

**§ 102-10. Prior work.**

The system of stations, monuments, traverses, computations, and other work which has been done or is under way in North Carolina by the so-called North Carolina Geodetic Survey, under the supervision of the United States Coast and Geodetic Survey, is, where consistent with the provisions of this Chapter, hereby made a part of the North Carolina Coordinate System. The surveys, notes, computations, monuments, stations, and all other work relating to the coordinate system, which has been done by said North Carolina Geodetic Survey, under the supervision of and in cooperation with the United States Coast and Geodetic Survey and federal relief agencies, hereby are placed under the direction of, and shall become the property of, the administrative agency. All persons or agencies having in their possession any surveys, notes, computations, or other data pertaining to the aforementioned coordinate system, shall turn over to the Department of Public Safety such data upon request.
