complied with the provisions of this Article, the application shall be denied and a license shall not be granted. The Commissioner shall find facts to substantiate his denial of the issuance of a license. Each application shall be granted or refused within 60 days from the date of its filing, or if a hearing is held, within 75 days. Any license heretofore or hereafter issued shall expire 12 months from the date of its issuance, and shall be renewed as hereinafter provided unless sooner revoked by the Commissioner.

f. No license shall be granted to a person to operate as a private personnel service where the name of the business is similar or identical to that of any existing licensed business (except where a franchiser has licensed two or more persons to use the same name within the State) or directly or indirectly expresses or connotes any limitation, specification or discrimination contrary to current State or federal laws against discrimination in employment.

g. Every license shall contain the name of the person licensed and shall designate the city in which the license is issued, the name of the manager and date of the license. The license shall be displayed in a conspicuous place in the area where job applicants are received by the agency.
(h) A license granted as provided in this Article shall not be valid for any person other than the person to whom it is issued or for any place other than that designated in the license and shall not be assigned or transferred without the consent of the Commissioner, whose consent must be based on the standards contained in this Article. Applications for consent to assign or transfer shall be made in the same manner as an application for a license, and all the provisions of this Article shall apply to applications for consent. The location of a private personnel service shall not be changed without notice to the Commissioner, and any change of location shall be endorsed upon the license. A person who has obtained a license in accordance with the provisions of this Article may apply for additional licenses to conduct additional private personnel services in accordance with the provisions of this Article. The manner of application, and the conditions and terms applicable to the issuance of the additional licenses shall be the same as for an original license. The same agency manager may be designated in all such licenses.

(i) Temporary license. – If ownership of a licensed private personnel service is transferred, the department shall issue a temporary license to any new owner or successor if it appears to the department that issuance of such a license would serve the public interest. A temporary license shall be effective for a period of 90 days and shall not be renewed.

(j) Each licensee shall, before the license is issued or renewed, deposit with the department a bond payable to the State of North Carolina and executed by a surety company duly authorized to transact business in the State of North Carolina in the amount of ten thousand dollars ($10,000) and upon condition that the private personnel service will pay to applicants all refunds due under this Article and regulations adopted hereunder if the private personnel service terminates its business. (1929, c. 178, ss. 2, 3; 1931, c. 312, s. 3; 1979, c. 780, s. 1; 1987, c. 282, s. 12; 1989, c. 414, s. 2; 2002-147, s. 12; 2003-308, s. 9; 2014-100, s. 17.1(o).)

§ 95-47.3. Fees and contracts; filing with Commissioner.

(a) Every license applicant shall file with the Commissioner a schedule of fees or charges made by the private personnel service to applicants for employment for any services rendered, stating clearly the conditions under which the private personnel service refunds or does not refund a fee, together with all rules or regulations that may in any manner affect the fees charged or to be charged for any service. Every license applicant and licensee shall include in its schedule of fees or charges a clear description of how it determines fees for placement of employment, the compensation of which is based, in whole or in part, on commission. Changes in the schedule may be made, but no change shall become effective until seven calendar days after the filing thereof with the Commissioner. It is unlawful for a private personnel service to charge, demand, collect or receive a greater compensation from an applicant for employment for any service performed than as specified in the schedule filed with the Commissioner.

(b) Every license applicant shall file with the Commissioner a copy of the contract which the private personnel service will require applicants for employment to execute. (1979, c. 780, s. 1; 1991 (Reg. Sess., 1992), c. 970, s. 1.)

§ 95-47.3A. Fee reimbursement from employers due to overstated earnings expectations.
(a) An applicant who accepts employment that is compensated in whole or in part on a commission basis, and who pays a fee to the licensee calculated on the commission-based compensation amount stated by the employer in the written job order, may file a written complaint with the Commissioner if the applicant did not earn at least eighty percent (80%) of the compensation amount stated by the employer in the written job order. If the applicant files the written complaint before the period upon which the anticipated earnings is based has ended, the Commissioner shall prorate the amount earned over the period of time the applicant worked prior to the filing of the complaint in order to determine whether or not the applicant earned at least eighty percent (80%) of the compensation amount stated by the employer in the written job order.

(b) The Commissioner shall investigate all complaints filed pursuant to subsection (a) of this section. After completion of the investigation and a hearing, the Commissioner shall order the employer to reimburse the applicant for part or all of the fee paid by the applicant to the licensee if the Commissioner finds the applicant is entitled to the refund based on all of the following:

1. The applicant did not earn at least eighty percent (80%) of the compensation amount stated by the employer in the written job order;
2. The licensee reasonably relied on the compensation information provided by the employer in calculating the fee paid by the applicant;
3. It is unrealistic to expect that an employee could earn substantially the amount of commission-based compensation stated by the employer in the written job order filed with the licensee; and
4. The fee paid by the applicant to the licensee was calculated based on the commission-based compensation stated by the employer in the written job order.

(c) The reimbursement due the applicant under subsection (b) shall be the difference between the fee actually paid by the applicant to the licensee, and the fee that the applicant would have paid if the compensation stated by the employer in the written job order had been what the applicant actually earned or reasonably could have earned during the applicable employment period.

(d) The Commissioner shall adopt rules setting forth procedures for complaints and investigations, and standards for determining whether a statement by the employer in the licensee's written job order of potential or anticipated commission-based earnings is realistic under the circumstances. The Commissioner or his authorized representative shall have power to administer oaths and examine witnesses, issue subpoenas, compel the attendance of witnesses and the production of papers, books, accounts, records, payrolls, documents, and take depositions and affidavits in any proceeding hereunder. Additionally, the Commissioner shall adopt rules setting forth procedures for enforcement of any order made under subsections (b) and (c) of this section. Rules adopted by the Commissioner pursuant to this section shall be in accordance with Chapter 150B of the General Statutes.

(e) The Commissioner shall enforce and administer the provisions of this section, and the Commissioner or his authorized representative is empowered to hold hearings and to institute civil proceedings to collect on behalf of the applicant any amounts determined to be owed by the employer. (1991 (Reg. Sess., 1992), c. 970, s. 3.)

§ 95-47.4. Contracts; contents; approval; tying contracts forbidden.

(a) A contract between a private personnel service and an applicant shall be in writing, labeled as a contract, physically separate from any application and made in duplicate. One copy
shall be given to the applicant and the other shall be kept by the private personnel service as required by G.S. 95-47.5(2).

(b) Any contract that obligates an applicant to pay a fee to the private personnel service shall include:

1. The name, address and telephone number of the private personnel service;
2. The name of the applicant;
3. The date the contract was signed;
4. A clear schedule of the fees to be charged to the applicant at various salary levels;
5. A clear explanation of when the applicant becomes obligated to pay a fee;
6. A clear refund policy (or no refund policy) that conforms to the requirements of G.S. 95-47.4(f) and (g);
7. If the applicant is obligated whether or not the applicant accepts employment, a clear explanation of the services provided and a statement that the private personnel service does not guarantee that the applicant will obtain employment as a result of its services;
8. A statement, in a type size no smaller than nine point, directly above the place for the applicant's signature, that reads as follows: "I have read and received a copy of this CONTRACT, which I understand makes me legally obligated to pay a fee under conditions outlined above." In the preceding statement the word "CONTRACT" and no others shall be in all capitals; and
9. A statement that the private personnel service is licensed and regulated by the Commissioner and the address at which a copy of laws and regulations governing private personnel services may be obtained.

(c) A copy of each contract form to be used with applicants shall be filed with the Commissioner. Until the private personnel service receives written notification from the Commissioner that the form conforms to the requirements of this Article and regulations adopted hereunder, it shall not be used with applicants.

(d) A private personnel service shall not require an applicant to sign a contract with the private personnel service before the applicant has had an opportunity to read the contract and discuss the contract with an employee of the personnel agency who regularly arranges contacts and assists in negotiations between employers and applicants. A private personnel service shall not coerce an applicant into signing a contract by applying or using duress, undue influence, fraud or misrepresentation sufficient to invalidate the contract under North Carolina law.

(e) Any contract that obligates an applicant to pay a fee to the private personnel service when the applicant accepts employment shall be physically separate from any contract that obligates an applicant to pay a fee whether or not the applicant accepts employment. A private personnel service shall not require an applicant to sign one contract as a prerequisite to signing another contract or to pay a fee as a prerequisite to signing a contract. Express violations of this subsection are the following:

1. Refusal to allow an applicant to contract for counseling, job information or resume writing services, if the applicant does not agree to pay an additional fee upon acceptance of employment; and
2. Refusal to allow an applicant to contract for services which obligate the applicant only upon acceptance of employment, if the applicant does not agree
to pay a registration fee or to contract for counseling, resume writing or other services.

(f) If a private personnel service has a refund policy, included on each contract that obligates an applicant upon acceptance of employment will be a statement defining:
   (1) The length of the period of time covered by the refund policy;
   (2) The exact manner of computing the refund so that the amount of refund due the applicant will be clear;
   (3) The conditions under which a refund becomes due to the applicant. The conditions of the refund, if other than unconditional policy is used, shall contain a definition of the reasons for which a refund will not be made. A refund will not be denied except for a reason so stated in the definition of the contract;
   (4) A personnel service shall abide by the refund policy stated on its contract by promptly paying to applicants any refund due under the terms of the contract.

(g) If a private personnel service has no refund policy, the private personnel service shall include on each contract that obligates an applicant upon acceptance of employment, in a type size no smaller than nine point, a statement that reads as follows:
   "__________ (name of private personnel service) will make NO REFUND under any circumstances of fees paid by the applicant." In the preceding statement the words NO REFUND and no others shall be in all capitals.

(h) If a private personnel service places an applicant in a position of employment, the compensation of which is based, in whole or in part, on commission, the private personnel service shall:
   (1) Have a written job order from the employer that includes the anticipated earnings upon which the private personnel service may base its fee, or
   (2) In lieu of the written job order required by subdivision (1) of this subsection, have a policy of providing the same fee reimbursement as may be available to applicants from employers under the provisions of G.S. 95-47.3A.

In no case may the applicant collect the same reimbursement from both the employer and the private personnel service. When the private personnel service elects to obtain the written job order from the employer and not have its own reimbursement policy as described in subdivision (2) of this subsection, the private personnel service shall explain to the applicant and the employer how the fee for the placement is calculated, and shall inform in writing both the applicant and the employer of the provisions of G.S. 95-47.3A governing fee refunds from employers. (1979, c. 780, s. 1; 1991 (Reg. Sess., 1992), c. 970, s. 2; 1993, c. 202, s. 1; 1993 (Reg. Sess., 1994), c. 769, s. 29(a).)

§ 95-47.5. Records.

Every private personnel service shall maintain for a period of two years, the following records:
   (1) Job orders or job specifications.
   (2) Executed applicant contracts.
   (3) Information on all placements made, including the employer's name and address; name and address of applicant placed; salary of the position; amount of fee charged; and refunds, where applicable. (1929, c. 178, s. 4; 1931, c. 312, s. 3; 1979, c. 780, s. 1.)

§ 95-47.6. Prohibited acts.
A private personnel service shall not engage in any of the following activities or conduct:

1. Induce or attempt to induce any employee placed by that private personnel service to terminate his employment in order to obtain other employment through the private personnel service; or procure or attempt to procure the discharge of any person from his employment.

2. Publish or cause to be published any false or fraudulent information, representation, promise, notice or advertisement.

3. Advertise in newspapers or otherwise, unless the advertising contains the name of the private personnel service and the word "personnel service."

4. Direct an applicant to visit or call upon an employer for the purpose of obtaining employment without having first obtained a job order or authorization from the employer for the interview. A private personnel service may attempt to sell the services of an applicant to an employer from whom no job order has been received and may charge a fee if the efforts result in the applicant's being employed.

5. Send or cause to be sent any person to any employer where the private personnel service knows that the prospective employment is or would be in violation of State or federal laws governing minimum wages or child labor, or has been notified that a labor dispute is in progress, without notifying the applicant of that fact, or knowingly arrange an interview for an employment or occupation prohibited by law.

6. Send or cause to be sent any person to any place which the private personnel service knows is maintained for immoral or illicit purposes.

7. Divide or share, either directly or indirectly, the fees collected by the private personnel service, with contractors, sub-contractors, employers or their agents, foremen or anyone in their employ, or if the contractors, sub-contractors or employers be a corporation, any of the officers, directors or employees of the corporation to whom applicants for employment are sent.

8. Make, cause to be made, or use any name, sign or advertising device bearing a name which is similar to or may reasonably be confused with the name of a federal, State, city, county or other governmental unit or agency.

9. Knowingly make any false or misleading promise or representation or give any false or misleading information to any applicant or employer in regard to any employment, work or position, its nature, location, duration, compensation or the circumstances surrounding any employment, work or position including the availability thereof.

10. Accept a registration fee from an applicant.

11. Impose or attempt to collect any fee from any applicant unless that applicant accepts employment with an employer to which the applicant was directly or indirectly introduced by the private personnel service.

12. A fee may be charged for resume writing provided the private personnel service does not require the applicant to become obligated for any other services. (1979, c. 780, s. 1.)

§ 95-47.8: Repealed by Session Laws 2003-308, s. 11, effective July 1, 2003.

§ 95-47.9. Enforcement of Article; rules; hearing; penalty; criminal penalties.

