(a1) Web Site Availability. – Information about scholarships and the application process shall be made available on the Authority's Web site. The Authority shall also include information on the Web site notifying parents that federal regulations adopted under IDEA provide that no parentally placed private school child with a disability has an individual right to receive some or all of the special education and related services that the child would receive if enrolled in a public school.

(a2) Priority of Awards. – The Authority shall award scholarships according to the following criteria for applications received by March 15 each year:

(1) First priority shall be given to eligible students who received a scholarship for the school year prior to the school year for which students are applying.

(2) After scholarships have been awarded under subdivision (1) of this subsection, scholarships shall be awarded to students who are eligible under G.S. 115C-112.5(2)f.1., 2., 4., 5., 7., 8., and 9.

(3) After scholarships have been awarded under subdivision (2) of this subsection, scholarships shall be awarded to students who are eligible under G.S. 115C-112.5(2)f.6.

(b) Scholarship Awards. – Scholarships awarded to eligible students shall be for amounts of not more than eight thousand dollars ($8,000) per year per eligible student. Eligible students awarded scholarships may not be enrolled in a public school to which that student has been assigned as provided in G.S. 115C-366. Scholarships shall be awarded only for tuition and for the reimbursement of special education, related services, and educational technology, as provided in subsection (b1) of this section. The Authority shall notify parents in writing of their eligibility to receive scholarships for costs that will be incurred during the school year by July 1.

(b1) Disbursement of Scholarship Funds. – The Authority shall disburse scholarship funds for tuition and for the reimbursement of costs incurred by the parent of an eligible student as follows:

(1) Tuition endorsement and reimbursement. – The Authority shall disburse scholarship funds awarded to eligible students for tuition at a nonpublic school based upon the method selected by the nonpublic school. A nonpublic school may elect to participate in the scholarship endorsement for tuition option or the reimbursement for tuition option as set forth in this subdivision. Scholarship funds shall not be provided for tuition for home schooled students. Scholarship funds for tuition shall be disbursed as follows:

a. Scholarship endorsement for tuition. – The Authority shall remit, at least two times each school year, scholarship funds awarded to eligible students for endorsement by at least one of the student's parents or guardians for tuition to attend a nonpublic school that meets the requirements of Part 1 or Part 2 of Article 39 of this Chapter as identified by the Department of Administration, Division of Nonpublic Education, is deemed eligible by the Division, and is subject to the requirements of G.S. 115C-562.5. The parent or guardian shall restrictively endorse the scholarship funds awarded to the eligible student for deposit into the account of the nonpublic school to the credit of the eligible student. The parent or guardian shall not designate any entity or individual associated with the school as the parent's attorney-in-fact to endorse the scholarship funds. A parent's
or guardian's failure to comply with this section shall result in forfeiture of the scholarship funds. A scholarship forfeited for failure to comply with this section shall be returned to the Authority to be awarded to another student.

b. Reimbursement for tuition. – The parent or guardian of an eligible student who enrolls in a school that is (i) a North Carolina public school other than the public school to which that student has been assigned as provided in G.S. 115C-366 or (ii) a nonpublic school that meets the requirements of Part 1 or Part 2 of Article 39 of this Chapter as identified by the Department of Administration, Division of Nonpublic Education, is deemed eligible by the Division, and is not subject to G.S. 115C-562.5, shall pay tuition directly to the school. The Authority shall reimburse the parent or guardian no sooner than the midpoint of each semester. A parent or guardian may receive reimbursement for tuition if the parent or guardian provides documentation that the student was enrolled in a school under this sub-subdivision.

