

Article 7.

Child Care Facilities.

§ 110-85. Legislative intent and purpose.

Recognizing the importance of the early years of life to a child's development, the General Assembly hereby declares its intent with respect to the early care and education of children:

- (1) The State should protect children in child care facilities by ensuring that these facilities provide a physically safe and healthy environment where the developmental needs of these children are met and where these children are cared for by qualified persons of good moral character.
- (2) Repealed by Session Laws 1997-506, s. 2, effective September 16, 1997.
- (3) Achieving this level of protection and early education requires the following elements: mandatory licensing of child care facilities; promotion of higher quality child care through the development of enhanced standards which operators may comply with on a voluntary basis; and a program of education to help operators improve their programs and to deepen public understanding of child care needs and issues. (1971, c. 803, s. 1; 1987, c. 788, s. 1; 1997-506, ss. 1, 2.)