(a) This Article shall be enforced by the Commissioner. The Commissioner or any duly authorized agent, deputies or assistants designated by the Commissioner, may upon receipt of a complaint that a private personnel service has violated a specific section of this Article, inspect those records relevant to the complaint which this Article requires the private personnel service to retain. The Commissioner may also subpoena those records and witnesses and may conduct investigations of any employer or other person where the Commissioner has reasonable grounds for believing that the employer or person has conspired or is conspiring with a private personnel service to violate this Article.

(b) The Commissioner shall adopt rules necessary to carry out and administer the provisions of this Article.

(c) Complaints against any licensed person shall be made in writing to the Commissioner.

(1) If the complaint alleges a violation of this Article, the Commissioner shall cause an investigation to be made. If, as a result of the investigation, the Commissioner has reason to believe that a material violation of this Article has been committed by a private personnel service, the Commissioner may, after compliance with Chapter 150B of the General Statutes, deny, suspend, or revoke a license issued under this Article if it is determined that the licensee or any employee of the licensee is guilty of violating the provisions of this Article. In addition, the Commissioner may issue warnings or levy a fine against the private personnel service that shall not exceed two hundred fifty dollars ($250.00).

(2) The denial, revocation, or suspension of a license or the issuance of a warning or fine by the Commissioner shall be in writing, shall be signed by the Commissioner or the Commissioner's designee, and shall state the grounds upon which the decision is based. The aggrieved person shall have the right to appeal from the decision as provided by Chapter 150B of the General Statutes.

(d) Whenever a license is revoked pursuant to subsection (c) of this section, another license shall not be issued to the same person within three years from the date of the revocation.

(e) Any person who operates as a private personnel service without first obtaining the appropriate license (i) shall be guilty of a Class 1 misdemeanor; and (ii) be subject to a civil penalty of not less than fifty dollars ($50.00) nor more than one hundred dollars ($100.00) for each day the private personnel service operates without a license, the penalty not to exceed a total of two thousand dollars ($2,000). Actions to recover civil penalties shall be initiated by the Attorney General. The clear proceeds of civil penalties provided for in this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1929, c. 178, ss. 3-5, 7, 9; 1931, c. 312, s. 3; 1979, c. 780, s. 1; 1993, c. 539, s. 663; 1994, Ex. Sess., c. 24, s. 14(c); 1998-215, s. 109; 2003-308, s. 12.)

§ 95-47.10. Power of Commissioner to seek injunction.

The Commissioner may apply to courts having jurisdiction for injunctions to prevent violations of this Chapter or of rules issued pursuant thereto, and such courts are empowered to grant such injunctions regardless of whether criminal prosecution or other action has been or may be instituted as a result of such violation. A single act of unauthorized or illegal practice shall be sufficient, if
shown, to invoke the injunctive relief of this section or criminal or civil penalties under G.S. 95-47.9(e). (1979, c. 780, s. 1.)

§ 95-47.11. Government employment agencies unaffected.

This Article shall not in any manner affect or apply to the State of North Carolina, the government of the United States, or to any city, county or town, or any agency of any of those governments. (1929, c. 178, s. 10; 1979, c. 780, s. 1.)

§ 95-47.12. License taxes placed upon agencies not affected.

This Article is not intended to conflict with or affect any license tax placed upon private personnel services by the revenue laws of North Carolina, but instead shall be construed as supplementary thereto in exercising the police powers of the State. (1929, c. 178, s. 11; 1979, c. 780, s. 1.)

§ 95-47.13. Severability.

If any provision of this Article or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications, and to this end the provisions of this Article are severable. (1929, c. 178, s. 9; 1979, c. 780, s. 1.)

Any temporary help service as described in G.S. 95-47.1(16)c. that operates in North Carolina shall notify the Department of Labor in writing that the temporary help service:

1. Operates only as a temporary help service;
2. Establishes an employer-employee relationship with its temporaries;
3. Does not operate as a private personnel service or an employer fee paid personnel consulting service. (1989, c. 414, s. 3.)

§ 95-47.15. Certification requirement.

Any employer fee paid personnel consulting service or temporary help service, as the two terms are described in G.S. 95-47.1(16)f., that operates in North Carolina shall certify annually to the Department of Labor on a form prescribed by the Commissioner that the service:

1. Operates on a one hundred percent (100%) employer fee paid basis;
2. Requires no applicant placement contract; and
3. Has no recourse against an applicant for a fee under any circumstances. (1989, c. 414, s. 3.)

Special Inspectors shall not include employees of private contract inspection agencies.
(3) **Owner-User Inspectors.** – Shall be a qualified individual employed on a full-time basis by a company operating pressure vessels for its own use and not for resale, and maintains an established inspection program for periodic inspection of pressure vessels owned or used by that company and where such inspection program is under the supervision of one or more engineers having qualifications satisfactory to the Commissioner.

(b) **Inspector's Commission.** – Any company authorized to insure in this State against loss to person or property as a result of an explosion or accident involving boilers and pressure vessels or operating boilers or pressure vessels or both for its own use and not for resale, may apply for the issuance of an inspector's commission for an individual within its employ who has a commission from the National Board.

Those inspectors holding commissions as special inspectors shall be limited to making inspections on boilers and pressure vessels insured by their employer. Owner-user inspectors shall be limited to conducting inspections on boilers and pressure vessels operated by their respective employers.

All boilers and pressure vessels subject to the provisions of this Article shall be inspected by a commissioned inspector. The Commissioner may determine both the frequency and the method of inspection. In determining the frequency of inspection, the Commissioner shall give due consideration to the hazard involved and the need for the protection of the public. The method of inspection must provide an adequate procedure to insure the safety of individuals likely to be injured by an explosion or accident involving a boiler or pressure vessel.

No boiler or pressure vessel may be operated without an inspection certificate, except pressure vessels being operated under an owner-user provision where administrative procedures of equal safety and competency have been approved by the Commissioner. No more than 60 days grace period may be granted beyond the certificate expiration date. (1975, c. 895, s. 9; 1993, c. 351, s. 4; 2005-453, s. 8; 2007-231, s. 3; 2015-221, s. 2.9.)

§ 95-69.17. **Noncomplying devices; appeal.**

(a) If the Commissioner determines that a boiler or pressure vessel is subject to the provisions of this Article and that the operation of the boiler or pressure vessel is exposing the public to an unsafe condition likely to result in serious personal injury or property damage, the Commissioner may immediately order in writing that the use of the boiler or
pressure vessel be stopped or limited until the Commissioner determines that the boiler or pressure vessel has been made safe for operation.

(b) If the Commissioner determines that the provisions of this Article or the rules adopted pursuant to this Article have not been complied with, the Commissioner may refuse to issue or renew or may revoke, suspend, or amend an inspection certificate.

(c) Any action taken under this section by the Commissioner shall be final, unless within 15 days after receipt of notice thereof by certified mail with return receipt, by signature confirmation as provided by the U.S. Postal Service, by a designated delivery service authorized pursuant to 26 U.S.C. § 7502(f)(2) with delivery receipt, or via hand delivery, the person against whom such action was taken takes exception to the determination, in which event the final determination of the action shall be made in an administrative proceeding and in a judicial proceeding pursuant to Chapter 150B of the General Statutes, the Administrative Procedure Act. § 95-69.18. Operation without inspection certificate; operation not in compliance with this Article; operation after nonissuance or revocation of certificate.

(a) No person may operate or permit to be operated any boiler or pressure vessel subject to the provisions of this Article without a valid inspection certificate unless the absence of a valid inspection certificate is the result of the Commissioner's failure to inspect the device.

(b) No person may operate or permit to be operated any boiler or pressure vessel subject to the provisions of this Article other than in accordance with this Article and the rules adopted pursuant to this Article.

(c) No person may operate or permit to be operated any boiler or pressure vessel subject to the provisions of this Article after the Commissioner has refused to issue or has revoked the inspection certificate for the boiler or pressure vessel. (b) Any person who violates G.S. 95-69.18(c) (operation after refusal to issue or after revocation of inspection certificate) shall be subject to a civil penalty not to exceed five hundred dollars ($500.00) for each day any such boiler or pressure vessel is so operated or used.

(c) In determining the amount of any penalty ordered under authority of this section, the Commissioner shall give due consideration to the appropriateness of the penalty with respect to the size of the business of the person being charged, the gravity of the violation, the good faith of the person, and the record of previous violations.

(d) The determination of the amount of the penalty by the Commissioner shall be final, unless within 15 days after receipt of notice thereof by certified mail with return receipt, by signature confirmation as provided by the U.S. Postal Service, by a designated delivery service authorized pursuant to 26 U.S.C. § 7502(f)(2) with delivery receipt, or via hand delivery, the person charged with the violation takes exception to the determination in which event the final
determination of the penalty shall be made in an administrative proceeding and in a judicial proceeding pursuant to Chapter 150B of the General Statutes, the Administrative Procedure Act.

(c) The Commissioner may file in the office of the clerk of the superior court of the county where the violation occurred or where the person against whom a civil penalty has been ordered resides, or if a corporation is involved in the county where the corporation maintains its principal place of business, a certified copy of a final order of the Commissioner unappealed from, or of a final order of the Commissioner affirmed upon appeal. Upon filing of the final order, the clerk of superior court shall enter judgment in accordance with the order and notify the parties. § 95-125.3. Violations; civil penalties; appeal; criminal penalties.

Any person who violates G.S. 95-118 (Registration required; application procedures) is subject to a civil penalty not to exceed one thousand two hundred fifty dollars ($1,250) for each day each device is so operated or used.

Any person who violates G.S. 95-120.1 (Liability insurance) or G.S. 95-125.2 (Reports required) is subject to a civil penalty not to exceed two thousand five hundred dollars ($2,500) for each day each device is so operated and used.

Any person who violates G.S. 95-125.1 (Operation of unsafe device) is subject to a civil penalty not to exceed five thousand dollars ($5,000) for each day each device is so operated and used.

In determining the amount of any penalty ordered under authority of this section, the Commissioner shall give due consideration to the appropriateness of the penalty with respect to the annual gross volume of the person being charged, the gravity of the violation, the good faith of the person, and the record of previous violations.

The Commissioner's determination of the amount of the penalty is final, unless within 15 days after receipt of notice thereof by certified mail with return receipt, by
signature confirmation as provided by the U.S. Postal Service, by a designated delivery service authorized pursuant to 26 U.S.C. § 7502(f)(2) with delivery receipt, or via hand delivery, the person charged with the violation takes exception to the determination, in which event final determination of the penalty shall be made in an administrative proceeding pursuant to Chapter 150B of the General Statutes, the Administrative Procedures Act.

(f) The Commissioner may file in the office of the clerk of the superior court of the county wherein the person, against whom a civil penalty has been ordered, resides or, if a corporation is involved, in the county wherein the violation occurred, a certified copy of a final order of the Commissioner unappealed form, or of a final order of the Commissioner affirmed upon appeal. Upon such filing, the clerk of said court shall enter judgment in accordance with the final order and notify the parties. The judgment shall have the same effect, and all proceedings in relation to the judgment shall thereafter be the same, as though the judgment had been rendered in a suit duly heard and determined by the superior court of the General Court of Justice.

(g) Any person who willfully violates any provision of this Article and that violation causes the serious injury or death of any person, then the person is guilty of a Class E felony, which shall include a fine.

(h) Nothing in this section prevents any prosecuting officer of the State of North Carolina from proceeding against a person who violates this Article on a prosecution charging any degree of willful or culpable homicide. (2017-211, s. 14(c).)

Article 16.

Occupational Safety and Health Act of North Carolina.

§ 95-126. Short title and legislative purpose.

(a) This Article shall be known as the "Occupational Safety and Health Act of North Carolina" and also may be referred to by abbreviations as "OSHANC."

(b) Legislative findings and purpose:

(1) The General Assembly finds that the burden of employers and employees of this State resulting from personal injuries and illnesses arising out of work situations is substantial; that the prevention of these injuries and illnesses is an important objective of the government of this State; that the greatest hope of attaining this objective lies in programs of research, education and enforcement, and in the earnest cooperation of the federal and State governments, employers and employees.

(2) The General Assembly of North Carolina declares it to be its purpose and policy through the exercise of its powers to ensure so far as possible every working man and woman in the State of North Carolina safe and healthful working conditions and to preserve our human resources:

a. By encouraging employers and employees in their effort to reduce the number of occupational safety and health hazards at the place of employment, and to stimulate employers and employees to institute new
and to perfect existing programs for providing safe and healthful working conditions;

b. By providing that employers and employees have separate but dependent responsibilities and rights with respect to achieving safe and healthful working conditions;

c. By authorizing the Commissioner to develop occupational safety and health standards applicable to business giving consideration to the needs of employers and employees and to adopt standards promulgated from time to time by the Secretary of Labor under the Occupational Safety and Health Act of 1970, and by creating a safety and health review commission for carrying out adjudicatory functions under this Article;

d. By building upon advances already made through employer and employee initiative for providing safe and healthful working conditions;

e. By providing occupational health criteria which will assure insofar as practicable that no employee will suffer diminished health, functional capacity, or life expectancy as a result of his work experience;

f. By providing for training programs to increase the number and competence of personnel engaged in the field of occupational safety and health;

g. By providing an effective enforcement program which shall include a prohibition against giving advance notice of an inspection and sanctions for any individual violating this prohibition;

h. By providing for appropriate reporting procedures with respect to occupational safety and health which procedures will help achieve the objectives of this Article and accurately describe the nature of the occupational safety and health problem;

i. By encouraging joint employer-employee efforts to reduce injuries and diseases arising out of employment;

j. By providing for research in the field of occupational safety and health, by developing innovative methods, techniques, and approaches for dealing with occupational safety and health problems;

k. By exploring ways to discover latent diseases, establishing causal connections between diseases and work in environmental conditions, and conducting other research relating to health problems, in recognition of the fact that occupational health standards present problems often different from those involved in occupational safety;

l. By authorizing the Commissioner to enter into contracts with the Department of Health and Human Services, or any other State or local units, to the end the Commissioner and the Department of Health and Human Services and other State or local units may fully cooperate and carry out the ends and purposes of this Article.

