

§ 105-507.3. Distribution and use of taxes.

(a) Distribution. – The Secretary shall, on a monthly basis, allocate to each taxing county the net proceeds of the tax levied under this Part by that county. If the Secretary collects taxes under this Part in a month and the taxes cannot be identified as being attributable to a particular taxing county, the Secretary shall allocate these taxes among the taxing counties, in proportion to the amount of taxes collected in each county under this Part in that month and shall include them in the monthly distribution.

The Secretary shall distribute the net proceeds of the tax levied by a county on a per capita basis among the county and the units of local government in the county that operate public transportation systems. No proceeds shall be distributed to a county that does not operate a public transportation system or to a unit of local government that does not operate a public transportation system.

(b) Use. – A county must allocate the net proceeds distributed to it in accordance with its financial plan adopted pursuant to G.S. 105-507 and use the net proceeds only for financing, constructing, operating, and maintaining local public transportation systems. Any other unit of local government may use the net proceeds distributed to it under this Part only for financing, constructing, operating, and maintaining local public transportation systems. Every unit of government shall use the net proceeds to supplement and not to supplant or replace existing funds or other resources for public transportation systems.
