(c) There is established a "North Carolina Agricultural Development and Farmland Preservation Trust Fund" to be administered by the Commissioner of Agriculture. The Trust Fund shall consist of all monies received for the purpose of purchasing agricultural conservation easements or funding programs that promote the development and sustainability of farming and assist in the transition of existing farms to new farm families, or monies transferred from counties or private sources. The Trust Fund shall be invested as provided in G.S. 147-69.2 and G.S. 147-69.3. The Commissioner shall use Trust Fund monies for any of the following purposes:

- (3) To fund conservation agreements to bring into or maintain farmland in active production of food, fiber, and other agricultural products.

A county that has not prepared a countywide farmland protection plan shall match thirty percent (30%) of the Trust Fund monies it receives with county funds. A county that is a development tier one county, as defined in G.S. 143B-437.08, and that has prepared a countywide farmland protection plan shall not be required to match any of the Trust Fund monies it receives with county funds.

(c3) The Commissioner of Agriculture shall adopt rules governing the use, distribution, investment, and management of Trust Fund monies.

This section shall not be construed to invalidate any farmland preservation program.

This section shall not be construed to diminish the powers of any public entity, agency, or instrumentality to acquire by purchase, gift, devise, inheritance, eminent domain, or otherwise and to use property of any kind for public purposes.