Affected employees shall be given notice of each such application and an opportunity to participate in a hearing. The Commissioner shall issue such rule or order if he determines on the record, after opportunity for an inspection where appropriate and a hearing, that the proponent of the variance has demonstrated by a preponderance of the evidence that the conditions, practices, means, methods, operations, or processes used or proposed to be used by an employer will provide employment and places of employment to his employees which are as safe and healthful as those which would prevail if he complied with the standard.

(2) The rule or order so issued shall prescribe the conditions the employer must maintain, and the practices, means, methods, operations, and processes which he must adopt and utilize to the extent they differ from the standard in question.

(3) Such a rule or order may be modified or revoked upon application by an employer, employees, or by the Commissioner on his own motion, in the manner prescribed for its issuance under this subsection at any time after six months from its issuance.

(c) Experimental Variances. – The Commissioner is authorized to grant a variance from any standard or portion thereof whenever he determines that such variance is necessary to permit an employer to participate in an experiment approved by him designed to demonstrate or validate new and improved techniques to safeguard the health or safety of workers. For the purpose of carrying out its duties and functions under this Article, two members of the Commission shall constitute a quorum and official action can be taken only on the affirmative vote of at least two members of the Commission. On matters properly before the Commission the chairman may issue temporary orders, subpoenas, and other temporary types of orders subject to the subsequent review of the Commission. Unless the Commission adopts a different rule, the proceedings, as nearly as possible, shall be in accordance with the Rules of Civil Procedure, G.S. 1A-1. The Commission may order testimony to be taken by deposition in any proceeding pending before it at any stage of such proceeding. Any person, firm or corporation, and its agents or officials, may be compelled to appear and testify and produce like documentary evidence before the Commission. Any member of the Commission may be removed by the Governor for inefficiency, neglect of duty, or any misfeasance or malfeasance in office. Before such removal the Governor shall give notice of hearing and state the allegations against the member of the Commission, and the same shall be heard by the Governor, and his decision shall be final. The principal office of the Commission shall be in Raleigh, North Carolina, but whenever it deems that the convenience of the public or of the parties may be promoted, or delay or expense may be minimized, the Commission may hold hearings or conduct other proceedings at any place in the State.
finding the facts involved in the proceeding. Witnesses appearing before the Commission shall be entitled to the same fees as those paid for the services of said witnesses in the courts of the State, and all such fees shall be taxed against the interested parties according to the judgment and discretion of the Commission.

(h) The Director shall consult with the chairman of the Commission with respect to the preparation and presentation to the Commission for adoption of all necessary forms or citations, notices of all kinds, forms of stop orders, all forms and orders imposing penalties and all forms of notices or applications for review by the Commission, and any and all other procedural papers and documents necessary for the administration of the Article as applied to employers and employees and for all procedures and proceedings brought before the Commission for review.

(i) A hearing examiner appointed by the chairman of the Commission shall hear, and make a determination upon, any proceeding instituted before the Commission and may hear any motion in connection therewith, assigned to the hearing examiner, and shall make a report of the determination which constitutes the hearing examiner's final disposition of the proceedings. A copy of the report of the hearing examiner shall be furnished to the Director and all interested parties involved in any appeal or any proceeding before the hearing examiner for the hearing examiner's determination. The report of the hearing examiner shall become the final order of the Commission 30 days from the date of the report as determined by the hearing examiner, unless within the 30-day period any member of the Commission had directed that the report shall be reviewed by the entire Commission as a whole. Upon application for review of any report or determination of a hearing examiner, before the 30-day period expires, the Commission shall schedule the matter for hearing, on the record, except the Commission may allow the introduction of newly discovered evidence, or in its discretion the taking of further evidence upon any question or issue. All interested parties to the original hearing shall be notified of the date, time and place of the hearing and shall be allowed to appear in person or by attorney at the hearing. Upon review of the report and determination by the hearing examiner the Commission may adopt, modify or vacate the report of the hearing examiner and notify the interested parties. The report of the hearing examiner, and the report, decision, or determination of the Commission upon review shall be in writing and shall include findings of fact, conclusions of law, and the reasons or bases for them, on all the material issues of fact, law, or discretion presented on the record. The report, decision or determination of the Commission upon review shall be final unless further appeal is made to the courts under the provisions of Chapter 150B of the General Statutes, as amended, entitled: "Judicial Review of Decisions of Certain Administrative Agencies."

§ 95-136. Inspections.

(a) In order to carry out the purposes of this Article, the Commissioner or Director, or their duly authorized agents, upon presenting appropriate credentials to the owner, operator, or agent in charge, are authorized:

1. To enter without delay, and at any reasonable time, any factory, plant, establishment, construction site, or other area, work place or environment where work is being performed by an employee of an employer; and

2. To inspect and investigate during regular working hours, and at other reasonable times, and within reasonable limits, and in a reasonable manner, any
such place of employment and all pertinent conditions, processes, structures, machines, apparatus, devices, equipment, and materials therein, and to question privately any such employer, owner, operator, agent or employee.

(3) The Commissioner or Director, or their duly authorized agents, shall reinspect any place of employment where a willful serious violation was found to exist during the previous inspection and a final Order has been entered.

(b) In making his inspections and investigations under this Article, the Commissioner may issue subpoenas to require the attendance and testimony of witnesses and the production of evidence under oath. Witnesses shall be reimbursed for all travel and other necessary expenses which shall be claimed and paid in accordance with the prevailing travel regulations of the State. In case of a failure or refusal of any person to obey a subpoena under this section, the district judge or superior court judge of the county in which the inspection or investigation is conducted shall have jurisdiction upon the application of the Commissioner to issue an order requiring such person to appear and testify or produce evidence as the case may require, and any failure to obey such order of the court may be punished by such court as contempt thereof.

(c) Subject to regulations issued by the Commissioner a representative of the employer and an employee authorized by the employees shall be given an opportunity to consult with or to accompany the Commissioner, Director, or their authorized agents, during the physical inspection of any work place described under subsection (a) for the purpose of aiding such inspection. Where there is no authorized employee representative, the Commissioner, Director, or their authorized agents, shall consult with a reasonable number of employees concerning matters of health and safety in the work place.

(d) (1) Any employees or an employee representative of the employees who believe that a violation of a safety or health standard exists that threatens physical harm, or that an imminent danger exists, may request an inspection by giving notice of such violation or danger to the Commissioner or Director. Any such notice shall be reduced to writing, shall set forth with reasonable particularity the grounds for the notice, and shall be signed by employees or the employee representatives of the employees, and a copy shall be provided the employer or his agent no later than at the time of inspection. Upon the request of the person giving such notice, his name and the names of individual employees referred to therein shall not appear in such copy of any record published, released or made available pursuant to subsection (e) of this section. If upon receipt of such notification the Commissioner or Director determines there are reasonable grounds to believe that such violation or danger exists, the Commissioner or Director or their authorized agents shall promptly make a special investigation in accordance with the provisions of this section as soon as practicable to determine if such violation or danger exists. If the Commissioner or Director determines there are not reasonable grounds to believe that a violation or danger exists he shall notify the employees or representatives of the employees, in writing, of such determination.

(2) Prior to, during and after any inspection of a work place, any employees or representative of employees employed in such work place may notify the inspecting Commissioner, Director, or their agents, in writing, of any violation of this Article which they have reason to believe exists in such work place. The Commissioner shall, by regulation, establish procedures for informal review of
any refusal by a representative of the Commissioner or Director to issue a citation with respect to any such alleged violation and shall furnish the employees or representatives of employees requesting such review a written statement of the reason for the Commissioner's or Director's final disposition of the case.

(e) The Commissioner is authorized to compile, analyze, and publish, in summary or detailed form, all reports or information obtained under this section. Files and other records relating to investigations and enforcement proceedings pursuant to this Article shall not be subject to inspection and examination as authorized by G.S. 132-6 while such investigations and proceedings are pending, except that, subject to the provisions of subsection (e1) of this section, an employer cited under the provisions of this Article is entitled to receive a copy of the official inspection report which is the basis for citations received by the employer following the issuance of citations.

(e1) Upon the written request of and at the expense of the requesting party, official inspection reports of inspections conducted pursuant to this Article shall be available for release in accordance with the provisions contained in this subsection and subsection (e) of this section. The names of witnesses or complainants, and any information within statements taken from witnesses or complainants during the course of inspections or investigations conducted pursuant to this Article that would name or otherwise identify the witnesses or complainants, shall not be released to any employer or third party and shall be redacted from any copy of the official inspection report provided to the employer or third party. Witness statements that are in the handwriting of the witness or complainant shall, upon the request of and at the expense of the requesting party, be transcribed so that information that would not name or otherwise identify the witness may be released. A witness or complainant may, however, sign a written release permitting the Commissioner to provide information specified in the release to any persons or entities designated in the release. Nothing in this section shall be construed to prohibit the use of the name or statement of a witness or complainant by the Commissioner in enforcement proceedings or hearings held pursuant to this Article. The Commissioner shall make available to the employer 10 days prior to a scheduled enforcement hearing unredacted copies of: (i) the witness statements the Commissioner intends to use at the enforcement hearing, (ii) the statements of witnesses the Commissioner intends to call to testify, or (iii) the statements of witnesses whom the Commissioner does not intend to use that might support an employer's affirmative defense or otherwise exonerate the employer; provided a written request for the statement or statements is received by the Commissioner no later than 12 days prior to the enforcement hearing. If the request for an unredacted copy of the witness statement or statements is received less than 12 days before a hearing, the statement or statements shall be made available as soon as practicable. The Commissioner may permit the use of names and statements of witnesses and complainants and information obtained during the course of inspections or investigations conducted pursuant to this Article by public officials in the performance of their public duties.

(f) (1) Inspections conducted under this section shall be accomplished without advance notice, subject to the exception in subdivision (2) below this subsection.

(2) The Commissioner or Director may authorize the giving to any employer or employee advance notice of an inspection only when the giving of such notice is essential to the effectiveness of such inspection, and in keeping with regulations issued by the Commissioner.
The Commissioner shall prescribe such rules and regulations as he may deem necessary to carry out his responsibilities under this Article, including rules and regulations dealing with the inspection of an employer's establishment. (1973, c. 295, s. 11; 1993, c. 317, ss. 1, 2; 1999-364, ss. 1, 2; 2003-174, s. 1.)

§ 95-136.1. Special emphasis inspection program.

(a) As used in this section, a "special emphasis inspection" is an inspection by the Department's occupational safety and health division that is scheduled because of an employer's high frequency of violations of safety and health laws or because of an employer's high risk or high rate of work-related fatalities or work-related serious injuries or illnesses.

(b) The Department shall develop and implement a special emphasis inspection program that targets for special emphasis inspection employers who:

1. Have a high rate of serious or willful violations of any standard, rule, order, or other requirement under this Article, or of regulations prescribed pursuant to the Federal Occupational Safety and Health Act of 1970, in a one-year period;
2. Have a high rate of work-related deaths, or a high rate of work-related serious injuries or illnesses, in a one-year period; or
3. Are engaged in a type of industry determined by the Department to be at high risk for serious or fatal work-related injuries or illnesses.

(4) Repealed by Session Laws 1997-443, s. 17(b).

To identify an employer for a special emphasis inspection, the Department shall use the most current data available from its own database and from other sources, including State departments, divisions, boards, commissions, and other State entities. The Department shall ensure that every employer targeted for a special emphasis inspection is inspected at least one time within the two-year period following targeting of the employer by the Department. The Department shall update its special emphasis inspection records at least annually.

(c) The Director shall make information about the special emphasis inspection program available prior to the date of implementation of the program.

(d) The Department shall by March 1, 1995, and annually thereafter, report to the Joint Legislative Oversight Committee on Agriculture and Natural and Economic Resources and the Fiscal Research Division of the General Assembly on the impact of the special emphasis inspection program on safety and health compliance and enforcement. (1991 (Reg. Sess., 1992), c. 924, s. 1; 1997-443, s. 17(b); 2017-57, s. 14.1(oo).)

§ 95-137. Issuance of citations.

(a) If, upon inspection or investigation, the Director or his authorized representative has reasonable grounds to believe that an employer has not fulfilled his duties as prescribed in this Article, or has violated any standard, regulation, rule or order promulgated under this Article, he shall with reasonable promptness issue a citation to the employer. Each citation shall be in writing and shall describe with particularity the nature of the violation, including a reference to the provisions of the act, standards, rules and regulations, or orders alleged to have been violated. In addition, the citation shall fix a reasonable time for the abatement of the violation. The Director may prescribe procedures for the issuance of a notice in lieu of a citation with respect to de
minimus violations which have no direct or immediate relationship to safety or health. Each citation or notice in lieu of citation issued under this section, or a copy or copies thereof, shall be prominently posted, as prescribed in regulations issued by the Director, at or near such place a violation referred to in the citation occurred.

