§ 104E-17. Payments to State and local agencies.

Upon completion of any project or activity stated in G.S. 104E-16(a)(1), and from time to time during any project or activity stated in G.S. 104E-16(a)(2), each State and local agency that has participated by furnishing personnel, equipment or material shall deliver to the Department a record of the expenses incurred by the agency. The amount of incurred expenses shall be disbursed by the Secretary of Health and Human Services to each such agency from the Radiation Protection Fund. Upon completion of any project or activity stated in G.S. 104E-16(a)(1), and from time to time during any project or activity stated in G.S. 104E-16(a)(2), the Secretary of Health and Human Services shall prepare a statement of all expenses and costs of the project or activity expended by the State and shall make demand for payment upon the person having control over the radioactive materials or the release thereof which necessitated said project or activity. Any person having control over the radioactive materials or the release thereof and any other person causing or contributing to an incident necessitating any project or activity stated in G.S. 104E-16 shall be directly liable to the State for the necessary expenses incurred thereby and the State shall have a cause of action to recover from any or all such persons. If the person having control over the radioactive materials or the release thereof shall fail or refuse to pay the sum expended by the State, the Secretary of Health and Human Services shall refer the matter to the Attorney General of North Carolina, who shall institute an action in the name of the State in the Superior Court of Wake County, or in his discretion, in the superior court of the county in which the project or activity was undertaken by the State, to recover such cost and expenses.

In any action instituted by the Attorney General under this section, a verified and itemized statement of the expenses incurred by the State in any project or activity stated in G.S. 104E-16 shall be filed with the complaint and shall constitute prima facie the amount due the State; and any judgment for the State thereon shall be for such amount in the absence of allegation and proof on the part of the defendant or defendants that the statement of expenses incurred by and the amount due the State is not correct because of an error in:

1. Calculating the amount due, or
2. Not properly crediting the account with any cash payment or payments or other satisfaction which may have been made thereon.