2. Scholarship reimbursements for costs. – Scholarship reimbursement for costs incurred shall be provided as follows:
   a. Preapproval process. – Prior to the start of each school semester, the parent of an eligible student may submit documentation of the special education, related services, or educational technology the parent anticipates incurring costs on in that semester for preapproval by the Authority.
   b. Reimbursement submissions. – Following the conclusion of each school semester, the parent of an eligible student shall submit to the Authority any receipts or other documentation approved by the Authority to demonstrate the costs incurred during the semester. In addition, parents shall provide documentation of the following to seek reimbursement:
      1. Special education reimbursement. – Parents may only receive reimbursement for special education if the parent provides documentation that the student received special education for no less than 75 days of the semester for which the parent seeks reimbursement. Special education reimbursement shall not be provided for special education instruction provided to a home schooled student by a member of the household of a home school, as defined in G.S. 115C-563(a).
      2. Related services reimbursement. – Parents may only receive reimbursement for related services if the parent provides documentation that the student also received special education for no less than 75 days of the semester for which the parent seeks reimbursement for the related services. Related services reimbursement shall not be provided for related services provided to a home schooled student by a member of the household of a home school, as defined in G.S. 115C-563(a).
      3. Educational technology reimbursement. – Parents may only receive reimbursement for educational technology if the parent provides documentation that the student used the educational
technology for no less than 75 days of the semester for which the parent seeks reimbursement.

c. Scholarship award. – The Authority shall award a scholarship in the amount of costs demonstrated by the parent up to the maximum amount.

d. Carryforward of funds for reimbursements. – Any unexpended scholarship funds at the end of each fiscal year shall revert to the General Fund, except that the Authority may carry forward for the next fiscal year an amount necessary to ensure that any outstanding, allowable reimbursements can be disbursed in accordance with this section. Any funds carried forward for the purpose of meeting anticipated reimbursement obligations from the prior fiscal year that are not expended shall not be used to award additional scholarships to eligible students but shall revert to the General Fund at the end of that fiscal year.

(b2) Establishment of Initial Eligibility. – An applicant may demonstrate for initial eligibility that the applicant is a child with a disability, as required by G.S. 115C-112.5(2)a., in either of the following ways:

(1) The child has been assessed by a local education agency and determined to be a child with a disability and that outcome is verified by the local education agency on a form provided to the Authority.

(2) The child was initially assessed by a local education agency and determined to be a child with a disability and, following receipt of a scholarship awarded pursuant to Article 41 of this Chapter, was determined to have continuing eligibility, as provided in G.S. 115C-593(2), by the assessing psychologist or psychiatrist. Both the initial verification from the local education agency and the continuing verification by the assessing psychologist or psychiatrist shall be provided on a form to the Authority.

(c) Student Continuing Eligibility. – After an eligible student's initial receipt of a scholarship, the Authority shall ensure that the student's continuing eligibility is assessed at least every three years by one of the following:

(1) The local educational agency. – The local school educational agency shall assess if the child continues to be a child with a disability and verify the outcome on a form to be provided to the Authority.

(2) A licensed psychologist with a school psychology focus or a psychiatrist. – The psychologist or psychiatrist shall assess, after review of appropriate medical and educational records, if the education and related services received by the student in the nonpublic school setting have improved the child's educational performance and if the student would continue to benefit from placement in the nonpublic school setting. The psychologist or psychiatrist shall verify the outcome of the assessment on a form to be provided to the Authority.

(d) Rule Making. – The Authority shall establish rules and regulations for the administration and awarding of scholarships and may include in those rules a lottery process for selection of scholarship recipients within the criteria established by this section. The Authority shall adopt rules providing for pro rata return of funds if a student withdraws prior to the end of the semester from a school to which scholarship funds have been remitted. The Authority shall annually develop a list of educational technology for which scholarships may be used and shall provide scholarship recipients with information about the list.
(e) Public Records Exception. – Scholarship applications and personally identifiable information related to eligible students receiving scholarships shall not be a public record under Chapter 132 of the General Statutes. For the purposes of this section, personally identifiable information means any information directly related to a student or members of a student's household, including the name, birthdate, address, Social Security number, telephone number, e-mail address, financial information, or any other information or identification number that would provide information about a specific student or members of a specific student's household.