(b) Procedure for Enforcement. –

(1) If, after an inspection or investigation, the Director issues a citation under any provisions of this Article, the Director shall, within a reasonable time after the termination of such inspection or investigation, notify the employer by certified mail with return receipt, by signature confirmation as provided by the U.S. Postal Service, by a designated delivery service authorized pursuant to 26 U.S.C. § 7502(f)(2) with delivery receipt, or via hand delivery of any penalty, if any, the Director has recommended to the Commissioner to be proposed under the provisions of this Article and that the employer has 15 working days within which to notify the Director that the employer wishes to:

a. Contest the citation or proposed assessment of penalty; or

b. Request an informal conference.

Following an informal conference, unless the employer and Department have entered into a settlement agreement, the Director shall send the employer an amended citation or notice of no change. The employer has 15 working days from the receipt of the amended citation or notice of no change to notify the Director that the employer wishes to contest the citation or proposed assessment of penalty, whether or not amended. If, within 15 working days from the receipt of the notice issued by the Director, the employer fails to notify the Director that the employer requires an informal conference to be held or intends to contest the citation or proposed assessment of penalty, and no notice is filed by any employee or representative of employees under the provisions of this Article within such time, the citation and the assessment as proposed to the Commissioner shall be deemed final and not subject to review by any court.

(2) If the Director has reason to believe that an employer has failed to correct a violation for which a citation has been issued within the period permitted for its correction (which period shall not begin to run until the entry of a final order by the Commission in case of any review proceedings under this Article initiated by the employer in good faith and not solely for a delay or avoidance of penalties), the Director shall notify the employer by certified mail with return receipt, by signature confirmation as provided by the U.S. Postal Service, by a designated delivery service authorized pursuant to 26 U.S.C. § 7502(f)(2) with delivery receipt, or via hand delivery of such failure and of the penalty proposed to be assessed under this Article by reason of such failure and that the employer has 15 working days within which to notify the Director that the employer wishes to contest the Director's notification of the proposed assessment of penalty. If, within 15 working days from the receipt of notification issued by the Director, an employer fails to notify the Director that the employer intends to contest the notification or proposed recommendation of penalty, the notification and the proposed assessment made by the Director shall be final and not subject to review by any court.
(3) No citation may be issued under this section after the expiration of six months following the occurrence of any violation.

(4) If an employer notifies the Director that the employer intends to contest a citation issued under the provisions of this Article or notification issued under the provisions of this Article, or if, within 15 working days of the receipt of a citation under this Article, any employee or representative thereof files a notice with the Director alleging that the period of time fixed in the citation for the abatement of the violation is unreasonable, the Director shall immediately advise the Commission of such notification, and the Commission shall afford an opportunity for a hearing. The Commission shall thereafter issue an order, based on findings of fact, affirming, modifying, or vacating the Director's citation or the proposed penalty fixed by the Commissioner, or directing other appropriate relief, and such order shall become final 30 days after its issuance. Upon showing by an employer of a good faith effort to comply with the abatement requirements of a citation, and that an abatement has not been completed because of factors beyond the employer's reasonable control, the Director, after an opportunity for a hearing as provided in this Article, shall issue an order affirming or modifying the abatement requirements in such citation. The rules of procedure prescribed by the chairman of the Commission shall provide affected employees or representatives of affected employees an opportunity to participate as parties to hearings under this section.

(5) Repealed by Session Laws 1993, c. 300, s. 2.

(6) Each local unit of government shall report each violation for which it is issued a citation to its local governing board at its next public meeting and to its workers compensation insurance carrier or to the risk pool of which it is a member pursuant to Article 23 of Chapter 58 of the General Statutes. (1973, c. 295, s. 12; 1987 (Reg. Sess., 1988), c. 1111, s. 11; 1991 (Reg. Sess., 1992), c. 1020, ss. 2, 3; 1993, c. 300, s. 2; 2003-308, s. 6; 2005-133, ss. 6, 7; 2007-231, s. 10.)

§ 95-138. Civil penalties.
   (a) The Commissioner, upon recommendation of the Director, or the North Carolina Occupational Safety and Health Review Commission in the case of an appeal, shall have the authority to assess penalties against any employer who violates the requirements of this Article, or any standard, rule, or order adopted under this Article, as follows:
      (1) A minimum penalty of five thousand dollars ($5,000) to a maximum penalty of seventy thousand dollars ($70,000) may be assessed for each willful or repeat violation.
      (2) A penalty of up to seven thousand dollars ($7,000) shall be assessed for each serious violation, except that a penalty of up to fourteen thousand dollars ($14,000) shall be assessed for each serious violation that involves injury to an employee under 18 years of age.
      (2a) A penalty of up to seven thousand dollars ($7,000) may be assessed for each violation that is adjudged not to be of a serious nature.
      (3) A penalty of up to seven thousand dollars ($7,000) may be assessed against an employer who fails to correct and abate a violation, within the period allowed
for its correction and abatement, which period shall not begin to run until the
date of the final Order of the Commission in the case of any appeal proceedings
in this Article initiated by the employer in good faith and not solely for the delay
of avoidance of penalties. The assessment shall be made to apply to each day
during which the failure or violation continues.

(4) A penalty of up to seven thousand dollars ($7,000) shall be assessed for
violating the posting requirements, as required under the provisions of this
Article.

(b) The Commissioner shall adopt uniform standards that the Commissioner, the
Commission, and the hearing examiner shall apply when determining appropriateness of the
penalty. The following factors shall be used in determining whether a penalty is appropriate:

1. Size of the business of the employer being charged.
2. The gravity of the violation.
3. The good faith of the employer.
4. The record of previous violations; provided that for purposes of determining
repeat violations, only the record within the previous three years is applicable.
5. Whether the violation involves injury to an employee under 18 years of age.

The report of the hearing examiner and the report, decision, or determination of the
Commission on appeal shall specify the standards applied in determining the reduction or
affirmation of the penalty assessed by the Commissioner.

(c) The clear proceeds of all civil penalties and interest recovered by the Commissioner,
together with the costs thereof, shall be remitted to the Civil Penalty and Forfeiture Fund in
accordance with G.S. 115C-457.2. (1973, c. 295, s. 13; 1987 (Reg. Sess., 1988), c. 1111, s. 12;
1989 (Reg. Sess., 1990), c. 844; 1991, c. 329, s. 1; c. 761, s. 17; 1993, c. 474, s. 2; 1998-215, s.
111; 2004-203, s. 39(a); 2005-133, s. 8; 2006-39, s. 3; 2009-351, s. 4.)

§ 95-139. Criminal penalties.

(a) Any employer who willfully violates any standard, rule, regulation or order
promulgated pursuant to the authority of this Article, and the violation causes the death of any
employee 18 years of age or older, shall be guilty of a Class 2 misdemeanor, which may include a
fine of not more than ten thousand dollars ($10,000).

(b) Any employer who willfully violates any standard, rule, regulation, or order
promulgated pursuant to the authority of this Article, and the violation causes the death of any
employee under 18 years of age, shall be guilty of a Class 2 misdemeanor, which may include a
fine of not more than twenty thousand dollars ($20,000).

(c) If an employer is convicted of more than one violation of subsection (a) or (b) of this
section, the subsequent violation shall be penalized as follows:

1. The employer shall be guilty of a Class 1 misdemeanor which may include a
fine of not more than twenty thousand dollars ($20,000) if the subsequent
violation results in the death of an employee 18 years of age or older.

2. The employer shall be guilty of a Class 1 misdemeanor which may include a
fine of not more than forty thousand dollars ($40,000) if the subsequent
violation results in the death of an employee under 18 years of age.

(d) This section shall not prevent any prosecuting officer of the State of North Carolina
from proceeding against such employer on a prosecution charging any degree of willful or culpable
homicide. Any person who gives advance notice of any inspection to be conducted under this
Article, without authority from the Commissioner, Director, or any of their agents to whom such authority has been delegated, shall be guilty of a Class 2 misdemeanor.

(e) Whoever knowingly makes any false statement, representation, or certification in any application, record, report, plan, or any other document filed or required to be maintained pursuant to this Article, shall be guilty of a Class 2 misdemeanor, which may include a fine of (i) not more than ten thousand dollars ($10,000) for falsifications pertaining to employees 18 years of age or older or (ii) not more than twenty thousand dollars ($20,000) for falsifications pertaining to employees under 18 years of age.

(f) Whoever shall commit any kind of assault upon or whoever kills a person engaged in or on account of the performance of investigative, inspection, or law-enforcement functions shall be subject to prosecution under the general criminal laws of the State and upon such charges as the proper prosecuting officer shall charge or allege. (1973, c. 295, s. 14; 1993, c. 539, s. 671; 1994, Ex. Sess., c. 24, s. 14(c); 2009-351, s. 5.)

§ 95-140. Procedures to counteract imminent dangers.
(a) The superior courts of this State shall have jurisdiction, upon petition of the Commissioner, to restrain any conditions or practices in any place of employment which are such that a danger exists, which could reasonably be expected to cause death or serious physical harm immediately or before the imminence of such danger can be eliminated through the enforcement procedures otherwise provided by this Article. Any order issued under this section may require such steps to be taken as may be necessary to avoid, correct, or remove such imminent danger and prohibit the employment or presence of any individual in locations or under conditions where such imminent danger exists, except those individuals whose presence is necessary to avoid, correct or remove such imminent danger or to maintain the capacity of a continuous process operation to assume normal operations without a complete cessation of operations, or where a cessation of operations is necessary to permit such to be accomplished in a safe and orderly manner.

(b) Upon the filing of any such petition the superior court shall, without the necessity of showing an adequate remedy at law, have jurisdiction to grant injunctive relief or temporary restraining order pending the outcome of an enforcement proceeding pursuant to this Article. The proceeding shall be as provided under the statutes and Rules of Civil Procedure of this State except that no temporary restraining order issued without notice shall be effective for a period longer than five days.

(c) Whenever and as soon as an inspector concludes that conditions or practices described in this section exist in any place of employment, he shall inform the affected employees and employers of the danger and that he is recommending to the Commissioner that relief be sought. If the Commissioner arbitrarily or capriciously fails to seek relief under this section, any employee who may be injured by reason of such failure, or the representative of such employee, may bring an action against the Commissioner in the superior court of the district in which the imminent danger is alleged to exist or the employer has its principal office or place of business, for a writ of mandamus to compel the Commissioner to seek such an order for such relief as may be appropriate. (1973, c. 295, s. 15.)

§ 95-141. Judicial review.
Any person or party in interest who has exhausted all administrative remedies available under this Article and who is aggrieved by a final decision in a contested case is entitled to judicial review in accordance with Article 4 of Chapter 150B of the General Statutes. The Commissioner may file
in the office of the clerk of the superior court of the county wherein the person, firm or corporation under order resides, or, if a corporation is involved, in the county wherein the corporation maintains its principal place of business, or in the county wherein the violation occurred, a certified copy of a final order of the Commissioner unappealed from, or of a final order of the Commissioner affirmed upon appeal. Whereupon, the clerk of said court shall enter judgment in accordance therewith and notify the parties. Such judgment shall have the same effect, and all proceedings in relation thereto shall thereafter be the same, as though said judgment had been rendered in a suit duly heard and determined by the superior court of the General Court of Justice. (1973, c. 295, s. 16; c. 1331, s. 3; 1987, c. 827, s. 265.)

§ 95-142. Legal representation of the Department of Labor.

It shall be the duty of the Attorney General to represent the Department of Labor or designate some member of his staff to represent them in all actions or proceedings in connection with this Article. (1973, c. 295, s. 17.)

§ 95-143. Record keeping and reporting.

(a) Each employer shall make available to the Commissioner, or his agents, in such manner as the Commissioner shall require, copies of the same records and reports regarding his activities relating to this Article as are required to be made, kept, or preserved by section 8(c) of the Federal Occupational Safety and Health Act of 1970 (P.L. 91-596) and regulations made pursuant thereto.

(b) Each employer shall make, keep and preserve and make available to the Commissioner such records regarding his activities relating to this Article as the Commissioner may prescribe by regulation as necessary and appropriate for the enforcement of this Article or for developing information regarding the causes and prevention of occupational accidents and illnesses. In order to carry out the provisions of this section such regulations may include provisions requiring employers to conduct periodic inspections. The Commissioner shall also issue regulations requiring that employers, through posting of notices or other appropriate means, keep the employees informed of their protections and obligations under this Article, including the provisions of applicable standards. The Commissioner shall prescribe regulations requiring employers to maintain accurate records of, and to make reports at least annually on, work-related deaths, injuries and illnesses other than minor injuries requiring only first-aid treatment and which do not involve medical treatment, loss of consciousness, restriction of work or motion, or transfer to another job.

(c) The Commissioner shall issue regulations requiring employers to maintain accurate records of employee exposure to potentially toxic materials of [or] harmful physical agents which are required to be monitored or measured under this Article. Such regulations shall provide employees or their representatives with an opportunity to observe such monitoring or measuring, and to have access to the records thereof. Such regulations shall also make appropriate provisions for each employee or former employee to have access to such records as will indicate his own exposure to toxic materials or harmful physical agents. Each employer shall promptly notify any employee who has been or is being exposed to toxic materials or harmful physical agents in concentrations or at levels which exceed those prescribed by an applicable safety and health standard promulgated under this Article and shall inform any employee who is being thus exposed of the corrective action being taken.

