§ 105-187.22. Administration.

The privilege tax this Article imposes on a white goods retailer is an additional State sales tax and the excise tax this Article imposes on the storage, use, or consumption of a new white good in this State is an additional State use tax. Except as otherwise provided in this Article, these taxes shall be collected and administered in the same manner as the State sales and use taxes imposed by Article 5 of this Chapter. As under Article 5 of this Chapter, the additional State sales tax paid when a new white good is sold at retail is a credit against the additional State use tax imposed on the storage, use, or consumption of the same white good.
