

§ 106-520.3. Commissioner of Agriculture to regulate.

The Commissioner of Agriculture, with the advice and approval of the State Board of Agriculture, is hereby authorized, empowered and directed to make rules and regulations with respect to classification, operation and licensing of fairs, so as to insure that such fairs shall conform to the definition set out in G.S. 106-520.1, and shall best promote the purposes of fairs as set out in such definition. Every fair, and every exhibition using the word "fair" in its name, except fairs classified by the Commissioner of Agriculture as noncommercial community fairs, must comply with the standards, rules and regulations set up and promulgated by the Commissioner of Agriculture, and must secure a license from the Commissioner of Agriculture before such exhibition or fair is staged or operated. No license shall be issued for any such exhibition or fair unless it meets the standards and complies with the rules and regulations of the Commissioner of Agriculture with respect thereto.