(d) Any information obtained by the Commissioner or his duly authorized agents under this Article shall be obtained with a minimum burden upon employers, especially those operating
small businesses. Unnecessary duplication of efforts in obtaining information shall be reduced to the maximum extent feasible. (1973, c. 295, s. 18; 1991 (Reg. Sess., 1992), c. 894, s. 1.)

§ 95-144. Statistics.
(a) In order to further the purposes of this Article, the Commissioner shall develop and maintain an effective program of collection, compilation, and analysis of occupational safety and health statistics. The Commissioner shall compile accurate statistics on work injuries and illnesses which shall include all disabling, serious or significant injuries or illnesses, whether or not involving loss of time from work, other than minor injuries requiring only first-aid treatment and which do not involve medical treatment, loss of consciousness, restriction of work or motion, or transfer to another job. On the basis of records made and kept pursuant to the provisions of this Article, employers shall file such reports with the Commissioner as he shall prescribe by regulations and as may be necessary to carry out his functions.
(b) A listing of employment by area and industry of employers who have an assigned account number by the Division of Employment Security (DES) of the Department of Commerce of this State shall be supplied annually to the Commissioner by the DES. The listing of employment by area and industry shall contain at least the following: employer name; DES account number; indication of whether multiple or a single report unit; number of reporting units; average employment; establishment size code; geographical area; any four-digit code; and any other information deemed necessary by the Commissioner to meet federal reporting requirements. (1973, c. 295, s. 19; 2011-401, s. 5.1.)

§ 95-145. Reports to the Secretary.
(a) The Commissioner shall require employers in the State to make reports to the Secretary in the same manner and to the same extent as if the plan in force under this Article were not in effect, and
(b) The Commissioner shall make such reports to the Secretary in such form and containing such information as the Secretary from time to time shall require. (1973, c. 295, s. 20.)

§ 95-146. Continuation and effectiveness of this Article.
The Commissioner shall from time to time furnish to the Secretary information and assurances that this Article is being administered by adequate methods and by standards and enforcement procedures which are and will continue to be as effective as federal standards. (1973, c. 295, s. 21.)

§ 95-147. Training and employee education.
(a) The Commissioner, after consultation with appropriate departments and agencies of the State and subdivisions of government, shall conduct, directly or by grants or contracts, (i) education programs to provide an adequate supply of qualified personnel to carry out the purposes of this Article, and (ii) informational, educational and training programs on the importance of and proper use of adequate safety and health equipment to encourage voluntary compliance.
(b) The Commissioner is also authorized to conduct, directly or by grants or contracts, short-term training of personnel engaged in work related to the Commissioner's responsibilities under this Article.

(c) The Commissioner shall provide employers and employees programs covering recognition, avoidance and prevention of unsafe and unhealthful working conditions in places of employment and shall advise employers and employees, or their representatives, [of] effective means to prevent occupational injuries and illnesses. (1973, c. 295, s. 22.)

§ 95-148. Safety and health programs of State agencies and local governments.

It shall be the responsibility of each administrative department, commission, board, division or other agency of the State and of counties, cities, towns and subdivisions of government to establish and maintain an effective and comprehensive occupational safety and health program which is consistent with the standards and regulations promulgated under this Article. The head of each agency shall:

The Commissioner shall transmit annually to the Governor and the General Assembly a report of the activities of the State agency and instrumentalities under this section. If the Commissioner has reason to believe that any local government program or program of any agency of the State is ineffective, the Commissioner shall, after unsuccessfully seeking by negotiations to abate this failure, include this in the Commissioner’s annual report to the Governor and the General Assembly, together with the reasons therefor, and may recommend legislation intended to correct the condition.

The Commissioner shall have access to the records and reports kept and filed by State agencies and instrumentalities pursuant to this section unless such records and reports are required to be kept secret in the interest of national defense, in which case the Commissioner shall have access to such information as will not jeopardize national defense.

Employees of any agency or department covered under this section are afforded the same rights and protections as granted employees in the private sector.

This section shall not apply to volunteer fire departments not a part of any municipality. Any municipality with a population of 10,000 or less may exclude its fire department from the operation of this section by a resolution of the governing body of the municipality,

(1973, c. 295, s. 25.)

(1973, c. 295, s. 29.)

§ 95-155. Construction of Article and severability.
This Article shall receive a liberal construction to the end that the safety and health of the employees of the State may be effectuated and protected. If any provision of this Article or the application thereof to any person or circumstance is held to be invalid, such invalidity shall not affect other provisions or applications of the Article which can be given effect without the invalid provision or application, and to this end the provisions of this Article are severable. (1973, c. 295, s. 30.)

§ 95-156. Handling of dangerous antineoplastic agents.
(a) The Commissioner of Labor shall adopt rules to establish requirements for the handling of antineoplastic agents in facilities where there is occupational exposure to antineoplastic agents.
(b) The rules adopted pursuant to this section shall be consistent with, but not exceed, the recommendations issued by the National Institute for Occupational Safety and Health (NIOSH) of the Centers for Disease Control and Prevention (CDC), as contained in the Alert: Preventing Occupational Exposure to Antineoplastic and Other Hazardous Drugs in Health Care Settings, as published in 2004 and including subsequent amendments and editions. (d) A workplace's continued participation in the Carolina Star Program shall be conditioned on meeting the requirements and expectations established by the Carolina Star Program Policies and Procedures Manual, Star Annual Report, and successful completion of periodic on-site evaluations conducted by the Carolina Star Program evaluation team.

(e) During periods in which a workplace is a participant in the Carolina Star Program, the workplace shall be exempt from inspections under G.S. 95-136; however, this exception shall not apply to inspections or investigations of the workplace arising from complaints, referrals, fatalities, catastrophes, nonfatal accidents, or significant toxic chemical releases. § 95-191. Hazardous Substance List.

(a) All employers who manufacture, process, use, store, or produce hazardous chemicals, shall compile and maintain a Hazardous Substance List which shall contain all of the following information for each hazardous chemical stored in the facility in quantities of 55 gallons or 500 pounds, whichever is greater:

1. The chemical name or the common name used on the SDS or container label.

   - Class D, which includes quantities of greater than 5500 gallons or 50,000 pounds.
3. The area in the facility in which the hazardous chemical is normally stored and to what extent the chemical may be stored at altered temperature or pressure.

(b) The Hazardous Substance List shall be updated quarterly if necessary, but not less often than annually; however, if a chemical is deleted from, or added to, the Hazardous Substance List, or if the quantity changes sufficiently to cause the chemical to be in a different class as defined in subsection (a) of this section, the employer shall update the Hazardous Substance List to reflect those changes as soon as practicable, but in any event within 30 days of such change.

(b1) In lieu of the information required by subdivisions (a)(1) through (a)(3), employers may substitute the information specified in section 312(d)(2) of the Superfund Amendments and Reauthorization Act of 1986, P.L. 99-499.

Such persons receiving such information shall not disclose the information received and shall use such information only for the purpose of preplanning emergency response, police, medical or fire activities.

(g) Any knowing distribution or disclosure (or permitted disclosure) of any information referred to in subsection (f) of this section in any manner except as specifically permitted under that subsection (f) shall be punishable as a Class 1 misdemeanor. (b) Duly designated representatives of the Commissioner of Labor, upon presentation of appropriate credentials to the employer, shall have the right of entry into any facility at reasonable times to inspect and investigate complaints within reasonable limits, and in a reasonable manner. Following the investigation, the Commissioner shall make appropriate findings. Either the employer or the person complaining of a violation may request an administrative hearing pursuant to Chapter 150B of the General Statutes. This request for an administrative hearing shall be submitted to the Commissioner of Labor within 14 days following the Commissioner making his findings. The Commissioner shall within 30 days of receiving the request hold an administrative hearing in accordance with Article 3 of Chapter 150B of the General Statutes.

(c) If the Commissioner of Labor finds that the employer violated this Article, the Commissioner shall order the employer to comply within 14 days following receipt of written notification of the violation. Employers not complying within 14 days following receipt of written notification of a violation shall be subject to civil penalties of not more than one thousand dollars ($1,000) per violation imposed by the Commissioner of Labor. There shall be a separate offense for each day the violation continues. The clear proceeds of civil penalties provided for in this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2.

(1985, c. 775, s. 1.)

§ 95-197. Withholding hazardous substance trade secret information.

(a) An employer who believes that all or any part of the information required under G.S. 95-191, 95-192, 95-194(b) or 95-194(d) is a hazardous substance trade secret may withhold the information, provided that (i) hazard information on chemicals the identity of which is claimed as a hazardous substance trade secret is provided to the Fire Chief who shall hold it in confidence and (ii) the employer claims that the information is a hazardous substance trade secret.

(b) Any person in North Carolina may request in writing that the Commissioner of Labor review in camera an employer's hazardous substance trade secret claim. If the Commissioner of Labor finds that the claim is other than completely valid, this finding shall be appealable under subsection (d) of this section. If the Commissioner of Labor finds that the claim is valid, he shall then determine whether the nonconfidential information is sufficient for the Fire Chief to fulfill the responsibilities of his office. If the Commissioner of Labor finds that the information is not sufficient, he shall direct the employer to supplement the information with such other information as will provide the Fire Chief with sufficient information to fulfill the responsibilities of his office, but this finding shall be appealable under subsection (d) of this section.

(c) The Commissioner of Labor and the Fire Chief shall protect from disclosure any or all information coming into either or both of their possession when such information is marked by the employer as confidential, and they shall return all information so marked to the employer at the conclusion of their determination by the Commissioner of Labor. Any person who has access to any hazardous substance trade secret solely pursuant to this section and who discloses it knowing it to be a hazardous substance trade secret to any person not authorized to receive it shall be guilty of a Class I felony, and if knowingly or negligently disclosed to any person not authorized, shall be subject to civil action for damages and injunction by the owner of the hazardous substance trade secret, including, without limitation, actions under Article 24 of Chapter 66 of the General Statutes.

(d) The employer, Fire Chief, or person making the original request who is an aggrieved party shall have 30 days after receipt of notification by the Commissioner of his findings under subsection (b) to request an administrative hearing on the determination. Any such hearing shall be held in a manner similar to that provided for in G.S. Chapter 150B, Article 3 and the decision upon the request of any aggrieved party shall be subject to the judicial review provided for by G.S. Chapter 150B, Article 4, provided that these administrative and judicial hearings shall be conducted in camera to assure the confidentiality of the information being reviewed. (1985, c. 775, s. 1; 1987, c. 827, s. 1; 1993, c. 539, s. 1290; 1994, Ex. Sess., c. 24, s. 14(c).)

§ 95-198. Medical emergency and nonemergency situations.

(a) Where a treating health care provider determines that a medical emergency exists and the specific chemical identity of a hazardous chemical is necessary for emergency or first-aid treatment, the chemical manufacturer, importer, or employer shall immediately disclose the
specific chemical identity of a hazardous substance trade secret substance to that treating physician or nurse, regardless of the existence of written statement of need or a confidentiality agreement. The chemical manufacturer, importer, or employer may require a written statement of need and a confidentiality agreement as soon as circumstances permit. The confidentiality agreement (i) may restrict the use of the information to the health purposes indicated in a written statement of need; (ii) may provide for appropriate legal remedies in the event of a breach of the agreement, including stipulation of a reasonable pre-estimate of likely damages; and (iii) may not include requirements for the posting of a penalty bond. The parties are not precluded from pursuing noncontractual remedies to the extent permitted by law.

(b) In nonemergency situations, a chemical manufacturer, importer, or employer shall, upon request, disclose a specific chemical identity, otherwise permitted to be withheld under this section, to a responsible party, as defined in the standards adopted in Title 13, Subchapter 7F of the North Carolina Administrative Code (13 NCAC 7F), providing medical or other occupational health services to exposed persons if the request is in writing and states the medical need for the information. The employer may require that the responsible party sign a confidentiality agreement prior to release of the information. The parties are not precluded from pursuing noncontractual remedies to the extent permitted by law.

(c) If the chemical manufacturer, importer or employer denies a written request for hazardous substance trade secret release, or does not provide this information within 30 days, the Department of Labor shall initiate the trade secret claim determination process under G.S. 95-197.

§§ 95-199 through 95-207. Reserved for future codification purposes.

Part 3. Community Right to Know.

§ 95-208. Community information on hazardous chemicals.

(a) Any person in North Carolina may request in writing from the employer a list of chemicals used or stored at the facility. The request shall include the name and address of the person making the request and a statement of the purpose for the request. If the person is requesting the list on behalf of or for the use of an organization, partnership, or corporation, he shall also disclose the name and business address of such organization, partnership, or corporation. The request may include, at the option of the employer, a statement to the effect that the information will be used only for the purpose stated. The employer shall furnish to the person making the request a list containing, at a minimum, all chemicals included on the Hazardous Substance List, the class of each chemical as defined in G.S. 95-191(a)(2), and an SDS for each chemical for which an SDS is available and is requested. Whenever an employer has withheld a chemical under the provisions of G.S. 95-197 from the information provided under G.S. 95-208, the employer must state that the information is being withheld and, upon request, must provide the SDS for the chemical. Additional information may be furnished to the person making the request at the option of the employer. The employer shall provide, at a fee not to exceed the cost of reproducing the materials, the materials requested within 10 working days of the date the employer receives the written request for information.
(b) If the employer fails or refuses to provide the information required under subsection (a) of this section, the person requesting the information may request in writing that the Commissioner of Labor review the request. The Commissioner of Labor may conduct an investigation in the same manner as provided in G.S. 95-195(b). Following the investigation, the Commissioner shall make appropriate findings. Either the employer or the person making the initial request may request an administrative hearing pursuant to Chapter 150B of the General Statutes. This request for an administrative hearing shall be submitted to the Commissioner of Labor within 30 days following the Commissioner making his findings. The Commissioner of Labor shall within 30 days of receiving the request hold an administrative hearing to consider the request for information under subsection (a) of this section. This hearing shall be held as provided for in G.S. Chapter 150B, Article 3. If the Commissioner of Labor finds that the request complies with the requirements of subsection (a) of this section, the Commissioner of Labor shall direct that the employer provide to the person making the request a list containing, at a minimum, all chemicals used or stored at the facility included on the Hazardous Substance List, the class of each chemical as defined in G.S. 95-191(a)(2), and an SDS for each chemical for which an SDS is available and is requested and may in his discretion assess civil penalties as provided in G.S. 95-195(c); provided that it shall be a defense to such disclosure if the employer proves that the information has been requested directly or indirectly by, or in behalf of, a competitor of the employer, or that such information is a Hazardous Substance Trade Secret, or that the request did not comply with the requirements of subsection (a) of this section.

(c) Any order by the Commissioner of Labor under subsection (b) of this section shall be subject to judicial review as provided under G.S. Chapter 150B, Article 4. (1985, c. 775, s. 1; 1987, c. 827, s. 1; 2017-211, s. 14(h).)

Notwithstanding any language to the contrary, the provisions of this Article shall not apply to chemicals in or on any of the following:

1. Hazardous substances while being transported in interstate commerce into or through this State.
2. Products intended for personal consumption by employees in the facilities.
3. Retail food sale establishments and all other retail trade establishments in North American Industry Classification System Codes 44 through 45, exclusive of processing and repair areas, except that the employer must comply with the provisions of G.S. 95-194(a)(i).

5. A laboratory under the direct supervision or guidance of a technically qualified individual provided that:
a. Labels on containers of incoming chemicals shall not be removed or defaced;
b. SDSs received by the laboratory shall be maintained and made accessible to employees and students;
c. The laboratory is not used primarily to produce hazardous chemicals in bulk for commercial purposes; and
d. The laboratory operator complies with the provisions of G.S. 95-194(a)(i).

(6) Any farming operation which employs 10 or fewer full-time employees, except that if any hazardous chemical in an amount in excess of 55 gallons or 500 pounds, whichever is greater, is normally stored at the farming operation, the employer must comply with the provisions of G.S. 95-194(a)(i).

(7) Any distilled spirits, tobacco, and untreated wood products.

§ 95-217. Preemption of local regulations.
It is the intent of the General Assembly to prescribe this uniform system for the disclosure of information regarding the use or storage of hazardous chemicals. To that end, all units of local government in the State are preempted from exercising their powers to require disclosure, directly or indirectly, of information regarding the use or storage of hazardous chemicals by employers to any members of the public, or to any branch or agent of State or local government in any manner other than as provided for in this Article. This section does not preempt the enforcement of the provisions of any nationally recognized fire code that may be adopted by a unit of local government. (1985, c. 775, s. 1; 1987, c. 489, s. 9.)

§ 95-218. Severability.
The provisions of this Article are severable, and if any phrase, clause, sentence, or provision of this Article, or the application of any such phrase, clause, sentence or provision to any person, business entity or circumstances, other than those to which it was held invalid shall not be affected thereby. Article 19.

Migrant Housing Act of North Carolina.

§ 95-222. Short title; legislative purpose.
(a) This Article may be cited as the "Migrant Housing Act of North Carolina."
(b) It is the purpose and policy of the General Assembly to conform migrant housing standards to, as much as reasonably possible, the Occupational Safety and Health Act of North Carolina, and to ensure safe and healthy migrant housing conditions. The General Assembly finds that the general welfare of the State requires the enactment of this law under the police power of the State. (1989, c. 91, s. 2.)

§ 95-224. Scope; powers and duties.  
(a) The provisions of this Article shall apply to all operators and migrants except:

(1) Any person who, in the ordinary course of that person's business, regularly provides housing on a commercial basis to the general public; and who provides housing to migrants of the same character and on the same or comparable terms and conditions as those provided to the general public; or
A housing unit owned by one or more of the occupants and occupied solely by a family unit.

(b) The Commissioner shall have the following powers and duties under this Article:

§ 95-225. Adoption of standards and interpretations.

(a) Unless otherwise provided, all established federal standards are adopted and shall be enforced by the Department of Labor of North Carolina.

(b) The Commissioner shall provide for publication in the North Carolina Register any modification by the federal government of the established federal standards within 30 days of their adoption.

(c) For the protection of the public health, the Commission for Public Health shall adopt and the Department of Environmental Quality shall enforce rules that establish water quality and water sanitation standards for migrant housing under this Article.

(d) The requirements for the collection, treatment, and disposal of sewage, as provided in Article 11 of Chapter 130A, and the rules adopted pursuant to that Article shall apply to migrant housing.

(e) Whenever the outside temperature falls below 50 degrees Fahrenheit and the migrant housing is occupied, heating equipment shall be provided and operable. Regardless of outside temperature, this equipment must be capable of maintaining living areas of 65 degrees Fahrenheit. If housing is to be occupied from May 15 until September 1 only, no heating equipment shall be required at the time of preoccupancy inspection.

(f) All migrant housing shall comply with the standards regarding fire safety for migrant housing as adopted by the Commission for Public Health and in effect on January 1, 1989.

(g) For purposes of this Article, the established federal standard provided in 29 C.F.R. 1910.142(i) does not apply. The following standards shall apply to migrant housing:

(1) Food preparation facilities and eating areas shall be provided and maintained in a clean and sanitary manner;

(2) A kitchen facility shall be provided with an operable stove with at least one burner per five people, and in no event with less than two burners; an operable refrigerator with .75 cubic feet per person minimum; a table; and a sink with running hot and cold water;

(3) Surfaces with which food or drink come in contact shall be easily accessible for cleaning, and shall be nontoxic, resistant to corrosion, nonabsorbent, and free of open crevices;

(4) Acceptable storage facilities shall be provided and shall be kept clean and free of vermin; and
(5) All food service facilities, other than those where migrants procure and prepare food for their own or their family's consumption, shall comply with the standards regarding kitchen and dining room facilities for migrant housing, as adopted by the Commission for Public Health and in effect on January 1, 1989.

(h) Each migrant shall be provided with a bed that shall include a mattress in good repair with a clean cover. The Department of Labor of North Carolina inspector shall determine the condition of the mattress and cover during the preoccupancy inspection. If the mattress or cover is damaged beyond normal wear and tear during the migrant's occupancy of the housing, the operator may charge the migrant the reasonable cost of replacing the mattress or cover. (1989, c. 91, s. 2; c. 727, s. 220; 1997-443, s. 11A.36; 2007-182, s. 2; 2007-548, s. 3; 2015-241, s. 14.30(u).)

(a) Except as provided in subsection (f) of this section, every operator shall request a preoccupancy inspection at least 45 days prior to the anticipated date of occupancy by applying directly to the Department of Labor of North Carolina or to the local health department. Upon receipt of an application by the Department of Labor of North Carolina, the Department of Labor of North Carolina shall immediately notify, in writing, the appropriate local health department; and the local health department shall inspect the migrant housing for compliance with G.S. 95-225(c) and (d). Upon receipt of the application by the local health department, the local health department shall immediately notify, in writing, the Department of Labor of North Carolina and shall inspect the migrant housing for compliance with G.S. 95-225(c) and (d).

The local health department shall forward the results of its inspection to the Department of Labor of North Carolina and to the operator. The Department of Labor of North Carolina shall inspect the migrant housing and certify to the operator the results of the inspection.

At the time the Department of Labor of North Carolina conducts a preoccupancy inspection, the Department of Labor of North Carolina shall provide the operator with a copy of the guide for employers on compliance with the Immigration and Nationality Act, 8 U.S.C. § 1101, et seq., as amended, prepared by the United States Department of Justice.

(b) The Department of Labor of North Carolina shall provide local health departments and Agricultural Extension offices with blank copies of forms for applying for preoccupancy inspections.

(c) The application for inspection shall include:
   (1) The name, address, and telephone number of the operator;
   (2) The location of the migrant housing;
   (3) The anticipated number of migrants to be housed in the migrant housing; and
   (4) The anticipated dates of occupancy of the migrant housing.

(d) Except as provided in subsections (e) and (f) of this section, an operator may allow the migrant housing to be occupied only if the migrant housing has been certified by the Department of Labor of North Carolina or the United States Department of Labor to be in compliance with all of the standards under this Article, except that an operator may allow migrant housing to be occupied on a provisional basis if the operator applied for a preoccupancy inspection at least 45 days prior to occupancy and the preoccupancy inspection was not conducted by the Department of Labor of North Carolina at least four days prior to the anticipated occupancy. Upon subsequent inspection by the Department of Labor of North Carolina, the provisional occupancy shall be revoked if any deficiencies have not been corrected within the period of time specified by the
Department of Labor of North Carolina, or within two days after receipt of written notice provided on-site to the operator. No penalties may be assessed for any violation of this Article which are found during the preoccupancy inspection, unless substantive violations exist during provisional occupancy.

(e) If an operator has applied for an inspection pursuant to this Article and one or more migrants arrives in advance of the arrival date stated in the application, the operator shall notify the Department of Labor of North Carolina within two working days of the occupancy of the migrant housing.

(f) If an operator receives a preoccupancy inspection rating from the Department of Labor of North Carolina of one hundred percent (100%) compliance for a particular migrant housing unit for two consecutive years, in the third year the operator shall have the right to conduct the preoccupancy inspection for that particular migrant housing unit himself or herself. Operators conducting their own preoccupancy inspections pursuant to this subsection shall, at least 45 days prior to occupancy, register the migrant housing with the Department of Labor of North Carolina and notify in writing the appropriate local health department. The local health department shall inspect the migrant housing for compliance with G.S. 95-225(c) and (d). The operator shall request a preoccupancy inspection under subsection (a) of this section in the year following a year when the operator conducted a self-inspection under this subsection.

(g) In addition to any other applicable federal or State law or regulation, the Department may only conduct a postoccupancy inspection of operators:

(1) Who were subject to an annual preoccupancy inspection by the Department of Labor of North Carolina and found not to be in one hundred percent (100%) compliance at that inspection.

(2) Who were assessed a civil penalty by the Department of Labor of North Carolina during the previous calendar year for violations of this Article or pursuant to G.S. 95-136(a)(3).

(3) Who did not undergo a preoccupancy inspection, unless the operator conducted a self-inspection pursuant to subsection (f) of this section.

(4) In response to a referral from a federal, State, county, or local government official or any person with firsthand knowledge of an alleged violation of this Article or of an alleged safety or health hazard whom the Department of Labor of North Carolina deems to have provided a credible referral. (1989, c. 91, s. 2; 2007-548, ss. 3.1, 3.2, 4.)

§ 95-227. Enforcement.

(a) For the purpose of enforcing the standards provided by this Article, the provisions of G.S. 95-129, G.S. 95-130 and G.S. 95-136 through G.S. 95-142 shall apply under this Article in a similar manner as they apply to places of employment under OSHANC; however, G.S. 95-129(4), 95-130(2), and 95-130(6) do not apply to migrant housing. For the purposes of this Article, the term:

(1) "Employer" in G.S. 95-129, G.S. 95-130 and G.S. 95-136 through G.S. 95-142 shall be construed to mean an operator.

(2) "Employee" shall be construed to mean a migrant.

(b) The Commissioner may establish a new division to enforce this Article.
(c) The Department of Labor of North Carolina shall maintain a list of operators and the physical address of their migrant housing units, number of beds, and the date of the annual preoccupancy inspection and certification.

(d) The Department of Labor of North Carolina shall maintain a summary of any inspections filed annually with the Division that enforce this Article, including the number and type of citations issued and the violations found, if any.

(e) The Commissioner shall report no later than May 1 of each year to the Chairpersons of the Senate Appropriations Committee on Natural and Economic Resources, the Chairpersons of the House of Representatives Appropriations Committee on Agriculture and Natural and Economic Resources, the Joint Legislative Oversight Committee on Agriculture and Natural and Economic Resources, and the Fiscal Research Division regarding the number of annual preoccupancy certifications issued, the number of operators with one hundred percent (100%) compliance at the preoccupancy inspection, the number of postoccupancy inspections conducted by the Department of Labor of North Carolina, the number and type of citations and fines issued, the total number of migrant worker beds in the State, and the identification of operators who fail to apply for or obtain permits to operate migrant housing pursuant to this Article. (1989, c. 91, s. 2; 1997-35, s. 1; 2007-548, s. 5; 2017-57, s. 14.1(pp).)

§ 95-228. Waiver of rights.
Agreements entered into by migrants to waive or to modify their rights under this Article shall be deemed void as contrary to public policy. A waiver or modification of rights by the Department of Labor of North Carolina shall be valid under this Article. (1989, c. 91, s. 2.)

§ 95-229. Construction of Article; severability.
This Article shall be liberally construed to the end that the safety and health of the migrants of this State may be effectuated and protected.

The provisions of this Article are severable, and if any provision of this Article is held invalid by a court of competent jurisdiction, the invalidity may not affect other provisions of the Article, which can be given effect without the invalid provision. (1989, c. 91, s. 2.)

§ 95-229.1. Actions upon finding uninhabitable migrant housing.
If the Department of Labor of North Carolina determines that housing provided to migrants under this Article is uninhabitable, but is not reasonably expected to cause death or serious physical harm, the migrants shall be allowed to remain in the housing for a reasonable period, not to exceed 14 days, while the operator locates alternative housing or makes necessary repairs to make the housing habitable. No additional civil penalties arising from the condition of the housing shall be levied against the operator during the 14-day period after the housing has been determined to be uninhabitable in which the migrants are allowed to remain in the housing. The alternative housing shall be provided at the same rate or less than the rate paid by the migrants for the uninhabitable housing. If the Director determines, after recommendation by an inspector, that housing provided to migrants could reasonably be expected to cause death or serious physical harm immediately or before the imminence of such danger can be eliminated, the migrants shall not be allowed to stay in the housing, and alternative housing shall be provided by the operator at the same rate or less than the rate paid by the migrants for the uninhabitable housing. Article 19A.
Overhead High-Voltage Line Safety Act.

§ 95-229.5. Purpose; scope.
The purpose of this Article is to promote the safety and protection of persons engaged in work in the vicinity of high-voltage overhead lines. This Article defines the conditions under which work may be carried on safely and provides for the precautionary safety arrangements to be taken when any person engages in work in proximity to overhead high-voltage lines. (1995 (Reg. Sess., 1996), c. 587, s. 1.)

§ 95-229.6. Definitions.
As used in this Article, unless the context requires otherwise:

1. "Covered equipment" or "covered items" means any mechanical equipment, hoisting equipment, antenna, or rigging; any part of which is capable of vertical, lateral, or swinging motion that could cause any portion of the equipment or item to come closer than 10 feet to a high-voltage line during erection, construction, operation, or maintenance; including, but not limited to, equipment such as cranes, derricks, power shovels, backhoes, dump trucks, drilling rigs, pile drivers, excavating equipment, hay-loaders, haystackers, combines, irrigation equipment, portable grain augers or elevators, and mechanical cotton pickers. These terms also include items such as handheld tools, ladders, scaffolds, antennas, and outriggers, houses or other structures in transport, and gutters, siding, and other construction materials, the motion or manipulation of which could cause them to come closer than 10 feet to a high-voltage line.

2. "High-voltage line" means all aboveground electrical conductors of voltage in excess of 600 volts measured between conductor and ground.

3. "Person" means natural person, firm, business association, company, partnership, corporation, or other legal entity.

4. "Person responsible for the work to be done" means the person performing or controlling the work that necessitates the precautionary safety measures required by this Article, unless the person performing or controlling the work is under contract or agreement with a governmental entity, in which case "person responsible for the work to be done" means that governmental entity.

5. "Warning sign" means a weather-resistant sign of not less than five inches by seven inches with at least two panels: a signal panel and a message panel. The signal panel shall contain the signal word "WARNING" in black lettering and a safety alert symbol consisting of a black triangle with an orange exclamation point, all on an orange background. The message panel shall contain the
following words, either in black letters on a white background or white letters on a black background: "UNLAWFUL TO OPERATE THIS EQUIPMENT WITHIN TEN FEET OF OVERHEAD HIGH-VOLTAGE LINES – Contact with power lines can result in death or serious burns." A symbol or pictorial panel may also be added. Such warning sign language, lettering, style, colors, size, and format shall meet the requirements of the American National Standard ANSI Z535.4-1991, Product Safety Signs and Labels, or its successor or such equally effective standard as may be approved for use by the Commissioner of Labor. In the event of a conflict with regard to the appearance or content of the warning sign, the standard approved by the Commissioner of Labor shall take precedence over any description or standard set out in this subdivision. (1995 (Reg. Sess., 1996), c. 587, s. 1; 1998-193, s. 2.)

§ 95-229.7. Prohibited activities.
(a) Unless danger of contact with high-voltage lines has been guarded against as provided by G.S. 95-229.8, 95-229.9, and 95-229.10, the following actions are prohibited:
   (1) No person shall, individually or through an agent or employee, perform, or require any other person to perform, any work upon any land, building, highway, or other premises that will cause:
      a. Such individual, agent, employee, or other person to be placed within six feet of any overhead high-voltage line; or any part of any tool or material used by the agent, employee, or other person to be brought within six feet of any overhead high-voltage line, or
      b. Any part of any covered equipment or covered item used by the individual, agent, employee, or other person to be brought within 10 feet of any high-voltage line.
   (2) No person shall, individually or through an agent or employee or as an agent or employee, erect, construct, operate, maintain, transport, or store any covered equipment or covered item within 10 feet of any high-voltage line, or such greater clearance as may be required under the circumstances by OSHA, except as provided herein. This prohibition shall not apply, however, to covered equipment as defined herein when lawfully driven or transported on public streets and highways in compliance with applicable height restrictions. The required clearance from high-voltage lines shall be not less than four feet when:
      a. Covered equipment as defined herein is lawfully driven or transported on public streets and highways in compliance with the height restriction applicable thereto,
      b. Refuse collection equipment is operating, or
      c. Agricultural equipment is operating.
   (3) No person shall, individually or through an agent or employee or as an agent or employee, operate or cause to be operated an airplane or helicopter within 20 feet of a high-voltage line, except that no clearance is specified for licensed aerial applicators that may incidentally pass within the 20-foot limitation during normal operation.
   (4) No person shall, individually or through an agent or employee or as an agent or employee, store or cause to be stored any materials that are expected to be
moved or handled by covered equipment or any covered item within 10 feet of a high-voltage line.

(5) No person shall, individually or through an agent or employee or as an agent or employee, provide or cause to be provided additional clearance by either (i) raising, moving, or displacing any overhead utility electric lines or (ii) pulling or pushing any pole, guy, or other structural appurtenance.

(6) No person shall, individually or through an agent or employee or as an agent or employee, excavate or cause to be excavated any portion of any foundations of structures, including guy anchors or other structural appurtenances, which support any overhead utility electric lines.

(b) If the high-voltage line has been insulated or de-energized and grounded, in accordance with G.S. 95-229.10, the required clearances specified in subdivisions (1), (2), and (4) of subsection (a) of this section may be reduced to not less than two feet. Under no circumstances shall the line or its covering be contacted. If the line is temporarily raised or moved to accommodate the expected work, without also being insulated or de-energized and grounded, the required clearances from the line, specified in subsection (a) of this section, shall not be reduced. (1995 (Reg. Sess., 1996), c. 587, s. 1; 1998-193, s. 3.)

§ 95-229.8. Warning signs.

(a) No person shall, individually or through an agent or employee or as an agent or employee, operate any covered equipment in the proximity of a high-voltage line unless warning signs are posted and maintained as follows:

(1) A sign shall be located within the equipment and readily visible and legible to the operator of such equipment when at the controls of such equipment; and

(2) Signs shall be located on the outside of equipment so as to be readily visible and legible at 12 feet to other persons engaged in the work operations.

This subsection shall not apply to handheld tools, handheld equipment, and other items which by their size or configuration cannot accommodate the warning signs specified in G.S. 95-229.6(5).

(b) If the Commissioner of Labor determines that a successor, substitute, or additional sign standard may or shall be used in place of the requirements listed in G.S. 95-229.6, a period of not less than 18 months from such determination shall be allowed for any required replacement of signs. (1995 (Reg. Sess., 1996), c. 587, s. 1; 1998-193, s. 4.)

§ 95-229.9. Notification.

(a) When any person desires to carry on any work in closer proximity to any high-voltage line than permitted by G.S. 95-229.7(a), the person responsible for the work to be done shall notify the owner or operator of the high-voltage line prior to the time the work is to be commenced. Such notification shall occur at the earliest practical time; however, such notification shall occur not less than 48 hours, excluding Saturday, Sunday, and legal State and federal holidays, prior to the intended work. In emergency situations, including police, fire, and rescue emergencies, such notification shall occur as soon as possible under the circumstances. In cases where the person or business entity responsible for doing the work is doing so under contract or agreement with a government entity, and the government entity and the owner or operator of the lines have already made satisfactory mutual arrangements, further arrangements for that particular work are not required.
(b) Every notice served by any person on an owner or operator of a high-voltage line shall contain the following information:

1. The name, address, and telephone number of the individual serving such notice;
2. The location of the proposed work;
3. The name, address, and telephone number of the person responsible for the work;
4. The field telephone number of the site of such work, if one is available;
5. The type, duration, and extent of the proposed work;
6. The name of the person for whom the proposed work is being performed;
7. The time and date of the notice; and
8. The approximate date and time when the work is to begin.

(c) If the notification required by this Article is made by telephone, a record of the information in subsection (b) of this section shall be maintained by the owner or operator notified and the person giving the notice to document compliance with the requirements of this Article.

(d) Owners or operators of high-voltage lines may form and operate an association providing for mutual receipt of notification of activities close to high-voltage lines in a specified area. In areas where an association is formed, the following shall occur:

1. Notification to the association shall be effected as set forth in this section.
2. Owners or operators of high-voltage lines in the area:
   a. May become members of the association;
   b. May participate in and receive the services furnished by the association; and
   c. Shall pay their proportionate share of the cost for the services furnished.
3. The association whose members or participants have high-voltage lines within a county shall file a list containing the name, address, and telephone number of every member and participating owner or operator of high-voltage lines with the clerk of superior court.
4. If notification is made by telephone, an adequate record of the information required by subsection (b) of this section shall be maintained by the association to document compliance with the requirements of this Article. (1995 (Reg. Sess., 1996), c. 587, s. 1.)

§ 95-229.10. Precautionary safety arrangements.

(a) Installation or performance of precautionary safety arrangements shall be performed by the owner or operator of high-voltage lines only after mutually satisfactory arrangements have been negotiated between the owner or the operator of the lines, or both, and the person responsible for the work to be done. The negotiations shall proceed promptly and in good faith with the goal of accommodating the requested work consistent with the owner's or operator's service needs and the intent to protect the public from the danger of contact with high-voltage lines as far as is reasonable and cost-effective. The person responsible for the work may perform the work only after satisfactory mutual arrangements, including coordination of work and construction schedules, have been made between the owner or operator of the high-voltage lines and the person responsible for the work. The owners or operators of high-voltage lines shall make the final determination as to which arrangements are most feasible and appropriate under the circumstances; provided, however, that the utility may determine that no arrangements can be made that would allow the proposed work to be carried out in a reasonably safe manner or at reasonable cost taking into
account the cost to its customers, and the owner or operator of high-voltage lines may refuse to enter into an agreement on that basis.

(b) The precautionary safety measures shall be appropriate, reasonable, and cost-effective for the work of which the owner or operator of high-voltage lines has received notification. During mutual negotiations, the person responsible for the work may change the notification of intended work to include different or limited work so as to reduce the precautionary safety measures required to accommodate such work. The precautionary safety measures shall not violate the requirements of the current edition of the National Electrical Safety Code.

(c) The owner or operator of the high-voltage lines is not required to provide the precautionary safety arrangements until an agreement for payment has been made; except that, if the amount of payment is in dispute, the owner or operator shall commence with providing precautionary safety measures as if agreement had then been reached and the undisputed amount shall be paid according to the agreement reached as to that amount. If agreement for payment of the disputed amount has not been reached within 14 days from completion of precautionary safety measures, the owner or operator and the person or business entity responsible for doing the work may resolve the dispute by arbitration or other legal means.

(d) Unless otherwise agreed, the owner or operator of the high-voltage lines shall initiate the precautionary safety arrangements agreed upon within five working days after the agreement for payment has been reached as required in subsection (c) of this section, but no earlier than the agreed construction date coordinated between the parties. Once initiated, the owner or operator shall complete the work promptly and without interruption, consistent with the owner's or operator's service needs. Should the owner or operator of the high-voltage lines fail to provide the precautionary safety measures agreed upon in a timely manner, the owner or operator of the high-voltage lines shall be liable for costs or loss of production of the person or business entity requesting assistance to work in close proximity to high-voltage lines, except that no such liability shall exist during times of emergency, such as storm repair and the like.

(e) Precautionary safety arrangements may include:
   (1) Placement of temporary mechanical barriers separating and preventing contact between material, equipment, other objects, or persons and high-voltage lines;
   (2) Temporary de-energization and grounding;
   (3) Temporary relocation or raising of the high-voltage lines; or
   (4) Other such measures found to be appropriate in the judgment of the owner or operator of the high-voltage lines.

(f) The actual expense incurred by any owner or operator of high-voltage lines in taking precautionary measures as set out in subsections (a) through (e) of this section, including the wages of its workers involved in making safety arrangements, shall be paid by the person responsible for the work to be done, except if:
   (1) Any owner or operator of an overhead high-voltage line has located its facilities within a public highway or street right-of-way and the work is performed by or for the Department of Transportation or a city, county, or town, the actual expenses shall be the responsibility of the owner or operator of the overhead high-voltage lines, unless the owner or operator can provide evidence of prior rights or there is a prior written agreement specifying cost responsibility. However, if it is determined by the Department of Transportation or a city, county, or town that the temporary safety arrangements are for the sole
convenience of its contractor, the actual expense shall be the responsibility of the contractor;

(2) The owner or operator of the high-voltage lines has not installed the line in conformance with an applicable edition of the National Electrical Safety Code. In that case, the liability of the person responsible for the work shall be limited to the amount required to accommodate the work over and above the amount required to bring the installation into compliance with the National Electrical Safety Code; or

(3) In the case of property used for residential purposes, such actual expenses shall be limited to those in excess of one thousand dollars ($1,000). (1995 (Reg. Sess., 1996), c. 587, s. 1.)

§ 95-229.11. Exemptions.

Article 20.
Controlled Substance Examination Regulation.

§ 95-230. Purpose.
The General Assembly finds that individuals should be protected from unreliable and inadequate examinations and screening for controlled substances. The General Assembly also finds that employers who test employees for controlled substances shall use reliable and minimally invasive examinations and screenings and be afforded the opportunity to select from a range of cost-effective and advanced drug testing technologies. The purpose of this Article is to establish procedural and other requirements for the administration of controlled substance examinations. (1991, c. 687, s. 1; 2001-487, s. 66(a).)

§ 95-231. Definitions.
As used in this Article, unless the context clearly requires otherwise:

(1a) "Controlled substance" is as defined in G.S. 90-87(5) or a metabolite thereof.
(1b) "Controlled substance examination" means all actions related to drug testing for the purpose of determining if an examinee has used controlled substances.
(2) "Examiner" means a person, firm, or corporation, doing business in the State, including State, county, and municipal employers, who is the employer or prospective employer of the examinee and who performs or has performed by an approved laboratory a controlled substance examination.

(a) An examiner who requests or requires an examinee to submit to a controlled substance examination shall comply with the procedural requirements set forth in this section.
(b) Collection of samples: the collection of samples for examination or screening shall be performed under reasonable and sanitary conditions. Individual dignity shall be preserved to the extent practicable. Samples shall be collected in a manner reasonably calculated to prevent substitution of samples and interference with the collection, examination, or screening of samples. Samples for prospective or current employees may be collected on-site or at an approved laboratory.
(c) Screening test of samples:
(1) Prospective employees: a preliminary screening procedure that utilizes a single-use test device may be used for prospective employees.

(2) Current employees: the screening test of samples for current employees shall only be performed by an approved laboratory.

(c1) Confirmation test of samples: if a screening test for a prospective employee produces a positive result, an approved laboratory shall confirm that result by a second examination of the sample utilizing gas chromatography with mass spectrometry or an equivalent scientifically accepted method, unless the examinee signs a written waiver at the time or after they receive the preliminary test result. All screening tests for current employees that produce a positive result shall be confirmed by a second examination of the sample utilizing gas chromatography with mass spectrometry or an equivalent scientifically accepted method.

(d) Retention of samples: a portion of every sample that produces a confirmed positive examination result shall be preserved by the laboratory that conducts the confirmatory examination for a period of at least 90 days from the time the results of the confirmed positive examination are mailed or otherwise delivered to the examiner.

(e) Chain of custody: the examiner or his agent shall establish procedures regarding chain of custody for sample collection and examination to ensure proper record keeping, handling, labeling, and identification of examination samples.

(f) Retesting of positive samples: the examinee shall have the right to retest a confirmed positive sample at the same or another approved laboratory. The examiner, through the approved laboratory, shall make confirmed positive samples available to the affected examinee, or a designated agent, during the time which the sample is required to be retained. The examinee must request release of the sample in writing specifying to which approved laboratory the sample is to be sent. The examinee incurs all reasonable expenses for chain of custody procedures, shipping, and retesting of positive samples related to this request. (1991, c. 687, s. 1; 1993, c. 213, s. 2; 1995, c. 383, s. 1; 2006-264, s. 52(a); 2009-535, s. 1.)

The court may award to the plaintiff and assess against the defendant the reasonable costs and expenses, including attorneys' fees, of the plaintiff in bringing an action pursuant to this section. If the court determines that the plaintiff's action is frivolous, it may award to the defendant and

§ 95-260. Definitions.
The following definitions apply in this Article:

(1) Civil no-contact order. – An order granted under this Article, which includes a remedy authorized by G.S. 95-264.
(2) Employer. – Any person or entity that employs one or more employees. Employer also includes the State of North Carolina and its political subdivisions.

(3) Unlawful conduct. – Unlawful conduct means the commission of one or more of the following acts upon an employee, but does not include acts of self-defense or defense of others:
   a. Attempting to cause bodily injury or intentionally causing bodily injury.
   b. Willfully, and on more than one occasion, following, being in the presence of, or otherwise harassing, as defined in G.S. 14-277.3A, without legal purpose and with the intent to place the employee in reasonable fear for the employee's safety.
   c. Willfully threatening, orally, in writing, or by any other means, to physically injure the employee in a manner and under circumstances that would cause a reasonable person to believe that the threat is likely to be carried out and that actually causes the employee to believe that the threat will be carried out. (2004-165, s. 1; 2009-58, s. 7.)

§ 95-261. Civil no-contact orders; persons protected.
   An action for a civil no-contact order may be filed as a civil action in district court by an employer on behalf of an employee who has suffered unlawful conduct from any individual that can reasonably be construed to be carried out, or to have been carried out, at the employee's workplace. The employee that is the subject of unlawful conduct shall be consulted prior to seeking an injunction under this Article in order to determine whether any safety concerns exist in relation to the employee's participation in the process. Employees who are targets of unlawful conduct who are unwilling to participate in the process under this Article shall not face disciplinary action based on their level of participation or cooperation. (2004-165, s. 1.)

§ 95-262. Commencement of action; venue.
   (a) An action for a civil no-contact order is commenced by filing a verified complaint for a civil no-contact order in any civil district court or by filing a motion in any existing civil action.
   (b) A complaint or motion for a civil no-contact order shall be filed in the county where the unlawful conduct took place. (2004-165, s. 1.)

§ 95-263. Process for action for no-contact order.
   (a) Any action for a civil no-contact order requires that a separate summons be issued and served. The summons issued pursuant to this Article shall require the respondent to answer within 10 days of the date of service. Attachments to the summons shall include the verified complaint for the civil no-contact order and any temporary civil no-contact order that has been issued and the notice of hearing on the temporary civil no-contact order.
   (b) Service of the summons and attachments shall be by the sheriff by personal delivery in accordance with Rule 4 of the Rules of Civil Procedure, and if the respondent cannot with due diligence be served by the sheriff by personal delivery, the respondent may be served by publication by the complainant in accordance with Rule 4(j1) of the Rules of Civil Procedure.
   (c) The court may enter a civil no-contact order by default for the remedy sought in the complaint if the respondent has been served in accordance with this section and fails to answer as
directed, or fails to appear on any subsequent appearance or hearing date agreed to by the parties or set by the court. (2004-165, s. 1.)

§ 95-264. Civil no-contact order; remedy.
(a) Upon a finding that the employee has suffered unlawful conduct committed by the respondent, the court may issue a temporary or permanent civil no-contact order. In determining whether or not to issue a civil no-contact order, the court shall not require physical injury to the employee or injury to the employer's property.
(b) The court may grant one or more of the following forms of relief in its orders under this Article:

1. Order the respondent not to visit, assault, molest, or otherwise interfere with the employer or the employer's employee at the employer's workplace, or otherwise interfere with the employer's operations.
2. Order the respondent to cease stalking the employer's employee at the employer's workplace.
3. Order the respondent to cease harassment of the employer or the employer's employee at the employer's workplace.
4. Order the respondent not to abuse or injure the employer, including the employer's property, or the employer's employee at the employer's workplace.
5. Order the respondent not to contact by telephone, written communication, or electronic means the employer or the employer's employee at the employer's workplace.
6. Order other relief deemed necessary and appropriate by the court.

(c) A civil no-contact order shall include the following notice, printed in conspicuous type: "A knowing violation of a civil no-contact order shall be punishable as contempt of court which may result in a fine or imprisonment." (2004-165, s. 1.)

§ 95-265. Temporary civil no-contact order; court holidays and evenings.
(a) A temporary civil no-contact order may be granted ex parte, without written or oral notice to the respondent, only if both of the following are shown:

1. It clearly appears from specific facts shown by a verified complaint or affidavit that immediate injury, loss, or damage will result to the complainant, or the complainant's employee before the respondent can be heard in opposition.
2. Either one of the following:
   a. The complainant certifies to the court in writing the efforts, if any, that have been made to give the notice and the reasons supporting the claim that notice should not be required.
   b. The complainant certified to the court that there is good cause to grant the remedy because the harm that the remedy is intended to prevent would likely occur if the respondent were given any prior notice of the complainant's efforts to obtain judicial relief.

(b) Every temporary civil no-contact order granted without notice shall:

1. Be endorsed with the date and hour of issuance.
2. Be filed immediately in the clerk's office and entered of record.
3. Define the injury, state why it is irreparable and why the order was granted without notice.
(4) Expire by its terms within such time after entry, not to exceed 10 days.
(5) Give notice of the date of hearing on the temporary order as provided in G.S. 95-267(a).

(c) If the respondent appears in court for the hearing for a temporary order, the respondent may elect to file a general appearance and testify. Any resulting order may be a temporary order, governed by this section. Notwithstanding the requirements of this section, if all requirements of G.S. 95-266 have been met, the court may issue a permanent order.

(d) When the court is not in session, the complainant may file a complaint for a temporary order before any judge or magistrate designated to grant relief under this Article. If the judge or magistrate finds that there is an immediate and present danger of abuse against the complainant or employee of the complainant and that the complainant has satisfied the prerequisites set forth in subsection (a) of this section, the judge or magistrate may issue a temporary civil no-contact order. The chief district court judge may designate for each county at least one judge or magistrate to be reasonably available to issue temporary civil no-contact orders when the court is not in session. (2004-165, s. 1; 2006-264, s. 9.)

§ 95-266. Permanent civil no-contact order.
Upon a finding that the employee has suffered unlawful conduct committed by the respondent, a permanent civil no-contact order may issue if the court additionally finds that process was properly served on the respondent, the respondent has answered the complaint and notice of hearing was given, or the respondent is in default. No permanent civil no-contact order shall be issued without notice to the respondent. (2004-165, s. 1.)

§ 95-267. Duration; extension of orders.
(a) A temporary civil no-contact order shall be effective for not more than 10 days as the court fixes, unless within the time so fixed the temporary civil no-contact order, for good cause shown, is extended for a like period or a longer period if the respondent consents. The reasons for the extension shall be stated in the temporary order. In case a temporary civil no-contact order is granted without notice and a motion for a permanent civil no-contact order is made, it shall be set down for hearing at the earliest possible time and takes precedence over all matters except older matters of the same character. When the motion for a permanent civil no-contact order comes on for hearing, the complainant may proceed with a motion for a permanent civil no-contact order, and, if the complainant fails to do so, the judge shall dissolve the temporary civil no-contact order. On two days' notice to the complainant or on such shorter notice to that party as the judge may prescribe, the respondent may appear and move its dissolution or modification. In that event the judge shall proceed to hear and determine such motion as expeditiously as the ends of justice require.
(b) A permanent civil no-contact order shall be effective for a fixed period of time not to exceed one year.
(c) Any temporary or permanent order may be extended one or more times, as required, provided that the requirements of G.S. 95-265 or G.S. 95-266, as appropriate, are satisfied. The court may renew a temporary or permanent order, including an order that previously has been renewed, upon a motion by the complainant filed before the expiration of the current order. The court may renew the order for good cause. The commission of an act of unlawful conduct by the respondent after entry of the current order is not required for an order to be renewed. If the motion for extension is uncontested and the complainant seeks no modification of the order, the order may
be extended if the complainant's motion or affidavit states that there has been no material change in relevant circumstances since entry of the order and states the reason for the requested extension. Extensions may be granted only in open court and not under the provisions of G.S. 95-265(d).

(d) Any civil no-contact order expiring on a court holiday shall expire at the close of the next court business day. (2004-165, s. 1.)

(a) The clerk of court shall deliver on the same day that a civil no-contact order is issued a certified copy of that order to the sheriff.

(b) Unless the respondent was present in court when the order was issued, the sheriff shall serve that order upon the respondent and file proof of service in the manner provided for service of process in civil proceedings. If process has not yet been served upon the respondent, it shall be served with the order.

(c) A copy of the order shall be issued promptly to and retained by the police department of the municipality of the employer's workplace. If the employer's workplace is not located in a municipality or in a municipality with no police department, copies shall be issued promptly to and retained by the sheriff and the county police department, if any, of the county in which the employer's workplace is located.

(d) Any order extending, modifying, or revoking any civil no-contact order shall be recorded, issued, and served in accordance with the provisions of this Article. (2004-165, s. 1.)

§ 95-269. Violation of valid order.

A violation of an order entered pursuant to this Article is punishable as contempt of court. (2004-165, s. 1.)

§ 95-270. Employment discrimination unlawful.

(a) No employer shall discharge, demote, deny a promotion, or discipline an employee because the employee took reasonable time off from work to obtain or attempt to obtain relief under Chapter 50B or Chapter 50C. An employee who is absent from the workplace shall follow the employer's usual time-off policy or procedure, including advance notice to the employer, when required by the employer's usual procedures, unless an emergency prevents the employee from doing so. An employer may require documentation of any emergency that prevented the employee from complying in advance with the employer's usual time-off policy or procedure, or any other information available to the employee which supports the employee's reason for being absent from the workplace.

(b) The Commissioner of Labor shall enforce the provisions of this section according to Article 21 of Chapter 95 of the General Statutes, including the rules and regulations issued pursuant to the Article. (2004-165, s. 1.)
